**Re: Rule Certification. Notification of Administrative Amendments to Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook in Relation to the Migration of NYMEX Environmental Futures and Options Contracts to the Green Exchange LLC
NYMEX Submission No. 11-066**

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying administrative, non-substantive amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in relation to the migration of forty-two (42) NYMEX environmental futures and options contracts to the Green Exchange LLC. The 42 contracts were last available for trading on NYMEX on trade date January 21, 2010, and the corresponding 28 rule chapters were delisted from the NYMEX Rulebook. The product slate was migrated to the Green Exchange, LLC a Designated Contract Market, on trade date January 24, 2011. The administrative amendments contained in this submission are intended to (1) remove any references to the NYMEX Rulebook chapter numbers previously assigned to those contracts; and (2) include a reference to the product chapter numbers for the contracts names as assigned in the Green Exchange Rulebook.

Please note that those contracts continue to be listed in the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook due to a services agreement between NYMEX and the Green Exchange pursuant to which NYMEX performs market surveillance functions to those contracts.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached administrative amendments comply with the Act, including regulations under the Act. These changes will be made effective on trade date February 17, 2011.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2207, Joseph Hawrysz, Director, Global Market Surveillance at (312) 341-7750 or Ryne Toscano, Supervisor, Market Surveillance, at (212) 299-2879. Please reference our NYMEX Submission No. 11-066 in any related correspondence.

Sincerely,

/s/ Felix Khalatnikov
Dir & Assoc General Counsel
