**Re: Rule Certification. New York Mercantile Exchange, Inc. Submission #08.36:
Certification of Amendments to NYMEX Rulebook Chapter 9, Appendix A**

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying the following amendments to NYMEX Rulebook Chapter 9, Appendix A.

In NYMEX Submission #08.33 dated March 5, 2008, NYMEX self-certified amendments to Chapter 9, Appendix A, which specified the accountability levels, position limits, and reportable levels for fifteen (15) new Petroleum Product Swap contracts. That certification also included housekeeping amendments pertaining to the NYMEX Light Sweet Crude Oil miNY Futures Contract (QM) and the WTI Crude Oil Look-Alike Option (LC). Those housekeeping amendments were submitted erroneously. Therefore, this certification amends the rule changes certified in Submission #08.33 pertaining to the QM and LC contracts (*see* attached Chapter 9, Appendix A) to effectively reinstate the original rule. Accordingly, the enclosed certification amends Chapter 9, Appendix A to correctly reflect that the QM and LC contracts exercise into the financially settled WS contract, and *not* into the physically settled CL contract.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. These changes will be made effective on March 11, 2008.

Should you have any questions concerning the above, please contact Anthony V. Densieski, Vice President, Market Surveillance, at (212) 299-2881 or the undersigned at (202) 715-8517.

Sincerely,

De'Ana H. Dow
Senior Vice President and
Chief Legislative Counsel
