**Re: Section 5c(c)(1), Regulation 40.6(a) Submission. Exchange
Certification for a Rule Amendment Pertaining to Rule 5904 Par
Delivery and Substitutions for International Skimmed Milk Powder
Futures and Options Contracts
CME Submission No. 11-089R**

Dear Mr. Stawick:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission regarding a change to the Par Delivery and Substitutions section of the CME International Skimmed Milk Powder contracts. This section will be revised to remove the kosher requirement for delivery of Skimmed Milk Powder.

This change will take effect on Monday, March 14, 2011, for the March 2011 and subsequent contracts months since these contracts contain no open interest.

CME certifies that this change complies with the Commodity Exchange Act and regulations thereunder. There were no substantive opposing views to this proposal.

Changes to the rule language are as follows with additions underlined and deletions overstruck.

If you require any additional information regarding this action, please do not hesitate to contact Mr. Charles Piszczor at 312-930-4536 or via e-mail at charles.piszczor@cmegroup.com or me at (212) 299-2207. Please reference CME Submission No. 11-089R in any related correspondence.

Sincerely,

/s/ Felix Khalatnikov
Director & Associate General Counsel

Chapter 59
CME International Skimmed Milk Powder Futures

5904. PAR DELIVERY AND SUBSTITUTIONS

5904.A. Par Delivery Unit

A par delivery unit is 20 metric tonnes of skimmed milk powder meeting all requirements of this Chapter.

1. Quality Specifications -

SMP must be heat treated at a minimum 72°C (161°F) for a minimum 15 seconds for purposes of pasteurization and must additionally receive heat treatment to provide Medium Heat characteristics to the finished product (Undenatured Whey Protein Nitrogen Index \geq 1.51 mg and \leq 5.99 mg per gram skimmed milk powder) per *Standard Methods for the Examination of Dairy Products, 17th ed.*, American Public Health Association, as amended or in such other document or announcement as may supersede this publication.
