Re: **Chicago Climate Futures Exchange, LLC
Submission No. 09-07 Amended**

Dear Mr. Stawick:

On March 24, 2009 the Chicago Climate Futures Exchange LLC ("CCFE") submitted to the Commodity Futures Trading Commission ("CFTC") an amendment to the CCFE Rulebook (the "Rulebook"), reference number 09-07, modifying contract specifications and listing additional vintages for its Nitrogen Financial Instrument Ozone Season futures contract.

The initial submission 09-07 was inadvertently filed under Reg. 40.6(a) only. Accordingly, CCFE submits this amended submission 09-07 to correctly file under Reg. 40.5(a) and 40.2. An amended Submission Cover Sheet is attached hereto.

The Exchange certifies that this amendment neither violates nor is inconsistent with any portion of the Act or of the rules thereunder.

Should you require additional information regarding this submission, please contact me at 312.229.5177. Please reference our submission number 09-07 in any related correspondence.

Very truly yours,

Satish Nandapurkar
President
