Washington, DC 20581

**RE:   CBOT Chapter 29  
      CBOT Submission No. 09-107**

Dear Mr. Stawick:

The Board of Trade of the City of Chicago, Inc. ("CBOT" or "Exchange") hereby notifies the Commodity Futures Trading Commission that the Exchange is removing AIG, American International Group, Inc. ("American International Group") and AIG Financial Products Corp. ("AIG-FP") from CBOT Chapter 29 and replacing them with either UBS or UBS Securities LLC, effective immediately.

On May 6, 2009, UBS Securities LLC closed on the purchase of AIG Financial Products Corp and all of its rights to the Dow Jones-AIG Commodity Index. Due to this acquisition all products that were branded with AIG are now branded with UBS. This was a change in ownership and name only. There has been no change in the index methodology as a result of this transaction.

CBOT certifies that this action complies with the Commodity Exchange Act and regulations thereunder.

If you require any additional information regarding this action, please do not hesitate to contact John D. Hill at (312) 930-1852 or via e-mail at [John.Hill@CMEGroup.com](mailto:John.Hill@CMEGroup.com), or me at (312) 648-5422. Please reference our CBOT Submission No. 09-107 in any related correspondence.

Sincerely,

/s/ Stephen M. Szarmack  
Director and Associate General Counsel

**Chapter 29**  
**CBOT® Dow Jones-[AIG] UBS Excess Return**  
**Commodity Index <sup>SM</sup>1 Futures**

**29100. SCOPE OF CHAPTER**

This chapter is limited in application to futures trading of Dow Jones-[AIG] UBS Excess Return Commodity Index<sup>SM</sup> futures (hereafter also referred to as "DJ-[AIG] UBS ER<sup>SM</sup>"). The procedures for trading, clearing, delivery and settlement of this contract and any other matters not specifically covered herein or in Chapter 7 shall be governed by the general rules of the Exchange.

**29101. CONTRACT SPECIFICATIONS**

The contract grade shall be the final settlement price (as described in Rule 29104.) of the Dow Jones-[AIG] UBS Excess Return Commodity Index<sup>SM</sup> on final settlement day (as described in Rule 29105.).

**29102. TRADING SPECIFICATIONS**

Trading in Dow Jones-[AIG] UBS Excess Return Commodity Index futures is regularly conducted in four months - March, June, September and December. The first four quarterly contracts and the next four December contracts shall be listed, such that at any time there will be five December expiries and the nearest March, June and September expirations. Notwithstanding the foregoing, the number of months open for trading at a given time shall be determined by the Exchange.

**29102.A. Trading Schedule**

The hours for trading of Dow Jones-[AIG] UBS Excess Return Commodity Index<sup>SM</sup> futures shall be determined by the Exchange. Trading in an expiring contract shall cease at 1:30 p.m. Chicago time (2:30 p.m. Eastern time) on the last day of trading.

The market shall be opened and closed for all months simultaneously.

**29102.B. Trading Unit**

The unit of trading shall be \$100.00 times the Dow Jones-[AIG] UBS Excess Return Commodity Index<sup>SM</sup> futures price which corresponds to each futures contract.

The Dow Jones-[AIG] UBS Excess Return Commodity Index<sup>SM</sup> is a liquidity and world production, dollar-weighted, arithmetic average of prices of up to 19 exchange-traded physical commodity futures contracts which satisfy specified criteria. The futures price index is calculated as the fair value of the basket of futures contracts in the DJ-[AIG] UBS ER<sup>SM</sup> for a specific contract month. The futures price index is identical to the calculation of the weighted average value (WAV1) of the lead futures in the DJ-[AIG] UBS ER<sup>SM</sup> divided by four (4) and rounded to one decimal place. The futures price index incorporates no rolling forward of futures contracts and is quoted only until the expiration of the corresponding DJ-[AIG] UBS ER<sup>SM</sup> futures contract. For any January contract, the futures price index shall be determined using the prior year's DJ-[AIG] UBS ER<sup>SM</sup> specifications. February through December contracts shall use the current year's DJ-[AIG] UBS ER<sup>SM</sup> specifications.

**29102.C. Price Increments**

The price of the CBOT Dow Jones-[AIG] UBS Excess Return Commodity Index<sup>SM</sup> futures shall be quoted in points. One point equals \$100.00. The minimum price fluctuation shall be 0.1 (1/10) points per contract (\$10.00 per contract). Contracts shall not be made on any other price basis.

<sup>1</sup>"Dow Jones<sup>SM</sup>", "[AIG] UBS®", "Dow Jones-[AIG] UBS Excess Return Commodity Index<sup>SM</sup>", and "DJ-[AIG] UBS ER<sup>SM</sup>", are service marks of Dow Jones & Company, Inc. and/or [American International Group, Inc. ("American International Group")] UBS Securities LLC, as the case may be, and have been licensed for use for certain purposes by the CBOT. CBOT's DJ-[AIG] UBS ER contracts based on the Dow Jones-[AIG] UBS Excess Return Commodity Index<sup>SM</sup>, are not sponsored, endorsed, sold or promoted by Dow Jones, [AIG Financial Products Corp. ("AIG FP"), American International Group] UBS Securities LLC or any of their respective subsidiaries or affiliates, and none of Dow Jones, [AIG FP, American International Group] UBS Securities LLC, or any of their respective subsidiaries or affiliates, makes any representation regarding the advisability of trading in such products.

## 29106. PAYMENT OF DAILY INTEREST RATE PASS THROUGH

The Daily Interest Rate Pass Through of the DJ-[AIG] UBS ER<sub>sm</sub> future must be paid on a daily basis in full by each long Clearing Member to the Clearing House and received by each short. On every business day, the holder of a long position in the DJ-[AIG] UBS ER<sub>sm</sub> futures contract is charged one day's worth of an annual fee of 40 basis points. For every calendar day, the long position holder will be charged an embedded fee calculated using the following formula:

$[\text{Number of Contracts}] \times \$100 \times [\text{DJ-[AIG] UBS ER}_{sm} \text{ futures Settlement Price}] \times [.0040/365] \times \text{Days}$  where "Days" is calculated as the number of calendar days from the current DJ-[AIG] UBS ER<sub>sm</sub> trading date to the next DJ-[AIG] UBS ER<sub>sm</sub> trading date.

There is no embedded fee charged to the short position holder.
