RE: Section 5c(c)(1), Rule 40.6(a) – Notice of CME Group Product
Trading Hours Associated with Exchange Holidays.
CME Submission 08-109.

Dear Mr. Stawick:

Chicago Mercantile Exchange Inc. and the Board of Trade of the City of Chicago, Inc. (the "CME Group Exchanges") hereby notify the Commission of the CME Group Exchanges' product trading hours that are associated with those holidays remaining for the rest of 2008. Please see Appendix 1 for a list of the 2008 CME Group Exchanges' holidays and any early closes associated for products traded on the open outcry floor. Appendix 2 provides analogous information for CME Globex[®] electronic trading for holidays remaining in 2008. These holiday calendars, respectively, give exceptions to normal trading hours for the CME Group Exchanges' products both for open outcry and CME Globex electronic trading. Appendix 3 provides a list of the current regular trading hours by product for both open outcry and CME Globex trading venues.

Also, please note that CME Group maintains the updated list of the CME Group Exchanges' regular open outcry trading hours and CME Globex electronic trading hours for all of their currently listed products on the CME Group Web site, www.cmegroup.com (see http://www.cmegroup.com/trading_hours/index.html). Also, CME Group publishes the current Holiday Calendar for the CME Group Exchanges on its Web site at <http://www.cmegroup.com/tools-information/holiday-calendar/index.html>. Appendices 1, 2 and 3 of this submission were derived from this Web site information. Please note that if any changes are made to trading hours associated with holidays, then these changes will be reflected on the CME Group Web site at these links. The CME Group Exchanges certify that this action complies with the Commodity Exchange Act and the regulations thereunder.

If you require any additional information regarding this action, please do not hesitate to contact Steve Youngren, at 312-930-4583 or via e-mail at Steve.Youngren@cmegroup.com or me. Please reference our Submission #08-109 in any related correspondence.

Sincerely,

/s/ Stephen M. Szarmack
