RE: Implementation of CBOT Wheat Vomitoxin Standard
CBOT Submission # 08-116

Dear Mr. Stawick:

The Board of Trade of the City of Chicago, Inc. ("CBOT" or "Exchange") hereby notifies the Commission that it requests CFTC approval to clarify the language in CBOT Rule 14104 with regards to the CBOT Wheat futures vomitoxin specification. The CFTC approved the reduction in the vomitoxin standard from 4 parts per million to 3 parts per million on May 14, 2007 effective with the September 2009 contract. The amendment contained herein clarifies how the 3 parts per million standard will be implemented. The text of the rule amendments are attached, with additions underlined and deletions overstruck.

The Exchange certifies that the rule changes comply with the Act and regulations thereunder.
