Re: Natural Gas Exchange Inc. - Notification and self-certification of product changes

1. **SUBMISSION**

In accordance with Regulation 40.2, Natural Gas Exchange Inc. ("NGX") hereby submits amendments to the product schedule of its rulebook (the Contracting Party's Agreement or "CPA").

2. **RULE CHANGE**

NGX has amended Schedule "D" of the CPA to reflect that it will add several U.S. natural gas products for clearing. These additions are made in response to client requests and further expand our physical clearing offering in the U.S. The new additions will operate like all of NGX's Interstate pooling points and will require no additional procedures. The text of the Schedule "D" product schedule amendment is attached as Appendix "A", with revisions highlighted in blue.

3. **DATE OF IMPLEMENTATION**

The amendments will become effective as of October 10, 2011. NGX participants are being advised of today's submission to the Commission via the posting of a news item on the NGX website ([www.ngx.com](http://www.ngx.com)) concurrent with this submission. As well, specific contacts for each participant will be advised of the amendments via email notice on Thursday, September 22<sup>nd</sup>, which notice will also be posted on the NGX website, as required under the notice provisions of section 1.1(b) of the CPA.

4. **OPPOSING VIEWS**

There were no substantive opposing views to the amendments.

5. **APPLICATION OF THE ACT AND REGULATIONS**

NGX hereby certifies that these amendments comply with the Commodity Exchange Act and the regulations thereunder.

Please do not hesitate to contact myself (403-974-1765) or our Chief Legal Counsel, Cheryl Graden (416-947-4359) for any further information the Commission or its staff may require in connection with this rule amendment.

Yours truly,

  
Simon Ward  
Vice President, Finance
