**Re: Amendment to Block Trading Procedures -
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Stawick:

In Submission No. 08-50 filed on September 10, 2008, ICE Futures U.S., Inc. ("Exchange") submitted, by written certification, *inter alia*, amendments to its Block Trading Procedures pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6. One of the amendments to the Block Trading Procedures was an increase to the minimum quantity threshold for Block Trades executed in Cocoa options contracts from 100 to 250 contracts. The increase as approved by the Board was 200 contracts, not 250 as originally submitted.
