LCH.CLEARNET LIMITED SELF-CERTIFICATION OF AMENDMENTS TO RULES TO IMPLEMENT FCM CLEARING FOR NON-DELIVERABLE FORWARDS

LCH.Clearnet Limited (“LCH.Clearnet”), a derivatives clearing organization registered with the Commodity Futures Trading Commission (the “CFTC”), is submitting for self-certification, pursuant to CFTC Regulation §40.6, amendments to LCH.Clearnet’s Rulebook. The amended Rulebook will be implemented and become effective on October 12, 2012.

Part I: Explanation and Analysis

The operation, purpose and effect of the amendments to the Rulebook is to introduce a client clearing service for the US market to further expand LCH.Clearnet’s coverage and services in OTC Energy, Freight and Power clearing, utilising the services EnClear and Nodal. The EnClear and Nodal client clearing service has been designed to allow clients of Futures Commission Merchants (FCMs) to have access to the respect services.

The EnClear and Nodal client clearing model described in this document is based on SwapClear’s current FCM model adopted for US-based client clearing.

In light of new US Dodd-Frank rules due to take effect on 8th November 2012, which will require amendments to LCH.Clearnet’s existing US FCM model in relation to segregation of client assets, EnClear and Nodal (and SwapClear and ForexClear) will be required to further amend its US FCM model prior to November 2012 to ensure regulatory compliance. These amendments will be self certified to the CFTC in due course.

The EnClear and Nodal client clearing service will share the same operational infrastructure, operating hours and product coverage of the existing EnClear and Nodal General Clearing service.

Participation by FCMs as clearing members in LCH.Clearnet is governed by a set of New York law governed FCM Regulations and FCM Procedures, separate to the English law governed UK General Regulations.

Differences to the existing SwapClear FCM service

The client clearing aspects of the proposed EnClear FCM and Nodal FCM service are designed to follow the existing SwapClear FCM service closely. Amendments have been made to the FCM Regulations to segregate FCM Nodal Contracts in acknowledgement that their status as Swap Contracts is uncertain. In summary, the amendments:

- separate FCM EnClear and FCM Nodal into separate accounts (rather than combined as “general business” previously);
- require the actual physical separation of the Nodal customer accounts (both at the FCM and LCH level) from all other account types. In particular, Nodal customer account types and Nodal customer
- Nodal contracts on a combined basis: see FCM Regulation 4(g), for example.
- collateral must be segregated both on the books and in different physical accounts.
- eliminate net margining of FCM EnClear contracts and FCM

Membership criteria

The membership criteria for EnClear and Nodal FCMs will follow the membership criteria for SwapClear FCMs, which are set out at FCM Regulation 3. In summary, an applicant for EnClear or Nodal FCM membership status must:

- be registered with the CFTC as an FCM;
- be incorporated in a US state;
- have a net capital of US\$50 million or more;
- have evidenced the operational and technical capabilities required by LCH.Clearnet;
- have, within its corporate group, at least one banking, credit or investment institution licensed in the US or an EU member state, or an equivalent in another jurisdiction;
- complete all relevant documentation; and
- complete all necessary testing and training as required by LCH.Clearnet.

EnClear or Nodal places no access criteria upon clients of FCMs. FCMs are free to take on the business of clients based on their own due diligence and analysis and become responsible for the performance of the trades upon registration.

LCH.Clearnet will record each client trade received in an FCM's Client account in the name of the underlying counterparty to the trade. However, LCH.Clearnet will have no direct relationship with the clients of FCMs.

Arrangements for holding client business

EnClear and Nodal FCMs are set up with two main account types:

- **House Account (H)** – holds proprietary business. Under the FCM Regulations, an FCM is permitted to clear for affiliates through its proprietary accounts.
- **Client Account (C)** – holds client business. Each Client account can have multiple sub-client accounts whose liabilities will be aggregated and reported at the level of the Client account, and will be a separate obligation from the House Account liability. Client positions will be registered in the name of the underlying client. A client can have relationships with more than one EnClear or Nodal FCM.

Currently, the US FCM regulations allow for a Gross Omnibus client account structure, with an LSOC (Legally Segregated, Operationally Comingled) account structure to be mandatory by 8th November 2012.

Collateral

All Nodal client collateral will be in a separate omnibus account and furthermore, LCH.Clearnet will require the actual physical separation of the Nodal customer accounts (both at the FCM and LCH level) from all other account types. In particular, Nodal customer account types and Nodal customer collateral must be segregated both on the books and in different physical accounts.

All EnClear client collateral (including excess collateral) will be in a separate EnClear omnibus account. ~~However, LCH.Clearnet may use this can be used to this client collateral to~~ cover the loss of any client in the same Business Category in the event of an FCM default. Client

collateral cannot be used to cover losses in the House Account, ~~and but~~ can ~~only~~ be used to cover the Client account losses in another Business Category ~~(ie FCM SwapClear, FCM ForexClear, or FCM EnClear) within the same account class where caused by the failure of the same client~~ – see below.

In the case of a BAU client porting, clients will initiate a portfolio transfer via a manual instruction. The transfer will have the same effect as an unwind against the outgoing account and new trade positions against the incoming account. Both activities will be processed within a single margin run and will only register as cleared when sufficient margin has been pledged. Collateral release to the outgoing FCM will not take place until sufficient collateral has been provided by the incoming FCM.

Risk management

Risk management for EnClear or Nodal FCM does not present novel risk issues.

LCH.Clearnet will be porting US clients related to the Nodal and EnClear business from the existing GCMs to new FCMs.

There is no change to the margin methodology. The margin model remains the same until the LSOC solution is delivered so that client margin is calculated gross.

Under CFTC regulations, FCMs are required to collect initial margin from their customers, for non-hedge positions, at a level that is greater than 100 percent of LCH.Clearnet's usual initial margin requirements. The initial published rate will be 10% above the usual requirement. FCMs will not be required to pay this additional margin to LCH.Clearnet but rather use it as a cushion in relation to future adverse market movements.

Size and composition of default fund

There is a minor change to Default Fund, which clarifies the calculation of net sums under the default rule.

Description of changes to rules

In summary, the following changes have been made to legal documentation.

FCM Regulations

The original FCM Regulations were SwapClear and ForexClear specific. To facilitate the addition of EnClear and Nodal (and any future services), the structure of the FCM Regulations has been changed to mirror more closely the structure of the UK General Regulations. That is, there is a set of generic regulations (FCM Regulations 1 to 26) that are applicable to all services, followed by a series of chapters applicable to SwapClear (FCM Regulations 30 to 33) and ForexClear (FCM Regulations 40 to 43). EnClear (FCM Regulations 50 to 53), and Nodal (FCM Regulations 60 – 64).

The EnClear and separately Nodal FCM Regulations largely mirror the EnClear and Nodal Regulations in the UK General Regulations, save for FCM-specific provisions. The FCM-specific provisions follow the pre-existing SwapClear FCM Regulations, save that:

FCM Procedures

As with the FCM Regulations, the FCM Procedures have been amended to enable the insertion of procedures for EnClear and Nodal. Minor amendments have been inserted into Section 1 (Membership), the addition of a new Section 2C (EnClear), and 2D (Nodal).

The new FCM Procedures Section 2C largely mirrors Section 2E of the UK Procedures, except for FCM specific amendments (particularly relating to accounts) that have been imported from the existing SwapClear model. Section 2D largely mirrors the pre-existing Section 2G of the UK Procedures, which will be deleted. Cross-referencing has been written into the new Section 2D for those Nodal CMs who remain covered by the UK rulebook (i.e. doing House business only). Other specific amendments for Section 2D relate to accounts.

Default Rules

There are minor amendments to the body of the Default Rules, specifically section 10 amended to reflect the revised omnibus account structure for Nodal and EnClear.

Default Fund Rules

There is a minor amendment to the Default Fund Rules.

UK General Regulations

There are consequential amendments to the UK General Regulations to amend the definitions and cross-references.

Part II: Certification by LCH.Clearnet

LCH.Clearnet certifies to the CFTC, in accordance with CFTC Regulation §40.6, that the amendments to its rules comply with the Commodity Exchange Act and the CFTC Regulations promulgated thereunder. In addition, LCH.Clearnet certifies that LCH.Clearnet has posted a notice of pending certification with the CFTC and a copy of the submission on LCH.Clearnet's website at

http://www.lchclearnet.com/rules_and_regulations/ltd/proposed_rules.asp

A signed certification is attached to this submission as Exhibit B.

Part III: Compliance with Core Principles

LCH.Clearnet complies, and will continue to comply, with all of the Core Principles.

Part IV: Opposing Views

There were no opposing views expressed to LCH.Clearnet by governing board or committee members, members of LCH.Clearnet or market participants that were not incorporated into the rule.

The Clearing House accepts liability for any personal injury or death caused by the negligence of the Clearing House and for any fraud or willful default on the part of the Clearing House.
- (e) Without prejudice to the provisions of FCM Regulation 1 and FCM Regulation 24(d) neither the Clearing House, nor any other member of the LCH.Clearnet Group shall have any liability whatsoever to any FCM Clearing Member or to any other person (including, without limitation, any FCM Client) in contract, tort (including, without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damage, loss, cost or expense of whatsoever nature suffered or incurred by an FCM Clearing Member or any other person, as the case may be, as a result of the failure of any systems, communication facilities or technology.

Regulation 24A Netting

- (a) If at any time the Clearing House fails to make a payment to an FCM Clearing Member, other than a defaulter, under an FCM Contract for a period of 30 days from the date when the obligation to pay fell due, then that FCM Clearing Member may exercise its rights under paragraph (c) below.
- (b) If at any time the Clearing House commences a voluntary case or other procedure seeking or proposing liquidation, administration, receivership, voluntary arrangement or a scheme of arrangement, or other similar relief with respect to itself or to its debts under any bankruptcy, insolvency, regulatory, supervisory or similar law, or if any of the foregoing cases or procedures is commenced in relation to the Clearing House by any other person which results in liquidation or winding up of the Clearing House, or if the Clearing House takes corporate action to authorize any of the foregoing, in any such case other than for the purposes of corporate restructuring (including any consolidation, amalgamation or merger), then an FCM Clearing Member, other than a defaulter, may exercise the right given to it under paragraph (c) below.
- (c) An FCM Clearing Member entitled to exercise rights under this paragraph may, at any time while any of the circumstances referred to in paragraph (a) or (b) above giving rise to such rights continue, by notice in writing to the Clearing House, specify a Termination Date for the termination and liquidation of all FCM Contracts to which it is a party in accordance with paragraph (d) below.
- (d) Upon the occurrence of a Termination Date:
- (i) neither the Clearing House nor the FCM Clearing Member shall be obliged to make any further payments under any FCM Contract between them which would, but for this FCM Regulation 24A, have fallen due for performance on or after the Termination Date, and any obligations to make further payments which would otherwise have fallen due shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Termination Amount;
 - (ii) the FCM Clearing Member shall (on, or as soon as reasonably practicable after, the Termination Date) determine (discounting if appropriate) in respect of each FCM Contract its total loss or, as the case may be, gain, in each case expressed in the lawful currency of the United States or the currency of the relevant FCM Contract where agreed by the Clearing House and the FCM Clearing Member (the "*Base Currency*"), (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position), as a result of the termination, pursuant to this agreement, of each payment which would otherwise have been required to be made under such FCM Contract; and
 - (iii) the FCM Clearing Member shall treat each loss to it, determined as above, as a positive amount and each gain by it, so determined, as a negative amount and, subject to paragraph (iv) below, shall aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "*Termination Amount*").

- (iv) Where an FCM Clearing Member has a Proprietary Account and one or more FCM Omnibus OTC Clearing Product Client ~~Segregated Depository~~ Accounts with LCH:
- (1) the FCM Clearing Member shall determine two net amounts under paragraph (d)(iii); one net amount in respect of gains and losses arising on FCM Contracts registered in the FCM Clearing Member's FCM Omnibus OTC Clearing Product Client ~~Segregated Depository~~ Account with LCH (or in its multiple FCM Omnibus OTC Clearing Product Client ~~Segregated Depository~~ Accounts with LCH as combined, if applicable; provided, that an FCM Omnibus OTC Nodal Client Account with LCH shall not be combined with any other FCM Omnibus OTC Clearing Product Client Accounts with LCH for these purposes) and a second net amount in respect of gains and losses arising on all other FCM Contracts; and
 - (2) the two net amounts determined under paragraph (iv)(1) shall constitute Termination Amounts.
- (v) If a Termination Amount determined pursuant to paragraph (d)(iv) above is a positive amount, the Clearing House shall pay it to the FCM Clearing Member and if any such Termination Amount is a negative amount, the FCM Clearing Member shall pay it to the Clearing House, in either case in accordance with paragraph (vi). The FCM Clearing Member shall notify the Clearing House of each such Termination Amount, and by which party it is payable, immediately after the calculation thereof.
- (vi) A Termination Amount shall, subject to FCM Regulation 24B, be paid in the Base Currency by the close of business on the Business Day following notification pursuant to paragraph (v) above (converted as required by applicable law into any other currency, any costs of such conversion to be borne by, and (if applicable) deducted from any payment to, the Clearing House). Any Termination Amount which is not paid on such day shall bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11:00 hours (London time) (or, if no such rate is available, at such reasonable rate as the FCM Clearing Member may select) plus 1% per annum, for each day for which any such sum remains unpaid.
- (vii) For the purposes of any calculation required to be made under this FCM Regulation 24A, the FCM Clearing Member may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.

The FCM Clearing Member's rights under this FCM Regulation 24A shall be in addition to, and not in limitation or exclusion of, any other rights which the FCM Clearing Member may have (whether by agreement, operation of law or otherwise, including its rights under FCM Regulation 5(i)).

Regulation 24B **Distribution of Assets**

- (a) Where (after the netting and set-off provided for in FCM Regulation 24A and FCM Regulation 5(i)) the Clearing House has insufficient assets available to it to pay all Termination Amounts (determined in accordance with FCM Regulation 24A and General Regulation 39A (under the UK General Regulations)) in full, the claims of the Clearing Members shall be met first to those Clearing Members who are FCM Clearing Members and SwapClear Clearing Members ~~and/or ForexClear Clearing Members~~ in an amount equal to the outstanding SwapClear Contributions of such FCM Clearing Members and SwapClear Clearing Members ~~and/or the outstanding ForexClear Contributions of such FCM Clearing Members and ForexClear Clearing Members (as applicable) and~~, thereafter, pro rata to each Clearing Member's respective claim (and in respect of FCM Clearing Members and SwapClear Clearing Members who have received an amount relating to their outstanding SwapClear Contributions, their respective claims shall be reduced by such amounts so received; ~~and in respect of FCM Clearing Members and ForexClear Clearing Members who have received an amount relating to their outstanding ForexClear Contributions, their respective claims shall be reduced by such amounts so received).~~). To the extent the Clearing House does not have sufficient assets available to it to pay each FCM Clearing Member and SwapClear Clearing Member ~~and/or ForexClear Clearing Member~~ the amount equal to its outstanding SwapClear Contribution ~~and/or its outstanding ForexClear Contribution (as applicable).~~, the Clearing House shall distribute the assets available to it to each such FCM Clearing Member and SwapClear Clearing Member ~~and/or ForexClear Clearing Member (as applicable)~~ in an amount equal to the proportion that the outstanding SwapClear Contribution of the relevant FCM Clearing Member or SwapClear Clearing Member ~~and/or the outstanding ForexClear Contribution of the relevant FCM Clearing Member or ForexClear Clearing Members bears to the aggregate of:~~ (i) bears to the sum of the outstanding SwapClear Contributions of all relevant FCM Clearing Members and SwapClear Clearing Members ~~and (ii) the sum of the outstanding ForexClear Contributions of all relevant FCM Clearing Members and ForexClear Clearing Members.~~
- (b) Notwithstanding anything to the contrary in these FCM Regulations or the FCM Rulebook, this FCM Regulation 24B shall be governed by and construed in accordance with the governing law provided for in paragraph (a) of General Regulation 38 (under the UK General Regulations).
- (c) For the purposes of this FCM Regulation 24B, the term "Clearing Member" shall include FCM Clearing Members and all other Clearing Members (as defined in the ~~Clearing House's "UK General Regulations")~~ of the Clearing House.

Regulation 25 Rules Relating to FCM OTC Client Segregated Accounts

- (a) Notice of Deficiency in FCM Segregated Accounts. Whenever an FCM Clearing Member knows or should know that the aggregate amount of funds on deposit in its FCM Segregated Accounts is less than the total amount of such funds required by the CEA, CFTC Regulations and/or the FCM Rulebook to be on deposit, the FCM Clearing Member must report such deficiency immediately by telephone notice, confirmed immediately in writing by facsimile notice, to the Clearing House and the principal office of the CFTC in Washington, DC, to the attention of the Director and the Chief Accountant of the Division of Clearing and Intermediary Oversight, and, if the FCM Clearing Member is a securities broker or dealer, to the Securities and Exchange Commission, in accordance with 17 C.F.R. § 240.17a-11.
- (b) Segregation of Funds.
- (i) All FCM Client funds (deposited in connection with FCM Transactions and FCM Contracts other than FCM Nodal Transactions and FCM Nodal Contracts) shall be separately accounted for and segregated as belonging to FCM Clients and shall be part of a separate account class, treated as a Cleared Swaps Account Class. FCM Client funds deposited in connection with FCM Nodal Transactions and FCM Nodal Contracts shall be separately accounted for and segregated (including separately accounted for and segregated from the Client funds referred to in the foregoing sentence) as belonging to FCM Clients. All such funds must be held by the applicable Clearing Member or deposited with the Clearing House, any bank, trust company or another FCM Clearing Member, and such funds shall be deposited under an account name which identifies them as such and shows that they are segregated as required by the FCM Rulebook. Each FCM Clearing Member shall obtain and retain in its files for the period provided in CFTC Regulation 1.31 a written acknowledgment from such bank, trust company or FCM that it was informed that the funds deposited in the FCM Segregated Accounts maintained by such bank, trust company or FCM for the FCM Clearing Member are those of FCM Clients and are being held in accordance with the provisions of the CEA, CFTC Regulations and the FCM Rulebook. For the avoidance of doubt, all FCM Segregated Accounts maintained by an FCM Clearing Member shall be treated as segregated accounts and shall be subject to the requirements of the CEA and CFTC Regulations applicable to segregated accounts and to this FCM Regulation 25, regardless of the location of any such account. Without limitation of the foregoing, under no circumstances shall any portion of FCM Client funds held in FCM Segregated Accounts be obligated to the Clearing House, an FCM Clearing Member, any depository, or any other person except to purchase, margin, guarantee, secure, transfer, adjust or settle trades, contracts or transactions of FCM Clients. No person, including the Clearing House or any depository, that has received FCM Client funds for deposit in an FCM Segregated Account, as provided in this rule, may hold, dispose of, or use any such funds as belonging to any person other than the FCM Clients of the FCM Clearing Member which deposited such funds.

- (ii) All FCM Client funds received by the Clearing House from an FCM Clearing Member to purchase, margin, guarantee, secure or settle FCM Contracts of the FCM Clearing Member's FCM Clients and all money accruing to such FCM Clients as the result of trades, contracts or transactions so carried shall be separately accounted for and segregated as belonging to such FCM Clients, and the Clearing House shall not hold, use or dispose of such FCM Client funds except as belonging to such FCM Clients. Such FCM Client funds, when deposited in a bank or trust company, shall be deposited under an account name which clearly shows that they are the FCM Client funds of FCM Clearing Members, and are segregated as required by the CEA, the CFTC Regulations and the FCM Rulebook. The Clearing House shall obtain and retain in its files for the period provided by CFTC Regulation 1.31, an acknowledgment from such bank or trust company that it was informed that the funds deposited in any LCH OTC Clearing Product Client Segregated Depository Accounts and any PPS Account(s) maintained by LCH are those of FCM Clients of FCM Clearing Members and are being held in accordance with the provisions of the CEA, CFTC Regulations and the FCM Rulebook.
- (iii) Each FCM Clearing Member shall treat and deal with FCM Client funds as belonging to such FCM Clients. All FCM Client funds shall be separately accounted for, and shall not be commingled with the money, securities or property of an FCM Clearing Member or of any other person, or be used to secure or guarantee the trades, contracts or transactions, or to secure or extend the credit, of any person other than the one for whom the same are held; provided, that all FCM Client funds in respect of any Business Category of FCM Contracts, other than the Nodal Business Category of FCM Contract, in an FCM Omnibus OTC Clearing Product Client Account with LCH and in an LCH OTC Clearing Product Client Segregated Depository Account may be physically commingled (although separately accounted for in accordance with these FCM Regulations) with other FCM Omnibus OTC Clearing Product Client Accounts with LCH and LCH OTC Clearing Product Client Segregated Depository Accounts, (other than with FCM Omnibus OTC Nodal Client Accounts with LCH or with the LCH OTC Nodal Client Segregated Depository Account), respectively, subject to and in accordance with the CEA and CFTC Regulations; provided, further, that FCM Client funds may be invested in accordance with FCM Regulation 25(g).
- (iv) In no event may FCM Client funds (deposited or held in connection with FCM Transactions and FCM Contracts) be held or commingled and deposited with (A) FCM Client funds in the same account or accounts required to be separately accounted for and segregated pursuant to the provisions of Section 4d of the CEA and the regulations thereunder, or (ii) money, securities or property representing the foreign futures or foreign options secured amount held in accordance with CFTC Regulation 30.7.
- (v) An FCM Clearing Member is required to maintain an FCM Omnibus OTC Clearing Product Client Account with LCH in respect of each Business Category of FCM Contract in which such FCM Clearing Member is approved by the Clearing House to clear such Business Category of FCM Contract; provided, that Account Assets of FCM Clients in respect of all the SwapClear and EnClear Business Categories of FCM Contracts are permitted to be physically commingled in the same FCM OTC Client Segregated Depository Account when such Account Assets are not being

held in an FCM Omnibus OTC Clearing Product Account with LCH. For the avoidance of doubt, the Account Assets of FCM Clients in respect of the Nodal Business Category of FCM Contracts are required to be held in a separate FCM OTC Client Segregated Depository Account of the FCM Clearing Member applicable only to FCM Client business relating to FCM Nodal Contracts.

- (c) Care of Money and Securities Accruing to FCM Clients. All money received directly or indirectly by, and all money and securities accruing to, an FCM Clearing Member from the Clearing House or from any FCM Clearing Member or from any other person incident to or resulting from any cleared FCM Contracts made by or through such FCM Clearing Member on behalf of any FCM Client shall be considered as accruing to such FCM Client within the meaning of the FCM Rulebook. Such money and securities shall be treated and dealt with as belonging to such FCM Client in accordance with the provisions of the CEA, CFTC Regulations and the FCM Rulebook. The value of money and securities accruing in connection with an FCM Client's Open Contracts in an FCM Omnibus OTC Clearing Product Client Account with LCH need not be separately credited to individual FCM Client accounts but may be treated and dealt with as belonging undivided to FCM Clients having open cleared FCM Contracts which if closed would result in a credit to such FCM Client's accounts.
- (d) Use of FCM Client Funds Restricted. No FCM Clearing Member shall use, or permit the use of, FCM Client funds to purchase, margin, or settle the trades, contracts or transactions of, or to secure or extend the credit of, any person other than its FCM Clients. FCM Client funds held in an FCM OTC Client Segregated Depository Account (other than FCM Client funds in an FCM OTC Client Segregated Depository Account used to margin or secure FCM Nodal Contracts) shall not be used to carry trades or positions of the same FCM Client other than in connection with FCM Contracts (but excluding FCM Nodal Contracts) or other Cleared Swaps. FCM Client funds held in an FCM OTC Client Segregated Depository Account used to margin or secure FCM Nodal Contracts shall not be used to carry trades or positions of the same FCM Client other than in connection with FCM Nodal Contracts.
- (e) Interest of FCM Clearing Members in FCM Client Funds; Additions and Withdrawals. FCM Regulation 25(b), which prohibits the commingling of FCM Client funds with the funds of an FCM Clearing Member, shall not be construed to prevent an FCM Clearing Member from having a residual financial interest in FCM Client funds, segregated as required by the CEA, CFTC Regulations and the FCM Rulebook and set apart for the benefit of FCM Clients; nor shall such provisions be construed to prevent an FCM Clearing Member from adding to the segregated FCM Client funds such amount or amounts of money, from its own funds or unencumbered securities from its own inventory, of the type permitted under FCM Regulation 25(g), as it may deem necessary to ensure that its FCM Segregated Accounts hold at all times, at a minimum, an aggregate amount equal to the amount required by the CEA, CFTC Regulations and the FCM Rulebook. The books and records of an FCM Clearing Member shall at all times accurately reflect its interest in the segregated FCM Client funds. An FCM Clearing Member may draw upon such FCM Client funds to its own order, to the extent of its actual interest therein, including the withdrawal of securities held in FCM Segregated Accounts held by the Clearing House, a bank, trust company or other FCM Clearing Member; provided, that any such withdrawals do not result in any such account holding less in segregated FCM Client assets than such account is required to contain at such time. Such withdrawal shall not result in FCM Client

funds being used to purchase, margin or carry the trades, contracts or transactions, or extend the credit of any other FCM Client or other person.

- (f) Funds Held in FCM Segregated Accounts; Exclusions Therefrom. Money held in FCM Segregated Accounts by an FCM Clearing Member shall not include (i) money invested in obligations or stocks of any clearing organization or in memberships in or obligations of any contract market or (ii) money held by any clearing organization which it may use for any purpose other than to purchase, margin, guarantee, secure, transfer, adjust, or settle the FCM Contracts of the FCM Clients of such FCM Clearing Member.
- (g) Investments of FCM Client Funds. An FCM Clearing Member or the Clearing House may invest FCM Client funds subject to the terms and conditions set forth in CFTC Regulation 1.25, which regulation shall apply to such funds in accordance with the provisions of the CEA and CFTC Regulations thereunder related to transactions in the Cleared Swaps Account Class— (and which, for the avoidance of doubt, shall also apply under these FCM Regulations to FCM Client funds relating to FCM Nodal Transactions and FCM Nodal Contracts regardless of whether FCM Nodal Contracts are not part of the Cleared Swaps Account Class).
- (h) Deposit of Instruments Purchased with FCM Client Funds.
- (i) Each FCM Clearing Member that invests FCM Client funds in instruments permitted under FCM Regulation 25(g) shall separately account for such instruments and segregate such instruments as belonging to such FCM Clients. Such instruments, when deposited with the Clearing House, a bank, trust company or another FCM Clearing Member, shall be deposited under an account name which clearly shows that they belong to FCM Clients and are segregated as required by the CEA, CFTC Regulations and the FCM Rulebook. Such instruments, when deposited with a bank or trust company, shall be deposited under an account name which will clearly show that they belong to FCM Clients and are segregated as required by the CEA, CFTC Regulations and the FCM Rulebook. Upon opening any such account, the Clearing House shall obtain and retain in its files a written acknowledgment from such bank or trust company that it was informed that the instruments belong to FCM Clients of FCM Clearing Members and are being held in accordance with the provisions of the CEA and CFTC Regulations. Such acknowledgment shall be retained in accordance with CFTC Regulation 1.31. Such bank or trust

company shall allow inspection of such instruments at any reasonable time by representatives of the Clearing House.

Such record shall show separately for each FCM Client: a description of the securities or property received; the name

and address of such FCM Client; the dates when the securities or property were received; the identity of the depositories or other places where such securities or property are segregated; the dates of deposits and withdrawals from such depositories; and the dates of return of such securities or property to such FCM Client, or other disposition thereof, together with the facts and circumstances of such other disposition.

- (n) Change in Law or Regulations. The Clearing House shall enforce the rules set forth in this FCM Regulation 25 (and set forth in these FCM Regulations generally) at all times in accordance with and subject to the CEA and CFTC Regulations. In the event that a change in law or in CFTC Regulations occurs but has not yet been reflected appropriately in the FCM Rulebook, the CFTC Regulations (to the extent compliance therewith has become mandatory under CFTC Regulations) and applicable law will prevail, the provisions of this FCM Rulebook shall be deemed to be modified accordingly and the Clearing House will enforce these FCM Regulations in accordance with CFTC Regulations and applicable law.
- (o) Notwithstanding any other provision of these FCM Regulations, any assets held in or credited to an FCM Omnibus OTC Clearing Product Client Account with LCH, an LCH OTC Clearing Product Client Segregated Depository Account or a PPS Account held by LCH shall be treated as segregated assets, to the same extent and with the same force and effect as required with respect to margin held in connection with transactions in futures contracts under the CEA and CFTC Regulations and will, without limitation, be held in trust in accordance with the CEA and CFTC Regulations (other than Part 22 until compliance therewith becomes mandatory under the CFTC Regulations).

- (f) the Clearing House will not hold any assets transferred to it on behalf of any individual FCM Client or an Affiliate;
- (g) where an FCM Clearing Member provides an FCM Client's or Affiliate's securities or other assets to the Clearing House as collateral, such securities and other assets shall be held by the Clearing House in accordance with the FCM Rulebook and applicable law, and FCM Clients and Affiliates shall not be entitled to assert any equitable or other claim to any such securities or assets in circumstances where the assertion of such a claim would delay or inhibit (x) the disposal by the Clearing House of such securities or assets and/or (y) the application of the proceeds of sale of such securities or assets, in each case in accordance with the provisions of the FCM Rulebook and applicable law; and
- (h) each FCM Client and Affiliate provides its respective FCM Clearing Member(s) with its unconditional consent for such FCM Clearing Member(s) to furnish or deposit to or with the Clearing House any securities or other assets of such FCM

The Clearing House may, without assigning any reason, make the registration of any FCM SwapClear Transaction subject to any conditions stipulated by the Clearing House including, without limitation, the furnishing of additional cover by any FCM Clearing Member in whose name any such FCM SwapClear Transaction is to be registered.~~

~~(i)~~ (j) ~~Registration of FCM SwapClear Transactions.~~—An FCM SwapClear Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House in one of the following ways:

- (i) in the case where one Executing Party clears its side of such FCM SwapClear Transaction, either through a ~~Non-FCM SwapClear~~ Clearing Member or directly with the Clearing House in its capacity as a ~~Non-FCM SwapClear~~ Clearing Member, and the other Executing Party clears its side of such FCM SwapClear Transaction as or through an FCM Clearing Member, as one Non-FCM SwapClear Contract pursuant to the UK General Regulations applicable to ~~Non-FCM SwapClear~~ Clearing Members and one FCM SwapClear Contract pursuant to these FCM Regulations, where the FCM SwapClear Contract shall be registered between the FCM Clearing Member, as the party paying Rate X, and the Clearing House as the party paying Rate Y, and the Non-FCM SwapClear Contract shall be registered between the Clearing House, as the party paying Rate X, and the ~~Non-FCM SwapClear~~ Clearing Member, as the party paying Rate Y; or

(ii) in the case where each Executing Party will clear its respective side of such FCM SwapClear Transaction either through an FCM Clearing Member or directly itself as an FCM Clearing Member, as two FCM SwapClear Contracts pursuant to these FCM Regulations where each relevant FCM SwapClear Contract is registered between the relevant FCM Clearing Member and the Clearing House, with one such FCM Clearing Member as the party paying Rate X, and the Clearing House as the party paying Rate Y, and the other FCM Clearing Member as the party paying Rate Y and the Clearing House as the party paying Rate X.

~~(iii)~~ In each of the foregoing cases ~~in clauses (i) and (ii) above~~, to the extent the FCM SwapClear Contract has been entered into by an FCM Clearing Member on behalf of an FCM Client or Affiliate, each FCM Clearing Member will be the agent of its FCM Client or Affiliate, but will nevertheless remain fully liable to the Clearing House for any and all amounts due to the Clearing House in connection with any FCM SwapClear Contract cleared on behalf of its FCM Client or Affiliate.

~~(j)(k)~~ ~~Effect of Registration of FCM SwapClear Transactions.~~—With effect from the registration of an FCM SwapClear Transaction in accordance with FCM Regulation ~~30(i)~~ above:

~~(1)(i)~~ ~~S~~such FCM SwapClear Transaction shall be extinguished and replaced by the corresponding FCM SwapClear Contracts (or if applicable, the corresponding FCM SwapClear Contract and Non-FCM SwapClear Contract), and the parties to such FCM SwapClear Transaction shall be released and discharged from all rights and obligations under such FCM SwapClear Transaction which fall due for performance on or after the Registration Time~~;~~

~~(2)(ii)~~ ~~E~~each FCM SwapClear Contract registered under FCM Regulation ~~30(i)~~ above shall be governed by the FCM SwapClear Contract Terms as applicable to that FCM SwapClear Contract~~;~~

~~(3)(iii)~~ ~~S~~subject to sub-paragraph ~~(2ii)~~ above, in respect of the Economic Terms, ~~an~~the FCM Clearing Member ~~paying (or clearing on behalf of a person paying) Rate X under an FCM SwapClear Transaction~~ shall have the same rights against, and owe the same obligations to, the Clearing House under the FCM SwapClear Contract as the party paying Rate X had and owed in respect of its counterparty under the corresponding FCM SwapClear ~~Contract registered by it in respect of such FCM SwapClear~~ Transaction; and

~~(4)(iv)~~ ~~S~~subject to sub-paragraph ~~(2ii)~~ above, in respect of the Economic Terms, ~~an~~the FCM Clearing Member ~~paying (or clearing on behalf of a person paying) Rate Y under an FCM SwapClear Transaction~~ shall have the same rights against, and owe the same obligations to, the Clearing House under the FCM SwapClear Contract to which it is party as the party paying Rate Y had and owed in respect of its counterparty under the corresponding FCM SwapClear ~~Contract registered by it in respect of such FCM SwapClear~~ Transaction.

In ~~subsections (3)subparagraphs (iii)~~ and ~~(4iv)~~ above, a reference to the “same” rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the

corresponding FCM SwapClear Transaction (it being assumed, for this purpose, that such FCM SwapClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms.

~~(k)~~(l) If an FCM SwapClear Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any FCM SwapClear Contract arising under this FCM Regulation 30 or any other applicable provision of the FCM Rulebook.

~~(j)~~(m) In the case of an FCM SwapClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this FCM Regulation 30 shall take effect.

~~(m)~~(n) An FCM Clearing Member [approved to provide FCM SwapClear Clearing Services](#) may provide ~~any of its approved~~ FCM [SwapClear](#) Clearing Services in connection with FCM SwapClear Contracts or FCM SwapClear Transactions to any of its Affiliates. Such FCM [SwapClear](#) Clearing Services shall be provided in the same manner as set forth under these FCM Regulations with respect to FCM Clients, as applicable, except that all transactions for Affiliates shall be cleared through the Proprietary Account of the applicable FCM Clearing Member.

~~(n)~~(o) ~~Compression.~~ Notwithstanding any other provision of these FCM Regulations, if one or more FCM SwapClear Contracts registered by an FCM Clearing Member in accordance with these FCM Regulations and the FCM Procedures has substantially the same Economic Terms as one or more other FCM SwapClear Contracts previously registered for the account of such FCM Clearing Member, and all such FCM SwapClear Contracts are either (i) registered on the FCM Clearing Member's own behalf, (ii) registered on behalf of the same FCM Client or (iii) registered on behalf of the same Affiliate, ~~then, to the extent permitted in the FCM Procedures with respect to a category of FCM SwapClear Contract,~~ the FCM Clearing Member may request that the Clearing House compress and combine all such FCM SwapClear Contracts by terminating the relevant existing FCM SwapClear Contracts and compressing them into one FCM SwapClear Contract reflecting the aggregate economic terms, or the net economic terms, as the case may be, of the original FCM SwapClear Contracts. For purposes of this FCM Regulation 30 ~~(n)~~(o), two or more FCM SwapClear Contracts may be deemed by the Clearing House to have "substantially the same Economic Terms" if they are based on the same underlying currencies and the Clearing House considers them, in its sole discretion, to have substantially the same fundamental economic attributes which influence the amount, value date and direction of all coupon cash flows. Two or more FCM SwapClear Contracts that are compressed under the terms of this FCM Regulation 30 ~~(n)~~(o) shall be aggregated if the position of the FCM Clearing Member (on its own behalf) or the relevant FCM Client or Affiliate is in the same direction on each such FCM SwapClear Contract (i.e., obligations to make payment aggregated and rights to receive payment aggregated), such that the FCM SwapClear Contract that replaces the compressed FCM SwapClear Contracts shall have a notional amount equal to the total notional amount of the compressed FCM SwapClear Contracts. Two or more FCM SwapClear Contracts that are compressed under the terms of this Regulation 30 ~~(n)~~(o) shall be netted if the position of the FCM Clearing Member (on its own behalf) or the relevant FCM

Client or Affiliate is in the opposite direction on two or more of each such FCM SwapClear Contracts (i.e., obligations to make payment netted against rights to receive payment), such that the FCM SwapClear Contract (if any) that replaces the compressed FCM SwapClear Contracts shall have a notional amount equal to the net notional amount of the compressed FCM SwapClear Contracts, and provided that in the event that the net notional amount is equal to zero such compression shall result in no replacement FCM SwapClear Contracts. The Clearing House shall determine (in its sole discretion) whether FCM SwapClear Contracts that are the subject of a request for compression from the FCM Clearing Member may be compressed and, if such FCM SwapClear Contracts are compressed, the Clearing House shall determine the resulting notional amount of the FCM SwapClear Contract(s) (if any) that replaces the compressed FCM SwapClear Contracts, and such determination shall be binding on the FCM Clearing Member, absent manifest error. It is a condition for compression of FCM SwapClear Contracts that the amount of cover that the Clearing House requires in respect of the original FCM SwapClear Contracts is equal to that which is required by the Clearing House in respect of the replacement FCM SwapClear Contract(s).

(e)(p) SwapClear Accounts. All FCM Omnibus OTC SC Client Accounts with LCH shall not be permitted to contain any FCM Contracts other than FCM SwapClear Contracts or associated cover and other payments and deliveries other than in connection with FCM SwapClear Contracts. Furthermore, the LCH OTC SwapClear Client Segregated Depository Account shall not contain any FCM Contracts other than FCM SwapClear Contracts or associated cover and other payments and deliveries other than in connection with FCM SwapClear Contracts.

Regulation 31 Daily Marking to Market

- (a) The Clearing House shall, in accordance with the FCM Procedures, in respect of each FCM SwapClear Contract in an FCM Clearing Member's name, mark each such Open Contract against the price determined by the Clearing House to be the current Settlement Price of such contract to be used for marking to market purposes.
- (b) The Clearing House shall, upon completion of the procedure set out in paragraph (a) above, calculate the daily mark-to-market amounts in accordance with the FCM Procedures and shall thereafter determine the status of the FCM Clearing Member's accounts.
- (c) For the avoidance of doubt, the completion of the calculation and settlement of daily marked-to-market amounts pursuant to paragraph (b) above by the Clearing House shall not affect the validity of any Open Contracts, which shall remain in effect as Open Contracts in all respects.
- (d) The net present value of each FCM SwapClear Contract shall be calculated by the Clearing House in accordance with paragraphs (a) and (b) of this FCM Regulation 31, in such manner and at such times as may be provided in the FCM Procedures. Except as prescribed in the FCM Procedures, the net present value calculated by the Clearing House may in no circumstances be called in question. The Clearing House shall, at least daily, receive payment from, or pay to, the FCM Clearing Member cash cover for Variation Margin, representing the change in the net present value of such FCM Clearing Member's portfolio of FCM SwapClear Contracts from the preceding Business Day, in accordance with the FCM Procedures.
- (e) Netting of Coupon Payments with respect to FCM SwapClear Contracts. In respect of a portfolio of FCM SwapClear Contracts and each payment date for Coupon Payments (in accordance with the FCM Procedures), the Clearing House shall net:
- (i) the sums which would otherwise have been payable by the FCM Clearing Member to the Clearing House as cash cover (in respect of Variation Margin) on such date and the Coupon Payments due on that date; and
 - (ii) the sums which would otherwise have been payable by the Clearing House to the FCM Clearing Member as cash cover (in respect of Variation Margin) on such date and the Coupon Payments due on that date,

and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party then the obligations of each party under this FCM Regulation 31 shall be automatically satisfied and discharged on payment by the applicable party of the excess. All netting in respect of a portfolio of FCM SwapClear Contracts shall be calculated separately with respect to FCM SwapClear Contracts held in an FCM Clearing Member's Proprietary Account and with respect to FCM SwapClear Contracts held on behalf of FCM Clients.

Regulation 32 The reset rate for, and the net present value of, an FCM SwapClear Contract

The Clearing House may determine the reset rate for, and the net present value of, an FCM SwapClear Contract for the purposes of these FCM Regulations and the FCM Procedures in such manner and at such times as may be prescribed in the FCM Procedures. Except as prescribed in the FCM Procedures, neither the reset rate nor the net present value determined by the Clearing House may in any circumstances be challenged.

- (a) If at any time the Clearing House decides to withdraw the FCM SwapClear Service it shall give not less than six months' notice in accordance with the FCM Procedures to all FCM Clearing Members (approved to clear FCM SwapClear Contracts) of the applicable Withdrawal Date. The accidental omission by the Clearing House to give notice under this FCM Regulation 33 to, or the non-receipt of notice under this FCM Regulation 33 by, one or more FCM Clearing Members shall not invalidate the Withdrawal Date.
- (b) Without prejudice to its rights under the Default Rules, the Clearing House will not, other than pursuant to action under the Default Rules or pursuant to the entering of offsetting/compressing trades in accordance with FCM Regulation 30(a), register an FCM SwapClear Contract (other than a Closing-out Contract) after notice to withdraw the applicable service(s) has been given under FCM Regulation 33(a).
- (c) If, with respect to FCM SwapClear Clearing Services, at the Withdrawal Date an FCM Clearing Member or Non-FCM Clearing Member has not closed out all of the applicable open FCM SwapClear Contracts registered in its name, the Clearing House may, in its sole discretion:
- (i) liquidate any or all of such FCM SwapClear Contracts and require such FCM SwapClear Contracts to be cash settled at a price determined by the Clearing House; or
 - (ii) postpone the Withdrawal Date until such time as the Clearing House determines.

- (b) The Clearing House shall, in accordance with the FCM Procedures, in respect of each open FCM Nodal Contract in an FCM Nodal Clearing Member's name which is subject to daily settlement to market or daily marking to market, effect and register a settlement contract, being a contract on the same terms (except as to price or premium), including the strike price, where applicable, as the open FCM Nodal Contract, save that where an FCM Nodal Clearing Member is the seller under the terms of the open FCM Nodal Contract that FCM Nodal Clearing Member shall be the buyer under the terms of the settlement contract and vice-versa, such settlement contract to be effected in accordance with the FCM Procedures at the relevant Reference Price for that day. The Clearing House shall thereupon settle each open FCM Nodal Contract against the respective settlement contract in accordance with the Procedures.
- (c) The Clearing House shall, upon completion of the procedure set out in paragraph (b) above, calculate the daily settlement amounts in accordance with the FCM Procedures and shall thereafter make up the FCM Nodal Clearing Member's account and upon the Clearing House so doing, that FCM Nodal Clearing Member and the Clearing House shall (unless otherwise agreed) settle any daily settlement amounts arising as follows:
- (i) any profit arising to an FCM Nodal Clearing Member shall be credited to the applicable account and, subject to the Clearing House's right to retain such profit pursuant to these FCM Regulations, such profit shall be paid to that FCM Nodal Clearing Member on its request; and
 - (ii) any loss arising to an FCM Nodal Clearing Member shall be debited to the applicable account of that FCM Nodal Clearing Member and (subject to these FCM Regulations) that FCM Nodal Clearing Member shall pay the amount of such loss to the Clearing House forthwith on demand.
- (d) The Clearing House shall, upon completion of the calculation of daily settlement amounts pursuant to paragraph (c) above in the manner prescribed by the FCM Procedures:
- (i) in respect of those open FCM Nodal Contracts in an FCM Nodal Clearing Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily settlement to market, register at the relevant Reference Price referred to in the FCM Procedures, FCM Nodal Contracts in that FCM Nodal Clearing Member's name as open FCM Nodal Contracts on the same terms (except as to price or premium), including the strike price, where applicable, as the settled open FCM Nodal Contracts, save that no FCM Nodal Contract for the purchase and no contract for the sale of the same commodity, for the same delivery month, or expiry month and price, shall be registered in that FCM Nodal Clearing Member's name;

- (ii) in respect of those open FCM Nodal Contracts in an FCM Nodal Clearing Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily marking to market as prescribed by the FCM Procedures, register at the relevant Reference Price referred to in the FCM Procedures, FCM Nodal Contracts in the FCM Nodal Clearing Member's name as open FCM Nodal Contracts on the same terms (except as to price or premium) including the strike price, where applicable, as the settled open FCM Nodal Contracts.
- (e) An FCM Nodal Clearing Member may, in respect of all open FCM Nodal Contracts in its name which are subject to daily marking to market, request the Clearing House within the time and in the manner prescribed by the FCM Procedures, to settle such FCM Nodal Contracts being the same number of contracts for the purchase and sale of the same commodity for the same delivery month or, where applicable, for the same expiry month and strike price. Such a request, once made, shall be irrevocable unless the Clearing House otherwise consents. Where such a request is made, the Clearing House shall as soon as practicable after the close of trading on that market day (but not necessarily on that day, and provided documentation has been supplied by the FCM Nodal Clearing Member in accordance with the FCM Procedures) make up the FCM Nodal Clearing Member's account.
- (f) In respect of those open FCM Nodal Contracts of which settlement might have been requested by an FCM Nodal Clearing Member under paragraph (e) above, the Clearing House may, if no request for settlement has been received by the cessation of trading for the delivery month applicable to those FCM Nodal Contracts, at any time thereafter proceed as if settlement had been requested and make up and render the FCM Nodal Clearing Member's accounts accordingly.

If any prescribed day is not a business day, an option may be exercised, deemed to be exercised, or abandoned on such day as may be prescribed by the relevant Nodal's Rules, or if no such day is so prescribed, on the next business day.
- (b) Subject to Nodal's Rules an option may be exercised by notice in writing or in such other form as may be prescribed by Nodal's Rules or the FCM Procedures and in the manner prescribed by the FCM Procedures, and if not so exercised by the day and time referred to in paragraph (a) above, the option shall either expire or, if Nodal's Rules so provide, be deemed to have been exercised in accordance with Nodal's Rules or, where relevant, the Procedures.
- (c) Subject to Nodal's Rules, an option may be abandoned by notice in writing or in such other form as may be prescribed by Nodal's Rules or the FCM Procedures and in the manner prescribed by the FCM Procedures and if not so abandoned by the day and time referred to in paragraph (a) above, the option shall be deemed to have been exercised in accordance with Nodal's Rules or, where relevant, the FCM Procedures.
- (d) If permitted under Nodal's Rules or, where relevant, the FCM Procedures, an option may be exercised or abandoned by or on behalf of a Member prior to the day and time referred to in paragraph (a) above in accordance with Nodal's Rules or, where relevant, the FCM Procedures.
- (e) The Clearing House shall be entitled to rely and act upon any form of exercise or abandonment made in accordance with paragraphs (b), (c) or (d) above without making any enquiry, investigation or check as to whether it complies with Nodal's Rules or as to the authority of any person purporting to exercise or abandon an option on behalf of an FCM Nodal Clearing Member save that the Clearing House may reject any notice of exercise or abandonment (or exercise or abandonment made in such other prescribed form, as the case may be) if it does not appear to comply with Nodal's Rules or the FCM Procedures notwithstanding that it may as buyer have passed on such notice or other prescribed form of exercise or abandonment to a seller.
- (f) Subject to paragraph (e) above, no notice (or other form) of exercise or abandonment once received by the Clearing House may be cancelled or withdrawn.
- (g) Where the Clearing House is a buyer under the terms of an option contract, the Clearing House may exercise or abandon an option in accordance with Nodal's Rules or the FCM Procedures and in accordance with FCM Regulation 2.
- (h) Upon the exercise or deemed exercise of an option pursuant to this FCM Regulation 63, the option contract shall be replaced by novation by an Open Contract on the terms specified in the option contract at the strike price or at some other price in accordance with the terms of such option contract.
- (i) Subject to these FCM Regulations open contracts which are delivery contracts shall be fulfilled in accordance with Nodal's Rules. No delivery contract shall be for a unit or quantity smaller than one lot and the amount or quantity to be delivered shall be one lot

or such other amount or quantity as may be specified for the commodity in Nodal's Rules from time to time after agreement with the Clearing House.

(j) Where an Open Contract which is a delivery contract arises by novation (pursuant to paragraph (h) above) upon the exercise or deemed exercise of an option, the buyer under the terms of the delivery contract shall give to the Clearing House such information as may be prescribed by Nodal's Rules or, where relevant, the FCM Procedures by the time and in the manner specified in Nodal's Rules or the FCM Procedures. The Clearing House as buyer under the terms of a delivery contract shall, in accordance with FCM Regulation 2, give to the seller under the terms of such contract, such information as may be prescribed by Nodal's Rules or the FCM Procedures.

(k) The seller under the terms of a delivery contract shall deliver the commodity to the Clearing House as buyer in such manner and at such time as may be prescribed in Nodal's Rules or, where relevant, the FCM Procedures, and the Clearing House as seller under the terms of a delivery contract shall, in accordance with FCM Regulation 2, deliver the commodity the subject of such contract to an FCM Nodal Clearing Member (or Nodal Service Clearing Member, if applicable) as buyer under the terms of such contract.

(i) direct an FCM Nodal Clearing Member or Nodal Service Clearing Member who is a seller under a delivery contract to deliver the commodity the subject matter of such contract to such other FCM Nodal Clearing Member (or Nodal Service Clearing Member, if applicable), being a buyer under a delivery contract, as the Clearing House may appoint; and

(ii) direct an FCM Nodal Clearing Member or Nodal Service Clearing Member who is a buyer under a delivery contract to pay the price and any other amounts payable pursuant to such contract to such other FCM Nodal Clearing Member (or Nodal Service Clearing Member, if applicable), being a seller under a delivery contract, as the Clearing House may appoint;

and delivery or payment in accordance with such direction shall constitute the due performance of such obligations of such buyer or seller as the case may be towards the Clearing House. Each FCM Nodal Clearing Member agrees that it will accept delivery of a commodity, or as the case may be, payment of the price, from an FCM Nodal Clearing Member (or Nodal Service Clearing Member, if applicable) directed in accordance with (i) or (ii) above, in satisfaction of the obligations owed to it by the Clearing House to deliver the commodity or make payment of the price and such other amounts under the terms of a delivery contract.

No FCM Nodal Contract shall be for a unit or quantity smaller than one lot and the amount or quantity tendered shall be for one lot or such other amount or quantity as may be specified for the commodity in Nodal's Rules from time to time after agreement with the Clearing House. Where the terms of an FCM Nodal Contract so permit, the Clearing House may give directions to one or more FCM Nodal Clearing Members concerning the performance of such contract and in such case each such FCM Nodal Clearing Member shall be bound by and shall comply with any such direction.
 - (ii) Paragraphs (iii) to (xii) below and FCM Regulations 64(c) and 64(d) shall not apply to FCM Nodal Contracts which are contracts for differences or such option contracts as the FCM Procedures may prescribe. The Clearing House as seller (or buyer) under the terms of an open contract subject to tender shall in accordance with FCM Regulation 2 give such additional documents or information to the buyer (or seller) under the terms of such contract.

- (v) The Clearing House shall be under no obligation to check a tender or documents received from an FCM Nodal Clearing Member pursuant to paragraph (iii) or (iv) above. The passing on by the Clearing House of such tender or such documents received from a seller (or buyer as the case may be) pursuant to the terms of an open contract subject to tender, to a buyer (or seller as the case may be) pursuant to the terms of an open contract subject to tender, shall not constitute acceptance by the Clearing House of such tender or such documents, and if the FCM Nodal Clearing Member to whom it passed on such tender or such documents rejects the same where permitted by Nodal's Rules, the Clearing House shall be entitled to reject the same as against the FCM Nodal Clearing Member from whom it received such tender or such documents.
- (vi) Every buyer (not being the Clearing House) that has an FCM Nodal Contract in its name for the current delivery period or prompt date shall be bound to accept in fulfilment of the Clearing House's obligations as seller under paragraph (iii) any tender or documents complying with Nodal's Rules which is given to it by the Clearing House in accordance with FCM Regulation 2.

- (viii) Where permitted by Nodal's Rules, a tender together with such other documents as may be required by Nodal's Rules or the FCM Procedures may be given to the Clearing House by or on behalf of a seller in respect of an original exchange contract to which the seller is party, such tender to be given to the Clearing House together with such particulars of the contract as may be required by the Clearing House, including if required the name of the buyer in respect of such contract, by the time specified in Nodal's Rules or the FCM Procedures. Registration of such contract in the name of the seller shall be effected as prescribed by the FCM Procedures.
- (ix) The Clearing House may give a tender, together with such other documents as may be required by Nodal's Rules or the FCM Procedures, to a buyer in respect of an original exchange contract to which the buyer is party. Such particulars of the contract as the Clearing House may require shall be furnished by or on behalf of the buyer to the Clearing House in accordance with Nodal's Rules or the FCM Procedures. Registration of such contract in the name of the buyer shall be effected as prescribed by the FCM Procedures.
- (x) The Clearing House may give a tender and documents received from a seller pursuant to paragraph (viii) above to a buyer in respect of an original exchange contract to which the buyer is party, and shall do so as agent for the seller. The furnishing of particulars and the registration of such contract in the name of a buyer shall be effected as provided in paragraph (ix) above. Upon registration of an original exchange contract pursuant to paragraph (viii), the giving of the tender and documents by the Clearing House to the buyer pursuant to this paragraph shall be deemed to have been given and accepted by such parties in fulfilment of their obligations under paragraph (iii) and (vi) above.

(xi) In implementing this FCM Regulation 64(a), the Clearing House may effect and register such FCM Nodal Contracts in an FCM Nodal Clearing Member's name as may be prescribed in the FCM Procedures at a price determined by the Clearing House in accordance with the FCM Procedures.

(xii) If Nodal's Rules require a buyer to give a tender and a seller to receive a tender in respect of an FCM Nodal Contract, a reference in this FCM Regulation 64(a) and in FCM Regulation 64(c) to a seller giving a tender shall be construed as being a reference to a buyer giving a tender and a reference to a buyer receiving a tender shall be construed as being a reference to a seller receiving a tender.

(b) Delivery Contracts.

(i) The obligations of FCM Nodal Clearing Members under delivery contracts shall be performed in accordance with the terms of such delivery contracts and in the manner and by the time prescribed by Nodal's Rules, these FCM Regulations and the FCM Procedures. The Clearing House shall fulfill its obligations as seller or buyer, as the case may be, under the terms of a delivery contract in accordance with FCM Regulation 2 and the FCM Procedures.

(ii) Where the terms of an open contract so permit, the Clearing House may give directions to one or more FCM Nodal Clearing Members concerning the performance of such open contract and in such case each such FCM Nodal Clearing Member shall be bound by and shall comply with any such direction.

(c) Open Contracts Subject to Tender.

(i) Without prejudice to the provisions of FCM Regulation 64(d)(i), under an open contract subject to tender or a delivery contract:

(1) the buyer shall be obliged to pay his buying price to the Clearing House as seller in the manner and by the time prescribed by Nodal's Rules or the FCM Procedures;

(2) the Clearing House as buyer shall be obliged to pay the seller his selling price in the manner and by the time prescribed by FCM Regulation 2;

(3) subject to Nodal's Rules any compensation, adjusting payment, or other allowance payable by or to either the buyer or seller under the terms of the open contract shall be paid to or by the Clearing House;

(ii) Every tender and accompanying documents (except documents which, in accordance with Nodal's Rules a buyer is obliged to take up and pay for) given by the Clearing House as seller to a buyer pursuant to FCM Regulation 64(a)(iii) shall for the purposes of these FCM Regulations be deemed to comply with Nodal's Rules unless the buyer notifies the Clearing House, by 10.00 hours on the business day following the day on which the tender and accompanying documents were given to him by the

Clearing House in accordance with Nodal's Rules or the FCM Procedures, that the tender and accompanying documents do not so comply, and the Clearing House shall be entitled after receiving such notice, promptly thereafter and notwithstanding that it may do so after 10.00 hours on such business day, to notify the seller to it under the terms of an open contract from whom it received such tender and accompanying documents that such tender and accompanying documents do not so comply.

(iii) Notwithstanding that open contracts may have been settled under FCM Regulation 62, a seller may, with the agreement of the Clearing House and by the time specified in the FCM Procedures, give the Clearing House a tender in respect of any such contract so settled. Upon receipt of such tender, the Clearing House shall (unless the FCM Procedures otherwise allow) effect on the FCM Nodal Clearing Member's behalf re-opening contracts (that is a sale by the FCM Nodal Clearing Member to the Clearing House and a purchase by the FCM Nodal Clearing Member from the Clearing House of one lot, each on the same terms (including delivery) as the settled contract except as to price) and register such contracts as open contracts in the FCM Nodal Clearing Member's name, the re-opening contracts to be effected at a price determined by the Clearing House or the Exchange as prescribed by the FCM Procedures. The submission of a tender in accordance with the FCM Procedures shall constitute confirmation of any such re-opening contracts and the seller's tender (or buyer's as the case may be) shall be deemed to have been made pursuant to his sale (or purchase) under the respective re-opening contract.

(iv) Notwithstanding that an open contract may have been settled under FCM Regulation 62, the Clearing House may in accordance with the FCM Procedures give a tender to a buyer under FCM Regulation 64(a) as if the contract were still open and on so doing the Clearing House shall effect on the FCM Nodal Clearing Member's behalf re-opening contracts (defined as in paragraph (iii) above and to be effected as there described) and register such contracts as open contracts in the FCM Nodal Clearing Member's name. The receipt by the Buyer of such tender shall constitute confirmation of the re-opening contract and shall be deemed to occur pursuant to the FCM Nodal Clearing Member's purchase under the respective re-opening contract.

(v) In implementing this Regulation, the Clearing House may effect and register such contracts in an FCM Nodal Clearing Member's name as it may deem necessary for the purposes hereof or as may be prescribed in the FCM Procedures and at a price determined by the Clearing House in accordance with the FCM Procedures.

(d) Arrangements for Delivery and Payment of Price.

(i) In respect of its obligations under the terms of any open contract as seller to deliver a commodity to the buyer or as buyer to pay the price and any other payments required to be made under the terms of such FCM Nodal Contract to the seller, the Clearing House may in its absolute discretion in accordance with the FCM Procedures:

(1) direct an FCM Nodal Clearing Member or Nodal Service Clearing Member who is a seller under an open contract to deliver the commodity the subject matter of such contract to such other FCM Nodal Clearing Member (or Nodal Service Clearing Member, if applicable), being a buyer under an open contract as the Clearing House may appoint, and

(2) direct an FCM Nodal Clearing Member or Nodal Service Clearing Member who is a buyer under an open contract to pay the price and any other amounts payable pursuant to such contract to such other FCM Nodal Clearing Member (or Nodal Service Clearing Member, if applicable), being a seller under an open contract as the Clearing House may appoint;

and delivery or payment in accordance with such direction shall constitute the due performance of such obligations of such buyer or seller as the case may be towards the Clearing House. Each FCM Nodal Clearing Member agrees that it will accept delivery of a commodity or, as the case may be, payment of the price, and such other amounts from another FCM Nodal Clearing Member (or Nodal Service Clearing Member, if applicable) in accordance with such direction in satisfaction of the obligations owed to it by the Clearing House to make payment of the price or such other amounts or to deliver the commodity under the terms of an open contract.

(ii) If an invoice is not ready when payment becomes due, payment shall be made and received on account.

(iii) An FCM Nodal Clearing Member may from time to time agree in writing with the Clearing House in respect of such FCM Nodal Contracts as are prescribed in the FCM Procedures that he shall pay to and receive from the Clearing House in accordance with the FCM Procedures a net amount in respect of his obligations to make or take delivery (as the case may be) of a commodity where such commodity is a currency and to make or receive payment (as the case may be) of the buying or selling price.

(iv) If a buyer, where permitted by Nodal's Rules, rejects the commodity delivered to it pursuant to the Clearing House's obligations to make delivery of the commodity under the terms of an open contract subject to tender, the Clearing House shall be entitled to reject the same as against the seller from whom it took delivery of the same under the terms of an open contract subject to tender, and the Clearing House shall not be deemed to have accepted a commodity delivered to it by a seller which it delivers on to a buyer until such buyer has accepted the commodity.

(e) Restrictions on Clearing House's Obligations and Liability.

(i) This FCM Regulation 64(e) shall apply to open contracts subject to tender and delivery contracts and shall not apply to contracts for differences or option contracts.

(ii) The Clearing House (or any other member of the LCH.Clearnet Group) shall not be liable in respect of a claim made against it in respect of an

open contract subject to tender or a delivery contract by an FCM Nodal Clearing Member concerning:

- (1) a tender given by the Clearing House; or
- (2) any documents accompanying a tender as required by Nodal's Rules or the FCM Procedures; or
- (3) the performance by the Clearing House of its obligations under an open contract to make delivery of a commodity or to pay the price; or
- (4) any other dispute or matter arising under the terms of such contract;

unless the conditions set out in paragraphs (iii), (iv) and (v) below are satisfied.

(iii) The FCM Nodal Clearing Member shall (without prejudice to his taking any other steps which may be required of or open to him under Nodal's Rules or the FCM Procedures) give written notice and particulars of his claim to the Clearing House not later than 17:00 hours (such time to be of the essence) on the seventh business day following the day on which, in accordance with Nodal's Rules or the FCM Procedures, documents must be taken up and paid for by the buyer (whether or not a buyer fulfils such obligation), or if there are no such documents, not later than 17.00 hours (such time to be of the essence) on the seventh business day following the last day on which the buyer, in accordance with Nodal's Rules or the FCM Procedures, must take delivery of the commodity (whether or not the buyer fulfils such obligation).

(iv) Where Nodal's Rules provide for arbitration, the FCM Nodal Clearing Member shall refer all disputes referred to in paragraph (ii) above in respect of the FCM Nodal Contract to arbitration under Nodal's Rules, shall give to the Clearing House notice of such referral pursuant to Nodal's Rules and details of any award made.

(v) The FCM Nodal Clearing Member shall promptly provide the Clearing House with such further particulars of his claim, as the Clearing House may from time to time require in writing.

(f) Arbitration: Cleared Exchange Contracts, Turquoise Derivatives Cleared Exchange Contracts, EquityClear Contracts or LCH EnClear OTC Contracts (for Physical Delivery).

(i) Subject to subparagraph (vi) below, a dispute arising from or in relation to any FCM Nodal Contract or in relation to these FCM Regulations relating to the clearing of FCM Nodal Contracts shall, unless resolved between the Clearing House and the FCM Nodal Clearing Member, be referred to arbitration under Nodal's Rules and arbitration shall be conducted in accordance with Nodal's Rules. The Clearing House shall be entitled to call upon an FCM Nodal Clearing Member who is a buyer and an FCM Nodal Clearing Member who is a seller, under the terms of FCM Nodal Contracts, which have been matched by the Clearing House and in respect of which reference to arbitration has been made under Nodal's

- Rules, to conduct the arbitration between them under Nodal's Rules as applicable.
- (ii) In the event that the Clearing House elects to call upon a seller and a buyer to arbitrate between them pursuant to FCM Regulation 64(f)(i) above and Nodal's Rules, the following procedures shall apply:
- (1) the Clearing House shall give notice of such election to the buyer, the seller and Nodal, in accordance with Nodal's Rules;
 - (2) the seller shall at its own expense have the conduct of the Clearing House's case against the buyer, and the buyer shall at its own expense have the conduct of the Clearing House's case against the seller, in either case, subject to the provisions of this FCM Regulation 64(f);
 - (3) copies of all pleadings, correspondence and documents shall be given to the Clearing House and the Clearing House shall be entitled to submit any additional arguments to the arbitrators in support of its own case, in which case it shall supply copies of such submissions to the seller and the buyer;
 - (4) the arbitrators shall have the power to call upon the Clearing House to disclose documents relating to the arbitration which are in its custody, power or possession to the same extent as if it were a direct party to the arbitration; and
 - (5) the arbitrators shall issue two awards, one between the seller and the Clearing House and one between the buyer and the Clearing House which shall determine the rights of each of the seller and the buyer against the Clearing House and vice versa.
- (iii) If the Clearing House is found liable to one of the parties to the arbitration ("the first party") in respect of a breach of an FCM Nodal Contract and the other party to the arbitration ("the second party") is found liable to the Clearing House in respect of such breach of an FCM Nodal Contract, which has been matched by the Clearing House as referred to in paragraph (i) above, the liability of the Clearing House to the first party shall be deemed to be a foreseeable consequence of the breach by the second party and the Clearing House shall be entitled to be indemnified in respect of such liability by the second party.
- (iv) The Clearing House shall be bound by an arbitration award made against it in pursuance of an arbitration whether it participates directly in the arbitration or not.
- (v) No person may refer to arbitration under Nodal's Rules any dispute arising from or in connection with the Default Rules or any step taken or proposed to be taken under the Default Rules.
- (g) Cover in Event of a Claim. If notice of claim and notice of intention to refer a dispute to arbitration is given to the Clearing House pursuant to Nodal's Rules or FCM Regulation 64(e) in respect of an open FCM Nodal Contract, any or all cover standing to the credit of the accounts of an FCM Nodal Clearing Member who is

party to one or more contracts under dispute (whether such cover is held with respect to a contract under dispute or otherwise) may be retained by the Clearing House. The Clearing House may at any time and from time to time call for payment by such FCM Nodal Clearing Member of additional cover, in such amount as it may deem appropriate in respect of such contract or contracts, to be held by the Clearing House under these FCM Regulations until the claim is finally disposed of. The amount of such cover to be furnished by the FCM Nodal Clearing Member to the Clearing House shall be assessed by reference to such circumstances as the Clearing House in its discretion deems relevant.

(h) Default of a Member: Substituted Obligation. Where an FCM Nodal Clearing Member defaults in performance of an open FCM Nodal Contract subject to tender, and by the operation of Default Rules the FCM Nodal Clearing Member's rights and liabilities in respect of such performance are discharged and there arises in their place an obligation to account as between the FCM Nodal Clearing Member and the Clearing House for a settlement amount, then the Clearing House shall be entitled to substitute an obligation to account for such settlement amount, or proportions thereof pro rata, for its rights and liabilities in respect of performance of open contracts subject to tender with one or more other FCM Nodal Clearing Members or Nodal Service Clearing Members, as applicable, (such open FCM Nodal Contracts and such other FCM Nodal Clearing Members or Nodal Service Clearing Members to be selected by the Clearing House in its absolute discretion), for the same commodity and delivery month or prompt date. No FCM Nodal Clearing Member shall question the settlement amount or any determination made by the Clearing House under this FCM Regulation 64(h).

3.3 Withholding Tax Provisions

All payments due under an FCM SwapClear Contract shall be made by the FCM Clearing Member free and clear and without deduction or withholding for or on account of any tax. Payments in respect of which such deduction or withholding is required to be made, by the FCM Clearing Member, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the Clearing House receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

The Clearing House shall make any payments due to an FCM Clearing Member net of any deduction or withholding for or on account of any tax it is required to make from such payments.

3.4 Payment of Stamp Tax

Each FCM Clearing Member will pay any stamp tax or duty levied or imposed upon it in respect of any FCM SwapClear Contract to which it is a party by a jurisdiction in which it is incorporated, organized, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located or by any other jurisdiction, and will indemnify the Clearing House against any stamp tax or duty levied or imposed upon the Clearing House by any such jurisdiction in respect of any FCM SwapClear Contract registered by the Clearing House and to which that FCM Clearing Member is a party.

shall the taking of action in one or more jurisdictions preclude the Clearing House from taking action in any other jurisdiction, whether concurrently or not.

3.8 Third Party Rights

A person who is not a party to this FCM SwapClear Contract shall have no rights under or in respect of it. Rights of third parties to enforce any terms of this FCM SwapClear Contract are expressly excluded.

(e) Calculation Periods

(See Article 4.13 of the ISDA 2000 Definitions and Article 4.13 of the ISDA 2006 Definitions for definition.)

For vanilla interest rate swaps with constant notional principal and variable notional swaps the Clearing House will only accept non-standard Calculation Periods (“*stub periods*”) at either the start or end of the contract. Transactions with stub periods at both the start and end of the transaction will not be eligible as FCM SwapClear Transactions.

For variable notional swaps the stub rate should be detailed either as a percentage (i.e. 5.5%), an interpolation (i.e. 1 month/3months) or as a designated maturity (i.e. 1 month). Stub Rates within the Final Stub are calculated via interpolation or as a designated maturity.

For interpolated coupons, payment dates must fall between the rolled dates, according to the Modified Following business day convention, of the specified designated maturities. Where this does not occur and extrapolation would be required, SwapClear will reject the trade.

The minimum stub period of a variable notional swap accepted by SwapClear is 1 + Currency Settlement Lag. The minimum stub rate tenor must be >= 1 week for IRS and basis swap and >=1 month for zero coupon swaps.

SwapClear also calculates floating periods subject to 'IMM settlement dates as per ISDA definitions.

FCM SwapClear Transactions submitted through an FCM Approved Trade Source System must be in an acceptable message format, as prescribed by the Clearing House.

Notwithstanding the designation by the Clearing House of any system as an FCM Approved Trade Source System, the Clearing House makes no warranty (and will accept no liability) as to the effectiveness, efficiency, performance or any other aspect of the services provided by any FCM Approved Trade Source System or the timeliness or otherwise of the delivery of any FCM SwapClear Transaction details by that FCM Approved Trade Source System to the Clearing House. Such matters form part of the relationship between the FCM Clearing Members and that FCM Approved Trade Source System.

The Clearing House will process any FCM SwapClear Transaction reported to it by an FCM Approved Trade Source System on an "as is" basis, and subject to the FCM Regulations and these FCM Procedures, will register any such FCM SwapClear Transaction on the basis of the data provided to it by the FCM Approved Trade Source System and approved by the relevant FCM Clearing Member. The Clearing House has no obligation to verify that the details received, properly reflect the trade entered into by the relevant Executing Parties.

The Clearing House accepts no liability for any error within or corruption of any data sent by an FCM Approved Trade Source System to the Clearing House or to an FCM Clearing Member or any delay in or failure of the transmission of such data to the Clearing House. In the event that the Clearing House registers any FCM SwapClear Contract on the basis of incorrect or corrupted data sent to it by

an FCM Approved Trade Source System and accepted by an FCM Clearing Member, the FCM Clearing Member concerned shall be bound by the terms of such FCM SwapClear Contract. The Clearing House shall use its reasonable endeavors to assist the relevant FCM Clearing Members in re-registering the trade on the correct basis but the Clearing House shall not be liable to the FCM Clearing Member or anyone else with regard to the registration (or lack of registration or re-registration) of any such FCM SwapClear Contract.

FCM Clearing Members shall ensure that transaction details accepted for registration are accepted by appropriately authorized personnel. Apart from the foregoing acceptance, the Clearing House is not able to, and will not, verify the authorization of the source of any details of any transaction reported to it for registration by any FCM Approved Trade Source System. The Clearing House shall have no liability in the event that any FCM Clearing Member suffers any loss through the unauthorized acceptance of an FCM Notification.

2A.3.4 Registration of New Trades

~~New trades are registered on an intra-day basis. Following acceptance by an FCM Clearing Member, the FCM SwapClear Clearing System will respond, after processing, with a message either confirming the registration or giving a reason for rejection (see Section 2A.3.7). The registration notification or rejection message will be sent via the originating FCM Approved Trade Source System, the SwapClear API or otherwise. The definitive report of a registered FCM SwapClear Contract will be shown on Reporting (see Section 2A.1.3) on the FCM Clearing Member reporting account in the FCM SwapClear clearing system.~~

The Clearing House will perform regular, intra-day registration runs on each business day. FCM SwapClear Transactions duly submitted to the Clearing House for registration will ordinarily be included in the next following registration run unless the Clearing House determines to register such an FCM SwapClear Transaction prior to such run.

Prior to it registering an FCM SwapClear Contract, the Clearing House will require ~~an~~ the FCM Clearing Member in whose name ~~an open contract~~ such FCM SwapClear Contract is to be registered to provide it with cover for initial and variation margin ~~prior~~ in respect of such contract as a precondition to registration. In accordance with FCM Regulation ~~30~~(~~bd~~)(iv), an FCM Clearing Member becomes obligated to ~~pay~~ provide such cover to the Clearing House ~~upon at the time when both FCM SwapClear Contracts, or the FCM Clearing Member's acceptance for registration of an FCM SwapClear SwapClear Contract and the Non-FCM SwapClear Contract (as applicable), relating to the relevant FCM SwapClear Transaction and the~~ have been submitted or deemed to be submitted (as applicable) by the relevant FCM Clearing Member(s) or the relevant SwapClear Clearing Member and FCM Clearing Member ~~shall pay~~ (as the case may be) and such FCM Clearing Member(s) or such FCM Clearing Member and such SwapClear Clearing Member shall provide such cover prior to registration upon request of the Clearing House. Variation margin can be covered intra-day in non-cash collateral.

~~FCM SwapClear Transactions that are submitted for registration after 14:30 are registered the following morning subject to the normal requirements for margin (unless the FCM Clearing Member has provided excess cover).~~

In order for registration of an FCM SwapClear Contract (the “actual FCM SwapClear Contract”) to occur, where such actual FCM SwapClear Contract is part of a registration run containing other FCM SwapClear Contracts and/or Non-FCM SwapClear Contracts (the “other SwapClear Contracts”), cover for margin from each SwapClear Clearing Member and each FCM Clearing Member which would be a party to such other SwapClear Contracts is required to be provided to the Clearing House in advance and, if any one or more of such SwapClear Clearing Members or such FCM Clearing Members does not provide such cover, the Clearing House will take such steps as it deems appropriate to seek to register the actual FCM SwapClear Contract as soon as practically possible.

Upon an FCM SwapClear Transaction being submitted to the Clearing House for registration and the conditions to registration specified in FCM Regulation 30 having been satisfied in respect of the related FCM SwapClear Contract(s), the SwapClear clearing system will respond, after processing, with a message confirming the registration. The registration notification message will be sent using the SwapClear Clearing Member reporting system (including by way of the originating Approved Trade Source System). The definitive report of a registered SwapClear Contract will be shown within the SwapClear Clearing Member reporting system (see section 2A.1.3) on the SwapClear Clearing Member reporting account.

2A.3.5 **Backloading of Existing Trades**

The Clearing House provides the facility for FCM Clearing Members to load eligible existing FCM SwapClear Transactions, through an FCM Approved Trade Source System (currently only MarkitWire). Where the Clearing House approves additional FCM Approved Trade Source Systems for this purposes, it will notify FCM Clearing Members via member circular. Backloading requires bilateral agreement between the relevant Executing Parties and acceptance by the FCM Clearing Member(s) and the SwapClear Clearing Member, if any, of the full particulars required by the Clearing House for each such FCM SwapClear Transactions. Following acceptance, the backloaded trade shall be deemed to have been presented by the FCM Clearing Member(s) and the SwapClear Clearing Member, if any, for registration by the Clearing House. In any backloading of transactions where one leg is to be registered as an **SCMNon-FCM** SwapClear Contract, the UK General Regulations will apply with respect to such registration of **an SCMa Non-FCM** SwapClear Contract.

The Clearing House will, in the case of FCM SwapClear Transactions that have a Trade Date of greater than ten calendar days prior to the date of submission, hold the FCM SwapClear Transaction overnight for registration the following day. For backloaded trades the Clearing House will notify FCM Clearing Members of their submission and status via FCM Clearing Member Reporting (see Section 2A.1.3). It is a pre-condition of registration that sufficient cover for initial and variation margin is provided.

2A.3.6 **Notification**

The Clearing House will notify FCM Clearing Members of the registration or rejection of FCM SwapClear Transactions, or contracts purported as such, via the SwapClear FCM Clearing Member Reporting System (see ~~S~~ection 2A.1.3) and the originating FCM Approved Trade Source System messaging service for onward transmission to the submitting FCM Clearing Member.

2A.3.7 Rejected Trades

Trades submitted for registration that do not meet the product or other eligibility criteria prescribed from time to time by the Clearing House or which contain invalid or incomplete message data will be rejected. If, at any time, the Clearing House does not register a trade presented for registration it will notify the contracting parties of the reasons for rejection.

2A.4 Position Accounts**2A.4.1 FCM Accounts**

For identification purposes each FCM Clearing Member is assigned a unique three-character mnemonic with respect to its accounts relating to FCM SwapClear Contracts. An FCM Clearing Member's position and financial information are further identified by a single character code: C for client business; and H for house business.

2A.4.2 Position-Keeping Accounts

FCM Clearing Member Accounts

The account types are: H for house business (Proprietary Account); and C for segregated client business (an FCM Omnibus OTC SC Client Account with LCH). An FCM Clearing Member's FCM SwapClear Contract positions are also recorded within the FCM SwapClear clearing system in SwapClear Aaccounts.

All registered FCM SwapClear Contracts will be identifiable to FCM Clearing Members via ~~FCM SwapClear~~ FCM Clearing Member Reporting (see Section 2A.1.3). All registered FCM SwapClear Contracts will be maintained only in SwapClear accounts (identified as such by a unique three letter mnemonic) ~~and separate from all accounts containing ForexClear Accounts (provided that all FCM Contracts and related cover may be physically commingled in the same depository accounts).~~ Each FCM SwapClear Contract will also be assigned a unique trade identifier. The SwapClear FCM Clearing Member Reporting functionality also allows each FCM Clearing Members to identify all FCM SwapClear Contracts registered in their/its name.

2A.6 **FCM SwapClear Contract Valuation**

2A.6.1 **Net Present Value**

The Clearing House will calculate the Net Present Value (NPV) of each eligible FCM SwapClear Contract using the Clearing House's zero coupon yield curves.

It is a condition of registration that sufficient cover, as determined by the Clearing House, is held with the Clearing House to cover both the NPV and Initial Margin of each FCM SwapClear Transaction.

All FCM SwapClear Contracts credited to an FCM Clearing Member will, on submission to the Clearing House, be marked-to-market, in accordance with FCM Regulation ~~34~~12(d). The Net Present Value so determined must, subject to Intra-day Registration (see Section 2A.3.4), be paid by the FCM Clearing Member in cash in the currency of the FCM SwapClear Contract. Where an FCM SwapClear Transaction is registered intra-day, and the NPV is covered with non-cash collateral, the Clearing House will, the following Business Day, require payment of the full cash amount.

2A.6.2 **Zero Coupon Yield Curve Construction**

The central control and publication of these calendars will assist the reconciliation of coupon payments between FCM Clearing Members and the Clearing House. Coupon payments will be adjusted, in the event of a holiday amendment, in accordance with the FCM SwapClear Contract Terms.

2A.7.2 Calculation of Fixed Amount

The Clearing House will calculate the Fixed Amount payable by a party on a Payment Date as either:

Day count fractions will be applied to deal legs independently as they are communicated via the matched format message.

Where the FCM SwapClear Transaction is submitted under the ISDA 2000 Definitions, the Clearing House will calculate Day Count Fractions in accordance with the following principles:

- (a) if "Actual/365" or "Actual/Actual" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);

- (b) if "Actual/365 (Fixed)" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365;
- (c) if "Actual/360" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 360;

$$((Y2 - Y1) * 360) + ((M2 - M1) * 30) + (D2 - D1)$$

where D1, M1 and Y1 are the day, month and year respectively on which the period begins and D2, M2 and Y2 are the day, month and year respectively on which the period ends (coupon payment date).

In accordance with this formula the following will be applied:

- (i) if "30/360", "360/360" or "Bond Basis" is specified the Clearing House will
 - if D1 is 31 amend it to 30,
 - if D2 is 31 amend it to 30 only if D1 is 30 or 31; or
- (ii) if "30E/360" or "Eurobond Basis" is specified the Clearing House will
 - if D1 is 31 then amend it to 30
 - if D2 is 31 then amend it to 30.
- (e) For Actual/Actual (ISMA): "The [Fixed/Floating] Amount will be calculated in accordance with Rule 251 of the statutes, by-laws, rules and recommendations of the International Securities Market Association, as published in April 1999, as applied to straight and convertible bonds issued after December 31, 1998, as though the [Fixed/Floating] Amount were the interest coupon on such a bond".

Day count fractions will be applied to deal legs independently as they are communicated via the matched format message.

by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);

- (b) if "Actual/365 (Fixed)" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365;
- (c) if "Actual/360" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 360;
- (d) "30/360", "360/360" or "Bond Basis" is specified the number of days in the Calculation Period or Compounding Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

"D2" is the Calendar day, expressed as a number, immediately following the last day included in the Calculation Period or Compounding Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30; and

- (e) if "30/E60" or "Eurobond basis is specified, the number of days in the Calculation or Compounding Period in respect of which payment is being made divided by 360, calculate on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where: "Y1" is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

2A.7.4+12 Reset Rates

2A.7.1213 **Applying Reset Rate**

The Clearing House will identify the reset dates of floating legs that require the application of a Reset Rate. The Reset Rate will be applied to the appropriate floating legs and the coupon payments calculated.

The coupon payments will be adjusted to fall on actual business days according to the Calendar(s) and Business Day Convention specified.

2A.7.1314 **Negative Interest Rate Method**

FCM Clearing Member should note the provisions of Section 3.3 of Part A of ~~the~~ Schedule A to the FCM Regulations regarding the applicability of the Negative Interest Rate Method, to an FCM SwapClear Contract. FCM Clearing Members may, in the circumstances, wish to ensure that any trade submitted for registration follows that Negative interest Rate Method.

2A.8 **Initial Margin**

The Clearing House will require FCM Clearing Members to post ~~initial margin~~ Initial Margin. This amount will be determined by the prevailing market conditions and the expected time to close out the portfolio. The Portfolio Approach to Interest Rate Scenarios (PAIRS) will be used to calculate ~~initial margin~~ Initial Margin requirements for FCM SwapClear Contracts.

Separate ~~initial margin~~ Initial Margin calculations are performed for an FCM Clearing Member's house "H" and client "C" accounts.

The Clearing House reserves the right to require additional amounts of cover from a specific FCM Clearing Member or from all FCM Clearing Members in accordance with FCM Regulation 9.

2A.8.1 **Liquidity Multiplier**

Risk Management applies a liquidity multiplier based on Worst Case Loss (WCL) exceeding certain thresholds on the FCM Clearing Member's whole portfolio and individual currencies. The threshold amounts and multipliers are reviewed on an ~~ongoing~~ on-going basis.

2A.8.2 **Intra-day Margin Calls**

In accordance with the Clearing House's FCM Regulations, the Clearing House is entitled to make additional margin calls for payment the same day (intra-day margin calls) where it is considered necessary. Intra-day margin calls can be called at any time throughout the business day (08:30 to 21:00 hours, London time). Intra-day margin calls will usually be made via the Protected Payments System (PPS) (see Section 2A.9).

In certain circumstances the Clearing House may wish to make a call for additional funds after the closure of London PPS facilities at 16:00 hours, London time. In this event the Clearing House will require payment of additional funds through PPS facilities in the USA (see Section 3.2.21). Members must ensure, in these circumstances, that they are in a position to fund such calls through their nominated US PPS account within one hour of the call.

2A.8.3 Calculation of Initial Margin

(a) Portfolio Approach to Interest Rate Scenarios (PAIRS)

The PAIRS calculation is a VAR based approach based on filtered historical simulations. All positions in each currency are re-valued under a series of cross portfolio yield curve scenarios to estimate the highest forecast loss and therefore the ~~initial margin~~ Initial Margin requirement. Further details of this method are available upon request and are detailed in the PAIRS TIP document. The PAIRS document and further information relating to Initial Margin calculations can be obtained from the Rates team at +44 (020) 7426 6325 or +44 (020) 7426 7428.

2A.9 Intra-Day Margin Call: Collateral Management

2A.9.1 General – Intra-day Margining

Following an intra-day margin call and unless notified otherwise by an FCM Clearing Member at the time of an intra-day margin call the Clearing House will deduct cash, in the appropriate currency, directly from the relevant FCM Clearing Member's PPS account to cover that intra-day margin call.

Cash payments in respect of intra-day cover are accepted only in USD by the Clearing House.

It is the responsibility of the FCM to ensure that they have sufficient cash funds in place with their PPS Bank(s) in order to avoid any intra-day liquidity issues.

2A.10 Declearing and Compression

Pursuant to FCM Regulation ~~31(n30(o))~~, an FCM Clearing Member may compress existing FCM SwapClear Contracts in accordance with that FCM Regulation. There are two options available to an FCM Clearing Member that wishes to compress existing FCM SwapClear Contracts:

- (a) An FCM Clearing Member can request that all FCM SwapClear Contracts entered into (i) on behalf of a designated FCM Client, (ii) on behalf of a designated Affiliate or (iii) on such FCM Clearing Member's own behalf be considered for compression by the Clearing House. Such a request shall be reconsidered by the Clearing House automatically each day (and the results notified to the FCM Clearing Member by 19:00 hours, New York City time, on each applicable day) until the FCM Clearing Member notifies the Clearing House to discontinue such compression of FCM SwapClear Contracts. FCM Clearing Members should contact the Clearing House's Membership Department to request such a compression of FCM SwapClear Contracts.

- (b) An FCM Clearing Member may notify the Clearing House directly through the SwapClear API, specifying which FCM SwapClear Contracts should be compressed. The FCM Clearing Member will be notified by 19:00 [hours, New York City time](#), on the applicable day whether compression has occurred and the Clearing House will not automatically reconsider such compression request on subsequent days regardless of whether compression has occurred.

In order to declare an FCM SwapClear Contract, an FCM Clearing Member must register with an FCM Approved Trade Source System an offsetting FCM SwapClear Contract and shall then follow the process for compression as set out above.

The Clearing House shall process the compression of all FCM SwapClear Contracts as notified to it prior to 18:00 [hours, New York City time](#), shortly after 18:00 [hours, New York City time](#), and shall notify the applicable FCM Clearing Member by 19:00 [hours, New York City time](#), of the result of such compression procedure. A notification received after 18:00 [hours, New York City time](#), shall be treated as if such notification was submitted on the following day prior to 18:00 [hours, New York City time](#), and as such shall be considered shortly after 18:00 [hours, New York City time](#), on such following day and the results notified to the applicable FCM Clearing Member by 19:00 [hours, New York City time](#), on such following day.

Following the compression process described above and as further set out in FCM Regulation 30(~~g~~), the applicable FCM Clearing Member shall promptly notify the Clearing House if it believes that any errors have occurred in the compression process or if its books and records do not reconcile with those of the Clearing House in respect of the compressed FCM SwapClear Contracts as notified to the FCM Clearing Member by the Clearing House.

2A.11 Affiliate Clearing

Under FCM Regulation 4(c), FCM Clearing Members are permitted to clear for Affiliates through their Proprietary accounts.

2A.12 Transfer of FCM Clients

In certain circumstance the Clearing House will transfer FCM SwapClear Contracts from one Carrying FCM Clearing Member to a Receiving FCM Clearing Member on behalf of an FCM Client and pursuant to FCM Regulation 8(b) or 8(c).

2A.12.1 Partial Transfers

Where a Receiving FCM Clearing Member wishes, on behalf of an FCM Client, to receive a transfer of a portion of such FCM Client's portfolio of FCM SwapClear Contracts held with a Carrying FCM Clearing Member, it shall provide the Clearing House with an FCM Client Partial Transfer Form (see Appendix 2A.B), signed on behalf of the relevant FCM Client. Such form shall list all of the FCM SwapClear Contracts that are to be transferred pursuant to this procedure. Following receipt of an FCM Client Partial Transfer Form, the Clearing House shall notify the Carrying FCM Clearing Member that a request has been received to transfer FCM SwapClear Contracts. All partial transfers shall take place in accordance with the timing and notice requirements set out in Section 2A.12.4.

In the event that any of the conditions set forth in FCM Regulation 8(c) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the FCM SwapClear Contracts.

2A.12.2 Full Transfers

Where a Receiving FCM Clearing Member wishes, on behalf of an FCM Client, to receive a transfer of such FCM Client's entire portfolio of FCM SwapClear Contracts held with a Carrying FCM Clearing Member, it shall provide the Clearing House with an FCM Client Full Transfer Form (see Appendix ~~2G~~2A.C), signed on behalf of the relevant FCM Client. Such form shall confirm that all FCM SwapClear Contracts attributable to the applicable FCM Client shall be transferred pursuant to this procedure. Where a Receiving FCM Clearing Member submits an FCM Client Full Transfer Form, it must confirm whether or not the FCM Client also wishes to transfer the cover held by the Clearing House in respect of the transferring FCM SwapClear Contracts. Following receipt of an FCM Client Full Transfer Form, the Clearing House shall notify the Carrying FCM Clearing Member that a request has been received to transfer FCM SwapClear Contracts. All full transfers shall take place in accordance with the timing and notice requirements set out in Section 2A.12.4.

In the event that any of the conditions set forth in FCM Regulation 8(b) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the FCM SwapClear Contracts or the transfer of Account Assets (when applicable).

Following receipt of a Full Transfer Form, the Carrying FCM Clearing Member shall not be permitted to register additional FCM SwapClear Contracts on behalf of the FCM Client whose FCM SwapClear Contracts are subject to transfer, until such transfer (and the transfer of the related Account Assets, if applicable) is actually effected or is rejected.

2A.12.3 Collateral Transfers

Where a Receiving FCM Clearing Member notifies the Clearing House that an FCM Client wishes to transfer cover from a Carrying FCM Clearing Member to a Receiving FCM Clearing Member, the Clearing House shall notify the Carrying FCM Clearing Member of such transfer in accordance with the timetable below.

Following such notification and upon request from the Clearing House, the Carrying FCM Clearing Member shall confirm to the Clearing House (using the Carrying Member Response form at Appendix ~~2D~~2A.D) which cover is attributable to the transferring FCM Client and the associated FCM SwapClear Contracts. In the event that the Carrying FCM Clearing Member fails to do so in accordance with the timetable below, the Clearing House shall transfer sufficient cash or non-cash cover from the FCM Clearing Member's FCM Omnibus OTC SC Client Account with LCH (such cover as selected in the Clearing House's sole discretion) to enable the transfer. Following the Clearing House's determination of the cover that is to be transferred, it shall notify the Carrying FCM Clearing Member and the Receiving FCM Clearing Member of the cover that will be transferred in accordance with the timetable below.

In the event that any of the conditions set forth in FCM Regulation 8(b) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing House that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the related cover. In such circumstances, the Clearing House will notify the Receiving FCM Clearing Member that the associated cover will not be transferred and, in order to proceed with the transfer of the associated FCM SwapClear Contracts, the Receiving FCM Clearing Member will have to provide the Clearing House with sufficient cover in respect of the transferring FCM SwapClear Contracts.

In the event that the Clearing House transfers cover pursuant to these FCM Procedures and the FCM Regulations, it will also transfer the aggregate Variation Margin and next day settlement coupons and fees associated with the transferring FCM SwapClear Contracts.

2A.13 Proprietary Account Position Transfers

The FCM SwapClear clearing system provides functionality for the transfer of positions from an FCM Clearing Member's Proprietary Account, either in respect of FCM SwapClear Contracts held on an FCM Clearing Member's own behalf or in respect of FCM SwapClear Contracts held on behalf of an Affiliate. In either case, any such transfer may only occur if the Receiving FCM Clearing Member is an Affiliate of the Carrying FCM Clearing Member. An FCM Clearing Member who wishes to effect a position transfer to another FCM Clearing Member should contact the Clearing House's Risk Management Department.

Transfers will only be effected once adequate cover has been provided by both parties to the transfer. Transfers of Affiliate positions shall not be permitted to another FCM Clearing Member's Proprietary Account unless such Affiliate is an Affiliate of the FCM Clearing Member receiving the transferred position.

2A.13.1 Legal Documentation

The Clearing House will provide standard legal documentation for the transfer of positions. The transfer must be authorized by both parties and by individuals with appropriate signing authority.

2A.13.2 Position Transfer Notice Period

The Clearing House will usually require five Business Days notice ahead of an intended transfer.

2A.14 Amendment of Trade References

Sometimes FCM Clearing Members wish to change their own trade reference numbers/codes by which they identify trades registered in the FCM SwapClear Service. Subject to any such FCM Clearing Member meeting all the Clearing House's requirements including under these FCM Procedures, the Clearing House will, as part of its service to FCM Clearing Members, amend its records in order to reflect any such change. Such change has no effect whatsoever on the terms of any registered FCM SwapClear Contract or any other obligations of the FCM Clearing Member party to such contract.

2A.14.1 Trade Reference Amendment Request Form

The Clearing House requires a completed Trade Amendment Request Form (in the form prescribed by the Clearing House) to be submitted by any FCM Clearing

Member wishing to amend a trade reference. The form must be signed by two persons from within the FCM Clearing Member with appropriate signing authority and must set out the required full details of each registered trade in respect of which the FCM Clearing Member wishes to change its trade reference. Evidence of such signing authority may be required by the Clearing House. All parts of the form must be properly and fully completed, including the requested date for trade reference amendment, and, in respect of each trade identified therein, details of the current trade reference and the new trade reference and the Clearing House trade reference number.

The requested date for trade reference amendment must be no earlier than two Business Days (the “**Trade Reference Amendment Notice Period**”) after the date upon which the form is received by the Clearing House. While the Clearing House will do what it reasonably can to meet the requested date for the amendment it is under no obligation to do so. The date for the amendment in the Clearing House’s records and FCM SwapClear clearing system is a matter entirely within the discretion of the Clearing House and the FCM Clearing Member will be advised in due course of the date set by the Clearing House.

2A.14.2 Multi-trade Amendments

If an FCM Clearing Member requests amendment to several trades it must (in addition to providing the hard copy Trade Reference Amendment Request Form) provide to the Clearing House an electronic text file containing all the relevant details required by the Trade Reference Amendment Request Form. Detail of the required formats of the file can be obtained from SwapClear Operations (Tel: +44 (0) 20 7426 7697). If the file is not submitted in the correct format and containing all the required details, the request for deletion will be rejected by the Clearing House and the FCM Clearing Member will be advised accordingly.

2A.14.3 Processing

The Clearing House will usually agree to process any request for amendment of trade reference properly submitted; however the Clearing House will reject any such request if:

- it is not made in accordance with these FCM Procedures;
- any trade reference notified to the Clearing House in the Trade Reference Amendment Request Form does not match the FCM Clearing Member’s trade reference which the Clearing House has recorded;
- the Clearing House trade reference number notified in the Trade Reference Amendment Request Form does not refer to a trade registered in the FCM SwapClear clearing system;
- any trade referred to in the Trade Reference Amendment Request Form is not already registered in the FCM SwapClear clearing system or is not recorded by the Clearing House against the BIC code of the FCM Clearing Member requesting the amendment; or
- it would not be practical in all the circumstances or would subject the Clearing House to unacceptable cost if the Clearing House were to make the requested amendments or the Clearing House forms the view that to do so would adversely affect its risk.

Following notification of agreement to make the requested amendments, the Clearing House will use its reasonable endeavors to process the amendments on the anticipated date of amendments; if, for whatever reason the Clearing House is unable to do so, it will notify the FCM Clearing Member and process the amendment as soon as reasonably practicable thereafter.

After close of business of the day of processing, the Clearing House will produce a report setting out details of the time and date that it has amended its records in accordance with the request, details of the old and new FCM Clearing Member trade references and the status of the amendment in respect of each trade set out in the Trade Reference Amendment Request – namely “amended” or “rejected”. All records of the Clearing House and data held in the FCM SwapClear clearing system will then be updated overnight following the close of business on that day.

2A.14.4 Legal Documentation

The Clearing House will provide the requesting FCM Clearing Member with legal documentation in Clearing House standard form for that FCM Clearing Member to sign. No trade reference will be amended unless such documentation is completed and signed. The documentation must be signed by a person within the FCM Clearing Member with appropriate signing authority. Evidence of such authority may be required by the Clearing House. No amendment to such documentation will be accepted by the Clearing House.

2A.14.5 Notification

Subject to the requesting FCM Clearing Member meeting all the Clearing House’s requirements (including completion and submission of all documentation and such other additional requirements as the Clearing House may be set by the Clearing House in its discretion), the Clearing House will notify the FCM Clearing Member of its agreement to the amendment of its records of the FCM Clearing Member trade reference in respect of the trades identified in the Trade Reference Amendment Request Form, and advise of the anticipated date of amendment (the “**anticipated date of amendment**”).

2A.15 Default Management

2A.15.1 Portfolio Splitting:

As part of the SwapClear DMP, the Clearing House may divide an Auction portfolio into two or more individual Auction Portfolios. In circumstances where such portfolio splitting is adopted, the Clearing house will, in consultation with the SwapClear DMG (which, as defined in the Default Rules, refers to the advisory Default Management Group established by the Clearing House pursuant to the terms of the SwapClear DMP Annex to the Default Rules), seek to create:

- (a) one or more individual Sub-portfolios which have comparatively greater levels of risk associated with them, thereby isolating such Sub portfolios from those which are more risk neutral; and
- (b) one or more individual Sub portfolios which are more risk neutral.

2A.15.2 Acceptance of Bids

In deciding whether to accept a bid, the Clearing House will generally accept the best bid in respect of any individual Auction. However, the Clearing House is entitled to reject a bid in the event that it considers, in its reasonable discretion that accepting the bid may:

- (a) (a) cause the Clearing House to breach any legal or regulatory requirement applicable to it by virtue of its being a Recognised Clearing House or a Derivatives Clearing Organization;
- (b) (b) cause the Clearing House or its membership any reputational harm;
- (c) (c) cause legal action or proceedings to be taken against the Clearing House;
- (d) (d) endanger the Clearing House, any of its clearing members or the financial markets in which the Clearing House operates.

Where the Clearing House receives more than one bid from the same ~~SwapClear~~ FCM Clearing Member and in respect of the same Auction the Clearing House is entitled to accept the last bid received by it in respect of that Auction. Where the Clearing House does not receive a bid that was made by ~~an FCM Clearing Member or~~ SwapClear Clearing Member for operational, technological or other similar reasons and as a result of which a bid does not reach the Clearing House, the Clearing House will be unable to accept a bid and shall not be liable for any failure to accept such bid.

2A.15.3 Affiliate Bidding

SwapClear Clearing Members are entitled to bid for an Auction Portfolio on behalf of an affiliated SwapClear Clearing Member or affiliated FCM Clearing Member. Where a SwapClear Clearing Member makes a bid and that SwapClear Clearing Member has an affiliated SwapClear Clearing Member or FCM Clearing Member that does not make a bid, the Clearing House shall not (unless instructed otherwise in accordance with the paragraph below) assume that the bidding SwapClear Clearing Member has made the relevant bid on behalf of a non-bidding, affiliated SwapClear Clearing Member or affiliated FCM Clearing Member.

A SwapClear Clearing Member may notify the Clearing House, in advance of an Auction, that it wishes to bid on behalf of an affiliated SwapClear Clearing Member or affiliated FCM Clearing Member. Where it wishes to do so, the SwapClear Clearing Member should contact the Clearing House's Membership Department ~~[insert details]~~ at +44 (0)207 426 7891/7627/7063 or via e-mail at membership@lchclearnet.com.

Upon the request of an FCM Clearing Member that has successfully bid in an Auction (or in respect of which an LCH Approved Outsourcing Party, an affiliated SwapClear Clearing Member or a non-SwapClear Clearing Member Affiliate has made a successful bid on its behalf), the Clearing House shall transfer the rights and obligations arising out of the applicable Auction Portfolio to an affiliated SwapClear Clearing Member of such FCM Clearing Member or, through its House Account, to a non-SwapClear Clearing Member Affiliate clearing through such FCM Clearing Member, subject to such affiliate consenting to such transfer and meeting all the requirements imposed by the Clearing House from time to time in relation to accepting such rights and obligations (including executing any documents reasonably requested by the Clearing House), and subject to the

Clearing House's determination in its reasonable discretion that the transfer would not be likely to result in a material and adverse impact on the Clearing House, the SwapClear Service or another SwapClear Clearing Member. Until such time as such transfer has been effected, the FCM Clearing Member shall remain liable to perform its obligations (including in respect of the Auction Portfolio to be transferred) under the FCM Rulebook.

2A.15.4 Outsourcing

Pursuant to FCM Regulation 3(c)(vi) and 3(c)(vii), an FCM Clearing Member may appoint a third party to fulfil one or both of ~~the~~ the Clearing House's Membership requirements to: (i) participate in a SwapClear "fire drill" run by the Clearing House; and (ii) participate in the SwapClear DMP operated by the Clearing House. Where an FCM Clearing Member chooses to outsource one or both of these functions it must appoint and maintain at least three LCH Approved Outsourcing Agents.

The following entities are eligible for appointment as an LCH Approved Outsourcing Agent:

- A SwapClear Clearing Member
- An FCM Clearing Member
- An FCM Client
- Any other entity that the Clearing House deems appropriate in its sole discretion.

Where an FCM Clearing Member wishes to appoint a third party to carry out any obligation on its behalf, it should contact the Clearing House's Membership Department with the:

1. details of the third party entity that the FCM Clearing Member wishes to appoint as an LCH Approved Outsourcing Agent. Such information should include details of the applicant's regulatory status;
2. evidence of the existence of a legally binding agreement between the FCM Clearing Member and the third party; and
3. such other information that the Clearing House reasonably considers necessary for the purposes of determining whether an entity should be approved as an LCH Approved Outsourcing Agent.

Following the receipt of all of the information above, the Clearing House shall determine in its sole discretion, whether to approve the third party as an LCH Approved Outsourcing Agent. In making its determination, the Clearing House shall consider the third party's ability to demonstrate that it has the necessary operational infrastructure and appropriate asset class expertise.

Where an FCM Clearing Member successfully appoints an LCH Approved outsourcing Agent, that FCM Clearing Member may be subject to increased margin requirements to cater for the additional time required to invoke an outsourcing process in the event of a default

FCM Clearing Members should note that LCH Approved Outsourcing Agents may be subject to a more rigorous driving test and fire-drill than FCM Clearing Members (i.e., required to demonstrate an ability to price and bid a greater number of trades at tighter pricing tolerances and within more onerous timeframes). In addition, the Clearing House may require an FCM Clearing Member, that has appointed an LCH Approved Outsourcing Agent, to participate in an ad-hoc fire-drill or driving test with such notice as the Clearing House deems appropriate in its sole discretion.

The Clearing House reserves the right to revoke an entity's status as an LCH Approved Outsourcing Agent, in its sole discretion and without notice. In the event of such a revocation, the relevant FCM Clearing Member shall be required to assume those responsibilities that were previously outsourced. Such revocation may occur where the Clearing House considers that there is an insufficient number of third party entities that are providing outsourced default management services (usually a minimum of five providers at any one time).

Other than in exceptional circumstances and in the Clearing House's sole discretion, an LCH Approved Outsourcing Agent may not act on behalf of more than three clearing members.

The appointment of an LCH Approved Outsourcing Agent does not absolve an FCM Clearing Member of its obligations under the SwapClear DMP (including its obligation to participate in an Auction) and an LCH Approved Outsourcing Agent's participation in [the](#) SwapClear DMP on behalf of an FCM Clearing Member, in the event of a default, shall not extend beyond the provision of operational and other ancillary support to that FCM Clearing Member.

2A.15.45 **SwapClear DMG**

The necessary involvement of FCM Clearing Members and the SwapClear DMG in the SwapClear DMP entails the assessment and dissemination of information that could give rise to conflicts of interest. To ensure that such potential conflicts are demonstrably contained, Appendix 2A.E establishes binding obligations of confidentiality, anonymity and the extent of dissemination of information on FCM Clearing Members (and their executives or directors who participate from time to time in the SwapClear DMG) and on the Clearing House.

Each FCM Clearing Member who makes available a representative to serve on the SwapClear DMG agrees, and shall procure that, to the extent applicable, its representatives agree to be bound by and to ensure that it and any of its executives or directors serving on the SwapClear DMG complies with Appendix 2A.E covering confidentiality, non-disclosure and other terms.

2A.16 **Payment of Stamp Tax**

Each FCM Clearing Member shall pay any stamp tax or duty levied or imposed upon it or in respect of its execution or performance of the FCM Clearing Membership Agreement, the FCM Default Fund Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM SwapClear Contract) by a jurisdiction in which it is incorporated, organized, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located or by any other jurisdiction and shall indemnify the Clearing House against any stamp tax or duty levied or imposed upon the Clearing House or in respect of the Clearing House's execution or performance of the FCM Clearing Membership Agreement, the FCM Regulations and the FCM Procedures

(including any registration of an FCM SwapClear Contract) by any such jurisdiction.

2A.17 Section 168, Finance Act 1994

Under section 696 Corporation Tax Act 2009 (“**CTA 2009**”), net payments in relation to certain derivative contracts (as defined in section 576 CTA 2009) by any company (company “A”) to a non-UK resident are denied UK tax relief unless one or more of the following conditions in section 697 CTA 2009 are met:

Company A is a bank, building society, financial trader or recognised clearing house acting as principal who has entered into the qualifying contract for the purposes of a UK trade.

The non-UK resident holds the qualifying contract (as principal) for the purposes of its UK trade.

A double tax treaty, that makes provision for interest, is in force between the UK and the country of residence of the non-UK resident (or, if different, the country of residence of the beneficial counterparty to the contract).

The Clearing House is considered a “recognised clearing house” as defined in section 285 of FSMA 2000.

Any contract must not be submitted to the Clearing House by FCM Clearing Members for clearing where one or more of the conditions in section 697 CTA 2009 are not satisfied, thereby bringing the contract within section 696 CTA 2009, nor should any FCM Clearing Member knowingly permit any such contract to be submitted by a SwapClear Participant. Should this occur the SwapClear FCM Clearing Member in whose name the contract is to be or has been registered must promptly notify the Clearing House and, in any event, within 30 days of that FCM Clearing Member becoming aware of the situation. Having investigated the circumstances, the Clearing House has an obligation to notify the HM Revenue & Customs of the event and the Clearing House may, in its absolute discretion suspend any Executing ~~{Dealer}{Party}~~ (or any other party permitted by the Clearing House to submit FCM Transactions) submitting such a contract for registration from ~~the Register of Executing {Dealers}{Parties}~~ submitting FCM Transactions for registration. The Clearing House may also, in its absolute discretion take such action in respect of the SwapClear FCM Clearing Member as it deems fit in accordance with the Regulations. The SwapClear FCM Clearing Member shall indemnify the Clearing House against any Corporation Tax or any other tax levied or imposed upon the Clearing House in respect of any such contract, and any other costs and expenses incurred by the Clearing House in connection therewith.

If in doubt, FCM Clearing Members should consult their professional advisers as to the potential application of sections 696 and 697 CTA 2009 to their transaction.

Confidentiality and Non-Disclosure: General Obligations of the FCM Clearing Member

2. Confidentiality

2.1 The FCM Clearing Member agrees that, in consideration of being given Confidential Material, it will keep all such Confidential Material in the strictest confidence, adhere to the provisions of this Appendix in respect thereof and, subject to [Clause paragraph](#) 2.3, will not disclose it to any person without the prior written permission of the Managing Director, Risk of the Clearing House or a Director of Risk Management of the Clearing House, providing always that the FCM Clearing Member shall be relieved of such an obligation of confidentiality in respect of any Confidential Material if :

2.1.1 it comes into the public domain other than through a breach by the FCM Clearing Member of this Appendix; or

2.1.2 the FCM Clearing Member is expressly obliged to do so by order of a court of competent jurisdiction upon the application of a third party, or as a result of any request to disclose such part or parts of the Confidential Material in connection with any inquiry or other request by a regulatory authority or self-regulatory authority asserting jurisdiction over the FCM Clearing Member.

2.2 The FCM Clearing Member further agrees that it will not use any Confidential Material for any purpose other than the Permitted Purpose. In this regard the FCM Clearing Member expressly acknowledges and agrees that the Confidential Material may contain commercially sensitive information which if used inappropriately or otherwise than in accordance with this Appendix might result in the gaining of an unfair commercial advantage by the FCM Clearing Member over other members of the Clearing House SwapClear Service.

2.3 Subject to paragraph 2.5, the FCM Clearing Member may disclose any Confidential Material to any of its employees, representatives, associated companies and advisers on a "strictly need to know" basis, in the event that any such person needs that Confidential Material for the Permitted Purpose (and to that extent only).

2.4 The FCM Clearing Member agrees to establish and adhere to adequate procedures (including, without limitation, the establishment of appropriate Chinese walls) to ensure that any employee or representative to whom any Confidential Material is disclosed shall not use any part or all of that Confidential Material for any proprietary purpose outside the scope of the Permitted Purpose.

2.5 This paragraph and the duties hereunder shall survive the termination of this Agreement and, in relation to any Confidential Material, shall expire on the second anniversary of the date the Confidential Material was first provided to the FCM Clearing Member.

3. Secrecy

3.1 Except in accordance with the terms of this Annex, the FCM Clearing Member agrees that it shall treat as strictly confidential and shall not disclose or allow to be divulged to any person:

3.1.1 Confidential Material;

3.1.2 the fact that it has received any Confidential Material;

3.1.3 the existence of any discussions or negotiations between the parties in this matter;

3.1.4 details of the Permitted Purpose and any of the proposals, terms, conditions, facts or other matters relating to any of the forgoing. Subject only to the FCM Clearing Member being relieved of such an obligation because of the circumstances covered in paragraphs 2.1.1 and 2.1.2.

5. Return of Confidential Material

5.1 Upon request by the Clearing House, and in any event upon fulfillment of the Permitted Purpose, the FCM Clearing Member shall promptly return to the Clearing House by a secure method of transportation all or any part of the Confidential Material and all copies thereof in its possession or control or that of its employees or representatives, including all other papers, programs and records incorporating any of that Confidential Material, or shall destroy such information and shall certify to the Clearing House in writing that it has done so provided that the FCM Clearing Member is permitted to retain copies of any Confidential Material which it requires as part of its portfolio management or otherwise for legal or regulatory reasons.

6. No Representations or Warranties; No Conflict of Interest

6.1 Subject to paragraph 7, the Confidential Material is disclosed by the Clearing House without any representation or warranty whatsoever as to its accuracy or completeness or otherwise.

6.2 The Clearing House acknowledges and agrees that, subject to compliance with the terms of this Appendix by the FCM Clearing Member and any of its employees or representatives to whom Confidential Material is provided in accordance with this Appendix, the FCM Clearing Member's participation in the SwapClear DMP shall not prevent the FCM Clearing Member from carrying out any transaction, or otherwise providing investment services in respect of, investments that the FCM Clearing Member may subsequently learn are the subject of Confidential Material and, furthermore, the Clearing House agrees that it shall not be able to assert that the FCM Clearing Member has a conflict of interest in doing so nor shall the Clearing House have a claim or action in respect of the foregoing against the FCM Clearing Member or any of its directors, employees or other representatives.

7.3 Under no circumstances shall the Clearing House have any liability to the FCM Clearing Member for (a) any consequential loss or other indirect loss of whatsoever kind or (b) loss of anticipated profit (whether direct or indirect).

8. Remedies

8.1 Without affecting any other rights or remedies that the Clearing House may have, the FCM Clearing Member acknowledges that the Clearing House may be irreparably harmed by any breach of the terms of this Appendix and that damages alone may not necessarily be an adequate remedy. Accordingly, the Clearing House will be entitled to the remedies of injunction, specific performance and other equitable relief, or any combination of these remedies, for any threatened or actual breach of its terms, and not proof of special damages will be necessary to enforce this Appendix.

In such event, and only in such event, the parties acknowledge that the SwapClear DMG Member shall be entitled to disclose any part or parts of the Confidential Material as may be agreed by the Clearing House, in such manner and form and in accordance with such procedures as may prescribed by the Clearing House and/or the SwapClear DMG with regard to the management of that default.

12. Confidentiality and Non-Disclosure: General Obligations of the Clearing House

12.1 The Clearing House will treat all Confidential Material in the terms envisaged in this Annex to the Agreement, confining use to the SwapClear DMP, restricting its availability on a "strictly need to know basis", and exercising every duty of care required of it as a Recognised Clearing House and as a Derivatives Clearing Organization.

FCM Clearing Members seeking approval from the Clearing House to clear FCM EnClear Transactions in the Freight Division must submit to the Clearing House the appropriate signed Clearing Extension Agreement(s) which can be obtained from the Membership department.

2C.1.4 Customers

Parties who are not ECFCMs or Non-ECFCM Clearing Members ("Customers") may not directly clear trades through the FCM EnClear Clearing Services. However, any such Customer may enter into an agreement with an ECFCM who has been approved (on such terms as may be agreed between them) to clear that Customer's trades. Particulars of such a trade, if it is an FCM EnClear Transaction – that is, it meets all the relevant criteria published by the Clearing House from time to time – may be submitted for registration to the Clearing House by the ECFCM in accordance with the FCM Regulations and these FCM Procedures. For the Freight Division, a clearing arrangement is entered into if particulars relating to that trade are "accepted" by two relevant ECFCMs (or an ECFCM and a Non-ECFCM Clearing Member, as the case may be) who each agree to become counterparty to the appropriate FCM EnClear Contract (or FCM EnClear Contract a Non-FCM EnClear Contract) with the Clearing House, in accordance with the FCM Regulations and these FCM Procedures.

However, there is no relationship between the Clearing House and any Customer and no Customer has any rights against the Clearing House in respect of any FCM EnClear Contract.

2C.1.5 Approved Brokers

Only brokers who are expressly authorized by the Clearing House ("Approved Broker") may access ClearWay and submit FCM EnClear Transactions for registration. These brokers need to seek permission from the Clearing House to submit eligible trades under each product type separately:

- Freight (FFAs, Options and Containers)
- Iron Ore (Swaps and Options)
- Steel
- Coal (Swaps and Options)
- Fertilizer

The Rules of the Broker Scheme, which bind each Approved Broker and a copy of the Freight Agreement to be signed between the Clearing House and the Approved Broker, are available from the Clearing House.

Details of how to obtain Approved Broker status at the Clearing House of the Freight Division can be obtained from the Clearing House's Membership Department at +44 (0)20 7426 7627//7521/7968.

Where a broker who is not an Approved Broker purports to input particulars of a trade via ClearWay, that trade will not be registered by the Clearing House and will be rejected by the Clearing House.

PLEASE NOTE: If the two relevant ECFCMs accept an FCM EnClear Transaction which has been brokered, within the timeframe laid down by these FCM Procedures, it will be registered by the Clearing House in the names of those ECFCMs, whether or not those ECFCMs have appointed or authorized that broker to submit such a trade.

In the event that a trade is submitted to the Clearing House for registration by an Approved Broker and such trade is accepted for registration by that ECFCM, that ECFCM shall be bound by an FCM EnClear Contract arising therefrom, notwithstanding that any trade particulars submitted by that Approved Broker in respect of such trade are erroneous or incorrect. An ECFCM shall accept full responsibility to the Clearing House for any trade notified to the Clearing House by an Approved Broker.

The Clearing House shall not be liable for any errors or omissions on the part of an Approved Broker who inputs a trade via ClearWay and which is registered by the Clearing House.

Approved Brokers do not act as agents for the Clearing House in participating in the services offered by the Clearing House in the FCM EnClear Clearing Services.

The Clearing House, in adding a broker to the list of Approved Brokers, makes no warranty or promise regarding the competence, ability, experience or professional skills of any Approved Broker, or at all, notwithstanding that such broker shall have been authorized by the Clearing House to submit trades under the relevant product types. The authorization of such brokers as Approved Brokers is purely to assist ECFCMs to submit trades to the Clearing House for registration in the names of those ECFCMs. No check is made regarding the skills, professionalism or competence of those brokers, nor is any consideration paid by any such, in return for authorization or at all.

2C.1.6 **OTPs**

OTPs may submit FCM EnClear Transactions for registration via the ClearWay ticket entry system.

LCH.Clearnet has signed agreements with the following OTPs:

- **Baltic Exchange Derivatives Trading Limited (“BEDT”).** BEDT submit trades for clearing via ClearWay. Tickets therefore pass through the ClearWay Lot Limit Credit Filter and are automatically accepted by the ECFCMs (STP facility) and registered for clearing in ECS if they are within the parameters set. Transactions which are not within the parameters set, or where no limit has been set by the ECFCMs, will remain in ClearWay as pending transactions for ECFCMs to accept manually.
- **Cleartrade (“CT”).** CT connects directly to ECS and has its own Credit Filter, monitored by CT itself. Trades are sent to the Clearing House pre-confirmed by the ECFCMs in the CT Credit Filter, meaning ECFCMs will not have to accept the trades in either ECS or ClearWay and they will be

registered as soon as received in ECS. On occasion, CT may manually enter details of trades transacted on their screen into ClearWay. These tickets will therefore pass through the ClearWay Lot Limit Credit Filter and be automatically accepted by the ECFCMs and registered for clearing in ECS if they are within the parameters set. Transactions which are not within the parameters set, or where no credit limit has been set by the ECFCMs, will remain in ClearWay as pending transactions for ECFCMs to accept manually.

PLEASE NOTE: If an ECFCM accepts an FCM EnClear Transaction which has been matched on BEDT, within the timeframe laid down by these FCM Procedures, it will be registered by the Clearing House in the name of that ECFCM, whether or not it is a participant of BEDT.

In the event that a trade is submitted to the Clearing House for registration by an OTP and such trade is "accepted" for registration by that ECFCM, that ECFCM shall be bound by an FCM EnClear Contract arising there-from, notwithstanding that any trade particulars submitted by that OTP in respect of such trade are erroneous or incorrect.

The Clearing House shall not be liable for any errors or omissions on the part of an OTP who inputs a trade directly to ECS or via ClearWay and which is registered by the Clearing House.

2C.1.7 Contract Terms

The FCM EnClear Contract Terms for contracts cleared in the Freight Division are set out in Section 3.4 of Part A of Schedule C to the FCM Regulations.

The Eligibility Criteria for each FCM EnClear Contract are set out in Part B of Schedule C to the FCM Regulations.

2C.1.8 Registration

2C.1.8.1 General

FCM EnClear Transactions in the Freight Division must be submitted to the Clearing House either via ClearWay or by an OTP for processing in the ECS System.

The Clearing House may require an ECFCM in whose name an FCM EnClear Contract is to be registered to provide it with cover for Initial Margin and Variation Margin as a condition of registration.

2C.1.8.2 EnClear Market User Systems

2C.1.8.2.1 ClearWay

ClearWay is an application used by ECFCMs, Approved Brokers and OTPs to enter FCM EnClear Transactions, which once confirmed by both ECFCM's, will be registered for clearing in ECS.

ClearWay contains a Lot Limit Credit Filter which enables ECFCMs to set limits for their position accounts. If a ticket is entered which falls within an ECFCM's set parameters, its side of the trade will be automatically confirmed.

Transactions which breach the parameters set, or where no credit limit has been set by the ECFCMs, will remain in ClearWay as pending transactions, for ECFCMs to accept manually.

In the event that a trade is submitted to the Clearing House for registration by an OTP, Broker or ECFCM and such trade is accepted for registration by the ECFCM, the ECFCM shall be bound by the terms set in FCM EnClear Contract.

2C.1.8.2.2 ECS

ECS is the clearing system which registers trades within the FCM EnClear Clearing Services: Freight Division. The following functionality is available to ECFCMs:

- position keeping
- position adjustments
- position transfers (LCH.Clearnet will perform the transfers on the request of ECFCMs)
- manual exercise/abandonment of Coal Options

2C.1.8.3 Clearing House System Requirements

ECFCMs and Approved Brokers must maintain an acceptable network connection from a location acceptable to the Clearing House for connecting to the ECS system and/or ClearWay in order to carry out their Clearing Member responsibilities within the clearing systems and to review their trades and positions as necessary.

2C.1.9 Submission and Acceptance of FCM EnClear Transactions for Registration in the Freight Division

For registration of FCM EnClear Transactions, ECFCMs must comply with all the requirements of the Clearing House as set out in the FCM Rulebook and other relevant documentation issued by the Clearing House in this regard.

An FCM EnClear Transaction submitted to the Clearing House, which complies with the Clearing House requirements for registration, will be deemed to be registered by the Clearing House immediately upon receipt by ECS, after the acceptance by both ECFCMs, whether the acceptance is explicit or is given via the parameters of a credit filter.

2C.1.10 Novation

Once a trade has been registered in ECS, novation replaces each FCM EnClear Transaction submitted through the FCM EnClear Clearing Services with either:

- two separate FCM EnClear Contracts: one between the selling ECFCM and the Clearing House and the other between the buying ECFCM and the Clearing House; or
- (where only one Clearing Member is an ECFCM) one FCM EnClear Contract between the Clearing House and the ECFCM, and the other

between the Clearing House and the non-ECFCM Clearing Member, with the latter being governed by the General Regulations.

2C.1.11 Rejection

If the Clearing House does not register a trade presented for registration it will notify the relevant ECFCMs concerned within a reasonable time, indicating the reasons for rejection.

2C.1.12 Notification

For the Freight Division, all FCM EnClear Contracts arising from registered FCM EnClear Transactions are listed on ECS and in the daily Trade report available through the Clearing House's Member reporting extranet site.

2C.1.13 Position Keeping Accounts

2C.1.13.1 Types of Accounts for the Freight Division

Positions with regard to LCH.Clearent Freight Contracts are recorded within the ECS system in position-keeping accounts. For the avoidance of doubt, these position-keeping accounts in ECS are not "Member Accounts" as described in Regulation 5 of the General Regulations.

ECFCMs may open and utilize position accounts at their discretion. For example, an ECFCM may wish to have a separate account for each customer, several accounts for one customer or one account for several customers.

There is no restriction on the number of individual position accounts an ECFCM may open. The account reference for each position account within the Clearing House systems will be a free format alphanumeric code, as prescribed by the ECFCM.

2C.1.13.2 Basis of Position Keeping for the Freight Division

Position Accounts can be held net or gross, as required by the ECFCM. ECFCMs must notify the Clearing House of their requirements in this regard.

2C.1.13.3 Position Settlement (Gross Accounts) for Freight Division

Where a position account is held gross, the ECFCM may, if it so wishes, carry out a closeout by the manual settlement of open positions, using the position adjustment facility in the ECS system.

2C.1.13.4 Financial Accounts

Position accounts have financial accounts associated with them. These are, inter alia, used to record cash balances, securities/documentary credits and non-realized margin.

Where appropriate, ECFCMs' financial accounts are identified by a single character code: "C" for segregated client business; and "H" for house business.

Position accounts will map to either an ECFCM's "C" account or "H" account, as specified by that Member.

2C.13.5 Other Financial Accounts

At the Clearing House's discretion, further financial accounts, used only to record financial balances, may be opened as follows:

	Code
Buffer <u>Additional Margin</u> accounts (House), used for holding additional cash in relation to Proprietary b <u>B</u> usiness	B
Buffer <u>Additional Margin</u> account (Client), used for holding additional cash in relation to FCM Client Business	E

2B2C.1.13.6-3 Default Fund (DF) Account

2C.1.14 Margins**2C.1.14.1 Initial Margins**

Separate Initial Margin calculations are performed for an ECFCM's house "H" and client "C" accounts; no offset between these accounts is allowed. Accounts are margined net, meaning that if long and short positions are held in the same delivery month, Initial Margin is charged on the net position.

2C.1.14.2 Initial Margins Parameters

Initial Margin parameters are set by the Clearing House. However, in accordance with the FCM Regulations, the Clearing House retains the right at its discretion to vary the rates for the whole market or for an individual ECFCM's house and/or client accounts.

ECFCMs will be notified by the Clearing House of alterations to Initial Margin parameters no later than the day before calls are made based on the new rates.

2C.1.14.3 Calculation of Initial Margins

London SPAN

Initial Margins are re-calculated at the close of each business day using the London SPAN algorithm, which is an adaptation of the SPAN method developed by the Chicago Mercantile Exchange¹.

For full details of how London SPAN calculates margin, reference should be made to the SPAN technical information package available from the Clearing House's Service Desk at +44 (0)20 7426 7200. Technical questions should be directed to the Clearing House's Risk Management Department at +44 (0)20 7426 7620.

2C.1.14.4 Realized Variation Margin

The majority of FCM ~~Forex~~EnClear Contracts ~~is held in an account that is separate from any~~ are settled to market daily by the Clearing House in accordance with the relevant FCM EnClear Contract Terms. Profits or losses are either credited to or debited from ECFCMs' relevant financial ~~account containing such FCM Clearing Member's Default Fund Contribution relating to any~~ accounts (realized margin).

Realized margin is the calculated profit or loss arising from a comparison between the values of open positions at the relevant Reference Price with the value of positions recorded (i.e., the Fixed Price for new trades and the previous day's Reference Price for other ~~Business Categories~~ positions).

2C.1.14.5 Contingent Variation Margin

Certain types of FCM ~~EnClear~~ Contracts- (e.g., World Scale Wet Freight) are marked to market daily by the Clearing House in accordance with the relevant FCM EnClear Contract Terms. Unrealized margin is the calculated contingent profit or loss arising from a comparison between the values of open positions at the relevant Reference Price with the value of positions recorded (i.e., the original traded price).

As premium is paid up front, option Variation Margin is the value of unexpired options, calculated with reference to the official quotation. Bought and sold options generate credit and debit NLV (Net Liquidation Value) margin respectively.

2C.1.14.7 Intra Day Margin Calls

In accordance with the FCM Regulations the Clearing House is entitled to make additional margin calls for payment the same day (intra-day margin calls) where it considers it necessary. Intra-day margin calls will be made through the Protected Payments System in London or the USA (USD) (see Sections 3.2.1 and 3.2.2 respectively).

¹ The Chicago Mercantile Exchange (CME) permitted the Clearing House to adapt the CME specifications for SPAN to produce London SPAN, which meets the particular requirements of the London futures and options markets. 'SPAN [TM] ®' is a registered trademark of the CME. The CME assumes no liability in connection with the use of SPAN or London SPAN by any person or entity.

2C.1.15 Trade Management for the Freight Division

PLEASE NOTE: FCM EnClear Transactions for the Freight Division may be submitted for clearing to be registered either:

- (a) in the name of two ECFCMs; or
- (b) an ECFCM and a non-ECFCM Clearing Member.

As such, for the purposes of this Procedure 2C.1.15, for the ease of expositions, references to an ECFCM, may, in the case of FCM EnClear Transactions of type (b) above, included a non-ECFCM Clearing Member.

2C.1.15.1 Trade Entry

FCM EnClear Transactions for the Freight Division may be submitted for clearing either directly by the ECFCM or by an Approved Broker via ClearWay, or through an OTP. A list of Approved Brokers is available from the Clearing House.

BEDT trades will be submitted via the Baltex screen, which is linked directly to ClearWay. Cleartrade trades may be entered via the Cleartrade screen, which is linked directly to ECS, or manually (by Cleartrade staff) via ClearWay.

The following particulars of FCM EnClear Transactions must be entered in ClearWay via its Ticket Entry screen:

- Product
- Series (Spot, Month, Quarter, Season or Calendar)
- Contract Type (Forward, Call or Put)
- Prompt (contract day, month, quarter, season or calendar)
- Strike (select from the dropdown list)
- Seller Ref (a sequential number)
- Buyer Ref (same as the Seller Ref)
- Seller Account (obtained from the customer or its ECFCM)
- Buyer Account (obtained from the customer or its ECFCM)
- Lots (per month (or day in the case of spot))
- Price

The following particulars of FCM EnClear Transactions must be entered in ClearWay via an Upload file:

- Type (always TICKET)
- Sell Trader (always LCH1)

- Sell Account (obtained from the customer or its ECFCM)
- Sell Broker (their 3 letter mnemonic)
- Buy Trader (always LCH1)
- Buy Account (obtained from the customer or its ECFCM)
- Buy Broker (their 3 letter mnemonic)
- Contract (combination of the product, series, contract type, prompt and strike)
- Quantity (in lots)
- Price
- Buy Client Ref (a sequential number)
- Sell Client Ref (same as the Buy Client Ref)
- Anonymous Trade (always Y)

In certain circumstances the Clearing House may enter trades upon request from an ECFCM, Approved Broker, OTP or other party. In such circumstances, the Clearing House shall have no liability to the ECFCM, Approved Broker, OTP or any other party for any failure to input trades or for inputting trade details incorrectly.

2C.1.15.2 Trades between persons who are not ECFCMs

Where an FCM EnClear Transaction (~~i.e.~~, is executed directly between two parties who are not ECFCMs, or between an ECFCM and another non-ECFCM party (who is not a non-ECFCM Clearing Member), the trade may be submitted for clearing provided that each party to that trade has an ECFCM who is prepared to "accept" that trade for clearing. Such FCM EnClear Transaction will then be submitted to the relevant ECFCMs via ClearWay for acceptance.

2C.1.15.3 Acceptance of Trades

Freight Trades must be accepted by ECFCMs in order to be cleared.

When details of an FCM EnClear Transaction are input via ClearWay, such trade details will be sent to the ECFCMs identified in such particulars, who may then accept or reject their side of that trade.

ECFCMs can accept and reject trades in ClearWay manually, but can also set lot limit parameters for their customers, such that trades which fall within those parameters are automatically deemed as accepted by those ECFCMs. Trades which do not pass the lot limit validation criteria set by an ECFCM will go to a pending state, and will not be cleared unless they are manually accepted on the same day by the ECFCM. If an ECFCM has a credit limit set up for an account and a trade is entered which is within that limit, that ECFCM will not have an opportunity to reject that trade.

Once a trade has been accepted by both ECFCMs in ClearWay, either manually or automatically via the credit filter, it is submitted to ECS for registration, where the trade is novated and a subsequent FCM EnClear Contract arises between each ECFCM and LCH.Clearnet.

Cleartrade trades need to be confirmed in Cleartrade's credit filter prior to being accepted by ECS for registration. ECFCMs can set credit limit parameters for their clients in Cleartrade and should refer to Cleartrade's procedures for further details of this.

If a trade is neither accepted nor rejected by both ECFCMs by close of business at the end of any business day, it shall cease to be eligible for registration ~~as an FCM ForexClear Contract~~ if it satisfies the FCM ForexClear Eligibility Criteria (in the name of that ECFCM or any other ECFCM and the trade will either remain open as a bilateral uncleared trade or be terminated, dependent upon what the trading parties have agreed in the event of non-registration and will automatically be deleted from the ClearWay system.

Acceptance by an ECFCM of any FCM EnClear Transaction means that the ECFCM so accepting agrees to be bound by an FCM EnClear Contract arising in respect of that FCM EnClear Transaction in accordance with the FCM Regulations and these FCM Procedures, and other applicable documentation. Once a trade has been accepted in accordance with the requirements of the Clearing House, as notified from time to time to ECFCMs, the trade may not be withdrawn, recalled or amended.

2C.1.15.4 Contra Trades

Where incorrect details of a trade have been accepted by both ECFCMs in accordance with the FCM Regulations and these FCM Procedures, the only available method to correct that trade will be by the entry of a contra trade.

A contra trade will not be required if the trade has a status of "pending" and has not been accepted by both counterparties, as the trade can be cancelled via ClearWay by the ECFCM or Approved Broker and input again with the correct details.

An accepted trade may need to be corrected by a contra trade for the following reasons:

- incorrect price;
- incorrect expiry month;
- incorrect product;
- incorrect lots (only where too many lots have been entered);
- incorrect buyer/seller.

ECFCMs will be able to view and confirm all contra trades in ClearWay. Contra trades will appear in ClearWay as new trades and it will be the responsibility of the ECFCMs to confirm the trades as appropriate. Where a contra trade is entered via ClearWay and passes the lot limit validation criteria set by an ECFCM, it will be automatically accepted by that ECFCM. Where a trade does

not meet the validation criteria, it will remain pending and need to be manually confirmed by that ECFCM.

Contra trades will attract the same clearing fees as a normal trade unless the Clearing House's Commercial Services are notified of the trade details at +44 (0)20 7426 7027/6311.

2C.1.16 Position Transfers

ECFCMs wishing to affect a position transfer from one ECFCM to another ECFCM should submit a request (a "Position Transfer Request") to the Clearing House's Membership Team by email to MembershipTeam@lchclearnet.com. Confirmation of a position transfer is required from both the transferor ECFCM and the transferee ECFCM.

ECFCMs are requested to forward the Position Transfer Request as early as possible, but no later than 12:00 hours, on a business day, to ensure timely input of the details into ECS/Synapse.

Provided that adequate cover is available from both ECFCMs, the transfer will normally be authorized. Should insufficient cover be available, the transfer may not be authorized until additional cover is provided.

2C.1.17 Reports

ECS

The ECS system will generate reports at the end of each business day detailing registered FCM EnClear Contracts in the Freight Division, margin requirements and positions. These reports are available to ECFCMs and some to Approved Brokers via the Clearing House Member Reporting site (a private member-only site).

It is the responsibility of each ECFCM and Approved Broker to preserve any report required for historic, audit or legal purposes, including, but not limited to, any margin reports.

ClearWay

ClearWay will retain 90 days of trade data only, showing details of all trades entered and whether or not they cleared, which can be accessed by ECFCMs and Approved Brokers through the ClearWay GUI and downloaded as a report.

2C.1.18 Fees

Fees arising for the provision of FCM EnClear Clearing Services will be collected from the ECFCMs monthly through the Members' accounts.

Details of tariffs and any changes thereto will be notified to ECFCMs by means of Member circulars.

For further details regarding fees (including details of how information regarding charges made for FCM EnClear Contracts registered by the Clearing House is communicated to ECFCMs), please see Section 3.6 of these FCM Procedures. ECFCMs should also have regard for the individual sections of this Section 2C of these FCM Procedures which may contain further information regarding fees.

2C.1.19 Tax

ECFCMs should take their own legal and accounting advice regarding any taxation liabilities in any country in which a liability to pay tax may arise.

In the event that the Clearing House incurs any liability to pay any tax in respect of or in connection with any FCM EnClear Contract, it shall have the right to require reimbursement of such tax liability, together with any costs or expenses incurred by the Clearing House in connection with the administration and processing of such tax liability, from the ECFCM who is or was party to that FCM EnClear Contract and whom, in the Clearing House's reasonable opinion, should be responsible for meeting such tax liability, costs and expenses. The Clearing House will collect such payments through the Clearing House Protected Payments System.

To the extent that VAT or any equivalent tax is due or becomes due in respect of a transaction under any FCM EnClear Contract, the consideration which the parties have agreed is due under the contract will be regarded as VAT exclusive and VAT will be charged in addition to this amount.

2C.2 Freight Division

2C.2.1 Introduction

This Section 2C.2 only applies to the Freight Division of the FCM EnClear Clearing Services.

References to “FCM EnClear Clearing Members” or “ECFCMs” in this section, means those ECFCMs who are party to, or accept, FCM EnClear Transactions in the Freight Division for clearing by the Clearing House. See Section 2C.1.3.1 for further details about obtaining approval to clear within the Freight Division.

2C.2.2 OTC Freight Division Products Eligible for Clearing

Only trades in products approved by the Clearing House for the LCH FCM EnClear OTC Freight Division (“**Eligible Products**”) may be submitted for registration. The contract terms of Eligible Products for the Freight Division are set out in Section 3.4 of Part BA of the Schedule BC to the FCM Regulations)~~at the Registration Time and may be amended from time to time.~~

~~Where an FX FCM accepts registration of the FCM ForexClear Transaction and notifies the Clearing House of such acceptance, the FX FCM shall, pursuant to FCM Regulation 40(b), (i) be deemed to have presented the FCM ForexClear Transaction for clearing and (ii) become obliged to pay all cover required by the Clearing House in connection with the registration of the FCM ForexClear Transaction upon request of the Clearing House. It is a condition for registration of an FCM ForexClear Transaction that, where both Executing Parties intend to register the FCM ForexClear Transaction through an FX FCM, both FX FCMs accept the FCM Notification (or where such Executing Parties nominate the same FX FCM, such FX FCM accepts both acceptances) and therefore submit the FCM ForexClear Transaction to the Clearing House.~~

~~It is a condition for registration of an FCM ForexClear Contract that the applicable FCM Clearing Member provide sufficient cover to the Clearing House in respect of such FCM ForexClear Contract prior to registration.~~

~~The FCM ForexClear Service will register FCM ForexClear Transactions submitted during the Opening Hours, provided that all FX FCMs have sufficient cover for their Liabilities (as defined in Section 2B.17) at the time of the relevant Margin Run.~~

~~If any FX FCM does not have sufficient cover for its Liabilities at the time of the relevant Margin Run, then the registration of FCM ForexClear Transactions will be suspended until sufficient cover is provided or until the FX FCM's portfolio risk is reduced by the FX FCM submitting for registration risk-reducing FCM ForexClear Transactions.~~

~~Once the FCM ForexClear Transaction has passed the Validation Checks (as defined in Section 2B.8.1) and the required cover has been provided by the relevant FX FCMs, the Clearing House will send, via the FCM Approved Trade Source System, a message confirming the registration of the FCM ForexClear Transaction as an FCM ForexClear Contract and including a timestamp of the relevant registration time. For the purpose of the ForexClear Regulations, the time of dispatch of such message shall be the “**Registration Time**” of that FCM ForexClear Contract.~~

~~The definitive report of the registered FCM ForexClear Contract will be shown on the "All Open Contracts" report issued by ForexClear Reporting (as defined in Section 2B.20).~~

~~If an FX FCM is declared a defaulter, the Clearing House will not register any ForexClear Transactions to which the defaulter was a party. ForexClear Transactions between non-defaulting FX FCMs will continue to be registered (assuming sufficient cover for their Liabilities has been provided).~~

~~2B.7.1 Trade Capture~~

~~Once the FCM Approved Trade Source System receives the trade instructions from the FXPs who are parties to the trade, the FCM Approved Trade Source System matches both instructions (a "trade"). The FCM Approved Trade Source System validates the trade using the FCM ForexClear Eligibility Criteria and will, if appropriate, submit a single message containing the names of the FXPs who are parties to the trade and the terms of the trade to the Clearing House for registration and clearing, such matched trade being known as an "FCM ForexClear Transaction". Once the Clearing House receives the FCM ForexClear Transaction message, it will send a message of acknowledgement back via the FCM Approved Trade Source System that the trade has been matched and accepted for clearing. Instructions which show that one or both sides of the trade do not meet the Validation Checks are rejected. Rejections are reported back to the FCM Approved Trade Source System.~~

~~The Clearing House will provide ForexClear Transaction/ForexClear Contract (as applicable) updates as and when these [Below is a list of Eligible Products in the Freight Division; this list is split into four categories of products within Freight Division. The list may](#) change e.g. for acceptance, rejection and novation.~~

~~2B.7.2 ForexClear FCM Approved Trade Source Systems~~

~~Currently the FCM Approved Trade Source System designated by the Clearing House for ForexClear is MarkitSERV. Where the Clearing House approves additional FCM Approved Trade Source Systems, it will notify FCM Clearing Members via member circular.~~

~~FCM ForexClear Transactions submitted through an FCM Approved Trade Source System must be in an acceptable message format, as prescribed by the Clearing House.~~

~~Notwithstanding the designation by the Clearing House of any system as an FCM Approved Trade Source System, the Clearing House makes no warranty (and will accept no liability) as to the effectiveness, efficiency, performance or any other aspect of the services provided by any FCM Approved Trade Source System or the timeliness or otherwise of the delivery of any FCM ForexClear Transaction details by that FCM Approved Trade Source System to the Clearing House. Such matters form part of the relationship between the FCM Clearing Members and that FCM Approved Trade Source System and the terms of such relationship may entitle the FCM Approved Trade Source System to suspend the ability of an FX FCM to make submissions from time to time.~~

~~FX FCMs must not submit instructions to the Clearing House for trades which will not meet the FCM ForexClear Eligibility Criteria. The Clearing House will process any FCM ForexClear Transaction reported to it by an FCM Approved Trade Source~~

~~System on an “as is” basis, and subject to the FCM Regulations and these FCM Procedures, will register any such FCM ForexClear Transaction on the basis of the data provided to it by the FCM Approved Trade Source System and approved by the relevant FCM Clearing Member. The Clearing House has no obligation to verify that the details received, properly reflect the trade entered into by the relevant Executing Parties.~~

~~The Clearing House accepts no liability for any error within or corruption of any data sent by an FCM Approved Trade Source System to the Clearing House or to an FCM Clearing Member or any delay in or failure of the transmission of such data to the Clearing House. In the event that the Clearing House registers any FCM ForexClear Contract on the basis of incorrect or corrupted data sent to it by an FCM Approved Trade Source System and accepted by an FCM Clearing Member, the FCM Clearing Member concerned shall be bound by the terms of such FCM ForexClear Contract(s), unless the FCM ForexClear Contract is subsequently cancelled in accordance with FCM Regulation 41.~~

~~FCM Clearing Members shall ensure that transaction details accepted for registration are accepted by appropriately authorised personnel. Apart from the foregoing acceptance, the Clearing House is not able to, and will not, verify the authorisation of the source of any details of any transaction reported to it for registration by any FCM Approved Trade Source System. The Clearing House shall have no liability in the event that any FCM Clearing Member suffers any loss through the unauthorised acceptance of an FCM Notification.~~

~~2B.8 — Trade Validation and Registration~~

~~2B.8.1 — Process flow description~~

~~The Clearing House performs a validation check on each trade submitted by FXPs to ensure that each such trade meets the FCM ForexClear Eligibility Criteria and the Counterparty Validation Check (as defined below) required for FCM ForexClear Transactions (together the “**Validation Checks**”).~~

~~The fields checked are as follows:~~

- ~~• **Counterparties:** (a) are both parties submitting trade particulars FXPs and (b) has each FXCCM in whose name the FCM ForexClear Contract is to be registered not been declared a defaulter by the Clearing House? (together, the “**Counterparty Validation Check**”);~~
- ~~• **Trade type:** is the instrument type an NDF?~~
- ~~• **Economic Terms:** does the trade include all the Economic Terms (as defined in the Schedule B to the FCM Regulations)?~~
- ~~• **Currency Pairs:** are the Reference Currency and the Settlement Currency a Currency Pair (as defined in Schedule B to the FCM Regulations)?~~
- ~~• **Settlement Currency:** is the Settlement Currency USD?~~
- ~~• **Trade tenor eligibility:** does the scheduled Settlement Date fall on a date: (a) not earlier than three business days immediately following the date on which the trade is submitted to the Clearing House for registration (the “**Submission Date**”) and (b) not later than the date falling two calendar~~

~~years plus two business days immediately following the Submission Date? If the FCM ForexClear Transaction arrives after the ForexClear date roll (22.00 local London time), the Submission Date is defined as the next good business day.~~

- ~~• **Valuation Date and Settlement Date:** do the Valuation Date and Settlement Date for the FCM ForexClear Transaction fall on a valid Business Day for the Currency Pair to which the FCM ForexClear Transaction relates? Does the Settlement Date fall on a Business Day after the Valuation Date? Is the Validation Date in the future?~~

~~Trades that pass the Validation Checks are accepted and two trade records are created for the FCM ForexClear Transaction: one for the FCM ForexClear Contract between the Clearing House and the first FX FCM to the FCM ForexClear Transaction and the other for the FCM ForexClear Contract between the Clearing House and the second FX FCM to the FCM ForexClear Transaction (or the ForexClear Contract between the Clearing House and the ForexClear Clearing Member to the corresponding ForexClear Transaction pursuant to the UK General Regulations).~~

~~Provided each FXCCM has sufficient cover, the Clearing House will send a message via the FCM Approved Trade Source System confirming the registration or, where the trade fails a Validation Check, the trade will be rejected and a status message will be sent to the FCM Approved Trade Source System giving a reason for rejection.~~

~~As provided in Section 2B.7, in respect of messages confirming registration, the time of dispatch of such message shall be the Registration Time of that FCM ForexClear Contract.~~

~~The account (H or C) and sub-account (if applicable) into which each trade record is booked is derived from the BIC/unique identifier code within the message from the FCM Approved Trade Source System. The BIC links to the FX FCM reference data.~~

~~Both new trade records arising out of the ForexClear Transaction have the same unique ForexClear ID (the "ForexClear ID"). Any further events or actions are applied on the basis of this ForexClear ID, to ensure consistency.~~

~~2B.8.2 Manual Trade Rejection, Novation and Cancellation (Exceptional Event)~~

~~From time to time, as an exceptional event, it may be necessary for the Clearing House to: (i) reject a trade submitted for registration; (ii) register an FCM ForexClear Transaction; or (iii) accept or reject a cancellation request for an FCM ForexClear Contract or an FCM ForexClear Transaction, in each case manually prior to a Margin Run, (e.g. in the case of a default event, when an FCM ForexClear Transaction needs to be registered immediately to expedite the hedging and auction process or to reject an FCM ForexClear Transaction received from a defaulted FX FCM).~~

~~The Clearing House acknowledges the action and sends a status message to the ForexClear Approved Trade Source System of either "REJECTED" in respect of trades being manually rejected; "NOVATED" in respect of trades being manually registered; and "CANCELLED" in respect of an FCM ForexClear Contract or an FCM ForexClear Transaction being manually cancelled, as appropriate.~~

~~2B.8.3 Trade Cancellation~~

~~The Clearing House accepts cancellation messages from Executing Parties against both non-novated trades (FCM ForexClear Transactions) and novated trades (FCM ForexClear Contracts).~~

~~With respect to any FCM ForexClear Contract, cancellation messages may be submitted via the FCM Approved Trade Source System until such FCM ForexClear Contract is “fixed” — i.e., when its Settlement Rate has been determined on the relevant Valuation Date.~~

~~A successful cancellation message results in a “CANCELLED” status message if the FCM ForexClear Transaction or the FCM ForexClear Contract (as the case may be) is cancelled before or after a Margin Run (as defined in Section 2B.15). The status messages are sent from the Clearing House to the FX FCM via the FCM Approved Trade Source System.~~

~~2B.8.4 Process flow description~~

~~The Clearing House accepts trade cancellation instructions from the FCM Approved Trade Source System for FCM ForexClear Transactions or FCM ForexClear Contracts (as the case may be) that have previously been submitted to the FCM ForexClear Service. Cancellation instructions must include the ForexClear ID.~~

~~The Clearing House acknowledges receipt of the instruction from the FCM Approved Trade Source System to cancel an FCM ForexClear Transaction/FCM ForexClear Contract (as the case may be) and sends a “PENDING CANCELLATION” message to the FCM Approved Trade Source System for the relevant FXPs.~~

~~The Clearing House checks that the cancellation instruction contains a valid ForexClear ID which relates to: (a) an FCM ForexClear Transaction or FCM ForexClear Contract (as the case may be) that has not been previously cancelled; and (b) in the case of an FCM ForexClear Contract only, an FCM ForexClear Contract with respect to which the relevant Valuation Date has not yet occurred.~~

~~Where a trade has already been rejected (as a result of having failed a Validation Check), the FCM ForexClear Service sends a “CANCEL REJECTED” message to the FCM Approved Trade Source System for the relevant FXPs.~~

~~If the FCM ForexClear Transaction is “PARKED” but has not been included in a Margin Run, it is cancelled and a “CANCELLED” message is sent to the FCM Approved Trade Source System to confirm to the relevant FXPs that the FCM ForexClear Transaction has been cancelled. The ForexClear Transaction is excluded from the next and future Margin Runs. In accordance with FCM Regulation 41, the date and time of the cancellation shall be as reported by the Clearing House via the FCM Approved Trade Source System.~~

~~If a Margin Run is currently in progress, the request to cancel is routed to a temporary queue for later manual action. Once the Margin Run has finished, the Clearing House will re-submit or reject the request to cancel.~~

~~If the FCM ForexClear Contract is “NOVATED”, the Clearing House amends the status of the relevant FCM ForexClear Contract to “PARKED PENDING~~

~~CANCELLATION” and sends this information in a message to the FCM Approved Trade Source System for the relevant FXPs. The effect of the “PARKED PENDING CANCELLATION” FCM ForexClear Contract is included in the next Margin Run.~~

~~The “PARKED PENDING CANCELLATION” FCM ForexClear Contract is cancelled if all FXCCMs have pledged sufficient collateral with the Clearing House to cover the ForexClear margin requirement without that particular FCM ForexClear Contract. If an FX FCM has insufficient collateral pledged, the Clearing House makes a cash margin call via PPS. When confirmation of receipt of the margin call is received, the FCM ForexClear Contract is cancelled. The FCM ForexClear Contract is excluded from future Margin Runs and a “CANCELLED” message is sent to the ForexClear Approved Trade Source System for the benefit of the relevant FXPs to the now excluded FCM ForexClear Contract. In accordance with FCM Regulation 41, the time of dispatch of such message shall be the cancellation date and time in respect of that FCM ForexClear Contract. If an FX FCM is declared a defaulter, the Clearing House will not process any cancellation of an FCM ForexClear Contract to which the defaulter is a party, nor the corresponding FCM ForexClear Contract that arose from the same underlying FCM ForexClear Transaction. All FCM ForexClear Contracts between non-defaulting FX FCMs for cancellation (assuming sufficient cover for their Liabilities has been provided) will be cancelled.~~

~~2B.8.5 Trade Amendment~~

~~No amendment of the financial terms of an FCM ForexClear Transaction or FCM ForexClear Contract is permitted. FX FCMs who wish to change the FCM Client information on a ForexClear Transaction should contact ForexClear Business Operations at 0207 426 3729 for further information.~~

~~2B.8.6 Backloading of Existing Trades~~

~~The Clearing House provides the facility for FCM Clearing Members to load eligible existing FCM ForexClear Transactions, through an FCM Approved Trade Source System. Backloading requires bilateral agreement between the relevant Executing Parties and acceptance by the FCM Clearing Member(s) and the ForexClear Clearing Member, if any, of the full particulars required by the Clearing House for each such FCM ForexClear Transactions. Following acceptance, the backloaded trade shall be deemed to have been presented by the FCM Clearing Member(s) and the ForexClear Clearing Member, if any, for registration by the Clearing House. In any backloading of transactions where one leg is to be registered as a ForexClear Contract, the UK General Regulations will apply with respect to such registration of a ForexClear Contract.~~

~~For backloaded trades the Clearing House will notify FCM Clearing Members of their submission and status via FCM Clearing Member Reporting (see Section 2B.20). It is a pre-condition of registration that sufficient cover for IM and variation margin (“VM”) is provided.~~

~~2B.8.7 Valuation Date Event Management~~

~~The Clearing House is the Calculation Agent and will store and apply the Settlement Rate Option and the Valuation Date for each FCM ForexClear Contract.~~

~~On the Valuation Date with respect to each FCM ForexClear Contract, the Settlement Rate will be retrieved from the Settlement Rate Option per Currency~~

~~Pair in accordance with the relevant EMTA Templates (as referenced in the Schedule to the ForexClear Regulations). The Market Data provider for Settlement Rates is Reuters.~~

~~The FCM ForexClear Service applies the relevant Settlement Rate to FCM ForexClear Contracts using the following criteria:~~

- ~~• Settlement Rate Option source code (as below)~~
- ~~• Valuation Date~~

~~The table below gives the source codes of the Settlement Rate Options to be used as per the relevant EMTA Template:~~

~~The Clearing House applies the Settlement Rate to all relevant FCM ForexClear Contracts at a predefined time (see Section 2B.8.8 below) following its publication.~~

~~The Clearing House calculates the Settlement Currency Amount in the Settlement Currency per FCM ForexClear Contract. FX FCMS can retrieve the Settlement Rate and Settlement Currency Amount in the Settlement Currency via ForexClear Reporting on the ForexClear Service Portal and on MemWeb, which are internet services onto which information is loaded and can be accessed by FX FCMS.~~

~~2B.8.8—Valuation Date Event Management: Process flow description~~

~~After the Registration Time for an FCM ForexClear Contract, the FCM ForexClear Service links a Settlement Rate Option to it in accordance with the relevant EMTA Template for the Currency Pair.~~

~~On the Valuation Date, the Clearing House uses the Settlement Rate for the Currency Pair for the FCM ForexClear Contract when it is published by Reuters, and calculates the Settlement Currency Amount for each FCM ForexClear Contract in the Settlement Currency by applying the relevant Settlement Rate Option as published.~~

~~If the Settlement Rate Option set out in the relevant EMTA Template is unavailable at the relevant time, Disruption Fallback alternatives for the determination of the Settlement Rate will apply as set out in the relevant EMTA Template.~~

~~2B.8.9—Settlement~~

~~With respect to each FCM ForexClear Contract, the Settlement Currency Amount is calculated by the application of the Settlement Rate to the Notional Amount in accordance with the FCM ForexClear Contract Terms.~~

~~From (and including) the Registration Time to (and including) the Business Day immediately preceding the Settlement Date, changes in the daily value of open FCM ForexClear Contracts will have resulted in VM credits and debits between the parties (as set out at Section 2B.10.3). With respect to each FCM ForexClear Contract, on the Business Day immediately preceding the Settlement Date, the Clearing House nets the Settlement Currency Amount against the aggregate net VM which has been paid/received through the term of the FCM ForexClear Contract, the result of which is a Net Settlement Amount (“NSA”), which will be reflected in the FX FCMS’ cash accounts with the Clearing House on the Settlement Date. As such, with respect to each FCM ForexClear Contract, the payment in full of all the VM required during the term of such FCM ForexClear Contract shall satisfy the relevant party’s obligation to pay the Settlement Currency Amount on the Settlement Date of such FCM ForexClear Contract. This paragraph applies even if the Settlement Date has been adjusted in accordance with the FCM ForexClear Contract Terms.~~

~~2B.8.10 Reference Data~~

~~Holiday Event Calendar:~~

~~For the FCM ForexClear Service the Clearing House uses the SwapsMonitor Financial Calendar (as published by Swaps Monitor Publications, Inc.) the ("**SwapsMonitor Financial Calendar**") in order to determine holidays. This requires all FX FCMs to be licensees of the SwapsMonitor Financial Calendar. The calendars, as applicable to the FCM ForexClear Service, will be available online for inspection and for file download from Clearing Member Reporting. SwapsMonitor is used on a daily basis across all calendars.~~

~~Date Adjustment:~~

~~When a new holiday is declared in a particular jurisdiction, an update to the holiday calendar affecting FCM ForexClear Contracts for which the Valuation Date is due on the new holiday is required. The Valuation Date and the Settlement Date will be adjusted in accordance with the provisions of the EMTA Template for the relevant Currency Pair.~~

~~The Clearing House may accede to a request from FX FCMs to suspend processing of adjustments to the relevant affected Valuation Dates and Settlement Dates so as to allow FX FCMs to cancel and rebook any FCM ForexClear Contracts following any such adjustment. In such case, the Clearing House will inform FX FCMs as to the timing and duration of any such suspension.~~

~~2B.9 Market Data~~

~~2B.9.1 Sources used by FCM ForexClear Service~~

~~The FCM ForexClear Service collates instrument quotes for the following from multiple market sources (as detailed in Section 2B.9.2) in relation to each Currency Pair:~~

- ~~• FX spot rates ("**FX Spot Rates**");~~
- ~~• FX swap points ("**FX Swap Points**");~~
- ~~• Settlement Rate Option;~~
- ~~• Interest rate curves (see Section 2B.9.5 below) ("**Interest Rate Curves**");~~
- ~~• USD LIBOR Curve;~~
- ~~• PAI rates ("**PAI Rates**"); and~~
- ~~• Country credit spreads (see Section 2B.9.6 below) ("**Country Credit Spreads**");~~

~~together, "**Market Data**".~~

~~FX Spot Rates and FX Swap Points are received by the Clearing House via a live link from all eligible FXCCMs (including FX FCMs) during the Opening Hours (as defined in Section 2B.4.2).~~

2B.9.2 Market Data Sources and Frequencies

The Clearing House receives the following updated raw prices:

FX Spot Rates:

- Source FXCCMs (including FX FCMs).
- Frequency every time updated by FXCCMs (including FX FCMs) up to a maximum rate of once every five minutes.

FX Swap Points:

- Source all FXCCMs (including FX FCMs).
- Frequency every time updated by FXCCMs (including FX FCMs) up to a maximum rate of once every five minutes.
- Tenors as shown in the table below.

Any trade which has not been accepted within the time specified above, on the day on which particulars of that trade are input into ClearWay, will be deleted from ClearWay automatically during the end of day run. It will cease to be an FCM EnClear Transaction and will not be registrable that day. It may, however, be re-submitted on another day.

Tenor Note: ECFCMs are asked to note that where trades are executed or originated outside the Opening Hours, no registration can take place until the relevant registration time on the following Opening Day. Where a weekend and/or public holiday intervenes, registration may be delayed for more than a day.

2C.2.4 Trade Acceptance: Cleartrade Credit Filter

ECFCMs may elect to use Cleartrade Exchange Pte Ltd's credit filter. If an ECFCM does so elect, then, when a trade is submitted through the filter, submission of the trade through the filter constitutes a deemed "acceptance" of the trade on behalf of the ECFCM. If an ECFCM wishes to allow for trades to be submitted in its name, through the Cleartrade credit filter, it should contact the Clearing House's Membership Department for the requisite variation agreement, amending the Clearing Extension Agreement. ECFCMs shall be bound by the FCM EnClear Contract which arises subsequently, upon registration of the trade in ECS.

Correspondingly, where a trade has been submitted to ECS via the Cleartrade credit filter, a pre-matched contra trade in respect of that trade may only be submitted via the Cleartrade credit filter.

~~2B.9.3 Market Data~~

All FCM EnClear Contracts arising from FCM EnClear Transactions in the Freight Division are subject to cash settlement unless closed out prior to expiry of the relevant contract series (not permissible for World Scale wet contracts). No physical settlement is permissible.

2C.2.6 Reference Prices for Daily Settlement and Marking to Market

The Clearing House will use a variety of data from market participants, price reporting agencies and brokers for the purposes of producing reference prices each Business Day for daily settlement purposes and for the final settlement prices. See Part B of Schedule C to the FCM Regulations for details of the reference prices for each eligible product in the Freight Division listed therein. The reference price will be the “Floating Price” for the purposes of the Contract Terms (see Schedule C to the FCM Regulations).

2C.3 Option Exercise and Expiry

2C.3.1 Freight and Iron Ore Options

Freight and Iron Ore options are European style. Automatic exercise will occur if the option contract is one tick or more in the money on expiry day with reference to the relevant Final Settlement Price. Upon exercise or assignment an open futures position will be created in the underlying contract at the strike price which will be immediately cash settled. Clearing Members cannot make any adjustments to the automatic exercise settings. Option contracts not automatically exercised against the Final Settlement Price will expire worthless.

2C.3.2 Coal Options

Coal options are European style. Coal options will be automatically exercised or expired, unless manually exercised or cancelled, as described below.

Automatic Exercise

Automatic exercise will occur if the option contract is one tick or more in the money on expiry day with reference to the relevant Final Settlement Price.

Upon exercise or assignment an open futures position will be created in the underlying contract at the strike price. Option contracts not automatically exercised against the Final Settlement Price will expire worthless.

Manual Exercise or Cancellation

On expiry day and before 17:30 hours, London time, Clearing Members can override the automatic exercise of a coal option by using the ECS EnClear Trade GUI to perform a manual exercise or cancellation of the option contract. Upon exercise or assignment, an open futures position will be created in the underlying contract at the strike price.

2B.9.4 Market Data Provision to FX FCMs

~~All Market Data used in a Margin Run is made available to FX FCMs via ForexClear Reporting (as defined in Section 2B.20).~~

~~2B.9.5 Curve Building in ForexClear~~

~~FX Curve (Zero Coupon/Market Rate Curve):~~

~~The Clearing House builds for each Currency Pair an FX curve (zero coupon/market rate curve) using the FX Spot Rates, FX Swap Points and the USD LIBOR Curve based on interpolation techniques agreed through the ForexClear Risk & Trading Working Group (a group comprising the Clearing House's and FXCCM's (including FX FCM) risk and trading representatives) ("RTWG"). The USD LIBOR Curve is used for discounting; the FX curve is used for capitalisation of forward cash flows.~~

~~Interest Rate Curve:~~

~~The Clearing House applies the linear interpolation method to build the Interest Rate Curve. Linear interpolation is applied on zero coupon curves.~~

~~Curve Use:~~

~~End of day is defined as 22.00 local London time ("EOD"). The following EOD data is used in the calculation of risk analytics for an EOD Margin Run (as defined in Section 6.1.2):~~

- ~~• FX Spot Rates; and~~
- ~~• FX Swap Points.~~

~~2B.9.6 Country Credit Spreads~~

~~The Clearing House takes country credit spreads (in relation to Brazil, Russia, India, China, Chile and South Korea) from Bloomberg for use in risk multiplier calculations.~~

~~2B.10 FCM ForexClear Contract Valuation~~

~~2B.10.1 Price Submission~~

~~In accordance with the FCM Procedures, FX FCMs shall provide pricing data to the Clearing House in accordance with the ForexClear Market Data Interface (a document issued by LCH and as amended from time to time) as amended from time to time.~~

~~This data is used to calculate the NPV (as defined in Section 2B10.2 below) of FCM ForexClear Contracts.~~

~~2B.10.2 Net Present Value ("NPV")~~

~~From (and including) the Registration Time to the EOD Margin Run on the business day preceding the Valuation Date, each FCM ForexClear Contract is valued in USD using the current market rates and discounted from the future Settlement Date to its present value (being valued using the data submitted by FXCCMs, in accordance with Sections 2B.9.2 and 2B.10.1).~~

~~On the Valuation Date, the Settlement Rate is used to value the FCM ForexClear Contract.~~

~~If Valuation Postponement applies, the FCM ForexClear Contract is valued using the current forward price (based on the data submitted by FXCCMs in accordance with Sections 1.9.2 and 1.10.1) to (and including) the date on which the Settlement Rate is determined in accordance with the ForexClear Contract Terms.~~

~~2B.10.3 Variation Margin (“VM”)~~

~~VM for each FCM ForexClear Contract is calculated at EOD as the change from the preceding business day in its NPV. With respect to each FX FCM, the net sum of the VM for all open FCM ForexClear Contracts is credited to or debited from such FX FCM once a day, following the EOD Margin Run.~~

~~Cover for VM (adjusted by PAI, as set out below) will be paid each business day by or to each FX FCM in respect of all of its open FCM ForexClear Contracts. The VM will be calculated in, and must be paid in, USD.~~

~~With respect to each FCM ForexClear Contract, VM is calculated every business day from (and including) the Registration Time to (and including) the EOD on the business day immediately preceding the Settlement Date.~~

~~2B.10.4 Reporting Breakdown~~

~~ForexClear margin reports show the portfolio of open FCM ForexClear Contracts of each FX FCM by Currency Pairs and in the Settlement Currency (*i.e.*, USD).~~

~~2B.10.5 Price Alignment Interest (“PAI”)~~

~~The effect of daily cash VM movements results in the need for PAI. Without this adjustment, the pricing of FCM ForexClear Contracts would differ from identical uncleared trades, as cash earned from favourable daily price moves would be priced into the product.~~

~~2B.10.6 PAI Calculation Methodology~~

~~PAI is calculated at EOD on each business day from (and including) the first business day after the Trade Date to (and including) the business day immediately preceding the Settlement Date.~~

~~In this Section 2B.10.6, “T” means any given business day; “T-1” means the business day immediately preceding T; “T+1” means the business day immediately following T; and “MTM” means the total value (expressed in USD) of an FXCCM’s portfolio open of FCM ForexClear Contracts after valuation in accordance with Section 2B.10.3 at close of business on any business day. The Clearing House calculates PAI in USD once a day at EOD.~~

~~*Principles:*~~

- ~~• MTM is calculated at EOD on T-1.~~
- ~~• Change in MTM (net VM in respect of an FX FCM’s portfolio of open ForexClear Contracts) is paid/ received on the morning of T.~~
- ~~• PAI Rate for T to be applied is known at EOD T.~~

- ~~PAI is calculated on the night of T, for MTM of T-1 for FCM ForexClear Contracts up to the business day before their Settlement Date.~~
- ~~PAI is paid / received on morning of T+1 via PPS.~~

~~Components:~~

- ~~PAI Rate (annualised interest applied to an FX FCM's MTM).~~
- ~~MTM~~
- ~~Accrual Factor (factor used to convert the PAI Rate from an annual rate to a daily rate, on a basis of a year of 360 days).~~

~~So:~~

- ~~$PAI_T = PAI_T \text{ Rate} \times MTM_{T-1} \times \text{Accrual Factor}$.~~

~~The Clearing House uses the PAI Rate from the relevant EOD overnight index swap curves, which is sourced from the Clearing House.~~

~~2B.10.7 VM/PAI Adjustment~~

~~With respect to each FX FCM, the Clearing House makes the following adjustment to the EOD VM:~~

- ~~if, with respect to its portfolio of open FCM ForexClear Contracts, such FX FCM has (to but excluding the relevant EOD) paid an amount in VM greater than the amount of VM it has received, such FX FCM will receive PAI; and~~
- ~~if, with respect to its portfolio of open FCM ForexClear Contracts, such FX FCM has (to but excluding the relevant EOD) received an amount in VM greater than the amount of VM it has paid, such FX FCM will pay PAI.~~

~~2B.11 Initial Margin ("IM")~~

~~The Clearing House will require FX FCMs to post IM. This amount will be calculated within the day and at EOD on each business day as part of each Margin Run. With respect to each FX FCM, it is calculated for the portfolio of open FCM ForexClear Contracts and FCM ForexClear Transactions using a value at risk (VaR) based methodology based on filtered historical simulations ("Historical Simulation"). All open FCM ForexClear Contracts and FCM ForexClear Transactions in each Currency Pair are re-valued under a series of cross portfolio yield curve scenarios to estimate the potential portfolio profit and loss and therefore the IM requirement.~~

~~These scenarios will be continually monitored and reviewed periodically or on an ad hoc basis according to market conditions. FX FCMs will usually~~ [2C.3.3 Exercise by the Clearing House](#)

~~When exercised against, the Clearing House will select sellers against which to assign, based on their open position at the end of the last trading day.~~

Notice of Assignment/Allocation

The Clearing House will use reasonable endeavors to notify the relevant seller of its allocation as soon as is possible on the day the options expire.

Notification will be sent via the MBREXR report on the MemberLive reporting site. ECFCMs must have a valid account and password to access this secure site.

2D. THE FCM NODAL SERVICE

2D.1 Introduction

2D.1.1 Background

Application to both the FCM Rulebook and the U.K. Rulebook of the Clearing House.

This Section 2D of the FCM Procedures forms a part of both the FCM Procedures and a part of the UK General Procedures corresponding to the UK General Regulations (see the reference in Section 2G of those Procedures) and is referred to as the “Nodal Procedures”. These Nodal Procedures apply to the clearing of FCM Nodal Transactions (by FCM Nodal Clearing Members) and Nodal Transactions (by Nodal Service Clearing Members), each of which involves the clearing of transactions in Nodal Eligible Derivative Products listed on Nodal, through the Clearing House’s Nodal Service.

Defined terms used in these Nodal Procedures and not otherwise defined herein or in the FCM Regulations shall have the meaning as defined in the Clearing House’s “General Regulations”. References herein to FCM Nodal Transactions, the FCM Rulebook, the FCM Regulations, FCM Nodal Contracts and other definitions contained in the FCM Regulations are intended to apply only to FCM Nodal Clearing Members, and references herein to Nodal Transactions, the Rulebook, the General Regulations, Nodal Contracts and other definitions contained only in the General Regulations are intended to apply only to Nodal Service Clearing Members. These Nodal Procedures do not intend to (i) apply substantive provisions of the FCM Regulations that are not also provided in the General Regulations to Nodal Service Clearing Members or (ii) apply substantive provisions of the General Regulations that are not also provided in the FCM Regulations to FCM Nodal Clearing Members.

The term “Nodal CMs” used herein refers to both FCM Nodal Clearing Members and Nodal Service Clearing Members, collectively.

References herein to “Nodal Transactions” means either FCM Nodal Transactions (as defined in the FCM Regulations) or Nodal Transactions (as defined in the General Regulations), as applicable, except where these Nodal Procedures otherwise differentiate between the two.

Additional Background.

Nodal CMs must inform themselves fully of their obligations under the FCM Rulebook or under the Rulebook (as applicable), and under the other relevant documentation, such as the FCM Clearing Membership Agreement or the Clearing Membership Agreement (as applicable), and the terms of any approval by the Clearing House to extend clearing activities. Nodal CMs should also familiarize themselves with Nodal’s Rules.

The Clearing House provides the Nodal Service in respect of cash settled futures contracts only. Hence, it does not cover options contracts and there are no physical deliveries under this service. There is no provision for allocation or give-ups.

Please note that each of the FCM Rulebook, the Rulebook and Nodal's Rules are subject to change from time to time. Enquiries regarding these Nodal Procedures or any other aspects of the operation of the Nodal Service should be directed to the Clearing House's Business Operations Department at +44 (0)20 7426 7689. Enquiries regarding FCM Nodal Clearing Member status or Nodal Service Clearing Member status should be directed to the Clearing House's Membership Department at +44 (0)20 7426 7627 / 7063. Enquiries relating to Nodal's Rules should be directed to Nodal.

2D.1.2 Interpretation

Except where otherwise stated, all times shown are London time and the twenty four hour clock is used.

2D.2 Membership

FCM Nodal Clearing Members may submit FCM Nodal Transactions for registration by the Clearing House and Nodal Service Clearing Members may submit Nodal Transactions (as defined in the General Regulations) for registration by the Clearing House. Note that a transaction in a Nodal Eligible Derivative Product that will be cleared on one side by an FCM Nodal Clearing Member and on the other side by a Nodal Service Clearing Member is both an FCM Nodal Transaction (with respect to the FCM Nodal Clearing Member) and a Nodal Transaction (with respect to the Nodal Service Clearing Member). Both FCM Nodal Transactions and Nodal Transactions may also be submitted for registration on behalf of the applicable Nodal CM by a Nodal Non-Clearing Participant ("**NODAL NCP**") as set out at Section 2D.4.1.

Nodal CMs must comply with all Clearing House requirements and with any NODAL requirements relating to participation in the relevant Nodal Trading Facility.

It is the responsibility of each Nodal CM to keep any report, including, but not limited to, the NODAL Service CM Report, required for its own historic, audit or legal purposes.

Details of how to be approved as an FCM Nodal Clearing Member or as a Nodal Service Clearing Member can be obtained from the Clearing House Membership Department at +44 (0)20 7426 7627 / 7063.

2D.2.1 Submission of Nodal Transactions for Registration

Nodal CMs who wish a Nodal Transaction to be registered by the Clearing House must comply with all requirements of Nodal and Nodal's Rules, as relevant.

2D.3 GENERAL

2D.3.1 Operating Times

2D.3.1.1 Opening Days

Details of the days on which the Nodal Service is operational will be published by the Clearing House by circular to Nodal CMs. Details of the days on which Nodal is operational is available from Nodal.

2D.3.1.2 Opening Hours

The Nodal Service will be operational from 02:00 to 18:00 hours, Eastern Prevailing Time (the “Opening Hours”).

2D.4 NODAL TRANSACTIONS

2D.4.1 Eligible Transactions

Only the transactions in this Section 2D.4 in Nodal Eligible Derivative Products executed or registered through a Nodal Trading Facility in accordance with Nodal’s Rules will be designated as Nodal Transactions eligible for registration by the Clearing House.

Any such transactions must satisfy the Clearing House’s requirements as set out in these Nodal Procedures and in the FCM Regulations and/or the General Regulations (as applicable), and Nodal’s requirements as set out in Nodal’s Rules.

(a) Parties to Nodal Transactions presented for Registration.

The Clearing House only registers FCM Nodal Contracts or Nodal Contracts, as applicable, arising from Nodal Transactions between Nodal CMs.

Such Nodal Transactions may arise through trades executed or registered through a Nodal Trading Facility by Nodal CMs or by Nodal NCPs.

(i) The Nodal Transaction may have been entered into by two Nodal CMs, each acting as principal.

(ii) One side (or both sides) of the Nodal Transaction may arise through a Nodal NCP executing or registering a trade on the Nodal Trading Facility. In such case, the trade will immediately be replaced with:

In the case of a Nodal NCP clearing through an FCM Nodal Clearing Member:

- an FCM Nodal Transaction will arise between the NCP and the counterparty Nodal CM or NCP, with the former NCP’s FCM Nodal Clearing Member being party to the Transaction as agent for the NCP.

In the case of a Nodal NCP clearing through a Nodal Service Clearing Member:

- a trade between the Nodal NCP and its applicable Nodal Service Clearing Member, and
- a Nodal Transaction between its Nodal Service Clearing Member and the counterparty Nodal CM.

(b) Presentation for Registration

Under (a)(i) or (a)(ii) above, the Nodal Transaction will be presented to the Clearing House for registration as either two FCM Nodal Contracts, two Nodal Contracts or one FCM Nodal Contract and one Nodal Contract, as applicable, with the Clearing House as seller to the buying Nodal CM and as buyer to the selling Nodal CM.

(Where two Nodal NCPs both have the same Nodal CM, then each side of the trade will be presented to the Clearing House for registration as a separate FCM Nodal Contract or Nodal Contract, as applicable:

- with one in which that Nodal CM is buyer and the Clearing House is the seller;
- and the other in which that Nodal CM is the seller and the Clearing House is the buyer.)

2D.4.2 FCM Nodal Contracts and Nodal Contracts – Eligibility Criteria

It is part of the eligibility criteria for registration as an FCM Nodal Contract or a Nodal Contract, as applicable, that the particulars of a Nodal Transaction presented to the Clearing House must include matched information in respect of the following:

- (a) Seller and the Buyer;
- (b) the Nodal Eligible Derivatives Product which is the subject of the Nodal Transaction; and
- (c) the transaction specific information in respect of the Nodal Eligible Derivative Product.

2D.5 CLEARING FOR NODAL NON-CLEARING PARTICIPANTS

2D.5.1 NODAL NCPs

Certain Nodal CMs may clear for one or more Nodal NCPs. In order to do so, the following conditions must be satisfied at all times:

- (a) the Nodal NCP is a participant of Nodal; and
- (b) the Nodal CM and the Nodal NCP are party to a valid and enforceable agreement under which the Nodal CM agrees to clear Nodal Transactions on behalf of such person. Such agreement must confer rights on the Nodal CM and the Nodal CM must lawfully be entitled at all times to pass to the Clearing House, in accordance with FCM Regulation 15 or General Regulation 30, as applicable, such information and data

relating to the Nodal NCP as the Clearing House may in its sole discretion deem appropriate.

The static data form executed by both the Nodal NCP and the Nodal CM shall be definitive proof of the Nodal CM clearing for such Nodal NCP.

The Clearing House contracts with the Nodal CM alone and, to the fullest extent permitted by law, disclaims any duties or obligations to any Nodal NCP.

Further details regarding clearing for Nodal NCPs can be obtained from the Clearing House's Membership Department at +44 (0) 207426 7627 / 7063.

2D.5.2 Termination

The Nodal CM may terminate its agreement with a Nodal NCP at any time by giving 21 days written notice to Nodal and the Clearing House. For the avoidance of doubt, (i) the Clearing House need not receive any notice of or any confirmation of such termination from the Nodal NCP and (ii) termination by the Nodal CM of its agreement with a Nodal NCP will be without prejudice to the Nodal CM's obligations arising from or in relation to any Nodal Transaction, FCM Nodal Contracts or Nodal Contracts arising prior to such termination.

2D.6 REGISTRATION OF NODAL TRANSACTIONS

2D.6.1 General

The Clearing House may require a Nodal CM in whose name a Nodal Transaction is to be registered to provide it with cover for initial and variation margin (Initial Margin and Variation Margin as defined in the FCM Regulations with respect to FCM Nodal Clearing Members) as a condition of registration as an FCM Nodal Contract or a Nodal Contract, as applicable.

2D.6.2 Registration

All matched transactions which have been presented for registration and comply with the Clearing House requirements for registration of a Nodal Transaction, are deemed to have been registered by the Clearing House immediately upon receipt by TRS/CPS.

2D.6.3 Novation

With effect from registration, novation operates to replace each Nodal Transaction with either two separate FCM Nodal Contracts, two separate Nodal Contracts or one FCM Nodal Contract and one Nodal Contract, as applicable, one between the selling Nodal CM and the Clearing House and the other between the buying Nodal CM and the Clearing House. Novation is described in more detail in the FCM Regulations and the General Regulations.

2D.6.4 Notification

All FCM Nodal Contracts and Nodal Contracts arising from registered Nodal Transactions are listed on the Nodal Service CM Report available through TRS.

2D.7 POSITION AND FINANCIAL ACCOUNTS**2D.7.1 Position-Keeping Accounts****2D.7.1.1 Types of Account**

Positions with regard to Nodal Contracts and Nodal Contracts are recorded within CPS in position-keeping accounts at Individual Trader Mnemonic (ITM) level, which are not CM accounts as described in Regulation 5. The account types are as follows:

H House excluding Clients¹

N Non-segregated (not to be used for client business)

S Segregated client

Z Default account, only to be used in the event of a CM default

The requirement to open a H account is compulsory. Other position-keeping accounts may be opened by agreement with the Clearing House.

¹ The "house position-keeping account" represents a Member's principal business and is only available to Nodal Service Clearing Members.

2D.7.1.2 Basis of Position Keeping: Net Accounts

Position-keeping accounts are held net at ITM level (e.g., a position of bought one lot and sold two lots will be reported as sold one).

2D.7.2 Financial Accounts

Nodal Service Clearing Member position-keeping accounts have financial accounts associated with them. These are, amongst other things, used to record cash balances, securities/documentary credits and non-realized margin.

Where appropriate, a Nodal Service Clearing Member's financial accounts are identified by a single character code: C for segregated client business (recorded as S within CPS); H for house business (recorded as H within CPS). Only the H financial account is obligatory.

Information contained within position-keeping accounts is consolidated into financial accounts, as follows:

2D.7.2.1 Relationship with Position-keeping accounts

<u>Position-keeping accounts</u>	<u>Financial account</u>
<u>H House</u>	<u>H</u>
<u>N Non-segregated</u>	<u>H</u>
<u>S Segregated client</u>	<u>C</u>

By permitting a transaction to be allocated to a position-keeping account, a Nodal Service Clearing Member is also deemed to be designating that transaction for the associated financial account.

2D.7.2.2 Other Financial Accounts

Subject to approval by the Clearing House, further financial accounts, used only to record financial balances, may be opened as follows:

	<u>Code</u>
<u>Additional Margin accounts, used for holding additional deposits in relation to House Business (Nodal Service Clearing members only)</u>	<u>B</u>
<u>Additional Margin account (Client), used for holding additional cash in relation to Client business.</u>	<u>E</u>

2D.7.2.3 Default Fund (DF) Account

Each Nodal Service Clearing Member's Contribution is held on a separate financial account, in accordance with the Default Fund Rules. The Default Fund account code is F.

2D.8 FEES

2D.8.1 General

Fees arising for the provision of the Nodal Service will be collected monthly from the Nodal CMs' financial accounts.

Details of tariffs and any changes thereto will be notified to Nodal CMs by circular to applicable FCM Clearing Members and Clearing Members.

For further details (including details of how information regarding charges made for FCM Nodal Contracts and Nodal Contracts registered by the Clearing House is communicated to applicable Nodal CMs) please see Section 3.6 ("Fees") of these FCM Procedures or Section 3.6 ("Fees") of the Procedures, as applicable.

2D.8.2 Execution Fees

Members are asked to note that, in respect of FCM Nodal Contracts and Nodal Contracts, fees charged to Nodal CMs by the Clearing House will include execution fees which the Clearing House will collect on behalf of Nodal in respect of the underlying trades executed through the Nodal Trading Facility.

Details of execution fees and any changes thereto will be notified to Nodal CMs by Nodal.

2D.9 MARGIN

For the purposes of the Nodal Service only, a "Reference Price" includes daily Settlement Price and final Settlement Price as used in the Nodal Rules.

2D.9.1 Variation Margin

Certain FCM Nodal Contracts and Nodal Contracts are settled to market daily by the Clearing House. Profits or losses are either credited to or debited from Nodal CMs' relevant financial accounts (realized margin).

2D.9.1.1 Realized Margin

Realized margin is the calculated profit or loss arising from a comparison between the value of open positions at the relevant daily Settlement Price with the value of positions recorded (i.e., the Traded Price for new trades and the previous day's daily Settlement Price for other positions). The currency of this margin amount will be the same as the currency denomination of the contract's reference price.

2D.9.2 Initial Margin

Separate Initial Margin calculations are performed for a Nodal CM's house "H" and client "C" accounts; **no offset between these accounts is allowed.** Accounts are margined net, meaning that if long and short positions are held in the same delivery month/prompt date, Initial Margin is charged on the net position. Initial Margin need not be in the same currency as the contracts traded. A list of acceptable collateral to cover Initial Margin requirements can be found at the following location:

http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp

2D.9.2.1 Initial Margin Parameters

Initial Margin parameters are set by the Clearing House. However, in accordance with the FCM Regulations and the General Regulations, the Clearing House retains the discretion to vary the rates for the whole market or for Nodal CM's house and/or client accounts.

Nodal CMs will be notified by the Clearing House of alterations to ~~margin~~Initial Margin parameters no later than the day before calls are made based on the new ~~parameters. Further details of this method are available upon request from the ForexClear Risk team~~rates.

~~Historical Simulation uses the historical (5 year) data submitted by FXCGMs pursuant to Section 2B2D.9, which is adapted to current market prices.~~

~~Separate initial margin calculations are performed for an FX FCM's house "H" and client "C" accounts.~~

~~The Clearing House reserves the right to require additional amounts of cover from a specific FX FCM or from all FX FCMs in accordance with FCM Regulation 9.~~

2B.11.1 Credit Risk Multiplier ("CRiM")

~~The CRiM applied will consider the FX FCM's credit worthiness, initial margin level and/or stress testing exposures in accordance with LCH.Clearnet Credit Risk Policy.~~

2B.11.2 Liquidity Risk Multiplier (“IMM”)

~~Where an FXCCM has an exposure above set thresholds in a particular Currency Pair or tenor of FCM ForexClear Contracts, the IMM is applied and additional IM is charged. The IMM is calculated in accordance with parameters set by the ForexClear Default Management Group (the “FXDMG”) according to tenor and notional concentration. The thresholds are reviewed quarterly and use prevailing perceptions of market conditions as seen by the FXDMG.~~

~~IMM increases IM called due to concentrated Currency Pair exposure by tenor of FCM ForexClear Contracts. Additional IM is called to mitigate the risk of a position not being closed out in seven days and/or the extra hedging costs that may be incurred.~~

~~The Clearing House calculates and applies IMM as part of each Margin Run, based on the IM for each Currency Pair in the FX FCM’s house position-keeping account.~~

2B.11.3 Sovereign Risk multiplier (“SRM”)

~~An SRM is applied when there is a perceived risk of sovereign default or a change in a country’s currency regime which would impact FCM ForexClear Contracts transacted in certain Reference Currencies. The SRM takes into account:~~

- ~~i. the probability of sovereign default or a regime change event occurring; and~~
- ~~ii. the depreciation or appreciation risk of the Reference Currencies.~~

~~The SRM sovereign default probability is calculated by assessing the three month probability of default for the different sovereign countries, based on the country’s 5-year credit default swap (CDS) spread. The probability of a regime change event is estimated based on historical events and publicly available data for the different sovereign countries. The probabilities are reviewed and updated weekly.~~

~~The Clearing House calculates and applies the SRM as part of each Margin Run, for each Currency Pair in the FX FCM’s house position-keeping account.~~

2B.12 Additional Margin

~~The Clearing House may require an FX FCM to pay additional amounts (in addition to initial margin and variation margin) as security for the performance by an FX FCM of its obligations to the Clearing House in respect of FCM ForexClear Contracts to which such FX FCM is a party in accordance with FCM Regulation 9. This may be required from time to time where, in the opinion of the Clearing House, the risk inherent in FCM ForexClear Contracts to which such FX FCM is a party not adequately covered by IM or VM. This may cover instances where stress testing losses under various scenarios provided in the ForexClear Default Fund Rules have increased.~~

2B.12.1 2.2 Intra-day Margin Calls

~~In accordance with the Clearing House’s FCM Regulations and the General Regulations, the Clearing House is entitled to make additional margin calls for payment the same day (intra-day margin calls) where it is considered~~considers it~~ necessary. ~~Intra day margin calls can be called at any time throughout the~~~~

~~business day (08:30 to 21:00 hours London time). Intra-day margin calls will usually be made via [through the protected payments system \("PPS"\) in London \("London PPS"\)](#) or the [Protected Payments System \(PPS\) USA \("US PPS"\)](#) (see [Section 2B.93.2 of these FCM Procedures](#) or [Section 3.2 of the UK General Procedures, as applicable](#)).~~

~~In certain circumstances the Clearing House may wish to make a call for additional funds after the closure of London PPS facilities at 16:00 hours London time. In this event the Clearing House will require payment of additional funds through PPS facilities in the USA (see Section 3.2.2). Members must ensure, in these circumstances, that they are in a position to fund such calls through their nominated US PPS account within one hour of the call.~~

~~2B.13 — **Initial Margin Management Events Service ("IMMES")**~~

~~IMMES aims to find risk and IM reducing FCM ForexClear Contracts and ForexClear Contracts amongst participating FXCCMs. IMMES can be run on all Currency Pairs that are cleared through the FCM ForexClear Service, although the primary focus will be on those Currency Pairs that contribute to the largest IM requirement. IMMES is available in respect of an FX FCM's house account only.~~

~~FX FCMs who wish to obtain further information about, or to participate in, IMMES should contact ForexClear Business Operations on 0207 426 7527. To be eligible to participate in IMMES, an FX FCM must enter into an IMMES agreement with the Clearing House (the "**IMMES Agreement**").~~

~~2B.13.1 **Step-by-step details**~~

~~The Clearing House usually conducts the IMMES at least monthly.~~

~~A reminder that there is an IMMES run taking place is sent out the week before to each FXCCM which is a party to an IMMES Agreement with LCH and each FXCCM is asked to confirm their participation.~~

~~On the day of the scheduled IMMES run, the Clearing House analyses all participating FXCCMs' profiles to find FCM ForexClear Contracts and ForexClear Contracts with equivalent and opposite delta values by tenor and Currency Pair to compile a list of offsetting suggested trades that are mutually beneficial in terms of IM reduction (the "**IMMES Trades**").~~

~~The Clearing House then analyses the relevant FX FCM's FCM ForexClear Contract portfolios with the IMMES Trades and determines the change in NPV, IM, delta and zero yield sensitivity from the IMMES Trades.~~

~~The FXCCMs on either side of the trades are advised of the economic details of the IMMES Trades.~~

~~If the two FXCCMs agree to undertake the IMMES Trades, the Clearing House will then put them in touch with each other. The FXCCMs will enter into the bilateral IMMES Trades and submit them to the Clearing House through the ForexClear Approved Trade Source System for registration.~~

~~2B.14 — **Intra-Day**~~ 2D.9.2.3 Calculation of Initial Margin2D.9.2.3.1 VaRInitial Margin Call: Collateral Management~~2B.14.1 General — Intra-day Margining~~

~~Following an intra-day margin call and unless notified otherwise by an FX FCM at the time of an intra-day margin call the Clearing House will deduct cash, in the appropriate currency, directly from the relevant FX FCMs PPS account to cover that intra-day margin call.~~

~~Cash payments in respect of intra day cover are accepted only in USD by the Clearing House.~~

~~It is the responsibility of the FCM to ensure that they have sufficient cash funds in place with their PPS Bank(s) in order to avoid any intra-day liquidity issues.~~

~~2B.15 — **General Margining Process**~~

~~A “**Margin Run**” is the process by which the Clearing House calculates an FX FCM’s IM requirement (if any) and, during an EOD Margin Run, its VM requirement and PAI adjustment (if required) (together its “**Margin Requirements**”); and (a) applies that FX FCM’s cover to satisfy the Margin Requirements for that FX FCM in respect of the FCM ForexClear Contracts within that FX FCM’s portfolio; and/or (b) calls for additional cover (if required) to cover the relevant Margin Requirement.~~

~~2B.16. — **Types of Margin Runs**~~

~~There are three types of Margin Run:~~

~~2B.16.1 ITD / Ad Hoc - Day Margin Run~~

~~ITD/Ad hoc London daytime Margin Runs are initiated as and when dictated by the schedule published by the Clearing House and notified to FX FCMs from time to time (the “**Schedule**”) or as necessary, and are performed in the time period during which a PPS call can be made (the “**ITD/Ad hoc Day Margin Run**”). PPS times are published on the Clearing House’s website at: http://www.lchclearnet.com/risk_management/itd/pps/.~~

~~ITD/Ad hoc Margin Runs are calls in respect of IM only. VM and PAI are not included in ITD/Ad hoc Margin Runs.~~

~~2B.16.2 EOD Margin Run~~

~~The EOD Margin Run is the final ITD/Ad hoc Day Margin Run that completes by 22:00 local London time on that is re-calculated at the close of each business day (the “**EOD Margin Run**”) using a VaR algorithm developed to margin Nodal exchange contracts.~~

~~EOD Margin Runs are calls in respect of IM as well as VM, NSA and PAI.~~

~~2B.16.3 ITD / Ad Hoc - Night Margin Run~~

~~ITD/Ad-hoc London overnight Margin Runs are initiated as and when dictated by the Schedule or as necessary, and are performed in the time period during which a PPS call cannot be made (the "ITD/Ad-hoc Night Margin Run").~~

~~ITD/Ad-hoc Night Margin Runs are calls in respect of IM only. VM, NSA and PAI are included in ITD/Ad-hoc Night Margin Runs, but only as a component of IM.~~

~~2B.17 Margin Run Process~~

~~Margin Runs cover all registered FCM ForexClear Contracts with the status "NOVATED", FCM ForexClear Transactions with the status "PARKED" and FCM ForexClear Contracts in respect of which the Clearing House has received a request for cancellation with the status "PARKED PENDING CANCELLATION".~~

~~Margin runs will be carried out for each FCM ForexClear Contract and FCM ForexClear Transaction (as the case maybe) until (and including) the later of:~~

- ~~• EOD Margin Run on the Settlement Date; or~~
- ~~• EOD Margin Run after the Settlement Rate is published.~~

~~During every Margin Run the Clearing House calculates the IM required and (where applicable) the VM and PAI required to cover each FX FCM's open FCM ForexClear Contracts and FCM ForexClear Transactions (each a "Liability" and together the "Liabilities").~~

~~Each FX FCM's Liability is offset against that FX FCM's non-cash collateral account (being a sub-account of the FX FCM's financial account) (for IM only) or funds in that FX FCM's cash account (being a sub-account of the FX FCM's financial account) (for VM/PAI/IM). IM will always be a Liability (payable to the Clearing House) and VM, NSA and PAI may be a cash posting or a Liability (payable by, or to, the Clearing House, respectively).~~

~~FX FCMs are informed via email of their Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)) and are directed to the ForexClear Service portal (being a secure website made available to FXGCMs) (the "ForexClear Service Portal") which provides reports (at the times specified in Section 7.1) informing FX FCMs of their (i) total Liabilities under the FCM ForexClear Service; (ii) current total cover posted with the Clearing House for FCM ForexClear; and (iii) Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)).~~

~~If following a Margin Run an FX FCM is required to provide additional collateral, this is also indicated in the email and via the ForexClear Service Portal. Registration of FCM ForexClear Transactions and cancellations of FCM ForexClear Contracts will cease until all FXGCMs have provided sufficient cover.~~

~~Once it is confirmed that all FXGCMs have sufficient cover, the Clearing House:~~

- ~~• registers each FCM ForexClear Transaction as two FCM ForexClear Contracts (or registers an FCM ForexClear Contract and a ForexClear~~

~~Contract under the UK General Regulations, if applicable) and changes the status for each FCM ForexClear Transaction from "PARKED" to "NOVATED" and informs the FCM Approved Trade Source System; and~~

- ~~in respect of relevant FCM ForexClear Contracts being cancelled, cancels the relevant FCM ForexClear Contracts and changes the FCM ForexClear Contract status of each relevant FCM ForexClear Contract from "PARKED" to "CANCELLED".~~

~~The Clearing House acknowledges the FCM ForexClear Contract status and sends a message to the FCM Approved Trade Source System that the FCM ForexClear Transaction/FCM ForexClear Contract (as the case may be) is either "NOVATED" or "CANCELLED" as appropriate.~~

2B.18 — Transfer of FCM Clients

~~In certain circumstance the Clearing House will transfer FCM ForexClear Contracts from one Carrying FCM Clearing Member to a Receiving FCM Clearing Member on behalf of an FCM Client and pursuant to FCM Regulation 8(b) or 8(c).~~

2B.18.1 Partial Transfers

~~Where a Receiving FCM Clearing Member wishes, on behalf of an FCM Client, to receive a transfer of a portion of such FCM Client's portfolio of FCM ForexClear Contracts held with a Carrying FCM Clearing Member, it shall provide the Clearing House with an FCM Client Partial Transfer Form (see Appendix 2B.A), signed on behalf of the relevant FCM Client. Such form shall list all of the FCM ForexClear Contracts that are to be transferred pursuant to this procedure. Following receipt of an FCM Client Partial Transfer Form, the Clearing House shall notify the Carrying FCM Clearing Member that a request has been received to transfer FCM ForexClear Contracts. All partial transfers shall take place in accordance with the timing and notice requirements set out in Section 2B.18.4.~~

~~In the event that any of the conditions set forth in FCM Regulation 8(c) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the FCM ForexClear Contracts.~~

2B.18.2 Full Transfers

~~Where a Receiving FCM Clearing Member wishes, on behalf of an FCM Client, to receive a transfer of such FCM Client's entire portfolio of FCM ForexClear Contracts held with a Carrying FCM Clearing Member, it shall provide the Clearing House with an FCM Client Full Transfer Form (see Appendix 2B.B), signed on behalf of the relevant FCM Client. Such form shall confirm that all FCM ForexClear Contracts attributable to the applicable FCM Client shall be transferred pursuant to this procedure. Where a Receiving FCM Clearing Member submits an FCM Client Full Transfer Form, it must confirm whether or not the FCM Client also wishes to transfer the cover held by the Clearing House in respect of the transferring FCM ForexClear Contracts. Following receipt of an FCM Client Full Transfer Form, the Clearing House shall notify the Carrying FCM Clearing Member that a request has been received to transfer FCM ForexClear Contracts. All full transfers shall take place in accordance with the timing and notice requirements set out in Section 2B.18.4.~~

~~In the event that any of the conditions set forth in FCM Regulation 8(b) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing House that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the FCM ForexClear Contracts or the transfer of Account Assets (when applicable).~~

~~Following receipt of a Full Transfer Form, the Carrying FCM Clearing Member shall not be permitted to register additional FCM ForexClear Contracts on behalf of the FCM Client whose FCM ForexClear Contracts are subject to transfer, until such transfer (and the transfer of the related Account Assets, if applicable) is actually effected or is rejected.~~

~~2B.18.3 Collateral Transfers~~

~~Where a Receiving FCM Clearing Member notifies the Clearing House that an FCM Client wishes to transfer cover from a Carrying FCM Clearing Member to a Receiving FCM Clearing Member, the Clearing House shall notify the Carrying FCM Clearing Member of such transfer in accordance with the timetable below.~~

~~Following such notification and upon request from the Clearing House, the Carrying FCM Clearing Member shall confirm to the Clearing House (using the Carrying Member Response form at Appendix 2B.C) which cover is attributable to the transferring FCM Client and the associated FCM ForexClear Contracts. In the event that the Carrying FCM Clearing Member fails to do so in accordance with the timetable below, the Clearing House shall transfer sufficient cash or non-cash cover from the FCM Clearing Member's FCM Omnibus OTC FX Client Account with LCH (such cover as selected in the Clearing House's sole discretion) to enable the transfer. Following the Clearing House's determination of the cover that is to be transferred, it shall notify the Carrying FCM Clearing Member and the Receiving FCM Clearing Member of the cover that will be transferred in accordance with the timetable below.~~

~~In the event that any of the conditions set forth in FCM Regulation 8(b) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing House that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the related cover. In such circumstances, the Clearing House will notify the Receiving FCM Clearing Member that the associated cover will not be transferred and, in order to proceed with the transfer of the associated FCM ForexClear Contracts, the Receiving FCM Clearing Member will have to provide the Clearing House with sufficient cover in respect of the transferring FCM ForexClear Contracts.~~

~~In the event that the Clearing House transfers cover pursuant to these FCM Procedures and the FCM Regulations, it will also transfer the aggregate Variation Margin and next day settlement coupons and fees associated with the transferring FCM ForexClear Contracts.~~

2B.19 Proprietary Account Position Transfers

The FCM ForexClear Clearing System provides functionality for the transfer of positions from an FCM Clearing Member's Proprietary Account, either in respect of FCM ForexClear Contracts held on an FCM Clearing Member's own behalf or in respect of FCM ForexClear Contracts held on behalf of an Affiliate. In either case, any such transfer may only occur if the Receiving FCM Clearing Member is an Affiliate of the Carrying FCM Clearing Member. An FCM Clearing Member who wishes to effect a position transfer to another FCM Clearing Member should contact the Clearing House Risk Management Department.

Transfers will only be effected once adequate cover has been provided by both parties to the transfer. Transfers of Affiliate positions shall not be permitted to another FCM Clearing Member's Proprietary Account unless such Affiliate is an Affiliate of the FCM Clearing Member receiving the transferred position.

2B.19.1 Legal Documentation

The Clearing House will provide standard legal documentation for the transfer of positions. The transfer must be authorised by both parties and by individuals with appropriate signing authority.

~~2B.19.2 Position Transfer Notice Period~~

~~The Clearing House will usually require five Business Days notice ahead of an intended transfer.~~

~~2B.20 ForexClear Reporting~~

~~The Clearing House produces a suite of treasury reports for members across each of the Clearing House services. Some of these reports are cross-service reports and others are specific to the ForexClear Service (including the FCM ForexClear Service), thus an FX FCM will receive reports in respect of the FCM ForexClear Service and may also receive cross-service reports where it is a member of another service. Follow this link to the information available from the LCH.Clearnet website: Banking Reports.⁴~~

~~In respect of the FCM ForexClear Service, on each business day the Clearing House will provide two sets of reports to FX FCMs: (1) Banking Reports; and (2) reports direct from the FCM ForexClear Service (together "ForexClear Reporting"). These Procedures reference the FCM ForexClear Service specific reports. Each day's report will remain available for download by FX FCMs from the FCM ForexClear Service Portal for five days.~~

~~2B.20.1 Margin Liability Reports~~

~~Reports detailing Liabilities are provided to FX FCMs following every scheduled Margin Run in accordance with Section 2B.17 and where additional collateral cover has been called by the Clearing House. Additionally, a report, including sensitivities, is provided at ForexClear Contracts level at 22:00 local London time. If the EOD Margin Run has not completed by 22:00 local London time on a particular business day, the report generated at EOD will reflect that not all the Liabilities of all FX FCMs as covered by collateral by 22:00 local London time.~~

~~2B.20.2 Market Data Reports~~

~~Reports detailing Market Data are provided to FX FCMs following every scheduled Margin Run. They include reports of Market Data and Settlement Rate used in the valuation of FCM ForexClear Contracts and reports of Market Data shifts for each historic scenario used in IM calculations.~~

~~2B.20.3 Trade Reports~~

~~Reports are provided that enable FX FCMs to monitor their firms' trading events and positions in respect of ForexClear. Reports on open FCM ForexClear Contracts and on cancelled FCM ForexClear Transactions and FCM ForexClear Contracts are generated at EOD and reports on transferred FCM ForexClear Contracts are made on an ad hoc basis.~~

~~2B.20.4 Trade Fixing and Settlement Reports~~

~~Reports are published on each business day detailing the FCM ForexClear Contracts to which the Settlement Rate has been applied on that business day (the "NDF Fixings" report), FCM ForexClear Contracts that have been settled during~~

~~that current business day (the “Settlements Today” report) and FCM ForexClear Contracts that will settle the next business day (the “NDF’s Fixed with Settlement Tomorrow” report).~~

~~2B.20.5 Fees Reports~~

~~Reports on trading volumes on a daily and monthly basis are provided to FX FCMs. Monthly reports are provided on the last business day of each month. They include the full trading volumes on which the monthly transaction fees will be charged to those FX FCMs choosing to have tariffs levied per transaction.~~

~~2B.21 Treasury Operations & Collateral Management~~

~~2B.21.1 Cover Distribution~~

~~The Clearing House nets each FX FCM’s Liabilities (i.e. margins and multipliers) and then the total of cash collateral and non cash collateral are applied to offset those net Liabilities. This process is known as cover distribution (“Cover Distribution”). FX FCMs can choose whether cash or non-cash collateral should be applied first. At the end of this process, if an FX FCM has a shortfall, a PPS (as defined in Section 2B.21.3 below) call for additional collateral is made. Conversely, any excess cash remaining after the final overnight Margin Run can, if requested before 09:30 local London time, be repaid to the FX FCM.~~

~~2B.21.2 Cover Distribution Notification~~

~~FX FCMs are informed via email of their: Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)) and are directed to the ForexClear Service Portal which provides reports (at the times specified in Section 0) informing FX FCMs of their (i) total Liabilities under the ForexClear Service; (ii) current total cover posted with the Clearing House for ForexClear; and (iii) Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)).~~

~~The reports accessed via the ForexClear Service Portal will enable FX FCMs to log in and examine the underlying data.~~

~~2B.21.3 Protected Payment System~~

~~The Clearing House operates the Protected Payments System (“PPS”) for transferring funds to and from its FX FCMs to cover their Margin Requirements. This is similar to a direct debit arrangement where the PPS bank confirms that any Clearing House specified call is met.~~

~~FX FCMs are obliged to hold an account with a London PPS bank in USD, as well as a USD account with a PPS bank in the USA.~~

2B.21.5 Interest and Accommodation

Interest is paid to FX FCMs on cash collateral held by the Clearing House. The London Deposit Rate ("LDR") is applied. This rate is set daily at 10.00 local London time.

A utilisation fee, known as an accommodation charge, is charged on securities lodged at the Clearing House to cover liabilities. For an overview of interest and accommodation charges, please contact the Clearing House's Treasury Operations or follow the link below:

2B.22 Default Management

2B.22.1 Portfolio Splitting

As part of the ForexClear Default Management Process, the Clearing House may divide an Auction Portfolio into two or more individual Auction Portfolios. In circumstances where such portfolio splitting is adopted, the Clearing House will, in consultation with the ForexClear Default Management Group, seek to create:

- (a) one or more individual Auction Portfolios which have comparatively greater levels of risk associated with them, thereby isolating such Auction Portfolios from those which are more risk neutral; and
- (b) one or more individual Auction Portfolios which are more risk neutral.

2B.22.2 Acceptance of Bids

In deciding whether to accept a bid, the Clearing House will generally accept the best bid in respect of any individual Auction. However, the Clearing House is entitled to reject a bid in the event that it considers, in its reasonable discretion that accepting the bid may:

- (a) cause the Clearing House to breach any legal or regulatory requirement applicable to it by virtue of its being a Recognized Clearing House or a Derivatives Clearing Organization;

⁴ http://www.lchclearnet.com/Images/Section4_tcm6-43748.pdf

⁵ http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp

- ~~(b) cause the Clearing House or its membership any reputational harm;~~
- ~~(c) cause legal action or proceedings to be taken against the Clearing House; or~~
- ~~(d) endanger the Clearing House, any of its clearing members or the financial markets in which the Clearing House operates.~~

~~Where the Clearing House receives more than one bid from the same ForexClear Clearing Member and in respect of the same Auction the Clearing House is entitled to accept the last bid received by it in respect of that Auction. Where the Clearing House does not receive a bid that was made by a ForexClear Clearing Member for operational, technological or other similar reasons and as a result of which a bid does not reach the Clearing House, the Clearing House will be unable to accept a bid and shall not be liable for any failure to accept such bid.~~

2B.22.3 Affiliate Bidding

~~ForexClear Clearing Members are entitled to bid for an Auction Portfolio on behalf of an affiliated ForexClear Clearing Member or an affiliated FCM Clearing Member. Where a ForexClear Clearing Member makes a bid and that ForexClear Clearing Member has an affiliated ForexClear Clearing Member or FCM Clearing Member that does not make a bid, the Clearing House shall not (unless instructed otherwise in accordance with the paragraph below) assume that the bidding ForexClear Clearing Member has made the relevant bid on behalf of a non-bidding, affiliated ForexClear Clearing Member or FCM Clearing Member.~~

~~A ForexClear Clearing Member may notify the Clearing House, in advance of an Auction, that it wishes to bid on behalf of an affiliated ForexClear Clearing Member. Where it wishes to do so, the ForexClear Clearing Member should contact the Clearing House's Membership Department (membership@lchclearnet.com; +44 (0)207 426 7949).~~

2B.22.4 Outsourcing

~~Pursuant to Section 1 (Membership) of the Procedures, an FX FCM may appoint a third party to fulfil one or both of the the Clearing House's Membership requirements to: (i) participate in a ForexClear "fire drill" run by the Clearing House; and (ii) participate in the ForexClear Default Management Process operated by the Clearing House. Where an FX FCM chooses to outsource one or both of these functions it must appoint and maintain at least three LCH Approved Outsourcing Agents.~~

~~The following entities are eligible for appointment as an LCH Approved Outsourcing Agent:~~

- ~~• a ForexClear Clearing Member~~
- ~~• an FX FCM;~~
- ~~• an FCM Client; or~~
- ~~• any other entity that the Clearing House deems appropriate in its sole discretion.~~

~~Where an FX FCM wishes to appoint a third party to carry out any obligation on its behalf, it should contact the Clearing House's Membership Department with the:~~

~~(a) details of the third party entity that the FX FCM wishes to appoint as an LCH Approved Outsourcing Agent. Such information should include details of the applicant's regulatory status;~~

~~(b) evidence of the existence of a legally binding agreement between the FX FCM Clearing Member and the third party; and~~

~~(c) such other information that the Clearing House reasonably considers necessary for the purposes of determining whether an entity should be approved as an LCH Approved Outsourcing Agent.~~

~~Following the receipt of all of the information above, the Clearing House shall determine in its sole discretion, whether to approve the third party as an LCH Approved Outsourcing Agent. In making its determination, the Clearing House shall consider the third party's ability to demonstrate that it has the necessary operational infrastructure and appropriate asset class expertise.~~

~~Where an FX FCM successfully appoints an LCH Approved Outsourcing Agent, that FX FCM may be subject to increased margin requirements to cater for the additional time required to invoke an outsourcing process in the event of a default~~

~~FX FCMs should note that LCH Approved Outsourcing Agents may be subject to a more rigorous driving test and fire drill than FX FCM (i.e. required to demonstrate an ability to price and bid a greater number of trades at tighter pricing tolerances and within more onerous timeframes). In addition, the Clearing House may require an FX FCM, that has appointed an LCH Approved Outsourcing Agent, to participate in an ad-hoc fire drill or driving test with such notice as the Clearing House deems appropriate in its sole discretion.~~

~~The Clearing House reserves the right to revoke an entity's status as an LCH Approved Outsourcing Agent, in its sole discretion and without notice. In the event of such a revocation, the relevant FX FCM shall be required to assume those responsibilities that were previously outsourced. Such revocation may occur where the Clearing House considers that there is an insufficient number of third party entities that are providing outsourced default management services (usually a minimum of five providers at any one time).~~

~~Other than in exceptional circumstances and in the Clearing House's sole discretion, an LCH Approved Outsourcing Agent may not act on behalf of more than three clearing members.~~

~~The appointment of an LCH Approved Outsourcing Agent does not absolve an FX FCM of its obligations under the ForexClear DMP (including its obligation to participate in an Auction) and an LCH Approved Outsourcing Agent's participation in the ForexClear DMP on behalf of an FX FCM, in the event of a default, shall not extend beyond the provision of operational and other ancillary support to that FX FCM.~~

2B.22.5 ForexClear DMG

~~The necessary involvement of FX FCMs and the ForexClear DMG (which, as defined in the Default Rules, refers to the advisory Default Management Group~~

~~established by the Clearing House pursuant to the terms of the ForexClear DMP Annex to the Default Rules) in the ForexClear DMP entails the assessment and dissemination of information that could give rise to conflicts of interest. To ensure that such potential conflicts are demonstrably contained, Appendix 2B.D establishes binding obligations of confidentiality, anonymity and the extent of dissemination of information on FX FCMs (and their executives or directors who participate from time to time in the ForexClear DMG) and on the Clearing House.~~

~~Each FX FCM who makes available a representative to serve on the ForexClear DMG agrees, and shall procure that, to the extent applicable, its representatives agree to be bound by and to ensure that it and any of its executives or directors serving on the ForexClear DMG complies with Appendix 2B.D covering confidentiality, non disclosure and other terms.~~

~~2B.23 — Payment of Stamp Tax~~

~~Each FCM Clearing Member shall pay any stamp tax or duty levied or imposed upon it or in respect of its execution or performance of the FCM Clearing Membership Agreement, the FCM Default Fund Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM ForexClear Contract) by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located or by any other jurisdiction and shall indemnify the Clearing House against any stamp tax or duty levied or imposed upon the Clearing House or in respect of the Clearing House's execution or performance of the FCM Clearing Membership Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM ForexClear Contract) by any such jurisdiction.~~

~~2B.24 — Section 168, Finance Act 1994~~

~~[Under section 696 Corporation Tax Act 2009 (“CTA 2009”), net payments in relation to certain derivative contracts (as defined in section 576 CTA 2009) by any company (company “A”) to a non-UK resident are denied UK tax relief unless one or more of the following conditions in section 697 CTA 2009 are met:~~

~~Company A is a bank, building society, financial trader or recognised clearing house acting as principal who has entered into the qualifying contract for the purposes of a UK trade.~~

~~The non-UK resident holds the qualifying contract (as principal) for the purposes of its UK trade.~~

~~A double tax treaty, that makes provision for interest, is in force between the UK and the country of residence of the non-UK resident (or, if different, the country of residence of the beneficial counterparty to the contract).~~

~~The Clearing House is considered a “recognised clearing house” as defined in section 285 of FSMA 2000.~~

~~Any contract must not be submitted to the Clearing House by FCM Clearing Members for clearing where one or more of the conditions in section 697 CTA 2009 are not satisfied, thereby bringing the contract within section 696 CTA 2009, nor should any FCM Clearing Member knowingly permit any such contract to be submitted by a ForexClear Participant. Should this occur the ForexClear FCM~~

~~Clearing Member in whose name the contract is to be or has been registered must promptly notify the Clearing House and, in any event, within 30 days of that FCM Clearing Member becoming aware of the situation. Having investigated the circumstances, the Clearing House has an obligation to notify the HM Revenue & Customs of the event and the Clearing House may, in its absolute discretion suspend any Executing [Dealer][Party] submitting such a contract for registration from the Register of Executing [Dealers][Parties]. The Clearing House may also, in its absolute discretion take such action in respect of the ForexClear FCM Clearing Member as it deems fit in accordance with the Regulations. The ForexClear FCM Clearing Member shall indemnify the Clearing House against any Corporation Tax or any other tax levied or imposed upon the Clearing House in respect of any such contract, and any other costs and expenses incurred by the Clearing House in connection therewith.~~

~~If in doubt, FCM Clearing Members should consult their professional advisers as to the potential application of sections 696 and 697 CTA 2009 to their transaction.]~~

- ~~2.1 The FXCCM agrees that, in consideration of being given Confidential Material, it will keep all such Confidential Material in the strictest confidence, adhere to the provisions of this Agreement in respect thereof and, subject to paragraph 2.3, will not disclose it to any person without the prior written permission of the Managing Director, Risk of the Clearing House or a Director of Risk Management of the Clearing House, providing always that the FXCCM shall be relieved of such an obligation of confidentiality in respect of any Confidential Material if:~~
- ~~a) it comes into the public domain other than through a breach by the FXCCM of this Agreement; or~~
 - ~~b) the FXCCM is expressly obliged to do so by order of a court of competent jurisdiction upon the application of a third party, or as a result of any request to disclose such part or parts of the Confidential Material in connection with any inquiry or other request by a regulatory authority or self-regulatory authority asserting jurisdiction over the FXCCM.~~

- ~~2.2~~ The FXCCM further agrees that it will not use any Confidential Material for any purpose other than the Permitted Purpose. In this regard the FXCCM expressly acknowledges and agrees that the Confidential Material may contain commercially sensitive information which if used inappropriately or otherwise than in accordance with this Appendix 2B.D might result in the gaining of an unfair commercial advantage by the FXCCM over other members of the Clearing House ForexClear Service.
- ~~2.3~~ Subject to paragraph 2.5, the FXCCM may disclose any Confidential Material to any of its employees, representatives, associated companies and advisers on a "strictly need to know" basis, in the event that any such person needs that Confidential Material for the Permitted Purpose (and to that extent only).

 - ~~c)~~ the existence of any discussions or negotiations between the parties in this matter.
 - ~~d)~~ details of the Permitted Purpose and any of the proposals, terms, conditions, facts or other matters relating to any of the forgoing. Subject only to the FXCCM being relieved of such an obligation because of the circumstances covered in paragraphs 2.1a) and 2.1b).

- ~~4.1~~ The parties acknowledge that the property in the Confidential Material (or any part of it) shall not pass to the FXCCM or any FXCCM, and the property in the media on

~~which it is conveyed to the receiving party shall not pass to the FXCCM or any FXCCM unless expressly so agreed by the Clearing House in writing.~~

~~5 Return of Confidential Material~~

~~5.1 Upon request by the Clearing House, and in any event upon fulfilment of the Permitted Purpose, the FXCCM shall promptly return to the Clearing House by a secure method of transportation all or any part of the Confidential Material and all copies thereof in its possession or control or that of its employees or representatives, including all other papers, programs and records incorporating any of that Confidential Material, or shall destroy such information and shall certify to the Clearing House in writing that it has done so provided that the FXCCM is permitted to retain copies of any Confidential Material which it requires as part of its portfolio management or otherwise for legal or regulatory reasons.~~

~~6 No Representations or Warranties; No Conflict of Interest~~

~~6.1 Subject to references made in paragraph 7, the Confidential Material is disclosed by the Clearing House without any representation or warranty whatsoever as to its accuracy or completeness or otherwise.~~

~~6.2 The Clearing House acknowledges and agrees that, subject to compliance with the terms of this Appendix 2B.D by the FXCCM and any of its employees or representatives to whom Confidential Material is provided in accordance with this Appendix 2B.D, the FXCCM's participation in the ForexClear Default Management Process shall not prevent the FXCCM from carrying out any transaction, or otherwise providing investment services in respect of, investments that the FXCCM may subsequently learn are the subject of Confidential Material and, furthermore, the Clearing House agrees that it shall not be able to assert that the FXCCM has a conflict of interest in doing so nor shall the Clearing House have a claim or action in respect of the foregoing against the FXCCM or any of its directors, employees or other representatives.~~

~~7 Liability~~

~~7.1 Subject to Regulation 24, the parties agree and acknowledge that neither the Clearing House nor any of its employees or representatives shall have any liability whatsoever to the FXCCM or any of employees or representatives, for any loss or damage of whatsoever kind howsoever arising directly or indirectly out of or in connection with the disclosed Confidential Material or its use.~~

~~7.2 The Clearing House accepts liability for any personal injury or death caused by the negligence of the Clearing House and any fraud or wilful default on the part of the Clearing House, for any actions that it may take on the basis of advice given to it by the FXDMG, and for the accuracy of the information (confidential material as defined in this Appendix 2B.D) that it distributes to the FXCCM in connection with the ForexClear Default Management Process.~~

~~7.3 Under no circumstances shall the Clearing House have any liability to the FXCCM for (a) any consequential loss or other indirect loss of whatsoever kind or (b) loss of anticipated profit (whether direct or indirect).~~

~~8 Remedies~~

~~8.1 Without affecting any other rights or remedies that the Clearing House may have, the FXCCM acknowledges that the Clearing House may be irreparably harmed by any breach of the terms of this Appendix 2B.D and that damages alone may not necessarily be an adequate remedy. Accordingly, the Clearing House will be entitled to the remedies of injunction, specific performance and other equitable relief, or any combination of these remedies, for any threatened or actual breach of its terms, and not proof of special damages will be necessary to enforce this Agreement.~~

~~Confidentiality and non-disclosure and general terms of participation in ForexClear Default Management Group~~

~~9 Conflict of interest~~

~~9.1 The FXCCM shall procure that, in the event that a FXDMG Member takes the view that a possible conflict of interest may arise with regard to any matter forming part of the business of the FXDMG, he shall promptly report his view to the Chairman of the FXDMG, who shall act accordingly, taking the advice of other FXDMG Members as appropriate.~~

~~10 Confidentiality~~

~~10.1 Subject to paragraph 10.3 below, the FXCCM shall procure that the FXDMG Member shall keep all Confidential Material strictly confidential to himself and will not disclose it to any person who is not a FXDMG Member (including, for the avoidance of doubt, the FXCCM who recommended his appointment to the FXDMG (the Nominating FXCCM) or his employer (if different) or any other employee, adviser, officer or fellow worker of that FXCCM or his employer) without the prior written permission of the Managing Director, Risk of the Clearing House or his properly authorised delegate, providing always that the FXDMG Member shall be relieved of such an obligation of confidentiality in respect of any Confidential Material if it comes into the public domain in the circumstances covered in paragraphs 2.1a) and 2.1b).~~

~~10.2 Subject to paragraph 10.3 below, the FXCCM shall procure that the FXDMG Member shall not use any Confidential Material for any purpose other than the proper fulfilment of his duties as a FXDMG Member.~~

~~10.3 The parties acknowledge that, in the event that a Default Notice is issued by the Clearing House in respect of any ForexClear Clearing Member, the FXDMG Member may be required by the Nominating FXCCM and/or his employer (if different) to provide certain services to the Clearing House in the management of the default. In such event, and only in such event, the parties acknowledge that the~~

~~FXDMG Member shall be entitled to disclose any part or parts of the Confidential Material as may be agreed by the Clearing House, in such manner and form and in accordance with such procedures as may prescribed by the Clearing House and/or the FXDMG with regard to the management of that default.~~

~~10.4 Upon request by the Clearing House, and in any event upon termination of the membership of the FXDMG Member of the FXDMG, the FXCCM shall procure that the FXDMG Member shall promptly return to the Clearing House by a secure method of transportation all or any part of the Confidential Material and all copies thereof in his possession or control, including all abstracts, notes, drawings and other papers, programs and records incorporating any of that Confidential Material, or shall destroy such information and shall certify to the Clearing House in writing that it has done so, provided that the FXDMG Member is permitted to retain a copy thereof to comply with applicable legal or regulatory requirements.~~

~~11 Warranty and representation~~

~~11.1 The FXCCM represents and warrants that it will procure that:~~

- ~~a) the Nominating FXCCM and the FXDMG Member's employer (if different) are aware of the obligations of confidentiality arising out of this Agreement; and~~
- ~~b) nothing in this Appendix 2B.D will cause the FXDMG Member to breach any duty or obligation (whether arising pursuant to contract or otherwise) which he owes to the Nominating FXCCM or to his employer, if different, or any other contract counterparty of the FXDMG Member.~~

~~12 Confidentiality and non-disclosure: general obligations of the Clearing House~~

~~12.1 The Clearing House will treat all Confidential Material in the terms envisaged in this Appendix 2B.D, confining use to the ForexClear Default Management Process, restricting its availability on a "strictly need to know basis", and exercising every duty of care required of it as a Recognised Clearing House and as a Derivatives Clearing Organization.~~

FINANCIAL TRANSACTIONS Technical questions about this algorithm should be directed to the Clearing House Risk Management Department at +44 (0)20 7426 7520.

2D.10 TAX

Nodal CMs should rely on their own advice or the advice of their outside advisors regarding any taxation liabilities in any country in which a liability to pay tax may arise.

In the event that the Clearing House incurs any liability to pay any tax in respect of or in connection with any FCM Nodal Contract or Nodal Contract, it shall have the right to require reimbursement of such tax liability, together with any costs and expenses incurred by the Clearing House in connection with the administration and processing of such tax liability, from the Nodal CM who is or was party to that FCM Nodal Contract or Nodal Contract, and who, in the Clearing House's opinion, should be responsible for meeting such tax liability, costs and expenses. The Clearing House will collect such payments through PPS.

2D.11 SETTLEMENT OF FCM NODAL CONTRACTS

FCM Nodal Contracts and Nodal Contracts are settled depending upon their terms, as set out in the relevant FCM Nodal Contract Terms or Nodal Contract Terms.

2D.11.1 Cash Settlement

Cash settlement is a final settlement derived from the difference between the final Settlement Price and the previous trading day's daily Settlement Price or such other quotation as is specified in Nodal's Rules. This is debited from or credited to the Nodal CMs' financial accounts.

2D.11.2 Reference Prices for daily settlement to market

Should Nodal fail to determine Reference Prices, the Clearing House will itself determine these as necessary. This will be done at the Clearing House's discretion and be announced as soon as possible following such determination.

2D.12 POSITION TRANSFERS

Nodal CMs will not have the functionality to affect a position transfer to another Nodal CM or between internal accounts. For the avoidance of doubt, this means that FCM Nodal Clearing Members may not transfer FCM Nodal Contracts pursuant to FCM Regulation 8.

3. **FINANCIAL TRANSACTIONS**

3.1 **Accounts**

3.1.1 **Overview**

FCM Clearing Members are usually provided with two sub-accounts per financial account:

- **Cover account;**
- **Tender account (not applicable to Default Fund (DF) accounts);**

These accounts are used to record cash movements between the Clearing House and the FCM Clearing Member. Refer to Section 2A.5 ~~and Section 2B.6~~ for a full description of financial accounts. Although the Clearing House and FCM Clearing Members are permitted to physically commingle FCM Client ~~cover~~Account Assets relating to FCM Contracts in any Business Category of FCM Contracts, FCM Clearing Members and the Clearing House are required to maintain separate accounts with the Clearing House for each such Business Category of FCM Contract.

3.1.2 **Cover Account Postings**

Transactions posted to the Cover account include but are not limited to:

- **PPS payments and receipts;**
- **Option Premiums;**
- **Interest and accommodation charges;**
- **Currency purchases and sales;**
- **Clearing House fees, charges and rebates;**
- **Exchange fees, levies and rebates;**
- **Variation margin, Price Alignment Interest and coupons;**
- **SwapClear coupon payments;**
- **SwapClear coupon adjustments;**
- **Net Present Value (NPV); and**
~~Price alignment interest;~~
- **Consideration.**

3.1.3 **Tender Account Postings**

Transactions posted to the Tender account include but are not limited to:

- PPS payments and receipts;
- Settlement differences; and
- Coupon Payments relating to member collateral.

3.1.4 Financial Transaction Reporting

~~Details of postings to these accounts are available to FCM Clearing Members with direct access to the LCH.Clearnet Limited Member Intranet Site. FCM Clearing Members with direct access to the LCH.Clearnet Limited's Member Intranet Site for SwapClear (see Section 2A.1.3) should use the "Yesterday's Cover Account Postings" report.~~

Banking reports are generated each day that provide members with data relating to but not limited to: liabilities by market, cash balances, non-cash balances, cash posting and interest rates.

All reports are available via the Member Reporting Web Site (Member Live site) and can be downloaded via the user interface or directly to Member back-office systems via an SFTP connection.

A "Banking Reports Reference Pack" can be requested from the LCH.Clearnet Client Training Team, this contains definitions and examples of each of the available reports.

3.2 Protected Payments System (PPS)

The Clearing House operates a direct debit system, known as the Protected Payments System (PPS), for the transfer of funds to and from FCM Clearing Members. ~~It is operated in both London ("London PPS") and in the United States (where it is known as "US PPS").~~ PPS is a recognised interbank payments system overseen by the Bank of England.

~~3.2.1~~ **London PPS**

PPS is operated in both London ("London PPS") and in the United States (where it is known as "US PPS"). FCM Clearing Members should note that the PPS (both in London and in the US) is a system for facilitating payment to the Clearing House of moneys due from FCM Clearing Members to the Clearing House and vice versa. The giving of a commitment by a participating Bank through PPS to make any payment, and the receipt of that commitment by the Clearing House is not to be regarded as satisfaction of any payment due to the Clearing House.

Each FCM Clearing Member remains fully responsible for the payment to the Clearing House of all moneys due to the Clearing House as required, *inter alia*, by the FCM Clearing Membership Agreement, clearing extension documentation and the applicable provisions of the FCM Rulebook. Payment is only completed when the funds have been credited for value to the relevant Clearing House bank account, and any time permitted by the relevant payment settlement system for the recall of any such payment has expired.

3.2.1 PPS

- (a) Introduction

An FCM Clearing Member must open and maintain PPS accounts in GBP and USD and such other currencies in which it incurs settlements on its Client or House accounts.

In addition, FCM Clearing Members must open PPS accounts in London in USD and in all other currencies in which it incurs settlements ~~(see Appendix 3A for a list. For details of the relevant participating current PPS banks in London), please refer to the following link:~~

www.lchclearnet.com/risk_management/ltd/pps/

Any bank charges connected with the holding of any PPS bank accounts or related to any activity on that account must be paid by the ~~account holding~~ FCM Clearing Member [holding the relevant account](#).

The GBP non-segregated PPS account will, inter alia, be used to process DF contributions [for all services](#).

Where applicable, all PPS accounts that hold FCM Clients' funds and collateral must be segregated in ~~line with the FCM Regulations and CFTC Regulation 1.49~~ [accordance with the FCM Regulations and the applicable provisions of the CEA and CFTC Regulations, including but not limited to Part 1 and Part 190 of such regulations \(but excluding Part 22 until compliance therewith becomes mandatory under the CFTC Regulations, as specified in the FCM Regulations\)](#).

~~(b)~~ **PPS Mandate**

~~Each FCM Clearing Member is required to complete a standard form London PPS Mandate(s) (see Appendix 3B) for each bank branch at which they wish to operate an account before clearing can commence.~~

~~(e)~~ **(b) Morning PPS Calls**

FCM Clearing Members' liabilities are calculated overnight. ~~Should the amount relevant liability~~ not be covered by acceptable forms of cover held by the Clearing House (see ~~S~~ [Section 3.3](#)) ~~the difference~~ [any shortfall](#) is called through London PPS with separate calls made for each currency. It is the responsibility of each FCM Clearing Member to ensure that its London PPS bank(s) meets all payment instructions received from the Clearing House. Confirmation of payments, as notified, must be received by the Clearing House from the relevant PPS bank(s) by 09:00 ~~hours~~, or ~~earlier~~ [within one hour of a subsequent call](#), on the day on which the PPS Call is made. [Payments will only be recognized for this purpose if the relevant PPS bank \(i\) has performed its concentration function \(being the transfer of net funds from the PPS bank to a central account in the name of the Clearing House\) \(ii\) has made such payments, and \(iii\) any time permitted by the relevant payment settlement system for the recall of any such payment has expired.](#)

~~(d)~~ **Other PPS Functions**

~~In addition to the morning calls, London PPS is used to:~~

- ~~(i) remit surplus cash balances to the FCM Clearing Member's PPS bank(s) upon instruction to LCH.Clearnet Limited Treasury Operations between 07:00 and 9:30 hours or by prior arrangement with LCH.Clearnet Limited Treasury Operations;~~

Where payments are due to an FCM Clearing Member, payments will be recognized as soon as payment instructions in respect of that payment have been given to a PPS bank. For this purpose, a payment instruction will only be recognized to the extent that the Clearing House has taken steps to transfer to the PPS bank any such sums as may be necessary to enable that payment instruction to be performed by the PPS bank.

(c) Intraday PPS Calls

The intra-day margin call by the Clearing House is for intra-day cover payments; GBP, EUR or USD can be used to cover margin intraday. Between 14.30 – 16.00 (London time) only USD will be called in London.

Normally the Clearing House will call intra-day margin through London PPS accounts. However where the Clearing House wishes to make such an intra-day call after London PPS closes (16:00 London time), such a call will be made upon the FCM Clearing Member's nominated US PPS account.

FCM Clearing Members must designate a currency (GBP, EUR or USD) that will be called by default during the hours of London PPS for each mnemonic/sub-account. Clearing Members may request a change to the default currency no later than 09.30 am London time in order for the change to be undertaken the following day. FCM Clearing Member's may submit a request to change their currency at the following link:

www.lchclearnet.com/risk_management/ltd/preferential_currency_for_intraday_margin_calls_form.asp

The Clearing House has the ability to call US dollars in respect of an intra-day margin call up until 16:00 hours New York Time (21:00 hours London Time).

~~(ii) The Clearing House must receive confirmation of payment from the FCM Clearing Member's nominated PPS bank(s) within one hour of receipt of the intraday call by the relevant bank of the PPS Call. Such PPS calls will usually be made up until 16:00 hours~~branch.

Failure of a bank to confirm a PPS call within one hour may result in the FCM Clearing Member being declared in default. Late confirmation of PPS calls are reported to the regulators of LCH.Clearnet.

(d) Auto repay

FCM Clearing Members may request that they are automatically repaid any excess cash balances that remain on their accounts at the end of each day. FCM Clearing Members must contact Treasury Operations in order to have auto-repay applied to their accounts. (LCHOperations-Treasury@lchclearnet.com or telephone +44 (0)20 7426 7505)

(e) Value Date

~~FCM Clearing Members should note that the PPS (both in London and in the USA) is a system for facilitating payment to the Clearing House of monies due from FCM Clearing Members to the Clearing House and vice versa. The giving of a commitment by a participating Bank through PPS to make any payment, and the receipt of that commitment by the Clearing House is not to be regarded as satisfaction of any payment due to the Clearing House. Each FCM Clearing Member remains fully responsible for the payment to the Clearing House of all moneys due to the Clearing House as required, inter alia, by the FCM Clearing Membership Agreement, the FCM Default Fund Agreement, clearing extension documentation, these FCM Procedures, the Default Rules and the FCM Regulations. Payment is only completed when the funds have been credited for value to the relevant Clearing House bank account, and any time permitted by the relevant payment settlement system for the recall of any such payment has expired.~~

Although confirmation from the banks that PPS payments will be made must be received within the deadlines set out in Sections 3.2.1(b) and 3.2.1(c), subject to section 3.2.1(g), all currency transactions are processed by PPS with next business day value with the exception of the following currencies: CAD, EUR, GBP and USD which are processed with value for the same business day.

(f) Foreign Bank Holidays

The Clearing House has made arrangements with ~~its~~ London PPS banks to operate the PPS on all UK banking days including foreign bank holidays.

Confirmation that PPS payments will be made must ~~still~~ be received within the deadlines set out in Sections 3.2.1-~~5~~(b) and 3.2.1-~~6~~(c). However, the value date for any PPS transactions made on a day which is a bank or public holiday in the country of that currency will be for the next business day on which both the foreign currency centre and the Clearing House are open for business. This applies to GBP, CAD, EUR and USD.

Example: 20 August is a public holiday in the USA but not in the UK. 21 August is a normal banking day in the USA.

On the 20 August, the Clearing House will issue its normal USD instructions to PPS banks, and receive confirmation in response to the PPS Call, for value 21 August.

Please refer to the Clearing Member Circulars for details of Clearing House opening days and currency holidays at the following link:

www.lchclearnet.com/member_notices/

(g) UK Bank Holidays

The Clearing House does not give value to any ~~payment~~currency on a UK bank holiday, if the Clearing House is closed for business on that bank holiday. PPS Calls will be made on the next following business day for the relevant currency.

However, the Clearing House may sometimes be open for business on a UK bank holiday – in such circumstances PPS Calls will be made as normal that

day. ~~Value will be given the same day providing that US banks are the relevant currency centre is open for business. It should be noted, however, that value for GBP is given on the next GBP business day too.~~

~~(g) — Secured Debit Cash Balances~~

~~FCM Clearing Members may, at the discretion of the Clearing House, secure debit cash balances up to defined limits with collateral or cash in another currency. Once the cash balance exceeds any such limit, the London PPS automatically issues an instruction demanding payment of the full amount in that currency.~~

~~For current debit cash limits, refer to LCH.Clearnet Limited circulars or contact LCH.Clearnet Limited Treasury Operations.~~

~~LCH.Clearnet Limited reserves the right to alter the levels set and/or to demand immediate payment of the total sum due or any part thereof.~~

~~3.2.2 — US PPS~~

~~Each FCM Clearing Member is required to maintain a US dollar PPS account for its House and Client account with at least one of the US PPS Banks — a list of the participating branches appears at Appendix 3C.~~

~~Where applicable, all PPS accounts must be segregated in line with the FCM Regulations, CFTC Regulations 1.20 and 1.49 and Part 22 of the CFTC Regulations.~~

~~This requirement is supplemental to and additional to the requirement that each FCM Clearing Member must hold relevant PPS accounts in London, which must also segregate FCM Clients' funds and collateral as required by the FCM Regulations and CFTC Regulation 1.49.~~

~~(a) — US PPS Mandates~~

~~An FCM Clearing Member is required to complete a standard form US PPS mandate (see Appendix 3D). The original of the US PPS mandate must be signed by a person with the appropriate authority within the FCM Clearing Member institution and then forwarded to the relevant bank. A copy must also be forwarded at the same time to the Clearing House.~~

~~(b) — Intra Day Margin Call~~

~~The intra-day margin call by the Clearing House is for intra-day cover payments.~~

~~Normally the Clearing House will call intra-day margin through London PPS accounts. However where the Clearing House wishes to make such an intra-day call after London PPS closes (16:00 London time), such a call will be made upon the FCM Clearing Member's nominated US PPS account.~~

~~The Clearing House has the ability to call US dollars in respect of an intra-day margin call up until 16:00 hours New York Time (21:00 hours London Time).~~

~~Funds will be called through US PPS until 16:00 hours NY Time (21:00 hours London Time)~~

~~(e) Confirmations~~

~~The Clearing House must receive confirmation of payment from the FCM Clearing Member's nominated US PPS bank within one hour of receipt of the US PPS Call by the relevant US bank branch.~~

~~(d)(h) Use of London PPS and US PPS~~

These FCM Procedures indicate which part of the PPS system will be used in the normal course of events for making PPS Calls. Generally London PPS will be used for Morning PPS Calls (including contributions to the Default Fund), remitting surplus cash balances to an FCM Clearing Member, and for making intra-day margin calls up to 16:00 hours London time. However FCM Clearing Members should be aware that the Clearing House reserves the right to direct a Morning PPS Call or intra-day margin calls before 16:00 hours London time to an FCM Clearing Member's US PPS account in exceptional circumstances ~~(“an “~~**Exceptional PPS Call**~~”).~~ The Clearing House will use all reasonable commercial endeavours to notify the FCM Clearing Member in advance of issuing any such Exceptional PPS Call.

(i) Contingency Payment Arrangements

FCM Clearing Members must ensure that they have contingency arrangements to ensure continuity of margin payment in the event of failure of their nominated PPS Bank. From time to time the Clearing House may require the FCM Clearing Member to provide evidence of these arrangements.

(j) Recovery from insolvent PPS Banks

In the event that payment is not completed by the relevant PPS bank, due to insolvency and not a technical failure, and the affected FCM Clearing Member(s) make alternative payments, the Clearing House, should it make a recovery from the estate of the PPS bank, will credit such recovery, net of costs, to the accounts of the affected FCM Clearing Members in proportion to the amount of the original missed payment.

3.2.2 PPS Mandate(s)

Each FCM Clearing Member is required to complete a standard form London PPS and US PPS Mandate(s) (copies are available from membershipteam@lchclearnet.com) for each bank branch at which they wish to operate an account before clearing can commence. The original of the mandate must be signed by a person with the appropriate authority within the FCM Clearing Member institution and then forwarded to the relevant bank. A copy must also be forwarded at the same time to the Clearing House Membership Department.

3.3 **Acceptable Forms Of Cover**

The Clearing House accepts certain types of securities and cash in the Clearing House's prescribed form against liabilities

The Clearing House may vary, at its discretion, the standard requirements and valuation procedures set out in this Section, either generally or in a particular case, without giving prior written notice to FCM Clearing Members. Further, the Clearing House may vary the types of cover acceptable to it, including but not limited to cash, performance bonds or securities.

To view ~~our~~ [a list of acceptable collateral](http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp) ~~list~~, go to: http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp.

3.3.1 **Cash**

In order not to fall within the scope of deposit-taking regulations applying to banks and similar institutions, the Clearing House can accept cash from FCM Clearing Members only in relation to current or anticipated obligations.

FCM Clearing Members must give LCH.Clearnet Limited Treasury Operations no less than two (2) Business Days notice of their intention to request withdrawal of cash used as cover for margin and its replacement by the lodgement of [non-cash collateral](#). In the event that an FCM Clearing Member seeks to withdraw such cash cover without giving such notice, the Clearing House ~~will~~ [may](#) decline to release such cash cover until the end of the required notice period.

3.3.2 **Securities**

Please refer to the following ~~pages on our~~ [section of the Clearing House's](#) website for both prevailing haircuts and notes on collateral acceptable for margin purposes:

http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp

3.3.3 **Securities Value Notification**

FCM Clearing Members may obtain details on the [cover value](#) of securities ~~credited to~~ [on](#) their account ~~on a daily basis~~. ~~FCM Clearing Members with direct access to~~ [by viewing](#) the ~~LCH.Clearnet Limited relevant reports available on the Member Intranet site should use the "Collateral by Member" report~~ [Reporting Website](#).

3.4 **Distribution Of Cover**

3.4.1 **Overview**

As different types of cover attract different utilization fees and different contracts are assessed for VAT in different ways (see Section 3.5.4), the Clearing House identifies the cover applied to liabilities in order to allow utilization fees and VAT to be calculated correctly.

This is done by establishing a specified order for both types of liabilities and types of cover and applying cover sequentially, such that cover type 1 is applied first to

liability type 1, cover type 2 to liability type 1 if there is a deficiency when cover type 1 has been exhausted and so on.

The following procedures are not in any way intended to restrict, vary, or alter the Clearing House's rights to apply cover held (including any described in LCH.Clearnet Limited reports/records as "unutilized" or "excess") to meet the FCM Clearing Member's liabilities/obligations to LCH.Clearnet Limited.

3.4.2 Liability Order

Note: The following provision applies solely for the purpose of calculating fees. In case of default by an FCM Clearing Member, please see Section 3.4.4 below.

Liabilities will be covered in the order:

- (a) Secured debit cash balances (see Section 3.2.1-10);(h));
- (b) Variation Margin and ~~initial margin~~Initial Margin including offset of contingent credits.

3.4.3 Cover Application

Note: The following provision applies solely for the purpose of calculating fees- during the overnight offsetting of FCM Clearing Members' collateral against FCM Clearing Members' liabilities. In case of default by an FCM Clearing Member, please see Section 3.4.74 below.

~~Cash will be applied before to each liability.~~

FCM Clearing Members may choose to have cash applied before securities: collateral to their liability or fees, or vice versa.

3.4.4 Order of Priority on Default

Post-default the Clearing House is entitled to realize and/or apply cover in whatever order it deems appropriate.

3.5 Interest And Accommodation Charge Structure

~~This Section applies to accounts other than DF accounts.~~

3.5.1 Cash Balance Interest Rate

The Clearing House applies interest to FCM Clearing Member's cleared cash balances. The following rates are applied:

~~3.5.1~~ LDR – London Deposit Rate (LDR)

- The LDR is the rate at which the Clearing House will ~~normally~~ pay or charge interest on credit cash balances (excluding DF Contributions);

~~(a) Calculation~~

~~LDR is calculated daily for each currency by 10:00 hours. It is derived from bid rates for overnight funds quoted by selected money brokers and/or major banks. For next day value currencies, LDR is calculated the day prior using the tom/next rate.~~

- CDR – Client Deposit Rate – the rate at which the Clearing House will pay or charge interest on credit cash balances on SwapClear Client financial accounts; and
- Default Fund Rate.

Rates are available ~~on and on from~~ the ~~Clearing House banking system (screen code CBRDS) or by telephone from LCH.Clearnet Limited Treasury Operations~~Member Reporting Website.

~~(b) — Alteration~~

~~3.5.2 — Contingency Payment Arrangements~~

~~3.5.3~~3.5.2 Price Alignment Interest (PAI) Rate

To ~~minimize~~size the impact of daily cash ~~variation margin~~Variation Margin payments on the pricing of interest rate swaps, the Clearing House will charge interest on cumulative variation margin received by the clearing member and pay interest on cumulative variation margin paid in by the clearing member respect of these instruments. This interest element is known as price alignment interest (“PAI”).

The calculation of PAI shall use the interest rates specified as below. The amount of PAI for each currency shall be calculated as:

The amount of NPV in such currency from the previous ~~day's COB~~Business Day's close of business multiplied by:

- The relevant interest rate in effect for that day; divided by

FCM Clearing Members wishing to lodge securities with the Clearing House must first complete a Form of Charge. This document establishes a fixed charge over specified securities transferred into an account with the Clearing House by the

The Form of Charge document covers securities that are transferred to the Clearing House via bilateral settlement or via Triparty arrangements. To operate Triparty arrangements with the Clearing House an additional Collateral Services Agreement (CSA) must also be executed with the relevant ICSD.

Charge documentation is available from the Clearing House Risk Department and should be returned on completion to that department.

All transactions to deposit or withdraw from the Clearing House will be executed free of payment.

4.3 Instructions via the Collateral Management System

The details input on the Collateral Management system will form the basis of the matching instruction sent to the relevant CSD/custodian. FCM Clearing Members must ensure that the details are input correctly in order to avoid unmatched transactions

It is the responsibility of the FCM Clearing Member to input a cancellation request of any incorrectly input instruction and then subsequently input the correct details in a new instruction. Please note that it may not be possible to cancel an instruction, please see Section 6.8 below for further details.

The Clearing House will update the status of the instruction in the Collateral Management system in relation to the status of the instruction at the CSD/Custodian. On settlement of the transaction the Clearing House will reflect the balance of the securities on the FCM Clearing Member's account and provide value for the purposes of cover.

The Clearing House will notify FCM Clearing Members of the relevant account details for matching. FCM Clearing Members should refer to Appendix 4D to establish the correct place(s) of settlement for a particular security.

4.4 Withholding Taxes

~~4.2.4.4.1~~ 4.4.1 US Withholding Taxes

US income tax laws impose a withholding tax on payments of US source interest, including original issue discount, to a foreign person unless an exemption or reduced rate applies. Interest is US source income, if the debtor is a US corporation. Interest on debt obligations issued after July 18 1984 is generally exempt from US withholding tax. In addition, a foreign person who is a resident of a country with which the US has an income tax treaty may be entitled to a reduced withholding tax rate or an exemption from the US withholding tax.

In order to reduce or eliminate US withholding tax, the correct tax documentation must have been provided in respect of each owner. To this end, FCM Clearing Members will be expected to provide one of the forms (noted below) to the Clearing House. A current form will be required for each FCM Clearing Member.

The relevant forms will normally be one of:

- (a) “W-9 (Request for Taxpayer Identification Number and Certification)”.
Applies to a US corporation including a foreign branch of a US corporation;
or
- (b) “W-8BEN (Certificate of Foreign Status)”

Applies to non-resident alien individuals, foreign corporations, partnerships and estates.

FCM Clearing Members may obtain originals of forms W-8BEN and W-9 from Treasury Operations.

Note: The Clearing House’s arrangements with the Custodians only allow for securities holdings of US corporations or foreign (i.e. non-US) entities or individuals. FCM Clearing Members who wish to discuss the possibility of lodging securities belonging to owners excluded from this arrangement should contact Treasury Operations.

Unless the Clearing House has already received the appropriate tax form, lodgements into A/c numbers 735136, 735138, 206203 and 090401 must be accompanied by form W-9.

Unless the Clearing House has already received the appropriate tax form, lodgements into A/c numbers 735137, 735139, 207887 and 090372 must be accompanied by form W-8.

The Clearing House’s acceptance of US securities does not indicate any responsibility for the adequacy or otherwise of tax documentation. Any queries in relation to these tax forms should be referred to your company accountant or professional advisers.

Completed tax forms should be returned to Treasury Operations for onward transmission to the Custodians.

Custodians offer a recovery service for overseas taxes on Government Bonds. The Clearing House will assist in the recovery process and remit to Clearing Members any recovery in withholding tax credited to the Clearing House’s House’s account by the Custodian.

In certain cases the Custodian/the Clearing House will withhold tax on a coupon if the correct documentation is not lodged with either the custodian/the Clearing House at the time when a coupon is due.

4.4.2 **Italian Securities**

The accounts are operated by the Clearing House in accordance with the “Custodians Procedures to Obtain Exemption from Italian Withholding Tax on Italian Domestic Debt Securities”.

Beneficial owners are entitled to exemption at source from Italian Withholding Tax on Italian securities if they are:

- (a) resident in a country that has entered into a double taxation agreement with Italy (except Black list countries/countries that do not have a tax treaty with Italy); or

- (b) a corporation resident in Italy; or
- (c) a supranational ~~organisation recognised~~[organization recognized](#) by Italian Law.

Beneficial owners are required to supply duly completed and executed official forms as proof of eligibility to exemption, and where applicable supply additional documentation, before a delivery can be made.

Official forms are available on request from Treasury Operations Department.

Original forms are to be received by the Clearing House before Italian securities can be accepted within our accounts.

The effective date depends on the type and terms of the security:

Coupon Debt securities (BTPs, CCTs and CTOs)

The new regime applies to the interest on these securities that starts to run on or after 1 January 1997, regardless of the issue date.

Zero coupon debt securities with a maturity of less than one year (BOTs)

The regime applies to all securities issued on or after 1 January 1997.

Clearing Members should consult their own tax advisers before lodging Collateral to the Clearing House or submitting any tax documentation.

4.4.3 Withholding tax — CSDs/Custodians

CSDs/Custodians may offer a recovery service for overseas taxes on Government Bonds. The Clearing House will assist in the recovery process and remit to FCM Clearing Members any recovery in withholding tax credited to the Clearing House's account by CSDs/custodians.

In certain cases the CSDs/custodian and Clearing House will withhold tax on a coupon if the correct documentation is not lodged with either CSD/Custodian and the Clearing House at the time when a coupon is due.

4.4.4 References

These procedures should be read in conjunction with the relevant user guides and/or manuals of the relevant CSD/custodian. Please also refer the each CSD/custodian for the relevant settlement deadlines in particular those for deliveries from local markets to Clearing House accounts.

4.4.5 Contingency arrangements

In the event of an outage of the Collateral Management system FCM Clearing Members will be able to lodge and release securities by faxed instruction to the Clearing House.

FCM Clearing Member will be notified of a Collateral Management system outage via Member Circular that will notify FCM Clearing Members of the switch to contingency arrangements. The FCM Clearing Member should then revert to the fax forms for securities found in the appendices to this Section 4.

[Normal service hours and deadlines will apply to faxed instructions](#)

[FCM Clearing Members will be notified via Member Circular when normal service resumes.](#)

T

BUSINESS CONTINUITY**5. BUSINESS RECOVERY****5.1 Recovery Situations**

The FCM Procedures set out in this Section are intended to provide FCM Clearing Members with a guide to the changes in working practices which would follow the invocation of the Clearing House's Business Continuity Plans.

Due to the uncertain nature of the events which would lead to the need for Business Recovery the Clearing House reserves the right to depart from these FCM Procedures to meet the characteristics of specific business recovery situations.

These FCM Procedures provide for the evacuation or decommissioning of Aldgate House. The procedures detail the alterations to the Clearing House's operations and also the action to be taken on invocation of the Business Continuity Plans.

5.2 Recovery Situations Affecting Members' Offices**5.2.1 During Office Hours**

FCM Clearing Members that are unable to gain access to their principal office accommodation and as a result require the Clearing House assistance should contact the Help Desk enat +44 (0)20 7426 7200.

5.2.2 Outside Office Hours

FCM Clearing Members should telephone the Clearing House enat +44 (0)20 7426 7545, leaving the following information:

Name:

Company Name:

Contact Telephone Number:

Brief Details of the Nature of the Problem:

A member of the Clearing House operational staff will then make contact regarding any assistance that can be given.

5.3 Aldgate House Evacuation**5.3.1 Communicating with FCM Clearing Members**

Should the Clearing House be forced to evacuate Aldgate House it will need to inform its FCM Clearing Members as soon as practicable. The following sections detail a number of different messages that the Clearing House may wish to communicate. However, in all cases the means by which information will be disseminated is the same. Information will be communicated to FCM Clearing Members by the following methods:

- (a) facsimile transmissions to FCM Clearing Members designated fax machines;

- (b) posting messages on www.lchclearnet.com;
- (c) posting messages on the following toll free number: 0044 800 1 69 69 09.

5.3.2 Broadcast message on TRS/CPS

Some of the above communications methods can only be used to disseminate very short messages. However the toll free number is capable of recording a message of up to ten minutes duration, and handling unlimited concurrent connections. It is therefore likely to be the main method used for providing FCM Clearing Members with progress reports following an initial broadcast message.

~~5.3.2~~5.3.3 Evacuation of Aldgate House

If it is necessary for the Clearing House to evacuate Aldgate House, and if re-entry to the building is unlikely within thirty minutes, FCM Clearing Members will be informed by disseminating the following message using the methods described in Section 5.3.1 above.

“The Clearing House has been forced to evacuate Aldgate House. Please refer to Clearing House Procedures - Business Continuity Arrangements for further information.”

At this time all of the activities normally carried out at Aldgate House will have ceased, if only temporarily. FCM Clearing Members will be kept informed of developments as further details become available.

Please note that the reason for broadcasting the above message is to provide FCM Clearing Members with early notification of an evacuation of Aldgate House. At this stage no decision will have been taken to invoke Business Continuity Plans. See Section 5.3.3 below for advice on how FCM Clearing Members will be notified of an invocation of the recovery plan.

~~5.3.3~~5.3.4 Invoking of Business Continuity Plans

The Clearing House is contracted with a specialist provider for dedicated and syndicated work area recovery facilities. The agreement between the Clearing House and the provider stipulates that dedicated work area recovery positions will be available immediately. Syndicated recovery positions will be available within four hours of invocation.

Depending on the severity of an incident a full or partial invocation of the service may be required.

~~5.3.4~~5.3.5 Limited Invocation

If the Clearing House's assessment of the incident suggests that reoccupation of Aldgate House will be possible within two hours, then it is likely that only the mission critical activities (MCA) will be recovered to the recovery site. All other activities will cease until Aldgate House becomes available.

The following message will be posted:

“The Clearing House has invoked business continuity plans for its MCA’s. Please refer to the Clearing House’s Procedures - Business Continuity Arrangements for further information.”

~~5.3.5~~ 5.3.6 **Full Invocation**

Once a decision has been taken to proceed with full invocation of business continuity plans FCM Clearing Members will be informed at the earliest opportunity. This will be achieved by disseminating the following message using the methods described in Section 5.3.1 above.

“The Clearing House has invoked all business continuity plans. Please refer to the Clearing House’s Procedures - Business Continuity Arrangements for further information.”

It is anticipated that a period of approximately two hours will elapse between the invocation of full business continuity plans and relocation of recovery teams. During this time most of the activities normally carried out at Aldgate House will cease.

Please note that the Clearing House’s primary data center is not located at Aldgate House and so an evacuation of the site will not affect FCM Clearing Members’ ability to access IT applications.

5.3.7 **Imminent Expiry of Options**

Clearing Members are reminded that the responsibility for exercising options prior to their expiry deadline lies solely with them and that any assistance given by the Clearing House is purely on a ‘reasonably endeavors’ basis. If any evacuation of Aldgate House coincides with an option expiry this assistance may cease.

If the Clearing House’s invocation of Business Continuity Plans coincides with an option expiry, the notification of the Clearing Member’s option allocations and the deadline for the entry of option exercises may be delayed.

~~5.3.6~~ 5.3.8 **Cover Calling**

In order to simplify the Treasury process, it is likely that a number of routine Treasury Procedures may be amended or suspended. These may include but are not limited to:

- (a) the acceptance/release of securities and guarantees;
- (b) the conversion of currencies;
- (c) the ability to cover liabilities in currencies other than their original currency.

~~5.3.7~~ 5.3.9 **Registration of Contracts**

The Clearing House reserves the right, at its discretion, to amend the timing of registration as it deems necessary. In the event that registration is to be delayed

the Clearing House will notify FCM Clearing Members as soon as practically possible.

~~5.3.8~~ 5.3.10 **New Address for Document Delivery**

Following invocation of the business continuity plans the Clearing House will provide new address details for document delivery. Will arrange to have its mail forwarded to its office recovery site.

~~5.3.9~~ 5.3.11 **Permanent Change of Address**

If an incident is so serious that the Clearing House is unable to reoccupy Aldgate House, FCM Clearing Members will be informed of the proposed new office location and contact numbers prior to occupation of the premises. This information will be communicated via the methods described in Section 5.3.1.

FCM Clearing Members will be informed of the date when the new arrangements will take effect.

~~5.3.10~~ 5.3.12 **Return to Normal**

When the Clearing House is able to resume a normal service a message will be disseminated using the methods described in Section 5.3.1 above. Assuming that it has been possible to return to Aldgate House the following message will be broadcast.

“The Clearing House has returned to Aldgate House. Please revert to normal contact telephone numbers and procedures.”

If normal working is being resumed at a site other than Aldgate House FCM Clearing Members will already have been informed of the new office location and contact numbers see Section 5.3.10 above. The following message will be broadcast.

“The Clearing House is resuming normal service at <insert location name>. Please use the new contact numbers previously supplied.”

5.4 **Clearing House Data Centre**

5.4.1 **Failure of LCH's Data Centre**

If the Clearing House's primary data centre fails during business hours, those Clearing House IT systems that are used by FCM Clearing Members will be temporarily unavailable while processing is transferred to the secondary data centre.

- 6.5.2 A second tier appeal may be commenced under this paragraph 6.5 by the submission of a NOTICE OF FURTHER APPEAL in the form set out in Appendix 6B hereto to the Company Secretary at its registered office, setting out the reasons for the appeal. - 6.5.9 An Appeal Tribunal shall determine its own procedure for the hearing of an appeal and shall not be bound by the rules of evidence. It may adjourn a hearing to another date or dates if it so wishes. If prior to or at such hearing an appellant notifies the Appeal Tribunal that it wishes to make oral submissions an opportunity

shall be given to the appellant to do so. - 6.5.11 Neither the Clearing House nor an appellant shall have the right to call any witness or cross examine any person who shall have provided any information to an Appeal Tribunal, PROVIDED that an Appeal Tribunal may permit any such cross examination on such terms as it may determine, if it decides that it is appropriate in the particular circumstances of that appeal so to do.

- 6.5.16 An appellant shall pay its own costs and expenses in relation to an appeal. The Clearing House shall meet its own costs, those of the Tribunal Members and those related to the hearing other than costs and expenses incurred by the appellant.
- 6.5.17 An Appeal Tribunal shall determine an appeal by majority vote although the voting of an Appeal Tribunal shall remain confidential and the result shall be presented as a unanimous view by that Appeal Tribunal. An Appeal Tribunal may:
- (a) dismiss the appeal; or

Any alleged breach by an FCM Clearing Member of an obligation set out in the FCM Rulebook (the “**Alleged Breach**”) may be dealt with in accordance with the provisions of these Disciplinary Procedures.

These Disciplinary Procedures are without prejudice to:

- (iv) the FCM Clearing Member shall be required to provide any information, copies or records and documents that may be reasonably requested, in connection with the examination of the Alleged Breach, to the Clearing House, save that the FCM Clearing Member shall not be compelled to disclose any information which it is prohibited from disclosing by virtue of ~~Applicable Law~~[applicable law](#) or regulation, as a result of agreements signed with third parties or as a result of legal professional privilege (in which case the FCM Clearing Member shall provide the Clearing House with proof of such prohibition). The FCM Clearing Member is permitted to request that the Clearing House provides to it copies of the documentation it relies on during the investigation, provided that the Clearing House shall not be required to reveal any information which it deems to be confidential;
- (v) the Clearing House may send a representative (being either the representative identified as leading the investigation procedure on behalf of the Clearing House or another representative) to the FCM Clearing Member's offices at any time during normal business hours, having provided reasonable notice (being proportionate to the seriousness of the Alleged Breach) to the FCM Clearing Member as part of the investigation procedure. The FCM Clearing Member shall only be entitled to refuse access to such representative in the event of a substantiated conflict of interest. The FCM Clearing Member shall make available all information, records, and documents kept by the FCM Clearing Member, that may be reasonably required for the examination of the Alleged Breach, to the Clearing House's representative; and
- (vi) the FCM Clearing Member shall exercise best endeavours to procure the attendance of any of its directors, officers, employees, agents and representatives, as may be reasonably requested, at a specified time on reasonable notice (at either the offices of the Clearing House or those of the FCM Clearing Member) in order to answer questions or provide explanations that may be relevant for the examination of the Alleged Breach.

(b) Report

Following the conclusion of the investigation procedure, the Clearing House shall: (i) notify the FCM Clearing Member; and (ii) produce a written report (the "Report") in relation to the Alleged Breach and provide it to the FCM Clearing Member, within no more than 14 days as from the notification by the Clearing House of the conclusion of the investigation procedure.

Clearing Member and indicate the Clearing House's intended course of action in relation to the Alleged Breach, being either:

- (i) to proceed with Disciplinary Proceedings, in accordance with these Disciplinary Procedures, if the Clearing House believes there to be prima facie evidence of the Alleged Breach having been committed;
 - (ii) to discontinue these Disciplinary Proceedings and refer the matter to the Chief Executive Officer of the Clearing House to take action in accordance with the provisions of the FCM Rulebook if the Clearing House believes there to be prima facie evidence of the Alleged Breach having been committed but the sanctions set out in Paragraph 8.4 of these Disciplinary Procedures are, in the Clearing House's reasonable opinion, inadequate; or
 - (iii) to take no further action.
- (c) Disciplinary Committee Formation

- (e) Exploratory Meetings

Once the FCM Clearing Member has responded to the Report, either the FCM Clearing Member or the Disciplinary Committee can, within 7 days, request a meeting with the other party to ask further questions and discuss the Alleged Breach (the “**Meeting**”).

Unless otherwise agreed between the FCM Clearing Member and the Disciplinary Committee, the Meeting will be held at the Clearing House’s offices in London, provided that, if appropriate, the Meeting may take place at the Clearing House’s offices in New York, within 14 days from the request for a Meeting.

This ~~Paragraph~~Section 8.2(g) is without prejudice to the rights of the Disciplinary Committee to recommend that these Disciplinary Proceedings be discontinued and refer the matter to the Chief Executive Officer of the Clearing House to take action in accordance with the provisions of the Rules if the Disciplinary Committee has determined that the Alleged Breach has been committed but the sanctions set out in Paragraph 8.4 of these Disciplinary Procedures are, in the Disciplinary Committee's reasonable opinion, inadequate.

For the avoidance of doubt, the Clearing House shall not be bound by the terms of the Recommendation of the Disciplinary Committee.

A decision by the Clearing House in accordance with this [ParagraphSection 8.2\(h\)](#) will be made by the Chief Executive Officer of the Clearing House or another suitably senior executive of the Clearing House.

Within 14 days of receiving a Recommendation, the Clearing House must notify the FCM Clearing Member of its decision by registered mail to the address notified to the Clearing House in its admission application (the “**Decision Notice**”).

A Decision Notice shall include details of the grounds on which the Clearing House has come to its decision and the sanction(s), if any, to be imposed against the FCM Clearing Member by the Clearing House pursuant to [ParagraphSection 8.4](#) below or otherwise in accordance with the provisions of the Rules.

~~(d)~~(i) Action

Notwithstanding any decision by the Clearing House to convene a Disciplinary Committee and proceed with Disciplinary Proceedings in accordance with [ParagraphsSections 8.2\(c\) to 8.2\(i\)](#) above, the Clearing House may at any time choose to:

- (iv) amend the scope of matters being considered by the Disciplinary Committee by amending the Report to add, delete or alter any detail of the Alleged Breach or to add detail of an additional Alleged Breach. For the avoidance of doubt, where the Report is amended in this way, the provisions of this [ParagraphSection 8.2](#) will apply (and, unless otherwise agreed between the FCM Clearing Member and the Disciplinary Committee, any timing specified in this [ParagraphSection 8.2](#) will restart) in respect of the amended Report.

8.3 IMMEDIATE MEASURE

Where the Alleged Breach comprises a breach of:

In such circumstances the Clearing House must notify the FCM Clearing Member of its decision and the sanction that is to be imposed by way of a Decision Notice.

8.4 SANCTIONS

The Clearing House shall be entitled, in its absolute discretion, to impose the following sanctions against an FCM Clearing Member, pursuant to these Disciplinary Procedures, provided that any such sanction is proportionate and commensurate with the seriousness of the Alleged Breach:

8.6 **REPORTING AND PUBLICATION**

The Clearing House shall:

- (s) to obtain such advice or assistance, whether legal advice or otherwise, as the Clearing House may deem necessary and at the expense of the defaulter for any matter arising out of or in connection with the default,

PROVIDED that in the case of SwapClear Contracts, the steps which shall be taken by the Clearing House shall be set out in the SwapClear DMP Annex to these Default Rules, and

PROVIDED further that in the case of ForexClear Contracts, the steps which shall be taken by the Clearing House shall be set out in the ForexClear DMP Annex to these Default Rules.

- 7. (a) Where the Clearing House declares the defaulter's rights and liabilities under an open contract subject to tender discharged under Rule 6(k):
 - (i) those rights and liabilities and the rights and liabilities of the Clearing House under the open contract shall be discharged, and,
 - (ii) there shall arise between the defaulter and the Clearing House in respect of the open contract an obligation to account, as directed by

the Clearing House, for a settlement amount determined by the relevant Board under this Rule.

- (b) The settlement amount referred to in paragraph (a) shall be an amount which, at the request of the Clearing House, the relevant Board determines to represent adequate compensation (in the circumstances known to the Board) for the discharge of the mutual rights and liabilities of the defaulter and the Clearing House under the open contract. The Board's determination shall be conclusive. The Clearing House shall direct how the settlement amount is to be accounted for between the defaulter and itself.
 - (c) Neither the Clearing House nor any relevant Board or Exchange shall have any liability whatsoever for anything done or omitted in the determination of a settlement amount under this Rule.
8. Upon the discharge of the defaulter's rights and liabilities under or in respect of all Contracts to which it is party the following process shall, subject to any contrary provision in Rule 16, be completed by the Clearing House:
- (a) there shall be brought into account all sums payable: ~~(i)~~
 - (i) by or to a defaulter in respect of Contracts (other than FCM ~~SwapClear~~ Contracts); any other sum due under the Regulations; any sum due in respect of any breach of the Regulations; (except, if the Clearing House so determines at its discretion, any sum payable under a Contract as the price for the commodity the subject of such Contract delivered or to be delivered to the Clearing House by or on behalf of the defaulter); and/or any amount due from the defaulter to the Clearing House in respect of any Treasury Contract; ~~or (ii)~~
 - ~~(a)(ii)~~ (ii) by or to a defaulter in respect of FCM ~~SwapClear~~ Contracts; any other sum due under the FCM Regulations; and/or any sum due in respect of any breach of the FCM Regulations;
 - (b) the sums so payable shall be aggregated or set off so as to produce a net sum or as many net sums as required by Rule 10; and
 - (c) such net sum, or each such net sum:
 - (i) if payable by the defaulter to the Clearing House, shall be set off against any cover standing to the credit of the defaulter's account so as to produce a further net sum, or shall be aggregated with any debit balance of the defaulter's account, or
 - (ii) if payable by the Clearing House to the defaulter, shall be aggregated with any cover standing to the credit of the defaulter's account, or shall be set off against any debit balance of the defaulter's account so as to produce a further net sum.
 - (d) Where an amount is payable by the Clearing House to the defaulter in respect of a balance on its Proprietary Account or accounts, and there are amounts due to the Clearing House in respect of any client account or any FCM Omnibus OTC Client Account with LCH (as the case may be) operated by it, the balance on the Proprietary Account or accounts may be applied to meet the shortfall on the client account or accounts or on the FCM Omnibus

OTC Client Account(s) with LCH (as the case may be) in any way which the Clearing House may determine.

For the purposes of paragraph (a) of this Rule the Clearing House may assess the sum payable by or to the defaulter in respect of any breach of the Regulations or the FCM Regulations (as the case may be) in such reasonable manner as it thinks fit.

9. The sum, or each sum, finally payable by the defaulter to the Clearing House or by the Clearing House to the defaulter, or the fact that no sum is finally payable by either such party to the other, as the case may be upon completion of the process set out in Rule 8, shall be forthwith certified by the Clearing House. The certificate of the Clearing House under this Rule shall be conclusive as to the discharge of the defaulter's rights and liabilities in respect of the Contracts to which it relates. The Clearing House shall, as soon as practicable after issuing a Default Notice in respect of a Clearing Member, appoint a day on which any net sums certified under this Rule to be due to the defaulter are to be paid by the Clearing House. The day so appointed may fall before or after the effective date of termination of the defaulter's Clearing Membership Agreement but shall not fall on a day before the process specified in Rule 8 can be completed.
10. (a) Where the defaulter has more than one account with the Clearing House, the defaulter's accounts shall be combined for the purpose of Rules 8 and 9 as follows: an account which is an FCM Omnibus OTC Clearing Product Client Account with LCH of the defaulter other than an FCM Omnibus OTC Nodal Client Account with LCH of the defaulter may only be combined with other FCM Omnibus OTC Clearing Product Client Accounts with LCH of the defaulter; an account which is an FCM Omnibus OTC Nodal Client Account with LCH of the defaulter may only be combined with other FCM Omnibus OTC Nodal Client Accounts with LCH of the defaulter; an account which is a Proprietary Account of the defaulter may be combined with any other Proprietary Accounts of the defaulter and (if the Clearing House so elects) Treasury Accounts of the defaulter (subject to Rule 8(d) and 10(d) of the Default Rules); and an account which is a Treasury Account of the defaulter may only be combined with other Treasury Accounts and (if the Clearing House so elects) Proprietary Accounts of the defaulter. Notwithstanding the foregoing, in no circumstances may an account which is an Individual Segregated Account of the defaulter or an Omnibus Net Segregated Account of the defaulter be combined with any other account of the defaulter.
- (b) For the purposes of this Rule 10, each Individual Segregated Account of the defaulter and each Omnibus Net Segregated Account of the defaulter shall constitute a separate "kind of account". Where the defaulter has more than one kind of account with the Clearing House, the process set out in Rule 8 shall be separately completed in respect of each kind of account. In the case of each kind of account of the defaulter which is not an Omnibus Net Segregated Account, the sum finally payable in respect of that kind of account following completion of the process set out in Rule 8 shall be separately certified under Rule 9. In the case of each kind of account of the defaulter which is an Omnibus Net Segregated Account, the sum finally payable in respect of that kind of account following completion of the process set out in Rule 8 will be allocated by the Clearing House (pro rata as it sees fit in its sole discretion) between the Omnibus Net Segregated Clearing Clients sharing in that Omnibus Net Segregated Account. Each sum so allocated to

an Omnibus Net Segregated Clearing Client shall be separately certified under Rule 9.

- (c) In Rule 8(c) the "defaulter's account" means:
- (i) with regard to a net sum produced by reference to Contracts registered in an Individual Segregated Account of the defaulter, that Individual Segregated Account;
 - (ii) with regard to a net sum produced by reference to Contracts registered in an Omnibus Net Segregated Account of the defaulter, that Omnibus Net Segregated Account;
 - ~~(iii)~~ (iii) with regard to a net sum produced by reference to FCM ~~SwapClear~~ Contracts registered in one or more FCM Omnibus OTC Clearing Product Client Accounts with LCH of the defaulter other than any FCM Omnibus OTC Nodal Client Accounts with LCH of the defaulter, that FCM Omnibus OTC Clearing Product Client Account with LCH, or (if there is more than one) all those FCM Omnibus OTC Clearing Product Client Accounts with LCH combined;
 - ~~(iii)~~ (iv) with regard to a net sum produced by reference to FCM Nodal Contracts registered in one or more FCM Omnibus OTC Nodal Client Accounts with LCH of the defaulter, that FCM Omnibus OTC Nodal Client Account with LCH, or (if there is more than one) all those FCM Omnibus OTC Nodal Client Accounts with LCH combined;
 - ~~(iv)~~ (v) with regard to a net sum produced by reference to Contracts registered in one or more Proprietary Accounts of the defaulter, that Proprietary Account or those Proprietary Accounts combined and (if the Clearing House has elected in accordance with Rule 10(a)) any Treasury Accounts of the defaulter; and
 - ~~(v)~~ (vi) with regard to a net sum produced by reference to one or more Treasury Accounts of the defaulter, that Treasury Account or those Treasury Accounts combined, and (if the Clearing House has elected in accordance with Rule 10(a)) Proprietary Accounts.
- (d) Notwithstanding any provision of the Rulebook to the contrary, any loss which relates to a Treasury Account may not be treated as a Default Loss (as defined in Rule 23(b)), whether or not cover has been applied in respect of such loss. Nothing in this Rule 10(d) requires the Clearing House to apply cover in respect of any such loss instead of any other amount referred to in Rule 8(a), except that the Clearing House may not apply cover in respect of any such loss to the extent that doing so would give rise to an Excess Loss (as defined in Rule 15).
11. Without further authorisation, permission or cooperation from the defaulter, the Clearing House may appoint any person to take or assist it in taking any step under these Rules or to complete or assist it in completing the process set out in Rule 8.
12. The Clearing House may co-operate, by the sharing of information and otherwise, with any Regulatory Body or relevant Exchange, any relevant office-holder acting in relation to the defaulter or its estate and any other authority or body having responsibility for, or any Clearing Member having an interest in, any matter arising out of or connected with the circumstances mentioned in Rule 3.

13. In addition to such copy report as it supplies under section 162(3) of the Companies Act 1989, the Clearing House shall report to the defaulter, or any relevant office-holder acting in relation to the defaulter or its estate, on steps taken in relation to the defaulter under Rule 6.

SWAPCLEAR DMP ANNEX**1. Scope and Interpretation**

1.1 The Clearing House has established a SwapClear DMP which will apply to SwapClear Contracts following the issue of a Default Notice relating to a SwapClear Clearing Member and in respect of which, for the avoidance of doubt, the Clearing House will have no recourse to the process of invoicing-back. The fundamental principles of the SwapClear DMP are elaborated to the fullest extent possible in this Annex. Where exhaustive detail cannot be laid out in the provisions of this Annex, the SwapClear DMP will be undertaken on the basis of the principles contained herein.

1.2 The Clearing House has an obligation to ensure the on-going integrity of the SwapClear service and SwapClear Contracts in the interests of the Non-Defaulting SCMs. When a SwapClear Clearing Member defaults, Non-Defaulting SCMs are required to supply impartial expertise through the SwapClear DMG and to bid for the Auction Portfolios of a Defaulting SCM, as laid out in this Annex. In addition, most SCMs or their parent companies or subsidiaries or fellow subsidiaries, have direct interests in that integrity, notably as contributors to the various default funds of the Clearing House. Each SCM shall take all steps and execute all documents necessary or required by the Clearing House to comply with its obligations as a SCM arising out of this SwapClear DMP Annex.

1.3 The initial margining of SwapClear Contracts will be such so as to ensure that the acceptance of bids for the Auction Portfolios of a Defaulting SCM will recognise risk premiums, and that equivalent premiums will be paid by the Clearing House in closing-out large positions in other Contracts traded on exchange or ATS-organised markets.

1.5 Terms used in this Annex which are not defined herein shall have the meanings given to them in the Regulations and in the FCM Regulations.

2. SwapClear Clearing House Business and FCM House Business

The SwapClear Default Management Process in respect of SwapClear Clearing House Business and FCM House Business shall involve the stages described in this Rule 2.

2.1 **Portfolio Splitting**

The Clearing House, in consultation with and the assistance of the SwapClear DMG, shall determine the composition of each Auction Portfolio and shall have the discretion to divide a Portfolio into two or more individual Auction Portfolios with the aim of facilitating the efficiency of, and reducing the risk associated with, the auction process provided for in Rule 2.3 of this Annex. The overriding principle is that the Clearing House will structure Auction Portfolios with the intention of ensuring a SwapClear DMP which best protects the resources of the Clearing House, subject to compliance with applicable provisions of the CEA and regulations of the CFTC regarding segregation of client assets. Therefore, nothing in this Rule 2.1 shall be deemed to imply: (a) that the Clearing House is under any obligation to split a particular Portfolio of a Defaulting SCM (regardless of the number of SwapClear Contracts that such Portfolio contains); or (b) any particular requirements as to the composition of an individual Auction Portfolio, except that, subject to overriding risk

procedures it is broadly anticipated that the parameters of any Auction Portfolio shall not be materially different to those set out in the Clearing House's fire drill.

2.2 Risk Neutralisation

The Clearing House will, in consultation with and with the assistance of the SwapClear DMG, reduce the market risk associated with a Defaulting SCM's obligations to the Clearing House so far as is reasonably practicable by hedging the Clearing House's exposure in open SwapClear Contracts to which the Defaulting SCM is party. All such hedging shall be undertaken by the Clearing House with SCMs, on the basis of separate agreements between the Clearing House and each such SCM. The aim of Risk Neutralisation is to reduce market exposure to within defined tolerance limits expressed as deltas or other measures of market risk and as established from time to time by the Clearing House in consultation with the SwapClear DMG or as may reasonably be determined by the Clearing House in consultation with the SwapClear DMG once a Default has been declared under the Default Rules. For the avoidance of doubt, Risk Neutralisation may happen prior to, concurrently with and/or subsequently to the splitting of a Portfolio pursuant to Rule 2.1 above.

2.3 Auction

~~2.1.1~~2.3.1 Following the completion of Risk Neutralisation, the Clearing House shall auction each Auction Portfolio to Non-Defaulting SCMs. The Clearing House, in consultation with the SwapClear DMG, shall prescribe such procedures (in addition to those set out herein) for the conduct of the auction process as it considers reasonably appropriate from time to time.

~~2.1.2~~2.3.2 The Clearing House shall notify each SCM of all details that may be reasonably required in relation to an Auction Portfolio prior to the relevant Auction.

~~2.1.3~~2.3.3 The auction process may take place over a number of days and Auctions of different Auction Portfolios may take place at different times.

~~2.1.4~~2.3.4 SCMs will submit bids to the Clearing House representatives on the SwapClear DMG, who will ensure that the identities of the bidders are not revealed to the SCM representatives on the SwapClear DMG. For the avoidance of doubt, an SCM shall be entitled to submit a bid on behalf of one or more affiliated SCMs. The SwapClear DMG will oversee the bidding process in a manner which it considers best protects the resources of the Clearing House and ensures an orderly process.

~~2.1.5~~2.3.5 The Clearing House in consultation with the SwapClear DMG will have full discretion in deciding whether or not to accept a particular bid in an Auction and, in so deciding, will take into account the relevant factors that determine risk premiums, as well as the range of bids received relative to initial margin held and, subject to their availability, the Clearing House resources as set out in Rule 16 of the Clearing House's Default Fund Rules. In the event that more than one SCM submits a bid of the same value (each an "Equal Bid"), the Clearing House will, subject to its discretion to reject all such Equal Bids, select the bid which was received first in time.

~~2.1.6~~2.3.6 In the case of an Auction in which no bid is accepted or received (as the case may be), one or more further Auctions will be held in relation to the relevant Auction Portfolio. As soon as practicable following an Auction:

- (a) in the event that a bid was accepted, the Clearing House will notify those Currency Participants in the relevant Auction Currency together with any other SCMs who participated in the Auction that a bid was accepted and shall notify the SCM who submitted the accepted bid that its bid was accepted;
- (b) in the event that no bid was accepted, the Clearing House will notify all SCMs of the details of any further Auction.

~~2.1.7~~2.3.7 The SCM agrees to use all reasonable efforts to make a bid in an Auction for an Auction Portfolio in respect of which such SCM is a Currency Participant.

2.4 Auction Incentive Pools

~~2.1.8~~2.4.1 Before commencing the auction process, the Clearing House will calculate an auction incentive pool (each an “AIP”) for each individual Auction Portfolio for the purposes of providing an initial allocation of the resources potentially available to it to satisfy any loss incurred in the Auction of each such Auction Portfolio. Notwithstanding such initial allocation, any resources utilised by the Clearing House will be allocated in accordance with Rule 2.5 below.

~~2.1.9~~2.4.2 For each AIP, the resources shall be allocated as follows:

- (a) the resources of the Defaulting SCM (in the form of: (i) that part of the Margin Cover for the SwapClear Contracts of the Defaulting SCM pursuant to Rule 16(1) of the Default Fund Rules and (ii) the SwapClear Contribution made by the Defaulting SCM to the SwapClear Default Fund) available pursuant to Rule 16(2) of the Default Fund Rules at the time of the auction process will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; the portion of the Capped Amount applied to the SwapClear Business of the Defaulting SCM pursuant to Rule 16(3) of the Default Fund Rules will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; and
- (b) the Non-defaulters’ Contribution of each SCM and the total value of the SwapClear Unfunded Contributions which would be callable but have not been called by the Clearing House from the relevant SCM in respect of the relevant Default in accordance with Rule S8 of the Default Fund Rules (the “**Potential Unfunded Contributions**”) will, subject to Rule 2.4.3 below, be allocated between the AIPs relating to the Auction Portfolios in which the relevant SCM is a Currency Participant based on the proportion that: (a) the risk of the SwapClear Contracts of such SCM denominated in the relevant currency bears to (b) the aggregate of the amounts calculated in (a) in respect of each currency in which the relevant SCM is a Currency Participant.

~~2.1.10~~2.4.3 Where a Portfolio for a particular Swapclear currency has been split into two or more Auction Portfolios, the Non-defaulters’ Contributions and Potential Unfunded Contributions allocated to the AIP related to the relevant Portfolio will be further divided for the purposes of allocation into AIPs relating

to the relevant Auction Portfolios based on the proportion that (a) the risk of the SwapClear Contracts in each such Auction Portfolio bears to (b) the aggregate of the amounts calculated in (a) for each of the Auction Portfolios in the relevant currency.

2.5 Loss Attribution

~~2.1.11~~2.5.1 Following the completion of all Auctions of all Auction Portfolios of the Defaulting SCM, the Clearing House will determine whether losses incurred by it as a result of such Auctions are such that the Non-defaulters' Contributions must be utilised. Where applicable, such losses will be allocated to Non-defaulters' Contributions in accordance with the loss attribution process described in Rules 2.5.2 to 2.5.8 of this Annex.

~~2.1.12~~2.5.2 For each Auction Portfolio, losses to the Clearing House will be met using the resources as set out in Rule 16. In applying those resources, the Clearing House will allocate the losses in respect of each Auction Portfolio (the "**Auction Losses**") by reference to the resources allocated to the AIPs related to such Auction Portfolios in accordance with Rule 2.4 of this Annex. Where there are no Auction Losses in respect of an Auction Portfolio or the Auction Losses in respect of an Auction Portfolio do not require the full amount of the resources referred to in sub-paragraphs (a) and (b) of Rule 2.4.2 of this Annex allocated to the AIP related to the relevant Auction Portfolio (the "**Initial Resources**") to be fully utilised, the relevant surplus Initial Resources will be allocated pro rata between those AIPs relating to Auction Portfolios in respect of which there are Auction Losses requiring the utilisation of resources beyond the Initial Resources available in the relevant AIP in accordance with Rule 16(1), 16(2) and 16(3) until such time as all Initial Resources have been fully utilised.

~~2.1.13~~2.5.3 In the case of each Auction for which there are Auction Losses in respect of which the Non-defaulters' Contributions must be utilised, those Non-defaulter's Contributions, not including, for these purposes, any part of such Non-defaulters' Contributions that reflect any SwapClear Unfunded Contribution deposited with the Clearing House pursuant to the Default in respect of which the relevant Auction was held (the "**Original Contributions**") and which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Original Contributions**") will be used first in the following order:

- (a) The Auction Losses will be attributed to the Relevant Original Contributions of those SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Original Contribution of an individual SCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Original Contribution of such SCM bears to (b) the total value of the Relevant Original Contributions of all SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction;
- (b) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Original Contributions of the Short Bidders. For the purposes of this sub-paragraph (ii) and sub-paragraph (ii) of Rule 2.5.6 of this Annex the

term “Short Bidder” means any SCM who is a Currency Participant in the Auction Currency and who submitted an unsuccessful bid in the relevant Auction save for any SCM who submitted a higher bid in an Auction than the bid accepted by the Clearing House in accordance with Rule 2.3.4 of this Annex (each such SCM, a “Higher Bidder” and each such bid, a “Higher Bid”).

Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid (denominated in units of the relevant Auction Currency) bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid (denominated in units of the relevant Auction Currency);

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Original Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Original Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a “Remaining Original Short Bidder”) by (a) calculating the amount which is the bid of the relevant Remaining Original Short Bidder divided by the sum of the bids of all Remaining Original Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Original Contributions of all Short Bidders being fully attributed; and

- (c) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Original Contribution of the SCM who submitted the winning bid, together with, where applicable, the Relevant Original Contribution of any SCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Original Contribution of an individual SCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Original Contribution of such SCM bears to (b) the total value of the Relevant Original Contributions of (i) the SCM who submitted the winning bid; (ii) any SCMs who submitted an Equal Bid to such winning bid; and (iii) any SCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency in which the Relevant Original Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auctions Losses amongst such Remaining Original Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

~~2.1.14~~2.5.4 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.3 above, those Auction Losses will be attributed to the Original Contributions of those SCMs who are Currency Participants in any other Auction Currency in relation to which Auction Losses have arisen to the extent that Non-defaulters' Contributions must be utilised (each a "**Losing Currency**") and whose Original Contributions have not yet been fully utilised (each a "**Losing Currency Original SCM**"). Such remaining Auction Losses will be attributed to any remaining Original Contribution of each such SCM pursuant to this Rule 2.5.4 based upon the proportion that: (a) the risk of all of the SwapClear Contracts of such SCM denominated in each of the Losing Currencies bears to (b) the aggregate of the amounts calculated in (a) for all Losing Currency Original SCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.4 until the first to occur of (a) the Auction Losses being fully met; and (b) the Original Contributions of all Losing Currency Original SCMs being fully attributed.

~~2.1.15~~2.5.5 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.4 above, those remaining Auction Losses will be allocated to the Original Contributions of each SCM who is not a Currency Participant in any of the Losing Currencies based upon the proportion that (a) the value of each such Original Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such SCMs.

~~2.1.16~~2.5.6 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.5 above, the SwapClear Unfunded Contributions which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Unfunded Contributions**") will be used first in the following order:

- (a) The Auction Losses will be attributed to the Relevant Unfunded Contributions of those SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Unfunded Contributions of an individual SCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such SCM bears to (b) the total value of the Relevant Unfunded Contributions of all SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction;
- (b) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Unfunded Contributions of the Short Bidders in the relevant Auction. Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid (denominated in units of the relevant Auction Currency) bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid (denominated in units of the relevant Auction Currency);

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Unfunded Contribution of such Short Bidder, the

relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Unfunded Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a “**Remaining Unfunded Short Bidder**”) by (a) calculating the amount which is the bid of the relevant Remaining Unfunded Short Bidder divided by the sum of the bids of all Remaining Unfunded Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Unfunded Contributions of all Short Bidders being fully attributed; and

- (c) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Unfunded Contribution of the SCM who submitted the winning bid, together with, where applicable, the Relevant Unfunded Contribution of any SCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Unfunded Contribution of an individual SCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such SCM bears to (b) the total value of the Relevant Unfunded Contributions of (i) the SCM who submitted the winning bid; (ii) any SCMs who submitted an Equal Bid to such winning bid; and (iii) any SCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency in which the Relevant Unfunded Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auctions Losses amongst such Remaining Unfunded Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

2.1.172.5.7 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.6 above, those Auction Losses will be attributed to the SwapClear Unfunded Contributions of those SCMs who are Currency Participants in any other Losing Currency and whose SwapClear Unfunded Contributions have not yet been fully utilised (each a “**Losing Currency Unfunded SCM**”). Such remaining Auction Losses will be attributed to any remaining SwapClear Unfunded Contributions of each such SCM pursuant to this Rule 2.5.7 based upon the proportion that: (a) the risk of all of the SwapClear Contracts of such SCM denominated in each of the Losing Currencies bears to (b) the aggregate of the amounts calculated in (a) for all Losing Currency Unfunded SCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.7 until the first to occur of (a) the Auction Losses being fully met; and (b) the SwapClear Unfunded Contributions of all Losing Currency Unfunded SCMs being fully attributed.

~~2.1.18~~2.5.8 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.7 above, those remaining Auction Losses will be allocated to the SwapClear Unfunded Contributions of each SCM who is not a Currency Participant in any of the Losing Currencies based upon the proportion that (a) the value of each such SwapClear Unfunded Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such SCMs.

2.6 For the purposes of Rules 2.4 and 2.5 above, all references to the risk associated with an Auction Portfolio or with all of the SwapClear Contracts of a Non-Defaulting SCM denominated in a particular currency shall be references to such risk as determined by the Clearing House in its sole discretion on the basis of Worst Case Loss.

3. Default Management in respect of SwapClear Clearing Client Business and FCM Client Business

3.1 The SwapClear DMP in respect of any contract which is a SwapClear Contract in respect of SwapClear Clearing Client Business shall involve the stages described in Regulation 52B.

3.2 The SwapClear DMP in respect of any contract which is an FCM SwapClear Contract in respect of FCM Client Business shall be conducted in accordance with FCM Regulation 9(g).

4. Transfer of Cash Flows and Registration of Positions

4.1 Following the disposal of an Auction Portfolio by way of Auction (and notwithstanding that other Auction Portfolios of the Defaulting SCM may not yet have been auctioned) the Clearing House, will, with the co-operation of the SCMs, transfer to the SCM whose bid won that Auction Portfolio the rights and obligations, from the Defaulting SCM, arising out of the positions which that SCM has successfully bid for under the SwapClear Default Management Process. Such transfer may take place by way of registration of new positions with the Clearing House in the name of the relevant SCM, or novation of rights and obligations to the relevant SCM. All such registrations shall be made in a way that recognises the variation margin paid or received in relation to the SwapClear Contracts of the Defaulting SCM representing such new positions.

4.2 In order to effect the transfer of positions, the Clearing House shall prescribe such procedures and timetable as it considers reasonably appropriate in the circumstances. SCMs will be required to exercise best endeavours to comply with such requirements as may be established by the Clearing House, after consultation with the SwapClear DMG, to effect the transfer of positions, including but not limited to the payment of any sums due as a result of the winning bid and the provision of cover in an amount required by the Clearing House for initial margin and variation margin in respect of positions which are to be registered in their names. The Clearing House agrees that in such procedures it shall make provision for set-off by the Clearing House of amounts owed by the Clearing House to the SCM as a result of the operation of the SwapClear DMP against sums owed by the SCM to the Clearing House in respect thereof.

4.3 Where, as a result of an Auction, the Clearing House is required to make a payment to a SCM in respect of a winning bid, the Clearing House shall not be permitted to register any position, whether as a new position or as a novation of existing rights and obligations, to any such SCM if the Clearing House does not simultaneously

credit that SCM with the requisite amount. If any position is so registered without such payment, such registration shall be deemed void *ab initio* and unenforceable against the relevant SCM. For the avoidance of doubt, the Clearing House will utilise the resources available to it pursuant to Rule 16 of the Default Fund Rules for the purposes of making such a payment notwithstanding that other Auction Portfolios of the Defaulting SCM may not yet have been auctioned and that the loss attribution process provided for by Rule 2.5 of this Annex has not yet occurred.

5. Information Regarding the SwapClear DMP

Whenever the SwapClear DMP is implemented by the Clearing House in respect of a Defaulting SCM, the Clearing House will, with the assistance of the SwapClear DMG, provide such ongoing information to SCMs as the Clearing House deems reasonably appropriate in respect of the progress of the SwapClear DMP.

Nothing in this Rule 5 shall require the Clearing House to disclose information in respect of the SwapClear DMP which, in the reasonable opinion of the Clearing House, may be subject to obligations of confidentiality, may constitute market sensitive data or is, in the Clearing House's reasonable opinion, inappropriate for disclosure to SCMs.

6. Bankruptcy Code and Related Issues

Notwithstanding any other provision of this Annex in the event of a Default by an FCM Clearing Member, the completion of any and all actions, including but not limited to any transfers or transactions, permitted or required to be taken by the Clearing House hereunder shall be subject in all respects to the provisions of the Bankruptcy Code, Part 190 of the regulations of the CFTC, the Dodd-Frank Wall Street Reform and Consumer Protection Act 2010, and the receipt of any approvals required under the Bankruptcy Code or such regulations.

7. CEA Issues

Notwithstanding any other provision of this Annex in the event of a Default by an FCM Clearing Member, the operation of this Annex shall in all respects be subject to applicable provisions of the CEA and CFTC regulations regarding the handling, custody, liquidation, transfer and disposition of client positions and assets, including but not limited to those provisions requiring segregation of client assets and prohibiting application of the assets of non-defaulting clients to amounts owed by defaulting clients.

8. Miscellaneous

8.1 Subject to Rules 2.4 and 2.5 of this Annex, the resources available to the Clearing House and their order of use are defined in Rule 16 of the Default Fund Rules as modified and/or supplemented by the SwapClear Default Fund Supplement.

8.2 The Clearing House may from time to time supplement the details of any of the stages set out in Rule 2 of this Annex or any other aspects of the SwapClear DMP, in consultation with the SwapClear DMG, either by way of further Guidance or immediately on notice to SCMs on a case-by-case basis where the Clearing House deems it appropriate to do so in the circumstances of the Default, provided that the Clearing House may not take any such action that effects a material change to the terms of this Annex without the written consent of 50% of all SwapClear Clearing Members unless such change is invoked unilaterally against all SCMs and is necessary to manage the Clearing House's risk or otherwise to meet the Clearing

House's continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization. The Clearing House agrees that, in the ordinary course, it shall discuss any such Guidance with the SwapClear DMG prior to bringing the Guidance into effect except that it shall not be required to do so where (i) the Guidance is not material to the rights and obligations of the SCMs or (ii) the Clearing House deems it inappropriate to do so in the circumstances of the Default and it is not possible to convene the SwapClear DMG in timely fashion.

8.3 The timetable for implementation of the stages of the SwapClear Default Management Process following issue of a Default Notice by the Clearing House shall be either (1) as prescribed by the Clearing House from time to time in consultation with the SwapClear DMG and set out in Guidance; or (2) imposed by the Clearing House without prior notice to the SCMs on a case-by-case basis where the Clearing House, in consultation with the SwapClear DMG, deems it appropriate to do so in the circumstances of the Default.

9. Role and Constitution of SwapClear DMG

9.1 The SwapClear DMG shall meet at regular intervals in order to:

- 9.1.1 keep under review the SwapClear DMP, together with any Guidance issued in respect thereof;
- 9.1.2 keep under review the terms of reference of the SwapClear DMG to ensure they remain appropriate;
- 9.1.3 consider appropriate supplements or amendments to the SwapClear DMP and/or Guidance in order to improve the procedures in place; and
- 9.1.4 consider any other business relevant to the SwapClear DMP which any member of the SwapClear DMG from time to time sees fit to raise at such meetings.

9.2 The members of the SwapClear DMG shall also meet within one hour, or as soon as reasonably practical, following notification by the Clearing House that a Default Notice has been served upon an SCM, and at sufficiently frequent intervals thereafter for so long as may be necessary to assist the Clearing House in the implementation of the SwapClear DMP as contemplated under this Agreement. Such implementation shall include, without limitation, the provision of general default management advice with regard to: (1) the ongoing obligations of the Clearing House to its non-defaulting members; (2) the neutralisation and closing-out of the individual obligations of the Defaulting SCM; and (3) the splitting of Portfolios and the disposal of Auction Portfolios in accordance with the SwapClear DMP. Where it is not possible or practicable for the SCM to provide its nominated representative within an appropriate timeframe, it shall provide an alternate of suitable experience and expertise to participate on the SwapClear DMG.

9.3 The SwapClear DMG shall be made up of the following individuals who, unless stated otherwise, shall be appointed by the Clearing House which shall ensure that the composition is such as to provide effective review of the SwapClear DMP and suitable expertise and representation of market-making capacity in the event of a Default:

- ~~9.1.5~~ 9.3.1 in the event of the issuance of a Default Notice, the chief executive or deputy chief executive of the Clearing House, who shall act as chairman;

~~9.1.6~~9.3.2 representatives of at least five SCMs, being senior executives with appropriate skills and expertise;

~~9.1.7~~9.3.3 at least one director (staff member of director grade) of the Clearing House's Risk Management department; and

~~9.1.8~~9.3.4 such other individuals as the SwapClear DMG considers appropriate from time to time in relation to individual meetings.

9.4 For the purpose of SwapClear DMG meetings convened to deal with a specific Defaulting SCM, the Clearing House may, after consultation with the SwapClear DMG, invite the Defaulting SCM to nominate one or more representatives to join the SwapClear DMG to assist it in carrying out its functions in the SwapClear DMP for that Defaulting SCM, and also request representatives from any other SCMs. In the event of receiving such request, the SCM shall be obliged to provide its nominated representative, or an alternate with appropriate skills, experience and expertise, as if the SCM were a member of the SwapClear DMG.

9.5 In establishing the SwapClear DMG, the Clearing House agrees that in the normal course of events (not including the Clearing House's declaration of a Default and the invocation of the processes as outlined in Rules 2, 3 and 4 of this Annex) it will, as far as practicable, and in accordance with the terms of reference of the SwapClear DMG, rotate the membership of the SwapClear DMG on a regular basis and amongst all SCMs. The SCM agrees that, when requested to do so by the Clearing House, it will make available a representative to participate in the SwapClear DMG. The Clearing House shall agree with the SCM the identity of such representative and shall be able to request a substitute where it believes the SCM's nominated representative does not have the requisite skills or expertise.

9.6 Each SCM who makes available a representative to serve on the SwapClear DMG agrees, and shall procure that, to the extent applicable, its representative agrees:

~~9.1.9~~9.6.1 to ensure that such representative will be fully available, at any time and for such periods of time as the Clearing House may require during the course of a Default, to perform his function as a member of the SwapClear DMG including attending meetings, considering and advising the Clearing House upon aspects of the SwapClear DMP. The SCM shall ensure that a representative's other work commitments do not affect his availability for this purpose;

~~9.1.10~~9.6.2 to take all steps to respect the confidential capacity in which such a representative receives information through the SwapClear DMG and to establish adequate procedures to prevent the disclosure or use for any commercial purpose outside the scope of the SwapClear DMP of any such confidential information by the SCM or its representative. Such procedures shall normally include, without limitation, the establishment of Chinese walls within the SCM; and

~~9.1.11~~9.6.3 to be bound by and to ensure that it and any of its executives or directors serving on the SwapClear DMG complies with the requirements contained in the Procedures or the FCM Procedures (as the case may be).

9.7 Each SCM shall accept that:

~~9.1.12~~9.7.1 representatives of SCMs serving on the SwapClear DMG are doing so in order to assist the Clearing House in ensuring the on-going integrity of the SwapClear service in the interests of Non-Defaulting SCMs; and

~~9.1.13~~9.7.2 representatives of SCMs serving on the SwapClear DMG and their employers shall have no liability for any disinterested advice or actions, mandated or otherwise, that are undertaken as part of the SwapClear Default Management Process, provided, however, that nothing in this Rule 8.7.2 shall exclude the liability of such representatives and employers for any personal injury or death caused by their negligence or for any fraud or wilful default on the part of such representatives and employers.

9.8 The Clearing House agrees that, in exercising its rights and obligations in consulting with the SwapClear DMG pursuant to this Agreement, it will use all reasonable commercial endeavours to agree a common position with the SwapClear DMG, provided that nothing in this Rule shall prevent the Clearing House acting in a way which it reasonably determines necessary to manage its risk or otherwise meet its continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization.

FOREXCLEAR DMP ANNEX**1. Scope and interpretation**

1.1 The Clearing House has established a ForexClear DMP which will apply to ForexClear Contracts following the issue of a Default Notice relating to a ForexClear Clearing Member and in respect of which, for the avoidance of doubt, the Clearing House will have no recourse to the process of invoicing-back. The fundamental principles of the ForexClear DMP are elaborated to the fullest extent possible in this Annex. Where exhaustive detail cannot be laid out in the provisions of this Annex, the ForexClear DMP will be undertaken on the basis of the principles contained herein.

1.2 The Clearing House has an obligation to ensure the on-going integrity of the ForexClear service and ForexClear Contracts in the interests of the Non-Defaulting FXCCMs. When a ForexClear Clearing Member defaults, Non-Defaulting FXCCMs are required to supply impartial expertise through the ForexClear DMG and to bid for the Auction Portfolios of a Defaulting FXCCM, as laid out in this Annex. In addition, most FXCCMs or their parent companies or subsidiaries or fellow subsidiaries, have direct interests in that integrity, notably as contributors to the various default funds of the Clearing House. Each FXCCM shall take all steps and execute all documents necessary or required by the Clearing House to comply with its obligations as a FXCCM arising out of this ForexClear DMP Annex.

1.3 The initial margining of ForexClear Contracts will be such so as to ensure that the acceptance of bids for the Auction Portfolio of a Defaulting FXCCM will recognise risk premiums, and that equivalent premiums will be paid by the Clearing House in closing-out large positions in other Contracts traded on exchange or ATS-organised markets.

2. FOREXCLEAR DEFAULT MANAGEMENT PROCESS

The ForexClear Default Management Process in respect of ForexClear Clearing House Business shall involve the stages described in this Rule 2.

2.1 Portfolio Splitting

The Clearing House, in consultation with and the assistance of the ForexClear DMG, shall determine the composition of each Auction Portfolio and shall have the discretion to divide a Portfolio into two or more individual Auction Portfolios with the aim of facilitating the efficiency of, and reducing the risk associated with, the auction process provided for in Rule 2.3 of this Annex. The overriding principle is that the Clearing House will structure Auction Portfolios with the intention of ensuring a ForexClear DMP which best protects the resources of the Clearing House. Therefore, nothing in this Rule 2.1 shall be deemed to imply: (a) that the Clearing House is under any obligation to split a particular Portfolio of a Defaulting FXCCM (regardless of the number of ForexClear Contracts that such Portfolio contains); or (b) any particular requirements as to the composition of an individual Auction Portfolio, except that, subject to overriding risk procedures it is broadly anticipated that the parameters of any Auction Portfolio shall not be materially different to those set out in the Clearing House's fire drill.

2.2 Risk Neutralisation

The Clearing House will, in consultation with and with the assistance of the ForexClear DMG, reduce the market risk associated with a Defaulting FXCCM's obligations to the Clearing House so far as is reasonably practicable by hedging the Clearing House's exposure in open ForexClear Contracts to which the Defaulting FXCCM is party. Hedging may be undertaken in a number of sessions, but should be undertaken as quickly as is compatible with efficient execution. All such hedging shall be undertaken by the Clearing House with FXCCMs, on the basis of separate agreements between the Clearing House and each such FXCCM. The aim of Risk Neutralisation is to reduce market exposure to within defined tolerance limits expressed as deltas or other measures of market risk and as established from time

to time by the Clearing House in consultation with the ForexClear DMG or as may reasonably be determined by the Clearing House in consultation with the ForexClear DMG once a Default has been declared under the Default Rules. For the avoidance of doubt, Risk Neutralisation may happen prior to, concurrently with and/or subsequently to the splitting of a Portfolio pursuant to Rule 2.1 above.

2.3 Auction

2.3.1 Following the completion of Risk Neutralisation, the Clearing House shall calculate the AIP for each Auction Portfolio under Rule 2.4 and then shall auction each Auction Portfolio to Non-Defaulting FXCCMs. The Clearing House, in consultation with the ForexClear DMG, shall prescribe such procedures (in addition to those set out herein) for the conduct of the auction process as it considers reasonably appropriate from time to time.

2.3.2 The Clearing House shall notify each FXCCM of all details that may be reasonably required in relation to an Auction Portfolio prior to the relevant Auction.

2.3.3 The auction process may take place over a number of days and Auctions of different Auction Portfolios may take place at different times.

2.3.4 FXCCMs will submit bids to the Clearing House representatives on the ForexClear DMG, who will ensure that the identities of the bidders are not revealed to the FXCCM representatives on the ForexClear DMG. For the avoidance of doubt, an FXCCM shall be entitled to submit a bid on behalf of one or more affiliated FXCCMs. The ForexClear DMG will oversee the bidding process in a manner which it considers best protects the resources of the Clearing House and ensures an orderly process.

2.3.5 The Clearing House in consultation with the ForexClear DMG will have full discretion in deciding whether or not to accept a particular bid in an Auction and, in so deciding, will take into account the relevant factors that determine risk premiums, as well as the range of bids received relative to initial margin held and, subject to their availability, the Clearing House resources as set out in Rule 16 of the Clearing House's Default Fund Rules. In the event that more than one FXCCM submits a bid of the same value (each an "Equal Bid"), the Clearing House will, subject to its discretion to reject all such Equal Bids, select the bid which was received first in time.

2.3.6 In the case of an Auction in which no bid is accepted or received (as the case may be), one or more further Auctions will be held in relation to the relevant Auction Portfolio. As soon as practicable following an Auction:

a in the event that a bid was accepted, the Clearing House will notify those Currency Pair Participants in the relevant Auction Currency Pair together with any other FXCCMs who participated in the Auction that a bid was accepted and shall notify the FXCCM who submitted the accepted bid that its bid was accepted;

b in the event that no bid was accepted, the Clearing House will notify all FXCCMs of the details of any further Auction.

2.3.7 The FXCCM agrees to use all reasonable efforts to make a bid in an Auction for an Auction Portfolio in respect of which such FXCCM is a Currency Pair Participant.

2.4 Auction Incentive Pools

2.4.1 Before commencing the auction process, the Clearing House will calculate an auction incentive pool (each an "AIP") for each individual Auction Portfolio for the purposes of providing an initial allocation of the resources potentially available to it to satisfy any loss incurred in the Auction of each such Auction Portfolio. Notwithstanding such initial allocation, any resources utilised by the Clearing House will be allocated in accordance with Rule 2.5 below.

2.4.2 For each AIP, the resources shall be allocated as follows:

- a the resources of the Defaulting FXCCM (in the form of: (i) that part of the Margin Cover for the ForexClear Contracts of the Defaulting FXCCM pursuant to Rule 16(1) of the Default Fund Rules and (ii) the ForexClear Contribution made by the Defaulting FXCCM to the ForexClear Default Fund) available pursuant to Rule 16(2) of the Default Fund Rules at the time of the auction process will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios;
- b the portion of the Capped Amount applied to the ForexClear Business of the Defaulting FXCCM pursuant to Rule 16(3) of the Default Fund Rules will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; and
- c the Non-defaulters' Contribution of each FXCCM and the total value of the ForexClear Unfunded Contributions which would be callable but have not been called by the Clearing House from the relevant FXCCM in respect of the relevant Default in accordance with Rule F8 of the Default Fund Rules (the "**Potential Unfunded Contributions**") will, subject to Rule 2.4.3 below, be allocated between the AIPs relating to the Auction Portfolios in which the relevant FXCCM is a Currency Pair Participant based on the proportion that: (a) the risk of the ForexClear Contracts of such FXCCM denominated in the Currency Pair bears to (b) the aggregate of the amounts calculated in (a) in respect of each Currency Pair in which the relevant FXCCM is a Currency Pair Participant.

2.4.3 Where a Portfolio for a particular Currency Pair has been split into two or more Auction Portfolios, the Non-defaulters' Contributions and Potential Unfunded Contributions allocated to the AIP related to the relevant Portfolio will be further divided for the purposes of allocation into AIPs relating to the relevant Auction Portfolios based on the proportion that (a) the risk of the ForexClear Contracts in each such Auction Portfolio bears to (b) the aggregate of the amounts calculated in (a) for each of the Auction Portfolios in the relevant Currency Pair.

2.5 Loss Attribution

2.5.1 Following the completion of all Auctions of all Auction Portfolios of the Defaulting FXCCM, the Clearing House will determine whether losses incurred by it as a result of such Auctions are such that the Non-defaulters' Contributions must be utilised. Where applicable, such losses will be

allocated to Non-defaulters' Contributions in accordance with the loss attribution process described in Rules 2.5.2 to 2.5.8 below.

- 2.5.2 For each Auction Portfolio, losses to the Clearing House will be met using the resources as set out in Rule 16 of the Default Fund Rules. In applying those resources, the Clearing House will allocate the losses in respect of each Auction Portfolio (the "**Auction Losses**") by reference to the resources allocated to the AIPs related to such Auction Portfolios in accordance with Rule 2.4. Where there are no Auction Losses in respect of an Auction Portfolio or the Auction Losses in respect of an Auction Portfolio do not require the full amount of the resources referred to in sub-paragraphs (a) and (b) of Rule 2.4.2 allocated to the AIP related to the relevant Auction Portfolio (the "**Initial Resources**") to be fully utilised, the relevant surplus Initial Resources will be allocated pro rata between those AIPs relating to Auction Portfolios in respect of which there are Auction Losses requiring the utilisation of resources beyond the Initial Resources available in the relevant AIP in accordance with Rule 16(1), 16(2) and 16(3) of the Default Fund Rules until such time as all Initial Resources have been fully utilised.
- 2.5.3 In the case of each Auction for which there are Auction Losses in respect of which the Non-defaulters' Contributions must be utilised, those Non-defaulter's Contributions, not including, for these purposes, any part of such Non-defaulters' Contributions that reflect any ForexClear Unfunded Contribution deposited with the Clearing House pursuant to the Default in respect of which the relevant Auction was held (the "**Original Contributions**") and which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Original Contributions**") will be used first in the following order:
- a The Auction Losses will be attributed to the Relevant Original Contributions of those FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Original Contribution of an individual FXCCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Original Contribution of such FXCCM bears to (b) the total value of the Relevant Original Contributions of all FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction;
 - b If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Original Contributions of the Short Bidders. For the purposes of this sub-paragraph (ii) and sub-paragraph (ii) of Rule 2.5.6, the term "**Short Bidder**" means any FXCCM who is a Currency Pair Participant in the Auction Currency Pair and who submitted an unsuccessful bid in the relevant Auction save for any FXCCM who submitted a higher bid in an Auction than the bid accepted by the Clearing House in accordance with Rule 2.3.4 (each such FXCCM, a "**Higher Bidder**" and each such bid, a "**Higher Bid**").
- Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid in

USD bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid in USD;

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Original Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Original Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "**Remaining Original Short Bidder**") by (a) calculating the amount which is the bid of the relevant Remaining Original Short Bidder divided by the sum of the bids of all Remaining Original Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Original Contributions of all Short Bidders being fully attributed; and

- c If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Original Contribution of the FXCCM who submitted the winning bid, together with, where applicable, the Relevant Original Contribution of any FXCCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Original Contribution of an individual FXCCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Original Contribution of such FXCCM bears to (b) the total value of the Relevant Original Contributions of (i) the FXCCM who submitted the winning bid; (ii) any FXCCMs who submitted an Equal Bid to such winning bid; and (iii) any FXCCMs who were Higher Bidders in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency Pair in which the Relevant Original Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auction Losses amongst such Remaining Original Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

- 2.5.4 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.3 above, those Auction Losses will be attributed to the Original Contributions of those FXCCMs who are Currency Pair Participants in any other Auction Currency Pair in relation to which Auction Losses have arisen to the extent that Non-defaulters' Contributions must be utilised (each a "**Losing Currency Pair**") and whose Original Contributions have not yet been fully utilised (each a "**Losing Currency Pair Original FXCCM**"). Such remaining Auction Losses will be attributed to any remaining Original Contribution of each such FXCCM pursuant to this Rule 2.5.4 based upon the proportion that: (a) the risk of all of the ForexClear Contracts of such FXCCM denominated in any of the

Losing Currency Pairs bears to (b) the aggregate risk of the amounts calculated in (a) for all Losing Currency Pair Original FXCCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.4 until the first to occur of (a) the Auction Losses being fully met; and (b) the Original Contributions of all Losing Currency Pair Original FXCCMs being fully attributed.

- 2.5.5 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.4 above, those remaining Auction Losses will be allocated to the Original Contributions of each FXCCM who is not a Currency Pair Participant in any of the Losing Currency Pairs based upon the proportion that (a) the value of each such Original Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such FXCCMs.
- 2.5.6 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.5 above, the ForexClear Unfunded Contributions which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Unfunded Contributions**") will be used first in the following order:
- a The Auction Losses will be attributed to the Relevant Unfunded Contributions of those FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Unfunded Contributions of an individual FXCCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such FXCCM bears to (b) the total value of the Relevant Unfunded Contributions of all FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction;
 - b If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Unfunded Contributions of the Short Bidders in the relevant Auction. Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid in USD bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid in USD;

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Unfunded Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Unfunded Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "**Remaining Unfunded Short Bidder**") by (a) calculating the amount which is the bid of the relevant Remaining Unfunded Short Bidder divided by the sum of the bids of all Remaining Unfunded Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction

Losses being fully met; and (b) the Relevant Unfunded Contributions of all Short Bidders being fully attributed; and

- c If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Unfunded Contribution of the FXCCM who submitted the winning bid, together with, where applicable, the Relevant Unfunded Contribution of any FXCCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Unfunded Contribution of an individual FXCCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such FXCCM bears to (b) the total value of the Relevant Unfunded Contributions of (i) the FXCCM who submitted the winning bid; (ii) any FXCCMs who submitted an Equal Bid to such winning bid; and (iii) any FXCCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency Pair in which the Relevant Unfunded Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auction Losses amongst such Remaining Unfunded Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

- 2.5.7 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.6 above, those Auction Losses will be attributed to the ForexClear Unfunded Contributions of those FXCCMs who are Currency Pair Participants in any other Losing Currency Pair and whose ForexClear Unfunded Contributions have not yet been fully utilised (each a "**Losing Currency Pair Unfunded FXCCM**"). Such remaining Auction Losses will be attributed to any remaining ForexClear Unfunded Contributions of each such FXCCM pursuant to this Rule 2.5.7 based upon the proportion that: (a) the risk of all of the ForexClear Contracts of such FXCCM denominated in any of the Losing Currency Pairs bears to (b) the aggregate risk of the amounts calculated in (a) for all Losing Currency Pair Unfunded FXCCMs. The Clearing House will repeat the loss attribution process described in this Rule 3.5.7 until the first to occur of (a) the Auction Losses being fully met; and (b) the ForexClear Unfunded Contributions of all Losing Currency Pair Unfunded FXCCMs being fully attributed.
- 2.5.8 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.7 above, those remaining Auction Losses will be allocated to the ForexClear Unfunded Contributions of each FXCCM who is not a Currency Pair Participant in any of the Losing Currency Pairs based upon the proportion that (a) the value of each such ForexClear Unfunded Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such FXCCMs.
- 2.6 For the purposes of Rules 2.4 and 2.5 above, all references to the risk associated with a ForexClear Contract shall be references to such risk as determined by the Clearing House in its sole discretion for the purpose of calculating initial margin in accordance with the Procedures.

3. TRANSFER OF CASH FLOWS / REGISTRATION OF POSITIONS

- 3.1 Following the disposal of an Auction Portfolio by way of Auction (and notwithstanding that other Auction Portfolios of the Defaulting FXCCM may not yet have been auctioned) the Clearing House, will, with the co-operation of the FXCCMs, transfer to the FXCCM whose bid won that Auction Portfolio the rights and obligations, from the Defaulting FXCCM, arising out of the positions which that FXCCM has successfully bid for under the ForexClear Default Management Process. Such transfer may take place by way of registration of new positions with the Clearing House in the name of the relevant FXCCM, or novation of rights and obligations to the relevant FXCCM. All such registrations shall be made in a way that recognises the variation margin paid or received in relation to the ForexClear Contracts of the Defaulting FXCCM representing such new positions.
- 3.2 In order to effect the transfer of positions, the Clearing House shall prescribe such procedures and timetable as it considers reasonably appropriate in the circumstances. FXCCMs will be required to exercise best endeavours to comply with such requirements as may be established by the Clearing House, after consultation with the ForexClear DMG, to effect the transfer of positions, including but not limited to the payment of any sums due as a result of the winning bid and the provision of cover in an amount required by the Clearing House for initial margin and variation margin in respect of positions which are to be registered in their names. The Clearing House agrees that in such procedures it shall make provision for set-off by the Clearing House of amounts owed by the Clearing House to the FXCCM as a result of the operation of the ForexClear DMP against sums owed by the FXCCM to the Clearing House in respect thereof.
- 3.3 Where, as a result of an Auction, the Clearing House is required to make a payment to an FXCCM in respect of a winning bid, the Clearing House shall not be permitted to register any position, whether as a new position or as a novation of existing rights and obligations, to any such FXCCM if the Clearing House does not simultaneously credit that FXCCM with the requisite amount. If any position is so registered without such payment, such registration shall be deemed void *ab initio* and unenforceable against the relevant FXCCM. For the avoidance of doubt, the Clearing House will utilise the resources available to it pursuant to Rule 16 of the Default Fund Rules for the purposes of making such a payment notwithstanding that other Auction Portfolios of the Defaulting FXCCM may not yet have been auctioned and that the loss attribution process provided for by Rule 2.5 has not yet occurred.

4. INFORMATION REGARDING DEFAULT MANAGEMENT PROCESS

- 4.1 Whenever the ForexClear DMP is implemented by the Clearing House in respect of a Defaulting FXCCM, the Clearing House will, with the assistance of the ForexClear DMG, provide such ongoing information to FXCCMs as the Clearing House deems reasonably appropriate in respect of the progress of the ForexClear DMP.
- 4.2 Nothing in this Rule 4 shall require the Clearing House to disclose information in respect of the ForexClear DMP which, in the reasonable opinion of the Clearing House, may be subject to obligations of confidentiality, may constitute market sensitive data or is, in the Clearing House's reasonable opinion, inappropriate for disclosure to FXCCMs.

5. MISCELLANEOUS

- 5.1 Subject to Rules 2.4 and 2.5 of this Annex, the resources available to the Clearing House and their order of use are defined in Rule 16 of the Default Fund Rules as modified and/or supplemented by the ForexClear Default Fund Supplement.
- 5.2 The Clearing House may from time to time supplement the details of any of the stages set out in Rule 2 of this Annex or any other aspects of the ForexClear DMP, in consultation with the ForexClear DMG, either by way of further Guidance or immediately on notice to FXCCMs on a case-by-case basis where the Clearing House deems it appropriate to do so in the circumstances of the Default, provided that the Clearing House may not take any such action that effects a material change to the terms of this Annex without the written consent of 50% of all ForexClear Clearing Members unless such change is invoked unilaterally against all FXCCMs and is necessary to manage the Clearing House's risk or otherwise to meet the Clearing House's continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization. The Clearing House agrees that, in the ordinary course, it shall discuss any such Guidance with the ForexClear DMG prior to bringing the Guidance into effect except that it shall not be required to do so where (i) the Guidance is not material to the rights and obligations of the FXCCMs or (ii) the Clearing House deems it inappropriate to do so in the circumstances of the Default and it is not possible to convene the ForexClear DMG in timely fashion.
- 5.3 The timetable for implementation of the stages of the ForexClear Default Management Process following issue of a Default Notice by the Clearing House shall be either (1) as prescribed by the Clearing House from time to time in consultation with the ForexClear DMG and set out in Guidance; or (2) imposed by the Clearing House without prior notice to the FXCCMs on a case-by-case basis where the Clearing House, in consultation with the ForexClear DMG, deems it appropriate to do so in the circumstances of the Default.

6. ROLE AND CONSTITUTION OF FOREXCLEAR DMG

- 6.2 The members of the ForexClear DMG shall also meet within one hour, or as soon as reasonably practical, following notification by the Clearing House that a Default Notice has been served upon an FXCCM, and at sufficiently frequent intervals thereafter for so long as may be necessary to assist the Clearing House in the implementation of the ForexClear DMP as contemplated under this Agreement. Such implementation shall include, without limitation, the provision of general default management advice with regard to: (1) the ongoing obligations of the Clearing House to its non-defaulting members; (2) the neutralisation and closing-out of the individual obligations of the Defaulting FXCCM; and (3) the splitting of Portfolios and

- the disposal of Auction Portfolios in accordance with the ForexClear DMP. Where it is not possible or practicable for the FXCCM to provide its nominated representative within an appropriate timeframe, it shall provide an alternate of suitable experience and expertise to participate on the ForexClear DMG.
- 6.3 The ForexClear DMG shall be made up of the following individuals who, unless stated otherwise, shall be appointed by the Clearing House which shall ensure that the composition is such as to provide effective review of the ForexClear DMP and suitable expertise and representation of market-making capacity in the event of a Default:
- 6.3.1 in the event of the issuance of a Default Notice, the chief executive or deputy chief executive of the Clearing House, who shall act as chairman;
- 6.3.2 at least six representatives of at least four FXCCMs, being senior executives with appropriate skills and expertise;
- 6.3.3 at least one director (staff member of director grade) of the Clearing House's Risk Management department; and
- 6.3.4 such other individuals as the ForexClear DMG considers appropriate from time to time in relation to individual meetings.

- 6.5 In establishing the ForexClear DMG, the Clearing House agrees that in the normal course of events (not including the Clearing House's declaration of a Default and the invocation of the processes as outlined in Rules 2, 3 and 4 of this Annex) it will, as far as practicable, and in accordance with the terms of reference of the ForexClear DMG, rotate the membership of the ForexClear DMG on a regular basis and amongst all FXCCMs. The FXCCM agrees that, when requested to do so by the Clearing House, it will make available a representative to participate in the ForexClear DMG. - 6.6.2 to take all steps to respect the confidential capacity in which such a representative receives information through the ForexClear DMG and to establish adequate procedures to prevent the disclosure or use for any commercial purpose outside the scope of the ForexClear DMP of any such confidential information by the FXCCM or its representative. Such procedures shall normally include, without limitation, the establishment of Chinese walls within the FXCCM; and
- 6.6.3 to be bound by and to ensure that it and any of its executives or directors serving on the ForexClear DMG complies with the requirements contained in the Procedures.

- 6.7.2 representatives of FXCCMs serving on the ForexClear DMG and their employers shall have no liability for any disinterested advice or actions, mandated or otherwise, that are undertaken as part of the ForexClear Default Management Process, provided, however, that nothing in this Rule 6.7.2 shall exclude the liability of such representatives and employers for any personal injury or death caused by their negligence or for any fraud or wilful default on the part of such representatives and employers.
- 6.8 The Clearing House agrees that, in exercising its rights and obligations in consulting with the ForexClear DMG pursuant to this Agreement, it will use all reasonable commercial endeavours to agree a common position with the ForexClear DMG, provided that nothing in this Rule shall prevent the Clearing House acting in a way which it reasonably determines necessary to manage its risk or otherwise meet its continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization.

Reduction of Losses on Default

16. Subject to any contrary provision of the Rulebook, where a defaulter fails to pay any sum payable to the Clearing House, the Clearing House shall reduce or bear its loss in the manner provided by this Rule:-
- (a) first, to the extent the Clearing House determines appropriate, in applying any cover for margin and any other sum owed to the defaulter other than any Contribution (together, "**Margin Cover**"), provided that Margin Cover related to the General Business is to be applied first to any loss attributable to the General Business until such loss is absorbed, Margin Cover related to the ForexClear Business is to be applied first to any loss attributable to the ForexClear Business until such loss is absorbed, Margin Cover related to the SwapClear Business is to be applied first to any loss attributable to the SwapClear Business until such loss is absorbed and Margin Cover related to the RepoClear Business is to be applied first to any loss attributable to the RepoClear Business until such loss is absorbed;
 - (b) second, by recourse to (i) the defaulter's relevant Contribution (i.e. ForexClear Contribution in respect of ForexClear Business, SwapClear Contribution in respect of SwapClear Business, RepoClear Contribution in respect of RepoClear Business and General Contribution in respect of General Business), followed by (ii) any other Contribution made by the defaulter to the extent not utilised under (i) above. The Clearing House will exercise its rights of recourse under this Rule 16(b) by set-off against the Clearing House's obligation to repay the relevant Contributions to the defaulter;
 - (c) third, by payment from the Clearing House's own account of an amount up to a maximum of £20,000,000 (or such greater amount (if any) as may be determined from time to time by the Board of the Clearing House) (the "**Capped Amount**"). For the avoidance of doubt, amounts will only be paid under this stage (c) if and to the extent that to do so would not result in the Clearing House being unable to meet all its other liabilities (taking into account for these purposes the obligation of the Clearing House to return initial margin provided in the form of cash and to repay the Contributions of all Clearing Members).

Where there are amounts due from the defaulter at this stage in respect of more than one of General Business, ForexClear Business, SwapClear Business and RepoClear Business, the Capped Amount shall be applied to those amounts pro rata;

- (d) fourth, to the extent that any insurance or analogous arrangement is not available to the Clearing House, by recourse to the indemnities given under Rule 28 by Clearing Members other than the defaulter (which shall be satisfied by set-off against the Clearing House's obligation to repay the relevant Contributions of such Clearing Members);
- (e) fifth, by recourse to any insurance cover or analogous arrangement;
- (f) sixth, by recourse to the indemnities given under Rule 28 by Clearing Members other than the defaulter (which shall be satisfied by set-off against the Clearing House's obligation to repay the relevant Contributions of such Clearing Members);
- (g) seventh, by recourse to any other indemnities, guarantees, undertakings or monies provided by Clearing Members; and
- (h) eighth, and in respect of General Excess Loss and RepoClear Excess Loss only, as a loss borne by the Clearing House for its own account. For the avoidance of doubt, amounts will only be paid under this stage (h) if and to the extent that to do so would not result in the Clearing House being unable to meet all its other liabilities (taking into account for these purposes the obligation of the Clearing House to return initial margin provided in the form of cash and to repay the Contributions of all Clearing Members).

This Rule has effect without prejudice to any rights of the Clearing House or any other person against the defaulter. For the avoidance of doubt, (i) the effect of Rule F11 is that only stages (a) to (g) under this Rule 16 will apply in respect of any ForexClear Excess Loss, and any outstanding contracts retained by the Clearing House will be closed out in accordance with the procedure set out in Rule F11 without any recourse to the capital of the Clearing House under Rule 16(h); and (ii) the effect of Rule S10 is that only stages (a) to (g) under this Rule 16 will apply in respect of any SwapClear Excess Loss, and any outstanding contracts retained by the Clearing House will be closed out in accordance with the procedure set out in Rule S10 without any recourse to the capital of the Clearing House under Rule 16(h).

Where a defaulter is engaged in more than one of General Business, ForexClear Business, SwapClear Business and RepoClear Business (each a "**Relevant Business**" in respect of the defaulter), the completion of the default management processes in respect of each such Relevant Business may occur at different times. The Clearing House may be required to make a determination in respect of one Relevant Business (including certification of a Default Loss under Rule 23(b), certification of a net sum payable under Rule 26(a) or the value of a General Excess Loss, ForexClear Excess Loss, SwapClear Excess Loss and/or RepoClear Excess Loss) in order to manage the default at a time when (a) the determination is contingent on an outcome of the default management process in respect of some other Relevant Business, and (b) that outcome has not yet been reached. In the interests of efficient resolution, the Clearing House may at such point make assumptions about that outcome, and proceed with the relevant process on that basis. Where any such assumptions have been made, the Clearing House shall, on the completion of the default management processes in respect of all Relevant Businesses, make such credits to the default funds relating to the Relevant Businesses and such distributions to former Clearing Members as may be necessary to put the default funds and those firms which had contributed to such default funds at the time of the relevant default in the position that they would have been if the correct outcomes had been used and the relevant assumptions had not been made.

Contributions to Fund

17. Each Clearing Member shall deposit and maintain with the Clearing House one or more sums of cash (each a "**Contribution**") in an amount calculated by the Clearing House in accordance with these Rules. A Clearing Member's "**General Contribution**" shall be equal to the sum of its EquityClear Clearing Member Contribution (if any), as defined in Rule 19A, and its Exchange Contribution (if any), as defined in Rule 19, denominated in sterling as cover, in accordance with Rules 15 to 37 (inclusive). An FXCCM's "**ForexClear Contribution**" shall be the amount specified in the ForexClear Default Fund Supplement, in accordance with Rules 15 to 37 (inclusive) and shall include any ForexClear Unfunded Contributions deposited and made by the FXCCM with the Clearing House. 18. Subject to Rule 18A, the amount of each General Clearing Member's General Contribution shall be determined by the Clearing House as soon as practicable after each Quarter Day on the basis of information available as at close of business on such Quarter Day and notified to such General Clearing Member as soon as practicable after such determination in accordance with the Procedures.
- 18A Until the EquityClear Transition Date, and subject to Rule 32A, the Clearing House may require an EquityClear Clearing Member to deposit and maintain with the Clearing House an additional sum of cash (a "**Supplementary EquityClear Contribution**") denominated in sterling as cover, to form part of that Clearing Member's General Contribution. The Clearing House may exercise its rights under this Rule in respect of any date before the EquityClear Transition Date on which, in the reasonable opinion of the Clearing House, 10% of the Clearing Member's requirement for initial margin (as calculated under the Procedures section of the Rulebook or other arrangements applicable) in respect of all EquityClear Contracts significantly exceeds the Clearing Member's EquityClear Contribution actually held by the Clearing House on that date. A Supplementary EquityClear Contribution required to be deposited under this Rule shall be payable in such amount and at such time as the Clearing House shall appoint.
19. Subject to Rules 20, 21, 33 and 34, an Exchange Clearing Member's Contribution (its "**Exchange Contribution**") to the Exchange Fund Amount shall be determined with reference to business conducted by it on the Specified Exchanges and under the LCH Enclear OTC Regulations, ~~or part IV of the FCM Regulations (Regulations Applicable to FCM Enclear Contracts)~~, as at close of business on each Quarter Day, as follows:-
- (a) the Clearing Member's "**Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect: (1) of all Contracts (other than EquityClear, SwapClear, ForexClear and RepoClear Contracts) and (2) all LCH Enclear OTC Contracts by the total of such average daily requirements applied to all Clearing Members other than defaulters;
 - (b) the Clearing Member's "**Volume Weight**" shall be calculated by dividing the average daily number of Cleared Exchange Contracts and LCH Enclear OTC

Contracts registered for the first time with the Clearing House in the name of the Clearing Member during the Reference Period by the total of such average numbers for all Clearing Members other than defaulters;

- (c) the Clearing Member's "**Weight Factor**" shall be calculated by adding one-half of its Margin Weight as defined in (a) above to one-half of its Volume Weight as defined in (b) above;
 - (d) the Clearing Member's "**Preliminary Exchange Contribution**" shall be calculated by multiplying the Exchange Fund Amount by its Weight Factor;
 - (e) if the Clearing Member's Preliminary Exchange Contribution is below the Minimum Exchange Contribution for the time being, the Clearing Member's Exchange Contribution shall be the Minimum Exchange Contribution;
 - (f) for each Minimum Exchange Contribution Member, the arithmetical difference shall be calculated between (i) the Minimum Exchange Contribution and (ii) the Clearing Member's Preliminary Exchange Contribution, and the "**Exchange Surplus**" shall be calculated by adding together all such differences;
 - (g) for each Clearing Member other than a Minimum Contribution Member, the Clearing Member's "**Exchange Discount**" shall be such Clearing Member's *pro rata* share of the Exchange Surplus calculated as the proportion of such Clearing Member's Preliminary Exchange Contribution relative to the aggregate Preliminary Exchange Contributions of all Clearing Members other than Minimum Exchange Contribution Members;
 - (h) for each Clearing Member other than a Minimum Exchange Contribution Member, the Clearing Member's Exchange Contribution shall be the Preliminary Exchange Contribution less the Clearing Member's Exchange Discount; provided that if the outcome of such calculation would result in an Exchange Contribution less than the Minimum Exchange Contribution, such Clearing Member shall pay the Minimum Exchange Contribution notwithstanding that the arithmetical sum of Exchange Contributions paid by all Clearing Members may thereby exceed the Exchange Fund Amount.
- 19A Subject to Rules 18A, 20, 21, 32A, 33 and 34, each EquityClear Clearing Member's Contribution attributable to EquityClear business conducted by it shall be determined as at close of business on each Quarter Day before the EquityClear Transition Date and shall be the higher of the Minimum EquityClear Contribution and 10% of the Clearing Member's average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect of all EquityClear Contracts.
- 19B Subject to Rules 20, 21, 33 and 34, each EquityClear Clearing Member's Contribution attributable to EquityClear business conducted by it shall be determined as at close of business on the EquityClear Transition Date and each Quarter Day thereafter as follows:-
- (a) the Clearing Member's "**EquityClear Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect of all EquityClear

Contracts by the total of such average daily requirements applied to all Clearing Members other than defaulters;

- (b) the Clearing Member's "**Preliminary EquityClear Contribution**" shall be calculated by multiplying the EquityClear Fund Amount by the Clearing Member's EquityClear Margin Weight;
- (c) if the Clearing Member's Preliminary EquityClear Contribution is below the Minimum EquityClear Contribution for the time being, the Clearing Member's EquityClear Contribution shall be the Minimum EquityClear Contribution;
- (d) for each Minimum EquityClear Contribution Member, the arithmetical difference shall be calculated between (i) the Minimum EquityClear Contribution and (ii) the Clearing Member's Preliminary EquityClear Contribution, and the "EquityClear Surplus" shall be calculated by adding together all such differences;
- (e) for each Clearing Member other than a Minimum EquityClear Contribution Member, the Clearing Member's "EquityClear Discount" shall be such Clearing Member's pro rata share of the EquityClear Surplus calculated as the proportion of such Clearing Member's Preliminary EquityClear Contribution relative to the aggregate Preliminary EquityClear Contributions of all Clearing Members other than Minimum EquityClear Contribution Members;
- (f) for each Clearing Member other than a Minimum EquityClear Contribution Member, the Clearing Member's EquityClear Contribution shall be the Preliminary EquityClear Contribution less the Clearing Member's EquityClear Discount; provided that if the outcome of such calculation would result in a EquityClear Contribution less than the Minimum EquityClear Contribution, such Clearing Member shall pay the Minimum EquityClear Contribution notwithstanding that the arithmetical sum of EquityClear Contributions paid by all Clearing Members may thereby exceed the EquityClear Fund Amount.

20. For the purposes of the calculations under Rules 18A, 19, 19A, 19B and 19C:-

- (a) "**Reference Period**" means the period starting on the day immediately after the Quarter Day immediately before the Quarter Day as at which the determination is made and ending on the Quarter Day as at which the determination is made (including both the day at the start of the period and the day at the end of the period);

Provided that the Clearing Member is not a defaulter, the amount of its Contribution shall be paid in accordance with and subject to Rule 22. The provisions of Rule 19, 19A, 19B and this Rule do not apply to a Clearing Member which is a defaulter, unless the Clearing House so permits in any particular case.

- 21. Without prejudice to any other requirements which the Clearing House may impose, the amount of the General Contribution of a New Member shall be the sum of (a) where the New Member has applied to become an EquityClear Clearing Member, the Minimum EquityClear Contribution, (b) where the New Member has applied to become an Exchange Clearing Member, the Minimum Exchange Contribution, and (d) any supplementary sum determined by the Clearing House in its discretion and notified to the New Member. The Clearing House shall determine the amount of such supplementary sum by reference to the actual or expected level of clearing activity of the New Member.

 - (c) if the amount of the General Contribution of a General Clearing Member immediately before close of business on that Quarter Day is less than the amount of the General Clearing Member's General Contribution as so determined, the shortfall shall be paid by such General Clearing Member to the Clearing House in accordance with the Procedures.

The provisions of this Rule do not apply to a General Clearing Member which is a defaulter, unless the Clearing House so permits in any particular case.

If the Clearing House certifies any Default Loss, all of the defaulting Clearing Member's Contributions shall immediately become due and repayable, but only in an amount not exceeding the total Default Loss. In this regard:
- (i) where there is a General Business Default Loss only and the defaulter's General Contribution exceeds the General Business Default Loss, the defaulter's ForexClear Contribution SwapClear Contribution and RepoClear Contribution shall not become due and repayable;

A Clearing Member shall not otherwise encumber (or seek to encumber) its Contributions.

Application of defaulter's Contribution, and Certification of Aggregate Excess Losses

26. Without prejudice to any other right of set-off or application of funds to which the Clearing House may be entitled, in the event of a Default and the certification by the Clearing House of a Default Loss under Rule 23(b) in respect thereof the Clearing House shall without notice set off in or towards satisfaction of any sums payable to the Clearing House from the defaulter any amount of any Contribution of the defaulter which has become due and repayable in accordance with Rule 23(b). If the Clearing House is to have recourse, in accordance with Rule 16, to the indemnities, guarantees, undertakings or monies provided by Clearing Members other than the defaulter, as soon as practicable the Clearing House shall certify (by a "**Rule 26 Certificate**"):-
- (a) the amount of the defaulter's Contribution applied under this Rule and the net sum (if any), or each net sum (if more than one), then immediately payable by the defaulter to the Clearing House in respect of (i) General Business, (ii) ForexClear Business (iii) SwapClear Business and (iv) RepoClear Business, taking into account for this purpose the defaulter's Contribution but excluding for this purpose any sum due to the Clearing House in respect of any Excluded Transaction; and
 - (b) the extent to which any sums so payable by the defaulter to the Clearing House but unpaid may be claimed by the Clearing House under a policy of insurance or analogous instrument relating to Default Losses.

The Clearing House may issue more than one Rule 26 Certificate in relation to losses arising upon any Default.

Where a Rule 26 Certificate is to be issued in respect of the Default of an FXCCM, the Clearing House may assume that no further recoveries will be made in respect of obligations of the Defaulting FXCCM beyond the value of its ForexClear Contribution.

27. The Clearing House may in the exercise of the right conferred by Rule 26 set off the amount due (in accordance with Rule 23(b)) to a defaulter in respect of the defaulter's Contribution or any part thereof against sums owing on any account whether or not it is a client account, and the Clearing House shall have unfettered discretion in this regard. A defaulter's Contribution shall not be treated as standing to the credit of any client account of the defaulter except to the extent that any Default Loss certified under Rule 23(b) arises in relation to a client account and the Clearing House so requires.

Application of Fund and Indemnity

28. By virtue of the Clearing Membership Agreement and this Rule, and subject to Rule 29:
- (a) each Clearing Member engaged in General Business indemnifies the Clearing House in respect of General Excess Loss upon the Default of another Clearing Member in an aggregate amount not exceeding the amount due from it as its General Contribution at the date of the issue of the Rule 26 Certificate which relates to such Aggregate Excess Loss;
 - (b) each Clearing Member engaged in ForexClear Business indemnifies the Clearing House in respect of the aggregate of the ForexClear Excess Losses calculated in respect of the Defaults of FXCCMs occurring in a ForexClear Default Period in an aggregate amount not exceeding the amount due from it as its ForexClear Contribution as calculated under the ForexClear Default Fund Supplement on the ForexClear Determination Date immediately prior to the commencement of the relevant ForexClear Default Period together with any ForexClear Unfunded Contribution that the Clearing House has called or would be entitled to call from such FXCCM during such ForexClear Default Period;
 - (c) each SCM indemnifies the Clearing House in respect of the aggregate of the SwapClear Excess Losses calculated in respect of the Defaults of SCMs occurring in a SwapClear Default Period in an aggregate amount not exceeding the amount due from it as its SwapClear Contribution as calculated under the SwapClear Default Fund Supplement on the SwapClear Determination Date immediately prior to the commencement of the relevant SwapClear Default Period together with any SwapClear Unfunded Contribution that the Clearing House has called or would be entitled to call from such SCM during such SwapClear Default Period; and
 - (d) each RCM indemnifies the Clearing House in respect of the aggregate of the RepoClear Excess Losses calculated in respect of the Defaults of RCMs occurring in a RepoClear Default Period in an aggregate amount not

exceeding the amount due from it as its RepoClear Contribution as calculated under the RepoClear Default Fund Supplement on the RepoClear Determination Date immediately prior to the commencement of the relevant RepoClear Default Period together with any RepoClear Unfunded Contribution that the Clearing House has called or would be entitled to call from such RCM during such RepoClear Default Period.

The amount due by a Clearing Member in respect of each General Excess Loss shall be the Clearing Member's *pro rata* share of such loss arising upon the relevant Default calculated as the proportion of such Member's relevant Contribution relative to the aggregate relevant Contributions of all Clearing Members other than the relevant defaulter at the time of the relevant Default. The amount due by a Clearing Member in respect of each ForexClear Excess Loss shall be determined in accordance with the provisions of the ForexClear DMP Annex. The amount due by a Clearing Member in respect of each SwapClear Excess Loss shall be determined in accordance with the provisions of the SwapClear DMP Annex. The amount due by a Clearing Member in respect of each RepoClear Excess Loss shall be determined in accordance with the provisions of the RepoClear Default Fund Supplement. The amount so due shall become immediately payable automatically (without any obligation on the part of the Clearing House to make demand on the Clearing Member) upon the issue by the Clearing House of the applicable Rule 26 Certificate. Without prejudice to any other right of set-off or application of funds to which the Clearing House may be entitled, the Clearing House shall forthwith without notice set off any amount due in accordance with Rule 23(c) to a Clearing Member in respect of the relevant Contribution of such Clearing Member in or towards satisfaction of the amount payable by such Clearing Member under this Rule 28.

29. This Rule applies to a defaulter (the "**First defaulter**") where the Contribution of the First defaulter has not been repaid to the First defaulter or applied by the Clearing House under Rule 26, and Aggregate Excess Losses arise upon the Defaults of other Clearing Members. Where this Rule applies, Rule 28 shall have effect with the following modifications:-
 - (a) the balances (if any) of the First defaulter's relevant Contributions may be applied under Rule 28 in respect of such relevant Aggregate Excess Losses up to and including the date three months after the date of issue of the Default Notice in respect of the First defaulter's Default; and
 - (b) after the date three months after the date of issue of such Default Notice, the balances (if any) of the First defaulter's relevant Contributions may not be applied under Rule 28 in respect of such relevant Aggregate Excess Losses, but they may be retained on account of losses arising upon the First defaulter's own Default, and for the purposes of Rule 28 they shall be disregarded.
30. The Clearing House shall give notice to each Clearing Member as soon as practicable after an amount has become due in accordance with Rule 28 and of the manner in which it has been satisfied.
31. If, in relation to a Default, the Clearing House has been unable to certify in any Rule 26 Certificates issued on or before the Quarter Day immediately after the Default all sums which may be or become due to the Clearing House from the Defaulter (because such sums will not or may not become liquidated or for any other reason payable until a later date), the Clearing House shall maintain a Contribution from each Clearing Member (other than the Defaulter) as cover for the performance by

such Clearing Member of its obligation to indemnify the Clearing House in relation to any General Excess Loss not yet certified. In fulfilment of this requirement the Clearing House may take any step which appears to the Clearing House to be appropriate, and the steps so taken may include any (including a combination) of the following:-

- (a) postponement of the date for adjustment of Clearing Members' Contributions under Rule 22;
- (b) reduction of the amounts payable to some or all Clearing Members under Rule 22(a); and
- (c) estimation of the amount of Aggregate Excess Losses which may become certified after the relevant Quarter Day as appropriate, and application of Rule 28 as if such estimated amount were already realised as a General Excess Loss.

The Clearing House shall notify Clearing Members of any steps taken under this Rule.

Reinstatement of the Fund

32. Where, after a Default, the Clearing House has applied part or all of a General Contribution under Rule 26 or Rule 28, the General Fund Amount shall be reduced forthwith by the aggregate amount of the Contributions or parts of Contributions so applied, and the EquityClear Fund Amount and the Exchange Fund Amount shall be reduced *pro rata*. Unless and until the Clearing House has repaid a defaulter's Contribution, the General Fund Amount shall be treated as having been reduced by the amount of the defaulter's Contribution (if any) regardless of whether the Clearing House has applied part or all of that Contribution under Rule 26. Following a reduction of the General Fund Amount in accordance with this Rule, the Clearing House may by a single increase or by a series of increases raise the General Fund Amount to such level not exceeding £410,000,000 and after such interval or intervals as it considers appropriate, provided that:

- (a) upon each such increase the EquityClear Fund Amount and the Exchange Fund Amount shall increase *pro rata*; and
- (b) no such increase shall bind any Clearing Member which does not agree to it.

Where by virtue of this Rule the General Fund Amount is less than £410,000,000, the size of the Minimum EquityClear Contribution and the Minimum Exchange Contribution shall also be adjusted in proportion to the size of the General Fund Amount as adjusted for the time being.

32A If on any Quarter Day before the EquityClear Transition Date the General Fund Amount is by virtue of Rule 32 less than it was before the Default, the formula in Rule 19A shall be modified so that the alternative basis of calculation is reduced from 10% of the Clearing Member's average daily requirement for initial margin (as provided by Rule 19A) to 10% of such average daily requirement multiplied by the Relevant Proportion. On any date in respect of which the Clearing House exercises its rights under Rule 18A and as at which the General Fund Amount is by virtue of Rule 32 less than it was before the Default the sum with which the Clearing Member's EquityClear Contribution is to be compared shall be reduced from 10% of the Clearing Member's requirement for initial margin (as provided by Rule 18A) to 10% of such requirement multiplied by the Relevant Proportion. For the purposes of this

Rule, the "**Relevant Proportion**" means, in relation to a date, the proportion which the General Fund Amount at such date bears to the amount before the Default.

33. Subject to Rule 34, if a Quarter Day, a ForexClear Determination Date a SwapClear Determination Date or a RepoClear Determination Date, as appropriate, occurs after the giving of notice: (i) by or in respect of any Retiring Member; (ii) by a Clearing Member to the Clearing House for the purposes of resigning from a particular Service; or (iii) by the Clearing House to a Clearing Member for the purposes of requiring such Clearing Member to resign from a particular Service (the "**Relevant Service**") (a Clearing Member for the purposes of (ii) and (iii) of this paragraph, a "**Resigning Member**"), and before the termination of such Retiring Member's Clearing Member status or the Resigning Member's resignation from the Relevant Service (as the case may be):-
- (a) if the Retiring Member or Resigning Member is not a defaulter, the amount of such Retiring Member's Contribution or such Resigning Member's Contribution in respect of the Relevant Service shall be determined by the Clearing House on the basis set out in Rules 19, 19 and 19B, the ForexClear Default Fund Supplement the SwapClear Default Fund Supplement and the RepoClear Default Fund Supplement (as applicable) without regard to the impending termination of such Retiring Member's Clearing Member status or Resigning Member's resignation (as the case may be), and the provisions of Rule 22, Rule F5 of the ForexClear Default Fund Supplement Rule S4 of the SwapClear Default Fund Supplement and Rule R.5 of the RepoClear Default Fund Supplement (as applicable) shall apply in respect of such Contribution accordingly;
 - (b) if the Retiring Member or Resigning Member is a defaulter, the balance of that Retiring Member's Contribution or the Resigning Member's Contribution in respect of the Relevant Service (as the case may be) after any part of it has been applied under Rule 26 or Rule 28 shall not be subject to adjustment under Rules 19, 19 and 19B, the ForexClear Default Fund Supplement the SwapClear Default Fund Supplement and the RepoClear Default Fund Supplement (as applicable), and the provisions of Rule 22, Rule F5 of the ForexClear Default Fund Supplement Rule S4 of the SwapClear Default Fund Supplement and Rule R.5 of the RepoClear Default Fund Supplement (as applicable) shall not apply to such Retiring Member or Resigning Member in respect of the Relevant Service.

Notwithstanding the foregoing, in such circumstances the amounts of the respective Contributions of all Clearing Members other than any Retiring Member or any Resigning Member in respect of the Relevant Service shall be determined by the Clearing House on the basis set out in Rules 18A, 19, 19A and 19B, the ForexClear Default Fund Supplement the SwapClear Default Fund Supplement and the RepoClear Default Fund Supplement (as applicable), but disregarding for all purposes any Clearing Member which is a Retiring Member or, in relation to a Relevant Service, any Resigning Member in respect of that Relevant Service, in particular disregarding such Clearing Member's daily requirement for margin and such Clearing Member's daily number of Contracts and treating any such Retiring Member as no longer being a Clearing Member, but without prejudice to any reduction of the General Fund Amount under Rule 32.

34. This Rule applies at any Quarter Day, ForexClear Determination Date SwapClear Determination Date or RepoClear Determination Date, as appropriate, after a Retiring Member has given notice of termination of its Clearing Member status, where another Clearing Member (the "**Continuing Member**") has arranged to undertake clearing on behalf of the Retiring Member. If, in the opinion of the Clearing House, the Contribution of the Continuing Member determined under Rules 18A, 19, 19A and 19B, the ForexClear Default Fund Supplement, the SwapClear Default Fund Supplement and/or the RepoClear Default Fund Supplement does not fairly reflect the Continuing Member's share of clearing activity, the Clearing House may determine the Contribution of the Continuing Member as if the EquityClear Margin Weight, Margin Weight, Volume Weight, RepoClear Margin Weight, SwapClear Margin Weight and ForexClear Margin Weight of the Retiring Member were part of the EquityClear Margin Weight, Margin Weight, Volume Weight, RepoClear Margin Weight, SwapClear Margin Weight and ForexClear Margin Weight respectively of the Continuing Member. If the Clearing House determines the amount of a Continuing Member's Contribution under this Rule, the Clearing House shall give notice to the Continuing Member, and the provisions of Rule 33 shall not apply.
35. A Retiring Member and a Resigning Member in respect of a Relevant Service shall, until the completion of the process set out in Rule 8 in relation to any Default, continue to be liable under its Rule 28 indemnity in respect of Aggregate Excess Losses arising upon such Default, notwithstanding that the Clearing Member status of the Retiring Member has terminated or that the Resigning Member has resigned in respect of the Relevant Service before that time. While a Retiring Member or Resigning Member continues to be so liable, it shall provide such cover as the Clearing House shall require in respect of its liability in relation to any Aggregate Excess Losses not yet certified, subject to such cover not exceeding the Retiring Member's Contribution at the time of the termination of its clearing membership. or the Resigning Member's Contribution to the Relevant Service at the time of its resignation. In fulfilment of this requirement the Clearing House may take any step which appears to the Clearing House to be appropriate, including postponement of the date for repayment of part or all of the Retiring Member's Contribution or Resigning Member's Contribution in respect of the Relevant Service (as the case may be). The Clearing House shall notify the Retiring Member or Resigning Member of any steps taken under this Rule.

Recoveries from defaulters

36. If all or part of the Contributions of any Clearing Member shall have been applied in accordance with Rule 28, the Clearing House shall account to each such Clearing Member (whether or not he remains at the relevant time a Clearing Member of the Clearing House) in respect of any Net Recovery, *pro rata* to the respective amounts applied in accordance with Rule 28 in relation to the relevant Default and in an amount not exceeding, in relation to each such Clearing Member, the amount of its Contributions so applied.

- (a) references to "ForexClear Clearing Members" or "FXCCMs" do not include references to Defaulting FXCCMs (apart from any Defaulting FXCCM in respect of which the Clearing House permits the application of Rule F2) or persons which were formerly FXCCMs but are not FXCCMs at the ForexClear Determination Date at which the relevant determination is made;

- F10. Where, after the Default of one or more FXCCMs, the Clearing House determines that, notwithstanding the availability of any resources remaining under Rule 16(1) to (7) and the availability of the ForexClear Loss Distribution Process in accordance with the terms of Rule F9, it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those ForexClear Contracts to which it is party with Non-Defaulting FXCCMs, the Clearing House will by notice in writing (a "**ForexClear Voluntary Payment Notice**"): (i) inform all Non-Defaulting FXCCMs that it has insufficient resources and that it is likely to invoke Rule F11; and (ii) invite each Non-Defaulting FXCCM to make a payment of funds (a

ForexClear Voluntary Payments will be made on the following terms:

F11. Where, following the process for inviting ForexClear Voluntary Payments in accordance with Rule F10, the Clearing House makes a determination (an “Insufficient Resources Determination”) that it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those ForexClear Contracts to which it is party with Non-Defaulting FXCCMs, the following provisions shall have effect:

- (a) All outstanding ForexClear Contracts shall be closed out as of the clearing day following the date the Insufficient Resources Determination was made and any further obligations to make any payments under or in respect of such ForexClear Contracts shall cease. Where such data is not available to the Clearing House, the closing price shall be the last price used by the Clearing House to calculate the variation margin requirement for the position to be closed out.
- (b) On the basis of the close out values established for each outstanding ForexClear Contract, an account shall be taken (as at the time of close out) of what is due in respect of each FXCCM, from that FXCCM to the Clearing House and from the Clearing House to that FXCCM, as well as all other amounts owing under or in respect of ForexClear Contracts and any other amounts that may be due in respect of the ForexClear Service (including for these purposes, a proportionate share of any amounts owed generally to or from the Clearing House), and the sums due from the FXCCM shall be set off against the sums due from the Clearing House and only the balance of the account shall be payable. For the avoidance of doubt, amounts in respect of ForexClear Contracts shall include, but not be limited to, returns of variation margin associated therewith and the repayment of any Net Cash Gainer

Payment Currency Adjustment to Cash Payments made in the ForexClear Default Period to which the Insufficient Resources Determination relates (and in respect of which F9(e) shall be specifically disapplied), but shall exclude the repayment of any cash initial margin or any outstanding ForexClear Contributions.

To the extent that the aggregate of all of the amounts owed to the Clearing House by FXCCMs plus all of those other resources applicable to the ForexClear Clearing Service under Rule 16(1) to (7) that have not been applied towards a ForexClear Excess Loss is less than the aggregate of the amounts owed to FXCCMs by the Clearing House, each amount owed to FXCCMs by the Clearing House shall be reduced pro rata the shortfall.

- (c) For each FXCCM, the amount due to it or due from it as determined pursuant to (b) shall be aggregated with its claim determined pursuant to (c) above and only the net sum shall be payable. Where the result of such calculations is that an FXCCM owes an amount to the Clearing House, that FXCCM shall pay that amount to the Clearing House immediately. Where the result of such calculations is that an FXCCM is owed an amount by the Clearing House, the Clearing House shall pay that amount to the FXCCM immediately, subject to (f) below.
- (d) The payment of such amount to an FXCCM, pursuant to (d) above subject to any re-calculations performed pursuant to (f) below, shall constitute the full and final payment in respect of the ForexClear Service and such FXCCM shall not be permitted to make any further claims to the Clearing House in respect of amounts relating to the ForexClear Service nor shall it be permitted to notify the Clearing House of a Termination Date pursuant to Regulation 39A for a failure to pay any amounts in relation to the ForexClear Service.
- (e) The Clearing House may make the payments due under (d) above in one or more instalments to the FXCCMs in proportion to the value of their claims on the Clearing House under (b) above if some but not all of the amounts due under (d) or Rule 16(1) to 16(7) above have not yet been received. The Clearing House shall take reasonable steps to recover such amounts and may deduct therefrom reasonable administration costs for such recovery. To the extent that the Clearing House determines that any such amounts will not in fact be recoverable, it shall re-determine the amounts due to FXCCMs in accordance with this Rule F11.
- (f) This Rule F11 shall not be applied in the event that a Termination Date has been specified in relation to the Clearing House in accordance with Regulation 39A.
- (g) Nothing in the foregoing shall override the obligation of the Clearing House to return initial margin provided by way of security to a FXCCM pursuant to its Regulations and Procedures.

F12. Ballot Arrangements

- (a) Notwithstanding anything to the contrary in clauses 9.4 and 9.5 of the Clearing Membership Agreement, no proposal for any of the amendments set out in paragraphs (i), (ii) and (iii) below (each a “**ForexClear Amendment**”) shall be capable of coming into effect unless first approved in a ballot of FXCCMs:

- S5. Upon determination of the amount of a SwapClear Contribution in accordance with Rule S2:
- (a) if the amount of the SwapClear Contribution of an SCM immediately before close of business on the relevant SwapClear Determination Date exceeds the amount of the SCM's SwapClear Contribution as determined under Rule S2 as at close of business on that day, the excess shall be paid by the Clearing House to such SCM in accordance with the Procedures;
 - (b) if the amount of the SwapClear Contribution of an SCM immediately before close of business on the relevant SwapClear Determination Date is the same as the amount of the SCM's SwapClear Contribution as so determined, no sum shall then be payable by or to such SCM in respect of its Contribution; and
 - (c) if the amount of the SwapClear Contribution of an SCM immediately before close of business on the relevant SwapClear Determination Date is less than the amount of the SCM's SwapClear Contribution as so determined, the shortfall shall be paid by such SCM to the Clearing House in accordance with the Procedures.

The provisions of this Rule do not apply to a Defaulting SCM, unless the Clearing House so permits in any particular case.

- S6. On any day interest shall accrue on the amount of each SwapClear Contribution then held by the Clearing House, to the extent that it has not been applied under Rule 26 or Rule 28, in such manner as provided by the Procedures, and at a SONIA-linked rate determined, in light of market conditions at such time, by the Clearing House from time to time and notified by the Clearing House to SwapClear Clearing Members. Interest shall be payable in arrear and shall be paid on the date or dates specified by the

Procedures. In these Default Fund Rules any interest which has accrued under this Rule shall not be regarded as part of the SwapClear Contribution. For the avoidance of doubt, if the rate of interest payable on SwapClear Contributions is negative, interest shall be payable by SwapClear Clearing Members to the Clearing House.

- S7. Where, after a Default, the Clearing House has applied part or all of a SwapClear Contribution under Rule 26 or Rule 28, the SwapClear Segregated Fund Amount shall be reduced forthwith by the aggregate amount of the SwapClear Contributions or parts of SwapClear Contributions so applied and the amount of the SwapClear Contribution that each SCM must maintain with the Clearing House shall be reduced by the amount of its SwapClear Contribution which has been applied pursuant to Rule 28, in each case until the next SwapClear Determination Date. Unless and until the Clearing House has repaid a defaulter's SwapClear Contribution (or remaining part thereof, as applicable), the SwapClear Segregated Fund Amount shall be treated as having been reduced by the amount of the defaulter's SwapClear Contribution (if any), regardless of whether the Clearing House has applied part or all of that SwapClear Contribution under Rule 26.
- S8. Where, after a Default, the Clearing House determines that (i) by reason of a reduction in accordance with Rule S6, the value of the SwapClear Segregated Fund Amount has been reduced by at least 25%; or (ii) by the time of the SwapClear Default Management Process Completion Date in relation to the relevant Default the value of the SwapClear Segregated Fund Amount will be reduced by at least 25%, the Clearing House may, by notice in writing (the "**SwapClear Unfunded Contribution Notice**"), require each Non-Defaulting SCM to deposit and maintain an amount (each a "**SwapClear Unfunded Contribution**") in accordance with the following provisions:
- (a) SwapClear Unfunded Contributions will only be payable in circumstances where the relevant SwapClear Unfunded Contribution Notice is delivered by the Clearing House to SCMs prior to the SwapClear Default Management Process Completion Date in relation to the relevant Default;
 - (b) the value of the SwapClear Unfunded Contribution payable by each individual SCM shall be the product of (i) the percentage by which the value of the SwapClear Segregated Fund Amount has been reduced and (ii) the value of the SwapClear Contribution of such SCM as at the last SwapClear Determination Date prior to the date when the relevant Default occurred;
 - (c) the Clearing House may, by the delivery of one or more further SwapClear Unfunded Contribution Notices, require each Non-Defaulting SCM to pay one or more further SwapClear Unfunded Contributions in respect of the same Default, provided that the total value of the SwapClear Unfunded Contributions payable by an individual SCM in respect of a particular Default (determined in accordance with paragraph (b) above) may not exceed the value of the SwapClear Contribution of such SCM as at the last SwapClear Determination Date prior to the date when the relevant Default occurred; and
 - (d) following a Default in respect of which SwapClear Unfunded Contributions were paid (the "First Default"), the Clearing House may require the payment of further SwapClear Unfunded Contributions in respect of subsequent Defaults, (which, for the avoidance of doubt, can never be a First Default), provided that SwapClear Unfunded Contributions will not be payable in respect of any more than three Defaults in any six month period (commencing on the date of delivery of the first SwapClear Unfunded Contribution Notice in respect of the First Default).

SCMs will be required to deposit the full amount of their SwapClear Unfunded Contributions (without exercising any rights of set-off or counterclaim) with the Clearing House on the business day following receipt of a SwapClear Unfunded Contribution Notice.

(c) **Application of Cash Gainer Payment Currency Adjustment to Cash Payment**

The Clearing House shall apply all payments it receives in respect of Cash Gainer Payment Currency Adjustment to Cash Payments solely for the purposes of meeting any loss incurred by the Clearing House following, and in relation to, each Default, as contemplated in accordance with Rule 16(1) to (7).

(d) **Adjustment to Loss Distribution Cap Amount**

If, during a Loss Distribution Period, the Clearing House considers that the Cash Gainer Payment Currency Adjustment to Cash Payments applied to a particular Margin Account of an SCM are, or are about to be equal to or greater than the Loss Distribution Cap Amount, the Clearing House may propose an adjustment to such Loss Distribution Cap Amount. If agreed by all Non-Defaulting SCMs, the Loss Distribution Cap Amount as adjusted pursuant to this paragraph (d) shall be applicable for the remainder of the relevant Loss Distribution Period.

If the SwapClear Loss Distribution Process has been invoked by the Clearing House in accordance with this Rule S8, the Clearing House shall reimburse the SCMs (irrespective of whether they remain SCMs at the time of the recovery) and the Clearing House on a *pro rata* basis by reference to the resources which have been applied pursuant to Rule 16(1) to (7) and including the net amount of any one or more paid by the relevant SCMs:

- i any amounts received from the Defaulting SCM as a result of the Clearing House being a creditor of the Defaulting SCM in respect of the SwapClear Business of such Defaulting SCM in the context of the occurrence of any of the events under Rule 5(i) to (p) in respect of the Defaulting SCM or otherwise, other than in respect of sums due to the Clearing House for its own account; or
- ii any other amounts howsoever obtained or recovered in the course of the Clearing House's operation of the SwapClear Default Management Process or which are otherwise referable to the Defaulting SCM,

in each case net of any related expenses incurred by the Clearing House or other sums owing to the Clearing House by the Defaulting SCM in connection with the SwapClear clearing service. For the avoidance of doubt, nothing in this paragraph (f) shall oblige the Clearing House to pursue any litigation or other action in order to recover the amounts contemplated above and if another default fund of the Clearing House has also been applied as a result of the SCM's Default, any amounts recovered shall be applied *pari passu* as between the relevant default funds.

S10. Where, after the Default of one or more SCMs, the Clearing House determines that, notwithstanding the availability of any resources remaining under Rule 16(1) to (7) and the availability of the SwapClear Loss Distribution Process in accordance with the terms of Rule S8, it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those SwapClear Contracts to which it is party with Non-Defaulting SCMs, the Clearing House will by notice in writing (a “**SwapClear Voluntary Payment Notice**”): (i) inform all Non-Defaulting SCMs that it has insufficient resources and that it is likely to invoke Rule S10; and (ii) invite each Non-Defaulting SCM to make a payment of funds (a “**SwapClear Voluntary Payment**”), in accordance with Rule 16(7), to make up for the relevant shortfall.

- (a) SwapClear Voluntary Payments will be made on the following terms:
- (b) no SCM shall be obliged to make a SwapClear Voluntary Payment;
- (c) any SwapClear Voluntary Payment will be made by an SCM by the close of business on the business day after receipt of the relevant SwapClear Voluntary Payment Notice;
- (d) no SwapClear Voluntary Payment may be withdrawn once made; and
- (e) the Clearing House shall full discretion whether or not to accept a particular SwapClear Voluntary Payment.

Any failure by the Clearing House to deliver a SwapClear Voluntary Payment Notice pursuant to this Rule S9 will not invalidate any action taken by the Clearing House pursuant to Rule S10 nor give rise to any liability whatsoever on the part of the Clearing House.

Any SwapClear Voluntary Payments remaining unused at the time of the expiry of the relevant SwapClear Default Period will be accounted for ratably by the Clearing House as if they were amounts paid in respect of the SwapClear Contributions of those SCMs from whom SwapClear Voluntary Payments were accepted.

S11. Where, following the process for inviting SwapClear Voluntary Payments in accordance with Rule S10, the Clearing House makes a determination (an “**Insufficient Resources Determination**”) that it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those SwapClear Contracts to which it is party with Non-Defaulting SCMs, the following provisions shall have effect:

- (a) All outstanding SwapClear Contracts shall be closed out as of the clearing day following the date the Insufficient Resources Determination was made and any further obligations to make any payments under or in respect of such SwapClear Contracts shall cease. The closing prices used shall be mid prices calculated by the Clearing House in accordance with the methodology used by it to carry out end of day margin runs in respect of the outstanding SwapClear Contracts. Where such data is not available to the Clearing House, the closing price shall be the last price used by the Clearing House to calculate the variation margin requirement for the position to be closed out.
- (b) On the basis of the close out values established for each outstanding SwapClear Contract, an account shall be taken (as at the time of close out) of

what is due in respect of each SCM, from that SCM to the Clearing House and from the Clearing House to that SCM, as well as all other amounts owing under or in respect of SwapClear Contracts and any other amounts that may be due in respect of the SwapClear Service (including for these purposes, a proportionate share of any amounts owed generally to or from the Clearing House), and the sums due from the SCM shall be set off against the sums due from the Clearing House and only the balance of the account shall be payable. For the avoidance of doubt, amounts in respect of SwapClear Contracts shall include, but not be limited to, returns of variation margin associated therewith and the repayment of any Net Cash Gainer Payment Currency Adjustment to Cash Payments made in the SwapClear Default Period to which the Insufficient Resources Determination relates (and in respect of which S9(e) shall be specifically disapplied), but shall exclude the repayment of any cash initial margin or any outstanding SwapClear Contributions.

- (c) The Clearing House shall determine any amounts due to each SCM in respect of the repayment of any cash initial margin and outstanding SwapClear Contributions to be repaid. The claim of each such SCM in respect to the foregoing shall be reduced in proportion to an amount by which (i) the value of the assets available to the Clearing House to meet the return obligations referred to in (ii) bears to (ii) the value of what would be due from the Clearing House to each Clearing Member in aggregate in respect of the return of initial margin received from each such Clearing Member in the form of cash and outstanding Contributions.
- (d) For each SCM, the amount due to it or due from it as determined pursuant to (b) shall be aggregated with its claim determined pursuant to (c) above and only the net sum shall be payable. Where the result of such calculations is that an SCM owes an amount to the Clearing House, that SCM shall pay that amount to the Clearing House immediately. Where the result of such calculations is that an SCM is owed an amount by the Clearing House, the Clearing House shall pay that amount to the SCM immediately, subject to (f) below.
- (e) The payment of such amount to an SCM, pursuant to (d) above subject to any re-calculations performed pursuant to (f) below, shall constitute the full and final payment in respect of the SwapClear Service and such SCM shall not be permitted to make any further claims to the Clearing House in respect of amounts relating to the SwapClear Service nor shall it be permitted to notify the Clearing House of a Termination Date pursuant to Regulation 39A for a failure to pay any amounts in relation to the SwapClear Service.
- (f) The Clearing House may make the payments due under (d) above in one or more instalments to the SCMs in proportion to the value of their claims on the Clearing House under (b) above if some but not all of the amounts due under (d) or Rule 16(1) to 16(7) above have not yet been received. The Clearing House shall take reasonable steps to recover such amounts and may deduct therefrom reasonable administration costs for such recovery. To the extent that the Clearing House determines that any such amounts will not in fact be recoverable, it shall re-determine the amounts due to SCMs in accordance with this Rule S10.
- (g) This Rule S10 shall not be applied in the event that a Termination Date has been specified in relation to the Clearing House in accordance with Regulation 39A.

- (h) Nothing in the foregoing shall override the obligation of the Clearing House to return initial margin provided by way of security to a SCM pursuant to its Regulations and Procedures.

S12. **Ballot Arrangements**

- (a) Notwithstanding anything to the contrary in clauses 9.4 and 9.5 of the Clearing Membership Agreement, no proposal for any of the amendments set out in paragraphs (i), (ii) and (iii) below (each a "**SwapClear Amendment**") shall be capable of coming into effect unless first approved in a ballot of SCMs:
 - i any amendment to the value of the SwapClear Fund Floor and/or the value of the SwapClear Fund Cap, in each case as provided for in paragraph (b) of Rule S2 or as subsequently approved in a ballot under this Rule S11;
 - ii any amendment providing for a change in the nature of the liabilities for which an SCM's indemnity is given by virtue of paragraph (c) of Rule 28; and

- (b) For the purposes of a ballot conducted pursuant to this Rule S11, the provisions of clauses 9.4, 9.6 and 9.7 of the Clearing Membership Agreement shall apply with the following amendments:

 - ii all references to "Clearing Members" shall be replaced with references to "SCMs";

 - vi the references to "Contribution" in clauses 9.6 and 9.7 of the Clearing Membership Agreement shall be replaced with references to "SwapClear Contribution".

- (a) For the purposes of a ballot conducted under clauses 9.4 and 9.5 of the Clearing Membership Agreement other than a ballot in relation to an amendment which, in the opinion of the Board of Directors of the Clearing House falls within paragraph (c) of clause 9.5 of the Clearing Membership Agreement but not within paragraph (a)(iii) of this Rule S11, references to "Clearing Members" shall not include SCMs who are not engaged in any business with the Clearing House other than SwapClear Business and SwapClear Contributions shall not count as "Contributions".

For this purpose, the "**STLIEOM**" means, in respect of each RCM and any day, the stress-tested loss in excess of initial margin (determined for a given scenario determined by the Clearing House) which could be incurred by the Clearing House in respect of that RCM's RepoClear Business if that RCM became a Defaulting RCM on that day.
- R.2 Each RCM's RepoClear Contribution (other than a RepoClear Unfunded Contribution) shall be determined by the Clearing House in accordance with the following provisions:
- (a) determinations will be made by the Clearing House initially on a date determined by the Clearing House and thereafter on the date that an RCM joins the RepoClear Service, and at close of business on the first business day of each subsequent month (each a "**RepoClear Determination Date**") provided, however, that, following a Default, any such determinations and any such RepoClear Determination Date which might otherwise have occurred under this Rule R.2 shall be suspended for the duration of the period (the "**RepoClear Default Period**") commencing on the date of such Default and terminating on the last to occur of the following dates:

 - (c) the RCM's "**RepoClear Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the RCM during the 20 business day period preceding the relevant RepoClear Determination Date in respect of all RepoClear Contracts to which such RCM

is a party by the total of such average daily requirements applied to all Non-Defaulting RCMs;

- (d) the RCM's "**Preliminary RepoClear Contribution**" shall be calculated by multiplying the RepoClear Segregated Fund Amount by the RCM's RepoClear Margin Weight;
- (e) if the Clearing Member's Preliminary RepoClear Contribution is below the Minimum RepoClear Contribution for the time being, the Clearing Member's RepoClear Contribution shall be the Minimum RepoClear Contribution;
- (f) the "**RepoClear Actual Total**" shall be calculated by adding together (i) the amount which is the product of the Minimum RepoClear Contribution and the number of Minimum RepoClear Contribution Members; and (ii) the aggregate Preliminary RepoClear Contributions of those RCMs which are not Minimum RepoClear Contribution Members;
- (g) where the RepoClear Actual Total is greater than the RepoClear Fund Current Maximum Amount, the "**RepoClear Excess**" shall be the arithmetical difference between the RepoClear Actual Total and the RepoClear Fund Current Maximum Amount;
- (h) where the RepoClear Actual Total is less than the RepoClear Fund Floor, the "**RepoClear Shortfall**" shall be the arithmetical difference between the RepoClear Fund Floor and the RepoClear Actual Total;
- (i) for each RCM other than a Minimum RepoClear Contribution Member: (i) the RCM's "**RepoClear Discount**" (if any) shall be such RCM's *pro rata* share of the RepoClear Excess calculated as the proportion of such RCM's Preliminary RepoClear Contribution relative to the aggregate Preliminary RepoClear Contributions of all RCMs other than Minimum RepoClear Contribution Members; and (ii) the RCM's "**RepoClear Increase**" (if any) shall be such RCM's *pro rata* share of the RepoClear Shortfall calculated as the proportion of such RCM's Preliminary RepoClear Contribution relative to the aggregate Preliminary RepoClear Contributions of all RCMs other than Minimum RepoClear Contribution Members;
- (j) for each RCM other than a Minimum RepoClear Contribution Member, the RCM's RepoClear Contribution shall be the Preliminary RepoClear Contribution (i) less any RepoClear Discount applicable to the RCM or (ii) plus any RepoClear Increase applicable to the RCM; provided that if the application of any RepoClear Discount would result in a RepoClear Contribution less than the Minimum RepoClear Contribution, such RCM shall pay the Minimum RepoClear Contribution notwithstanding that the arithmetical sum of RepoClear Contributions paid by all RCMs may thereby exceed the RepoClear Fund Current Maximum Amount; and
- (k) notwithstanding paragraphs (a) to (j), if any RCM has a STLIEOM which is equal to or greater than 45% of the RepoClear Segregated Fund Amount, the Clearing House may require such RCM to pay an additional amount as margin.

R.3 For the purposes of the calculations under Rules R.1 and R2:

- (a) references to "RepoClear Clearing Members" or "RCMs" do not include references to Defaulting RCMs (apart from any Defaulting RCM in respect of which the Clearing House permits the application of Rule R.2) or persons which were formerly RCMs but are not RCMs at the RepoClear Determination Date at which the relevant determination is made;
 - (b) no account shall be taken, in calculating initial margin or RepoClear Margin Weight under Rule R.2 of any offsets in the initial margin required for RepoClear Contracts from an RCM, which may otherwise be permissible under the Procedures or other arrangements applicable;
 - (c) provided that the RCM is not a Defaulting RCM, the amount of its RepoClear Contribution shall be calculated in accordance with and subject to Rule R.2. The provisions of Rule R.2 and this Rule do not apply to a Defaulting RCM, unless the Clearing House so permits in any particular case; and
 - (d) notwithstanding Rule 23(a)(i), if a RCM notifies the Clearing House on the RepoClear Default Management Process Completion Date that it wishes to resign from the RepoClear Service, such RCM, assuming all other requirements for termination of membership have been satisfied by the next following RepoClear Determination Date, shall cease to be a RCM for the purpose of Rule R.2 on and from the date upon which its RepoClear Contribution is repaid to it by the Clearing House and such payment will be made by the Clearing House following the subsequent RepoClear Determination Date in accordance with the Procedures.
- R.4 Without prejudice to any other requirements which the Clearing House may impose, the amount of the RepoClear Contribution of a New Member shall be the sum of (a) the Minimum RepoClear Contribution and (b) any supplementary sum determined by the Clearing House in its discretion and notified to the New Member. The Clearing House shall determine the amount of such supplementary sum by reference to the actual or expected level of clearing activity of the New Member.
- R.5 Upon determination of the amount of a RepoClear Contribution in accordance with Rule R.2:
- (a) if the amount of the RepoClear Contribution of an RCM immediately before close of business on the relevant RepoClear Determination Date exceeds the amount of the RCM's RepoClear Contribution as determined under Rule R.2 as at close of business on that day, the excess shall be paid by the Clearing House to such RCM in accordance with the Procedures;
 - (b) if the amount of the RepoClear Contribution of an RCM immediately before close of business on the relevant RepoClear Determination Date is the same as the amount of the RCM's RepoClear Contribution as so determined, no sum shall then be payable by or to such RCM in respect of its Contribution; and
 - (c) if the amount of the RepoClear Contribution of an RCM immediately before close of business on the relevant RepoClear Determination Date is less than the amount of the RCM's RepoClear Contribution as so determined, the shortfall shall be paid by such RCM to the Clearing House in accordance with the Procedures.

RepoClear Contributions shall at all times be denominated in EUR. However, a RCM may pay its RepoClear Contribution in either EUR or GBP in accordance with the Procedures.

The provisions of this Rule do not apply to a Defaulting RCM, unless the Clearing House so permits in any particular case.

- R.6 On any day interest shall accrue on the amount of each RepoClear Contribution then held by the Clearing House, to the extent that it has not been applied under Rule 26 or Rule 28, at such rate and in such manner as provided by the Procedures, provided that the rate of interest for any particular day shall not be less than the EONIA or SONIA rate (as applicable) published on that day (or, in relation to any day for which a EONIA or SONIA rate (as applicable) is not available, the EONIA or SONIA rate (as applicable) most recently published before such day). Interest shall be payable in arrear and shall be paid on the date or dates specified by the Procedures. In these Default Fund Rules any interest which has accrued under this Rule shall not be regarded as part of the RepoClear Contribution.
- R.7 Where, after a Default, the Clearing House has applied part or all of a RepoClear Contribution under Rule 26 or Rule 28, the RepoClear Segregated Fund Amount shall be reduced forthwith by the aggregate amount of the RepoClear Contributions or parts of RepoClear Contributions so applied and the amount of the RepoClear Contribution that each RCM must maintain with the Clearing House shall be reduced by the amount of its RepoClear Contribution which has been applied pursuant to Rule 28, in each case until the next RepoClear Determination Date. Unless and until the Clearing House has repaid a defaulter's RepoClear Contribution (or remaining part thereof, as applicable), the RepoClear Segregated Fund Amount shall be treated as having been reduced by the amount of the defaulter's RepoClear Contribution (if any), regardless of whether the Clearing House has applied part or all of that RepoClear Contribution under Rule 26.
- R.8 Where, after a Default, the Clearing House determines that (i) by reason of a reduction in accordance with Rule R.7, the value of the RepoClear Segregated Fund Amount has been reduced by at least 25%; or (ii) by the time of the RepoClear Default Management Process Completion Date in relation to the relevant Default the value of the RepoClear Segregated Fund Amount will be reduced by at least 25%, the Clearing House may, by notice in writing (the "**RepoClear Unfunded Contribution Notice**"), require each Non-Defaulting RCM to deposit and maintain an amount (each a "**RepoClear Unfunded Contribution**") in accordance with the following provisions:
- (a) RepoClear Unfunded Contributions will only be payable in circumstances where the relevant RepoClear Unfunded Contribution Notice is delivered by the Clearing House to RCMs prior to the RepoClear Default Management Process Completion Date in relation to the relevant Default;
 - (b) the value of the RepoClear Unfunded Contribution payable by each individual RCM shall be the product of (i) the percentage by which the value of the RepoClear Segregated Fund Amount has been reduced and (ii) the value of the RepoClear Contribution of such RCM as at the last RepoClear Determination Date prior to the date when the relevant Default occurred;
 - (c) following the payment of a RepoClear Unfunded Contribution in accordance with paragraphs R8(a) and (b), the Clearing House may, by the delivery of one or more further RepoClear Unfunded Contribution Notices, require each

Non-Defaulting RCM to pay one or more further RepoClear Unfunded Contributions in respect of the same Default, provided that the total value of the RepoClear Unfunded Contributions payable by an individual RCM in respect of a particular Default (determined in accordance with paragraph (b) above) may not exceed the value of the RepoClear Contribution of such RCM as at the last RepoClear Determination Date prior to the date when the relevant Default occurred; and

- (d) following a Default in respect of which RepoClear Unfunded Contributions were paid (the "**First Default**"), the Clearing House may require the payment of further RepoClear Unfunded Contributions in respect of subsequent Defaults, (which, for the avoidance of doubt, can never be a First Default), provided that RepoClear Unfunded Contributions will not be payable in respect of any more than three Defaults in any six month period (commencing on the date of delivery of the first RepoClear Unfunded Contribution Notice in respect of the First Default).

RCMs will be required to deposit the full amount of their RepoClear Unfunded Contributions (without exercising any rights of set-off or counterclaim) with the Clearing House on the business day following receipt of a RepoClear Unfunded Contribution Notice.

For the avoidance of doubt, references to "RCMs" for the purposes of this Rule R.8 include any RCM (other than a Defaulting RCM) who is: (i) a Retiring Member but whose status as a Clearing Member has not yet been terminated; and (ii) a Resigning Member whose resignation from the RepoClear Service is not yet effective.

R.9 RepoClear Loss Distribution Process

Where, after a Default, the Clearing House determines that the RepoClear Excess Loss resulting from the Default will exceed the amounts to be applied to it under Rule 16(a) to (g), the Clearing House may implement the process (the "**RepoClear Loss Distribution Process**") described in this Rule R.9.

- (a) For the purposes of this Rule R.9, the following definitions will apply:

"Available Resources" means, in respect of any Loss Distribution Period, the aggregated amount which would be paid by the Clearing House for application in meeting any loss suffered or incurred by the Clearing House in accordance with Rule 16(a) to (g) as at the relevant Last Call Prior to Default.

"Cash Payment" means, in respect of any business day, the aggregated amount which would be paid by the Clearing House to a Non-Defaulting RCM (expressed as a positive number) or by such RCM to the Clearing House (expressed as a negative number) in a Cash Payment Currency on such business day.

"Cash Payment Currency" means, in respect of each RCM, the Currency in which it paid its RepoClear Contribution.

"Cumulative LCH Transfer Cost" means, as determined on any business day during any Loss Distribution Period, the sum of any LCH Transfer Cost for each day from but excluding the relevant Last Call Prior to Default to and including such business day.

"Last Call Prior to Default" means the most recent business day on which payments of cover required to be made by RCMs were made in full.

"LCH Transfer Cost" means any cost (converted, where applicable, into EUR at a rate of exchange determined by the Clearing House in its sole discretion) to the Clearing House of transferring the rights and obligations arising out of the RepoClear Contracts of a Defaulting RCM to any other RCM.

"LCH Uncovered Loss" means, in respect of the Clearing House, as determined on any business day in any Loss Distribution Period, the amount greater than zero calculated in accordance with the following formula:

$$(TRCMCP + CLC) - (TAR + TLD)$$

where:

"TRCMCP" means the TRCM Cash Payment;

"CLC" means the Cumulative LCH Transfer Cost;

"TAR" means the Total Available Resources; and

"TLD" means Total Loss Distribution; and

the LCH Uncovered Loss as at the Last Call prior to Default shall be zero.

"Loss Distribution Cap Amount" means, in respect of each Non-Defaulting RCM and any Loss Distribution Period, an amount equal to the product of (i) 100 per cent. and (ii) the RepoClear Contribution of such Non-Defaulting RCM as at the last RepoClear Determination Date prior to the date when the Default occurred at the beginning of that Loss Distribution Period;

"Loss Distribution Day" means any business day in a Loss Distribution Period on which the Clearing House, prior to calling for: (i) cover in respect of margin in accordance with the provisions of the Procedures; and (ii) Required Collateral, on such business day, determines that the LCH Uncovered Loss for that business day is greater than zero.

"Loss Distribution Period" means the period from, but excluding, the day on which a Default occurs with respect to an RCM to the business day on which all Loss Distribution Charges in respect of such Default have been paid in full.

"Rate of Exchange" means, for any day, the applicable rate of exchange for converting one currency into another as determined by the Clearing House by reference to Reuters;

"RCM Cash Payment" means, in respect of any Cash Payment (converted, where applicable into EUR at a rate of exchange determined by the Clearing House in its sole discretion) and any business day (a) the amount of any such Cash Payment which would be paid by the Clearing House to a Non-Defaulting RCM in respect of the RepoClear Contracts of a Defaulting RCM on such business day (expressed as a positive number) excluding any cash payments made by the Clearing House to such Non-Defaulting RCM in respect (i) of delivery versus payment transfers and (ii) all margin payments other than Variation Margin; and (b) the amount of any Cash Payments made by the

relevant Non-Defaulting RCM to the Clearing House in respect of the RepoClear Contracts of a Defaulting RCM on such business day (expressed as a negative number) excluding any cash payments made by the relevant Non-Defaulting RCM to the Clearing House in respect (i) of delivery versus payment transfers and (ii) all margin payments other than Variation Margin.

"Total Available Resources" means, during a Loss Distribution Period the sum of (i) the Available Resources and (ii) any Unfunded Contributions.

"Total Loss Distribution" means, as determined on the day an LCH Uncovered Loss is being determined, the sum of any Loss Distribution Charges paid by Non-Defaulting RCMs from but excluding relevant Last Call Prior to Default to and excluding such day.

"TRCM Cash Payment" means the total of all cumulative RCM Cash Payments for each business day from but excluding the relevant Last Call Prior to Default up to and including the business day upon which LCH Uncovered Losses are being determined.

(b) Loss Distribution Charges

On each Loss Distribution Day, each Non-Defaulting RCM shall be required to pay to the Clearing House a "**Loss Distribution Charge**" which is equal to the product of (x) the LCH Uncovered Loss in respect of that Loss Distribution Day and (y) the proportion which that Non-Defaulting RCM's RepoClear Contribution bears to the aggregate of the RepoClear Contributions of all Non-Defaulting RCMs, *provided that*, the aggregate of all such Loss Distribution Charges shall not be greater than the Loss Distribution Cap Amount in respect of that Non-Defaulting RCM.

Any Loss Distribution Charge shall be paid by the RCM to the Clearing House in accordance with the Procedures.

(c) Application of Loss Distribution Charges to Cash Payment

The Clearing House shall apply all payments it receives in respect of Loss Distribution Charges to Cash Payments solely for the purposes of meeting any loss incurred by the Clearing House following, and in relation to, each Default, as contemplated in accordance with Rule 16(a) to (g).

(d) No Rebate

The payment to the Clearing House by any RCM of any Loss Distribution Charge shall be final and shall not give rise to any obligation of the Clearing House to repay any such amount or to pay any interest thereon.

(e) Application of any Recoveries

If the RepoClear Loss Distribution Process has been invoked by the Clearing House in accordance with this Rule R.9, the Clearing House shall reimburse the RCMs (irrespective of whether they remain RCMs at the time of the recovery) and the Clearing House on a *pro rata* basis by reference to the resources which have been applied pursuant to Rule 16(a) to (g) (including any RepoClear Unfunded Contributions) and including the net amount of any one or more paid by the relevant RCMs:

- i any amounts received from the Defaulting RCM as a result of the Clearing House being a creditor of the Defaulting RCM in respect of the RepoClear Business of such Defaulting RCM in the context of the occurrence of any of the events under Rule 5(i) to (p) in respect of the Defaulting RCM or otherwise, other than in respect of sums due to the Clearing House for its own account; or
- ii any other amounts howsoever obtained or recovered in the course of the Clearing House's operation of the RepoClear Default Management Process or which are otherwise referable to the Defaulting RCM,

in each case net of any related expenses incurred by the Clearing House or other sums owing to the Clearing House by the Defaulting RCM in connection with the RepoClear clearing service. For the avoidance of doubt, nothing in this paragraph (f) shall oblige the Clearing House to pursue any litigation or other action in order to recover the amounts contemplated above and if another default fund of the Clearing House has also been applied as a result of the RCM's Default, any amounts recovered shall be applied *pari passu* as between the relevant default funds.

R.10 Where, after the Default of one or more RCMs, the Clearing House determines that, notwithstanding the availability of any resources remaining under Rule 16(a) to (g) and the availability of the RepoClear Loss Distribution Process in accordance with the terms of Rule R.9, it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those RepoClear Contracts to which it is party with Non-Defaulting RCMs, the Clearing House shall conduct a ballot of RCMs to determine whether or not to repeat the Loss Distribution Process in Rule R9. The quorum for such a ballot shall be 95% of all RCMs, and any such ballot shall only be carried if it all those RCMs who vote have voted in favour of repeating the procedures in Rule R9. For the avoidance of doubt, where the Loss Distribution Process in Rule R9 is repeated following a vote in favour of such under this Rule R10, no Loss Distribution Charges paid by Non-Defaulting RCMs under previous applications of the Loss Distribution Process shall be included in determining whether the Loss Distribution Cap Amount for such current application of the Loss Distribution Process has been reached.

R.11 Ballot Arrangements

- (a) Notwithstanding anything to the contrary in clauses 9.4 and 9.5 of the Clearing Membership Agreement, no proposal for any of the amendments set out in paragraphs (i) or (ii) below (each a "**RepoClear Amendment**") shall be capable of coming into effect unless first approved in a ballot of RCMs:
 - i any amendment providing for a change in the nature of the liabilities for which an RCM's indemnity is given by virtue of paragraph (c) of Rule 28; and
 - ii any amendment which, in the opinion of the Board of Directors of the Clearing House would represent a significant change in the commitments of the RCMs but not in the commitments of any other Clearing Members,
- (b) For the purposes of a ballot conducted pursuant to this Rule R.11, the provisions of clauses 9.4, 9.6 and 9.7 of the Clearing Membership Agreement shall apply with the following amendments:

- i the words "major amendment to the Default Fund Rules" in the first line of clause 9.4 of the Clearing Membership Agreement shall be replaced with the words "RepoClear Amendment";
 - ii all references to "Clearing Members" shall be replaced with references to "RCMs";
 - iii in paragraph (c) of clause 9.4 of the Clearing Membership Agreement, the reference to "Contributions" shall be replaced with a reference to "RepoClear Contributions" and the reference to "Quarter Day" shall be replaced with a reference to "RepoClear Determination Date";
 - iv references to "Fund Amount" in clauses 9.6 and 9.7 of the Clearing Membership Agreement shall be replaced with references to "RepoClear Fund Amount";
 - v the reference to "clause 9.4" in clause 9.6 of the Clearing Membership Agreement shall be replaced with a reference to "Rule 11 of the RepoClear Default Fund Supplement to the Default Fund Rules"; and
 - vi the references to "Contribution" in clauses 9.6 and 9.7 of the Clearing Membership Agreement shall be replaced with references to "RepoClear Contribution".
- (c) For the purposes of a ballot conducted under clauses 9.4 and 9.5 of the Clearing Membership Agreement other than a ballot in relation to an amendment which, in the opinion of the Board of Directors of the Clearing House falls within paragraph (c) of clause 9.5 of the Clearing Membership Agreement but not within paragraph (a)(iii) of this Rule R11, references to "Clearing Members" shall not include RCMs who are not engaged in any business with the Clearing House other than RepoClear Business and RepoClear Contributions shall not count as "Contributions".

2G. THE NODAL SERVICE

~~2G.1~~ **INTRODUCTION** ~~The Procedures for the Nodal Service are set out in [Section 2D of the FCM Procedures.](#)~~

2G.1.1 Background

~~These NODAL Service procedures apply to the clearing of NODAL Eligible Derivative Products listed on NODAL Exchange.~~

~~NODAL Service Clearing Members (“CMs”) must inform themselves fully of their obligations under the Clearing House Rulebook (the “Rulebook”) and other relevant documentation, such as the Clearing Membership Agreement and the terms of any approval by the Clearing House to extend clearing activities. NODAL Service CMs should also familiarise themselves with NODAL’s Rules.~~

~~The Clearing House provides the NODAL Service in respect of cash settled futures contracts only. Hence, it does not cover options contracts and there are no physical deliveries under this service. There is no provision for allocation or give-ups.~~

~~Please note that both the Rulebook (including these Procedures) and NODAL’s Rules are subject to change from time to time. Enquiries regarding these Procedures or any other aspects of the operation of the NODAL Service should be~~

~~directed to the Clearing House Business Operations Department on +44 (0)20 7426 7689. Enquiries regarding CM status should be directed to the Membership Department on +44 (0)20 7426 7627 / 7063. Enquiries relating to NODAL's Rules should be directed to NODAL.~~

~~Full details of contact points may be found on the Clearing House website (<http://www.lchclearnet.com>) and NODAL's website (<http://www.NODAL.com>).~~

~~2G.1.2 Interpretation~~

~~Capitalised terms used in these Procedures have the meaning set out in the NODAL Regulations unless otherwise specified.~~

~~Except where otherwise stated, all times shown are London time and the twenty four hour clock is used.~~

~~2G.2 MEMBERSHIP~~

~~NODAL Service CMs may submit NODAL Transactions for registration by the Clearing House. NODAL Transactions may also be submitted for registration on behalf of a NODAL Service CM by a NODAL Non-Clearing Participant ("NODAL NCP") as set out at Section 2G.4.1.~~

~~A NODAL Service CM must comply with all Clearing House requirements and with any NODAL requirements relating to participation in the relevant NODAL Trading System.~~

~~It is the responsibility of each NODAL Service CM to keep any report, including, but not limited to, the NODAL Service CM Report, required for its own historic, audit or legal purposes.~~

~~Details of how to be approved as a NODAL Service CM can be obtained from the Clearing House Membership Department on +44 (0)20 7426 7627 / 7063.~~

~~2G.2.1 Submission of NODAL Transactions for registration~~

~~NODAL Service CMs who wish a NODAL Transaction to be registered by the Clearing House must comply with all requirements of the NODAL Exchange, as relevant.~~

~~2G.3 GENERAL~~

~~2G.3.1 Operating Times~~

~~2G.3.1.1 Opening Days~~

~~Details of the days on which the NODAL Service is operational will be published by the Clearing House by Clearing Member circular. Details of the days on which NODAL is operational is available from NODAL.~~

~~2G.3.1.2 Opening Hours~~

~~The NODAL Service will be operational from 02:00 to 18:00 hours, Eastern Prevailing Time (the "Opening Hours").~~

~~2G.4 — **NODAL TRANSACTIONS**~~

~~2G.4.1 — **Eligible Transactions**~~

~~Only the transactions in this 2G.4 in NODAL Eligible Derivative Products executed or registered through a NODAL Trading System in accordance with NODAL's Rules will be designated as NODAL Transactions eligible for registration by the Clearing House.~~

~~Any such transactions must satisfy the Clearing House's requirements as set out in these Procedures and in the NODAL Regulations, and NODAL's requirements as set out in its Rules.~~

~~(a) — **Parties to Transactions presented for Registration**~~

~~The Clearing House only registers NODAL Contracts arising from NODAL Transactions between NODAL Service CMs.~~

~~Such NODAL Transactions may arise through trades executed or registered through a NODAL Trading System by NODAL Service CMs, or by NODAL NCPs.~~

~~(i) — The NODAL Transaction may have been entered into by two NODAL Service CMs, each acting as principal.~~

~~(ii) — One side (or both sides) of the NODAL Transaction may arise through a NODAL NCP executing or registering a trade on the NODAL Trading System. In such case, the trade will immediately be replaced with:~~

- ~~• — a trade between the NODAL NCP and its NODAL Service CM, and~~
- ~~• — a NODAL Transaction between its NODAL Service CM and the counterparty NODAL Service CM.~~

~~(b) — **Presentation for Registration**~~

~~Under A (1) or (2) above, the NODAL Transaction will be presented to the Clearing House for registration as two NODAL Contracts, with the Clearing House as seller to the buying NODAL Service CM and as buyer to the selling NODAL Service CM.~~

~~(Where two NODAL NCPs both have the same NODAL Service CM, then each side of the trade will be presented to the Clearing House for registration as a separate NODAL Contract:~~

- ~~• — with one in which that NODAL Service CM is buyer and the Clearing House is the seller;~~
- ~~• — and the other in which that NODAL Service CM is the seller and the Clearing House is the buyer.)~~

~~2G.4.2~~ ~~NODAL Contracts – Eligibility Criteria~~

~~It is part of the eligibility criteria for registration as a NODAL Contract that the particulars of a NODAL Transaction presented to the Clearing House must include matched information in respect of the following:~~

- ~~(a) Seller and the Buyer;~~
- ~~(b) the NODAL Eligible Derivatives Product which is the subject of the NODAL Transaction (this should be changed to a relevant contract for Nodal) and~~
- ~~(c) the transaction specific information in respect of the NODAL Eligible Derivative Product.~~

~~2G.5~~ ~~CLEARING FOR NODAL NON-CLEARING PARTICIPANTS~~

~~2G.5.1~~ ~~NODAL NCPs~~

~~Certain NODAL Service CMs may clear for one or more NCPs (“NODAL NCPs”). In order to do so, the following conditions must be satisfied at all times:~~

- ~~(a) the NODAL NCP is a participant of the NODAL Exchange; and~~
- ~~(b) the NODAL Service CM and the NODAL NCP are party to a valid and enforceable agreement under which the NODAL Service CM agrees to clear NODAL Transactions on behalf of such person. Such agreement must confer rights on the NODAL Service CM and the NODAL Service CM must lawfully be entitled at all times to pass to the Clearing House, in accordance with Regulation 30, such information and data relating to the NODAL NCP as the Clearing House may in its sole discretion deem appropriate.~~

~~The static data form executed by both the NODAL NCP and the NODAL Service CM shall be definitive proof of the NODAL Service CM clearing for a NODAL NCP.~~

~~The Clearing House contracts with the NODAL Service CM alone and, to the fullest extent permitted by law, disclaims any duties or obligations to a NODAL NCP.~~

~~Further details regarding clearing for NODAL NCPs can be obtained from the Clearing House Membership Department on +44 (0) 207426 7627 / 7063.~~

~~2G.5.2~~ ~~Termination~~

~~The NODAL Service CM may terminate its agreement with a NODAL NCP at any time by giving 21 days written notice to NODAL and the Clearing House. For the avoidance of doubt, the Clearing House need not receive any notice of or any confirmation of such termination from the NODAL NCP.~~

~~For the avoidance of doubt, termination by the NODAL Service CM of its agreement with a NODAL NCP will be without prejudice to the NODAL Service CM's obligations arising from or in relation to any NODAL Transaction or NODAL Contracts arising prior to such termination.~~

2G.6 — REGISTRATION OF NODAL TRANSACTIONS

2G.6.1 — General

~~The Clearing House may require a NODAL Service CM in whose name a NODAL Transaction is to be registered to provide it with cover for initial and variation margin as a condition of registration as a NODAL Contract.~~

2G.6.2 — Registration

~~All matched transactions which have been presented for registration and comply with the Clearing House requirements for registration of a NODAL Transaction, are deemed to have been registered by the Clearing House immediately upon receipt by TRS/CPS.~~

2G.6.3 — Novation

~~With effect from registration, novation operates to replace each NODAL Transaction with two separate NODAL Contracts, one between the selling NODAL Service CM and the Clearing House and the other between the buying NODAL Service CM and the Clearing House. Novation is described in more detail in the NODAL Regulations.~~

2G.6.4 — Notification

~~All NODAL Contracts arising from registered NODAL Transactions are listed on the NODAL Service CM Report available through TRS.~~

2G.7 — POSITION AND FINANCIAL ACCOUNTS

2G.7.1 — Position-Keeping Accounts

2G.7.1.1 — Types of Account

~~Positions with regard to NODAL Contracts are recorded within CPS in position-keeping accounts at Individual Trader Mnemonic (ITM) level, which are not CM accounts as described in Regulation 5. The account types are as follows:~~

~~H — House [excluding Clients]¹~~

~~N — Non-segregated client~~

~~S — Segregated client~~

~~Z — Default account, only to be used in the event of a CM default~~

~~D — Default “transactions” which have not been assigned to one of the above account codes~~

~~The requirement to open H and D accounts is compulsory. Other position-keeping accounts may be opened by agreement with the Clearing House.~~

¹ ~~The “house position-keeping account” represents a Member’s principal business; the “house financial account” (see 2G.8.2.1 below) also includes non-segregated clients’ positions.~~

2G.7.1.2 Basis of Position Keeping**(a) Net Accounts**

The following position-keeping accounts are held net at ITM level, e.g. a position of bought one lot and sold two lots will be reported as sold one:-

H — House

N — Non-segregated client

S — Segregated client

(b) Gross Accounts

The following position-keeping accounts are held gross at ITM level e.g. a position of bought one lot and sold two lots will show both bought and sold positions:-

D — Default “transactions” which have not been assigned to one of the above account codes

2G.7.2 Financial Accounts

NODAL Service CM position-keeping accounts have financial accounts associated with them. These are, amongst other things, used to record cash balances, securities/documentary credits and non-realised margin.

Where appropriate, a NODAL Service CM’s financial accounts are identified by a single character code: C for segregated client business (recorded as S within CPS); H for house and non-segregated business (recorded as H within CPS). Only the H financial account is obligatory.

Information contained within position-keeping accounts is consolidated into financial accounts, as follows:

2G.7.2.1 Relationship with Position-keeping accounts

Position-keeping accounts	Financial account
H House	H
N Non-segregated client	H
S Segregated client	C
D Default “transactions” which have not been assigned to one of the above account codes	H

By permitting a transaction to be allocated to a position-keeping account, a NODAL Service CM is also deemed to be designating that transaction for the associated financial account.

2G.7.2.2 Other Financial Accounts

Subject to approval by the Clearing House, further financial accounts, used only to record financial balances, may be opened as follows:

	Code
Buffer account (House), used for holding additional cash in relation to House business	B
Buffer account (Client), used for holding additional cash in relation to Client business	E
Resources account, used for holding supplementary financial resources	Q
Buyers' and Sellers' security account (segregated business) used for certain delivery contracts	X

Members are asked to note that, in respect of NODAL Contracts, fees charged to NODAL Service CMs by the Clearing House will include execution fees which the Clearing House will collect on behalf of NODAL in respect of the underlying trades executed through the NODAL Trading System.

Details of execution fees and any changes thereto will be notified to NODAL Service CMs by NODAL.

2G.9 MARGIN

For the purposes of the NODAL Service only, a "Reference Price" includes daily Settlement Price and final Settlement Price as used in the NODAL Rules.

2G.9.1—Variation Margin

~~Certain NODAL Contracts are settled to market daily by the Clearing House. Profits or losses are either credited to or debited from NODAL Service CMs' relevant financial accounts (realised margin).~~

2G.9.1.1—Realised Margin

~~Realised margin is the calculated profit or loss arising from a comparison between the value of open positions at the relevant daily Settlement Price with the value of positions recorded i.e. the Traded Price for new trades and the previous day's daily Settlement Price for other positions. The currency of this margin amount will be the same as the currency denomination of the contract's reference price.~~

2G.9.2—Initial Margin

~~Separate initial margin calculations are performed for a NODAL Service CM's house "H" and client "C" accounts; **no offset between these accounts is allowed.** Accounts are margined net, meaning that if long and short positions are held in the same delivery month/prompt date, Initial Margin is charged on the net position. Initial Margin need not be in the same currency as the contracts traded. A list of acceptable collateral to cover initial margin requirements can be found at the following location:~~

~~http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp~~

2G.9.2.1—Initial Margin Parameters

~~Initial margin parameters are set by the Clearing House. However, in accordance with the NODAL Regulations, the Clearing House retains the discretion to vary the rates for the whole market or for a NODAL Service CM's house and/or client accounts.~~

~~NODAL Service CMs will be notified by the Clearing House of alterations to initial margin parameters no later than the day before calls are made based on the new rates.~~

2G.9.2.2—Intra-day Margin Calls

~~In accordance with the Regulations, the Clearing House is entitled to make additional margin calls for payment the same day (intra-day margin calls) where it considers it necessary. Intra-day margin calls will be made through the protected payments system ("PPS") in London ("London PPS") or the USA ("US PPS") (see section 3.2 of these Procedures – "Protected Payments System").~~

2G.9.2.3—Calculation of Initial Margin

VaR

~~Initial margins are re-calculated at the close of each business day using a VaR algorithm developed to margin Nodal exchange contracts.~~

~~Technical questions about this algorithm should be directed to the Clearing House Risk Management Department on +44 (0)20 7426 7520~~

2G.10 — TAX

~~NODAL Service CMs should take their own advice regarding any taxation liabilities in any country in which a liability to pay tax may arise.~~

~~In the event that the Clearing House incurs any liability to pay any tax in respect of or in connection with any NODAL Contract, it shall have the right to require reimbursement of such tax liability, together with any costs and expenses incurred by the Clearing House in connection with the administration and processing of such tax liability, from the NODAL Service CM who is or was party to that NODAL Contract, and whom, in the Clearing House's opinion should be responsible for meeting such tax liability, costs and expenses. The Clearing House will collect such payments through PPS.~~

2G.11 — SETTLEMENT OF NODAL CONTRACTS

~~NODAL Contracts are settled depending upon their terms, as set out in the relevant NODAL Contract Terms.~~

2G.11.1 — Cash Settlement

~~Cash settlement is a final settlement derived from the difference between the final Settlement Price and the previous trading day's daily Settlement Price or such other quotation as is specified in NODAL's Rules. This is debited from or credited to the NODAL Service CMs' financial accounts.~~

2G.11.2 — Reference Prices for daily settlement to market

~~Should NODAL fail to determine Reference Prices, the Clearing House will itself determine these as necessary. This will be done at the Clearing House's discretion and be announced as soon as possible following such determination.~~

2G.12 — POSITION TRANSFERS

~~NODAL Service CMs will not have the functionality to affect a position transfer to another NODAL Service CM or between internal accounts.~~

Regulation 35 **Interpretation of these Regulations**

- (a) In the event of inconsistency between the provisions of these Regulations and Exchange Rules, or between these Regulations and the rules or regulations or other contractual provisions of any trading platform or other undertaking, the provisions of these Regulations shall prevail.

- (b) The headings to these Regulations are for convenience only and shall not affect their interpretation.

Regulation 36 **Waiver**

No failure by the Clearing House to exercise, nor any delay on its part in exercising, any of its rights (in whole or in part) under these Regulations shall operate as a waiver of the Clearing House's rights or remedies upon that or any subsequent occasion, nor shall any single or partial exercise of any right or remedy prevent any further exercise thereof or any other right or remedy.

Regulation 37 **Validity of Regulations and Action**

- (a) If at any time any provision of these Regulations becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of these Regulations nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.

- (b) Action taken by the Clearing House pursuant to Exchange Rules may not be questioned on the ground that the Exchange Rules are to any extent invalid or ultra vires or that a determination or request made by the Exchange, or any agreement made by the Exchange, is ultra vires, incompatible with Exchange Rules or otherwise questionable.

The obtaining of an arbitration award shall be a condition precedent to the right of the Clearing House or the Member to bring or maintain any action, suit or other legal proceedings against the other, except only the Clearing House's right to maintain proceedings to obtain security for a claim. This paragraph is subject to Regulation 23(k) and shall not apply to any action, suit or other legal procedure concerning a dispute there referred to.

- (d) Each Member irrevocably waives, with respect to itself and its revenues and assets, all immunity on the grounds of sovereignty or other similar grounds from suit, jurisdiction of any court, relief by way of injunction, order for specific performance or for recovery of property, attachment of its assets (whether before or after judgement) and execution or enforcement of any judgement to which it or its revenues or assets might otherwise be entitled in any proceedings in the courts of any jurisdiction and irrevocably agrees that it will not claim any such immunity in any proceedings.

- (e) Nothing in this Regulation 39 shall be construed as an attempt by the Clearing House to exclude any liability for any fraud, fraudulent misrepresentation or wilful default on the part of the Clearing House. The Clearing House accepts liability for any personal injury or death caused by the negligence of the Clearing House and for any fraud or wilful default on the part of the Clearing House and for any actions that it may take on the basis of advice given to it by the SwapClear DMG, and for the accuracy of the information that it distributes to the SwapClear Clearing Members in connection with the SwapClear DMP pursuant to the SwapClear DMP Annex, and for any actions that it may take on the basis of advice given to it by the ForexClear DMG, and for the accuracy of the information that it distributes to the ForexClear Clearing Members in connection with the ForexClear DMP pursuant to the ForexClear DMP Annex.

Regulation 39A Netting

- (a) If at any time the Clearing House fails to make a payment to a Member, other than a defaulter, under a Contract for a period of 30 days from the date when the obligation to pay fell due then that Member may exercise its rights under paragraph (c) below.
- (b) If at any time the Clearing House commences a voluntary case or other procedure seeking or proposing liquidation, administration, receivership, voluntary arrangement or a scheme of arrangement, or other similar relief with respect to itself or to its debts under any bankruptcy, insolvency, regulatory, supervisory or similar law, or if any of the foregoing cases or procedures is commenced in relation to the Clearing House by any other person which results in liquidation or winding up of the Clearing House, or if the Clearing House takes corporate action to authorise any of the foregoing, in any such case other than for the purposes of corporate restructuring (including any consolidation, amalgamation or merger), then a Member, other than a defaulter, may exercise the right given to it under paragraph (c) below.
- (c) A Member entitled to exercise rights under this paragraph may, at any time whilst any of the circumstances referred to in paragraph Regulation 39A or (b) giving rise to such rights continue, by notice in writing to the Clearing House, specify a Termination Date for the termination and liquidation of all Contracts to which it is a party in accordance with paragraph (d) below.
- (d) Upon the occurrence of a Termination Date:
- (i) neither the Clearing House nor the Member shall be obliged to make any further payments or deliveries under any Contract between them which would, but for this Regulation 39A, have fallen due for performance on or after the Termination Date, and any obligations to make further payments or deliveries which would otherwise have fallen due shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Termination Amount;
 - (ii) the Member shall (on, or as soon as reasonably practicable after, the Termination Date) determine (discounting if appropriate) in respect of each Contract its total loss or, as the case may be, gain, in each case expressed in the lawful currency of the United Kingdom (the “Base Currency”), (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position), as a result of the termination, pursuant to this agreement, of each payment or delivery which would otherwise have been required to be made under such Contract (assuming satisfaction of each applicable condition precedent and having due regard to, if appropriate, such market quotations published on, or official settlement prices set by, a relevant exchange or clearing organisation, as may be available on, or immediately preceding, the date of calculation); and
 - (iii) the Member shall treat each loss to it, determined as above, as a positive amount and each gain by it, so determined, as a negative amount and, subject to paragraph (iv), shall aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the “Termination Amount”).
 - (iv) Where a Member has a house and one or more client accounts:

- (1) the Member shall determine two net amounts under paragraph (d)(iii); one net amount in respect of gains and losses arising on Contracts registered in the Member's client account (or client accounts as combined) and a second net amount in respect of gains and losses arising on all other Contracts; and
 - (2) the two net amounts determined under paragraph (iv)(1) shall constitute Termination Amounts.
- (v) If a Termination Amount determined pursuant to paragraph (d) or (iv) above is a positive amount, the Clearing House shall pay it to the Member and if any such Termination Amount is a negative amount, the Member shall pay it to the Clearing House, in either case in accordance with paragraph (vi). The Member shall notify the Clearing House of each such Termination Amount, and by which party it is payable, immediately after the calculation thereof.
- (vi) A Termination Amount shall, subject to Regulation 39B, be paid in the Base Currency by the close of business on the business day following notification pursuant to paragraph (v) above (converted as required by applicable law into any other currency, any costs of such conversion to be borne by, and (if applicable) deducted from any payment to, the Clearing House). Any Termination Amount which is not paid on such day shall bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11:00 hours (London time) (or, if no such rate is available, at such reasonable rate as the Member may select) plus 1% per annum, for each day for which any such sum remains unpaid.
- (vii) For the purposes of any calculation required to be made under this Regulation, the Member may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.

The Member's rights under this Regulation 39A shall be in addition to, and not in limitation or exclusion of, any other rights which the Member may have (whether by agreement, operation of law or otherwise, including its rights under Regulation 5(i)).

Regulation 39B Distribution of Assets

- (a) Where (after the netting and set-off provided for in Regulation 39A and Regulation 5(i)) the Clearing House has insufficient assets available to it to pay all Termination Amounts in full (determined in accordance with FCM Regulation 26A and General Regulation 39A), the claims of the Clearing Members (which shall include FCM Clearing Members for the purposes of this Regulation 39B) of each Service shall be met first to those Clearing Members who are SCMs and/or FXCCMs and/or RepoClear Clearing Members (“RCMs”) in an amount equal to the outstanding SwapClear Contributions of such SCMs and/or ForexClear Contributions of such FXCCMs and/or RepoClear Contributions of such RCMs (as applicable) and, thereafter, pro rata to each Clearing Member’s respective claim (and in respect of SCMs who have received an amount relating to their outstanding SwapClear Contributions, their respective claims shall be reduced by such amounts so received; and in respect of FXCCMs who have received an amount relating to their outstanding ForexClear Contributions, their respective claims shall be reduced by such amounts so received; and in respect of RCMs who have received an amount relating to their outstanding RepoClear Contributions, their respective claims shall be reduced by such amounts so received). To the extent the Clearing House does not have sufficient assets available to it to pay each SCM and/or FXCCM and/or RCM the amount equal to the sum of its outstanding SwapClear Contribution and/or its outstanding ForexClear Contribution and/or its RepoClear Contribution (as applicable), the Clearing House shall distribute the assets available to it to each SCM and/or FXCCM and/or RCM (as applicable) in an amount equal to the proportion that the outstanding SwapClear Contribution of the relevant SCM and/or the outstanding ForexClear Contribution of the relevant FXCCM and/or the outstanding RepoClear Contribution of the relevant RCM bears to the aggregate of: (a) the sum of the outstanding SwapClear Contributions of all SCMs; (b) the sum of the outstanding ForexClear Contributions of all FXCCMs; and (c) the sum of the outstanding RepoClear Contributions of all RCMs.
- (b) For the purposes of this Regulation 39B the term “SCMs” shall include “FCM Clearing Members”

The references in these Link Regulations to “Contracts on the terms of a Linked Exchange Contract” shall be construed as referring to Contracts on the terms of a Linked Exchange Contract specified for the purpose of these Link Regulations in the Procedures. The references in these Link Regulations to “contracts on the terms of a Participating Exchange Contract” shall be construed as referring to contracts on the terms of a Participating Exchange Contract specified for the purposes of these Link Regulations in the Procedures.
- (b) In the event of any conflict between these Link Regulations and the Default Rules, the Default Rules shall prevail.

Regulation 41 Transfer of Contracts on the terms of a Linked Exchange Contract

- (a) Each Contract on the terms of a Linked Exchange Contract registered by the Clearing House in the name of a Member pursuant to Regulation 9 which forms part of a Member's Day Position Balances and all other Contracts on the terms of a Linked Exchange Contract which do not form part of such Day Position Balances shall, subject to Regulations 42(a), 42(b) and 44, be transferred in accordance with paragraph (c) below.
- (b) The Clearing House shall, in accordance with the Procedures, calculate each Member's Day Position Balances with respect to Contracts on the terms of a Linked Exchange Contract which are registered on a business day in each such Member's name and recorded in certain accounts referred to in the Procedures. Subject to Regulations 42(a), 42(b) and 44, the Clearing House shall transmit details of such Day Position Balances and all other Contracts on the terms of a Linked Exchange Contract registered on such business day in each such Member's name which do not form part of a Member's Day Position Balances to the relevant Participating Exchange in accordance with procedures from time to time agreed with, and by such time or times and on such day as agreed with, such Participating Exchange.
- (c) Upon the dispatch by the relevant Participating Exchange of a confirmation in such form as may be agreed from time to time with the Clearing House following receipt by such Participating Exchange of the details of Contracts transmitted pursuant to paragraph (b) above, all such Contracts comprised in each Member's Day Position Balances and all other Contracts referred to in paragraph (b) shall be transferred under this paragraph (c) and the terms of a Member Link Agreement to which each Member party to such Contracts is a party. The transfer of such Contracts shall, subject to Regulation 42(d), have effect so that:
- (i) the Clearing House and each Member party to each such Contract shall be released from their obligations to each other under each such Contract ("a discharged Contract") (except from their obligations under these Regulations including, without limitation, obligations with respect to any fees payable under the Regulations or to pay any daily settlement amounts in respect of one or more discharged Contracts or to provide cover for margin) and, without prejudice to the foregoing or to the claims of either the Clearing House or a Member arising out of or in relation to a discharged Contract;
 - (ii) the respective rights of the Clearing House and a Member against each other under a discharged Contract shall be cancelled and the discharged Contract shall be replaced simultaneously by a contract on the terms of the relevant Participating Exchange Contract between the persons specified in the relevant Member Link Agreement to which the Member party to a discharged Contract is a party and under which such discharged Contract was transferred.
- (d) Contracts other than option Contracts comprised in a Member's Day Position Balances shall be transferred at the settlement price for the delivery month of such Contracts established by the relevant Exchange. Such Contracts (other than option Contracts) shall be transferred at the official quotation for such delivery month if no such Settlement Price has been established. Contracts in the terms of a Linked Exchange Contract which do not form part of a Member's Day Position Balances shall, subject to paragraph (e) below, be transferred at the price at which they were entered into and, unless paragraph (e) applies, no daily settlement amounts shall be payable in respect of such Contracts under the Regulations. Option Contracts comprised in a Member's Day

Position Balance shall be transferred with effect that no premium shall be payable under contracts on the terms of the relevant Participating Exchange Contract which arise pursuant to Regulation 41(c)(ii), but without prejudice to the obligation of the buyer to pay the premium due under each discharged Contract.

- (e) If Regulation 44(a) applies, all Contracts (other than option Contracts) which are subsequently transferred pursuant to paragraph (c) above after the business day on which they were registered by the Clearing House shall, subject to paragraph (f) below, be transferred at the settlement price referred to in paragraph (d) above, or if no such settlement price has been established, at the official quotation referred to in paragraph (d) above, for the business day immediately preceding the business day on which such transfer is made. Option Contracts which are subsequently transferred pursuant to paragraph (c) above after the business day on which they were registered by the Clearing House shall, subject to paragraph (f) below, be transferred with effect that no premium shall be payable under contracts on the terms of the relevant Participating Exchange Contract which arise pursuant to Regulation 41(c)(ii), but without prejudice to the obligation of the buyer to pay the premium due under each discharged Contract.
- (f) If Contracts to be transferred pursuant to Regulation 41(c) have been entered into pursuant to the trade correction procedures, such Contracts may be transferred at a different price to the price specified in paragraph (e) above.

Regulation 41A Transfer to the Clearing House of Participating Exchange Contracts

- (a) Each contract on the terms of a Participating Exchange Contract registered by a Participating Exchange in the name of a member of a Participating Exchange forming part of the member of the Participating Exchange's Day Position Balances shall, subject to Regulations 42 and 44, be transferred at the time or times and in the manner referred to in either or both of the Participating Exchange Rules of the relevant Participating Exchange and the applicable Member Link Agreement to which such member of the Participating Exchange is party and in accordance with any other procedures from time to time agreed between the Clearing House and the Participating Exchange and any Exchange party to the relevant Link. Notwithstanding the preceding sentence, such contracts on the terms of a Participating Exchange Contract may be transferred after such time or times if the Clearing House, the Participating Exchange, and any Exchange party to the relevant Link so agrees.
- (b) Upon the transfer of a contract referred to in paragraph (a) which is on the terms of a Participating Exchange Contract pursuant to a Member Link Agreement, the parties to such contract shall be released from their obligations to each other under such contract (except from those obligations which the Member Link Agreement and the relevant Participating Exchange Rules expressly state shall survive) (a "discharged contract") and, without prejudice to the provisions of the Participating Exchange Rules, their respective rights against each other shall be cancelled and the discharged contract shall be replaced simultaneously by a contract on the terms of the relevant exchange contract between the Clearing House and the Member party to such Member Link Agreement for the same number of lots and the same delivery month or expiry month and exercise price (as applicable) as the discharged contract. Such contract shall, upon its arising, be subject to the relevant Exchange Rules and the Regulations and shall not be subject to any Participating Exchange Rules and shall, upon registration pursuant to Regulation 9(f), become an open contract.

Regulation 42 Default Affecting Transfer

- (a) (i) If, prior to the transfer of Contracts on the terms of one or more Linked Exchange Contracts pursuant to Regulation 41(c), a Member becomes a defaulter or any other default-related or other event specified in a relevant Member Link Agreement to which the Member is party occurs with respect to the Member (“the defaulting Member”), Contracts on the terms of one or more relevant Linked Exchange Contracts registered in the defaulting Member’s name with the Clearing House shall not be transferred pursuant to Regulation 41(c) if the terms of the relevant Member Link Agreement so provides.
- (ii) Following the occurrence of any event referred to in sub-paragraph (a)(i) above in respect of a Member, and if Contracts in the terms of the relevant Linked Exchange Contracts to which the defaulting Member is party cannot be transferred pursuant to Regulation 41(c), the Clearing House shall, without prejudice to the Default Rules or to paragraph (f) above, for the purposes of facilitating the transfer of Contracts under one or more Links pursuant to Regulation 41(c), either enter into Contracts (“Default Management Contracts”) as a principal with one or more Members (each “a Nominated Member”) who agrees to enter into such contracts which shall, in accordance with paragraph (c) of this Regulation 42, be in the terms of such Contracts on the terms of one or more relevant Linked Exchange Contracts which are or become registered in the defaulting Member’s name with the Clearing House or, if the terms of the relevant Link Agreement so requires, implement the provisions of Regulation 42(g).
- (b) (i) If, prior to the transfer of Contracts on the terms of one or more Linked Exchange Contracts pursuant to Regulation 41(c), the Clearing House becomes aware that a member of a Participating Exchange who is party to such Member Link Agreement with a Member (“affected Member”) has become a Defaulter (as defined in such Member Link Agreement) or any other default-related or other event specified in such Member Link Agreement occurs with respect to the member of the Participating Exchange, Contracts on the terms of one or more relevant Linked Exchange Contracts registered in the name of an affected Member shall not be transferred under such Member Link Agreement or under any other relevant Member Link Agreement if the terms of any such agreement do not so permit and, pursuant to the terms of the relevant Link Agreement either the provisions of sub-paragraph (ii) **Error! Reference source not found.** or Regulation 42(g) shall apply.
- (iii) If, pursuant to sub-paragraph (i) above, this sub-paragraph (ii) applies, the Clearing House shall, for the purposes of facilitating the transfer of Contracts under a Link pursuant to Regulation 41(c), enter into Default Management Contracts with one or more Nominated Members who agree to enter into such Contracts, which shall in accordance with paragraph (c) of this Regulation 42 be on the terms of Contracts on the terms of one or more relevant Linked Exchange Contracts which are or become registered in the affected Member’s name.
- (c) Default Management Contracts entered into by the Clearing House pursuant to paragraph (a) or (b)(ii) above with one or more Nominated Members shall (in aggregate) be for the same number of lots as the number of lots of Contracts on the terms of one or more relevant Linked Exchange Contracts which remain open contracts after the Clearing House has taken steps (if any) pursuant to the Default Rules (or the relevant Exchange has taken steps (if any) under Exchange Rules) to achieve a discharge of the defaulter’s rights and liabilities under or in respect of such Contracts or, as the case may

be, pursuant to paragraph (f) below to achieve a discharge of the affected Member's Contracts and shall be assigned to such accounts of a Nominated Member as agreed between the Clearing House and the Nominated Member and, as applicable, shall be included in the Nominated Member's Day Position Balances or aggregated with the Contracts registered in the Nominated Member's accounts which do not form part of his Day Position Balances. Details of such Default Management Contracts shall be transmitted to the relevant Participating Exchange pursuant to Regulation 41(b).

- (d) Default Management Contracts entered into by the Clearing House pursuant to Regulation 42(a) or 42(b)(ii) with a Nominated Member shall be transferred pursuant to Regulation 41(c) and thereby discharged in accordance with the terms of any written agreement entered into between the Clearing House and the Nominated Member for the purposes of this Regulation 42 and upon such transfer, the Clearing House and the Nominated Member shall become party to new Contracts which shall be subject to the Regulations and in the same terms and for the same number of lots as the Default Management Contracts, as more particularly described in such agreement, save that the Clearing House, if a party to a Default Management Contract as a seller, shall be a buyer under a Contract to which the Clearing House becomes a party under this paragraph (d) and vice versa. Such new Contracts shall not be transferred pursuant to Regulation 41, but shall be performed in accordance with the Regulations and the terms of any written agreement to which the Clearing House and the Nominated Member is a party for the purposes of this Regulation 42.
- (e) Contracts on the terms of a Linked Exchange Contract to which a defaulter or an affected Member is a party and which cannot be transferred pursuant to Regulation 41(c) ("affected Contracts") shall remain subject to and shall be discharged in accordance with the Regulations.
- (f) Without prejudice to the Default Rules, the Clearing House shall have the right to take such action and by such means as the Clearing House in its absolute discretion determines to close-out, cash-settle by invoicing back, transfer to another member pursuant to Regulation 11, or otherwise achieve a discharge of the affected Member's affected Contracts whether or not the affected Member is a defaulter.
- (g) If the terms of the applicable Link Agreement so require the Clearing House shall, following the occurrence of an event referred to in Regulation 42(a) in respect of a Member or in Regulation 42(b) in respect of a member of the relevant Participating Exchange, become party to one or more contracts (each a "Default Contract") with the Participating Exchange party to such Link Agreement which shall be on the same terms and for the same number of lots as the number of lots of the affected contracts which remain open contracts after the Clearing House has taken steps pursuant to the Default Rules or pursuant to paragraph (f) above with respect to such affected Contracts, except that each Default Contract shall be subject to the relevant Participating Exchange Rules and not subject to these Regulations or to the relevant Exchange Rules. The Clearing House shall have the right to take such action and by such means as the Clearing House in its absolute discretion determines to close-out, transfer or otherwise achieve the discharge of each Default Contract pursuant to the relevant Participating Exchange Rules or the terms of any agreement concluded between the Clearing House and such Participating Exchange and to close-out, transfer or otherwise achieve a discharge of the affected Contracts pursuant to the Default Rules or Regulation 42(f).
- (h) (i) If the terms of the relevant Link Agreement so require, following the occurrence of an event referred to in Regulation 42(a) in relation to a Member or in Regulation 42(b) in relation to a member of a Participating Exchange, contracts on the terms of one or more

relevant Participating Exchange Contracts registered with the relevant Participating Exchange in the name of such member of the Participating Exchange or a member of the Participating Exchange party to a Member Link Agreement with the Member and which form part of such member of the Participating Exchange's day Position Balances shall not be transferred pursuant to Regulation 41A (b) and the Participating Exchange (as a Member of the Clearing House) shall become party to one or more open contracts (each a "Default Contract") with the Clearing House.

- (ii) Each such Default contract shall be on the same terms and for the same number of lots as such contracts on the terms of each such Participating Exchange Contract, except that each Default Contract shall be subject to the Regulations and the relevant Exchange Rules and not subject to the relevant Participating Exchange Rules. The Participating Exchange shall have the right to take such action and by such means as the Participating Exchange in its absolute discretion determines to close-out, transfer or otherwise achieve the discharge of each Default Contract pursuant to the Regulations or the terms of any agreement concluded between the Clearing House and the relevant Participating Exchange, provided that, without prejudice to the Default Rules, the Clearing House shall also have the right to take such action and by such means as the Clearing House in its absolute discretion determines to close-out, transfer to another Member pursuant to Regulation 11, or (if they cannot be so transferred) otherwise achieve a discharge of each such Default Contract, and may take such action whether or not the Participating Exchange is a defaulter.

Regulation 43 **Margin**

Without prejudice to the provisions of Regulation 9(b) or Regulation 12, the Procedures or any agreement entered into between the Clearing House and a Member with respect to cover for margin provided or to be provided by such Member to the Clearing House, the Clearing House shall be entitled to require a Member to furnish cover to the Clearing House in an amount determined by the Clearing House as a condition of the Clearing House agreeing to register original contracts on the terms of a Linked Exchange Contract in the name of the Member and to keep the Clearing House furnished with sufficient cover at all times, in an amount or amounts determined by the Clearing House, as security for the performance by such Member of his obligations to the Clearing House in respect of such original contracts to be registered or Contracts registered with the Clearing House. In addition, the Clearing House shall be entitled to require cover in a form and in an amount determined by the Clearing House from a Member as a condition of the Clearing House agreeing to take any steps pursuant to any trade correction procedures.

Regulation 44 Impossibility of Transfer

- (a) If it is not possible for any reason (other than for a reason referred to in Regulation 42) (including, without limitation, as a result of any action taken by an Exchange pursuant to Exchange Rules or, as a result of the act of a government or a Regulatory Body or any change in applicable law or as a result of the failure of any systems, communication facilities or other technology) for details of open contracts on the terms of a Linked Exchange Contract to be transmitted on a day pursuant to Regulation 41(b), or for the relevant Participating Exchange to receive such details or to despatch a confirmation as referred to in Regulation 41(c), so that such Contracts cannot be transferred pursuant to Regulation 41(c) on the business day on which such Contracts were registered by the Clearing House, such Contracts shall remain registered with the Clearing House and subject to the Regulations and Procedures. Details of such Contracts which remain as open contracts shall be transmitted to the relevant Participating Exchange pursuant to Regulation 41(b) on the next day on which such Contracts are permitted to be transferred under the Link entered into with the relevant Participating Exchange and on which it is possible for details of such Contracts to be transmitted.
- (b) If it is not possible for any reason other than for a reason referred to in Regulation 42 (including, without limitation, as a result of any action taken by an Exchange or a Participating Exchange pursuant to Exchange Rules or Participating Exchange Rules (as the case may be), or as a result of the act of a government or a Regulatory Body or any change in applicable law or a result of the failure of any systems, communication facilities or other technology) for contracts on the terms of a Participating Exchange Contract to be transferred pursuant to Regulation 41A on the day on which such contracts were registered by the Participating Exchange, such contracts shall remain registered with the Participating Exchange and subject to its Participating Exchange Rules. Such contracts shall be transferred to the Clearing House pursuant to Regulation 41A on the next day on which such contracts are permitted to be so transferred under the Link Agreement entered into with the relevant Participating Exchange and on which it is possible to do so.
- (c) If the Link entered into with a Participating Exchange is suspended for an indefinite period or terminated, Contracts which have not been transferred pursuant to Regulation 41(c) shall remain registered with the Clearing House and subject to the Regulations and shall be performed in accordance with their terms or may be closed-out or otherwise discharged in accordance with the Regulations or the relevant Exchange Rules.

Regulation 45 Cross-Margining Regulations

- (a) A Member who is a Cross-Margining Participant shall indemnify and hold harmless the Clearing House against all amounts which are or may become due and payable by the Clearing House to a Cross-Margining Exchange pursuant to a Cross-Margining Agreement entered into between the Clearing House and the Cross-Margining Exchange (amongst other parties, as the case may be) to which the Member is also a party or is bound by agreement with the Clearing House and the Cross-Margining Exchange.
- (b) A Member shall pay on demand any amount or amounts which the Clearing House claims from the Member pursuant to the indemnity contained in Regulation 45(a). Any amount or amounts so demanded shall be conclusive and binding on the Member.
- (c) In the event of any conflict between the terms of the indemnity contained in paragraph (a) above and the terms of any indemnity, reimbursement obligation or like obligation to which the Member is bound by the terms of a Cross-Margining Agreement, the terms of the indemnity in Regulation 45(a) shall prevail.

SWAPCLEAR REGULATIONS

Regulation 46 Application of SwapClear Regulations

- (a) These SwapClear Regulations, which form part of the Regulations, together with the Regulations referred to in paragraph (b) apply to SwapClear Contracts, SwapClear Clearing Members and, insofar as relevant, to SwapClear Dealers.
- (b) The Default Rules (including the SwapClear DMP Annex), Default Fund Rules, the definitions and Regulations 1, 2, 3(b), 4, 5, 8, 9(b) and (c), 10, 11, 12, 14, 16, 26 to 39B inclusive (other than Regulation 35(a) and Regulation 37(b)) of the General Regulations apply to SwapClear Contracts, SwapClear Clearing Members and, insofar as relevant, to SwapClear Dealers.

Regulation 47 Registration of SwapClear Contracts

- (a) A SwapClear Participant must submit particulars of a SwapClear Transaction for registration as a SwapClear Contract, through an office of that SwapClear Participant (a “Designated Office”) as agreed to in writing with the Clearing House and, if party to a SwapClear Dealer Clearing Agreement, with its SwapClear Clearing Member.
- (b) Without prejudice to the Clearing House’s rights under paragraph (f) of this Regulation, a SwapClear Clearing Member shall be bound by a SwapClear Contract registered in its name pursuant to the presentation of particulars of a SwapClear Transaction by it (including presentation by any SCM Branch of that SwapClear Clearing Member) or by a SwapClear Dealer with whom it is party to a SwapClear Dealer Clearing Agreement and regardless of whether the SwapClear Clearing Member or SwapClear Dealer (as the case may be) entered into the SwapClear Transaction through a Designated Office or an office which is not a Designated Office, provided that the particulars of such SwapClear Transaction were submitted to the Clearing House through a Designated Office.
- (c) Without prejudice to the Clearing House’s rights under paragraph (f) of this Regulation, a SwapClear Transaction, particulars of which are submitted for registration as a SwapClear Contract, must meet the eligibility criteria prescribed in these Regulations and the Procedures at the time the particulars of the SwapClear Transaction are presented to the Clearing House and must continue to meet such criteria at the Registration Time in order to be registered as a SwapClear Contract.
- (d) The Clearing House shall be deemed to register a SwapClear Contract, in accordance with Regulation 48, in the name of a SwapClear Clearing Member at the time prescribed in the Procedures (“Registration Time”).
- (e) For the avoidance of doubt, any transaction of which details have been submitted by SwapClear Participants for registration as a SwapClear Contract which is not so registered will remain in effect between the persons party thereto in accordance with any terms agreed between them and the Clearing House shall have no obligations or liability in relation thereto.
- (f) If at any time after registration of a SwapClear Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration did not, at the Registration Time, meet the eligibility criteria for registration as a SwapClear Contract, the Clearing House shall, as soon as practicable thereafter, set aside such SwapClear Contract. Upon the SwapClear Contract being set aside under this Regulation 47(f), the particulars of the transaction in question shall be deemed never to have been submitted to the Clearing House and such transaction shall remain in effect between the persons party thereto in accordance with any terms agreed between them. Any payment made under, or in respect of, a SwapClear Contract set aside under this paragraph shall be repayable to the person who made the payment. Without prejudice to Regulation 39 and its obligations under this Regulation 47(f), the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of a SwapClear Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as a SwapClear Contract.
- (g) Where a SwapClear Contract relates to an FCM SwapClear Transaction, it is a condition for registration as a SwapClear Contract that the FCM SwapClear Transaction to which the SwapClear Contract relates be presented for clearing: (i) by an Executing Party (in

its capacity as an FCM Clearing Member or SwapClear Clearing Member or through its designated FCM Clearing Member or SwapClear Clearing Member) as a SwapClear Contract or FCM SwapClear Contract (as the case may be); and (ii) by an FCM Clearing Member on behalf of its FCM Client as an FCM SwapClear Contract. In the event that the Clearing House registers a SwapClear Contract and, for whatever reason, the corresponding FCM SwapClear Contract has not also been registered, the SwapClear Contract shall be deemed not to be registered as a SwapClear Contract until such time as such corresponding FCM SwapClear Contract has been registered.

- (h) In relation to an FCM SwapClear Transaction, if either the Executing Party (in its capacity as an FCM Clearing Member or SwapClear Clearing Member or through its designated FCM Clearing Member or SwapClear Clearing Member) or the FCM Clearing Member (as the case may be) does not present an FCM SwapClear Transaction for clearing, the Clearing House shall set aside any FCM SwapClear Contract or SwapClear Contract that has been registered (if any) and the particulars of the corresponding FCM SwapClear Transaction in question shall at the Clearing House's discretion be either: (i) deemed never to have been submitted to the Clearing House; or (ii) rejected until such time as the Executing Party (in its capacity as an FCM Clearing Member or SwapClear Clearing Member or through its designated FCM Clearing Member or SwapClear Clearing Member) or the FCM Clearing Member have presented the relevant contract to the Clearing House. In addition, any payment made under, or in respect of, any FCM SwapClear Contract set aside or deemed not cleared under this paragraph shall be repayable to the person who made the payment. Without prejudice to FCM Regulation 26 and its obligations under this Regulation 47 and FCM Regulation 5, the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of an FCM SwapClear Contract.

Regulation 48 SwapClear Contracts

- (a) Without prejudice to the Clearing House's rights to effect further novation under Regulation 3(b), a SwapClear Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House as two SwapClear Contracts, one between the First SwapClear Clearing Member paying Rate X and the Clearing House as the party paying Rate Y, as principals to such contract, and the other between the Clearing House paying Rate X and the Second SwapClear Clearing Member paying Rate Y, as principals to such contract. For the purposes of this Regulation:
- (i) "First SwapClear Clearing Member" is a SwapClear Clearing Member who was, before registration of the SwapClear Contract, party to the corresponding SwapClear Transaction as the party paying Rate X, or who has a subsisting SwapClear Dealer Clearing Agreement with the SwapClear Dealer who was party to the corresponding SwapClear Transaction as the party paying Rate X; and
 - (ii) "Second SwapClear Clearing Member" is a SwapClear Clearing Member who was, before registration of the SwapClear Contract, party to the corresponding SwapClear Transaction as the party paying Rate Y, or who has a subsisting SwapClear Dealer Clearing Agreement with the SwapClear Dealer who was party to the corresponding SwapClear Transaction as the party paying Rate Y.
- (b) With effect from registration of a SwapClear Transaction as two SwapClear Contracts under paragraph (a) of this Regulation:
- (i) the parties to the corresponding SwapClear Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;
 - (ii) each SwapClear Contract registered under paragraph (a) of this Regulation shall be governed by the SwapClear Contract Terms as applicable to that Contract;
 - (iii) subject always to sub-paragraph (ii) above, in respect of the Economic Terms, the First SwapClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the SwapClear Contract to which it is a party as the party paying Rate X had and owed in respect of its counterparty under the corresponding SwapClear Transaction; and
 - (iv) subject always to sub-paragraph (ii) above, in respect of the Economic Terms, the Second SwapClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the SwapClear Contract to which it is party as the party paying Rate Y had and owed in respect of its counterparty under the corresponding SwapClear Transaction.

In subparagraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding SwapClear Transaction (it being assumed, for this purpose, that such SwapClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration),

notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms.

- (c) If a SwapClear Transaction, is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any SwapClear Contract arising under this Regulation, Regulation 3(b) or Regulation 11.

In the case of a SwapClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 48 shall take effect.

For the avoidance of doubt, any reference in these Regulations and Procedures to an “SCM Branch” is not intended to and shall not be read as a reference to any person other than the legal person which is the SwapClear Clearing Member of which that SCM Branch is a part.

Regulation 48A Termination by Automated Service

- (a) SwapClear Contract may be terminated prior to its expiry by means of the automated SwapClear Intra-day Deletion Service (for the purposes of this Regulation “the Service”). The Service is designed so that the process of termination may be initiated by a SwapClear Dealer.
- (b) Each SwapClear Clearing Member is deemed to grant a continuing authority to every SwapClear Dealer with whom that SwapClear Clearing Member is a party to a SwapClear Dealer Clearing Agreement (for the purposes of this Regulation, an “SDC Agreement”) to use the Service for the termination of any SwapClear Contract registered in the name of that SwapClear Clearing Member under that SDC Agreement. A SwapClear Clearing Member shall be bound by all entries, deletions and modifications which are made under this Service by the relevant SwapClear Dealer or which are purported to have been made by the relevant SwapClear Dealer.

- (e) The Clearing House shall have no obligation to inform, notify or seek the consent of any SwapClear Clearing Member prior to terminating a SwapClear Contract or making any entries, deletions or modifications when operating the Service.
- (f) The termination of a SwapClear Contract to which the First SwapClear Clearing Member is a party is contingent upon *inter alia* the termination of the SwapClear Contract to which the Second SwapClear Clearing Member is a party, and vice versa.
- (g) The termination of a SwapClear Contract by means of the Service may be cancelled at any time prior to its termination or such earlier time as may be determined by the Clearing House from time to time, provided that, such cancellation must be agreed by both parties to the SwapClear Transaction which corresponds to that SwapClear Contract.
- (h) The date and time of termination of a SwapClear Contract shall be as reported by the Clearing House by means of the Service and shall be binding on all parties.
- (i) The Clearing House may decline to terminate any SwapClear Contract if, in the opinion of the Clearing House acting in its sole discretion, the termination of that SwapClear Contract is not consistent with the policies of the Clearing House, including, without limitation, any policies concerning risk management.
- (j) In addition to (i) above, the Clearing House may decline to terminate any SwapClear Contract if there is insufficient margin in the relevant PPS account of the relevant SwapClear Clearing Member to accommodate the termination of that SwapClear Contract. For the avoidance of doubt and without limitation, the Clearing House may debit the relevant PPS account with any amount or amounts due to the Clearing House in connection with the termination of a SwapClear Contract.

- (k) Each SwapClear Dealer shall ensure that every user name, password and all other security information provided to it by the Clearing House is kept confidential and in a secure manner and is used solely for the purposes of utilising the Service. Each SwapClear Dealer shall be responsible for any action taken using any such security information as if SwapClear Dealer had itself taken the action concerned. Each SwapClear Dealer shall ensure that only such of its staff as are duly authorised are able to access and use the Service and that the Service is accessed and used by SwapClear Dealer and its authorised staff in accordance with all guidance and instructions issued by the Clearing House from time to time.
- (l) For the avoidance of doubt and without limitation, the provisions of Regulation 39 shall apply to the termination of each SwapClear Contract by means of the Service.
- (m) With effect from the time of the termination of a SwapClear Contract by means of the Service, the Clearing House shall have no obligation under the terms that SwapClear Contract and no liability in respect thereof, provided that the termination of any SwapClear Contract shall have no effect upon the rights and obligations already accrued under that SwapClear Contract, which rights and obligations shall survive such termination.
- (n) Upon the termination of a SwapClear Contract by means of the Service, the corresponding Parallel Contract arising by operation of the SDC Agreement shall also terminate.

- (b) In respect of a SwapClear Portfolio and each Coupon Payment Date, the Clearing House shall aggregate:

 - (ii) the sums which would otherwise have been payable by the Clearing House to the SwapClear Clearing Member as cash cover (in respect of variation margin) on such date and the Coupon Payments due on that date,

and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party then the obligations of each party under this Regulation 50 shall be automatically satisfied and discharged on payment by the party by whom the larger aggregate amount would have been payable to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

Regulation 51 **The reset rate for, and the net present value of, a SwapClear Contract**

The Clearing House may determine the reset rate for, and the net present value of, a SwapClear Contract for the purposes of these Regulations and the Procedures in such manner and at such times as may be prescribed in the Procedures. - (a) SwapClear clearing is a service provided by the Clearing House to SwapClear Clearing Members. Any Clearing Member who wishes to offer SwapClear Clearing Services to its clients shall apply to the Clearing House and obtain the approval of the Clearing House before first offering such services. Any SwapClear related services which are offered by a Clearing Member prior to obtaining the approval of the Clearing House shall not be treated as SwapClear Clearing Services and the clients of the Clearing Member receiving such services shall not be treated as SwapClear Clearing Clients.
- (b) Subject to the provisions of these Regulations, SwapClear Clearing Services may be provided by a SwapClear Clearing Member to its SwapClear Clearing Clients on whatever terms the SwapClear Clearing Member decides should apply provided, however, that:
- (i) each SwapClear Clearing Member shall, before providing SwapClear Clearing Services to any client, ensure that it has entered into an agreement with that client which gives the Clearing House enforceable rights against that client in the terms of the Clearing House Prescribed Language and any such other provisions as shall be agreed from time to time between the Clearing House and SwapClear Clearing Members;
 - (ii) SwapClear Contracts entered into by the SwapClear Clearing Member in respect of SwapClear Clearing Client Business, and collateral provided to the Clearing House in respect of SwapClear Clearing Client Business, shall always be separately identified by the SwapClear Clearing Member to the Clearing House and, subject to the provisions of rule 8(d) of the Default Rules, shall never be combined with SwapClear Clearing House Business or collateral provided to the Clearing House in respect thereof;
 - (iii) in no circumstances will the client money protections provided for by the Client Assets sourcebook of the Handbook published by The Financial Services Authority be available from, or offered by, a SwapClear Clearing Member in relation to monies held in accounts opened by it with the Clearing House in respect of SwapClear Clearing Client Business; and
 - (iv) each SwapClear Clearing Member shall, before providing SwapClear Clearing Services to any SwapClear Clearing Client ensure that the SwapClear Clearing Client has been provided with or has been directed to a copy of the SwapClear Clearing End-User Notice and confirm to the Clearing House in writing that it has done so.
- (c) SwapClear Clearing Services may be provided by a SwapClear Clearing Member to its SwapClear Clearing Clients, and SwapClear Contracts may be entered into by a SwapClear Clearing Member with the Clearing House in respect of such SwapClear Clearing Clients, on:
- (i) an Individual Segregated Account basis ("Individual Segregated Account Business"); or
 - (ii) an Omnibus Net Segregated Account basis with segregation ("Omnibus Net Segregated Business").
- (d) A SwapClear Clearing Member acknowledges and agrees that, unless otherwise agreed with the Clearing House, it will not provide both Individual Segregated Account Business

and Omnibus Net Segregated Business to a single SwapClear Clearing Client at the same time.

- (e) Subject to Regulation 52A(d), an Individual Segregated Account Clearing Client of a SwapClear Clearing Member may elect to become an Omnibus Net Segregated Clearing Client of that SwapClear Clearing Member and an Omnibus Net Segregated Clearing Client of a SwapClear Clearing Member may elect to become an Individual Segregated Account Clearing Client of that SwapClear Clearing Member provided, however, that the relevant SwapClear Clearing Member has not become a defaulter in accordance with Rule 4 of the Default Rules.
- (f) A SwapClear Clearing Member may operate one or more Omnibus Net Segregated Accounts. Each Omnibus Net Segregated SwapClear Clearing Client must be allocated to one such account. No Omnibus Net Segregated SwapClear Clearing Client may be allocated to more than one Omnibus Net Segregated Account.
- (g) A SwapClear Clearing Member may operate one or more Individual Segregated Accounts. Each Individual Segregated Account Clearing Client must be allocated to a separate Individual Segregated Account. No Individual Segregated Account Clearing Client may be allocated to more than one Individual Segregated Account.
- (h) A SwapClear Clearing Member may deliver to the Clearing House Excess Collateral and/or Additional Collateral in respect of its SwapClear Clearing Clients. However, no SwapClear Clearing Member shall deliver to the Clearing House any collateral other than amounts provided for the purposes of, or in connection with, the provision of clearing services by the Clearing House.
- (i) Required Collateral relating to the SwapClear Clearing Client Business of a SwapClear Clearing Member will be calculated by the Clearing House, and discharged by a SwapClear Clearing Member in respect of all of its SwapClear Clearing Clients, by:
 - (i) if and to the extent that there is Excess Collateral available, deduction by the Clearing House of amounts from such Excess Collateral;
 - (ii) if and to the extent that Additional Collateral is being held in respect of a SwapClear Clearing Client and to the extent that the Required Collateral relates to the SwapClear Clearing Client in question, and subject to appropriate instructions being received by the Clearing House from the SwapClear Clearing Member specifying the relevant Additional Collateral and the relevant SwapClear Clearing Client, deduction by the Clearing House of that Additional Collateral; and
 - (iii) otherwise, delivery by the SwapClear Clearing Member to the Clearing House of collateral with a value which is at least sufficient to discharge the relevant requirement.
- (j) A SwapClear Clearing Member who has opened an Additional Collateral Account may provide Additional Collateral to the Clearing House for the credit of such account. Such SwapClear Clearing Member shall inform the Clearing House of the identity of the SwapClear Clearing Client for whose account the Additional Collateral is provided, together with the type and value of the Additional Collateral in question and the Clearing House will record the Additional Collateral in the Additional Collateral Account held in respect of the relevant SwapClear Clearing Client.

- (k) A SwapClear Clearing Member shall, as soon as reasonably practicable following a request from the Clearing House, provide the Clearing House with any information which the Clearing House may reasonably require in relation to the SwapClear Clearing Client Business of that SwapClear Clearing Member.
- (l) In addition to and without prejudice to any other provision in the Rulebook, in circumstances where an investment manager or similar third party agent acts on behalf of a SwapClear Clearing Client, the Clearing House shall be entitled to treat instructions received from the investment manager or similar third party as if they were instructions received from the relevant underlying SwapClear Clearing Client.
- (m) No SwapClear Clearing Member may withdraw any amount from:
 - (i) an Individual Segregated Account or an Omnibus Net Segregated Account if such withdrawal would cause the relevant Account Balance to be less than the Required Collateral then attributable to the relevant SwapClear Clearing Client by the Clearing House in accordance with the provisions of the Rulebook; or
 - (ii) an Additional Collateral Account unless such withdrawal is made (a) with the consent of the relevant SwapClear Clearing Client; or (b) in accordance with Regulation 52A(j).
- (n) Where any formalities or registration requirements apply in respect of the Deed of Assignment (and any other document which the Clearing House may from time to time determine), a SwapClear Clearing Member is required to comply with such obligations or to procure by agreement that such requirements are to be complied with. For the avoidance of doubt, prior to providing SwapClear Clearing Services to a SwapClear Clearing Client, each SwapClear Clearing Member must enter into a Deed of Assignment in respect of that SwapClear Clearing Client and in relation to amounts due to it from the Clearing House pursuant to the SwapClear DMP. Where a SwapClear Clearing Member enters into a Deed of Assignment and the Clearing House acts as Security Trustee, that SwapClear Clearing Member must provide notice of the assignments under such Deeds of Assignment to the Clearing House. The Clearing House agrees to exercise its default powers in such a fashion as to comply with its obligations under the Deeds of Assignment and related documentation, including by accepting instructions from the SwapClear Clearing Clients of a SwapClear Clearing Member following the occurrence of a Default in respect of such SwapClear Clearing Member.
- (o) In the context of a Deed of Assignment, a reference to the 'Default Management Process Agreement Amendment Agreement' or to the 'SwapClear Default Management Process Agreement' shall be construed as a reference to Regulation 52B.

Regulation 52B Default Management in respect of SwapClear Clearing Client Business

- (a) The SwapClear DMP in respect of any contract which is a SwapClear Contract entered into in respect of SwapClear Clearing Client Business shall involve the stages set out in this Regulation 52B. For the purposes of this Regulation 52B, a SwapClear Contract relating to SwapClear Clearing Client Business of an SCM (each a “**Relevant Contract**”) will be included in the Auction Portfolio from such time as the Clearing House determines that such Relevant Contract will not be ported. For the avoidance of doubt, any such Auction Portfolio will only contain Relevant Contracts. The Clearing House shall not be entitled to include client and house positions in an Auction Portfolio for the purposes of this Regulation 52B.
- (b) If an SwapClear Clearing Member becomes a Defaulting SCM the Clearing House shall:
- (i) calculate the Account Balances;
 - (ii) take any action under Rule 6 of the Default Rules as it shall deem necessary in respect of the SwapClear Clearing Client Business of the Defaulting SCM;
 - (iii) ascertain whether each SwapClear Clearing Client of the Defaulting SCM has appointed a Backup SwapClear Clearing Member; and
 - (iv) send details of the open Relevant Contracts and Account Balances to the nominated Backup SwapClear Clearing Member for each Individual Segregated Account and Omnibus Net Segregated Account of the Defaulting SCM, if any.

- (i) the Clearing House shall (a) transfer all of the open Relevant Contracts entered into by the Defaulting SCM in respect of the relevant Individual Segregated Account Clearing Client to the appointed Backup SwapClear Clearing Member; or (b) terminate and close out such contracts at their market value (as determined by the Clearing House in its discretion) and enter into new contracts on equivalent terms to such contracts with the appointed Backup SwapClear Clearing Member in respect of the relevant Individual Segregated Account Clearing Client;
 - (ii) where the relevant Individual Segregated Account Clearing Client (in an exercise of its rights under the relevant Deed of Assignment) instructs a transfer of its Individual Segregated Account Balance to the appointed Backup SwapClear Clearing Member, the Clearing House shall give effect to such instruction; and

Part A

SwapClear Contract Terms

The terms of a registered SwapClear Contract shall include these SwapClear Contract Terms which shall comprise:

- (1) Interpretation; and
- (2) Economic Terms; and
- (3) Standard Terms.

In the event of any inconsistency between the Economic Terms and the Standard Terms, the Standard Terms will prevail.

Subject to the Regulations and the Procedures, the Clearing House will use the SwapClear Contract Terms applicable to a SwapClear Contract to calculate the amounts due under the SwapClear Contract to, or from, the Clearing House in accordance with the Procedures.

1. Interpretation

- 1.1. "ISDA 2000 Definitions" means the 2000 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. ("ISDA"), and the same are incorporated by reference herein and "ISDA 2006 Definitions" means the 2006 ISDA Definitions as published by ISDA, and the same are incorporated by reference herein.
- 1.2. Words and expressions used in these SwapClear Contract Terms which are not defined in the Regulations and the Procedures but which are defined in the "ISDA 2000 Definitions" or the "ISDA 2006 Definitions" shall have the same meaning herein as in the 2000 ISDA Definitions or the ISDA 2006 Definitions as the case may be, unless expressly provided otherwise. For the avoidance of doubt where the SwapClear Contract identifies the ISDA 2000 Definitions as being applicable to that SwapClear Contract then those definitions will apply and where the SwapClear Contract identifies the ISDA 2006 Definitions as being applicable to that SwapClear Contract then those definitions will apply.
- 1.3. In the event of an inconsistency between the Regulations and the Procedures and either the ISDA 2000 Definitions or the ISDA 2006 Definitions, the Regulations and Procedures will prevail.
- 1.4. References in the ISDA 2000 Definitions and the ISDA 2006 Definitions to a "Swap Transaction" shall be deemed to be references to a "SwapClear Transaction" for the purposes of SwapClear.
- 1.5. Except where expressly stated otherwise, all reference to "Articles" means Articles in the ISDA 2000 Definitions or the ISDA 2006 Definitions as the case may be as published by ISDA:
 - (a) in relation to any amendments to either the ISDA 2000 Definitions or the ISDA 2006 Definitions, the Clearing House may from time to time, by notice delivered to the SwapClear Clearing Members and the SwapClear Dealers, give directions as to whether such amendment shall apply to SwapClear Contracts

with immediate effect or with such deferred effect as the Clearing House shall determine;

- (b) any such notice may provide that the amendment to the ISDA 2000 Definitions or the ISDA 2006 Definitions may take effect so as to apply to SwapClear Contracts registered in a SwapClear Clearing Member's name at the time such amendment comes into effect if the Clearing House so determines;
- (c) the accidental omission to give notice under this provision to, or the non-receipt of notice under this provision by, any SwapClear Clearing Member or SwapClear Dealer shall not invalidate the amendment with which the notice is concerned.

3.2. Economic and Monetary Union (EMU) Provisions

- 3.2.1. The occurrence or non-occurrence of an event associated with EMU will not have the effect of altering any term of, or discharging or excusing performance under, a SwapClear Contract.
- 3.2.2. For the purposes of this provision events associated with EMU include those set out in the “EMU Continuity Provision” published by ISDA.
- 3.2.3. In addition, in relation to an occurrence of an event associated with EMU, the Clearing House may from time to time, by notice delivered to the SwapClear Clearing Members and SwapClear Dealers, give directions as to changes, if any, to these SwapClear Contract Terms and to its Procedures. Any such notice may provide that the changes to the SwapClear Contract Terms, and / or Procedures, may take effect so as to apply to SwapClear Contracts registered in a SwapClear Clearing Member’s name at the time such amendment comes into effect if the Clearing House so determines.

In the event that such exchange rate should vary for any one or more day at any time during the contract, the Clearing House shall have the right, on the giving of written notice, to terminate this contract forthwith.

3.3. Negative Interest Rates

The “Negative Interest Rate Method” as set out in Article 6.4(b) of the ISDA Definitions, will apply to a SwapClear Contract.

3.4. **Withholding Tax Provisions**

Payments in respect of which such deduction or withholding is required to be made, by the SwapClear Clearing Member, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the Clearing House receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

The Clearing House shall make any payments due to a SwapClear Clearing Member net of any deduction or withholding for or on account of any tax it is required to make from such payments.

3.8. Governing Law

Each SwapClear Contract shall be governed by and construed in accordance with the laws of England and Wales and the parties irrevocably agree for the benefit of the Clearing House that the courts of England and Wales shall have exclusive jurisdiction to hear and determine any action or dispute which may arise here from. The SwapClear Clearing Member party hereto irrevocably submits to such jurisdiction and agrees to waive any objection it might otherwise have to such jurisdiction, save that this submission to the jurisdiction of the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the Clearing House from taking action in any other jurisdiction, whether concurrently or not.

3.9. Third Party Rights

A person who is not a party to this SwapClear Contract shall have no rights under or in respect of it. Rights of third parties to enforce any terms of this SwapClear Contract pursuant to the Contracts (Rights of Third Parties) Act 1999 are expressly excluded.

3.1.2 Business Day Conventions

The Business Day Convention specified in the Economic Terms must be one of the following:

Following (see Article 4.12 (i) of the ISDA 2000 Definitions and Article 4.12 (i) of the ISDA 2006 Definitions for definition)

Modified Following (see Article 4.12 (ii) of the ISDA 2000 Definitions and Article 4.12(ii) of the ISDA 2006 Definitions for definition)

Preceding (see Article 4.12 (iii) of the ISDA 2000 Definitions and Article 4.12 (iii) of the ISDA 2006 Definitions for definition)

For vanilla interest rate swaps with constant notional principal SwapClear does not support trades where a different business day convention is used for:

fixed period end dates and the termination date

float period end dates and the termination date

3.1.3 Minimum and Maximum Residual Term of the Trade (Termination date – Today)

Trades in respect of vanilla interest rate swaps with constant notional principal and variable notional swaps are subject to a minimum and maximum Residual Term on the day they are received by SwapClear.

Minimum Residual Term of trade:

Termination date - Today \geq 1 + currency settlement lag

where currency settlement lag is:

1 day for EUR, USD, GBP and CAD denominated trades

2 days for JPY, CHF, AUD, DKK, HKD, NZD, SEK, NOK, PLN, ZAR, SAD, HUF & CZK denominated trades

Maximum Residual Term of trade:

Termination date - Today \leq 3,670 days for DKK, HKD, NZD, NOK, PLN, ZAR, SAD, HUF & CZK (10 years)

Termination date - Today \leq 10,970 days for AUD, CAD, CHF, JPY & SEK (30 years)

Termination date – Today \leq 18,275 days for GBP, EUR & USD (50 years)

Maximum Residual Term to Maturity for Forward Rate Agreements

The maximum residual term to maturity for forward rate agreements is as follows:

Currency	Maximum Residual Term to Maturity
EUR, JPY, USD	1105 days (3 years)
AUD, CAD, CHF, DKK, NOK, NZD, PLN, SEK, ZAR, CZK, HUF	740 days (2 years)

3.1.4 Designated Maturity

The Designated Maturity must be no less than one month and no more than twelve months. The Clearing House will, excepting stub periods, only accept a Designated Maturity that is a whole calendar month.

3.1.5 Calculation Periods

(See Article 4.13 of the ISDA 2000 Definitions and Article 4.13 of the ISDA 2006 Definitions for definition.)

For vanilla interest rate swaps with constant notional principal and variable notional swaps the Clearing House will only accept non-standard Calculation Periods (“stub periods”) at either the start or end of the contract. Transactions with stub periods at both the start and end of the transaction will not be eligible as SwapClear Transactions.

For variable notional swaps the stub rate should be detailed either as a percentage (i.e. 5.5%), an interpolation (i.e. 1 month/3months) or as a designated maturity (i.e. 1 month). Stub Rates within the Final Stub are calculated via interpolation or as a designated maturity.

For interpolated coupons, payment dates must fall between the rolled dates, according to the Modified Following business day convention, of the specified designated maturities. Where this does not occur and extrapolation would be required, SwapClear will reject the trade.

The minimum stub period of a variable notional swap accepted by SwapClear is 1 + Currency Settlement Lag. The minimum stub rate tenor must be ≥ 1 week for IRS and basis swap and ≥ 1 month for zero coupon swaps.

SwapClear also calculates floating periods subject to 'IMM settlement dates as per ISDA definitions.

For Forward Rate Agreements non standard designated maturities are accepted subject to the following criteria:

Interpolated period:

The maturity date must fall between the rolled dates, according to the business day convention, of the specified designated tenors. Where this does not occur and extrapolation would be required, SwapClear will reject the trade.

SwapClear will interpolate based upon the closest indices for interpolation

Non interpolated period:

SwapClear will only support the closest index tenor to the calculated period.

Regulation 53 Application of RepoClear Regulations

- (a) These RepoClear Regulations, which form part of the Regulations, together with the Regulations referred to in paragraph (b) apply to RepoClear Contracts, RepoClear GC Contracts, RepoClear Clearing Members and, insofar as relevant, to RepoClear Dealers.

- (c) Without prejudice to the Clearing House’s rights under paragraph (f) of this Regulation, a RepoClear Transaction or RepoClear GC Transaction must, in order that it be registered as a RepoClear Contract or RepoClear GC Contract, as the case may be, meet the RepoClear Eligibility Criteria and other requirements as prescribed in the Regulations and the Procedures, at the time when the details (as prescribed from time to time by the Clearing House) of the RepoClear Transaction or RepoClear GC Transaction are presented to the Clearing House and at all times thereafter up to and including Registration Time.

- (f) If at any time after registration of a RepoClear Contract or RepoClear GC Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration did not, at the Registration Time, meet the criteria for registration as a RepoClear Contract or RepoClear GC Contract, the Clearing House shall, as soon as practicable thereafter, set aside each such RepoClear Contract or RepoClear GC Contract. Upon a RepoClear Contract or RepoClear GC Contract, as the case may be, being set aside under this paragraph, the details of the transaction in question shall be deemed never to have been submitted to the Clearing House and such transaction shall remain in effect between the persons party thereto in accordance with any terms agreed between them. Regulation 55 Registration of RepoClear Contracts and RepoClear GC Contracts following Submission of Details of a RepoClear Transaction or RepoClear GC Transaction

- (a) Without prejudice to the Clearing House's rights to effect further novation under Regulation 3(b), details of a RepoClear Transaction or RepoClear GC Transaction presented for registration through an Approved Trade Matching System to, and accepted by, the Clearing House, shall be registered by the Clearing House as two RepoClear Contracts or as two RepoClear GC Contracts, as the case may be, one between the Selling RepoClear Clearing Member and the Clearing House as buyer, as principals to such contract, and the other between the Clearing House as seller and the Buying RepoClear Clearing Member, as principals to such contract. For the purposes of this Regulation:
- (i) "Selling RepoClear Clearing Member" is a RepoClear Clearing Member who was, before registration of the RepoClear Contract or RepoClear GC Contract, party to the corresponding RepoClear Transaction or RepoClear GC Transaction as the seller, or who has a subsisting RepoClear Dealer Clearing Agreement with a RepoClear Dealer who was party to the corresponding RepoClear Transaction or RepoClear GC Transaction, as the case may be, as the seller; and
 - (ii) "Buying RepoClear Clearing Member" is a RepoClear Clearing Member who was, before registration of the RepoClear Contract or RepoClear GC Contract, party to the corresponding RepoClear Transaction or RepoClear GC Transaction as the buyer, or who has a subsisting RepoClear Dealer Clearing Agreement with a RepoClear Dealer who was party to the corresponding RepoClear Transaction or RepoClear GC Transaction, as the case may be, as the buyer.
- (b) With effect from registration of a RepoClear Transaction or RepoClear GC Transaction as two RepoClear Contracts or as two RepoClear GC Contracts, as the case may be under paragraph (a) of this Regulation:
- (i) the parties to the corresponding RepoClear Transaction or RepoClear GC Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;

 - (iv) in respect of the Economic Terms, the Selling RepoClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the RepoClear Contract or RepoClear GC Contract to which it is a party as the selling party had and owed in respect of its counterparty under the corresponding RepoClear Transaction or RepoClear GC Transaction, as the case may be; and
 - (v) in respect of the Economic Terms, the Buying RepoClear Clearing Member shall have the same rights against, and owe the same obligations to, the

Clearing House under the RepoClear Contract or RepoClear GC Contract to which it is party as the buying party had and owed in respect of its counterparty under the corresponding RepoClear Transaction or RepoClear GC Transaction, as the case may be.

In subparagraphs (iv) and (v) above, a reference to the “same” rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding RepoClear Transaction or RepoClear GC Transaction (it being assumed, for this purpose, that such RepoClear Transaction or RepoClear GC Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them and subject to any changes thereto as a result of the operation of the Standard Terms.

- (c) If a RepoClear Transaction or RepoClear GC Transaction, is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration, that revocation, avoidance or invalidity shall not affect any RepoClear Contract or RepoClear GC Contract arising under this Regulation, Regulation 3(b) or Regulation 11.
- (d) The Clearing House may, with the agreement of RepoClear Clearing Members party to corresponding RepoClear Contracts or RepoClear GC Contracts, set aside or take such other steps with respect to such Contracts on such terms as may be agreed if either or both RepoClear Clearing Members consider that they have entered into a Contract in error or have agreed to certain terms of the Contract in error.
- (e) In the case of a RepoClear Contract or RepoClear GC Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 55 shall take effect.

Regulation 56 RepoClear transactions entered into by RepoClear Clearing Members through an Automated Trading System

- (a) This Regulation 56 applies to Repo Trades, Bond Trades and GC Trades made by RepoClear Clearing Members (otherwise than pursuant to Regulation 56A) through an Automated Trading System which such RepoClear Clearing Member is authorised by the Clearing House to use under the Procedures (“an ATS”) either as direct participants in the ATS or indirectly through a participant in the ATS. In the event of any inconsistency between the Regulations (including the terms of any other agreement entered into between the RepoClear Clearing Member and the Clearing House), and the rules, practices, procedures and arrangements of the ATS (“ATS Rules”) the Regulations shall prevail.
- (b) If an “ATS participant” (defined for these purposes as a RepoClear Clearing Member, who is a direct or indirect participant in an ATS) has given notice to the Clearing House, in accordance with the Procedures, that it intends to carry out Repo Trades and/or Bond Trades and/or GC Trades through an ATS specified in its notice and has not withdrawn such notice in accordance with the Procedures, the Clearing House will enter into RepoClear Contracts or RepoClear GC Contracts, as the case may be, with the ATS participant pursuant to such dealings in accordance with and subject to the following provisions of this Regulation. The terms of a registered RepoClear Contract or RepoClear GC Contract shall be as notified to the Clearing House by the ATS and otherwise subject to the Regulations (and the Clearing House and the ATS participant party to the registered RepoClear Contract or RepoClear GC Contract, as the case may be, shall be obliged to perform their obligations thereunder in accordance with such terms).
- (c) The Clearing House makes an open offer to the ATS participant that it shall enter into a RepoClear Contract in respect of any Repo Trade or any Bond Trade or to enter into a RepoClear GC Contract in respect of any GC Trade, in accordance with paragraph (d) or paragraph (e) of this Regulation, as applicable, pursuant to the ATS participant’s dealings through any ATS referred to in paragraph (b), provided that the following requirements (“the RepoClear Open Offer Eligibility Criteria”) shall have been complied with:
- (i) not more than ten minutes have lapsed since the Clearing Membership Agreement to which the ATS participant is party was terminated in accordance with its terms and/or the Clearing House removed its authorisation of that ATS participant to participate in the RepoClear Service;
 - (ii) not more than ten minutes have lapsed since a Default Notice was signed in respect of the ATS participant under rule 3 of the Default Rules (without prejudice to the Clearing House’s rights to register new Contracts (including RepoClear Contracts and RepoClear GC Contracts, whether closing out contracts or otherwise) in the ATS participant’s name under the Default Rules in connection with the Clearing House’s default proceedings);
 - (iii) such dealings satisfy the terms and conditions stated in the Regulations and the Procedures with respect to such dealings (together the “RepoClear Eligibility Criteria for RepoClear Contracts and RepoClear GC Contracts”) and the offers made in this Regulation 56, including the terms of any Contract which would arise under paragraph (d) or (e) and all necessary details as required by the Clearing House, shall have been provided to the Clearing House;

- (iv) the dealings are recognised by the relevant ATS as satisfying the RepoClear Eligibility Criteria for a RepoClear Contract or RepoClear GC Contract and as dealings which the parties thereto have identified are to be registered by the Clearing House as RepoClear Contracts or RepoClear GC Contracts, as applicable;
 - (v) the ATS participant has executed such agreements or documents as may be required by the Clearing House from time to time in connection herewith; and
 - (vi) all or any conditions imposed by the Clearing House have been satisfied.
- (d) If particulars with respect to (i) a Repo Trade; (ii) a Bond Trade or (iii) a GC Trade which satisfy the relevant RepoClear Open Offer Eligibility Criteria have been input into the relevant ATS by or on behalf of an ATS participant as seller and have been matched by, or in accordance with the ATS Rules with particulars with respect to a Repo Trade, Bond Trade or GC Trade, on such terms input into such ATS by another ATS participant as buyer, and the relevant RepoClear Open Offer Eligibility Criteria have been satisfied, two RepoClear Contracts or RepoClear GC Contracts, as the case may be, shall arise immediately on the matching of such details as follows (provided that, if the selling ATS participant has not identified all relevant details required by the Clearing House in respect of the securities to be delivered by him under a transaction other than for a RepoClear GC Trade, the RepoClear Open Offer Eligibility Criteria will only be satisfied on his identifying all such relevant details in accordance with the ATS Rules and the two RepoClear Contracts shall arise immediately on such details being identified provided always that the other RepoClear Open Offer Eligibility Criteria are also satisfied at the time of such details being so provided). The Clearing House shall be the buyer under one RepoClear Contract or RepoClear GC Contract (as the case may be) to the selling ATS participant, and the seller under the second RepoClear Contract or relevant RepoClear GC Contract, as the case may be to the buying ATS participant.
- (e) If particulars with respect to (i) a Repo Trade; (ii) a Bond Trade or (iii) a GC Trade, which satisfy the relevant RepoClear Open Offer Eligibility Criteria have been input into the relevant ATS by or on behalf of an ATS participant as buyer and have been matched by, or in accordance with the ATS Rules with particulars with respect to a Repo Trade, Bond Trade or GC Trade, on such terms input into such ATS by another ATS participant as seller and the RepoClear Open Offer Eligibility Criteria have been satisfied, two RepoClear Contracts or two RepoClear GC Contracts, as the case may be, shall arise immediately on the matching of such details as follows (provided that, if the selling ATS participant has not identified all relevant details required by the Clearing House in respect of the securities to be delivered by him under a transaction other than for a RepoClear GC Trade, the RepoClear Open Offer Eligibility Criteria will only be satisfied on his identifying all such relevant details in accordance with the ATS Rules and the two RepoClear Contracts shall arise immediately on such details being identified provided always that the other RepoClear Open Offer Eligibility Criteria are also satisfied at the time of such details being so provided). The Clearing House shall be the seller under one RepoClear Contract or RepoClear GC Contract, as the case may be, to the buying ATS participant, and the buyer under the second RepoClear Contract or RepoClear GC Contract (as the case may be) to the selling ATS participant.
- (f) RepoClear Contracts or RepoClear GC Contracts entered into by the Clearing House under paragraph (d) or (e), as applicable, with RepoClear Clearing Members, shall be registered in the name of each RepoClear Clearing Member following receipt of the details required by the Clearing House of such Contracts from the operator of the relevant ATS.

- (g) If the details required by the Clearing House of RepoClear Contracts or RepoClear GC Contracts arising under paragraph (d) or (e) are not provided to the Clearing House by the operator of the relevant ATS in accordance with the terms of an agreement entered into between the Clearing House and the ATS operator by the time required by the Clearing House from time to time, neither the Clearing House nor the RepoClear Clearing Member party thereto shall be obliged to perform their respective obligations under the RepoClear Contracts or RepoClear GC Contracts, as the case may be arising under paragraph (d) or (e), as applicable. If the Clearing House receives such details after such time from such operator or in accordance with any directions issued by the Clearing House to the affected RepoClear Clearing Member, or any other RepoClear Participant, such RepoClear Contracts or RepoClear GC Contracts shall be performed in accordance with any directions given by the Clearing House which may, without limitation, impose a change to the terms of an affected RepoClear Contract or RepoClear GC Contract. Any directions given by the Clearing House under this paragraph (g) shall be binding on all affected RepoClear Participants.

In the event of any inconsistency between the Regulations, (including the RepoClear Dealer Clearing Agreement and the terms of any other agreement entered into between the RepoClear Dealer, the RepoClear Clearing Member and the Clearing House, or any of them) and relevant ATS Rules, the Regulations shall prevail.
- (b) If an “ATS participant” (defined for these purposes as a RepoClear Dealer who is a direct or indirect participant in an ATS), has given notice to the Clearing House in accordance with the Procedures, that it intends to carry out Repo Trades and/or Bond Trades and/or GC Trades through an ATS and has not withdrawn such notice in accordance with the Procedures, the Clearing House will enter into RepoClear Contracts or RepoClear GC Contracts, as the case may be, with the RepoClear Clearing Member of the ATS participant pursuant to such dealings in accordance with and subject to the following provisions of this Regulation. The terms of a registered RepoClear Contract or RepoClear GC Contract shall be as notified to the Clearing House by the ATS and otherwise subject to the Regulations (and the Clearing House and the RepoClear Clearing Member party to the registered RepoClear Contract or RepoClear GC Contract, as the case may be, shall be obliged to perform their obligations thereunder in accordance with such terms).
- (c) The Clearing House makes an open offer to the RepoClear Clearing Member of the ATS participant to enter into a RepoClear Contract in respect of any Repo Trade or any Bond Trade or to enter into a RepoClear GC Contract in respect of any GC Trade in accordance with paragraph (d) or paragraph (e) of this Regulation, as applicable, pursuant to the ATS participant’s dealings through any ATS referred to in paragraph (b), provided that the following requirements (“the RepoClear Open Offer Eligibility Criteria”) shall have been complied with:

 - (iv) such dealings satisfy the terms and conditions stated in the Regulations and the Procedures with respect to such dealings (the “RepoClear Eligibility Criteria for a RepoClear Contract or RepoClear GC Contracts”) and the offers made in this Regulation 56A, including the terms of any contract which would arise under paragraph (d) or (e) and all necessary details as required by the Clearing House shall have been provided to the Clearing House;
 - (v) the dealings are recognised by the relevant authorised ATS as satisfying the RepoClear Eligibility Criteria for a RepoClear Contract or RepoClear GC

Contract and as dealings which the parties thereto have identified are to be registered by the Clearing House as RepoClear Contracts or RepoClear GC Contracts, as applicable;

- (vi) the RepoClear Clearing Member or the ATS participant as agent for the RepoClear Clearing Member has executed such agreements or documents as may be required by the Clearing House from time to time in connection herewith or the RepoClear Dealer Clearing Agreement; and
 - (vii) all or any conditions imposed by the Clearing House have been satisfied.
- (d) If particulars with respect to (i) a Repo Trade; (ii) a Bond Trade or (iii) a GC Trade which satisfy the RepoClear Open Offer Eligibility Criteria have been input in to the relevant authorised ATS by or on behalf of an ATS participant as seller and have been matched by, or in accordance with the ATS Rules with particulars with respect to a Repo Trade, Bond Trade, or GC Trade on such terms input into such ATS by another ATS participant as buyer, and the RepoClear Open Offer Eligibility Criteria have been satisfied, two RepoClear Contracts or two RepoClear GC Contracts, as the case may be, shall arise immediately on the matching of such details as follows (provided that, if the selling ATS participant has not identified all relevant details required by the Clearing House in respect of the securities to be delivered by him under a transaction other than for a RepoClear GC Trade, the RepoClear Open Offer Eligibility Criteria will only be satisfied on his identifying all such relevant details in accordance with the ATS Rules and the two RepoClear Contracts shall arise immediately on such details being identified provided always that the other RepoClear Open Offer Eligibility Criteria are also satisfied at the time of such details being so provided). The Clearing House shall be the buyer under one RepoClear Contract or RepoClear GC Contract, as the case may be, to the RepoClear Clearing Member of the selling ATS participant, and the seller under the second RepoClear Contract or RepoClear GC Contract, as the case may be, to the RepoClear Clearing Member of the buying ATS participant.
- (e) If particulars in respect of (i) a Repo Trade; (ii) a Bond Trade or (iii) a GC Trade, which satisfy the RepoClear Open Offer Eligibility Criteria have been input into the relevant ATS by or on behalf of an ATS participant as buyer and have been matched by, or in accordance with the ATS Rules with particulars in respect of a Repo Trade, Bond Trade or GC Trade (as the case may be), on such terms input into such ATS by another ATS participant as seller and the RepoClear Open Offer Eligibility Criteria have been satisfied, two RepoClear Contracts or two RepoClear GC Contracts, as the case may be, shall arise immediately on the matching of such details as follows (provided that, if the selling ATS participant has not identified all relevant details required by the Clearing House in respect of the securities to be delivered by him under a transaction other than for a RepoClear GC Trade, the RepoClear Open Offer Eligibility Criteria will only be satisfied on his identifying all such relevant details in accordance with the ATS Rules and the two RepoClear Contracts shall arise immediately on such details being identified provided always that the other RepoClear Open Offer Eligibility Criteria are also satisfied at the time of such details being so provided). The Clearing House shall be the seller under one RepoClear Contract or RepoClear GC Contract (as the case may be) to the RepoClear Clearing Member of the buying ATS participant, and the buyer under the second RepoClear Contract or RepoClear GC Contract (as the case may be) to the RepoClear Clearing Member of the selling ATS participant.
- (f) RepoClear Contracts or RepoClear GC Contracts entered into by the Clearing House under paragraph (d) or (e), as applicable, with RepoClear Clearing Members, shall be registered in the name of each RepoClear Clearing Member following receipt of the

details required by the Clearing House of such contracts from the operator of the relevant ATS.

- (g) If the details required by the Clearing House of RepoClear Contracts or RepoClear GC Contracts arising under paragraph (d) or (e) are not provided to the Clearing House by the operator of the relevant ATS in accordance with the terms of an agreement entered into between the Clearing House and the ATS operator by the time required by the Clearing House from time to time, neither the Clearing House nor the RepoClear Clearing Member party thereto shall be obliged to perform their respective obligations under the RepoClear Contracts or RepoClear GC Contracts arising under paragraph (d) or (e), as applicable. If the Clearing House receives such details after such time from such operator or in accordance with any directions issued by the Clearing House to the affected RepoClear Clearing Member, or any other RepoClear participant, such RepoClear Contracts or RepoClear GC Contracts shall be performed in accordance with any directions given by the Clearing House which may, without limitation, impose a change to the terms of an affected RepoClear Contract or RepoClear GC Contract. Any directions given by the Clearing House under this paragraph (g) shall be binding on all affected RepoClear Participants.
- (h) The Clearing House undertakes to keep open the offer made by it in this Regulation 56A in respect of Repo Trades, Bond Trades or GC Trades meeting the RepoClear Open Offer Eligibility Criteria until each authorised ATS referred to in paragraph (b) has removed from the ATS participant the ability to submit Repo Trades or Bond Trades or GC Trades for registration with the Clearing House.
- (i) Without prejudice to Regulation 39A, the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall not be liable to any RepoClear Clearing Member or anyone else for any loss, cost, damage or expense of whatsoever nature suffered or incurred by it or them in respect of any RepoClear Contract or any RepoClear GC Contract arising under paragraph (d) or (e) if the Clearing House does not receive the relevant details referred to in paragraph (g) by the time referred to in such paragraph (g) in respect of such RepoClear Contract or RepoClear GC Contract.
- (j) Notwithstanding the provisions of paragraph (c), if the Clearing House receives details of a trade from an ATS specified by an ATS participant by notice given under paragraph (b) and which notice has not been withdrawn and the details of the trade purportedly meet the relevant RepoClear Open Offer Eligibility Criteria in paragraph (c), the RepoClear Clearing Member of the relevant ATS participant shall be bound by any RepoClear Contract or RepoClear GC Contract registered in his name in respect of such trade and the terms of such registered RepoClear Contract or RepoClear GC Contract shall be as set out in paragraph (b).
- (k) Without prejudice to paragraph (i), the Clearing House may with the agreement of RepoClear Clearing Members party to corresponding RepoClear Contracts or RepoClear GC Contracts, set aside or take such other steps with respect to such contracts on such terms as may be agreed if either or both RepoClear Clearing Members consider that they have entered into a contract in error or that certain terms of the contract have been agreed by their respective ATS participants in error.
- (l) In the event of a dispute arising out of, or in respect of, the existence of a trade, or whether it was identified to the ATS by the ATS participants (as defined above) as a trade to be registered by the Clearing House as a RepoClear Contract or RepoClear GC Contract, such dispute shall be settled as provided for in the ATS Rules, without

recourse to the Clearing House. In respect of a dispute arising out of, or in respect of, a registered RepoClear Contract or RepoClear GC Contract, other than a dispute in respect of a matter referred to above as a dispute to be settled as provided for in the ATS Rules, such disputes shall be settled as provided in the Regulations.

A Clearing Member may be authorised as eligible to become party to certain RepoClear Contracts or RepoClear GC Contracts and not others.
- (c) The withdrawal or suspension of a Member's authorisation referred to in paragraph (a) shall not, of itself, affect its membership of the Clearing House, or its entitlement (if any) to become party to RepoClear Contracts or RepoClear GC Contracts which are not caught by the withdrawal or suspension of such authorisation.
- (d) Where a Default Notice is served in accordance with these Regulations, or the Clearing Membership Agreement of a RepoClear Clearing Member is terminated, the service of such notice or the termination of such Clearing Membership Agreement, as the case may be, shall automatically withdraw the authorisation of that Member to be a RepoClear Clearing Member.
- (e) Without prejudice to paragraph (d) of this Regulation, the Clearing House shall suspend the authorisation referred to in paragraph (a) of any Member who is no longer otherwise eligible to have RepoClear Contracts and/or RepoClear GC Contracts registered in its name for such period as the Clearing House may determine.
- (f) If a Member's authorisation to act as RepoClear Member is withdrawn, or is withdrawn with respect to some but not all RepoClear Contracts and RepoClear GC Contracts, those RepoClear Contracts or RepoClear GC Contracts which the Member is no longer eligible to clear with the Clearing House shall be closed-out in accordance with directions given by the Clearing House.

Payment of cash cover shall be made in accordance with and by the time or times stated in the Procedures.
- (d) Interest shall be paid by the Clearing House on cash cover paid to the Clearing House by such RepoClear Member and shall be calculated on the basis set out in the Procedures. - (c) If, at the RepoClear Withdrawal Date, a RepoClear Clearing Member has open Contracts, being RepoClear Contracts and/or RepoClear GC Contracts, registered in its name, the Clearing House shall, at its sole discretion, be entitled to liquidate any such RepoClear Contracts and/or RepoClear GC Contracts and effect cash settlement in respect of them with the RepoClear Clearing Member.

 - (ii) the Clearing House shall be the buyer under one EquityClear (Equities) Contract to the selling EquityClear Clearing Member.
- (g) In respect of an EquityClear Mixed Member Match which is at EquityClear (Equities) ATP Match, where Trading Platform Particulars submitted by, or on behalf of, an EquityClear Clearing Member to the relevant ATP have been matched, in accordance with the ATP Market Rules, with Trading Platform Particulars submitted by, or on behalf of, a member of a relevant Co-operating Clearing House, the Clearing House shall, on receipt of details of such EquityClear (Equities) ATP Match through the ATP (or by such other means) and subject to the EquityClear (Equities) Open Offer Eligibility Criteria having been met with respect to such EquityClear Clearing Member and the relevant Co-operating Clearing House being party to a valid and subsisting agreement with the Clearing House for the co-clearing of EquityClear Mixed Member Matches, register Contracts in the name of the EquityClear Clearing Member and in the name of the relevant Co-operating Clearing House as follows:

- (h) EquityClear (Equities) Contracts entered into by the Clearing House under paragraphs (e) to (g), as applicable, with EquityClear Clearing Members, shall be registered in the name of each EquityClear Clearing Member following receipt by the Clearing House of the details required by the Clearing House of such Contracts, such details to be made available to the Clearing House by the operator of the relevant ATP or the relevant approved agent, as applicable (in accordance with the arrangements made between the Clearing House and such ATP or approved agent from time to time).
- (i) If the details of EquityClear (Equities) Contracts arising under paragraphs (e) to (g) required by the Clearing House are not made available to the Clearing House by the operator of the relevant ATP or the relevant approved agent, as applicable, as required by the Clearing House in accordance with the Clearing House's requirements, by the time prescribed by the Clearing House from time to time, or the Clearing House is not able to access such details the Clearing House may decree that neither the Clearing House nor the EquityClear Clearing Member party thereto shall be obliged to perform their respective obligations under the EquityClear (Equities) Contracts arising under paragraphs (e) to (g), as applicable. If the Clearing House so decrees, the Clearing House shall issue directions to the affected EquityClear Clearing Members and such EquityClear (Equities) Contracts shall be performed in accordance with any such directions given by the Clearing House which may, without limitation, impose a change to the terms of an affected EquityClear (Equities) Contract. Any directions given by the Clearing House under this paragraph (i) shall be binding on all affected EquityClear Clearing Members.
- (j) Subject to its rights to suspend the EquityClear (Equities) Open Offer and/or the EquityClear service generally or in respect of one or more ATPs and/or one or more EquityClear NCMs, or to withdraw the EquityClear service in whole or in part, as set out in an Approved EquityClear Clearing Agreement, these Regulations or the Procedures, the Clearing House undertakes to keep open the offer made by it in this Regulation 62A until such EquityClear Clearing Member is no longer eligible to have EquityClear (Equities) Contracts registered in its name or has withdrawn from trading through each ATP notified to the Clearing House under paragraph (b). Any such intended withdrawal from trading through an ATP must be notified to the Clearing House in accordance with the Procedures.
- (k) Without prejudice to Regulation 39A, the Clearing House shall not be liable to any EquityClear Clearing Member (or anyone else, including but not limited to any EquityClear NCM), for any loss, cost, damage or expense of whatsoever nature suffered or incurred by it or them in respect of any EquityClear (Equities) Contract arising under paragraphs (e) to (g) if the Clearing House does not receive the relevant details referred to in paragraph (i) by the time referred to in such paragraph (i) in respect of such EquityClear (Equities) Contract and has not pursuant to paragraph (i) performed its obligations under any such contract.
- (l) Notwithstanding the provisions of paragraph (c), if the Clearing House or its approved agent receives details of an EquityClear (Equities) ATP Match in respect of an

EquityClear Clearing Member from an ATP specified by the EquityClear Clearing Member by notice given under paragraph (b) and which has not been withdrawn in respect of that ATP, and the details of the EquityClear (Equities) ATP Match purportedly meet the relevant EquityClear (Equities) Open Offer Eligibility Criteria in paragraph (c) the EquityClear Clearing Member shall be bound by any EquityClear (Equities) Contract registered in his name in respect of such EquityClear (Equities) ATP Match and the terms of such registered EquityClear (Equities) Contract shall be as set out in paragraph (b).

- (m) Without prejudice to paragraph (l), the Clearing House may with the agreement of each EquityClear Clearing Member party to any corresponding EquityClear (Equities) Contract and the relevant ATP, set aside or take such other steps with respect to such Contracts on such terms as may be agreed between each such EquityClear Clearing Member and the Clearing House, if any such EquityClear Clearing Member considers that a Contract has been entered into in error or certain terms of the Contract have been agreed in error.

Where the relevant ATP Market Rules do not include relevant arbitration provisions, or the application of such arbitration provisions to EquityClear (Equities) Contracts is disapplied in these Regulations or the Procedures, a dispute arising out of, or in respect of, such registered

EquityClear (Equities) Contracts, or in relation to these Regulations relating to the clearing of such EquityClear (Equities) Contracts, shall be settled in accordance with the Regulations and the Procedures, as applicable.

- (o) Without prejudice to the generality of Regulation 39 or any other provision of the Regulations or Procedures concerning liability of the Clearing House or a Member, any liability of the Clearing House (and each other member of the LCH.Clearent Group and their respective officers, employees and agents) to a Member or to any other person (including, without limitation, any client of a Member) which might otherwise arise in connection with the EquityClear service shall, if and to the extent such liability arises out of any act or omission of any third party upon whom the Clearing House is reliant in any material respect in its provision of the EquityClear service (including, without limitation, an Approved EquityClear Trading Platform, Approved EquityClear Settlement Provider, a Co-operating Clearing House or any provider of transaction routing functionality), be limited to such amounts as the Clearing House is entitled to recover and is successful in recovering from that third party in respect of that party's acts and/or omissions.

- (iii) all necessary details as required by the Clearing House from time to time in respect of the EquityClear Novation Transaction shall have been provided to the Clearing House or its approved agent in the form, and by the times, prescribed by the Clearing House from time to time. - (viii) in the case of an EquityClear Novation Transaction which is an EquityClear Mixed Member Match:
 - (1) the eligibility criteria (howsoever defined) of the relevant Co-operating Clearing House in respect of such EquityClear Novation Transaction have been satisfied and the relevant Co-operating Clearing House has not declined to register, rejected, cancelled, avoided or terminated such EquityClear Novation Transaction or any contract between the Co-operating Clearing House and its member arising out of it; and
 - (2) a balancing contract is deemed to arise between the Clearing House and the relevant Co-operating Clearing House in respect of such EquityClear Novation Transaction pursuant to the agreement in place between them in relation to the co-clearing of the relevant ATP and such balancing contract has not been rejected, cancelled, avoided or terminated for any reason; and
 - (3) at the relevant times and up to and including the time at which the Clearing House or its relevant approved agent receives the details referred to under sub-paragraph (v) of this paragraph (c), neither of the Clearing House or the relevant Co-operating Clearing House has been declared a defaulter by the other, by default notice or otherwise.

- (d) The Clearing House shall be deemed to register an EquityClear (Equities) Contract and/or EquityClear (ccCFD) Contract, as the case may be, in accordance with Regulation 62B, in the name of an EquityClear Clearing Member at the time prescribed in the Procedures ("Registration Time").

- (f) If at any time after registration of an EquityClear (Equities) Contract and EquityClear (ccCFD) Contract, as the case may be the Clearing House determines that the EquityClear Novation Transaction did not, at the Registration Time, meet the eligibility criteria for registration as an EquityClear (Equities) Contract or an EquityClear (ccCFD) Contract, as the case may be, the Clearing House shall, as soon as practicable thereafter, set aside such EquityClear (Equities) Contract or EquityClear (ccCFD) Contract. Upon an EquityClear (Equities) Contract or EquityClear (ccCFD) Contract being set aside under this Regulation 62B, the particulars of the transaction in question shall be deemed never to have been submitted to the Clearing House and such transaction shall remain in effect between the original parties to that transaction or be terminated, as the case may be, in accordance with any terms agreed between the parties thereto (directly or by virtue of the application of the relevant ATP Market Rules). Any payment made under, or in respect of, an EquityClear (Equities) Contract or EquityClear (ccCFD) Contract set aside under this paragraph shall be repayable to the person who made the payment. Without prejudice to Regulation 39 and its obligations under this Regulation 62B, the Clearing House (and each other of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of an EquityClear (Equities) Contract or EquityClear (ccCFD) Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as an EquityClear (Equities) Contract or EquityClear (ccCFD) Contract .
- (g) Without prejudice to the Clearing House's rights to effect further novation under Regulation 3(b), particulars of an EquityClear Novation Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House in accordance with the Procedures as two EquityClear (Equities) Contracts or two EquityClear (ccCFD) Contracts, as the case may be, in each case, one between the First EquityClear Clearing Member being the seller and the Clearing House as the buyer as principals to such contract, and the other between the Clearing House as the seller and the Second EquityClear Clearing Member being the buyer as principals to such contract. For the purposes of this Regulation 62B(g):
- (i) "First EquityClear Clearing Member" is an EquityClear Clearing Member who was, before registration of the EquityClear (Equities) Contract or EquityClear (ccCFD) Contract, as applicable, identified in the particulars of the corresponding EquityClear Novation Transaction as, or as acting as clearing member for, the seller;

- (ii) "Second EquityClear Clearing Member" is an EquityClear Clearing Member who was, before registration of the EquityClear (Equities) Contract or EquityClear (ccCFD) Contract, as applicable, identified in the particulars of the corresponding EquityClear Novation Transaction as, or as acting as clearing member for, the buyer.

In the case of an EquityClear Novation Transaction which is an EquityClear Mixed Member Match.

The Clearing House shall, on receipt of details of such EquityClear Novation Transaction and subject to Regulation 62B(c) having been met with respect to such EquityClear Novation Transaction and the relevant Co-operating Clearing House being party to a valid and subsisting agreement with the Clearing House for the co-clearing of EquityClear Mixed Member Matches, register Contracts in the name of the EquityClear Clearing Member and in the name of the relevant Co-operating Clearing House as follows:

- (1) where the EquityClear Clearing Member is identified in the EquityClear Novation Transaction as the buyer, (A) the Clearing House shall be the seller under an EquityClear (Equities) Contract with the EquityClear Clearing Member as buyer; and (B) the Clearing House shall be the buyer under a Contract with the Co-operating Clearing House as seller; and
 - (2) where the EquityClear Clearing Member is identified in the EquityClear Novation Transaction as the seller, (A) the Clearing House shall be the buyer under an EquityClear (Equities) Contract with the EquityClear Clearing Member as seller; and (B) the Clearing House shall be the seller under a Contract with the Co-operating Clearing House as buyer.
- (h) With effect from registration of an EquityClear Novation Transaction as two EquityClear (Equities) Contracts or EquityClear (ccCFD) Contracts, as the case may be under paragraph (g) of this Regulation:
- (i) the parties to the corresponding EquityClear Novation Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;
 - (ii) each EquityClear (Equities) Contract or EquityClear (ccCFD) Contract registered under paragraph (g) of this Regulation 62B shall be governed by the relevant EquityClear (Equities) Contract Terms or EquityClear (ccCFD) Contract Terms as applicable to that Contract and the General Regulations and Procedures.
 - (iii) subject always to sub-paragraph (ii) above, in respect of the Economic Terms, the First EquityClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the respective EquityClear (Equities) Contract or EquityClear (ccCFD) Contract Terms to which it is a party as the party which is identified in the particulars of the corresponding EquityClear Novation Transaction as, or as acting as clearing member for, the seller; and
 - (iv) subject always to sub-paragraph (ii) above, in respect of the Economic Terms, the Second EquityClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the respective EquityClear (Equities) Contract or EquityClear (ccCFD) Contract, as applicable to which it is a party as the party which is identified in the particulars of the

corresponding EquityClear Novation Transaction as, or as acting as clearing member for, the buyer.

In subparagraphs (iii) and (iv) above, a reference to the “same” rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding EquityClear Novation Transaction (it being assumed, for this purpose, that such EquityClear Novation Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the EquityClear (Equities) Contract Terms or EquityClear (ccCFD) Contract Terms, as applicable.

If an EquityClear Novation Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any EquityClear (Equities) Contract arising under this Regulation or Regulation 3(b).

In the case of an EquityClear (Equities) Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 62B shall take effect.

- (c) A HKMEx Service Clearing Member shall not allow the submission for registration of a transaction which is not a HKMEx Transaction.
- (d) The Clearing House may require HKMEx Transactions presented for registration in the name of a HKMEx Service Clearing Member to be confirmed by or on behalf of such Member, in which case it shall specify the manner, form and time of such confirmation in the Procedures.
- (e) A HKMEx Transaction may, subject to the Procedures or HKMEx's Rules (as may be the case), be allocated (or reallocated) by or on behalf of a HKMEx Service Clearing Member to another HKMEx Service Clearing Member in such manner and form and by such time as may be prescribed by the Procedures.
- (f) Where a HKMEx Transaction is allocated (or reallocated) to a HKMEx Service Clearing Member, then unless the Clearing House receives confirmation of the acceptance of the allocation of such contract from the HKMEx Service Clearing Member to whom such contract is being allocated (or reallocated) within the relevant time prescribed by the Procedures, the Clearing House shall register such HKMEx Transaction in the name of the HKMEx Service Clearing Member who sought to allocate the HKMEx Transaction.
- (g) Notwithstanding paragraph (f) of this Regulation, a HKMEx Service Clearing Member may from time to time agree in writing with the Clearing House that he shall accept for registration in his name any HKMEx Transaction allocated to him.
- (h) The Clearing House may decline to register a HKMEx Transaction in the name of a HKMEx Service Clearing Member where it considers such action advisable for its own protection or the protection of the relevant market. The Clearing House may, without assigning any reason, make the registration of any HKMEx Transaction subject to any conditions stipulated by the Clearing House including, without limitation, the furnishing of cover for margin by both HKMEx Service Clearing Members in whose name any such HKMEx Transaction is to be registered.
- (i) Without prejudice to the Clearing House's rights under paragraph (k) of this Regulation, a HKMEx Service Clearing Member shall be bound by a HKMEx Contract registered in its name pursuant to the presentation of particulars of a HKMEx Transaction.
- (j) The Clearing House shall be deemed to register a HKMEx Contract in relation to a HKMEx Transaction in the name of a HKMEx Service Clearing Member at the Registration Time for that type of HKMEx Contract in accordance with Regulation 90.

- (k) For the avoidance of doubt, any transaction of which details have been submitted by HKMEx Participants for registration as HKMEx Contracts which is not so registered shall remain in effect or be terminated, as the case may be, according to any terms agreed between the parties thereto (directly or by virtue of their common participation or membership of the HKMEx Trading System through or on which the transaction was executed or by which it was registered), and the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no obligations or liability in relation thereto.
- (l) If at any time after registration of a HKMEx Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration was not a HKMEx Transaction or did not, at the Registration Time, meet the eligibility criteria for registration as a HKMEx Contract, the Clearing House shall, as soon as practicable thereafter, set aside each such HKMEx Contract. Upon the purported HKMEx Contract being set aside under this Regulation 89(l), the particulars of the transaction in question shall be deemed never to have been registered. Any payment made under, or in respect of, a HKMEx Contract set aside under this paragraph shall be repayable to the person who made the payment. Without prejudice to Regulation 39 and its obligations under this Regulation 89(l), the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of a contract as a HKMEx Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as a HKMEx Contract.

Regulation 90 HKMEx Contracts

- (a) A HKMEx Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House as two HKMEx Contracts, one between the First HKMEx Service Clearing Member as the seller and the Clearing House as the buyer as principals to such contract, and the other between the Clearing House as the seller and the Second HKMEx Service Clearing Member as the buyer (as the case may be) as principals to such contract. For the purposes of this Regulation:
- (i) "First HKMEx Service Clearing Member" is a HKMEx Service Clearing Member who was, before registration of the HKMEx Contract, party to the corresponding HKMEx Transaction as the seller;
 - (ii) "Second HKMEx Service Clearing Member" is a HKMEx Service Clearing Member who was, before registration of the HKMEx Contract, party to the corresponding HKMEx Transaction as the buyer.
- (b) With effect from registration of a HKMEx Transaction as two HKMEx Contracts under paragraph (a) of this Regulation:
- (i) the parties to the corresponding HKMEx Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;
 - (ii) each HKMEx Contract registered under paragraph (a) of this Regulation shall be governed by the relevant HKMEx Contract Terms applicable to that HKMEx Contract;
 - (iii) subject always to sub-paragraph (ii) above, the First HKMEx Service Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the HKMEx Contract to which it is a party as the seller had and owed in respect of its counterparty under the corresponding HKMEx Transaction; and
 - (iv) subject always to sub-paragraph (ii) above, the Second HKMEx Service Clearing Member shall have the same rights against, and owe the same obligations to the Clearing House under the HKMEx Contract to which it is party as the buyer had and owed in respect of its counterparty under the corresponding HKMEx Transaction.

In sub-paragraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the corresponding HKMEx Transaction (it being assumed, for this purpose, that such HKMEx Transaction was a legal, valid, binding and enforceable obligation of the parties thereto), notwithstanding the change in the person entitled to them or obliged to perform them.

- (c) If a HKMEx Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any HKMEx Contract unless otherwise determined by the Clearing House.
- (d) In the case of a HKMEx Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 90 shall take effect.

Regulation 91 Daily Settlement or Marking to Market

- (a) Where the Procedures so provide, the Clearing House may effect the daily settlement to market or daily marking to market of those open HKMEx Contracts in accordance with the Procedures. Daily settlement to market shall not apply to such open HKMEx Contracts which are for the account of a HKMEx Service Clearing Member's client accounts.
- (b) The Clearing House shall, in accordance with the Procedures, in respect of each open HKMEx Contract in a HKMEx Service Clearing Member's name which is subject to daily settlement to market or daily marking to market, effect and register a settlement contract, being a contract on the same terms (except as to price or premium) including the strike price where applicable as the open HKMEx Contract, save that where a HKMEx Service Clearing Member is the seller under the terms of the open HKMEx Contract that HKMEx Service Clearing Member shall be the buyer under the terms of the settlement contract and vice-versa, such settlement contract to be effected in accordance with the Procedures at the relevant HKMEx Reference Price for that day. The Clearing House shall thereupon settle each open HKMEx Contract against the respective settlement contract in accordance with the Procedures.
- (c) The Clearing House shall, upon completion of the procedure set out in paragraph (b) above, calculate the daily settlement amounts in accordance with the Procedures and shall thereafter make up the HKMEx Service Clearing Member's account and upon the Clearing House so doing, that HKMEx Service Clearing Member and the Clearing House shall (unless otherwise agreed) settle any daily settlement amounts arising as follows:
- (i) any profit arising to a HKMEx Service Clearing Member shall be credited to the applicable account and, subject to the Clearing House's right to retain such profit pursuant to these Regulations, such profit shall be paid to that HKMEx Service Clearing Member on that HKMEx Service Clearing Member's request; and
 - (ii) any loss arising to a HKMEx Service Clearing Member shall be debited to the applicable account of that HKMEx Service Clearing Member and (subject to these Regulations) that HKMEx Service Clearing Member shall pay the amount of such loss to the Clearing House forthwith on demand.
- (d) The Clearing House shall, upon completion of the calculation of daily settlement amounts pursuant to paragraph (c) above in the manner prescribed by the Procedures:
- (i) in respect of those open HKMEx Contracts in a HKMEx Service Clearing Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily settlement to market, register at the relevant HKMEx Reference Price referred to in the Procedures, HKMEx Contracts in that HKMEx Service Clearing Member's name as open HKMEx Contracts on the same terms (except as to price or premium) including the strike price where applicable, as the settled open HKMEx Contracts, save that no HKMEx Contract for the purchase and no contract for the sale of the same commodity, for the same delivery month, or expiry month and price, shall be registered in that HKMEx Service Clearing Member's name;
 - (ii) in respect of those open HKMEx Contracts in a HKMEx Service Clearing Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily marking to market as prescribed by the Procedures, register at the relevant HKMEx Reference Price referred to in the Procedures,

HKMEx Contracts in the HKMEx Service Clearing Member's name as open HKMEx Contracts on the same terms (except as to price or premium) including the strike price, where applicable, as the settled open HKMEx Contracts.

- (e) A HKMEx Service Clearing Member may, in respect of all open HKMEx Contracts in his name which are subject to daily marking to market, request the Clearing House within the time and in the manner prescribed by the Procedures, to settle such HKMEx Contracts being the same number of contracts for the purchase and sale of the same commodity for the same delivery month or, where applicable, for the same expiry month and strike price. Such a request, once made, shall be irrevocable unless the Clearing House otherwise consents. Where such a request is made, the Clearing House shall as soon as practicable after the close of trading on that market day (but not necessarily on that day, and provided documentation has been supplied by the Member in accordance with the Procedures) make up the HKMEx Service Clearing Member's account.
- (f) In respect of those open HKMEx Contracts of which settlement might have been requested by a HKMEx Service Clearing Member under paragraph (e) above, the Clearing House may, if no request for settlement has been received by the cessation of trading for the delivery month applicable to those HKMEx Contracts, at any time thereafter proceed as if settlement had been requested and make up and render the HKMEx Service Clearing Member's accounts accordingly.

In sub-paragraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the corresponding Nodal Transaction (it being assumed, for this purpose, that such Nodal Transaction was a legal, valid, binding and enforceable obligation of the parties thereto), notwithstanding the change in the person entitled to them or obliged to perform them.

- (c) If a Nodal Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any Nodal Contract unless otherwise determined by the Clearing House.

The Clearing House shall thereupon settle each open Nodal Contract against the respective settlement contract in accordance with the Procedures.
- (c) The Clearing House shall, upon completion of the procedure set out in paragraph (b) above, calculate the daily settlement amounts in accordance with the Procedures and shall thereafter make up the Nodal Service Clearing Member's account and upon the Clearing House so doing, that Nodal Service Clearing Member and the Clearing House shall (unless otherwise agreed) settle any daily settlement amounts arising as follows:

Contracts on the same terms (except as to price or premium) including the strike price, where applicable, as the settled open Nodal Contracts.

- (e) A Nodal Service Clearing Member may, in respect of all open Nodal Contracts in his name which are subject to daily marking to market, request the Clearing House within the time and in the manner prescribed by the Procedures, to settle such Nodal Contracts being the same number of contracts for the purchase and sale of the same commodity for the same delivery month or, where applicable, for the same expiry month and strike price. Such a request, once made, shall be irrevocable unless the Clearing House otherwise consents. Where such a request is made, the Clearing House shall as soon as practicable after the close of trading on that market day (but not necessarily on that day, and provided documentation has been supplied by the Member in accordance with the Procedures) make up the Nodal Service Clearing Member's account.
- (f) In respect of those open Nodal Contracts of which settlement might have been requested by a Nodal Service Clearing Member under paragraph (e) above, the Clearing House may, if no request for settlement has been received by the cessation of trading for the delivery month applicable to those Nodal Contracts, at any time thereafter proceed as if settlement had been requested and make up and render the Nodal Service Clearing Member's accounts accordingly.

Regulation 104 Registration of ForexClear Contracts

- (a) In order to use the ForexClear Service, a ForexClear Participant must submit the particulars of a ForexClear Transaction for registration as a ForexClear Contract in accordance with these ForexClear Regulations and the Procedures.
- (b) Without prejudice to the Clearing House's rights under paragraph (f) of this Regulation, a ForexClear Clearing Member shall be bound by a ForexClear Contract registered in its name pursuant to the presentation of particulars of a ForexClear Transaction by it or by a ForexClear Dealer with whom the ForexClear Clearing Member is party to a FDC Agreement.
- (c) Without prejudice to the Clearing House's rights under paragraph (f) of this Regulation, a ForexClear Transaction, particulars of which are submitted for registration as a ForexClear Contract, must meet the ForexClear Eligibility Criteria at the time the particulars of the ForexClear Transaction are presented to the Clearing House and must continue to meet such ForexClear Eligibility Criteria at the Registration Time as defined in Regulation 104(d) below in order to be registered as a ForexClear Contract.
- (d) The Clearing House shall be deemed to register a ForexClear Contract, in accordance with Regulation 105, in the name of a ForexClear Clearing Member at the time prescribed in the Procedures ("Registration Time")
- (e) For the avoidance of doubt, any transaction of which details have been submitted by ForexClear Participants for registration as a ForexClear Contract which is not so registered will remain in effect between the persons party thereto in accordance with any terms agreed between them and the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no obligations or liability in relation thereto.
- (f) Subject to Regulation 104(h), if at any time falling after the registration of any ForexClear Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration did not, at the Registration Time, meet the ForexClear Eligibility Criteria in existence at the Registration Time (an "**Ineligible Transaction**"), the Clearing House shall, as soon as practicable thereafter, set aside both ForexClear Contracts arising from such Ineligible Transaction in accordance with Regulation 104(g) below.
- (g) Upon a ForexClear Contract (an "**Ineligible ForexClear Contract**") being set aside under Regulation 104(f), the Clearing House will notify the FXCCM party to such Ineligible ForexClear Contract via the ForexClear Matcher that such Ineligible ForexClear Contract has been set aside. The following shall take effect immediately upon the delivery of such notice: (i) such Ineligible ForexClear Contract shall be deemed to be terminated at the time of the notification and shall thereafter have no force or effect; (ii) all variation margin (if any) paid by the Clearing House or by an FXCCM in respect of such Ineligible ForexClear Contract shall be retained by the receiving party upon termination; (iii) where there is a difference between the value of the Ineligible ForexClear Contract as at the last margin run and the value (as determined by the Clearing House) of that Ineligible ForexClear Contract at the time of the next official settlement rate for that currency pair, then a payment shall be made between the FXCCMs to the original Ineligible Transaction equal to such difference; and (iv) these payments shall be deemed to satisfy in full the relevant party's obligations under the

Ineligible ForexClear Contract and shall be retained by the receiving party upon termination as a termination payment.

- (h) The Clearing House may not determine a transaction to be an Ineligible Transaction if after the Valuation Date (as defined in Part A of the Schedule to the ForexClear Regulations) in respect of the ForexClear Contracts arising from the registration of such a transaction has occurred.
- (i) Where an original party to an Ineligible Transaction is an FXD upon the setting aside of the Ineligible ForexClear Contract under Regulation 104(f), any Parallel Contract (as defined in the FDC Agreement) corresponding to the Ineligible Transaction and arising by operation of the FDC Agreement shall be terminated at the same value as the Ineligible ForexClear Contract to which it corresponds at the time of the notification under Regulation 104(g) and shall thereafter have no force or effect.
- (j) The Clearing House shall provide no less than 10 business days' prior notice (including by email) to ForexClear Clearing Members of an amendment to the ForexClear Eligibility Criteria.

Regulation 105 ForexClear Contracts

- (a) A ForexClear Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House as two ForexClear Contracts, one between the First ForexClear Clearing Member as the Reference Currency Buyer and the Clearing House as the Reference Currency Seller, as principals to such contract, and the other between the Clearing House as the Reference Currency Buyer and the Second ForexClear Clearing Member as the Reference Currency Seller, as principals to such contract. - (d) If a ForexClear Transaction, is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any ForexClear Contract arising under this Regulation, Regulation 3(b) or Regulation 11.
- (e) In the case of a ForexClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 105 shall take effect.

- (h) The date and time of the cancellation of a ForexClear Contract shall be as reported by the Clearing House in accordance with the Procedures and shall be binding on ForexClear Clearing Members.

The ForexClear Clearing Member party hereto irrevocably submits to such jurisdiction and agrees to waive any objection it might otherwise have to such jurisdiction, save that this submission to the jurisdiction of the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent

4.7. **Third Party Rights**
