Re: Additions to Section 26D of the ICC Rules to Provide for Clearing of Additional Standard Emerging Sovereign Single Name Constituents of the CDX Emerging Markets Index Pursuant to Section 5c(c)(1) of the Commodity Exchange Act and Commission Regulation 40.6

VIA E-MAIL

Ms. Melissa Jurgens
Secretary
Commodity Futures Trading Commission
Three Lafayette Centre
1155 21st Street, NW
Washington, D.C. 20581

Dear Ms. Jurgens:

ICE Clear Credit LLC ("ICC") hereby submits, pursuant to Section 5c(c)(1) of the Commodity Exchange Act and Commodity Futures Trading Commission ("Commission") Regulation 40.6, a self-certification of amended ICC Rules (the "Amended Rules") to provide for the clearance of additional Standard Emerging Sovereign Single Name constituents of the CDX Emerging Markets Index (collectively, "SES Contracts"). ICC is registered with the Commission as a derivatives clearing organization ("DCO"). ICC intends to make the Amended Rules effective no sooner than the tenth business day following the filing of this submission with the Commission at its Washington, D.C. headquarters and with its Chicago regional office.

This submission includes the Amended Rules. A description of the principal changes contained in the Amended Rules follows. Certification of the Amended Rules pursuant to Section 5c(c)(1) of the Act and Commission Regulation 40.6 is also provided below.

The purpose of the proposed rule change is to amend Section 26D of the ICC Rules to provide for the clearing of additional SES Contracts. Currently, ICC clears four Standard Latin America Sovereign Single Name constituents of the CDX Emerging Markets Index. The proposed changes to the ICC Rules would provide for the clearance of Standard Emerging European and Middle Eastern Sovereign Single Name constituents of the CDX Emerging Markets Index, specifically the Republic of Turkey and the Russian Federation (the "SEEME Contracts").

The proposed rule change consists of additions to Section 26D of the ICC Rules to provide for the clearance of additional SES Contracts, specifically the SEEME Contracts. SEEME Contracts have similar terms to the Standard Latin America Sovereign Single Name constituents of the CDX Emerging Markets Index currently cleared by ICC and governed by Section 26D of the ICC rules. Annexed as Exhibit A hereto are the additions to Section 26D of the ICC Rules.

The proposed changes to Section 26D of the ICC rules include the addition of "Standard Emerging European and Middle Eastern Sovereign" as a Transaction Type for SES Contracts and the addition of the European Region as the CDS Region for SEEME Contracts.

Rule 26D-102 is modified to indicate the specific Eligible SES Reference Entities to be cleared by ICC, namely the Federative Republic of Brazil, the United Mexican States, the Bolivian Republic of Venezuela, the Argentine Republic, the Republic of Turkey and the Russian Federation.

Rules 26D-303 (SES Contract Adjustments) and 26D-315 (Terms of the Cleared SES Contract) are modified to incorporate SEEME Contracts as a Transaction Type for SES Contracts.

Rule 26D-309 is modified to state specifically that ICC will not accept a trade for clearance and settlement if at the time of submission or acceptance of the trade or at the time of novation the CDS Participant submitting the trade is domiciled in the country of the Eligible SES Reference Entity for such SES Contract.

Rule 26D-315(b) is also modified to indicate that for purposes of the CDS Committee Rules, for SEEME Contracts the CDS Region is the European Region.

Core Principle Review:

ICC reviewed the DCO core principles (“Core Principles”) as set forth in the Commodity Exchange Act. During this review, ICC identified the following Core Principles as being impacted:

Participant and Product Eligibility: ICC has set appropriate standards in ICC’s policies and procedures for determining the eligibility of contracts. The SEEME Contracts fulfill ICC standards regarding product eligibility.

Risk Management: ICC currently clears four Standard Latin America Sovereign Single Names. ICC will apply its established margin and pricing methodology to the SEEME Contracts.

Settlement Procedures: The SEEME Contracts are subject to ICC’s current physical settlement rules under Chapter 22: CDS Physical Settlement.

Certification:

ICC hereby certifies that the Amended Rules comply with the Act and the regulations thereunder. There were no substantive opposing views to the Rules.

ICC certifies that, concurrent with this filing, a copy of the submission was posted on ICC’s website, which may be accessed at: <https://www.theice.com/notices/Notices.shtml?regulatoryFilings>

ICC would be pleased to respond to any questions the Commission or the staff may have regarding this submission. Please direct any questions or requests for information to the attention of the undersigned at (312) 836-6742.

Sincerely,

Eric J. Nield
General Counsel

26D. Standard Emerging Sovereign Single Name.

The rules in this Subchapter 26D apply to the clearance of SES Contracts.

26D-102. Definitions.

Eligible SES Reference Entities

Each particular Reference Entity included in the List of Eligible SES Reference Entities as determined by ICE Clear Credit to be eligible (specifically, the Federative Republic of Brazil, the United Mexican States, the Bolivian Republic of Venezuela, the Argentine Republic, the Republic of Turkey and the Russian Federation). For the avoidance of doubt, if there are multiple Reference Entity Database codes (as published by Markit Group Limited or any successor thereto, such codes “**RED Codes**”) for a particular Reference Entity listed in the List of Eligible SES Reference Entities, each such RED Code shall be treated as a separate Eligible SES Reference Entity.

Eligible SES Reference Obligations

With respect to any SES Contract Reference Obligation for any Eligible SES Reference Entity, the Reference Obligations determined by ICE Clear Credit to be eligible and listed under the heading “Eligible Reference Obligations” for such SES Contract Reference Obligation and Eligible SES Reference Entity in the List of Eligible SES Reference Entities.

List of Eligible SES Reference Entities

The list of Eligible SES Reference Entities, maintained, updated and published by the Board or its designee on the ICE Clear Credit website, specifying the following information with respect to each Eligible SES Reference Entity:

- (a) the name of such Eligible SES Reference Entity and the RED Code(s) for such Eligible SES Reference Entity;
- (b) each Relevant Physical Settlement Matrix and relevant Transaction Type;
- (c) each SES Contract Reference Obligation and each Eligible SES Reference Obligation for each such SES Contract Reference Obligation;
- (d) each eligible “Scheduled Termination Date”; and
- (e) the Sector “Government” (as published by Markit Group Limited or any successor thereto).

Permitted SES Fixed Rates

The Fixed Rates permitted for a SES Contract, as determined from time to time by the Board or its designee and notified to CDS Participants.

Relevant Physical Settlement Matrix

With respect to a SES Contract, the “Credit Derivatives Physical Settlement Matrix” applicable to such SES Contract, as specified in the combination of characteristics listed as eligible for the relevant Eligible SES Reference Entity in, and permitted by, the List of Eligible SES Reference Entities.

SES Contract

A credit default swap in respect of any Eligible SES Reference Entity having a combination of characteristics listed as eligible for such Eligible SES Reference Entity in, and permitted by, the List of Eligible SES Reference Entities. A SES Contract is a CDS Contract for purposes of Chapter 20.

SES Contract Reference Obligations

With respect to any Eligible SES Reference Entity, the Reference Obligation(s) listed under the heading “SES Contract Reference Obligations” for such Eligible SES Reference Entity in the List of Eligible SES Reference Entities.

SES Rules

The rules set forth in Chapters 1 through 8, 20 through 22, inclusive, and the CDS Restructuring Rules, as modified by the provisions of this Subchapter 26D.

26D-203. Restriction on Activity.

- (a) In addition to the other rights granted to ICE Clear Credit in Rule 203, in the event a CDS Participant is subject to an event or agreement described in Rule 26D-206 or in the event such CDS Participant submits a Trade of the type described in Rule 26D-309(c) that is not a Conforming Trade and such Trade is cleared pursuant to these Rules (in each case, an “**SR CDS Participant**”), ICE Clear Credit may conduct an auction process to replace all of the SR CDS Participant’s Open CDS Positions in the affected CDS Contracts (each auction in such process, an “**SR Auction**”). ICE Clear Credit shall have the authority to determine the timing and other particular characteristics of each SR Auction in consultation with the CDS Default Committee, including determining the size of the bid/offer spread and/or of the CDS Contracts to be auctioned, whether one or more SR Auctions are to be held and the timing and structure of such auctions and whether CDS Participants other than the SR CDS Participant will be required to submit actionable quotations in an SR Auction.

- (b) ICE Clear Credit shall enter into Trades in one or more CDS Contracts with the CDS Participant(s) and in the amount determined pursuant to the SR Auction, at which time the corresponding Open CDS Positions of the SR CDS Participant shall be reduced or terminated, as applicable. The SR CDS Participant and the other CDS Participants shall be obligated to submit to Deriv/SERV or another service specified by ICE Clear Credit the terms of such reduction, termination or Trade, as applicable. Amounts owed by the SR CDS Participant to (or receivable by the SR CDS Participant from) ICE Clear Credit in connection with any such reduction or termination shall be determined by ICE Clear Credit using the prices determined pursuant to the SR Auctions. In addition, any Initial Payments, Margin, or other payments or deliveries owed (including the dates of settlement with respect thereto) relating to the Open CDS Positions increased, created, reduced or terminated pursuant to this Rule 26D-203(b) shall be as determined by ICE Clear Credit with reference to the SR Auction and, notwithstanding Rules 301 or 303, Initial Payments may be owed in respect to CDS Contracts entered into by ICE Clear Credit pursuant to an SR Auction.

26D-206. Notices Required of Participants with respect to SES Contracts.

In addition to the notice requirements contained in Rule 206, a CDS Participant shall provide notice to ICE Clear Credit in the event that such CDS Participant or an Eligible SES Reference Entity consolidates or amalgamates with, or merges into, or transfers all or substantially all of its assets to, the Eligible SES Reference Entity or such CDS Participant, as applicable, or such CDS Participant and an Eligible SES Reference Entity are the same entity or are or become Affiliates, or, subject to any restrictions on such disclosure imposed by law or regulation, such CDS Participant is subject to an agreement pursuant to which any of the foregoing is reasonably likely to occur.

26D-303. SES Contract Adjustments.

In addition to the adjustments described in Rule 303, upon clearance of a Trade otherwise equivalent to a SES Contract but that:

- (a) specifies an Eligible SES Reference Obligation as the “Reference Obligation”, such Trade shall become an Open CDS Position in the SES Contract with the SES Contract Reference Obligation specified for such Eligible SES Reference Obligation in the List of Eligible SES Reference Entities;
- (b) an Event Determination Date has occurred with respect to a Restructuring, such Trade shall become an Open CDS Position in the SES Contract for which no such Event Determination Date has occurred; and/or
- (c) specifies a Transaction Type other than Standard Latin America Sovereign or Standard Emerging European and Middle Eastern Sovereign, such Trade shall become an Open CDS Position in the SES Contract otherwise equivalent to such

Trade but specifying Standard Latin America Sovereign or Standard Emerging European and Middle Eastern Sovereign as the Transaction Type.

26D-309. Acceptance of SES Contracts by ICE Clear Credit.

- (a) In addition to the acceptance process described in Rule 309, ICE Clear Credit's notice to the relevant CDS Participants that it has accepted a Trade submitted for clearance shall include any adjustment that will be made by ICE Clear Credit pursuant to Rule 26D-303. Such CDS Participants' resubmission of the terms of such Trade, as provided in Rule 309, shall include the adjustments described by ICE Clear Credit in such notice.
- (b) A CDS Participant shall make all reasonable efforts to not submit a Trade for clearance as a SES Contract, and any such Trade shall not be a Conforming Trade, if the Novation Time would be:
 - (i) at a time when the Fallback Settlement Method is applicable to such SES Contract;
 - (ii) at or after the close of business on the calendar day following the Auction Final Price Determination Date for such SES Contract; or
 - (iii) on or after the calendar day following the day on which the Final List (as defined in the DC Rules) is published for a Restructuring CDS Contract and at or before the close of business on the calendar day following the CDS Regional Business Day following the latest possible Exercise Cut-off Date for the related Restructuring Credit Event under such Restructuring CDS Contract;

(such time with respect to any SES Contract, the "**Clearance Cut-off Time**"); *provided* that ICE Clear Credit may, by written notice to all CDS Participants following consultation with the Risk Committee, designate a time other than the time determined pursuant to clauses (i) through (iii) above as the Clearance Cut-off Time with respect to any SES Contract.

- (c) A CDS Participant may not submit a Trade for clearance as a SES Contract, and any such Trade shall not be a Conforming Trade, if the time of submission of the Trade or acceptance or the Novation Time would be at a time when the CDS Participant is, or is an Affiliate of, the Eligible SES Reference Entity for such SES Contract or is subject to an agreement under which it is reasonably likely that the CDS Participant will become, or will become an Affiliate of, the Eligible SES Reference Entity for such SES Contract. ICE Clear Credit will not accept a Trade for clearance and settlement if at the time of submission or acceptance of the Trade or at the time of novation the Participant submitting the Trade is domiciled in the country of the Eligible SES Reference Entity for such SES Contract.

- (d) A CDS Participant shall as soon as reasonably practicable notify ICE Clear Credit if any Trade it has submitted for clearance was not at the time of submission, or ceases to be prior to the Novation Time, a Conforming Trade.
- (e) If ICE Clear Credit determines that any Trade submitted for clearance would have been subject to a Succession Event but will no longer be subject to such Succession Event upon clearance because of the Trade Date that would be specified with respect to the related Open CDS Position, ICE Clear Credit shall take such action as it deems necessary to ensure that such Succession Event is given effect with respect to such Trade, including, without limitation, declining to accept such Trade for clearance or specifying an alternate Trade Date for purposes of Section 2.1 of the Credit Derivatives Definitions with respect to the relevant portion of the related Open CDS Position.

26D-315. Terms of the Cleared SES Contract.

- (a) Any capitalized term used in this Subchapter 26D but not defined in these SES Rules shall have the meaning provided in the Credit Derivatives Definitions.
- (b) For purposes of the CDS Committee Rules, ~~the CDS Region for each an SES Contract where the Transaction Type is Standard Latin America Sovereign the CDS Region~~ is the North American Region, ~~where the Transaction Type is Standard Latin America Sovereign;~~ where the Transaction Type is Standard Emerging European and Middle Eastern Sovereign the CDS Region is the European Region.
- (c) The definitions and provisions contained in the 2003 ISDA Credit Derivatives Definitions as supplemented by each of the 2005 Matrix Supplement and the July 2009 Supplement and any other supplement specified as applicable in the Relevant Physical Settlement Matrix, each as published by ISDA (as so supplemented, for the purposes of the SES Rules only, the “**Credit Derivatives Definitions**”), are incorporated into the SES Rules. In the event of any inconsistency between the terms of the July 2009 Supplement and the terms of any other portion of the Credit Derivatives Definitions, the terms of the July 2009 Supplement shall prevail for purposes of the relevant SES Contract. In the event of any inconsistency between the Credit Derivatives Definitions or the Confirmation (including in electronic form) for a SES Contract and these SES Rules, these SES Rules will govern.
- (d) If a Convened DC (as defined in the DC Rules) resolves, pursuant to Section 3.8(a) of the DC Rules, (i) a question of interpretation regarding the provisions of the July 2009 Protocol (as defined in the DC Rules) or (ii) to make any amendments to Schedule 1 of the July 2009 Protocol, in each case that affect a SES Contract, ICE Clear Credit shall, as promptly as practicable, make conforming changes to these Rules in order to implement such resolutions. Notwithstanding anything to the contrary in Rule 616, any change made to the

Rules in accordance with this paragraph (d) shall not constitute a Contract Modification.

- (e) Section 3.2(c)(i) of the Credit Derivatives Definitions is hereby amended by replacing the “or” at the end of subparagraph (B) thereof with an “and” and adding the following as a new subparagraph (C):
 - “(C) the tenth calendar day after the date of the actual decision by the relevant Regional CDS Committee (or Dispute Resolver) to Resolve (i.e., determined without regard to any Effectiveness Convention or any time of effectiveness specified in a Presented Position) that a Credit Event has occurred for which there is Publicly Available Information, as described in CDS Committee Rule 2101-02(a)(iii), with respect to such SES Contracts; or”.
- (f) Except for purposes of Section 1.23 of the Credit Derivatives Definitions, a Credit Event Notice and Notice of Publicly Available Information with respect to a SES Contract will be deemed to have been effectively delivered by the Notifying Party for a Credit Event other than Restructuring on the relevant Event Determination Date determined under the CDS Committee Rules only when the Resolution is effective, under the CDS Committee Rules, that a Credit Event other than Restructuring has occurred for which there is Publicly Available Information, as described in CDS Committee Rule 2101-02(a)(iii), with respect to such SES Contract. Notwithstanding anything to the contrary in the Credit Derivatives Definitions, any delivery of a Credit Event Notice and/or Notice of Publicly Available Information by a CDS Participant (other than (i) the deemed delivery as provided in this Rule 26D-315(f) or (ii) notices with respect to a Restructuring Credit Event as provided in the CDS Restructuring Rules) shall not be valid.
- (g)
 - (i) Section 1.8(a)(ii)(A)(I)(3)(y) of the Credit Derivatives Definitions is hereby modified by replacing the term “Auction Final Price Determination Date” with the phrase “date that is one Relevant City Business Day prior to the Auction Settlement Date”.
 - (ii) Section 1.30 of the Credit Derivatives Definitions is hereby modified by replacing the term “Auction Final Price Determination Date” in clause (ii) of the last sentence thereof with the phrase “date that is one Relevant City Business Day prior to the Auction Settlement Date”.
- (h) The Settlement Method for particular SES Contracts will be Auction Settlement and the Fallback Settlement Method will be Physical Settlement in accordance with the CDS Physical Settlement Rules.
- (i) With respect to SES Contracts for which it is Resolved by the applicable Regional CDS Committee (or applicable Dispute Resolver) or Credit Derivatives Determinations Committee that a Credit Event has occurred for which there is

Publicly Available Information, as described in CDS Committee Rule 2101-02(a)(iii) or the DC Rules, as applicable, Buyer may not deliver a Notice of Physical Settlement until after it is determined that the method of settlement for a particular Credit Event is the Fallback Settlement Method due to the occurrence of one of the events in Section 12.1 of the Credit Derivatives Definitions and as further provided in the CDS Physical Settlement Rules. For the avoidance of doubt, the effectiveness of any Notice of Physical Settlement and obligations relating thereto are subject to the suspension and finality provisions of Sections 6.5 and 9.1(c)(iii) of the Credit Derivatives Definitions.

- (j) Notwithstanding Section 2.9 of the Credit Derivatives Definitions, the initial Fixed Rate Payer Calculation Period shall commence on, and include, the Fixed Rate Payer Payment Date falling on or immediately prior to the calendar day immediately following the Trade Date.

For purposes of this provision, Section 2.10 of the Credit Derivatives Definitions shall be deemed amended by deleting the words “during the term of the transaction”.

- (k) The following terms will apply to each SES Contract:
 - (i) The “Agreement” is the Participant Agreement between the relevant CDS Participant and ICE Clear Credit.
 - (ii) The “Calculation Agent” is ICE Clear Credit, except as provided in the CDS Committee Rules.
 - (iii) The “Fixed Rate Payer Payment Dates” will be March 20, June 20, September 20 and December 20.
 - (iv) The “Initial Payment Date” will be the date that is the first Business Day immediately following the Trade Date; provided that with respect to a SES Contract that is accepted for clearing pursuant to Rule 309 after the Trade Date thereof, the “Initial Payment Date” will be the date that is the first Business Day following the date as of which such SES Contract is accepted for clearing pursuant to Rule 309.
- (l) For each SES Contract, the following terms will be determined according to the particular SES Contract submitted for clearing, subject to Rule 26D-303:
 - (i) Which of the Eligible SES Reference Entities is the “Reference Entity”.
 - (ii) Which of the SES Contract Reference Obligations specified for the Reference Entity in the List of Eligible SES Reference Entities is the “Reference Obligation”.

- (iii) The “Trade Date”.
- (iv) The “Effective Date”.
- (v) Which of the eligible Scheduled Termination Dates specified for the “Reference Entity” in the List of Eligible SES Reference Entities is the “Scheduled Termination Date”.
- (vi) The “Floating Rate Payer Calculation Amount”.
- (vii) The “Floating Rate Payer”.
- (viii) The “Fixed Rate Payer”.
- (ix) The “Fixed Rate”.
- (x) The “Transaction Type”, which ~~must~~ may be Standard Latin America Sovereign or Standard Emerging European and Middle Eastern Sovereign.
- (xi) If applicable, the Matrix Publication Date for the Relevant Physical Settlement Matrix.
- (xii) The “Initial Payment Payer”.
- (xiii) The “Initial Payment Amount”.

26D-316. Relevant Physical Settlement Matrix Updates.

- (a) Where ISDA publishes a version of the Credit Derivatives Physical Settlement Matrix (a “**New SES Matrix**”) that is subsequent to the version that is specified as the Relevant Physical Settlement Matrix for any SES Contract(s), and the Board or its designee determines that updating such SES Contract(s) to reference the New SES Matrix would not constitute a Contract Modification as provided in Rule 616 (the date of such determination, the “**SES Matrix Update Date**” and each prior Credit Derivatives Physical Settlement Matrix subject to such determination, a “**Superseded SES Matrix**”) and so notifies CDS Participants, such SES Contracts shall, as of the close of business on the SES Matrix Update Date, become SES Contracts referencing the New SES Matrix as the Relevant Physical Settlement Matrix and the List of Eligible SES Reference Entities shall be updated accordingly. Any Trade referencing a Superseded SES Matrix submitted for clearing as a SES Contract shall, upon acceptance for clearing, become a SES Contract referencing the New SES Matrix.
- (b) The Board or its designee may determine a different SES Matrix Update Date applicable to individual SES Contracts or groups of SES Contracts or may

determine a SES Matrix Update Date applicable to all SES Contracts referencing a Superseded SES Matrix, as it deems appropriate.

26D-502. Specified Actions.

Notwithstanding anything to the contrary in Rule 502(a) but without limiting the application of Rule 616 to any Modification (including the requirement of consultation with the Risk Committee, as provided in Rule 502(a), prior to determining that a Modification is not a Contract Modification), none of the following shall constitute a Specified Action: (a) adding and/or Modifying Permitted SES Fixed Rates, (b) adding new Eligible SES Reference Entities and related Transaction Types, and adding and/or Modifying any other entries in any of the fields in the List of Eligible SES Reference Entities or (c) an update to the List of Eligible SES Reference Entities, as described in Rules 26D-316 and 26D-616.

26D-616. Contract Modification.

It shall not constitute a Contract Modification if the Board or its designee updates the List of Eligible SES Reference Entities (and modifies the terms and conditions of related SES Contracts) to give effect to determinations by the applicable Regional CDS Committee (or applicable Dispute Resolver) or a Credit Derivatives Determinations Committee, including, without limitation, determinations of Succession Events or Substitute Reference Obligations.
