Re: Executed Regulatory Services Agreements
Reference File SR-NFX-2012- 32S

Ladies and Gentlemen:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (“Act”), and Sections 40.6 of the regulations promulgated by the Commodity Futures Trading Commission under the Act, the NASDAQ OMX Futures Exchange, Inc. (“NFX” or “Exchange”) is certifying two executed Regulatory Services Agreements (“RSAs”). The Exchange initially filed draft versions of the RSAs on October 1, 2012.¹ NFX has executed those RSAs and is filing executed versions of the agreements, which pursuant to SR-NFX-2012-32 will be effective on October 17, 2012.

As stated in SR-NFX-2012-32, NFX determined to enter into three agreements to facilitate compliance with the Commission’s new Part 38 rules applicable to designated contract markets (“DCMs”). NFX has executed the following agreements which are substantially similar to the drafts submitted previously:

- 1) A restated RSA between the Exchange and the National Futures Association (“NFA”) dated October 17, 2012.
- 2) An RSA between The Options Clearing Corporation (“OCC”) and the Exchange dated October 3, 2012.

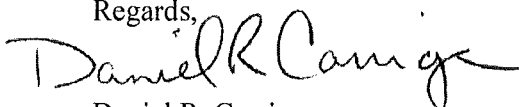

The RSAs are attached as Appendix A. Confidential treatment is being simultaneously submitted to the Commission with respect to the RSAs in Appendix A. A copy of that request for confidential treatment is included with the supplemental filing.

¹ See SR-NFX-2012-32.

The purpose of the restated RSA with NFA is to facilitate compliance by the Exchange with Core Principles 2, 4, 5, 8, 10 and 11, and certain of the Commission's rules thereunder. This agreement was restated to incorporate the addenda that was initially filed in draft with the Commission in SR-NFX-2012-32. The purpose of the new RSA with OCC is to facilitate compliance by the Exchange with Core Principle 11, and certain of the Commission's rules thereunder.

There were no opposing views among the NFX's Board of Directors, members or market participants. NFX hereby certifies that the enclosed agreements comply with the Commodity Exchange Act and regulations thereunder. The Exchange also certifies that notice of pending certification and a copy of this submission have been concurrently posted on the Exchange's website at <http://www.nasdaqomxtrader.com/Micro.aspx?id=PBOToverview>.

Re: Request for Confidential Treatment
SR-NFX-2012-32S, Appendix A

Dear Sir or Madam:

The NASDAQ OMX Futures Exchange, Inc. ("NFX") hereby requests confidential treatment of the enclosed Appendix A to SR-NFX-2012-32S filed today with the Commission.

This request for confidential treatment is made pursuant to and in accordance with the Freedom of Information Act ("FOIA"), 5 U.S.C. 552, and Commission Rule 145.9, 17 C.F.R. 145.9. Confidential treatment is appropriate because this Appendix A contains trade secrets or confidential commercial information and also would reveal investigatory records compiled for law enforcement purposes when disclosure would interfere with enforcement proceedings or disclose investigative techniques and procedures of NFX. We request confidential treatment of the letter indefinitely. Please contact me at (215) 496-5208 with any questions.

Sincerely,

Angela S. Dunn
