**Re: Temporary Changes to the Electronic Opening Times for Sugar No. 11, Coffee "C", Robusta, Cotton No. 2 and Cocoa Futures and Options Contracts - Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Stawick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6, ICE Futures U.S., Inc. ("Exchange") submits, by written certification, temporary changes to the opening times for several agricultural futures products.

The Exchange is implementing a temporary change to the opening times for the electronic trading of the Sugar No. 11, Coffee "C", Robusta Coffee, Cotton No. 2 and Cocoa futures and options markets. Effective with the start of trading on Monday, October 27, 2008 through and including Friday, October 31, 2008, Sugar No. 11, Coffee "C", Robusta Coffee and Cotton No. 2 will open for trading at 3:30AM NY time instead of the normal 2:30AM open time, and Cocoa will open at 5:00 AM NY Time instead of the normal 4:00AM open time. The temporary changes to the opening times for these products are due to the different end dates for Daylight Savings Time ("DST") in the U.S. and British Summer Time ("BST") in Great Britain. In Great Britain, BST ends on October 26, 2008 while in the U.S., DST does not end until November 2, 2008. Trading hours for all other products will remain unchanged during this period.

The Exchange certifies that the temporary opening times comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder.

The temporary trading hours were authorized by the President in accordance with Standing Resolution R-7 and will become effective on October 27, 2008. No substantive opposing views were expressed by members or others with respect to the temporary hours.
