**Re: Rule Notification. New York Mercantile Exchange, Inc. Submission #08.104:
Notification of Amendments to NYMEX Chapter 9, Appendix A.**

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") of the attached nonmaterial revisions to NYMEX Chapter 9, Appendix A, in order to correct a typographical error in the aggregation allocation for the European Jet Kerosene Rotterdam Calendar Swap contract. Originally the aggregation allocation for this contract was certified as "JR" which is now being amended to correctly read "UR."

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby notifies the Commission of this non-substantive revision. This correction will be made effective on October 27, 2008.

Should you have any questions concerning the above, please contact Anthony V. Densieski, Vice President, Market Surveillance, at (212) 299-2881, or the undersigned at (202) 715-8517.

Sincerely,

De'Ana H. Dow
Managing Director
Government Relations
