Re: Section 5c(c)(1), Regulation 40.6(a) Submission. Exchange Certification for Rule Amendments
pertaining to the reduction in contract size and minimum tick value for CME Pacific Rim Monthly and
Seasonal contracts.
CME Submission #08-170

Dear Mr. Stawick:

Chicago Mercantile Exchange Inc. ("Exchange" or "CME") hereby notifies the Commission regarding the reduction in the contract size and minimum tick value for CME Pacific Rim Monthly and Seasonal contracts.

Weather traders have requested that the trading unit on the Pacific Rim contracts be adjusted to a lower level so they can transact their business at CME instead of in the OTC market.

The Pacific Rim weather contracts currently do not have any open interest so the changes can take place immediately on Monday, November 3, 2008.

The Exchange certifies that these changes comply with the Act and rules thereunder.

Changes to the rule language are as follows with additions underlined and deletions overstruck.

If you require any additional information regarding this action, please do not hesitate to contact Mr. Charles Piszczor at 312-930-4536 or via e-mail at charles.piszczor@cmegroup.com. We would be appreciative if you could reference our CME Submission #08-170 in any related correspondence.

Sincerely,

/s/ Stephen M. Szarmack
Director and Associate General Counsel
