**Re: Amendment to ICE Clear U.S., Inc. Rules
Amendment to Submission No 12-72
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6(a)**

Dear Mr. Stawick:

In a submission dated October 19, 2012, ICE Clear US., Inc. ("ICUS") submitted, by written certification, modifications to its procedures regarding issuance of intra-day variation margin calls in accordance with Section 5c(c)(1) of the Commodity Exchange Act, as amended (the "Act") (Submission 12-72).

The modifications to the ICUS intra-day variation margin procedures were adopted in connection with implementation of an upgraded clearing system that was necessary in order for ICUS to be compliant with CFTC Regulation 39.13(g)(8)(i) (Gross Customer Margin). Regulation 39.13(g)(8)(i) was scheduled to take effect on November 8, 2012, however, by letter dated November 1, 2012 from Mr. Ananda Radhakrishnan, Director CFTC Division of Clearing and Risk, the compliance date for CFTC Regulation 39.13(g)(8)(i) was extended until January 15, 2013. As a result of such delay, ICUS has delayed implementation of its upgraded clearing system scheduled for November 3, 2012. In addition, ICUS is delaying implementation of its modified intra-day variation margin call procedures and, therefore, is withdrawing the modifications described in Submission 12-72.

ICUS certifies that the amendments comply with the requirements of the Act and the rules and regulations promulgated thereunder. No opposing views were expressed. ICUS further certifies that this submission has been concurrently posted on the ICUS website at (<https://www.theice.com/notices/RegulatoryFilings.shtml>).
