Re: Instant Message Policy and Amendments to Rule 4.34 -

Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6

Dear Mr. Stawick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6, ICE Futures U.S., Inc. ("Exchange") submits, by written certification, the Exchange's Instant Message Policy and amendments to Rule 4.34, attached as Exhibit A.

The amendments to Rule 4.34 (i) redefine the term "electronic device" to widen the scope of what the Exchange deems to be an electronic device; (ii) permit the use on the trading floor of electronic devices authorized by the Exchange; (iii) permit the use of cell phones, personal digital assistants and other similar devices on the trading floor only for non-business purposes or placing orders for the member's own account; and (iv) require a member to prepare an order ticket for an order that is transmitted by Instant Message ("IM") prior to execution and retain IMs relating to any transaction executed at the Exchange for a period of five years in accordance with Commission regulations.

The Exchange's Instant Message Policy iterates the provisions of Rule 4.34 with respect to IMs and also provides the circumstances under which IMs may be used for the transmission of orders.

The Exchange certifies that the amendments and the new Policy comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder.

The amendments and the new Policy were adopted by the Exchange's Board of Directors on December 10, 2008. No substantive opposing views were expressed by members or others with respect to the amendments and will become effective on January 5, 2009.
