Daryl Pattison

Daryl Pattison has more than 40 years' experience in the energy industry, specializing in all aspects of the commercial sector, with experience spanning General Management, Trading, Supply, Shipping, Project Development and Risk Management in both the upstream and downstream sectors.

Having spent the past 4 years with Concord Energy in Singapore as Managing Director of Concord Investments, Daryl brings a wealth of Asian experience to the DME. This is further enhanced by two years spent as President of International Supply and Trading with Essar Oil Limited in Mumbai and two years with Reliance Petroleum Limited, also in Mumbai, as Senior Vice President of Supply and Trading.

Prior to that Daryl was Vice President and Energy Futures Manager at Goldman Sachs in New York.
