

FORM FBOT—EXHIBIT E-2

Request: Demonstrate that the contracts are not prohibited from being traded by United States persons, i.e., the contracts are not prohibited security futures or single stock contracts or narrow-based index contracts. For non-narrow based stock index futures contracts, demonstrate that the contracts have received Commission certification pursuant to the procedures set forth in § 30.13 and Appendix D to part 30 of this chapter.

Response:

The NGX contracts that are within the scope of the Application are futures on physical commodities. NGX does not offer for trading futures on securities.
