§ 4 Risk Committee Members, Chairman and Deputy Chairman

- (1) The Risk Committee consists of at least 14 (fourteen) members to be appointed in accordance with this § 4 (each a "**Risk Committee Member**") as follows:
- (a) subject to a Risk Committee Increase or Project Agreement Risk Committee Increase (both as defined in Paragraph (3)), 6 (six) Risk Committee Members nominated by the Clearing Members which have been selected in accordance with Paragraph (2) and (3);
 - (b) subject to a Risk Committee Increase or Project Agreement Risk Committee Increase (both as defined in Paragraph (3)), 6 (six) Risk Committee Members nominated by the Non-Clearing Members, Registered Customers and other customers (that have agreed to be bound by these Statutes) of Eurex Clearing AG (each a "**Client**" and together the "**Clients**") which have been selected in accordance with Paragraph (4); and
 - (c) at least 2 (two) independent members of the Supervisory Board nominated by the Supervisory Board in accordance with Paragraph (7).
- (2) Eurex Clearing AG in its free discretion prepares with respect to each Risk Committee Term (as defined in Paragraph (8)) a risk ranking of its Clearing Members (in the case of Clearing-Members belonging to a group in the meaning of Section 290 of the German Commercial Act (*Handelsgesetzbuch*) on the basis of all Clearing Members belonging to the group), inter alia on the basis of the following parameters (the "**CM Risk Ranking**"):
- (a) Margin Requirements and number of intra-day Margin Calls;
 - (b) products which may be cleared by a Clearing Member;
 - (c) number of Clients for which the Clearing Member provides the Clearing; and
 - (d) diversification of the collateral provided (whereby a more diversified collateral portfolio results in a higher risk ranking).

The Executive Board invites the 10 (ten) Clearing Members with the highest CM Risk Ranking (together with any further Clearing Members which have been selected pursuant to Paragraph (6) the "**Authorised Clearing Members**" and each an "**Authorised Clearing Member**"), unless the Clearing Member or any of its Affiliates (as defined below) is already an Authorised Clearing Member pursuant to Paragraph (3), to nominate for the relevant Risk Committee Term a Risk Committee Member and a deputy for such Risk Committee Member. The nominations of the Risk Committee Member and its deputy shall be made in accordance with Paragraph (10) and shall be submitted to the Executive Board within 10 (ten) Business Days of receipt of the invitation.

"**Affiliate**" means, in respect of an entity, that entity and any undertaking which is or becomes a subsidiary undertaking or parent undertaking of that entity or a subsidiary undertaking of a parent undertaking of that entity. A "subsidiary

undertaking" or "parent undertaking" is to be construed in accordance with Section 1162 (and Schedule 7) of the UK Companies Act 2006.

The Executive Board assesses the nominations pursuant to Paragraph (10) and forwards the nominations which comply with Paragraph (10) to the Supervisory Board. If the nomination of the Risk Committee Member or of its deputy does not comply with the requirements set forth in Paragraph (10), the Executive Board shall reject the entire nomination.

The Supervisory Board shall in its discretion taking into account diversity and to ensure adequate representation of the Clearing Members select for the relevant Risk Committee Term, subject to a Risk Committee Increase, 4 (four) Risk Committee Members and their respective deputies (or, in case of the second paragraph of Paragraph (3) and subject to a Risk Committee Increase, 6 (six) Risk Committee Members and their respective deputies) and shall notify such selection to the Executive Board without undue delay; a Risk Committee Member and its deputy must have been nominated by the same Authorised Clearing Member.

- (3) The Executive Board will invite those Clearing Members which are parties to agreements with Eurex Clearing AG pursuant to which Eurex Clearing AG and the respective Clearing Member agree to cooperate in the development and support of a clearing service for OTC interest rate swaps (each a "**Project Agreement**" and each Clearing Member which has entered into a Project Agreement with Eurex Clearing AG, a "**Project Bank**" and together the "**Project Banks**") to jointly nominate for the Risk Committee Term 2 (two) Risk Committee Members and a deputy for each such Risk Committee Member (such nominated persons together the "**Project Banks Nominees**"). A person jointly nominated by the Project Banks must be a person that was proposed by a Project Bank which belongs to the 10 (ten) Clearing Members with the highest CM Risk Ranking (such Project Bank hereinafter also referred to as an "**Authorised Clearing Member**"). If none of the Project Banks belongs to the 10 (ten) Clearing Members with the highest CM Risk Ranking, the subsequent paragraph of this Paragraph (3) applies accordingly.

In case Project Agreements have not been concluded, the Supervisory Board will, from the nominations made in accordance with Paragraph (2) and forwarded to it, select for the relevant Risk Committee Term 2 (two) additional Clearing Members and their respective deputies in accordance with Paragraph (2).

In case Project Agreements have been entered into only after 2 (two) further Risk Committee Members have been selected pursuant to the foregoing paragraph of this Paragraph (3), the number of Members in the Risk Committee will be increased for the relevant Risk Committee Term by 4 (four) further Risk Committee Members, 2 (two) of which are Project Bank Nominees and 2 (two) of which are additionally selected by the Supervisory Board from the nominations of the Authorised Clients (as defined in Paragraph (4) below) forwarded to it by the Executive Board pursuant to Paragraph (4) (the "**Project Agreement Risk Committee Increase**"). The Project Bank Nominees shall be nominated according to the first paragraph of this Paragraph (3) provided that a person jointly nominated

by the Project Banks must not be a person that was proposed by a Project Bank that is already an Authorised Clearing Member for the relevant Risk Committee Term.

Notwithstanding the foregoing paragraphs of this Paragraph (3) the Executive Board of Eurex Clearing AG may in its sole discretion decide at any time to increase the Risk Committee permanently or for a specific Risk Committee Term by additional Risk Committee Members. Any such increase (a "**Risk Committee Increase**") must maintain the given proportion of Risk Committee Members nominated by Authorised Clearing Members and Authorised Clients. The other paragraphs of this § 4 shall apply accordingly; in particular, the CM Risk Ranking and Client Risk Ranking prepared for the relevant Risk Committee Term shall apply. The Executive Board will only invite such number of Clearing Members and Clients to nominate a Risk Committee Member and a deputy for such Risk Committee Member for the relevant Risk Committee Term as required for the relevant Risk Committee Increase.

- (4) Eurex Clearing AG in its free discretion prepares with respect to each Risk Committee Term (as defined in Paragraph (8)) a risk ranking of its Clients, inter alia on the basis of the following parameters (the "**Client Risk Ranking**"):
- (a) products (OTC and listed) which may be processed by a Client;
 - (b) number of customers for which the Client provides the Clearing; and
 - (c) business model diversification (hedge funds, asset manager, etc.).

The Executive Board invites the 10 (ten) Clients with the highest Client Risk Ranking (together with the further Clients which have been selected pursuant to Paragraph (6) in connection with this Paragraph (4), the "**Authorised Clients**" and each an "**Authorised Client**", and together with the Authorised Clearing Members the "**Committee Authorised Persons**") to nominate for the relevant Risk Committee Term a Risk Committee Member and a deputy for such Risk Committee Member. The nominations of the Risk Committee Member and its deputy shall be made in accordance with Paragraph (10) and shall be submitted to the Executive Board within 10 (ten) Business Days of receipt of the invitation.

The Executive Board assesses the nominations pursuant to Paragraph (10) and forwards the nominations which comply with Paragraph (10) to the Supervisory Board. If the nomination of the Risk Committee Member or of its deputy does not comply with the requirements set forth in Paragraph (10), the Executive Board shall reject the entire nomination.

The Supervisory Board shall in its discretion taking into account diversity and to ensure adequate representation of the Clients select for the relevant Risk Committee Term, subject to a Risk Committee Increase, 6 (six) Risk Committee Members and their respective deputies (and in case of a Project Agreement Risk Committee Increase 2 (two) additional Risk Committee Members and their respective deputies) and shall notify such selection to the Executive Board without

undue delay; a Risk Committee Member and its deputy must have been nominated by the same Authorised Client.

For the purposes of this § 4, Eurex Clearing AG will disregard such Clients that belong to a consolidated group where one member of such group holds a Clearing License.

- (5) Each deputy of a Risk Committee Member as referred to in Paragraphs (2), (3), (4), shall hereinafter be a "**Deputy Risk Committee Member**" the term "**Risk Committee Member**" shall hereinafter also refer to Deputy Risk Committee Members unless the context requires otherwise.
- (6) If a Committee Authorised Person fails to nominate within 10 (ten) Business Days of receipt of the invitation a Risk Committee Member or a Deputy Risk Committee Member in accordance with this § 4 or if the Executive Board rejects a nomination of a Risk Committee Member or its Deputy Risk Committee Member, the Committee Authorised Person shall no longer be entitled to nominate a Risk Committee Member and its Deputy Risk Committee Member with respect to the relevant Risk Committee Term.

If the nominations forwarded by the Executive Board to the Supervisory Board are not sufficient for selecting the necessary number of Risk Committee Members and Deputy Risk Committee Members then the Executive Board will invite the next following Clearing Member in the CM Risk Ranking or the next following Client in the Client Risk Ranking, as the case may be, to nominate a Risk Committee Member and a Deputy Risk Committee Member. In addition, Paragraphs (2) and (4) shall apply mutatis mutandis to the selection of the Risk Committee Member and its Deputy Risk Committee Member.

If the Project Banks fail to jointly nominate one or both Risk Committee Member(s) or their respective Deputy Risk Committee Members (except where no Project Agreements have been entered into), the Supervisory Board will select from the nominations pursuant to Paragraph (2) one or two Risk Committee Member(s) and their respective Deputy Risk Committee Member(s).

- (7) The Supervisory Board will, in its free discretion, nominate at least 2 (two) of its independent members as Risk Committee Members (each a "**Nominated Supervisory Board Member**") to serve for a period it determines in its free discretion. The Supervisory Board may nominate a deputy Risk Committee Member for each Nominated Supervisory Board Member. The Supervisory Board will, in its free discretion, nominate one of the Nominated Supervisory Board Member to serve as chairman of the Risk Committee (the "**Chairman**") and a further Nominated Supervisory Board Member to serve as deputy chairman of the Risk Committee (the "**Deputy Chairman**"). The Executive Board will appoint the Risk Committee Members and their respective Deputy Risk Committee Members so nominated.
- (8) Each Risk Committee Member nominated by a Committee Authorised Person and selected by the Supervisory Board or jointly nominated by the Project Banks shall

be appointed by the Executive Board to serve for a period commencing on the date of such appointment, and ending on 31st December of the calendar year following the year in which such appointment was made (the "**Risk Committee Term**"). The Project-Banks Nominees and the Risk Committee Members additionally selected by the Supervisory Board in case of a Project Agreement Risk Committee Increase shall be appointed by the Executive Board for a period ending with the Risk Committee Term of the Risk Committee Members nominated by the other Committee Authorised Persons. The foregoing sentence shall apply accordingly in case of a Risk Committee Increase during a Risk Committee Term.

Each Committee Authorised Person shall inform Eurex Clearing AG of any changes to the personal details of its Risk Committee Member without undue delay. Eurex Clearing AG may rely on the personal details of a Risk Committee Member previously notified to it by a Committee Authorised Person until Eurex Clearing AG receives notice of any changes.

- (9) Prior to the expiry of each Risk Committee Term, the Executive Board shall in a timely manner invite the Project Banks and the Committee Authorised Persons selected on the basis of the CM Risk Ranking and the Client Risk Ranking for the consecutive Risk Committee Term to nominate for the consecutive Risk Committee Term the succeeding Risk Committee Members pursuant to this § 4. The Executive Board shall appoint the Project Bank Nominees and the Risk Committee Members selected by the Supervisory Board from the nominations pursuant to Paragraph (2) and (4) in accordance with Paragraph (8) as Risk Committee Members for the consecutive Risk Committee Term. Risk Committee Members may serve several consecutive Risk Committee Terms.
- (10) A nomination pursuant to Paragraph (2), (3) or (4) shall in any case include a curriculum vitae of the respective individual and information required to verify the following criteria which a person nominated or proposed by a Committee Authorised Person as Risk Committee Member should fulfil:
- (a) have a senior position in the daily risk management of the relevant Committee Authorised Person;
 - (b) have expertise with respect to the internal risk management of the relevant Committee Authorised Person;
 - (c) be authorised to make decisions with respect to the description and determination of the intra-day risk management of the relevant Committee Authorised Person; and
 - (d) have knowledge of the risk profile of customers of the relevant Committee Authorised Person.

For the avoidance of doubt, where a person is nominated or proposed by a Committee Authorised Person as Risk Committee Member, such Risk Committee Member does not need to be an employee of a Committee Authorised Person.

The Executive Board shall reject the nomination of a Risk Committee Member and its Deputy Risk Committee Member only if one or both such nominated persons do not satisfy the criteria set forth above or other material reasons exist which from the Executive Board's point of view would hinder an appointment as Risk Committee Member.

- (11) Eurex Clearing AG shall maintain a list of all Risk Committee Members including the relevant contact details (address, phone number, fax number, email address).
- (12) If the membership of a Risk Committee Member during a Risk Committee Term ceases, which shall be the case if (a) a Nominated Supervisory Board Member ceases to be a member of the Supervisory Board or (b) a Risk Committee Member retires, in case (a) the Supervisory Board and in case (b) the Authorised Clearing Member, the Authorised Client or the Project-Banks, as relevant, shall be entitled to nominate (for the remainder of the relevant Risk Committee Term) a successor in accordance with this § 4.
- (13) If a Committee Authorised Person during a Risk Committee Term ceases to be a Committee Authorised Person, e.g., because it ceases to be a Clearing Member or a Client, or, if it ceases to be a Project Bank, as relevant, the membership of the Risk Committee Member and the Deputy Risk Committee Member nominated by it, or the membership of the Risk Committee Member jointly nominated by the Project Banks, as relevant, ceases.

If such Risk Committee Member and the Deputy Risk Committee Member was nominated by a Clearing Member or a Client, the Executive Board invites the Committee Authorised Persons which nominees pursuant to Paragraph (2) and (4) were not appointed as Risk Committee Member respectively Deputy Risk Committee Member to nominate a Risk Committee Member and a Deputy Risk Committee Member for the remainder of the relevant Risk Committee Term, provided that a Clearing Member or any of its Affiliates which is already an Authorised Clearing Member pursuant to Paragraph (3) shall not be invited for such nomination. If according to this procedure the necessary number of Risk Committee Members and Deputy Risk Committee Members will not be reached, then the Executive Board will invite the next following Clearing Member in the CM Risk Ranking or the next following Client in the Client Risk Ranking, as the case may be, to nominate a Risk Committee Member and a Deputy Risk Committee Member for the remainder of the Risk Committee Term. In addition, Paragraphs (2) and (4) shall apply mutatis mutandis to the selection of the Risk Committee Member and its Deputy Risk Committee Member.

If such Risk Committee Member and the Deputy Risk Committee Member was nominated by a Project Bank, Paragraph (3) of this § 4 shall apply mutatis mutandis provided that the new Risk Committee Member and the Deputy Risk Committee Member shall be appointed for the remainder of the relevant Risk Committee Term only.

- (14) If two or more Committee Authorised Persons are or become Affiliates, such Committee Authorised Persons are forthwith only entitled to have one single

Committee Member which (a) if one Committee Authorised Person is a Project-Bank and one Committee Authorised Person is an Authorised Clearing Member shall be the Project-Bank and (b) if one Committee Authorised Person is an Authorised Clearing Member and one Committee Authorised Person is an Authorised Client shall be the Authorised Clearing Member.

If both Committee Authorised Persons are Project-Banks, Authorised Clearing Members or Authorised Clients, such affiliated Committee Authorised Persons will promptly notify the Executive Board of the remaining Committee Authorised Person and the other Committee Authorised Person shall cease to be a Committee Authorised Person in which case Paragraph (13) shall apply accordingly.

- (17) Eurex Clearing AG or any other entity within the Deutsche Börse AG group shall serve as the secretary of the Risk Committee (the "**Risk Committee Secretary**") and shall perform the administrative duties.

§ 5 Convening the Risk Committee

- (1) The Risk Committee Secretary shall in the name of the Chairman convene a meeting of the Risk Committee (a "**Meeting**") by delivering a notice ("**Notice**") in accordance with this § 5. Such Notice shall be accompanied by the agenda ("**Agenda**") which shall specify the matters to be discussed at such Meeting and separating EMIR Matters and all other matters. When, in such situations, the Risk Committee is not consulted, the Risk Committee shall conduct a review ex post facto of decisions that were taken by Eurex Clearing AG on such matters absent Risk Committee consultation. Where, following such ex post facto review, the Risk Committee makes a recommendation, Eurex Clearing AG shall consider to act upon it; § 8 Paragraph (4) shall apply.

§ 6 Risk Committee Quorum

The Risk Committee will have a quorum if all Risk Committee Members have been invited and at least (i) half of the Risk Committee Members cast their vote and (ii) half of the Risk Committee Members nominated by the Clearing Members as well as half of the Risk Committee Members nominated by the Clients cast their vote. (b)) may decide that Eurex Clearing AG bears further costs (such as, e.g., fees for memoranda or other reports to be prepared by external independent experts).

- (3) The competent supervisory authorities shall be entitled to attend Meetings of the Risk Committee without voting rights and to be informed about the activities and decisions of the Risk Committee.
- (4) The Executive Board will promptly inform the BaFin of any decision of the Supervisory Board or the Executive Board in which the Supervisory Board or the Executive Board decided not to follow advice given by the Risk Committee with respect to any Relevant Matter. For this purpose the Supervisory Board will immediately inform the Executive Board of any such decision.

(as defined below) to third persons and (ii) not to use any Confidential Information for its own benefit, the benefit of any of its Affiliates or a third person. Nothing in this § 11 shall prevent a Risk Committee Member nominated or proposed by a particular Committee Authorised Person or such Committee Authorised Person from sharing Confidential Information with personnel of such Committee Authorised Person, its Affiliates as well as its professional advisors (together with the Risk Committee Members, the "**Authorised Persons**") solely for the purpose of preparing for the relevant matters which are to be discussed in the Risk Committee or for evaluating the business relationship of such Committee Authorised Person with Eurex Clearing AG. The Committee Authorised Person shall procure that such Authorised Persons are bound by confidentiality obligations to the Committee Authorised Person comparable to the confidentiality obligation assumed by the Committee Authorised Person to Eurex Clearing AG. Upon reasonable request by Eurex Clearing AG (in particular, for legal or regulatory purposes), the identities of the Authorised Persons shall be disclosed to Eurex Clearing AG. Confidential Information shall, in particular, not be used (a) to facilitate the implementation or development of services competing with those of Eurex Clearing AG or (b) in connection with any breach of law. In case of any breach of this confidentiality obligation by the Committee Authorised Person or an Authorised Person (to whom, in the case of an Authorised Person other than a Risk Committee Member, a Committee Authorised Person has disclosed Confidential Information as permitted by these Statutes) (other than in case of a breach of a professional duty of confidentiality to which an Authorised Person is subject to, e. g. as a legal adviser), such Committee Authorised Person shall be liable for any foreseeable damages of Eurex Clearing AG, caused by that breach.

"Confidential Information" means (i) all information relating to the Risk Committee, including, but not limited to, any discussions, deliberations, proceedings or results of any vote, and (ii) any and all secrets of entities of Deutsche Börse group, obtained from the Risk Committee or in connection therewith, except for information which

- (a) is or becomes public information other than as a direct or indirect result of a breach (of which the Committee Authorised Person or the Risk Committee Member is aware) of this confidentiality obligation; or
- (b) is identified in writing at the time of delivery as non-confidential by Eurex Clearing AG or any of its advisers; or
- (c) is known by the Committee Authorised Person or the Risk Committee Member before the date the information is disclosed to it in accordance with paragraphs (a) or (b) above or is lawfully obtained by the Committee Authorised Person or the Risk Committee Member after that date, from a source which is, as far as that Committee Authorised Person or the Risk Committee Member is aware, unconnected with Eurex Clearing AG and which, in either case, as far as that Committee Authorised Person or the Risk Committee Member is aware, has not been obtained in breach of, and is not otherwise subject to, any obligation of confidentiality.

- (2) To the extent that the Risk Committee invites Invitees these shall enter into a confidentiality agreement with Eurex Clearing AG. This shall not apply where the Invitee is bound by law or by professional duties of confidentiality comparable to the obligations as set out in Paragraph (1).

In case of slight negligence (*leichte Fahrlässigkeit*), however, the liability of Eurex Clearing AG is restricted only to the extent of the typical and foreseeable damage.
