

## Information Memorandum regarding Application for Admission as Exchange Trader at the Eurex Exchanges

---

### 1. Application

Admissions and terminations as an exchange trader needs to be requested in an electronically way via eXAS (electronic exchange admission service). eXAS offers a fast, automated and transparent administration of the legal admission. Within an user account at the Member Section of Deutsche Börse AG (<https://member.eurexchange.com>) the application can be done. Further information regarding the registration process are available at the Member Section.

### 2. Legal requirements to become an exchange trader at the Eurex exchanges

- A. Reliability
  - Complete curriculum vitae containing all first names, the maiden name, date of birth, place of birth and nationality
  - Declaration about the personal reliability
  
- B. Professional Qualification
  - Expertise
    - o Passed Eurex Exchange Trader Examination within the last 2 years
    - o Admission at the Eurex exchanges of at least 12 months within the last 2 years
