On 19 December 2012, the Executive Board of Eurex Clearing AG decided with effective date **14 January 2013** on amendments to the Clearing Conditions for Eurex Clearing AG ("Clearing Conditions") which reflect an update on the outsourcing framework implemented on 1 October 2012 for clearing, risk management and back-office functions which have to be performed by Clearing Members (CMs) or Non-Clearing Members (NCMs) in the context of clearing.

The changes are required for Eurex Clearing to allow CMs and NCMs to outsource their clearing, risk management and back-office functions to U.S. insourcers without any product restrictions.

Pursuant to Chapter I, Part 1, Number 17.2.2 of the Clearing Conditions, each CM or NCM or Registered Customer (RC) accepts each amendment and addition to the Clearing Conditions, unless it objects by written notice to Eurex Clearing AG before the end of the Business Day prior to the actual effective date of such amendment or addition to the Clearing Conditions. The right to terminate the Clearing Agreement and the Clearing License according to Chapter I, Part 1, Number 2.1.4 Paragraph 1 of the Clearing Conditions shall remain unaffected.
