- (c) Whenever after conclusion of a Market Transaction pursuant to Paragraph (a) or (b) above,
 - (aa) the executing Clearing Member requests Eurex Clearing AG to book the relevant Market Transaction from a Customer Account (pursuant to Number 4.2.1 Paragraph (1) below) to an internal transaction account of the Clearing Member relating to a specific Registered Customer (pursuant to Number 4.2.1 Paragraph (3) below), either by way of an account booking within the same Standard Agreement or by way of a transfer to another Standard Agreement of such Clearing Member in accordance with the Special Clearing Provisions and Number 1.2.2 Paragraph (6) (a) or

(2) OTC Transactions

OTC Transactions will be concluded by way of novation.

Whenever

- (i) an over-the-counter transaction (the “**Original OTC Transaction**”) is submitted to Eurex Clearing AG by Clearing Members or by a Non-Clearing Member or a Registered Customer, respectively, either directly or via a third party information provider, as provided for in the Special Clearing Provisions, and
- (ii) Eurex Clearing AG accepts such Original OTC Transaction for inclusion in the Clearing Procedures in accordance with the Special Clearing Provisions,

Eurex Clearing AG will, subject to the following provisions, interpose itself by means of a novation as central counterparty between the parties of the Original OTC Transaction.

Any novation of Original OTC Transactions shall be subject to the novation procedures, criteria and effectiveness requirements specified in the Special Clearing Provisions. The OTC Transactions resulting from the novation shall not be subject to the valid existence of the Original OTC Transaction (abstract novation).

The Original OTC Transaction shall – subject to the Special Clearing Provisions – upon the novation becoming effective be replaced by two OTC Transactions, each on terms that are identical to the terms of the other OTC Transaction, between Eurex Clearing AG and the relevant Clearing Member(s). To the extent that a Non-Clearing Member or a Registered Customer, respectively, which is a party to a Clearing Agreement, is a counterparty to the Original OTC Transaction, upon conclusion of the OTC Transactions between Eurex Clearing AG and the Clearing Member(s) a corresponding OTC Transaction will, simultaneously, be concluded between the Non-Clearing Member or Registered Customer, respectively, and its Clearing Member.

The relevant Clearing Member is obliged to obtain the required instruction from the relevant Registered Customer before a conclusion of an RC-Related Transaction.

Unless expressly set out otherwise in the Special Clearing Provisions, it is the responsibility of the parties to the Original OTC Transaction to agree on a bilateral basis on the effects of the novation with respect to the Original OTC Transaction, in particular whether, upon the novation becoming effective, (i) the Original OTC Transaction shall be cancelled, (ii) the parties to the Original OTC Transaction shall be released from their obligations to each other under such Original OTC Transaction and (iii) any outstanding obligations relating to payments and deliveries that have become due, but have not been paid or delivered on or before the date of novation shall continue to exist in accordance with the contractual provisions of the Original OTC Transaction.

(4) Transactions concluded with a Link Clearing House

To the extent that Eurex Clearing AG conducts the clearing of Transactions in cooperation with a Link Clearing House on the basis of a Clearing Link Agreement, the following applies with regard to such Transactions, unless otherwise provided in the relevant Clearing Link Agreement:

- (a) Whenever an order or quote entered into the trading system of a Market by a clearing member (or non-clearing member) of the Link Clearing House is matched with an order or quote of another clearing member (or non-clearing member) of the Link Clearing House, two inverse Transactions identical to the transaction between the clearing members of the Link Clearing House and the Link Clearing House take place between the Link Clearing House and Eurex Clearing AG.
- (b) For the Clearing of EEX Transactions (Chapter VII), Eurex Clearing AG uses the services of a Link Clearing House named in Chapter VII on the basis of a Clearing Link Agreement. Transactions between Eurex Clearing AG and the relevant Link Clearing House on the one hand and Transactions with Eurex Clearing AG pursuant to Number 1.2.2 Paragraph (1) on the other hand only occur if at least one of the trading participants of the relevant EEX Transaction has the Clearing of its EEX Transactions conducted by Eurex Clearing AG.

(5) Transactions pursuant to the Default Management Process

Eurex Clearing AG may conclude Transactions of any Transaction Type with a Clearing Member pursuant to the Clearing Conditions as part of Eurex Clearing AG's default management process pursuant to Number 7.5 below or Chapter VIII Part 2 Number 2.1.10 Paragraph (2) and include such Transactions in the Clearing.

(6) Transfer of Transactions

- (a) Subject to the terms and conditions set out in the Special Clearing Provisions and this Paragraph (6), a Clearing Member (the "**Transferor Clearing Member**" for the purposes of Paragraph (a) through (c)) may with the consent of Eurex Clearing AG transfer a Transaction concluded with Eurex Clearing AG (for the purposes of Paragraph (c) each an "**Original Transaction**") (i) into another Standard Agreement between such Clearing Member and Eurex Clearing AG or (ii) upon a prior agreement with another Clearing Member holding the applicable Clearing License for such Transaction, to such Clearing Member (for the purposes of Paragraph (a) through (c) the "**Transferee Clearing Member**").
- (b) If the Transaction to be transferred pursuant to Paragraph (a) above is an NCM-Related Transaction (as defined in Number 1.2.3 Paragraph (1) (c)) or a RC-Related Transaction (as defined in Number 1.2.3 Paragraph (1) (d)), the transfer of the relevant Transaction requires the consent of the relevant Non-

- (c) Any transfer of an Original Transaction shall occur by way of novation and, subject to the provisions of the Special Clearing Provisions, (i) the parties to the relevant Original Transaction shall be released from their obligations to each other under such Original Transaction (provided that any outstanding obligations relating to payments and deliveries that have become due, but have not been paid or delivered on or before the date of novation shall continue to exist under the contractual provisions of the Original Transaction, but shall be deemed to have been discharged under the newly established Transactions) and (ii), the following new Transactions shall be established on terms identical to such Original Transaction:
- (aa) in the case of a transfer pursuant to Paragraph (a), item (i) above, a Transaction between the Transferor Clearing Member and Eurex Clearing AG pursuant to the terms of such other Standard Agreement; or
- (bb) in the case of a transfer pursuant to Paragraph (a), item (i) in connection with Paragraph (b) above, a Transaction between the Transferor Clearing Member and Eurex Clearing AG and a Transaction between the Transferor Clearing Member and the relevant Non-Clearing Member or Registered Customer, as the case may be, in both cases pursuant to the terms of the relevant Standard Agreement, as applicable to such Non-Clearing Member or Registered Customer; or
- (cc) in the case of a transfer pursuant to Paragraph (a), item (ii) above, a Transaction between the Transferee Clearing Member and Eurex Clearing AG pursuant to the terms of the relevant applicable Standard Agreement selected by the Transferee Clearing Member and Eurex Clearing AG; or
- (dd) in the case of a transfer pursuant to Paragraph (a), item (ii) in connection with Paragraph (b) above, a Transaction between the Transferee Clearing Member and Eurex Clearing AG, and a Transaction between the Transferee Clearing Member and the relevant Non-Clearing Member or Registered Customer, as the case may be, in both cases pursuant to the terms of the relevant Standard Agreement, as applicable to such Non-Clearing Member or Registered Customer.

The Transactions resulting from the novation shall not be subject to the valid existence of the Original Transaction (abstract novation).

- (d) Subject to the provisions set out in the Special Clearing Provisions and if the Elementary Clearing Model Provisions or the Net Omnibus Clearing Model Provisions apply a Clearing Member may agree with a Non-Clearing Member or Registered Customer, respectively, (for the purposes of this Paragraph (d) the “**Transferor**”) on a transfer of a Transaction (for the purposes of this Paragraph (d) an “**Original Transaction**”) from the Transferor to another Non-Clearing Member or Registered Customer, respectively, (for the purposes of Paragraph (d) the “**Transferee**”) upon a prior consent by such party (which consent may be generally given in the relevant Clearing Agreements).

Any such transfer shall occur by way of novation and, and subject to the provisions of the Special Clearing Provisions, (i) the parties to the relevant Original Transaction shall be released from their obligations to each other under such Original Transaction (provided that any outstanding obligations relating to payments and deliveries that have become due, but have not been paid or delivered on or before the date of novation shall continue to exist under the contractual provisions of the Original Transaction, but shall be deemed to have been discharged under the newly established Transaction) and (ii) a new Transaction between the Clearing Member and the Transferee shall be established on terms identical to such Original Transaction pursuant to the terms of the relevant Standard Agreement, as applicable to such Transferee.

The Transaction resulting from the novation shall not be subject to the valid existence of the Original Transaction (abstract novation).

- (e) Subject to the terms and conditions set out in the Special Clearing Provisions, a Non-Clearing Member or Registered Customer, respectively, (the “**Transferor**” for the purposes of this Paragraph (e)) may, with the prior consent of its Clearing Member (for the purposes of this Paragraph (e) the “**Transferor Clearing Member**”) and Eurex Clearing AG, agree on the transfer of (i) a Transaction concluded by the Transferor with the Transferor Clearing Member and (ii) the corresponding Transaction between the Transferor Clearing Member and Eurex Clearing AG (for the purposes of this Paragraph (e) each an “**Original Transaction**”) to another Non-Clearing Member or Registered Customer, respectively, (for the purposes of this Paragraph (e) the “**Transferee**”) and to the Transferee's Clearing Member (for the purposes of this Paragraph (e) the “**Transferee Clearing Member**”) provided that the Transferee Clearing Member holds the applicable Clearing License for such Original Transactions and has given its prior consent to the transfer.

Any such transfer shall occur by way of novation and, subject to the provisions of the Special Clearing Provisions, (i) the parties to the relevant Original Transaction shall be released from their obligations to each other under such Original Transaction (provided that any outstanding obligations relating to payments and deliveries that have become due, but have not been paid or delivered on or before the date of novation shall continue to exist under the contractual provisions of the Original Transaction, but shall be deemed to have

been discharged under the newly established Transactions) and (ii) new Transactions between (x) the Transferee and the Transferee Clearing Member and (y) the Transferee Clearing Member and Eurex Clearing AG shall be established on terms identical to the relevant Original Transaction pursuant to the terms of the relevant Standard Agreement, as applicable to such Transferee and Transferee Clearing Member.

- (f) (i) In the case of a transfer of a Transaction which is subject to the ICM-CCD Provisions or (ii) in the case of a transfer of a Transaction which shall become subject to the ICM-CCD Provisions after such transfer, Paragraphs (a) through (c) and Paragraph (e) shall only apply with respect to Transactions subject to a Standard Agreement pursuant to the Clearing Conditions. For the avoidance of doubt, the transfer of a Transaction by way of novation or otherwise which is or shall become subject to a Client Clearing Agreement with a Non-Clearing Member or Registered Customer, as the case may be, (as defined in Part C, Subpart D, Number 2.1.1 of the Individual Clearing Model Provisions), will be novated or established on identical terms pursuant to the terms of such Client Clearing Agreement.

(7) Restrictions

- (a) With regard to any single Transaction, unless explicitly stated in the Clearing Conditions, neither party shall have a contractual right to rescission (*Rücktrittsrecht*) or termination (*Kündigungsrecht*) for reason of errors, price corrections or similar causes or for any adjustment of such Transaction.
- (b) Any statutory rights of rescission or termination with regard to any single Transaction shall be excluded unless such right is based on a breach of duty (*Pflichtverletzung*) Eurex Clearing AG is responsible for (*Vertretenmüssen*). The right for termination of the Clearing Agreement for serious cause (*aus wichtigem Grund*) shall remain unaffected.
- (c) A party to a Transaction may not avoid such Transaction (*anfechten*) for mistake (*Irrtum*) or incorrect transmission (*falsche Übermittlung*). To the extent that German law governs the relevant legal relationship, the statutory right of avoidance for wilful deceit (*arglistige Täuschung*) or unlawful threat (*widerrechtliche Drohung*) shall remain unaffected.
- (d) All claims for unjust enrichment or similar claims against Eurex Clearing AG, if any, which may arise in connection with an abstract novation under these Clearing Conditions are excluded. The novation of the Original OTC Transaction shall, however, not exclude any claims for unjustified enrichment (*ungerechtfertigte Bereicherung*), or any other restitution or compensation claims under any applicable laws, between the parties to the Original OTC Transaction. Neither the valid existence of an Original OTC Transaction nor the conformity of the transmitted trade details of the Original OTC Transaction with

The relevant Clearing Member is obliged to obtain the required instruction from the relevant Non-Clearing Member or Registered Customer before initiating any such amendment or termination.

This Number 1.2.3 Paragraph (2) shall not apply in the case of the Clearing of Transactions pursuant to the ICM-CCD Provisions. - (1) The value of any Eligible Margin Asset actually delivered (as defined in the Elementary Clearing Model Provisions, the Individual Clearing Model Provisions or the Net Omnibus Clearing Model Provisions) in respect of Margin or Variation Margin, Segregated Margin or Segregated Variation Margin, Net Omnibus Margin or Net Omnibus Variation Margin, as applicable, will be based on the latest valuation method and haircuts determined by Eurex Clearing AG from time to time in its reasonable discretion and published in accordance with Number 16.2.
- (2) If Eligible Margin Assets in the form of cash are provided in a currency other than the Clearing Currencies, the relevant cash amount shall – for the purpose of assessing compliance with the Margin Requirement – be deemed to have been actually delivered on the Business Day following confirmation by Eurex Clearing AG’s receiving account bank of the receipt of such cash amount vis-à-vis Eurex Clearing AG.
- (3) If Eligible Margin Assets in the form of Securities are credited to the Pledged Securities Account or Securities Margin Account, as applicable, such Securities shall – for the purpose of assessing compliance with the Margin Requirement – be deemed to be actually delivered immediately after notification by Clearstream Banking AG, Clearstream Banking S.A. or by SIX SIS AG of such credit. If such notification occurs after the cut-off time specified by Eurex Clearing AG from time to time with respect to each of Clearstream Banking AG, Clearstream Banking S.A. or SIX SIS AG, as applicable, such Securities shall – for the purpose of assessing

compliance with the Margin Requirement – be actually delivered on the Business Day following such confirmation.

- (4) Currency amounts or Securities actually delivered in respect of Margin or Segregated Margin, as applicable, which are no longer accepted by Eurex Clearing AG as Eligible Margin Assets will be disregarded for the purpose of assessing compliance with the Margin Requirement; the relevant Redelivery Claim (as defined in the Elementary Clearing Model Provisions, the Individual Clearing Model Provisions or the Net Omnibus Clearing Model Provisions, as applicable) with respect to any such assets shall remain unaffected. Eurex Clearing AG will, without undue delay, inform the Clearing Members (and in respect of Covered Transactions the ICM Clients) of any currency amounts or Securities that are no longer accepted in satisfaction of their respective Margin Requirements.

- 3.2.3 Deliveries of currency amounts or Securities not accepted by Eurex Clearing AG as Eligible Margin Assets to Eurex Clearing AG shall be returned without undue delay.

3.3 Margin Call

If with respect to the relevant Standard Agreement, the aggregate value of the Eligible Margin Assets actually delivered to Eurex Clearing AG in respect of the Margin or the Segregated Margin, as applicable, is insufficient to provide the cover required to comply with the relevant applicable Margin Requirement, Eurex Clearing AG will require the Clearing Member to deliver (additional) Eligible Margin Assets in an amount up to the Margin Requirement and by the time specified by Eurex Clearing AG (a “**Margin Call**”) in accordance with the specific provisions of the Elementary Clearing Model Provisions, the Individual Clearing Model Provisions or the Net Omnibus Clearing Model Provisions, as applicable.

3.4 Currency Conversion, Use of Cash Margin and Income on Margin Assets

- 3.4.1 If at any time a conversion of a currency amount which is not denominated in a Clearing Currency is necessary in order to calculate the Margin Requirement or to assess compliance therewith, Eurex Clearing AG shall use a commercially reasonable exchange rate prevailing as at such time.
- 3.4.2 Eurex Clearing AG reserves the right to make use of Eligible Margin Assets actually delivered in the form of cash in its sole discretion in the context of its business activity in order to ensure its capacity to operate as a clearing house as well as for investment purposes. Eurex Clearing AG shall also be entitled to use securities purchased in such investment transactions for purposes of liquidity management and liquidity generation in relation to its clearing activities in form of repo transactions with business parties according to Chapter IV Part 1 Number 1.1.1 Paragraph (2) (a) – (f) or as collateral towards a central bank.
- 3.4.3 The use of Eligible Margin Assets in form of Securities actually delivered shall be subject to the specific provisions of the Elementary Clearing Model Provisions, the Individual Clearing Model Provisions or the Net Omnibus Clearing Model Provisions.

3.4.4 Eurex Clearing AG may agree from time to time to pay interest on Eligible Margin Assets in the form of cash actually delivered by a Clearing Member to Eurex Clearing AG in respect of Margin. Any income on Eligible Margin Assets in form of Securities actually delivered by a Clearing Member to Eurex Clearing AG in respect of Margin shall be subject to the specific provisions of the Elementary Clearing Model Provisions, the Individual Clearing Model Provisions or the Net Omnibus Clearing Model Provisions.

3.4.5 Eurex Clearing AG may demand from a Clearing Member the reimbursement of expenses arising from the investment of the cash actually delivered in respect of Margin. A liability for reimbursement exists for expenses such as negative interest rates, penalty fees, commissions and other payments with a similar effect which are determined by the accounting central bank or accounting commercial bank in respect of the respective cash funds.

3.5 **Supplementary Margin**

- (1) Eurex Clearing AG shall be entitled to demand at any time during a Business Day from such Clearing Member a higher or supplementary margin in the form of Eligible Margin Assets ("**Supplementary Margin**") in an amount adequate to secure all of Eurex Clearing AG's claims (including conditional claims) under any Standard Agreement with such Clearing Member, if the prerequisites of Paragraph (2) have been fulfilled. This applies even if Eurex Clearing AG has initially refrained, wholly or partly, from demanding any Supplementary Margin.
- (2) Eurex Clearing AG's claim for the provision of Supplementary Margin shall always be based on the precondition that Eurex Clearing AG becomes aware of any of the following circumstances, which justify a higher risk assessment of Eurex Clearing AG's claims against the Clearing Member. This may, in particular, be the case, if:
 - (a) the economic conditions of the Clearing Member have adversely changed or threaten to adversely change, e.g. upon the occurrence of extraordinary losses of the Clearing Member or the deterioration of the credit standing of the Clearing Member,
 - (b) portfolio risks in the form of cluster risks occur,
 - (c) the legal or regulatory framework for the exercise of rights or the fulfilment of obligations of Eurex Clearing AG or the Clearing Member under or in relation to the Clearing Agreements adversely changes (e.g. if trade restrictions are imposed, the determination of currency exchange rates is regulated or Eurex Clearing AG is required to demand additional margin),
 - (d) the liquidity of certain products or markets in or in relation to which the Clearing Member conducts business, materially decreases,

- (e) the recognised risk models change (e.g. by inclusion of new risk factors, exclusion of existing risk factors or changes in the assessment of time-related dependencies or the correlation of risk factors), or
 - (f) unanticipated market developments or political events occur which have not been considered previously in the risk assessment of Eurex Clearing AG with respect to the Clearing Member.
- (3) Eurex Clearing AG shall have the right to demand the provision of Supplementary Margin, irrespective of whether Eurex Clearing AG has already exercised Margin Calls vis-à-vis the Clearing Member.
- (4) Eurex Clearing AG shall, in view of the prevailing circumstances, allow a reasonable period of time for the provision of Supplementary Margin by the Clearing Member. If Eurex Clearing AG intends to make use of a termination right with respect to one or several Clearing Agreements with such Clearing Member in the event that the Clearing Member fails to fulfil its obligation to provide Supplementary Margin in due time, it shall inform the Clearing Member thereof when demanding the provision of Supplementary Margin.
- (5) Supplementary Margin shall be provided by the Clearing Member in accordance with Chapter I Part 2 Number 6.5 and 6.6. Supplementary Margin provided to Eurex Clearing AG shall constitute Margin and be subject to the Elementary Clearing Model Provisions and the provisions of Paragraph (6), but shall not limit the right of Eurex Clearing AG to exercise Margin Calls.
- (6) After and to the extent that the risks leading to the provision of Supplementary Margin have ceased or Eurex Clearing AG has otherwise covered such risks vis-à-vis the Clearing Member, Eurex Clearing AG shall – subject to the occurrence of a Termination Date – be obliged to return or, as applicable, release to the Clearing Member such Supplementary Margin.

Where, in case of Paragraphs (5) to (12), with respect to a Relevant Liquidation Group the (Further) Contributions to the General Clearing Fund of several Non-Affected Clearing Members are still available and the amount needed to discharge the claims in respect of the Relevant Liquidation Group is lower than such available (Further) Contributions, with respect to each such Non-Affected Clearing Member's (with respect to Paragraphs (5) and (6) and Paragraphs (9) and (10) limited to Non-Bidding-Participants) only the Non-Affected Clearing Member's Ratio shall be realised under the relevant Paragraph.

- 6.2.2 If subsequently to a realisation of the General Clearing Fund an Affected Clearing Member makes a payment to Eurex Clearing AG to fulfil the General Clearing Fund Secured Claims, or if the General Clearing Fund Secured Claims are otherwise discharged, after Eurex Clearing AG has realised the Dedicated Amount or (Further) Contributions of Non-Affected Clearing Members to the General Clearing Fund, Eurex Clearing AG shall use the funds received in order to (i) repay the realised Further Contributions to the relevant Non-Affected Clearing Member(s), (ii) repay the realised Contributions to the General Clearing Fund to the relevant Non-Affected Clearing Member(s) and (iii) reinstate the realised Dedicated Amount. The payments by Eurex Clearing AG shall be made in reverse order of Number 6.2.1 and shall in the aggregate be limited to the amounts received by Eurex Clearing AG.

- (1) the Affected Clearing Member may also be realised to cover the Credit Clearing Fund Secured Claims in accordance with Chapter VIII Part 2 Number 2.1.9.2 Paragraph (2),
 - (2) a Clearing Member may also be realised to cover the General Clearing Fund Secured Claims (and, in the case of the Affected Clearing Member, also the Credit Clearing Fund Secured Claims) in respect of the losses and financial consequences of a default by itself or by any other Clearing Member with respect to their obligations arising out of the Clearing of Transactions in cooperation with the Link Clearing House; in this case, (a) to the extent that General Clearing Fund Secured Claims are covered, Numbers 6.2.1, 6.2.2, 6.3 and 6.4, and (b) to the extent that Credit Clearing Fund Secured Claims are covered, Chapter VIII Part 2 Number 2.1.9, shall apply *mutatis mutandis*.

6.3 **Further Contributions to the Clearing Funds (Assessments); Replenishment of Contributions to the Clearing Funds**

If, following a Realisation Event, Eurex Clearing AG determines that the Contributions of the Non-Affected Clearing Members may not be sufficient to cover the respective claims secured by the respective Clearing Fund in accordance with Number 6.2.1 above, it shall at its discretion be entitled to require from the Non-Affected Clearing Members, within a Capped Period, by making one or several demands, and the Non-Affected Clearing Members shall, subject to the Liability Cap, be obliged to make, further Contributions ("**Further Contributions**") to the relevant Clearing Fund, in each case as soon as possible but no later than one Business Day following receipt of Eurex Clearing AG's demand.

The "**Liability Cap**" for each Non-Affected Clearing Member shall, with respect to each Clearing Fund, be two times the originally applicable Contribution Requirement to the relevant Clearing Fund for such Non-Affected Clearing Member and shall apply for the relevant Capped Period.

A “**Capped Period**” shall, with respect to each Clearing Fund, be a period of twenty (20) Business Days which shall commence on the Termination Date (affecting the relevant Clearing Fund) and which, if one or more further Termination Date(s) (affecting the relevant Clearing Fund) occur within such twenty (20) Business Day period shall, in the case of each such further Termination Date, be extended by twenty (20) Business Days from (and including) the relevant further Termination Date, subject to a maximum duration of three (3) months. If, following the occurrence of a Termination Date (affecting a Clearing Fund), the relevant Clearing Fund will not be realised, the Capped Period shall end upon finalisation of the default management process with respect to such Termination Date as notified by Eurex Clearing AG to the Clearing Members.

A Non-Affected Clearing-Member shall not be obliged to pay Further Contributions, if the respective Non-Affected Clearing-Member has terminated its CD Clearing License (with respect to a replenishment of the Credit Clearing Fund) or all of its Clearing Licenses (with respect to a replenishment of the General Clearing Fund) and such terminations have become effective prior to the start of the respective Capped Period. If a Clearing Member which has terminated all its Clearing Agreements with Eurex Clearing AG has not settled all its Transactions within a Capped Period, such Clearing Member remains liable for any subsequent Capped Period(s) in accordance with the foregoing sentence until it is no longer a party to any Transactions with Eurex Clearing AG.

Without undue delay after the end of each Capped Period each Non-Affected Clearing Member shall be obliged to replenish the relevant Clearing Fund(s) up to the relevant Contribution Requirement applicable to it; this shall not apply if a Non-Affected Clearing Member has terminated (with respect to a replenishment of the Credit Clearing Fund) its CD Clearing License or (with respect to a replenishment of the General Clearing Fund) all its other Clearing Licenses and the relevant terminations have become effective before such replenishment obligation has become due.

6.4 Release of the Contributions to the General Clearing Fund

If Eurex Clearing AG or a Clearing Member terminates all its Clearing Licenses (except for the CD Clearing License), Eurex Clearing AG shall release the Contributions of the respective Clearing Member to the General Clearing Fund as follows:

- (a) if no Capped Period has commenced at the time of the termination, at the later of (x) the effective date of such termination and (y) one month after the day upon which all Transactions in the accounts of the respective Clearing Member (which has contributed to the relevant Clearing Fund) have been settled; and

relevant Residual Auction Units without undue delay after the DM Auction, at its Pro Rata Share of the highest Auction Price (as defined in the DM Auction Rules) for any Auction Unit that was accepted by Eurex Clearing AG for an Auction Unit in the respective DM Auction (the “**Residual Auction Unit Price**”).

- (bb) Thereafter Eurex Clearing AG may offer any Residual Auction Units outstanding at the time of such offer to each Non-Bidding Participant at a price determined by Eurex Clearing AG on the basis of the then prevailing market conditions. If a Non-Bidding Participant accepts any offer under (aa) or (bb) (each a “**Residual Settlement**”), no contractual penalty pursuant to paragraph (a) and (c) above shall be payable by such Non-Bidding Participant, provided that any contractual penalty pursuant to paragraph (a) and (c) above which has already been received by Eurex Clearing AG from such Non-Bidding Participant shall not be re-paid by Eurex Clearing AG. If the Residual Settlement results in a split of the relevant DM Auction Transactions in accordance with the relevant Pro Rata Share of any Non-Bidding Participant, Eurex Clearing AG shall, in its reasonable discretion, be entitled to allocate rumps to Non-Bidding Participants as part of a Residual Settlement.

Any amount received by Eurex Clearing AG under paragraph (a) above shall be added to, and forthwith be part of, the Dedicated Amounts of Eurex Clearing AG in accordance with Number 6.1.3.

Each Non-Bidding Participant is required to take all such steps, to make all further statements and to comply with all such formalities as may be reasonably required or desirable to perfect or more fully evidence the Residual Settlement made in accordance with this Paragraph (5).

- (6) If the applicable Auction Format (as defined in the DM Auction Rules) is “Multi Unit – Pay as you bid” in accordance with the DM Auction Rules, Eurex Clearing AG shall, with respect to any particular Auction Unit, be obliged to accept the highest valid Bid.
- (7) A (Mandatory) Bid is only valid, if such Bid is economically reasonable (taking into account the current market conditions on the Acceptance Date), irrespective of whether Bids were submitted for all Auction Units of the respective DM Auction.

A Bid is generally economically reasonable if the relevant bidder participating in a DM Auction provides, in respect of the relevant Auction Unit, two bids on the following basis: (a) one bid for an Auction Unit based on the portfolio comprising the DM Auction Transactions and (b) one bid for an auction unit based on a portfolio comprising transactions opposite to the DM Auction Transactions, and if the spread between the two Bids for the respective Auction Unit does not exceed the initial margin requirement of this Auction Unit, as indicated by Eurex Clearing AG in the Specific Terms applicable to such Auction Unit.

Eurex Clearing AG will not disclose to the bidders which of the two portfolios comprises the DM Auction Transactions and which comprises the opposite transactions. The binding Bid only relates to the Auction Unit.

Bids which are not valid are deemed not to have been provided and will not be accepted by Eurex Clearing AG.

7.5.4 Eurex Clearing AG's right to terminate Transactions

- (1) If (a) Eurex Clearing AG determines in its reasonable discretion that none of the default management measures described above in this Number 7.5 was or will be successful or suitable to fully mitigate its risks resulting from a Termination; and (b) in a DM Auction there was no valid Bid for any DM Auction Unit in accordance with the DM Auction Rules, Eurex Clearing AG may terminate (*kündigen*) Transactions with Clearing Members (in whole or in part) in accordance with the requirements set out in this Number 7.5.4 by giving a notice to the respective Clearing Member specifying the date on which the termination shall become effective.
- (2) Eurex Clearing AG has the right to terminate a Transaction (in whole or in part) pursuant to Paragraph (1) above, if the following conditions are complied with:
 - (a) (i) the terms of such Transaction are reciprocal to the terms of a Terminated Transaction or (ii) such Transaction is a DM Hedging Transaction or the terms of such Transaction are equivalent to the Terms of a DM Hedging Transaction (the Transactions under (i) and (ii) together the "**Relevant Transactions**" and each a "**Relevant Transaction**"), or
 - (b) if there are less than five Relevant Transactions, (i) such Transactions the terms of which are similar to the terms of the Relevant Transactions and (ii) the Relevant Transactions (together the "**Extended Relevant Transactions**" and each a "**Extended Relevant Transaction**");

where:

"**reciprocal**" shall mean that the Transaction to be terminated has terms which are reciprocal to the Terminated Transaction and (i) is of the same Transaction Type as a Terminated Transaction, (ii) provides for the same settlement date as the settlement date of a Terminated Transaction, and (iii) the payments to be made on the settlement date and/or any applicable rates, premiums, spreads or rebates accruing under the Transaction are identical to those of a Terminated Transaction;

"**equivalent**" shall mean that the Transaction to be terminated (i) is of the same Transaction Type as a DM Hedging Transaction, (ii) provides for the same settlement date as the settlement date of a DM Hedging Transaction, and (iii) the payments to be made on the settlement date and/or any applicable rates, premiums, spreads or rebates accruing under the Transaction are identical to those of a DM Hedging Transaction; and

“**similar**” shall mean that the Transaction to be terminated has terms which are reciprocal to a Terminated Transaction or has terms which are similar to a DM Hedging Transaction and (i) is of the same Transaction Type as a Terminated Transaction or a DM Hedging Transaction, as the case may be, (ii) provides for a settlement date which does not fall more than three months prior to or after the settlement date of a Terminated Transaction or DM Hedging Transaction, and (iii) relates to or will be settled in the same currency, security, right, financial instrument or asset as a Terminated Transaction or DM Hedging Transaction.

- (3) If Eurex Clearing AG determines that there are
- (a) more than five Relevant Transactions, Eurex Clearing AG shall be entitled to terminate such Relevant Transactions, or
 - (b) less than five Relevant Transactions, Eurex Clearing AG shall be entitled to terminate the Extended Relevant Transactions,
- in each case partially so that the proportion (subject to any suitable roundings up or down) of the terminated Relevant Transactions (in the case of (a)) or the terminated Extended Relevant Transactions (in the case of (b)) of a Clearing Member to all Relevant Transactions (in the case of (a)) or all Extended Relevant Transactions (in the case of (b)) held by such Clearing Member is equal in each case, provided that any such pro rata termination may not cause that any Relevant Transaction or Extended Relevant Transaction is no longer complying with the applicable Clearing Conditions (e.g., with respect to any applicable minimum contract sizes).
- (4) After the termination of a Relevant Transaction or an Extended Relevant Transaction (in whole or in part, as relevant) pursuant to this Number 7.5.4, a respective termination amount in the form of cash and in the Clearing Currency shall become due and payable by a party to such Relevant Transaction or Extended Relevant Transaction. Such termination amount shall be determined on the basis of the last available market price as determined by Eurex Clearing AG (e.g., the latest settlement price published by Eurex Clearing AG). Eurex Clearing AG will notify the respective Clearing Members of the determined termination amount.
- (5) If Eurex Clearing AG terminates a Covered Transaction pursuant to the ICM-ECD Provisions in accordance with this Number 7.5.4, the Corresponding Covered Transaction shall be terminated at the same time and at the same terms. Paragraph (4) applies *mutatis mutandis* to such Corresponding Covered Transaction.
- (6) If Eurex Clearing AG terminates a Non-Covered Transaction which is an NCM-Related Transaction or RC-Related Transaction in accordance with this Number 7.5.4 or terminates a Covered Transaction pursuant to the ICM-CCD Provisions, the corresponding Transaction between the Clearing Member and the relevant Non-Clearing Member or Registered Customer, as the case may be, may also be terminated by the Clearing Member at the same time and at the same terms.

7.5.5 Default Simulations

Eurex Clearing AG will arrange for at least one and no more than three default simulations per year to ensure the best practicable level of preparation for any default of a Clearing Member (the “**Default Simulation**”) and the Clearing Members shall support Eurex Clearing AG in carrying out any such Default Simulation.

Upon request of Eurex Clearing AG, each Clearing Member shall in the course of such Default Simulations act as potential counterparty for a simulated DM Hedging Transaction and shall support any simulated DM Auction, as further described in Number 7.5.3, with respect to the Liquidation Groups that such Clearing Member is active in.

8 Replacement of Clearing Member

The Non-Clearing Member or Registered Customer, respectively, may effect a replacement of its Clearing Member in accordance with Number 9 of the Elementary Clearing Model Provisions, Subpart B Number 7 of the Individual Clearing Model Provisions or Number 9 of the Net Omnibus Clearing Model Provisions.

9 Termination Rules with respect to Eurex Clearing AG

If at any time a Failure to Pay Event (as defined below) or an Insolvency Event (as defined below) has occurred with respect to Eurex Clearing AG, the following applies:

- 9.1 All current or future primary obligations (including payment and delivery obligations) arising from all Transactions and all Redelivery Claims under the relevant Standard Agreement between Eurex Clearing AG and the relevant Clearing Member in accordance with Numbers 2.1.4, 10.2.2 and 10.2.3 of the Elementary Clearing Model Provisions Subpart A, Number 2.1.2 of the Individual Clearing Model Provisions or Number 2.1.2 of the Net Omnibus Clearing Model Provisions, respectively, shall expire and may no longer be performed by the relevant obligor. Further all due but unsatisfied obligations to deliver Margin or Variation Margin, Segregated Margin or Segregated Variation Margin, Net Omnibus Margin or Net Omnibus Variation Margin, as applicable, under the relevant Standard Agreement expire. These expired primary obligations and delivery obligations, respectively, are reflected by the difference claim pursuant to Number 9.2 below.
- 9.2 By signing the Clearing Agreement a difference claim of either party to the relevant Standard Agreement between Eurex Clearing AG and the relevant Clearing Member is created. This difference claim shall become unconditional and immediately due against the respective other party upon the expiry of the primary obligations and delivery obligations, respectively, referred to in Number 9.1, and shall be determined on the basis of the Market or Exchange Prices applicable with respect to the relevant terminated Transactions or Redelivery Claims on the second Business Day following (i) the Failure to Pay Event or (ii) the Insolvency Event. Numbers 7.3.1 through 7.3.4 shall apply *mutatis mutandis*.
- 9.3 The following events shall constitute a Failure to Pay Event or an Insolvency Event with respect to Eurex Clearing AG:

- (1) A “**Failure to Pay Event**” occurs if (a) a Payment Default or (b) a Non-Payment of the Cash Settlement Amount following a Delivery Default (each as defined below) occurs.
- (2) An “**Insolvency Event**” occurs if the *Bundesanstalt für Finanzdienstleistungsaufsicht* files a petition for the opening of insolvency proceedings over the assets of Eurex Clearing AG.

9.3.1 A “**Payment Default**” occurs if:

- (1) Eurex Clearing AG fails to make, when due, any payment (other than a payment of the Cash Settlement Amount following a Delivery Default) in respect of a payment claim of a Clearing Member against Eurex Clearing AG arising from a Transaction;
- (2) Eurex Clearing AG has received written notice (*Textform*) of such failure by the relevant Clearing Member (“**First Notification**”);
- (3) Eurex Clearing AG has received a further written notice (*Textform*) of such failure after the expiry of a period of not less than three (3) calendar days after receipt of the First Notification (“**Second Notification**”); and
- (4) Eurex Clearing AG's failure to make such payment to such Clearing Member continues – subject to the following paragraph – for a period of at least two (2) calendar days after the Second Notification, provided that the last day of such period shall be a Business Day.

For the purposes of this Number 9.3.1, a payment will be considered not to have been made by Eurex Clearing AG if no corresponding amount has been credited to the relevant account of the relevant Clearing Member. Delays in effecting such credit for technical reasons (i) which are outside the control of Eurex Clearing AG, as explained in writing (*Textform*) to the Clearing Member without undue delay, shall only lead to a Payment Default if Eurex Clearing AG's failure to make such payment to such Clearing Member continues for a period of one (1) calendar month after receipt of the Second Notification and (ii) which are within the control of Eurex Clearing AG shall, only lead to a Payment Default if Eurex Clearing AG's failure to make such payment to such Clearing Member continues for a period of ten (10) Business Days after receipt of the Second Notification. In the event of (i) Eurex Clearing AG shall use reasonable endeavours to effect such credit as soon as practicable. Eurex Clearing AG will notify the relevant Clearing Member without undue delay whether there is a case of (i) or (ii).

9.3.2 A “**Non-Payment of the Cash Settlement Amount following a Delivery Default**” occurs if with respect to a Transaction:

- (1) a Delivery Default; and
- (2) a Cash Settlement Payment Default occurs.

9.3.3 A “**Delivery Default**” occurs if:

- (1) Eurex Clearing AG fails to satisfy, when due, any delivery obligation of a Clearing Member arising from a Transaction;
- (2) Eurex Clearing AG has received, after the expiry of a period of not less than five (5) calendar days following the due date, written (*Textform*) notice from such Clearing Member making reference to this Number 9.3.3 and requesting Eurex Clearing AG to fulfil such delivery obligation (“**First Delivery Request**”);
- (3) Eurex Clearing AG has received from such Clearing Member a further written (*Textform*) notice requesting Eurex Clearing AG to fulfil such delivery obligation after the expiry of a further period of not less than ten (10) calendar days after receipt of the First Delivery Request (“**Second Delivery Request**”); and
- (4) Eurex Clearing AG has, after the expiry of a further period of not less than ten (10) calendar days after receipt of the Second Delivery Request, received a written (*Textform*) request of such Clearing Member for cash settlement of the relevant delivery obligation from Eurex Clearing AG (“**Cash Settlement Request**”).

Delays in effecting a delivery for technical reasons shall not lead to a Delivery Default. Upon receipt of a Cash Settlement Request by a Clearing Member (the date of such request, the “**Cash Settlement Request Date**”) Eurex Clearing AG shall no longer be obliged to make any delivery under the relevant Transaction. This obligation shall be replaced by an obligation of Eurex Clearing AG to pay to the Clearing Member the Cash Settlement Amount under the relevant Transaction (each a “**Cash-settled Transaction**”). For the avoidance of doubt, a failure to deliver under an Eurex Repo Transaction as described in Chapter IV Number 2.6 Paragraph (1) (a) (Failure to Deliver on the delivery date of the Front Leg) shall not give rise to a Failure to Pay Event pursuant to Number 9.3 Paragraph (1).

9.3.4 A “**Cash Settlement Payment Default**” occurs if:

- (1) Eurex Clearing AG has, after the expiry of a period of not less than three (3) calendar days following the Cash Settlement Request Date, received the written (*Textform*) request of the Clearing Member to pay to it the Cash Settlement Amount (“**Cash Settlement Payment Request**”); and
- (2) Eurex Clearing AG fails – subject to the following paragraph –, after the expiry of a further period of not less than two (2) calendar days after the receipt of Cash Settlement Payment Request (with the proviso that the last day of such period shall be a Business Day to pay to such Clearing Member the Cash Settlement Amount.

For the purposes of this Number 9.3.4, a payment will be considered not to have been made by Eurex Clearing AG if no corresponding amount has been credited to the relevant account of the relevant Clearing Member. Delays in effecting such credit for technical reasons for which Eurex Clearing AG (i) is not responsible, as explained in writing (*Textform*) to the Clearing Member without undue delay, shall not lead to a Cash Settlement Payment Default, (ii) is responsible shall only lead to a Cash Settlement

Payment Default if Eurex Clearing AG's failure to make such payment to such Clearing Member continues for a period of ten (10) Business Days after receipt of the Cash Settlement Request.

9.3.5 For the purposes of this Number 9.3, "Cash Settlement Amount" means an amount determined by the Calculating Party (as defined in Paragraph (4) below) as follows:

- (1) The Default Value of the assets which are the subject of the Delivery Default (the "**Non-Delivered Assets**") and the amount of the corresponding payment obligation of the Clearing Member shall be established by the Calculating Party.
- (2) On the basis of the sums so established, account shall be taken of what is due from each party to the other under the relevant Transaction and the sums due from one party shall be set off against the sums due from the other and only the balance of the account shall be payable (by the party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be due and payable on the next following day which is a Business Day. For the purposes of this calculation, all sums not denominated in Euro shall be converted into Euro at the then current rate of exchange, as determined by the Calculating Party.
- (3) "**Default Value**" means, with respect to any Non-Delivered Assets, the value of such assets determined by the Calculating Party by applying the following method:

The basis for this calculation shall be the settlement price determined by Eurex Clearing AG for Transactions to which the Non-Delivered Assets relate on the Business Day immediately prior to the Cash Settlement Request Date. In the event that (i) Eurex Clearing AG has not determined a settlement price for Transactions to which the Non-Delivered Assets relate on the Business Day immediately prior to the Cash Settlement Request Date or (ii) Eurex Clearing AG has determined such settlement price, but such settlement price does not reasonably accurately reflect the value of such transactions that would have been obtained from the relevant market if it were operating normally, the Calculating Party shall choose from among the Clearing Members being admitted at the relevant Market three Clearing Members who shall determine a market price of the Non-Delivered Assets. The average of the quoted prices (mid market offer) shall be the Default Value of the Non-Delivered Assets. If less than three quotations are provided as requested, the Calculating Party shall determine a settlement price for Transactions to which the Non-Delivered Assets relate acting in good faith and by using commercially reasonable procedures expected to produce a commercially reasonable result.

- (4) "**Calculating Party**" means, for the purposes of this Number 9.3, Eurex Clearing AG unless Eurex Clearing AG is, for operational reasons, unable to make one or more calculations or determinations required to be made under this Number 9.3. In such event, Eurex Clearing AG shall promptly notify the relevant Clearing Member and "**Calculating Party**" then means such Clearing Member.

9.4 Rights of Eurex Clearing AG in respect of Transactions with other Clearing Members upon a Failure to Pay Event

9.4.1 Termination of Transactions in case of a Cash-settled Transaction

- (1) When Eurex Clearing AG has determined a Cash Settlement Amount for Non-Delivered Assets according to Number 9.3, Eurex Clearing AG shall be entitled to terminate Transactions with other Clearing Members pursuant to which Eurex Clearing AG has a due claim to receive Securities of the same kind.
- (2) Eurex Clearing AG will terminate Transactions pursuant to Paragraph (1) above in the following order:
 - (a) the Transaction which is due for the longest period of time and as far as Transactions are due since the same period of time,
 - (b) the Transaction with the highest nominal of Securities to be delivered under this Transaction,
 - (c) the Transaction with the second, third, forth etc. highest nominal of Securities to be delivered under the relevant Transaction, until Eurex Clearing AG has terminated Transactions up to an amount of Securities which covers the original Transaction with respect to which Eurex Clearing AG is performing the Cash Settlement Payment.

As far as necessary Eurex Clearing AG is also entitled to terminate Transactions in part to meet the amount of Securities which covers the original size of the Cash-settled Transaction with respect to which Eurex Clearing AG has determined the Cash Settlement Amount.
- (3) After the termination of a Transaction pursuant to Paragraph (1) above, the Clearing Member is no longer entitled to fulfil its original obligation by delivering the Non-Delivered Assets to Eurex Clearing AG. Eurex Clearing is entitled to a cash settlement of this Transaction. The Cash Settlement Amount shall be determined in accordance with the provisions of Number 9.3.5. Eurex Clearing AG will notify the respective Clearing Members of the termination and the determined Cash Settlement Amount.
- (4) Termination of a Transaction pursuant to Paragraph (1) above shall result in a termination of the Corresponding Covered Transaction pursuant to the ICM-ECD Provisions. Paragraph (3) applies *mutatis mutandis* to such Corresponding Covered Transaction.

9.4.2 Termination of Transactions in case of a general Close-Out

If incompletely settled or unfulfilled Transactions of the relevant Markets are terminated by a Clearing Member following a Failure to Pay Event, Eurex Clearing AG, for its part, shall be entitled to terminate Transactions with other Clearing Members of any of the relevant Markets pursuant to which Eurex Clearing AG has a corresponding claim to

receive Securities or payment. For the determination of such Transactions to become terminated Number 9.4.1 will apply accordingly.

10 Default Rules applicable to a Non-Clearing Member

10.1 If a Non-Clearing Member fails to provide the margin requested by its Clearing Member or fails to pay or deliver any Security or other asset or amount due under a Transaction or under the Clearing Agreement, or under a Transaction pursuant to a Client Clearing Agreement (as defined in Subpart D Number 2.1.1 of the Individual Clearing Model Provisions), as the case may be, the Management Board of the respective Market may – upon written request by the Clearing Member – exclude such Non-Clearing Member from trading on the respective Market or restrict the trading by the Non-Clearing Member to certain Transaction Types or specified products (the clearing of which is carried out by Eurex Clearing AG) or, in case of FWB Transactions, to certain login names or certain identifier codes (trading locations) for the duration of such failure in accordance with the rules and regulations of such Market. Eurex Clearing AG shall immediately be informed about the submission of such request by such Clearing Member.

As of the time of decision by the Management Board of the respective Market pursuant to Number 10.1, the affected Non-Clearing Member is no longer entitled to conclude Transactions included in this decision under the Clearing Agreement.

10.2 For Clearing Members with a Clearing License for Eurex Transactions (Chapter II), FWB Transactions (Chapter V) or EEX Transactions (Chapter VII), the following specific provisions apply:

10.2.1 In case a Non-Clearing Member which is admitted to trading on the Eurex Exchanges, the FWB or the EEX does not fulfil the Additional Terms pursuant to Number 12, or if the Non-Clearing Member fails to provide the margin requested by its Clearing Member or fails to pay or deliver any amount due under Transactions or under the Clearing Agreement or the Client Clearing Agreement (as defined in Subpart D Number 2.1.1 of the Individual Clearing Model Provisions), as the case may be, the respective Clearing Member may – instead of a written application pursuant to Number 10.1 – declare vis-à-vis the respective Market and Eurex Clearing AG by way of a respective entry (“**Stop Button**”) in the systems of the Eurex Exchanges, the FWB, the EEX or the system of Eurex Clearing AG (hereinafter jointly referred to as “**System**”) pursuant to Number 12.3 that it is no longer willing to conduct the Clearing of Eurex Transactions, FWB Transactions and EEX Transactions of the concerned Non-Clearing Member on the respective Market or the Markets. In case of FWB Transactions, the Clearing Member must notify the respective Non-Clearing Member of the use of the Stop Button without delay.

10.2.2 By way of such a system entry, the Clearing Member at the same time applies to the respective Market or Markets and Eurex Clearing AG that the respective Non-Clearing Member shall be excluded from trading on the respective Market or Markets for the duration of non-fulfilment of its above-mentioned duties and that the authorisation to participate in the Clearing of OTC Transactions concluded off-exchange and novated via

entry into the OTC Trade-Entry Facility shall be revoked. In this case, the provisions pursuant to Number 12.6 and 12.7 shall apply.

- 10.3 If a Non-Clearing Member has been excluded from trading on one of the Markets or has been restricted to the trading of certain Transaction Types or specified products (the clearing of which is carried out by Eurex Clearing AG) or, in case of FWB Transactions, to certain login names or certain identifier codes (trading locations), the Clearing Member may, upon prior notification to Eurex Clearing AG, close the Transactions of such Non-Clearing Member itself or transfer such Transactions to another Clearing Member.

The notification to Eurex Clearing AG shall be submitted via telephone (phone: +49 (0) - 69 - 211 - 11250) or fax (fax: +49 (0) - 69 - 211 - 14334). A notification so submitted shall immediately be confirmed by mail.

The Clearing Member shall immediately inform its Non-Clearing Member about the notification on its intention to close the Transactions of this Non-Clearing Member. In this case, the Non-Clearing Member herewith declares vis-à-vis its Clearing Member its approval to the closing of its net transactions or net positions by the conclusion of inverse transactions ("closing") or to the transfer of such Transactions to another Clearing Member.

Afterwards, the Non-Clearing Member concerned itself may not close the Transactions opened by it or exercise or close positions or take measures opposing a closing or transfer of its transactions respectively positions. The Non-Clearing Member is obliged to support its Clearing Member in closing its net transactions respectively net positions or in transferring these Transactions to another Clearing Member by submission of necessary declarations (e.g. approvals) and to make all entries in the system of Eurex Clearing AG which are necessary for closing or transfer of positions.

The fees and costs charged by Eurex Clearing AG in respect of such closing shall be borne by the Clearing Member.

- 10.4 Eurex Clearing AG shall inform the Clearing Member of any measures taken with respect to one of its Non-Clearing Members to the extent that such measures may affect the risk assessment of such Non-Clearing Member and the respective measures are known to Eurex Clearing AG. Sentence 1 shall apply *mutatis mutandis* in the case of closing or transfer of Transactions of a Non-Clearing Member by its Clearing Member. In such case, the relevant Clearing Member shall immediately notify Eurex Clearing AG of the measures taken pursuant to Sentence 1.

- 10.5 Upon a termination or closing (*Glattstellung*) of Transactions between the Clearing Member and the Non-Clearing Member (other than in the case of Corresponding Covered Transactions pursuant to the Individual Clearing Model Provisions), the relevant NCM-Related Transactions shall be credited to the Own Account of the Clearing Member unless otherwise instructed by the Clearing Member. Upon a termination or closing (*Glattstellung*) of Corresponding Covered Transactions pursuant to the Individual Clearing Model Provisions between the Clearing Member and the Non-Clearing Member,

the stipulations of the Individual Clearing Model Provisions shall apply to the relevant NCM-Related Transactions *mutatis mutandis*.

10.6 All steps, processes and mechanisms that the relevant Clearing Agreement, incorporating the Clearing Conditions, permit, or require, Eurex Clearing AG, or any other person, to undertake, following the occurrence of a default on the part of a Non-Clearing Member, shall be regarded as constituting part of the default rules of Eurex Clearing AG for the purposes of Part VII of the Companies Act 1989 (UK).

11 Default Rules applicable to Registered Customers

11.1 If a Registered Customer fails to perform any of its obligations due under a Transaction or under the Clearing Agreement or under a Transaction pursuant to a Client Clearing Agreement (as defined in Part 3 Subpart D Number 2.1.1 of the Individual Clearing Model Provisions), as the case may be, to the Clearing Member, Eurex Clearing AG will – upon written request to Eurex Clearing AG or by using the Stop Button pursuant to Number 10.2.1 by the Clearing Member – exclude such Registered Customer in its system from the Clearing and reject novations of transactions with respect to the relevant Registered Customer for the duration of such failure.

11.2 If a Registered Customer has been excluded from the Clearing, the relevant Clearing Member shall close its Transactions or positions with Eurex Clearing AG with respect to such Registered Customer. The Clearing Member's costs of such closing shall be borne by the Registered Customer in accordance with the provisions of the relevant Clearing Agreement or Client Clearing Agreement.. This Number 11.2 shall not affect any additional contractual or statutory rights the Clearing Member may have against the relevant Registered Customer.

11.3 Upon a termination or closing (*Glattstellung*) by or on behalf of the Clearing Member or the Registered Customer of Transactions between the Clearing Member and the Registered Customer (other than in the case of Corresponding Covered Transactions pursuant to the Individual Clearing Model Provisions), the relevant RC-Related Transactions shall be credited to an Own Account or Customer Account of the Clearing Member in accordance with the instructions of the Clearing Member. Upon a termination or closing (*Glattstellung*) of Corresponding Covered Transactions between the Clearing Member and the Registered Customer pursuant to the ICM-ECD Provisions or upon a Termination of a Client Clearing Transaction (as defined in Subpart D Number 2.1.2 Paragraph (2) of the Individual Clearing Model Provisions) between the Clearing Member and the Registered Customer, Subpart B Number 8.4.1 of the Individual Clearing Model Provisions shall apply to the relevant RC-Related Transactions *mutatis mutandis*.

11.4 All steps, processes and mechanisms that the relevant Clearing Agreement, incorporating the Clearing Conditions, permit, or require, Eurex Clearing AG, or any other person, to undertake, following the occurrence of a default on the part of a Registered Customer, shall be regarded as constituting part of the default rules of Eurex Clearing AG for the purposes of Part VII of the Companies Act 1989 (UK).

12 Other Agreements between Clearing Members and Non-Clearing Members with regard to the Clearing of Eurex Transactions, FWB Transactions and EEX Transactions

12.1 Additional Terms

A Clearing Member may agree with any of its Non-Clearing Members on additional terms to their existing Clearing Agreement or Client Clearing Agreement (as defined in Subpart D Number 2.1.1 of the Individual Clearing Model Provisions), as the case may be, for the execution of Eurex Transactions, FWB Transactions and EEX Transactions (together the “**Additional Terms**”) in accordance with the following provisions.

Numbers 12.4 to 12.7 apply in the case of a non-compliance with such Additional Terms by a Non-Clearing Member. References to “Transactions” in this Number 12 refer to Eurex Transactions, FWB Transactions and/or EEX Transactions only.

12.1.1 A Clearing Member may agree with any of its Non-Clearing Members to apply the Additional Terms set out in Number 12.2 or Number 12.3 to Eurex Transactions and/or EEX Transactions and to apply the Additional Terms set out in Number 12.3 to FWB Transactions to ensure the fulfilment of the obligations arising under the aforementioned Transactions. The Clearing of Transactions resulting from orders and quotes entered into the systems of the Markets or from over-the-counter transactions of the respective Non-Clearing Member shall, in case of Eurex Transactions as well as EEX Transactions and any corresponding OTC Transactions, be subject to prior verification by the system of the full compliance with the fixed Pre-Trade-Limits (Number 12.2) and agreed Other Conditions (Number 12.3), and, in case of FWB Transactions and any corresponding OTC Transactions, be subject to prior verification of compliance with the agreed Other Conditions (Number 12.3). Only in case of fulfilment of these requirements, the orders and quotes of the Non-Clearing Members shall be matched with other orders or quotes or their Over-The-Counter Transactions shall be included in the Clearing.

12.1.2 In case orders or quotes of a Non-Clearing Member, which shall be or have already been entered in the system, would lead to or constitute a breach of Additional Terms pursuant to Number 12.2 or Number 12.3, the respective Market or the Markets shall, parallel to such an entry in the system, preliminarily exclude the concerned Non-Clearing Member from trading on the respective Market or restrict the trading by the Non-Clearing Member to certain Transaction Types or specified products (the clearing of which is carried out by Eurex Clearing AG) or, in case of FWB Transactions, to certain login names or certain identifier codes (trading locations) for the duration of such failure in accordance with the rules and regulations of such Market. In case the entry of a transaction via the OTC Trade-Entry Facility would lead to or constitute a breach of Additional Terms pursuant to Number 12.2 or Number 12.3, the concerned Non-Clearing Member shall cease to be authorised to include such transaction(s) in the Clearing.

12.2 Limitation of Orders or Quotes for Eurex Transactions and EEX Transactions (Pre-Trade Limits)

12.2.1 For Eurex Transactions and EEX Transactions, the Clearing Member and a Non-Clearing Member may agree on the limitation of orders or quotes which may be entered into the

systems of a Market by such Non-Clearing Member or the Clearing Member ("**Pre-Trade Limits**").

12.2.2 Pre-Trade Limits may include one or more restrictions or a combination thereof listed hereinafter:

- (1) Maximum number of contracts with regard to a product per order or per quote. Insofar, the following limit is considered according to the type of order:
 - (a) maximum number of contracts per order or quote ("**Maximum Order Quantity**"), provided they do not relate to combined orders or combined quotes; or
 - (b) maximum number of contracts per combined order or combined quote ("**Maximum Calendar Spread Quantity**"), related to specific products.
- (2) For Over-The-Counter Transactions: maximum number of contracts per transaction concluded off-exchange, related to specific products ("**Maximum Wholesale Quantity**").
- (3) Maximum aggregate margin requirement or maximum margin requirement with respect to specific Eligible Margin Assets, which in each case the Clearing Member is obliged to fulfil in accordance with the Clearing Conditions as a result of the conclusion of Transactions for the Non-Clearing Member.

12.2.3 Upon request by its Clearing Member, a Non-Clearing Member is obliged to agree with such Clearing Member Pre-Trade Limits. In this case, the relevant Clearing Member may enter the Pre-Trade Limits agreed upon with their respective Non-Clearing Members into the system.

12.3 Other Conditions

12.3.1 Upon request by its Clearing Member and in order to ensure the Clearing of Transactions, a Non-Clearing Member is obliged – in addition to the Pre-Trade Limits for Eurex Transactions and EEX Transactions set forth in Number 12.2 – to agree on additional obligations of the Non-Clearing Member vis-à-vis the Clearing Member pursuant to Number 12.1 or additional restrictions with respect to the entry or the execution of orders or quotes as well as the use of the OTC Trade Entry Facility (the "**Other Conditions**").

12.3.2 Provided that such Other Conditions agreed upon with a Clearing Member are not fulfilled by the Non-Clearing Member or the duties of a Non-Clearing Member named in Number 10.1 are not fulfilled in due time, the respective Clearing Member may, by way of a Stop Button entry in the System declare vis-à-vis the Markets and Eurex Clearing AG that it is no longer willing to execute the Clearing of Transactions concluded at these Markets and of transactions concluded off-exchange of the relevant Non-Clearing Member. Thereby, the Markets and Eurex Clearing AG are requested to exclude the respective Non-Clearing Member from trading on the Markets and from the possibility of entering further Transactions into the system via the OTC Trade Entry Facility for the

term of non-fulfilment of its above-mentioned duties. In substantiated exceptional cases in which the Clearing Member is unable to use the Stop Button, the declaration according to Clause 1 and Clause 2 may also be submitted in writing. In case of FWB Transactions, the Clearing Member may limit statements pursuant to Sentence 1 or requests pursuant to Sentence 2 above to certain login names or identifier codes (trading locations). In case of FWB Transactions, the Clearing Member must notify the respective Non-Clearing Member of the use of the Stop Button without delay. Upon the Clearing Member's request, the Stop Button will be provided by Eurex Clearing AG for FWB Transactions with regard to the Non-Clearing Member denominated by such Clearing Member to the extent that the Clearing Member is the respective Non-Clearing Member's settling agent for securities not being cleared through Eurex Clearing AG; the same applies if the Clearing Member has been authorized by the settling agent to declare on its behalf statements pursuant to Sentence 1 and make requests pursuant to Sentence 2 for the respective Non-Clearing Members.

12.3.3 A Clearing Member may agree with its Non-Clearing Members for Eurex Transactions and EEX Transactions that in the event of exceeding certain values which are pre-agreed in accordance with this Number 12.3 as Other Conditions, the Non-Clearing Member is restricted to enter and execute orders or quotes and to use the OTC Trade Entry Facility, during such exceedance, and that existing orders or quotes are being cancelled in the system. Subject to this Number 12.3.3, only those values may be agreed on which may be entered into the system. By way of system-entry, the Clearing Member or the Non-Clearing Member declares that an agreement has been concluded in accordance with this Number 12.3.3.

12.4 **Non-Fulfilment of Additional Terms**

Provided that Non-Clearing Members agree with their respective Clearing Members upon one or several Additional Terms, and the Non-Clearing Member (a) has breached Pre-Trade Limits or (b) has breached Other Conditions and the Clearing Member has made a Stop Button entry in the System in accordance with Number 12.3.2, the Clearing Member declares that it is no longer willing to further include Transactions of the relevant Non-Clearing Member in the Clearing. In case of FWB Transactions, the Clearing Member may limit this declaration to certain login names of the respective Non-Clearing Member or to certain identifier codes (trading locations). The Management Boards of the Markets and Eurex Clearing AG shall decide on the consequences of a breach of Additional Terms by a Non-Clearing Member upon an according electronic declaration of the respective Clearing Member in accordance with the following provisions.

12.5 **Breach of Pre-Trade Limits**

12.5.1 If, upon verification of the compliance with the Pre-Trade Limits for Eurex Transactions and EEX Transactions entered into the system of the respective Market by a Clearing Member for a Non-Clearing Member on a Business Day (Number 12.2), it turns out that the execution of orders, quotes entered into the system or the entry of Transactions of a Non-Clearing Member via OTC Trade Entry Facilities in the system, breach the agreed Pre-Trade Limits, the Clearing Member, as a consequence, is no longer willing to execute

the Clearing of further Eurex Transactions and EEX Transactions of its respective Non-Clearing Member.

12.5.2 In case a Clearing Member is not willing to execute the Clearing of Eurex Transactions of a Non-Clearing Member according to Number 12.5.1, the Markets shall – immediately and for a respective period – order the suspension of the trading admission of the concerned Non-Clearing Member to trading in specific products with regard to a specific position account pursuant to Number 12.6.1 (Suspension of Exchange Admission). In addition, the system of the Eurex Exchanges guarantees that a transfer of orders or quotes of the concerned Non-Clearing Member in the order books of the Markets and, as a result, their matching with other orders or quotes, are prevented. Orders or quotes of the concerned Non-Clearing Member already existing in the order books of the Markets shall be deleted.

12.5.3 If, due to non-fulfilment of Pre-Trade Limits pursuant to Number 12.5.1, a Clearing Member is not willing to execute the clearing of Eurex Transactions and EEX Transactions, the authorisation to have over-the-counter transactions concluded off-exchange cleared by Eurex Clearing AG by using the OTC Trade Entry Facility for the concerned Non-Clearing Member shall immediately be omitted. At the same time, the authorisation to use the OTC Trade Entry Facility of the Markets and Eurex Clearing AG is revoked, to such extent as this would result in a non-fulfilment of the Additional Terms upon between Non-Clearing Member and Clearing Member. In addition, the Eurex system prevents that the respective transactions can be entered into the system and be included in the Clearing.

12.6 Non-Fulfilment of Other Conditions

12.6.1 Upon the declaration of a Clearing Member, by way of the Stop Button entry in the System, vis-à-vis the Markets and Eurex Clearing AG that it is no longer willing to execute in whole the Clearing of Transactions of a certain Non-Clearing Member, because such Non-Clearing Member does not fulfil the Other Conditions agreed upon pursuant to Number 12.3, the Management Boards of these Markets shall immediately order the preliminary exclusion of the relevant Non-Clearing Member from trading pursuant to Number 12.7. With regard to FWB Transactions, the Clearing Member may limit a corresponding declaration and the Management Board of FWB may limit the temporary exclusion from trading of the respective Non-Clearing Member to certain login names of the respective Non-Clearing Member or to certain identifier codes (trading locations). Upon the Clearing Member's statement pursuant to Sentences 1 or 2 above, the authorisation of the respective Non-Clearing Member to have the Transactions concluded off-exchange cleared by Eurex Clearing AG shall cease to exist. The authorisation to use the OTC Trade Entry Facilities to enter over-the-counter transactions into the System shall entirely be revoked for a limited period or, in case of FWB Transactions, be revoked with a limitation to certain login names or certain identifier codes (trading locations).

From this point onward and from the respective Non-Clearing Member's temporary exclusion from trading on, the regulations on the matching of trades pursuant to the

Appendices >

respective rules and regulations of the Markets and the Conditions for Utilisation of the OTC Trade-Entry Facilities (General Conditions for Participation) of Eurex Clearing AG, with regard to orders, quotes and transactions concluded off-exchange of the concerned Non-Clearing Member, shall not apply any more.

12.6.2 The preliminary exclusion from trading on the Markets and the preliminary revocation of the authorisation to have Transactions concluded off-exchange cleared by Eurex Clearing AG as well as the revocation of the authorisation to use the OTC Trade-Entry Facilities shall be ordered or directed by the Markets and Eurex Clearing AG until the Clearing Member, by way of a new system entry (deactivation of Stop Button) within the meaning of Number 10.2 declares vis-à-vis the Markets and Eurex Clearing AG that it is again willing to execute the clearing of Transactions and of over-the-counter transactions concluded off-exchange of the concerned Non-Clearing Member. In substantiated exceptional cases in which the Clearing Member is unable to use the Stop Button, the declaration according to Clause 1 and Clause 2 may also be submitted in writing.

12.6.3 From the point of ordering the suspension of the Exchange admission of the concerned Non-Clearing Member by the Markets and of revocation of the authorisation of the Non-Clearing Member to have its Transactions concluded off-exchange cleared by Eurex Clearing AG and of revocation of the utilisation authorisation of the OTC Trade-Entry Facilities pursuant to Number 12.6.1, the system shall prevent other orders, quotes or Transactions of the concerned Non-Clearing Member from being entered into the system. Orders and quotes of the concerned Non-Clearing Member already existing into the System shall be deleted.

At the same time, the System ensures that the concerned Non-Clearing Member cannot modify or release Transactions already entered into the System. In addition, Transactions already entered into the System by this Non-Clearing Member cannot be released any more by its counterparty.

Furthermore, the relevant Non-Clearing Member shall from this point onwards not be authorised to conduct the measures for account keeping, such as Trade Adjustments, Closing Position Adjustments, Member Position Transfer or Give-Up Trades provided for in the rules and regulations of the Eurex Exchanges and the EEX. The possibility to use the respective facilities of the System shall be technically prevented for the concerned Non-Clearing Member.

12.6.4 Clearing Members are obliged to submit written documentation of each single case to the Management Boards of the Markets and Eurex Clearing AG on the Business Day on which they have declared vis-à-vis the Markets and Eurex Clearing AG by way of a Stop Button entry into the System pursuant to Number 12.6.1 that they are no longer willing to execute the clearing of Transactions and over-the-counter transactions concluded off-exchange of one of their Non-Clearing Members. This documentation shall contain details on the facts, in particular the amount of the agreed limit(s) respectively positions, the orders/quotes, type of agreed other duties (e.g. compliance with economic stability criteria) and conditions, the time of submission of a declaration pursuant to Number 12.6.1 and the time of revocation of a declaration pursuant to Number 12.6.1.

12.7 Preliminary Exclusion from Trading or from Trading of Specific Products (Suspension of Trading Admission) as well as Revocation of the Admission to Clearing of Transactions concluded off-exchange

12.7.1 In case a Clearing Member declares vis-à-vis the Management Boards of the Markets pursuant to Number 11 that, for the period of non-fulfilment of conditions pursuant to Number 12.2 (Pre-Trade Limits) or of further Other Conditions within the meaning of Number 12.3 by one of its Non-Clearing Members, it is no longer willing to execute the clearing of Transactions or OTC Transactions of this Non-Clearing Member in whole or with regard to individual Transactions or, in case of FWB Transactions, with regard to certain login names of the respective Non-Clearing Member or to certain identifier codes (trading locations), the concerned Non-Clearing Member shall, from this point onwards for a respective term and for lack of guaranteeing an orderly settlement of its Transactions, be excluded from trading on the respective Market or, if applicable to the respective Market, the trading by the Non-Clearing Member will be limited to certain Transaction Types or specified products (the Clearing of which is carried out by Eurex Clearing AG), on specific position accounts with certain login names or identifier codes (trading locations) for the duration of the non-fulfilment of conditions pursuant to Number 12.2 (Pre-Trade Limits) or of further Other Conditions within the meaning of Number 12.3 in accordance with the rules and regulations of such Market. At the same time, Eurex Clearing AG shall preliminarily revoke the authorisation of the concerned Non-Clearing Member to have its OTC Transactions cleared by Eurex Clearing AG. The authorisation of the Non-Clearing Member to use the OTC Trade-Entry Facilities of (General Conditions for Participation) Eurex Clearing AG in order to enter Transactions into the Clearing, shall entirely be revoked for a limited period.

The concerned Non-Clearing Member shall immediately be informed by the Markets about the ordered suspension of the Trading admission electronically by the System; at the same time, its access to the respective Exchange system shall be restricted accordingly.

12.7.2 Clearing Members who – by way of the Stop Button pursuant to Number 12.6.1 – have declared vis-à-vis the Management Boards of the Markets that they are no longer willing to execute the Clearing of Transactions of one of their Non-Clearing Members in whole or with regard to individual products or, in case of FWB Transactions, with regard to certain login names of the respective Non-Clearing Member or certain identifier codes (trading locations), are obliged to immediately revoke their declaration vis-à-vis the Management Boards of the Markets by using the same system facility, if the concerned Non-Clearing Member again fulfils the conditions agreed upon with the Clearing Member. In this case, the Management Boards of the Markets shall at the same time revoke the order vis-à-vis the relevant Non-Clearing Member pursuant to Number 12.7.1 (Suspension of Trading Admission), immediately announce such revocation electronically via the System and, again, technically provide respective utilisation of the system to the Non-Clearing Member.

The same applies to Clearing Members who, by way of a Stop Button entry into the System pursuant to Number 12.6.1, have declared vis-à-vis Eurex Clearing AG that they

are no longer willing to execute the Clearing of Transactions of one of their Non-Clearing Members. In such case, Clearing Members are obliged to immediately revoke their declaration vis-à-vis Eurex Clearing AG by way of the same system facility, when the concerned Non-Clearing Member again fulfils the conditions agreed upon with the Clearing Member.

13 Termination of Clearing Agreements and Clearing Licenses

13.1 Termination of Clearing Agreements and Clearing Licenses

13.1.1 Eurex Clearing AG or the Clearing Member may terminate individual or all Clearing Agreements or individual or all Clearing Licences at any time. Such termination requires written notice to the Clearing Member or Eurex Clearing AG in the case of a Clearing License respectively to the other parties to the Clearing Agreement in the case of a Clearing Agreement. The termination shall take effect on the later of the following dates: (i) 30 days after receipt of the termination notice (and, in the case of a termination notice that is to be received by Eurex Clearing AG and another party to the Clearing Agreement, only upon receipt by Eurex Clearing AG of evidence of receipt by such other party) respectively (ii) after all Transactions which are subject to the respective Clearing Agreement(s) or Clearing License(s) have been cancelled, closed or fulfilled.

13.1.2 Eurex Clearing AG is entitled to terminate a specific Clearing Licence with immediate effect if the prerequisites pursuant to Number 7.2.1 Paragraph (3) are fulfilled with respect to such specific Clearing Licence.

13.2 Special provisions regarding termination of Clearing Agreements involving a Non-Clearing Member or Registered Customer

13.2.1 A Non-Clearing Member or Registered Customer, respectively, may terminate a Clearing Agreement to which it is party at any time pursuant to Number 13.1, applied *mutatis mutandis*.

13.2.2 If a Non-Clearing Member or Registered Customer has caused a breach of its obligations under the Clearing Agreement vis-à-vis Eurex Clearing AG and such breach continues for more than 30 calendar days after such Non-Clearing Member or Registered Customer receives written notice thereof from Eurex Clearing AG, Eurex Clearing AG may terminate such Clearing Agreement pursuant to Number 13.1, applied *mutatis mutandis*, whereas such termination shall take effect upon expiry of a period of 15 calendar days.

13.2.3 Upon receipt of a termination notice pursuant to Number 13.2.2, the relevant Non-Clearing Member (i) may not enter new orders or quotes into the systems of the Markets (other than with respect to inverse Transactions concluded with its Clearing Member), (ii) is obliged to cancel all outstanding orders and quotes, if and to extent possible under the rules and regulations of the relevant Markets, and any pending novations and (iii) is obliged to close its Transactions or transfer its Transactions to another Clearing Member. Eurex Clearing AG shall inform the Management Board of the respective Market in writing about a termination of a Clearing Agreement involving a Non-Clearing Member and about

the time when the termination becomes effective. In addition, Number 10.5 applies *mutatis mutandis*.

- 13.2.4 Upon receipt of a termination notice pursuant to Number 13.2.2, (i) no new Transactions shall be included in the Clearing by the Clearing Member with respect to such Registered Customer, and (ii) the Clearing Member must close or transfer its relevant RC-Related Transactions to another Clearing Member. In addition, Number 11.3 applies *mutatis mutandis*.

13.3 Reservations

- 13.3.1 The right to terminate the Clearing Agreement for serious cause (*aus wichtigem Grund*) shall remain unaffected by this Number 13.
- 13.3.2 Number 7 and the other provisions relating to a Termination pursuant to the Clearing Conditions shall remain unaffected by this Number 13.

14 Liabilities, Emergency Actions, Contractual Penalties (*Vertragsstrafen*), Delegation

14.1 Liability, Emergency Actions

- 14.1.1 The Clearing Members shall be liable for wilful misconduct and negligence. If a Clearing Member causes any damages (*Schäden*) for Eurex Clearing AG, such damages shall in particular include any loss and properly incurred legal fees (including any applicable VAT). Unless otherwise provided in the relevant Clearing Link Agreement, Sentences 1 and 2 shall apply *mutatis mutandis* with respect to the liability of Link Clearing Houses vis-à-vis Eurex Clearing AG.
- 14.1.2 Eurex Clearing AG shall only be liable for wilful misconduct (*Vorsatz*) or gross negligence (*grobe Fahrlässigkeit*), unless Eurex Clearing AG violates any of its essential obligations (*wesentliche Vertragspflichten*) under the Clearing Agreement (incorporating the Clearing Conditions). An essential obligation is an obligation, the performance of which is necessary for the execution of the contract and as well a performance of which the Clearing Member or Non-Clearing Member or Registered Customer, respectively, trusts in and may trust in. In case of simple negligence (*einfache Fahrlässigkeit*), the liability of Eurex Clearing AG is restricted only to damages typically foreseeable at the time of granting the Clearing License. The provision under Sentence 1 above shall not affect the statutory liability for damages incurred as a result of injury to life, body or health as well as the liability pursuant to the German Product Liability Act. Unless otherwise provided in the relevant Clearing Link Agreement, Sentences 1, 2 and 3 shall apply *mutatis mutandis* with respect to the liability of Eurex Clearing AG vis-à-vis Link Clearing Houses.
- 14.1.3 In case an orderly Clearing Procedure with a Clearing Member or a Link Clearing House is disrupted, in particular by technical disruptions, the relevant Clearing Member or Link Clearing House, respectively, shall immediately notify Eurex Clearing AG thereof. Any respective emergency actions by Eurex Clearing AG are legally binding on all contractual parties.

14.1.4 Eurex Clearing AG shall not be liable for damages arising out of a business disruption as a result of *force majeure*, riots, events of war and natural events or natural phenomena, or as a result of other events outside the control of Eurex Clearing AG (e.g. strikes, lock-outs, traffic blocks, disruptions of supply chains) or events which occur as a result of actions of German or foreign governmental authorities.

14.1.5 Eurex Clearing AG shall, after sufficient testing, operate and maintain the equipment and systems in their sphere of responsibility, including application and communication software.

14.2 **Disciplinary Procedures; Contractual Penalties (Vertragsstrafen)**

14.2.1 All Clearing Members are subject to the disciplinary procedures (the “**Disciplinary Procedures**”) as set out in the disciplinary procedures rules, which are published on the website of Eurex Clearing AG (www.eurexclearing.com) and shall form an integral part of these Clearing Conditions, (the “**Disciplinary Procedures Rules**”). Pursuant and subject to the Disciplinary Procedures Rules, certain Sanctions (as defined in the Disciplinary Procedures Rules) may be imposed on a Clearing Member following the alleged breach of such Clearing Member of any of its obligations under, or any of its representations made in, the Clearing Agreement (including the Clearing Conditions). Such Sanctions may include contractual penalties (Vertragsstrafen), provided that the Disciplinary Procedures Rules do not apply to contractual penalties (Vertragsstrafen) which are explicitly regulated in the Clearing Conditions (other than in the Disciplinary Procedures Rules).

Eurex Clearing AG shall establish a Committee for the purpose of providing recommendations to the Executive Board of Eurex Clearing AG in connection with the Disciplinary Proceedings, as provided for in the statutes for the disciplinary committee (the “**Statutes of the Disciplinary Committee**”). The Statutes of the Disciplinary Committee are published on the website of Eurex Clearing AG (www.eurexclearing.com) and shall form an integral part of these Clearing Conditions.

14.2.2 If a Termination Event pursuant to Number 7.2.1 Paragraph (1) occurs or in the event of a failure to deliver Securities or other assets or a failure to provide any cash amount where a Physical Settlement shall occur in accordance with the Special Clearing Provisions – irrespective of whether Eurex Clearing AG has suffered any damage – unless such failure to deliver Securities or other assets or such failure to provide a cash amount results from force majeure (höhere Gewalt) and/or a general market or system disruption that is outside the control of the Clearing Member, the Clearing Member shall pay, in accordance with the instructions received from Eurex Clearing AG, a contractual penalty in the amount of 0.025 per cent of the relevant unpaid due amount, but no less than EUR 2,500 – or the corresponding equivalent in CHF – per calendar day, however, no more than EUR 25,000 or the corresponding equivalent in CHF. If the amount calculated from the above percentage exceeds EUR 25,000, the amount of the contractual penalty shall – notwithstanding the provisions in Sentence 1 – be calculated according to a percentage of the relevant unpaid due amount, such percentage having been fixed and

notified in advance by Eurex Clearing AG. Such percentage shall be based on the effective overnight interest rate applicable to the relevant Clearing Currency.

The right of Eurex Clearing AG to claim further damages and/or default interest shall remain unaffected. Eurex Clearing AG shall, upon written notice by a Clearing Member which has suffered damage as a consequence of the failure to comply with the obligations referred to in Number 7.2.1 Paragraph (1), be entitled to assign to such Clearing Member with discharging effect any claims it may have against the defaulting Clearing Member.

14.3 Delegation

Eurex Clearing AG shall be permitted to delegate in its own name the performance of the services assigned to it in whole or in part to third parties, provided that Eurex Clearing AG considers such delegation reasonable with regard to the interests of the Clearing Members or Link Clearing Houses with whom Eurex Clearing AG has entered into a Clearing Link Agreement. If Eurex Clearing AG delegates the performance of its services, it shall only remain responsible for the performance of the contractual obligations (*Primärleistungspflichten*) in respect of such services, but shall otherwise only be liable for diligently selecting and providing initial instructions to such delegate. However, upon request, Eurex Clearing AG shall assign any existing claims arising out of such delegation against such delegate to the respective Clearing Member or Link Clearing House with whom Eurex Clearing AG has entered into a Clearing Link Agreement, respectively.

15 Transmission of information by Eurex Clearing AG; Outsourcing of Clearing Functions

15.1 Transmission of information relating to Link Clearing Houses, Clearing Members, Non-Clearing Members or Registered Customers by Eurex Clearing AG

15.1.1 Eurex Clearing AG treats all data and information which relate to its Clearing Members, Non-Clearing Members, Registered Customers and Link Clearing Houses confidentially. Eurex Clearing AG shall be authorised – subject to applicable law – to transfer such data and information to competent supervisory authorities or other authorised third parties domestic or abroad which are subject to confidentiality regulations with respect to such data and information comparable to those of Eurex Clearing AG.

Other customer-related information may only be passed on by Eurex Clearing AG if it is already publicly available or if it is legally required to be passed on or if the relevant Clearing Member, Non-Clearing Member, Registered Customer or Link Clearing House has agreed to it.

15.1.2 Notwithstanding the provisions in Number 15.1.1, Eurex Clearing AG shall be entitled to pass on the following information to the exchange and off-exchange trading platforms and Link Clearing Houses for which the Clearing Member has applied to become a Market Participant:

- (1) granting of a Clearing License;
- (2) termination or suspension of a Clearing License;
- (3) occurrence of a Termination Event, Insolvency Termination Event and Termination Date;
- (4) termination of the Clearing Agreement.

15.1.3 Notwithstanding the provisions in Number 15.1.1, Eurex Clearing AG shall also be entitled to transmit or to request from clearing and settlement institutions or independent auditors which are subject to confidentiality regulations comparable to those applicable to Eurex Clearing AG, all data and information which refer to Clearing Members, Non-Clearing Members or Registered Customers and which are necessary for the orderly conduct of the Clearing and for the fulfilment of Transactions.

15.1.4 Number 15.1.1 and 15.1.2 shall apply *mutatis mutandis* to any Link Clearing House affected by any of the transaction events stipulated therein. In addition, Eurex Clearing AG may transfer other Clearing Members' data to a Link Clearing House if this is required for risk management purposes with regard to the clearing link existing between them.

15.2 Fulfilment and partial outsourcing of Clearing-related functions

15.2.1 Subject to Numbers 15.2.2 to 15.2.12, each Clearing Member and Non-Clearing Member has to perform itself and on its own responsibility all functions incumbent on it in the context of the Clearing. This applies irrespective of the fact that the Clearing Procedures are being technically conducted via the clearing systems operated by Eurex Clearing AG or a Link Clearing House, as the case may be.

15.2.2 A Clearing Member or a Non-Clearing Member may outsource the Clearing, risk management or back-office functions ("**Outsourced Functions**") to be performed by it in whole or in part to another Clearing Member, Non-Clearing Member or third party (each an "**Insourcer**" and each outsourcing Clearing Member or Non-Clearing Member an "**Outsourcer**") by way of an outsourcing arrangement between the Outsourcer and the Insourcer ("**Outsourcing**"). Outsourcing may also comprise the further Outsourcing of Outsourced Functions by the Insourcer ("**Sub-Outsourcer**") to another Insourcer ("**Sub-Outsourcing**") with the prior approval of the relevant Outsourcer. The requirements to Outsourcing shall apply accordingly to any Sub-Outsourcing. The Outsourcer remains fully responsible towards Eurex Clearing AG for the orderly conduct of the Outsourced Functions.

15.2.3 Any Outsourcing shall fulfil the following requirements:

- (1) the Outsourcing is in compliance with the laws and regulations applicable to the Outsourcer as well as to the Insourcer and the relevant Clearing Agreement;

Appendices >

- (2) as a result of the Outsourcing Eurex Clearing AG will not be required to obtain any additional license or authorisation unless Eurex Clearing AG in its free discretion decides to apply for such license or authorisation;
- (3) the orderly conduct of the Outsourced Functions is ensured; in this respect, the Outsourcer is required to:
 - (a) contractually oblige the Insourcer to (i) appoint a qualified employee in the back office pursuant to Number 2.1.2 Paragraph (5) (c), applied *mutatis mutandis* (this shall only apply if the Outsourcer itself is required to comply with such requirement and shall not apply if the Insourcer is a Clearing Member which is already required to comply with such requirement vis-à-vis Eurex Clearing AG directly), (ii) keep customer-related data (i.e. data relating to the Outsourcer's customers) confidential and to implement adequate technical and organisational measures to adequately protect such customer-related data, and to (iii) only use such customer-related data for the purposes of fulfilling the Outsourced Functions;
 - (b) establish and maintain throughout the term of the Outsourcing appropriate procedures documented in writing for supervising the performance of the Outsourced Functions by the Insourcer; in this respect, the Outsourcer is required to (i) ensure access at any time to the Outsourced Functions (except in the case of an Outsourcing by a Non-Clearing Member to its Clearing Member), (ii) monitor the Insourcer's capability to perform the Outsourced Functions on an ongoing basis, (iii) establish guidelines for each Outsourced Function that the Insourcer must follow in performing such Outsourced Function, and (iv) conduct audits at the Insourcer on a regular basis either by (a) checking, or by authorising an independent auditor to check, the documents and processes related to the Outsourced Functions in the business premises of the Insourcer, or by (b) obliging the Insourcer to certify and document the orderly performance of the Outsourced Functions in accordance with the guidelines for each Outsourced Function and the principles for Outsourcing set out in this Number 15.2.3;
 - (c) ensure that the limitations on self-contracting pursuant to section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) or similar provisions in other applicable laws are complied with in respect of the Outsourced Functions, in particular with respect to the establishment of Transactions;
 - (d) in the case of a direct technical connection of the Insourcer to the systems of Eurex Clearing AG, procure that all consents and authorisations that are necessary for the transfer of personal data from Eurex Clearing AG to the Insourcer and for any other processing or use of personal data, in connection with the Outsourced Functions are in place; and
 - (e) to provide to Eurex Clearing AG the following information in a format determined by Eurex Clearing AG: (i) a list of the Outsourced Functions, (ii) the name and registered office of the Insourcer, (iii) a confirmation that the

Insourcer has adequate resources and expertise for the performance of the Outsourced Functions, (iv) the envisaged term of the Outsourcing, (v) the contact persons at the Outsourcer and the Insourcer in relation to the Outsourced Functions, including in each case at least one contact person to escalate any issues in respect of the Outsourced Functions who shall be available without interruptions during regular business hours and has sufficient German or English language skills, and (vi) any other information as may reasonably be requested by Eurex Clearing AG for the purposes of assessing the envisaged Outsourcing;

- (4) in the case of an Outsourcing by a Non-Clearing Member to an entity other than its Clearing Member, the Clearing Member has consented to the Outsourcing; and
- (5) such further prerequisites as may be determined by Eurex Clearing AG in its reasonable discretion and published in accordance with Number 16.1.

15.2.4 An Outsourcing may only be commenced upon fulfilment of the following requirements:

- (1) the Outsourcer has provided the information pursuant to Number 15.2.3 Paragraph (3) (e) and confirmed to Eurex Clearing AG that the further requirements pursuant to Number 15.2.3 are fulfilled;
- (2) Eurex Clearing AG has confirmed receipt of the information pursuant to Paragraph (1) in writing and specified the date by which the Outsourcing may be commenced (the "**Outsourcing Date**").

The confirmation pursuant to Paragraph (2) does not constitute a confirmation by Eurex Clearing AG that the requirements pursuant to Number 15.2.3 are fulfilled. Eurex Clearing AG may rely on the respective information provided by the Outsourcer and will not conduct own investigations in this regard.

15.2.5 In the case Eurex Clearing AG becomes aware or if a probable cause exists that the prerequisites for the Outsourcing set out in Number 15.2.3 are not fulfilled, the Outsourcer is obliged to ensure immediate compliance with the prerequisites for the Outsourcing or to terminate the Outsourcing upon notification by Eurex Clearing AG.

15.2.6 Eurex Clearing AG may at any time request from the Outsourcer further information and evidence concerning the orderly conduct of Outsourced Functions, in particular (i) any Outsourcing agreements, (ii) a confirmation that the Outsourcing is in compliance with applicable laws and regulations and the Clearing Conditions, or (iii) a confirmation of the competent regulatory authorities that the Outsourcing is in compliance with applicable laws and regulations and/or will not require Eurex Clearing AG to obtain any additional licenses or authorisations.

15.2.7 Eurex Clearing AG may at any time and at its own expense check, or authorise an independent auditor to check, documents and processes related to the Clearing Procedures in the business premises of the Outsourcer and the Insourcer (each of such measures a "**Compliance Audit**"). The Outsourcer shall contractually ensure that Eurex Clearing AG is entitled to equally execute these rights vis-à-vis the Insourcer.

Any Compliance Audit is solely carried out in the interest of Eurex Clearing AG and not in the interest or for the benefit of the Outsourcer or any other person. In particular, a Compliance Audit (i) does not constitute advice to the Outsourcer or any other person as to any legal, tax, accounting, regulatory or other matters and (ii) does not relieve the Outsourcer from its duty to ensure the orderly conduct of the Outsourced Functions pursuant to Number 15.2.3, in particular from conducting its own audits of the Insourcer and its performance of the Outsourced Functions. Eurex Clearing AG is not obliged to reassess the results of any audit or any information provided by the Outsourcer.

15.2.8 Eurex Clearing AG may at any time exercise a veto right in respect of the Outsourcing if it becomes aware of a:

- (1) violation of applicable provisions of law or the relevant Clearing Agreement by the Outsourcing;
- (2) non-compliance by the Outsourcer or the Insourcer with the requirements set out in Number 15.2.3 as regards the orderly provision of the Outsourced Functions (e.g. by showing apparent absence of resources in terms of skills, response times and technical compatibility);
- (3) violation of security standards by the Insourcer within three (3) years prior to the Outsourcing Date or during the term of the Outsourcing which may have an impact on the orderly provision of the Outsourced Functions;
- (4) risk of reputational damages for Eurex Clearing AG caused by the Outsourcing (e.g. by the relevant Insourcer disclosing confidential information to third parties); or
- (5) concentration risk due to the appointment of the same Insourcer by several Outsourcers.

15.2.9 Eurex Clearing AG may exercise its veto right with immediate effect (i) prior to the Outsourcing Date or (ii) following the Outsourcing Date if, in Eurex Clearing AG's determination, the incident pursuant to Number 15.2.8 may have a material adverse effect on the Clearing Procedures. In all other cases, Eurex Clearing AG shall, before exercising its veto right, grant the Outsourcer an adequate grace period to remedy the relevant issues. During such period, Eurex Clearing AG may partially restrict the Outsourcing and/or restrict the access of the Insourcer to its systems in order to ensure the orderly functioning of the Clearing Procedures, in particular with respect to the Outsourced Functions.

15.2.10 Upon exercise of the veto right by Eurex Clearing AG, the Outsourcer is obliged to terminate the Outsourcing and to re-assume the Outsourced Functions with immediate effect or at a time specified by Eurex Clearing AG. Non-compliance with this obligation shall constitute a Termination Event pursuant to Number 7.2.1 Paragraph (12). Eurex Clearing AG may instead terminate one or more Clearing Licenses of the Outsourcer. If the Outsourcer is a Non-Clearing Member, Eurex Clearing AG may terminate the Clearing Agreement with the outsourcing Non-Clearing Member in accordance with Number 12.1 or Number 12.6.

15.2.11 Eurex Clearing AG's liability for any damages, losses and expenses caused by an inadequate or wrongful exercise of (i) the veto right pursuant to Number 15.2.9 or (ii) the right to conduct Compliance Audits pursuant to Number 15.2.7 shall be restricted to wilful misconduct (Vorsatz) or gross negligence (grobe Fahrlässigkeit), except for any damages incurred as a result of injury to life, body or health caused negligently or intentionally.

15.2.12 Eurex Clearing AG shall be entitled to transfer to the Insourcer any information and customer-related data obtained by Eurex Clearing AG in connection with the Clearing Procedures to the extent that such transfer of data is necessary for the orderly conduct of the Outsourced Functions. The Outsourcer shall indemnify Eurex Clearing AG for any damages claimed by third parties alleging the violation of applicable data protection law or any contractual provisions by such transfer. This obligation shall remain in force for a period of three (3) years after expiry or termination of the Clearing Agreement between the Outsourcer and Eurex Clearing AG.

Further, Eurex Clearing AG, a Clearing Member and a Non-Clearing Member or a Registered Customer may enter into a Clearing Agreement in the form appended to the Clearing Conditions as Appendix 2 for the Clearing of Transactions under the Elementary Clearing Model Provisions pursuant to this Part 2.

1.2 Any Transaction between the Clearing Member and Eurex Clearing AG concluded as an Own Transaction, Customer-Related Transaction, NCM-Related Transaction or RC-Related Transaction (as defined in Number 1.2.3 of the General Clearing Provisions) which is subject to the Elementary Clearing Model Provisions shall be a “**Non-Covered Transaction**”. Any NCM-Related Transactions or RC-Related Transaction concluded under an ICM Clearing Agreement (as defined in the Individual Clearing Model Provisions) pursuant to Part 3 shall be a “**Covered Transaction**”. Any Net Omnibus Eligible Transaction concluded under a Net Omnibus Clearing Agreement between Eurex Clearing AG and a Clearing Member which has been booked to the Net Omnibus Customer Account, a Net Omnibus NCM Account or a Net Omnibus RC Account and which is therefore subject to the Net Omnibus Clearing Model Provisions pursuant to Part 4 shall be a “**Net Omnibus Transaction**”.

1.3 In case the Elementary Clearing Model Provisions apply to a Clearing Agreement between Eurex Clearing AG, a Clearing Member and a Registered Customer, this Part 2 shall be applied in accordance with the specific provisions applicable to Registered Customers under these Elementary Clearing Model Provisions set forth in Number 10.

2.1 Construction

2.1.1 The Clearing Agreement in the form appended to the Clearing Conditions as Appendix 1 between Eurex Clearing AG and a Clearing Member shall always be subject to the Elementary Clearing Model Provisions.

2.1.2 If a Clearing Agreement in the form appended to the Clearing Conditions as Appendix 2 is entered into by Eurex Clearing AG, a Clearing Member and a Non-Clearing Member, such Clearing Agreement will provide for terms and conditions applying between Eurex Clearing AG, the Clearing Member and the Non-Clearing Member as well as terms and conditions applying between Eurex Clearing AG and the Clearing Member, on the one hand, and between the Clearing Member and the Non-Clearing Member, on the other hand.

- 2.1.3 (i) All rights and obligations between Eurex Clearing AG and the relevant Clearing Member with respect to Transactions under all such Clearing Agreements pursuant to Numbers 2.1.1 and 2.1.2 shall for the purpose of these Clearing Conditions constitute a separate arrangement, as shall (ii) unless otherwise provided by any other client clearing agreement between the Clearing Member and the Non-Clearing Member, all rights and obligations between the relevant Clearing Member and the relevant Non-Clearing Member with respect to Transactions under a given Clearing Agreement pursuant to Number 2.1.2 corresponding to the relevant NCM-Related Transactions of the Clearing Member (each arrangement under (i) and (ii) respectively, a “**Standard Agreement**”).

References in the Elementary Clearing Model Provisions to a Standard Agreement shall be construed so as to exclude any Standard Agreement pursuant to the Individual Clearing Model Provisions and the Net Omnibus Clearing Model Provisions.

- 2.1.4 All Non-Covered Transactions between Eurex Clearing AG and the relevant Clearing Member under the Standard Agreement and any Redelivery Claims arising pursuant to the Elementary Clearing Model Provisions (as defined and set out in Number 2.2.2) form a single agreement between such parties and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between such parties which (subject to provisions in this Chapter I on the termination of individual Transactions) can be terminated only in its entirety.

If provided for in the Clearing Agreement or any other Client Clearing Agreement between the Clearing Member and the Non-Clearing Member, all Transactions and any claims to the return of margin or variation margin (or assets equivalent thereto) arising pursuant to the Standard Agreement between the relevant Clearing Member and a Non-Clearing Member shall form a single agreement between such parties and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between them which (subject to provisions in this Chapter I on the termination of individual Transactions) can be terminated only uniformly.

- 2.1.5 The Non-Clearing Member and the Clearing Member may agree on additional terms to their Standard Agreement to the extent those additional terms do not deviate from the Clearing Agreement (incorporating the Clearing Conditions). Any such additional agreement shall form part of that Standard Agreement and, in the event of any inconsistencies between any such additional agreement (as amended from time to time) and the Clearing Agreement (incorporating the Clearing Conditions), the Clearing Agreement and the Clearing Conditions shall always prevail.

2.2 General Principles applicable to the Settlement of Non-Covered Transactions and any Delivery and Redelivery of Margin in form of Cash or Variation Margin

- 2.2.1 Each party to a Standard Agreement shall be obliged to fulfil any payment or delivery obligations under Transactions or obligations to deliver or redeliver cover in respect of either the Margin (as defined in Number 6.1) in the form of cash or the Variation Margin (as defined in Number Part 4) under the Standard Agreement by transferring to the transferee all right, title and interest in and to the concerned assets or Eligible Margin Assets in form of cash, as the case may be, free and clear from any and all rights and

claims of the transferring party and of any third person, including, without limitation, pursuant to applicable regulation or under any statutory or other trust, to the transferee. The value of such assets shall, as of the date the transfer is effected, be at least equal to the value at that date of the concerned payment or delivery obligation.

2.2.2 The actual payment or delivery of Eligible Margin Assets in form of cash in respect of Margin or Variation Margin gives rise to a corresponding contractual claim of the Margin Provider against the Margin Taker for repayment of equivalent assets as such Eligible Margin Assets actually delivered or increases an already existing repayment claim (each such claim shall be referred to as a **“Redelivery Claim”**). For the avoidance of doubt: in the case of the Margin, only the Clearing Member may be the creditor of the relevant Redelivery Claim and in the case of the Variation Margin, either party to the Standard Agreement may be the creditor of the relevant Redelivery Claim.

For the purpose of the Redelivery Claim, the term **“equivalent”** means an amount in the same currency and amount as such Eligible Margin Asset actually delivered in respect of the Margin or the Variation Margin.

References in the Elementary Clearing Model Provisions to Redelivery Claims shall be construed so as to exclude any Redelivery Claim pursuant to the Individual Clearing Model Provisions or the Net Omnibus Clearing Model Provisions.

The relevant Redelivery Claim will become due with respect to the Margin in accordance with Number 6.7.1 and with respect to the Variation Margin in accordance with Number 7, provided that in each case no Termination Date (as defined in Number 7.2 of the General Clearing Provisions) has occurred.

2.2.3 Subject to Number 3.2.2 Paragraph (2) and (3) of the General Clearing Provisions, the term **“actually delivered”** when used in the Elementary Clearing Model Provisions means (i) the actual credit of an Eligible Margin Asset in the form of cash to the relevant Eurex Clearing AG cash account, or (ii) the actual credit of an Eligible Margin Asset in form of Securities to the Pledged Securities Account (as defined in Number 2.1.2 Paragraph (4) (a) (aa) of the General Clearing Provisions) provided that the pledge pursuant to Number 6.6 has been granted and has not expired in whole or in part, or (iii), in the case of a delivery of an Eligible Margin Asset in the form of Securities pursuant to Number 6.6.3, the effectiveness of the pledge in Xemac (as defined Number 6.6.3), or (iv) otherwise in the event of a set-off pursuant to Number 1.4 of the General Clearing Provisions, the legal effectiveness of such set-off. The term **“actual delivery”** shall be interpreted accordingly.

Where reference is made in the Elementary Clearing Model Provisions to the **“aggregate value”** of Eligible Margin Assets in connection with the assessment of compliance with the Margin Requirement or an obligation to deliver or redeliver cover in respect of the Margin or the Variation Margin, the aggregate value will be determined by Eurex Clearing AG with respect to the Standard Agreement between Eurex Clearing AG and the Clearing Member in accordance with Number 3.2.2 of the General Clearing Provisions.

3 Conclusion of Transactions

Transactions between the parties to a Standard Agreement shall be concluded in accordance with Number 1.2.2 of the General Clearing Provisions.

4 Internal Accounts

In addition to the internal accounts set out in Number 4 of the General Clearing Provisions, Eurex Clearing AG shall establish and maintain with respect to each Clearing Member the following internal accounts:

4.1 Internal Cash Accounts

With respect to each currency accepted by it, Eurex Clearing AG shall establish and maintain for each Clearing Member an internal cash account (i) for the settlement of claims other than Settlement Claims, into which all daily settlement payments, option premiums, fees, contractual penalties and other cash payment obligations arising under Transactions or under the Clearing Conditions shall be booked and (ii) for Settlement Claims.

The daily balance of each internal cash account (after taking into account the set-offs pursuant to Number 1.3 of the General Clearing Provisions) shall be debited or credited, as the case may be, to the respective Clearing Member Cash Account of the Clearing Member to the extent that Eurex Clearing AG does not claim any credit balance in the account in respect of Margin or Variation Margin.

4.2 Internal Margin Account

Eurex Clearing AG will establish and maintain an internal margin account for each Clearing Member in which:

4.2.1 all credits and debits of Securities to the Pledged Securities Account and all pledged or released Securities using Xemac pursuant to Number 6.6.3, and

4.2.2 all daily cash margin credits or debits to the Clearing Member Cash Account or a foreign currency account of the Clearing Member, pursuant to the Elementary Clearing Model Provisions will be recorded.

5 Set-off

In addition to the set-off rules in Number 1.3 of the General Clearing Provisions, the following optional additional parameters apply to the creation of the Set-Off Clusters, if selected by the Clearing Member:

5.1 Separation on Transaction Account Level

Claims arising from Own Transactions and Customer-Related Transactions of the Clearing Member shall be kept separately and shall not be set off with each other. Own transactions and customer transactions of Non-Clearing Members are Customer-Related Transactions within the meaning of this Number 5.1.

5.2 Separation on Transaction Account Level and per Non-Clearing Member

Claims arising from NCM-Related Transactions shall not be set off with Customer-Related Transactions or RC-Related Transactions of the Clearing Member. Further, claims arising from NCM-Related Transactions that relate to corresponding Transactions with a specific Non-Clearing Member shall not be set off with claims arising from other NCM-Related Transactions that relate to corresponding Transactions with any other Non-Clearing Member.

6 Margin

The Margin Requirement applicable to the Clearing Member pursuant to this Number 6 shall be in addition to any other Margin Requirement of the Clearing Member vis-à-vis Eurex Clearing AG pursuant to the Individual Clearing Model Provisions.

6.1 General Obligation to Provide Margin

The Clearing Member is required to provide margin for all Non-Covered Transactions (as defined in Number 1) (and, for the purposes of the inclusion in the Clearing of an Original OTC Transaction as a Non-Covered Transaction is in accordance with Chapter VIII Part 3) in such amounts, in such forms and at such times as are required pursuant to this Number 6 and the Special Clearing Provisions (the “**Margin**”).

6.2 The Margin Requirement

6.2.1 The amount of Eligible Margin Assets to be delivered as cover in respect of Margin shall be determined in accordance with Number 3.1 of the General Clearing Provisions (hereinafter for the purpose of the Elementary Clearing Model Provisions, the “**Margin Requirement**”).

6.2.2 In order to determine the Margin Requirement of a Clearing Member, Eurex Clearing AG will determine separate margin requirements for (i) Own Transactions, (ii) Customer-Related Transactions, (iii) NCM-Related Transactions referring to own transactions of the relevant Non-Clearing Member, (iv) NCM-Related Transactions referring to customer related transactions of the relevant Non-Clearing Member, (v) RC-Related Transactions referring to own transactions of the relevant Registered Customer and (vi) RC-Related Transactions referring to customer related transactions of the relevant Registered Customer, provided that in each case credit balances on any internal transaction account shall not be taken into account, and then calculate the sum of such separate margin requirements.

6.2.3 The applicable Margin Requirement and the relevant margin requirements with respect to NCM-Related Transactions and RC-Related Transactions will be notified by Eurex Clearing AG to the relevant Clearing Member.

6.3 Margin Call

If Eurex Clearing AG at any time on any Business Day (as defined in Number 1.2.4 Paragraph (1) of the General Clearing Provisions) determines that the aggregate value of

the Margin actually delivered is insufficient to provide the cover required with respect to all Non-Covered Transactions, Eurex Clearing AG will require the Clearing Member to provide (additional) Eligible Margin Assets in an amount up to the Margin Requirement and by the time specified by Eurex Clearing AG.

6.4 Obligation of the Clearing Members to request Margin from the Non-Clearing Members

Each Clearing Member is required to demand margin from its Non-Clearing Members in an amount at least equal to the Margin Requirement for the corresponding NCM-Related Transactions between Eurex Clearing AG and the relevant Clearing Member, as determined by Eurex Clearing AG pursuant to this Number 6, also taking into account all Original OTC Transactions which are to be novated in the course of the novation process.

6.5 Delivery of Eligible Margin Assets in the form of Cash

Eligible Margin Assets in form of cash shall be provided in accordance with the cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions. The purpose of the Margin actually delivered in the form of cash is to collateralise all claims arising under all Non-Covered Transactions (as defined in Number 1.2), Covered Transactions (as defined in Number 1.2) and all other present and future claims of Eurex Clearing AG against the Clearing Member under any of their Clearing Agreements between Eurex Clearing AG und such Clearing Member.

6.6 Delivery of Eligible Margin Assets in the form of Securities

6.6.1 In order to provide Eligible Margin Assets in the form of Securities as cover in respect of Margin, the Clearing Member shall transfer Eligible Margin Assets in the form of Securities to its relevant Pledged Securities Account unless otherwise provided in this Number 6.6.

- (1) The Clearing Member shall instruct Clearstream Banking AG, Clearstream Banking S.A. or SIX SIS AG in a timely manner to transfer the Securities to its Pledged Securities Account and to then inform Eurex Clearing AG of such transfer.
- (2) In relation to Securities credited to the Pledged Securities Account that confer voting rights or other optional rights on the Clearing Member (including, but not limited to, warrants, options, conversion and subscription rights, rights in connection with takeovers, other forms of offers or capital reorganisations, redemption rights, tenders, options to tender or non-mandatory puts or calls) or that provide for discretionary action or alternative courses of action by the Clearing Member, Eurex Clearing AG shall not be responsible for exercising such voting or optional rights or for taking up such discretionary actions or alternative courses of action; the Clearing Member shall remain responsible in this respect.
- (3) In the Clearing Agreement, the Clearing Member will grant a pledge to Eurex Clearing AG over all Securities which are at present or will in the future be credited to the relevant Pledged Securities Account.

- 6.6.2 The security purpose (*Sicherungszweck*) of the pledges granted to Eurex Clearing AG pursuant to this Number 6.6 is to secure all present and future claims arising under all Non-Covered Transactions (as defined in Number 1), Covered Transactions (as defined in Number 1), all Net Omnibus Transactions (as defined in Number 1) and all other present and future claims of Eurex Clearing AG against the Clearing Member under any of their Clearing Agreements.
- 6.6.3 Notwithstanding Number 6.6.1, a Clearing Member may also provide Securities by pledge or assignment for security purposes by using the Collateral Management System Xemac (“**Xemac**”) of Clearstream Banking AG on the basis of the applicable provisions of the Special Conditions for Collateral Management (“**SC Xemac**”). In connection with the provision of Margin to Eurex Clearing AG via Xemac, a Clearing Member may also use Securities which it has received as collateral – in accordance with Number 3.3 of the Terms and Conditions for Participation and Trading on Eurex Repo GmbH – in relation to GC Pooling Repo transactions (Re-use within the meaning of No. 28 Paragraph 1 (b) SC Xemac). Notwithstanding Number 6.6.1, a Clearing Member participating in the trading of GC Pooling Repos and using the Re-use related type of contract in Xemac may, upon request, provide Margin in Xemac also via the account of a settlement institution within the meaning of Chapter IV Number 1.1.2 Paragraph 2 (b), provided that such settlement institution is domiciled in the Federal Republic of Germany.
- 6.7 Redelivery or Release of Eligible Margin Assets**
- 6.7.1 The relevant Redelivery Claim pursuant to Number 2.2.2 for the transfer of assets equivalent to Eligible Margin Assets in form of cash actually delivered will become due with respect to Margin if and to the extent the aggregate value of all Eligible Margin Assets actually delivered in respect of Margin pursuant to the Elementary Clearing Model Provisions exceed the aggregate Margin Requirements pursuant to the Elementary Clearing Model Provisions, the Individual Clearing Model Provisions and the Net Omnibus Clearing Model Provisions, unless the relevant Clearing Member and Eurex Clearing AG agree otherwise.
- 6.7.2 Subject to the occurrence of a Termination Date, the release of Eligible Margin Assets in the form of Securities shall be effected if a Clearing Member, prior to the then applicable cut-off time specified by Eurex Clearing AG with respect to each of Clearstream Banking AG, Clearstream Banking S.A. and SIX SIS AG, as applicable, with respect to any Business Day, requests a release of pledged Securities by Eurex Clearing AG and if and to the extent the aggregate value of all Eligible Margin Assets actually delivered in respect of Margin exceed the aggregate Margin Requirements pursuant to the Elementary Clearing Model Provisions and the Individual Clearing Model Provisions. Such request shall be processed by Eurex Clearing AG during that same Business Day; the relevant Eligible Margin Assets to be returned shall be selected by the Clearing Member. In the case of a pledge pursuant to Number 6.6.3 the relevant Security shall be released in Xemac accordingly.

If fulfilment of such a request would render the remaining aggregate value of the Eligible Margin Assets actually delivered inadequate for the next Business Day of a Market, as

determined by Eurex Clearing AG, Eurex Clearing AG shall notify Clearstream Banking AG, Clearstream Banking S.A. or SIX SIS AG, as applicable, that it approves such release if the amount of Eligible Margin Assets required to cover such shortfall has been provided by the time specified by Eurex Clearing AG.

7 Variation Margin

7.1 General Obligation to provide Variation Margin

Each party to the Standard Agreement between Eurex Clearing AG and the Clearing Member shall be required to transfer (additional) cover in respect of daily profits or losses for such Non Covered Transactions for which Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII Part 2 Number 2.1.2 Paragraph (1) and (2) or Chapter VIII Part 3 Number 3.1.6, as the case may be, apply in such amounts and at such times as are required pursuant to this Number 7. Any such cover provided or to be provided with respect to the Standard Agreement between Eurex Clearing AG and the Clearing Member is herein referred to as “**Variation Margin**”.

The Clearing Member is required to separately demand or provide (additional) cover in respect of such Variation Margin from or to any of its Non-Clearing Members in respect of the corresponding Transactions with such Non-Clearing Member in an amount not less than the Variation Margin Requirement (as defined in Number 7.2) applicable between the Clearing Member and Eurex Clearing AG.

7.2 Variation Margin Requirement

Only Eligible Margin Assets in the form of cash shall be delivered as cover in respect of Variation Margin. The party to the Standard Agreement obliged to provide Variation Margin (the “**Variation Margin Provider**”), to the other party to the Standard Agreement (the “**Variation Margin Taker**”), and the amount of Eligible Margin Assets in form of cash to be delivered as cover in respect of Variation Margin (the “**Variation Margin Requirement**”) shall be determined in accordance with Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII, Part 2 Number 2.1.2 Paragraph (1) and (2) or Chapter VIII Part 3 Number 3.1.6, as applicable.

7.3 Delivery of Variation Margin and Redelivery Claim

Variation Margin shall be delivered and/or returned on each Business Day in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 and Number 1.3 of the General Clearing Provisions.

Eligible Margin Assets actually delivered in the form of cash in respect of the Variation Margin by the Variation Margin Provider will give rise to or increases a Redelivery Claim of such party against the Variation Margin Taker in accordance with Number 2.2.2. Any such Redelivery Claim (i) shall become due if and to the extent that on any subsequent Business Day a profit amount has been determined for the benefit of such Variation

Margin Provider in accordance with Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII, Part 2 Number 2.1.2 Paragraph (1) and (2) or Chapter VIII Part 3 Number 3.1.6, as applicable, (the applicable amount shall be the "**Redelivery Amount**") and (ii) shall be decreased and fulfilled accordingly (subject to a minimum value of "zero") if and to the extent equivalent Eligible Margin Assets in form of cash have been actually delivered to it by the Variation Margin Taker. For the avoidance of doubt, if the profit amount determined for the benefit of the Variation Margin Provider is higher than its Redelivery Claim as of such time, the payment of the excess amount by the other party constitutes itself a delivery of Variation Margin and the relevant party to the relevant Standard Agreement being the Variation Margin Provider or the Segregated Variation Margin Taker shall change.

For the purpose of the Clearing Conditions, an actual delivery in respect of the Variation Margin resulting in a corresponding Redelivery Claims shall take place if upon conclusion of a Non-Covered Transaction the terms and conditions of such Non-Covered Transaction provide that due to a netting with an applicable initial consideration no actual payment in respect of the Variation Margin will occur.

8 Consequences of a Termination Event and Termination Date

8.1 Termination

Upon the occurrence of a Termination Event or Insolvency Termination Event and Termination Date (each as defined in Number 7.2 of the General Clearing Provisions) with respect to a Clearing Member, the Clearing of new Non-Covered Transactions may be suspended (the "**Suspension**") and/or existing Non-Covered Transactions terminated (the "**Termination**") and, in case of a Termination, a termination payment shall become due (the "**Termination Payment**") as further set out in this Number 8.

8.2 Limitation or Suspension of Clearing

If a Termination Event or any of the following events occurs with respect to a Clearing Member:

- (i) the existence of an unremedied breach by the Clearing Member of its Clearing Agreement with Eurex Clearing AG, except where such breach is minor, technical or administrative in nature in the reasonable opinion of Eurex Clearing AG;
- (ii) a determination is made by Eurex Clearing AG that limitation or suspension of Clearing is necessary for it to contain its exposure to the Clearing Member;
- (iii) the suspension or termination (other than a voluntary termination) of the Clearing Member's membership of another clearing house provided that the circumstances relating to that suspension or termination are, in Eurex Clearing AG's reasonable opinion, material to the management of the risk of Eurex Clearing AG, and that Eurex Clearing AG first consults or attempts to consult with the Clearing Member and the competent regulatory authorities;

- (iv) the commencement of a Disciplinary Process as defined in Number 7.2.1(b) (aa) of the General Clearing Provisions against a Clearing Member; or
- (v) any other event in respect of the Clearing Member that could materially impact the ability of that Clearing Member to perform its obligations under the Clearing Conditions and the relevant Clearing Agreement,

then Eurex Clearing AG may (taking into account the interests of such Clearing Member and its clients and provided that such action constitutes a proportionate and reasonable action) one or more times suspend or limit the Clearing of new Non-Covered Transactions under the Standard Agreement between Eurex Clearing AG and such Clearing Member pursuant to the Elementary Clearing Model Provisions and shall notify the Clearing Member and all Non-Clearing Members of such Clearing Member of the decision to suspend or limit such Clearing. Eurex Clearing AG shall specify, in the notification, a reasonable period of time during which such suspension or limitation shall apply.

Furthermore, if Eurex Clearing AG so demands, the relevant Clearing Member shall, at the Clearing Member's own expense, provide such information and evidence as Eurex Clearing AG, in its reasonable opinion may deem necessary, to conduct an appropriate investigation of the facts and circumstances relating to a Termination Event or any of the events listed above.

Upon the occurrence of a Termination Event or any of the events listed above and unless such Termination Event or other events have been remedied, the Clearing Member is – subject to any other limitations or restrictions of the Clearing pursuant to the Clearing Conditions – only entitled to enter any order or quotes into the systems of the Markets if sufficient Margin and Variation Margin has been actually delivered to Eurex Clearing AG in advance.

Before limiting or suspending the Clearing of new Non-Covered Transactions under this Number 8.2, and without limiting its rights under Number 7.2.1 of the General Clearing Provisions, Eurex Clearing AG shall, where reasonable in the circumstances, attempt to consult with the relevant Clearing Member, further to which Eurex Clearing AG may in its absolute discretion agree a grace period within which the Clearing Member may remedy the event in question. For the avoidance of doubt, in case the relevant event constitutes an Alleged Breach (as defined in the Disciplinary Procedures Rules) Eurex Clearing AG may commence Disciplinary Procedures in respect of the Clearing Member subject to and in accordance with the Disciplinary Procedures Rules.

8.3 Consequences of a Termination

If a Termination Date has occurred with respect to a Clearing Member, the following provisions shall apply.

8.3.1 Termination of Transactions and Redelivery Claims

All current and future primary obligations (including payment and delivery obligations) arising from Non-Covered Transactions and all Redelivery Claims under the Standard Agreement between Eurex Clearing AG and the Affected Clearing Member (as defined in Number 6.2. of the General Clearing Provisions) shall expire (*auflösende Bedingung*) as of the Termination Time (as defined in Number 7.2 of the General Clearing Provisions) and shall no longer be required to be performed by the relevant obligor. Furthermore, all due but unsatisfied obligations in respect of the Margin or Variation Margin shall expire (*auflösende Bedingung*) as of the Termination Time. The expiration affects all claims arising from Non-Covered Transactions independently of the time they came into existence or would have come into existence otherwise. These expired primary obligations and delivery obligations, respectively, are reflected by the Difference Claim (as defined in Number 8.3.2 below), subject to and in accordance with Number 7.3 of the General Clearing Provisions.

8.3.2 Difference Claim

The difference claim of either Eurex Clearing AG or the Affected Clearing Member, as the case may be, under the Standard Agreement between Eurex Clearing AG and the Affected Clearing Member, which was created by the signing of the Clearing Agreement, shall become unconditional and immediately due in the Termination Currency (as defined in Number 7.3.2 of the General Clearing Provisions) against the respective other party as of the end of the Valuation Date (as defined in Number 7.3.2 of the General Clearing Provisions) and shall be determined in accordance with Number 7.3 of the General Clearing Provisions (each a “**Difference Claim**”).

8.4 Notification

Eurex Clearing AG shall notify the determined value of the Difference Claim determined by it to the Affected Clearing Member as soon as reasonable practicable after its determination, together with reasonable detail regarding the data and information forming the basis of the determination.

8.5 Payment of Difference Claim

8.5.1 The debtor of the Difference Claim under the Standard Agreement between Eurex Clearing AG and the Affected Clearing Member shall pay the determined amount of the Difference Claim to the other party as soon as reasonable practicable following the notification by Eurex Clearing AG of the payable amount pursuant to Number 8.4.

8.5.2 The debtor of the Difference Claim shall not be obliged to pay any interest on the amount of the Difference Claim unless it is in default (*Verzug*) following the receipt of a payment reminder (*Mahnung*) by the other party. Default interest shall be paid on the basis of the effective overnight interest rate applicable to the currency of the Difference Claim.

8.6 Realisation of Margin

In case Eurex Clearing AG is the creditor of the Difference Claim against the Affected Clearing Member, Eurex Clearing AG shall be entitled to realise the pledges created by the Affected Clearing Member pursuant to Number 6.6.

8.7 Consequences of a Termination Date with respect to a Clearing Member on the Standard Agreement between such Clearing Member and its Non-Clearing Members

The consequences of the occurrence of a Termination Date with respect to a Clearing Member on the Standard Agreement between such Clearing Member and its Non-Clearing Members shall be governed by the Standard Agreement between such Clearing Member and its Non-Clearing Members.

9 Replacement of Clearing Member

Subject to the special provisions of the Elementary Clearing Model Provisions, a Non-Clearing Member may effect a replacement of its Clearing Member in accordance with this Number 9 with respect to one or more Transaction Types only with the prior written consent of Eurex Clearing AG, the respective Clearing Member and a replacement Clearing Member and subject to the prior conclusion of a Clearing Agreement between Eurex Clearing AG, the Non-Clearing Member and the replacement Clearing Member. In order to effect such replacement of a Clearing Member on a Business Day, the relevant Transactions (being Eurex Transactions, EEX Transactions, ISE Transactions, OTC Credit Derivative Transactions and/or OTC Interest Rate Derivative Transactions) of the relevant Clearing Member with Eurex Clearing AG and the relevant claims and obligations vis-à-vis Eurex Clearing AG with respect to the Redelivery Claims relating to the Variation Margin with respect to such Transactions shall be transferred to the replacement Clearing Member only by way of a transfer by novation (*Novation*) by the relevant Clearing Member to the replacement Clearing Member. The Non-Clearing Member, the transferor Clearing Member and the replacement Clearing Member shall further separately agree on a transfer by way of novation from the transferor Clearing Member to the replacement Clearing Member of the related Transactions between the transferor Clearing Member and the Non-Clearing Member as well as the relevant claims and obligations with respect to the redelivery claims in respect of variation margin and any other collateral delivered as cover for such Transactions between the transferor Clearing Member and the Non-Clearing Member.

Such transfer shall become effective only upon Eurex Clearing AG having received all of the documents set out below in form and substance satisfactory to it (provided that, where Eurex Clearing AG itself would be required to become a party to any such document for it to become effective, nothing herein shall prejudice Eurex Clearing AG's decision whether or not to do so). Eurex Clearing AG shall notify the relevant parties in writing promptly upon being so satisfied and specify a transfer date binding on all relevant parties in such notice.

Original copies of the following documents shall be provided to Eurex Clearing AG:

10 Specific provisions relating to Registered Customers

10.1 Application of Part 2, Interpretation of References

If the Elementary Clearing Model Provisions apply to Non-Covered Transactions with respect to a Registered Customer and Transactions between the Clearing Member and such Registered Customer, Numbers 2 through 9 shall apply *mutatis mutandis*. Subject to the specific provisions of this Number 10 and, if and to the extent the context so requires, any reference in Number 2 – 9 above to (i) a Non-Clearing Member shall be construed as to refer to the relevant Registered Customer and (ii) any reference to an NCM-Related Transaction shall be construed as to refer to an RC-Related Transaction.

10.2 Content of Clearing Agreement and the Standard Agreements

With respect to Registered Customers, the following provisions shall replace Numbers 2.1.2 through 2.1.5 in their entirety:

10.2.1 If a Clearing Agreement in the form appended to the Clearing Conditions as Appendix 2 is entered into by Eurex Clearing AG, a Clearing Member and a Registered Customer, such Clearing Agreement will provide for terms and conditions applying between Eurex Clearing AG, the Clearing Member and the Registered Customer as well as terms and conditions applying between Eurex Clearing AG and the Clearing Member, on the one hand, and between the Clearing Member and the Registered Customer, on the other hand.

10.2.2 (i) All rights and obligations between Eurex Clearing AG and the relevant Clearing Member with respect to Transactions under all such Clearing Agreements pursuant to Number 10.2.1 shall for the purpose of these Clearing Conditions constitute a separate arrangement, as shall (ii) unless otherwise provided by any other client clearing agreement between the Clearing Member and the Registered Customer, all rights and obligations between the relevant Clearing Member and the relevant Registered Customer with respect to Transactions under a given Clearing Agreement pursuant to Number 10.2.1 corresponding to the relevant RC-Related Transactions of the Clearing Member (each arrangement under (i) and (ii) respectively, a “**Standard Agreement**”).

References in the Elementary Clearing Model Provisions to a Standard Agreement shall be construed so as to exclude any Standard Agreement pursuant to the Individual Clearing Model Provisions.

- 10.2.3 If a Clearing Member and the same entity acting as both Non-Clearing Member and Registered Customer have entered into a Clearing Agreement in the form appended to the Clearing Conditions as Appendix 2, all rights and obligations between the relevant Clearing Member and the relevant entity acting as Non-Clearing Member and Registered Customer with respect to Transactions under the Clearing Agreement corresponding to the relevant NCM-Related Transactions and RC-Related Transactions of the Clearing Member's Non-Covered Transactions relating to such entity acting as both Non-Clearing Member and Registered Customer under the Elementary Clearing Model Provisions shall be subject to one and the same Standard Agreement.
- 10.2.4 If provided for in the Clearing Agreement or any other client clearing agreement between the Clearing Member and the Registered Customer, all Transactions and any claims for the return of margin or variation margin (or assets equivalent thereto) arising pursuant to the Standard Agreement between the relevant Clearing Member and a Registered Customer shall form a single agreement between such parties and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between them which (subject to provisions in this Chapter I on the termination of individual Transactions) can be terminated only uniformly.
- 10.2.5 The Registered Customer and the Clearing Member may agree on additional terms to their Standard Agreement to the extent those additional terms do not deviate from the Clearing Agreement (incorporating the Clearing Conditions). - 10.3 Separation on Transaction Account Level and per Registered Customer**
- The following provision shall replace Number 5.2 in its entirety:
- Claims arising from RC-Related Transactions shall not be set off with Customer-Related Transactions or NCM-Related Transactions of the Clearing Member. Further, claims arising from RC-Related Transactions that relate to corresponding Transactions with a specific Registered Customer shall not be set off with claims arising from other RC-Related Transactions that relate to corresponding Transactions with any other Registered Customer.

Part 3 The Individual Clearing Model Provisions

The provisions on the Individual Clearing Model of Eurex Clearing AG (the “**Individual Clearing Model Provisions**”) are set forth below. Any entity acting as a Non-Clearing Member or a Registered Customer or acting as both a Non-Clearing Member and Registered Customer in the Clearing under the Clearing Conditions (hereinafter for the purposes of these Individual Clearing Model Provisions, an “**ICM Client**”) has the option to select the segregation and portability mechanism provided by these Individual Clearing Model Provisions on the basis of one of the following two documentation standards.

1 Individual Clearing Model Provisions under Eurex Clearing AG Documentation (“**ICM-ECD**”)

1.1 Eurex Clearing AG, the Clearing Member and an ICM Client have the option to apply the Individual Clearing Model Provisions on the Basis of these Clearing Conditions. For such purposes:

- Eurex Clearing AG, the relevant Clearing Member and the relevant ICM Client will enter into the Clearing Agreement in the form appended to the Clearing Conditions as Appendix 3 (hereinafter an “**ICM Clearing Agreement**” and “**ICM Clearing Agreement for ICM-ECD**”)

1.2 In such case, Subpart A, B and C of this Part 3 apply (together the “**Individual Clearing Model Provisions under Eurex Clearing AG Documentation**” or “**ICM-ECD Provisions**”).

2 Individual Clearing Model Provisions under Client Clearing Documentation (“**ICM-CCD**”)

2.1 Eurex Clearing AG, the Clearing Member and an ICM Client have the option to apply the Individual Clearing Model Provisions on the basis of these Clearing Conditions and a Client Clearing Agreement (as defined in Subpart D Number 2.1.1). For such purposes and in addition to the Client Clearing Agreement:

- Eurex Clearing AG and the relevant Clearing Member will agree in the Clearing Agreement between them in the form appended to the Clearing Conditions as Appendix 1 to apply the Individual Clearing Model Provisions for **ICM-CCD** (in which case such Clearing Agreement shall also be an “**ICM Clearing Agreement**” and the “**ICM Clearing Agreement for ICM-CCD**” in accordance with its terms), and
- Eurex Clearing AG, the relevant Clearing Member and the relevant ICM Client will enter into an agreement for the participation in the Individual Clearing Model under Client Clearing Documentation in the form appended to the Clearing Conditions as Appendix 4 (the “**ICM Participation Agreement**”).

2.2 In such case, Subpart A, B and D of this Part 3 apply (together the “**Individual Clearing Model Provisions under Client Clearing Documentation**” or “**ICM-CCD Provisions**”).

- 2.3 Any Non-Covered Transactions or Net Omnibus Transactions which are entered into between Eurex Clearing AG and the Clearing Member under the Clearing Agreement in the form appended to the Clearing Conditions as Appendix 1 shall not form part of the ICM Clearing Agreement for ICM-CCD.
- 3 References**
- 3.1 Any ICM Clearing Agreement constitutes a Clearing Agreement pursuant to the Clearing Conditions.
- 3.2 For the purposes of the Clearing Conditions and unless the context requires otherwise, references to the Clearing Agreement or a Clearing Agreement shall also be construed as reference to an ICM Participation Agreement, in particular but not limited to, the references in Chapter I Part 1 Number 6, 7, 10-12, 13, or 15.
- 3.3 References to Eurex Clearing AG, the Clearing Member and the ICM Client, respectively, in this Part 3 shall be construed solely as references to the parties to the Relevant ICM Documentation (and only in their capacity as parties to that Relevant ICM Documentation) and shall exclude any other Clearing Members or ICM Clients or other customers of the Clearing Member. **“Relevant ICM Documentation”** means, with respect to a certain ICM Client, (i) in the case of the ICM-ECD Provisions, the ICM Clearing Agreement for ICM-ECD with such ICM Client, (ii) in the case of the ICM-CCD Provisions, upon execution of an ICM Participation Agreement with such ICM Client, the ICM Clearing Agreement for ICM-CDD together with the ICM Participation Agreement.

Part 3 Subpart A: Provisions on Transactions between Eurex Clearing AG and the Clearing Member for ICM-ECD and ICM-CCD

1 Application of this Subpart A

These Numbers 1 through 7 of Subpart A apply to Transactions between Eurex Clearing AG and the Clearing Member pursuant to the Relevant ICM Documentation.

2 Content of ICM Clearing Agreement, the Standard Agreements

2.1 Construction and Prerequisites

2.1.1 Any Transaction between Eurex Clearing AG and the Clearing Member which is subject to the Individual Clearing Model Provisions shall be a “**Covered Transaction**” for the purpose of these Individual Clearing Model Provisions. Any Transaction which is subject to the Elementary Clearing Model Provisions shall be a “**Non-Covered Transaction**”. Any Transaction which is subject to the Net Omnibus Clearing Model Provisions shall be a “**Net Omnibus Transaction**”.

2.1.2 (i) Upon execution of an ICM Clearing Agreement for ICM-ECD with a specific ICM Client, all rights and obligations between Eurex Clearing AG and the Clearing Member with respect to Covered Transactions under such ICM Clearing Agreement for ICM-ECD shall for the purpose of these Clearing Conditions constitute a separate arrangement or (ii) upon execution of an ICM Participation Agreement between Eurex Clearing AG and the Clearing Member and a specific ICM Client, all rights and obligations between Eurex Clearing AG and the Clearing Member with respect to Covered Transactions under the ICM Clearing Agreement for ICM-CCD relating to such ICM Client shall for the purposes of these Clearing Conditions constitute a separate arrangement (each such relevant separate arrangement is a “**Standard Agreement** between Eurex Clearing AG and the Clearing Member pursuant to the Individual Clearing Model Provisions).

References in these Individual Clearing Model Provisions to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member or references to the Difference Claim (as defined in Subpart A Number 7.3.2 below) between Eurex Clearing AG and the Clearing Member, shall be construed solely by reference to the Relevant ICM Documentation and a certain ICM Client (and shall therefore exclude the relevant Standard Agreement and Difference Claims under any other Relevant ICM Documentation as well as the relevant Standard Agreement and Difference Claims pursuant to the Elementary Clearing Model Provisions and the Net Omnibus Clearing Model Provisions).

2.1.3 All Covered Transactions and all Redelivery Claims (as defined and set out in Subpart A Number 2.2.3) between Eurex Clearing AG and the Clearing Member arising pursuant to the Individual Clearing Model Provisions under the relevant Standard Agreement, together the “**Covered Claims**”, form a single agreement between the parties to the relevant Standard Agreement and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between such parties which (subject to provisions in this

Appendices >

Chapter I on the termination of individual Covered Transactions) can be terminated only in its entirety.

2.2 General principles applicable to the settlement of Covered Transactions and any Delivery and Redelivery of Segregated Margin or Segregated Variation Margin

2.2.1 Each party to the relevant Standard Agreement shall be obliged to fulfil any payment or delivery obligations under Covered Transactions or obligations to deliver or redeliver cover in respect of either the Segregated Margin (as defined in Subpart A Number 5.1) or the Segregated Variation Margin (as defined in Subpart A Number 6.1) under the relevant Standard Agreement by transferring to the transferee all right, title and interest in and to the concerned assets or Eligible Margin Assets, as the case may be, free and clear from any and all rights and claims of the transferring party and of any third person, howsoever arising, including, without limitation, pursuant to applicable regulation or under any statutory or other trust. The value of such assets shall, as of the date the transfer is effected, be at least equal to the value at that date of the concerned payment or delivery obligation.

In the case of a transfer of Eligible Margin Assets in the form of Securities by the Clearing Member to Eurex Clearing AG, the Clearing Member shall instruct Clearstream Banking AG or SIX SIS AG in a timely manner to transfer the relevant Securities to the Securities Margin Account (as defined in Number 2.1.2 Paragraph (4) (a) (bb) of the General Clearing Provisions) and procure that Clearstream Banking AG or SIX SIS AG, as applicable, then informs Eurex Clearing AG of such transfer.

2.2.2 The purpose of the Segregated Margin and Segregated Variation Margin actually delivered under the relevant Standard Agreement shall be to collateralise all claims (whether present, future, actual, contingent or prospective) of the relevant margin taker arising under the Covered Transactions entered into between the parties to such Standard Agreement.

2.2.3 The actual payment or delivery of Eligible Margin Assets in respect of Segregated Margin or Segregated Variation Margin gives rise to a corresponding contractual claim of the margin provider against the margin taker for repayment or redelivery, as the case may be, of equivalent assets in the same amount or the same number as such Eligible Margin Assets actually delivered (or increases an already existing repayment or redelivery claim; each such claim shall be referred to as a **“Redelivery Claim”**), subject to, in the case of a Direct Segregated Margin Transfer, Subpart B Number 11.1.8. For the avoidance of doubt: in the case of Segregated Margin, only the Clearing Member and the ICM Client, respectively and if applicable, may be the creditor of the relevant Redelivery Claim and in the case of Segregated Variation Margin, either party to the relevant Standard Agreement may be the creditor of the relevant Redelivery Claim.

For the purpose of the relevant Redelivery Claim, the term **“equivalent”** means assets of the same type, currency, description, nominal value and amount as such Eligible Margin Assets (including, in the case of debt securities, the sum of money or assets equivalent to any redemption or other proceeds therefrom) actually delivered in respect of the Segregated Margin or the Segregated Variation Margin.

Chapter I, Part 3	

< Table of contents

Appendices >

References in these Individual Clearing Model Provisions to Redelivery Claims shall be construed so as to exclude any Redelivery Claim pursuant to the Elementary Clearing Model Provisions and the Net Omnibus Clearing Model Provisions.

A Redelivery Claim will become due with respect to the Segregated Margin (i) upon request of the margin provider and if and to the extent the relevant applicable Default Margin Requirement (as defined in Subpart A Number 5.2.1) is below the aggregate value of all Eligible Margin Assets actually delivered in respect of the Segregated Margin or (ii) in accordance with Subpart A Number 5.3.5 and with respect to the Segregated Variation Margin in accordance with Subpart Number 6, in each case provided that no Termination Date (as defined in Number 7.2 of the General Clearing Provisions) has occurred.

2.2.4 Subject to the Number 3.2.2 Paragraph (2) and (3) of the General Clearing Provisions, the term “**actually delivered**” when used in the Individual Clearing Model Provisions means (i) the actual credit of an Eligible Margin Asset to a cash or securities account held and maintained in the name of the relevant receiving party, which in the case of Eurex Clearing AG shall be the relevant Eurex Clearing AG cash account and Securities Margin Account or in the case of a delivery of an Eligible Margin Asset in the form of Securities pursuant to Subpart A Number 5.5, the effectiveness of the title transfer in Xemac (as defined Subpart A Number 5.5), or otherwise (ii) in the event of a set-off pursuant to Subpart A Number 2.3. or Number 1.3 of the General Clearing Provisions, the legal effectiveness of such set-off. The term “**actual delivery**” shall be interpreted accordingly.

Where reference is made in the Individual Clearing Model Provisions to the “**aggregate value**” of Eligible Margin Assets in connection with the assessment of compliance with the Margin Requirement or Default Margin Requirement (as defined in Subpart A Number 5.2.1) or an obligation to deliver or redeliver cover in respect of the Segregated Margin or the Segregated Variation Margin, the aggregate value will be determined by Eurex Clearing AG in accordance with Number 3.2.2 of the General Clearing Provisions.

2.3 **Set-off**

Any claims of a party to the relevant Standard Agreement arising from Covered Claims and claims to provide cover in respect of the Segregated Margin or the Segregated Variation Margin pursuant to Numbers 5 and 6 may be set off against claims arising from Covered Claims or claims to provide cover in respect of the Segregated Margin or the Segregated Variation Margin pursuant to Numbers 5 and 6 of the respective other party. The provisions of Number 1.3.1 Paragraph (1) and (2) of the General Clearing Provisions shall apply *mutatis mutandis*.

Any other set-off of claims between the parties to a Standard Agreement shall be prohibited.

The daily balance of each internal cash account (after taking into account the set-offs pursuant to Clearing Conditions) shall be debited or credited, as the case may be, to the respective Clearing Member Cash Account to the extent that Eurex Clearing AG does not claim any credit balance in such account as Segregated Margin or Segregated Variation Margin.

5 Segregated Margin

The Clearing Member is required to provide margin to Eurex Clearing AG as further set out in this Subpart A Number 5. The Margin Requirement applicable to the Clearing Member pursuant to this Subpart A Number 5 shall be in addition to any other margin requirement of the Clearing Member vis-à-vis Eurex Clearing AG under the Elementary Clearing Model Provisions.

5.1 General obligation to provide Segregated Margin

Without prejudice to Subpart B Number 11.1 the Clearing Member is required to transfer margin to Eurex Clearing AG for all Covered Transactions (and for the purposes of the inclusion in the Clearing of the Original OTC Transaction as a Covered Transaction in accordance with Chapter VIII Part 3), in such amounts, in such forms and at such times as are required pursuant to this Subpart A Number 5 and the Special Clearing Provisions (with respect to the relevant Standard Agreement, the “**Segregated Margin**”).

5.2 Margin Requirement

5.2.1 The amount of Eligible Margin Assets to be delivered as cover in respect of Segregated Margin by the Clearing Member shall be determined in accordance with Number 3.1 of the **General Clearing Provisions** (the “**Default Margin Requirement**”) and will be notified by Eurex Clearing AG to the Clearing Member. The Overall Margin Requirement for the Clearing Member will be determined by Eurex Clearing AG by multiplying the Default Margin Requirement and the Specified Multiplier set out in the Relevant ICM Documentation (hereinafter for the purpose of the Individual Clearing Model Provisions, the “**Margin Requirement**”).

5.2.2 In order to determine the Default Margin Requirement of the Clearing Member, Eurex Clearing AG will determine separate margin requirements for (i) such Covered Transactions referring to own transactions of the relevant ICM Client and (ii) such Covered Transactions referring to customer related transactions of the relevant ICM Client, provided that in each case credit balances on any internal transaction account shall not be taken into account, and then calculate the sum of such separate Margin Requirements.

5.3 Margin Call

- 5.3.1 If Eurex Clearing AG at any time on any Business Day (as defined in Number 1.2.4 Paragraph (1) of the General Clearing Provisions) determines that the aggregate value of the Segregated Margin actually delivered is insufficient to provide the cover required with respect to all Covered Transactions which are subject to the Margin obligation, Eurex Clearing AG will require the Clearing Member to deliver (additional) Eligible Margin Assets in an amount up to the Margin Requirement and by the time specified by Eurex Clearing AG. Notwithstanding the foregoing sentence, the Clearing Member shall always be required to comply with the Margin Requirement, provided that Subpart A Number 5.3.4 shall remain unaffected.
- 5.3.2 The Clearing Member must not provide Eligible Margin Assets to Eurex Clearing AG in excess of the applicable Margin Requirement. Any Eligible Margin Assets actually delivered in excess of the applicable Margin Requirement shall form part of the Segregated Margin and shall be subject to a Redelivery Claim which becomes due upon request by the Clearing Member.
- 5.3.3 The Clearing Member is entitled at any time by giving notice to Eurex Clearing AG specifying the relevant Standard Agreement and ICM Client to designate any amount of Eligible Margin Assets in the form of cash delivered by (and not returned to) the Clearing Member to Eurex Clearing AG with respect to the Margin pursuant to the Elementary Clearing Model Provisions as part of the Segregated Margin in order to (partially) satisfy the applicable Margin Requirement. The aggregate value of the Segregated Margin actually delivered and the Redelivery Claim shall be increased and the aggregate value of Margin actually delivered and the redelivery claim pursuant to the Elementary Clearing Model Provisions shall be reduced accordingly upon Eurex Clearing AG having made the corresponding records (which Eurex Clearing AG shall do without undue delay) in the Segregated Internal Margin Account pursuant to Subpart A Number 4.1.2 and the applicable internal margin account pursuant to Number 4.2 of the Elementary Clearing Model Provisions.
- 5.3.4 Non-compliance with the applicable Margin Requirement (in whole or in part) by the Clearing Member shall constitute a Termination Event pursuant to Number 7.2.1 Paragraph (1) of the General Clearing Provisions unless at such time:
- (1) the Clearing Member has complied with the Default Margin Requirement; or
 - (2) the aggregate value of all Eligible Margin Assets actually delivered in respect of the Margin pursuant to the Elementary Clearing Model Provisions in excess of the applicable Margin Requirement for all Non-Covered Transactions between Eurex Clearing AG and the Clearing Member pursuant to the Elementary Clearing Model Provisions (less any shortfall in the Net Omnibus Margin under the Net Omnibus Clearing Model Provisions) is equal to or higher than the aggregate value of all Default Margin Requirements of the Clearing Member with regard to all its ICM Clients for which a shortfall in Segregated Margin exists less the aggregate value of all Eligible Margin Assets actually delivered by the Clearing Member in respect of

Segregated Margin with regard to all its ICM Clients for which a shortfall in Segregated Margin exists.

5.3.5 The Clearing Member may at any time request from Eurex Clearing AG the redelivery of assets equivalent to Eligible Margin Assets actually delivered in respect of the Segregated Margin if the aggregate value of all Eligible Margin Assets actually delivered in respect of the Segregated Margin exceeds the Default Margin Requirement applicable at the time of such request. The Clearing Member may select – in accordance with any agreement between the Clearing Member and the ICM Client, if applicable – which Eligible Margin Assets credited to the Segregated Internal Margin Account pursuant to Subpart A Number 4.1.2 shall be redelivered; Eurex Clearing AG will not and shall not be obliged to check whether there is, and whether the Clearing Member complies with, any such agreement..

5.4 **Direct Debit**

Eurex Clearing AG may directly debit the Clearing Member Cash Account in an amount equal to the requested amount of Eligible Margin Assets in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions. Any such direct debit shall not constitute fulfilment of the relevant Margin Call relating to the relevant Standard Agreement (and consequentially such direct debit will not increase the Redelivery Claim) but shall constitute cover in respect of the Margin delivered by the Clearing Member pursuant to the Elementary Clearing Model Provisions.

5.5 **Xemac**

The Clearing Member may provide Eligible Margin Assets in form of Securities in accordance with Subpart A Number 2.2.1 by using the Collateral Management System Xemac (“**XEMAC**”) of Clearstream Banking AG on the basis of the applicable provisions of the Special Conditions for Collateral Management (“**SC XEMAC**”).

6 **Segregated Variation Margin**

6.1 **General Obligation to provide Segregated Variation Margin**

Each party to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member shall be required to transfer (additional) cover in respect of daily profits or losses for such Covered Transactions for which Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII, Part 2 Number 2.1.2 Paragraph (1) and (2) and Chapter VIII Part 3 Number 3.1.6 Paragraph (3), as applicable, apply in such amounts and at such times as are required pursuant to this Subpart A Number 6. Any such cover provided or to be provided with respect to the relevant Standard Agreement is herein referred to as “**Segregated Variation Margin**”).

6.2 Segregated Variation Margin Requirement

Only Eligible Margin Assets in the form of cash shall be delivered as cover in respect of Segregated Variation Margin. The party to the relevant Standard Agreement obliged to provide Segregated Variation Margin (the “**Segregated Variation Margin Provider**”), to the other party to such Standard Agreement (the “**Segregated Variation Margin Taker**”), and the amount of Eligible Margin Assets in form of cash to be delivered as cover in respect of Segregated Variation Margin (the “**Segregated Variation Margin Requirement**”) shall be determined in accordance with Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII, Part 2 Number 2.1.2 Paragraph (1) and (2) and Chapter VIII Part 3 Number 3.1.6 Paragraph (3), as applicable.

Subpart A Number 5.3.2 applies *mutatis mutandis*.

6.3 Delivery of Segregated Variation Margin and Redelivery Claim

Segregated Variation Margin shall be delivered and/or returned on any Business Day in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions and Subpart A Number 2.3.1.

Eligible Margin Assets actually delivered in the form of cash in respect of the Segregated Variation Margin by the Segregated Variation Margin Provider will give rise to or increases a Redelivery Claim of such party against the Segregated Variation Margin Taker in accordance with Subpart A Number 2.2.3. Any such Redelivery Claim (i) shall become due if and to the extent that on any subsequent Business Day a profit amount has been determined for the benefit of such Segregated Variation Margin Provider in accordance with Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII, Part 2 Number 2.1.2 Paragraph (1) and (2) and Chapter VIII Part 3 Number 3.1.6 Paragraph (3), as applicable, (the applicable amount shall be the “**Redelivery Amount**”) and (ii) shall be decreased and fulfilled accordingly (subject to a minimum value of “zero”) if and to the extent equivalent Eligible Margin Assets in form of cash have been actually delivered to it by the Segregated Variation Margin Taker. For the avoidance of doubt, if the profit amount determined for the benefit of the Segregated Variation Margin Provider is higher than its Redelivery Claim as of such time, the payment of the excess amount by the other party constitutes itself a delivery of Segregated Variation Margin and the relevant party to the Standard Agreement being the Segregated Variation Margin Provider or the Segregated Variation Margin Taker shall change.

For the purpose of the Clearing Conditions, an actual delivery in respect of the Segregated Variation Margin resulting in a corresponding Redelivery Claims shall take place if upon conclusion of a Covered Transaction the terms and conditions of such Covered Transaction provide that due to a netting with an applicable initial consideration no actual payment in respect of the Segregated Variation Margin will occur.

7 Termination, Consequences of a Termination, Interim Settlement and Re-Establishment

7.1 Termination

Upon the occurrence of a Termination Event or Insolvency Termination Event and a Termination Date (each as defined in Number 7.2 of the General Clearing Provisions) with respect to the Clearing Member, the Clearing of new Covered Transactions under the relevant Standard Agreement may be suspended (the “**Suspension**”) and/or Covered Transactions terminated (the “**Termination**”) and, in case of a Termination, either a termination payment (the “**Termination Payment**”) shall become or a re-establishment of transactions with a replacement Clearing Member shall occur (the “**Re-Establishment**”) as further set out in this Subpart A Number 7 and Subpart B Number 5.

7.2 Limitation or Suspension of Clearing

If a Termination Event or any of the following events occurs with respect to a Clearing Member:

- (i) the existence of an unremedied breach by the Clearing Member of its Clearing Agreement with Eurex Clearing AG, except where such breach is minor, technical or administrative in nature in the reasonable opinion of Eurex Clearing AG;
- (ii) a determination is made by Eurex Clearing AG that limitation or suspension of Clearing is necessary for it to contain its exposure to the Clearing Member;
- (iii) the suspension or termination (other than a voluntary termination) of the Clearing Member's membership of another clearing house provided that the circumstances relating to that suspension or termination are, in Eurex Clearing AG 's reasonable opinion, material to the management of its risk by Eurex Clearing AG, and that Eurex Clearing AG first consults or attempts to consult with the Clearing Member and the competent regulatory authorities;
- (iv) the commencement of the Disciplinary Process as defined in Number 7.2.1(b) (aa) of the General Clearing Provisions against a Clearing Member; or
- (v) any other event in respect of the Clearing Member that could materially impact the ability of that Clearing Member to perform its obligations under the Clearing Conditions and the relevant Clearing Agreement, then Eurex Clearing AG may

(taking into account the interests of such Clearing Member and its clients and provided that such action constitutes a proportionate and reasonable action) one or more times suspend or limit the Clearing of new Covered Transactions under the relevant Standard Agreement and shall notify the Clearing Member and the ICM Client of such decision to suspend or limit such Clearing. Eurex Clearing AG shall specify a reasonable period of time during which such Suspension or limitation shall apply.

Furthermore, if Eurex Clearing AG so demands, the relevant Clearing Member shall, at the Clearing Member's own expense, provide such information and evidence as Eurex

Clearing AG in its reasonable opinion may deem necessary, to conduct an appropriate investigation of the facts and circumstances relating to a Termination Event or any of the events listed above.

Upon the occurrence of a Termination Event or any of the events listed above and unless such Termination Event or other events have been remedied, the Clearing Member is – subject to any other limitations or restrictions of the Clearing pursuant to the Clearing Conditions – only entitled to enter any order or quotes into the systems of the Markets or clear new Transactions, as the case may be, if sufficient Segregated Margin and Segregated Variation Margin has been actually delivered to Eurex Clearing AG in advance.

Before limiting or suspending the Clearing of new Covered Transactions under this Number 7.2, and without limiting its rights under Number 7.2.1 of the General Clearing Provisions Eurex Clearing AG shall, where reasonable in the circumstances, attempt to consult with the relevant Clearing Member, further to which Eurex Clearing AG may in its absolute discretion agree a grace period within which the Clearing Member may remedy the event in question. For the avoidance of doubt, in case the relevant event constitutes an Alleged Breach (as defined in the Disciplinary Procedures Rules) Eurex Clearing AG may commence Disciplinary Procedures in respect of the Clearing Member subject to and in accordance with the Disciplinary Procedures Rules.

7.3 Consequences of a Termination

If a Termination Date has occurred with respect to the Clearing Member, the following provisions shall apply.

7.3.1 Termination of Covered Claims

Without prejudice to the following provisions of this Subpart A Number 7.3, all current and future primary obligations (including payment and delivery obligations) of each party under the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member arising from Covered Claims shall expire (*auflösende Bedingung*) as of the Termination Time and shall no longer be required to be performed by the relevant obligor. Further all due but unsatisfied obligations to deliver Segregated Margin and Segregated Variation Margin under the Corresponding Standard Agreements shall expire (*auflösende Bedingung*) as of the Termination Time. The expiration affects all claims arising from Covered Transactions independently of the time they came into existence or would have come into existence otherwise. These expired primary obligations and delivery obligations, respectively, are reflected by the Difference Claim (as defined in Subpart A Number 7.3.2.. below), subject to and in accordance with Number 7.3 of the General Clearing Provisions.

7.3.2 Difference Claim

With regard to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, the difference claim which was created by the signing of the Relevant ICM Documentation shall become unconditional and immediately due in the Termination

Eurex Clearing AG shall notify the value of the Difference Claim determined by it to the Clearing Member and the ICM Client as soon as reasonably practicable and by no later than the end of the Business Day after its determination, together with reasonable detail regarding the data and information forming the basis of the determination.

7.3.3 Payment of Difference Claim

- (1) Unless either (i) the Interim Participation Conditions set out in Subpart B Number 5.1.2 or (ii) the Immediate Re-Establishment Conditions set out in Subpart B Number 5.2.2 are satisfied, such party to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member which is the obligor of the Difference Claim shall be obliged to pay the determined amount of the Difference Claim to the other party as soon as reasonably practicable following the notification by the determining party of the payable amount. If Eurex Clearing AG is the debtor of the Difference Claim, Eurex Clearing AG may on demand of the creditor of the Difference Claim discharge the Difference Claim in whole or in part by delivering Securities that have been delivered to Eurex Clearing AG as Margin under the relevant Standard Agreement; the Securities so delivered shall be taken into account with respect to the Difference Claim at the price which has been applied for the Redelivery Claim with respect to such Securities in calculating the Difference Claim.
- (2) The debtor of the Difference Claim shall not be obliged to pay any interest on the amount of the Difference Claim unless it is in default (*Verzug*) following the receipt of a payment reminder (*Mahnung*) by the other party. Default interest shall be paid on the basis of the effective overnight interest rate applicable to the currency of the Difference Claim.
- (3) Eurex Clearing AG is entitled to set-off the Difference Claim it may have against the Clearing Member pursuant to these Individual Clearing Model Provisions against any Difference Claim it owes to the Clearing Member pursuant to the Elementary Clearing Model Provisions.

7.4 Post Settlement

Following the Termination Date and prior to the end of the Valuation Date, payment and delivery claims arising under Covered Transactions which were due and enforceable but unsettled at the Termination Date or will become due and enforceable prior to the end of the Valuation Date and for which a binding valid and irrevocable settlement has occurred between the Clearing Member and Eurex Clearing AG shall for the purpose of the

The same applies with respect to a redelivery of Non-Eligible Margin Assets.

- (iv) as long as the requirements of this Subpart B Numbers 2.2.1 Paragraph (3) and 2.2.2 Paragraph (3) are met, following the assignment set out in Paragraph (1), the ICM Client is not both creditor and debtor of the Difference Claim set out under the foregoing (iii), the parties agree that such Difference Claim shall equally automatically be discharged; such discharge shall constitute an enforcement of the claims that are secured by an assignment for security purposes of such Difference Claim, which enforcement shall result in a discharge of such secured claims in the same amount.
- (v) Eurex Clearing AG notifies the Clearing Member of the assignments pursuant to Paragraph (1) and (2). The Clearing Member confirms receipt of such notification.

Eurex Clearing AG may decline to accept the transfer to the Replacement Clearing Member if a regulator, court or another authority has prohibited or hindered the application of any or part of the mechanics of the Individual Clearing Model Provisions (including by transferring Covered Transactions to another entity).

In addition, Eurex Clearing AG will not permit the transfer to the Replacement Clearing Member if it becomes aware of circumstances which, in Eurex Clearing AG's reasonable opinion, indicate that a Termination Event or Insolvency Termination Event is about to occur with respect to the Replacement Clearing Member.

The objection rights described herein shall be exercised by giving a written notice to the ICM Client and the Replacement Clearing Member.

5.2.7 Procedure in case of non-occurrence or partial effectuation of a re-establishment

6.7 The exercise of retention rights (Zurückbehaltungsrecht) against any claims under the relevant Standard Agreement shall be prohibited.

6.8 No party subject to the Individual Clearing Model Provisions shall be

(i) required to satisfy any claims; or

as a result of which, from an economic perspective, that would amount to a double payment or delivery or, as the case may be, to a receipt of the same amount twice by any party subject to the Individual Clearing Model Provisions.

7 Replacement of Clearing Member

Subject to the special provisions of the Individual Clearing Model Provisions, a ICM Client may effect a replacement of its Clearing Member in accordance with this Subpart B Number 7 with respect to one or more Transaction Types only with the prior written consent of Eurex Clearing AG, the respective Clearing Member and a replacement Clearing Member and subject to the prior conclusion of a Relevant ICM Documentation between Eurex Clearing AG, the ICM Client and the replacement Clearing Member. In order to effect such replacement of a Clearing Member on a Business Day, the relevant Covered Transactions (being Eurex Transactions, EEX Transactions, ISE-Transactions, OTC Credit Derivative Transactions and/or OTC Interest Rate Derivative Transactions) of the relevant Clearing Member with Eurex Clearing AG and the relevant claims and obligations with respect to the Redelivery Claims relating to the Segregated Margin and the Segregated Variation Margin under the relevant Standard Agreement shall be transferred to the relevant replacement Clearing Member only by way of a transfer by novation (*Novation*) by the relevant Clearing Member to the replacement Clearing Member.

Such transfer shall become effective only upon Eurex Clearing AG having received all of the documents set out below in form and substance satisfactory to it (provided that, where Eurex Clearing AG itself would be required to become a party to any such document for it to become effective, nothing herein shall prejudice Eurex Clearing AG's decision whether or not to do so). Eurex Clearing AG shall notify the relevant parties in writing promptly upon being so satisfied and specify a transfer date binding on all relevant parties in such notice.

Original copies of the following documents shall be provided to Eurex Clearing AG:

(i) a transfer agreement in the form published by Eurex Clearing AG on the Eurex Clearing AG website (www.eurexclearing.com);

- (ii) the Relevant ICM Documentation with the replacement Clearing Member; and
- (iii) any other document which Eurex Clearing AG reasonably considers to be necessary or useful (if it has notified the relevant parties accordingly) in connection with such transfer,

duly executed, in each case, by or on behalf of all parties required to execute it.

8 Default under the Relevant Agreement between the Clearing Member and the ICM Client, Termination of Relevant Transactions

- 8.1 Each of the Clearing Member and the ICM Client is obliged to notify Eurex Clearing AG in text form or in writing promptly (i) if a Default with respect to the Clearing Member or the ICM Client under their Relevant Agreement has occurred and (ii) if, as a consequence of such a Default, all or only some of the Relevant Transactions between the Clearing Member and the ICM Client have been accelerated, terminated or otherwise closed-out. If Eurex Clearing AG initially received such a notice from the ICM Client, it shall request the Clearing Member to give notice to Eurex Clearing AG, confirming the content of such notice promptly. Eurex Clearing AG may make available to the Clearing Member a form of any such notice or confirmation notice pursuant to this provision in which case the Clearing Member is required to use such form only for its notice or confirmation notice to Eurex Clearing AG.
- 8.2 “**Default**” for the purpose of this Subpart B Number 8.1 means the applicable events of default and other termination events (however described) set out in the Relevant Agreement between the Clearing Member and the ICM Client, including with respect to the Clearing Member only the Termination Events pursuant to Number 7.2 of the General Clearing Provisions, and any event having a similar effect under applicable law.
- 8.3 Notwithstanding the occurrence of a Termination Date with respect to the relevant Clearing Member, any termination of Relevant Transactions between the Clearing Member and the ICM Client due to a Default will not terminate the relevant Covered Transactions between Eurex Clearing AG and the Clearing Member.
- 8.4 Following receipt by Eurex Clearing AG of a notice pursuant to this Subpart B Number 8.1 that all or only some of the Relevant Transactions between the Clearing Member and the ICM Client have been terminated under their Relevant Agreement by any party or by operation of law, the following applies with respect to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, unless such Default occurs by reference to a Termination Date with respect to the relevant Clearing Member:
- 8.4.1 All Covered Transactions between Eurex Clearing AG and the Clearing Member shall without any further action be novated and be re-entered into under the Clearing Agreement pursuant to the Elementary Clearing Model Provisions, and thereafter form part of the Non-Covered Transactions between Eurex Clearing AG and the Clearing Member. The so novated original Covered Transactions shall be credited to an Own

8.4.2 All Redelivery Claims relating to Eligible Margin Assets in form of cash actually delivered in respect of Segregated Margin or Segregated Variation Margin by either party shall without any further action be novated and be re-established under the Clearing Agreement pursuant to the Elementary Clearing Model Provisions.

8.4.3 All Eligible Margin Assets in form of Securities actually delivered in respect of the Segregated Margin by the Clearing Member shall, following receipt of any notice or confirmation notice, as the case may be, by the Clearing Member pursuant to this Subpart B Number 8.1, be transferred by Eurex Clearing AG to the Clearing Member and pledged by the Clearing Member to Eurex Clearing AG in accordance with the Elementary Clearing Model Provisions. For such purposes, Eurex Clearing AG shall instruct the Settlement Location to transfer Eligible Margin Assets in form of Securities actually delivered in respect of the Segregated Margin by the Clearing Member from the Securities Margin Account to the Pledged Securities Account which will then constitute Margin actually delivered pursuant to the Elementary Clearing Model Provisions. All Redelivery Claims of the Clearing Member against Eurex Clearing AG with respect to the transfer of equivalent Eligible Margin Assets in form of Securities actually delivered in respect of Segregated Margin shall be settled. This Subpart B Number 3 shall not apply.

8.4.4 In the case of the ICM-ECD Provisions, any residual Covered Transactions between the Clearing Member and the ICM Client shall without any further action be novated and be re-entered into under the Clearing Agreement pursuant to the Elementary Clearing Model Provisions.

For the purpose of the Individual Clearing Model Provisions and in addition to Number 6 of the General Clearing Provisions, the following provisions apply to all Clearing Members and ICM Clients while acting as Interim Participant under the Clearing Conditions pursuant to this Subpart B Number 5.1:

- (i) All references in Number 6 of the General Clearing Provisions to Clearing Member include all ICM Clients while acting as Interim Participant under the Clearing Conditions;
- (ii) Number 6.1.2 Paragraph (2) of the General Clearing Provisions does not apply to ICM Clients while acting as Interim Participant under the Clearing Conditions;

- (iv) Number 6.2 of the General Clearing Provisions does not apply to the ICM Client as Interim Participant with respect to the Termination relating to its Clearing Member and resulting in the application of this Subpart B Number 5.1; and
- (v) contributions of the ICM Client shall be released at least one month following the effective date of the Transfer Agreement referred to in this Subpart B Number 5.1.6, subject to Number 6.4 of the General Clearing Provisions which shall apply *mutatis mutandis*.

10 Specific Provisions regarding Eligible Margin Assets in form of Securities

10.1 Securities Income

10.1.1 Any payments of interest, dividends or other distributions in the form of Securities arising in relation to Securities credited to the Securities Margin Account of a Clearing Member in respect of which no payment of consideration is required as well as any other rights arising in relation to Securities credited to the Securities Margin Account of a Clearing Member (such as bonus shares) (the “**Securities Income**”) will be credited to the Securities Margin Account.

10.1.2 Securities Income credited to the Securities Margin Account constitutes Segregated Margin between Eurex Clearing AG and the Clearing Member and between the Clearing Member and the ICM Client (in the case of the ICM-ECD Provisions) and the relevant Redelivery Claims between such parties will be increased or, if any such Securities Income subsequently expires decreased accordingly.

10.1.3 Number 3.2.3 of the General Clearing Provisions applies accordingly if such Securities Income constitutes Non-Eligible Margin Assets.

10.2 Cash Income

Upon payment of any interest, dividends or other distributions in cash in relation to Securities or Equivalent Securities (as defined in this Subpart B Number 10.4.2), as the case may be, credited to the Securities Margin Account of a Clearing Member (the “**Cash Income**”), Eurex Clearing AG shall pay to the Clearing Member a cash amount equivalent to and in the same currency as such Cash Income (net of any withholding or deduction) (the “**Equivalent Notional Cash Income**”). Following the credit of any Cash Income or Equivalent Notional Cash Income, as the case may be, by Clearstream Banking AG or SIX SIS Ltd. directly to a designated cash account of the Clearing Member, Eurex Clearing AG’s obligation to pay the relevant Equivalent Notional Cash

Income to the Clearing Member shall be fulfilled. This Subpart B Number 3.1 applies upon receipt by the Clearing Member of the relevant Equivalent Notional Cash Income.

10.3 Information received in relation to the Securities held in the Securities Margin Account

Eurex Clearing AG shall forward any and all information received, if any, in relation to Securities held in the Securities Margin Account to the relevant Clearing Member.

The Clearing Member shall forward any information in relation to Securities held in the Securities Margin Account it receives from Eurex Clearing AG, Clearstream Banking AG or SIX SIS AG to the ICM Client.

10.4 No Obligation in relation to Corporate Actions

10.4.1 Where any voting rights or elections in relation to corporate actions (e.g. the exercise of subscription rights) have to be exercised in relation to any Securities provided as Segregated Margin, Eurex Clearing AG shall have no obligation in respect of the exercise of such voting rights or the exercise of such elections in relation to corporate actions to be made in accordance with the instructions of the Clearing Member and the Clearing Member shall have no obligation in respect of the exercise of such voting rights or the exercise of such elections in relation to corporate actions to be made in accordance with the instructions of the ICM Client.

10.4.2 In relation to Securities credited to the Securities Margin Account, Eurex Clearing AG (i) shall not exercise any voting or other rights resulting from such Securities; and (ii) shall, at all times, until the Termination Time on the Termination Date has occurred, keep such Securities or Equivalent Securities in the Securities Margin Account. The term **“Equivalent Securities”** in this context means Securities with commercially the same features (*gleicher Art und Güte*) (which is usually reflected by the same securities identification number) and in the identical amount or number, as the case may be.

If the ICM Client wishes any voting rights to be exercised or to be exercised in a particular manner or any election with respect to a specific corporate action (e.g. the exercise of subscription rights) to be made or to be made in a particular manner, it must make use of the substitution right pursuant to this Subpart B Number 10.5 or the Relevant Agreement. The Clearing Member is solely responsible for monitoring the rights and obligations arising out of or accruing in connection with the Securities provided as Segregated Margin as well as for providing any (timely) request to substitute those Securities in order to be able to exercise such rights in person.

10.4.3 Eurex Clearing AG shall neither be under any obligations to exercise any subscription right resulting from Securities provided as Segregated Margin nor under any obligations to sell such subscription rights and any subscription right resulting from such Securities provided as Segregated Margin which has not been exercised by the end of the subscription period (e.g. because the relevant Securities have not been released to and exercised by the ICM Client) shall lapse without the ICM Client being entitled to any compensation.

10.5 Substitution of Eligible Margin Securities

The ICM Client may request from the Clearing Member, and the Clearing Member – following a request from the ICM Client – from Eurex Clearing AG, the return of Eligible Margin Assets in form of Securities equivalent to certain Securities actually delivered as Segregated Margin (the “**Return Margin Asset**”) in exchange for other Eligible Margin Assets, subject to the requirements set out in Subpart A Number 5.3.5.

10.6 Indemnity from the Clearing Member and the ICM Client

10.6.1 The Clearing Member shall indemnify Eurex Clearing AG in respect of all obligations and/or costs and/or liabilities arising from or in connection with the Securities provided as Segregated Margin (including any rights arising therefrom such as subscription rights) that are imposed on Eurex Clearing AG as a consequence of Eurex Clearing AG’s ownership of rights or interests in such Securities (regardless of whether such claims are made by the respective issuer of such securities, other holders of such Securities or any third parties including any public or governmental authorities). The ICM Client shall indemnify the Clearing Member in respect of all liabilities of the Clearing Member resulting from the preceding sentence.

10.6.2 The provisions in this Subpart B Number 10 do not impose on Eurex Clearing AG any fiduciary duties in relation to the Clearing Member or the ICM Client. Moreover, they do not impose any fiduciary duties on the Clearing Member in relation to the ICM Client.

10.7 Respective agreement between Clearing Member and ICM Client for ICM-CCD

The Clearing Member and the ICM Client agree to ensure compliance with the provisions of this Subpart B Number 10 in the Client Clearing Agreement, if required, with regard to income on, or corporate actions in respect to, Eligible Margin Assets.

11 Direct Segregated Margin Transfers and Direct Segregated Margin Retransfers

11.1 Direct Segregated Margin Transfers

11.1.1 The ICM Client may directly transfer to Eurex Clearing AG Eligible Margin Assets in the form of cash or Securities in respect of Segregated Margin (the “**Direct Segregated Margin Transfer**”) provided that a Direct Delivery Obligation (as defined in Number 11.1.4) exists. To the extent that such Direct Segregated Margin Transfer is made, such transfer will discharge (erfüllen) (i) the Margin Requirement (pursuant to Subpart A Number 5.2) of the Clearing Member to Eurex Clearing AG in respect of the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, (ii) in the case of the ICM-ECD Provisions, the obligation of the ICM Client to provide Segregated Margin (pursuant to Subpart C Number 4) to the Clearing Member in respect of the Corresponding Standard Agreement between the Clearing Member and the ICM Client or, as applicable, in the case of the ICM-CCD Provisions, the obligation of the ICM Client to provide Credit Support Margin to the Clearing Member pursuant to the corresponding Client Clearing Agreement and (iii) the Direct Delivery Obligation. In the event of a Direct

- 11.1.2 Direct Segregated Margin Transfers may not be made by using Xemac.
- 11.1.3 A Direct Segregated Margin Transfer in the form of cash will be effected by Eurex Clearing AG, upon the request of the Clearing Member, directly debiting an account of the ICM Client designated by the Clearing Member on behalf of the ICM Client for such purpose. The ICM Client and the Clearing Member shall ensure that all required instructions and authorisations are issued to or, as relevant, granted by any account bank in order for such direct debit to become effective. Subpart A Number 5.4 shall not apply to such Direct Segregated Margin Transfer of cash.
- 11.1.4 For purposes of the Direct Segregated Margin Transfer the ICM Client shall also have a direct obligation vis-à-vis Eurex Clearing AG to transfer to Eurex Clearing AG, when the obligation of the Clearing Member to provide Segregated Margin to Eurex Clearing AG has become due (*fällig*) and has not been discharged, Eligible Margin Assets in the same amount (the "**Direct Delivery Obligation**"). The Direct Delivery Obligation shall be reduced if and to the extent that (i) the ICM Client directly transfers Eligible Margin Assets to the Clearing Member in accordance with the terms of, in the case of the ICM-ECD Provisions, the Corresponding Standard Agreement between the Clearing Member and the ICM Client or, in the case of the ICM-CCD Provisions, in accordance with the terms of the corresponding Client Clearing Agreement and/or (ii) the Clearing Member directly transfers Eligible Margin Assets to Eurex Clearing AG in accordance with the terms of the Standard Agreement between the Clearing Member and Eurex Clearing AG. To the extent that the ICM Client performs the Direct Delivery Obligation, the second sentence of Number 11.1.1 applies.
- 11.1.5 The Direct Delivery Obligation and the obligation of the Clearing Member to provide Segregated Margin shall not constitute a joint and several liability (*keine Gesamtschuld*).
- 11.1.6 In the event that the ICM Client transfers Eligible Margin Assets to Eurex Clearing AG in accordance with Number 11.1.1, (A) the ICM Client shall not have any recourse claims against the Clearing Member as a result of such performance and (B) no claims of Eurex Clearing AG against the Clearing Member shall pass to the ICM Client as a result of such performance. In the event that the Clearing Member directly transfers Eligible Margin Assets to Eurex Clearing AG in accordance with Subpart A Number 5.2 (A) the Clearing Member shall not have any recourse claims against the ICM Client as a result of such performance and (B) no claims of Eurex Clearing AG against the ICM Client shall pass to the Clearing Member as a result of such performance.
- 11.1.7 In the case of a Direct Segregated Margin Transfer in the form of Securities, the ICM Client shall, through its relevant securities depository bank or custodian, a central securities depository or otherwise, procure that an instruction for such transfer to the relevant Securities Margin Account with Clearstream Banking AG will be given.
- 11.1.8 Any Direct Segregated Margin Transfer shall only create (or, as applicable, increase) a Relevant Redelivery Claim of the ICM Client against the Clearing Member and a

Redelivery Claim of the Clearing Member against Eurex Clearing AG and shall (without prejudice to the Direct Redelivery Obligation (as defined in Number 11.2.3)) not result in any Redelivery Claims of the ICM Client against Eurex Clearing AG.

11.2 Direct Segregated Margin Retransfer

- 11.2.1 In respect of any Redelivery Claim of the Clearing Member with respect to Segregated Margin, Eurex Clearing AG may and, if so instructed by the Clearing Member in the relevant Clearing Agreement pursuant to Appendix 3 or the relevant ICM Participation Agreement, shall, make direct payments to the ICM Client or directly transfer to the ICM Client the relevant assets, (the "**Direct Segregated Margin Retransfer**") provided that a Direct Redelivery Obligation (as defined in Number 11.2.3) exists. To the extent that such Direct Segregated Margin Retransfer is made, such transfer will discharge (*erfüllen*) (i) the Redelivery Claim of the Clearing Member against Eurex Clearing AG in respect of the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, (ii) the Relevant Redelivery Claim of the ICM Client against the Clearing Member with respect to Segregated Margin or Credit Support Margin, as applicable, and (iii) the Direct Redelivery Obligation. In the event of a Direct Segregated Margin Retransfer, no title in the relevant asset shall pass through the Clearing Member.
- 11.2.2 Direct Segregated Margin Retransfers may not be made (i) after Eurex Clearing AG has received a notice pursuant to Number 8 of a Default (as defined in Number 8.2) of the relevant ICM Client and (ii) by using Xemac.
- 11.2.3 For purposes of the Direct Segregated Margin Retransfer Eurex Clearing AG shall also have a direct obligation vis-à-vis the ICM Client to transfer to the ICM Client, whenever a Relevant Redelivery Claim of the ICM Client against the Clearing Member with respect to Segregated Margin or Credit Support Margin, as applicable, has become due (*fällig*) and has not been discharged and if and to the extent that a corresponding Redelivery Claim of the Clearing Member against Eurex Clearing AG is due (*fällig*) and has not been discharged, the relevant Eligible Margin Assets in such amount (the "**Direct Redelivery Obligation**"). The Direct Redelivery Obligation shall be reduced if and to the extent that (i) Eurex Clearing AG directly transfers Eligible Margin Assets to the Clearing Member in performance of the corresponding Redelivery Claim of the Clearing Member in accordance with the terms of the Standard Agreement between Eurex Clearing AG and the Clearing Member and/or (ii) the Clearing Member directly transfers Eligible Margin Assets to the ICM Client in performance of the Relevant Redelivery Claim of the ICM Client in accordance with the terms of the Corresponding Standard Agreement or the corresponding Client Clearing Agreement, respectively, between the Clearing Member and the ICM Client. To the extent that Eurex Clearing AG performs the Direct Redelivery Obligation, the second sentence of Number 11.2.1 applies.

Any Direct Redelivery Obligation of Eurex Clearing AG in respect of Eligible Margin Assets (a) in the form of Securities shall already be discharged if a credit entry in relation to such Securities is made into a custody account of the ICM Client's securities depository bank, custodian or central securities depository that has been mandated by the ICM Client (irrespective of a credit entry in the custody account of the ICM Client) and

(b) in the form of cash shall already be fulfilled if a credit entry in relation to such cash is made into a cash account of the ICM Client's correspondent bank that has been mandated by the ICM Client (irrespective of a credit entry in the cash account of the ICM Client). Any consequences of errors in the recording or on-transfer incurred by the correspondent bank, securities depository bank, custodian or central securities depository that has been mandated by the ICM Client shall be borne by the ICM Client.

For the avoidance of doubt, the Direct Redelivery Obligation shall lapse if the relevant Redelivery Claim of the Clearing Member against Eurex Clearing AG ceases to exist and the Direct Redelivery Obligation shall not be taken into account in the determination or valuation of any Difference Claim, Relevant Difference Claim, Regress Claim or Shortfall Claim.

- 11.2.4 The Direct Redelivery Obligation and the Redelivery Claim of the ICM Client against the Clearing Member shall not constitute a joint and several liability (*keine Gesamtschuld*).
- 11.2.5 In the event that Eurex Clearing AG transfers Eligible Margin Assets to the ICM Client in performance of the Direct Redelivery Obligation, (a) Eurex Clearing AG shall not have any recourse claims against the Clearing Member as a result of such performance and (b) no claims of the ICM Client against the Clearing Member shall pass to Eurex Clearing AG as a result of such performance. 6.3 Consequences of a Termination

If a Termination Date has occurred with respect to the Clearing Member, the following provisions shall apply.

Further all due but unsatisfied obligations to deliver Segregated Margin and Segregated Variation Margin under the Corresponding Standard Agreement shall expire (*auflösende Bedingung*) as of the Termination Time. The expiration affects all claims arising from Corresponding Covered Transactions independently of the time they came into existence or would have come into existence otherwise. To determine the Difference Claim, the ICM Client will use the determinations notified to it by Eurex Clearing AG pursuant to Subpart C Number 7.3.2.

6.3.3 Payment of Difference Claim

- (1) Unless either (i) the Interim Participation Conditions set out in Subpart B Number 5.1.2 or (ii) the Immediate Re-Establishment Conditions set out in Subpart B Number 5.2.2, are satisfied, such party to the relevant Corresponding Standard Agreement which is the obligor of the Difference Claim shall be obliged to pay the determined amount of the Difference Claim to the other party as soon as reasonably practicable following the notification by the determining party of the payable amount.

2 Conditions for Participation

2.1 Client Clearing Agreement

2.1.1 In order to participate in the Clearing of Transactions under the ICM-CCD Provisions, the Clearing Member and the ICM Client must have entered into a Client Clearing Agreement with respect to the Clearing of Transactions under the Clearing Procedures of Eurex Clearing AG and the Individual Clearing Model Provisions as of the time of the execution of the ICM Participation Agreement (the “**Client Clearing Agreement**”) which must be of an Eligible Client Clearing Agreement Type (as defined below).

2.1.2 A Client Clearing Agreement of an “**Eligible Client Clearing Agreement Type**” shall provide for the following mandatory provisions:

- (1) **Governing Law:** The Client Clearing Agreement must be governed by English law or German law.
- (2) **Transactions:** Upon conclusion of a Covered Transaction between Eurex Clearing AG and the Clearing Member in accordance with these Individual Clearing Model Provisions, the Clearing Member and the ICM Client shall enter at the same time into a separate transaction on identical terms under the Client Clearing Agreement by reference to such Covered Transaction between Eurex Clearing AG and the Clearing Member (herein referred to as the “**Client Clearing Transaction**”) and together with all other separate Client Clearing Transactions under such Client Clearing Agreement corresponding to Covered Transactions between Eurex Clearing AG and the Clearing Member under the Relevant ICM Documentation, the “**Client Clearing Transactions**”).

Upon any amendment, modification, transfer or termination of a Covered Transaction between Eurex Clearing AG and the Clearing Member, the Clearing Member and the ICM Client shall agree in advance that the related Client Clearing Transaction shall be amended, modified, transferred or terminated accordingly by reference to such Covered Transaction.

- (3) **Margin:** The Clearing Member is required to demand from the ICM Client the transfer to it of separate cover for all Client Clearing Transactions (and, for the purposes of the inclusion in the Clearing of the Original OTC Transaction, in accordance with Chapter VIII Part 3) in an amount not less than the applicable Default Margin Requirement (as defined in Subpart A Number 5.2.1) and not more

than the Margin Requirement (as defined in Subpart A Number 5.2.1) applicable from time to time pursuant to these Individual Clearing Model Provisions (the “**Credit Support Margin**”). Securities Income shall increase the Credit Support Margin in accordance with Subpart B Number 10.1.2.

- (4) **Variation Margin:** The Clearing Member is further required to demand from or to provide to the ICM Client (additional) separate cover in respect of the relevant daily profits and losses in respect of all such Client Clearing Transactions corresponding to Covered Transactions which are subject to a Segregated Variation Margin Requirement (as defined in Subpart A Number 6.2) in an amount not less than the Segregated Variation Margin Requirement applicable from time to time pursuant to these Individual Clearing Model Provisions (the “**Credit Support Variation Margin**”).
- (5) **Eligible Margin Assets:** Eligible assets to be provided as cover are (i) in respect of the Credit Support Margin, such currency amounts and such Securities accepted by Eurex Clearing AG from the Clearing Member under the Clearing Conditions in respect of the Segregated Margin and (ii) in respect of the Credit Support Variation Margin, such currency amounts accepted by Eurex Clearing AG from the Clearing Member under the Clearing Conditions in respect of the Segregated Variation Margin (herein also referred to as “**Eligible Margin Assets**”).
- (6) **Transfer Principles, Forwarding Obligation of Clearing Member:** Any Eligible Margin Assets in respect of the separate Credit Support Margin and separate Credit Support Variation Margin as well as any payment and settlement of Client Clearing Transactions must be delivered or redelivered in accordance with the principles set out in Subpart A Numbers 2.2.1, 2.2.2 and 2.2.4 and/or in Subpart B Number 11 (with regard to the direct transfer mechanism for delivery and, if selected in the ICM Participation Agreement, for redelivery of Credit Support Margin). Further, any Credit Support Margin or Credit Support Variation Margin shall not be segregated as client money.

In addition, the Client Clearing Agreement must ensure compliance with the Clearing Member's forwarding obligations pursuant to Subpart B Number 3.

- (7) **Set-Off:** Only claims under Client Clearing Transactions or for the delivery or redelivery of Credit Support Margin and Credit Support Variation Margin arising under the Client Clearing Agreement in respect of Client Clearing Transactions may be set-off with each other by the parties to the Client Clearing Agreement. Any set-off with other claims between the parties to the Client Clearing Agreement must be prohibited, in particular, but not limited to, (i) a set-off with claims arising from, or relating to, non-cleared transactions, (ii) a set-off with claims arising from, or relating to, cleared Transactions with other central counterparties or (iii) a set-off with fees, damage claims, regress claims or indemnities of any kind. None of the foregoing shall prevent the parties to the Client Clearing Agreement to agree on a set-off or netting of claims between such parties following a default by the ICM Client under the Client Clearing Agreement (however described in the Client Clearing Agreement).

- (8) **Close-out Netting:** Upon the occurrence of a Termination Event, Insolvency Termination Event and a Termination Date with respect to the Clearing Member under the Clearing Conditions, the Clearing Member and the ICM Client agree by reference to such Termination Event, Insolvency Termination Event and Termination Date, however described under the Client Clearing Agreement and further specified in the Clearing Agreement, (hereinafter a “**Client Clearing Termination Event**”) on a separate termination and on a separate, legally valid and enforceable close-out netting of all Client Clearing Transactions entered into under such Client Clearing Agreement, taking into account all Credit Support Margin and Credit Support Variation Margin actually delivered, and resulting in a separate difference claim owed by either party.

It must be legally ensured that such difference claim (i) arises and becomes due and enforceable at the same time as the Difference Claim under Subpart A Number 7.3.2 of these Individual Clearing Model Provisions, (ii) is not contingent, (iii) is determined by reference to the values of the corresponding terminated Covered Transactions between Eurex Clearing AG and the Clearing Member and the values of the corresponding equivalent Eligible Margin Assets subject to the terminated Redelivery Claims under the corresponding Standard Agreement between Eurex Clearing AG and the Clearing Member (determined in accordance with the Clearing Conditions), (iv) is denominated in the Clearing Currency (using the same currency exchange methods as applied by Eurex Clearing AG) and (v) shall be payable in accordance with Subpart A Number 7.3.3 Paragraph (1). The resulting difference claim is herein referred to as the “**Client Clearing Termination Claim**”.

Subject to the requirements of the applicable laws, the forgoing must not apply to the occurrence of a close-out netting following a default by the ICM Client under the Client Clearing Agreement (however described in the Client Clearing Agreement).

- (9) **No Security Interests over, no Assignment and set-off of Client Clearing Termination Claim:** The Client Clearing Termination Claim must at any time not be subject to any security interests or charges (other than pursuant to these Individual Clearing Model Provisions). An assignment of the Client Clearing Termination Claim (other than pursuant to these Individual Clearing Model Provisions) and a set-off with any other payment claims between the Clearing Member and the ICM Client (other than pursuant to these Individual Clearing Model Provisions) arising under any agreement, statutory provisions or otherwise must be prohibited (in the case of statutory provisions, to the extent possible under applicable law), provided that the ICM Client may assign or set-off its Client Clearing Termination Claim against the Clearing Member if and to the extent a Re-Establishment has not occurred pursuant to Subpart B Number 5.

2.2 Governing Documentation

Client Clearing Transactions will be governed solely by such Client Clearing Agreement and not by the Relevant ICM Documentation. The Client Clearing Agreement is not a

Standard Agreement or Corresponding Standard Agreement for the purposes of the Clearing Conditions.

2.3 Interpretation

For the purposes of these ICM-CCD Provisions, the term “separate” means with respect to a Client Clearing Agreement and the requirements under this Subpart D Number 2.1.2 that (i) an agreement, a transaction, a margin, a legal consequence, an amount, a right or claim expressly relates to or is expressly entered into, shall occur, is made or raised between the Clearing Member and the ICM Client by reference to the Clearing of Covered Transactions pursuant to these Individual Clearing Model Provisions and (ii) expressly excludes – and therefore any of the definitions used in this Subpart D will not comprise - any agreement, transaction, margin, legal consequence, amount, right or claim relating to, or entered into, occurred, caused, made or raised between the Clearing Member and the ICM Client with respect to any other cleared or non-cleared transactions between such parties of whatever nature.

2.4 Responsibility for Client Clearing Agreement

It is the responsibility of the Clearing Member and the ICM Client to ensure compliance of their Client Clearing Agreement with the requirements of an Eligible Client Clearing Agreement Type. Eurex Clearing AG will verify compliance with requirements of this Subpart D Number 2 in its own interest and not on behalf or for the benefit of the Clearing Member or ICM Client and will not assume any liability.

2.5 Publication of Client Clearing Agreements

Eurex Clearing AG will publish market standard Client Clearing Agreements which are (subject to the use of a specific Eurex Clearing AG annex thereto, if any) of an Eligible Client Clearing Transaction Type on its website (www.eurexclearing.com).

3 Specific Clearing Member Obligations, Non-Compliance with Eligible Client Clearing Agreement Type

3.1 Specific Clearing Member Obligations

3.1.1 Legal Opinions

Such legal opinion may refer to the form of such a specific Client Clearing Agreement (together with an annex thereto, if any, specifying prevailing and specific terms with respect to the Clearing of Transactions under the Clearing Procedures of Eurex Clearing AG and the Individual Clearing Model Provisions).

- (2) Eurex Clearing AG is entitled to reasonably request an updated legal opinion pursuant to Paragraph (1), in particular in the case of a change in law or interpretation of applicable laws or within regular or customary periods of time.
- (3) The foregoing obligation shall not apply if a selected Client Clearing Agreement (together with an annex thereto, if any, specifying prevailing and specific terms with respect to the Clearing of Transactions under the Clearing Procedures of Eurex Clearing AG and the Individual Clearing Model Provisions) is (i) identical in whole to the form of a market standard Client Clearing Agreement published by Eurex Clearing AG on its website (www.eurexclearing.com) or (ii) implements close out netting provisions which are identical to those used in any such form.

3.1.2 Notifications by the Clearing Member or the ICM Client

The Clearing Member or the ICM Client is obliged to promptly notify Eurex Clearing AG if any of the following events occurs:

- (3) it becomes aware of any material changes in law or legal interpretation of the opinions or of the reasoning given in the legal opinions pursuant to Subpart D Number 3.1.1 Paragraphs (1) and (2).

3.1.3 Closing or Transfer of single Covered Transactions in the case of discrepancy

If (i) a Client Clearing Transaction has been terminated, closed or has become subject to an unwind by agreement between the Clearing Member and the ICM Client (other than by reason of a Default as defined under Subpart B Number 8.2) (ii) or a Client Clearing Transaction is no longer identical in its (economic) terms to the corresponding Covered Transaction, the Clearing Member shall instantly close or transfer and novate the corresponding Covered Transactions into a Transaction under the Clearing Agreement pursuant to the Elementary Clearing Model Provisions.

3.2 Right to Refuse Payment of the Difference Claim in the case of Non-Compliance

Eurex Clearing AG is entitled to refuse performance (Zurückbehaltungsrecht) of the Difference Claim of the Clearing Member against Eurex Clearing AG pursuant to Subpart A Number 7.3.2 vis-à-vis the Clearing Member and the ICM Client as security taker as long as Eurex Clearing AG's has not received from the relevant claiming party either a confirmation that the Client Clearing Agreement and the Client Clearing Termination Claim fulfils the respective requirements of an Eligible Client Clearing Agreement Type or any other evidence to the satisfaction of Eurex Clearing AG that it is entitled to claim performance from Eurex Clearing AG.

Part 4 Net Omnibus Clearing Model Provisions

1 Application of the Net Omnibus Clearing Model Provisions

1.1 Eurex Clearing AG and the Clearing Member may agree, pursuant to the Clearing Agreement appended to the Clearing Conditions as Appendix 1, that certain Customer-Related Transactions which are Net Omnibus Eligible Transactions (as defined in Number 1.2 below) shall be cleared under the Net Omnibus Clearing Model Provisions set out in this Part 4. For the purposes of this Part 4, a Clearing Agreement in which Eurex Clearing AG and the Clearing Member have agreed that Part 4 shall apply to the Clearing of certain Net Omnibus Eligible Transactions for customers (each a “**Net Omnibus Customer**”) shall also qualify as a “**Net Omnibus Clearing Agreement**”. Any Non-Covered Transactions which are entered into between Eurex Clearing AG and the Clearing Member under such Clearing Agreement shall not form part of the Net Omnibus Clearing Agreement.

Further, Eurex Clearing AG, the Clearing Member and a Non-Clearing Member (a “**Net Omnibus Non-Clearing Member**”) or a Registered Customer (a “**Net Omnibus Registered Customer**”) may enter into a Clearing Agreement in the form appended to the Clearing Conditions as Appendix 8 for the Clearing of Transactions under the Net Omnibus Clearing Model Provisions set out in this Part 4. Any such Clearing Agreement shall also be a “**Net Omnibus Clearing Agreement**”.

1.2 Subject to Chapter I Part 1 Numbers 1.1.5 and 1.1.6, only Customer-Related Transactions, NCM-Related Transactions or RC-Related Transactions which are Eurex Transactions, EEX Transactions, OTC Credit Derivative Transactions or OTC Interest Rate Derivative Transactions (“**Net Omnibus Eligible Transactions**”) may be subject to these Net Omnibus Clearing Model Provisions.

1.3 A Net Omnibus Eligible Transaction, executed between Eurex Clearing AG and the Clearing Member pursuant to these Net Omnibus Clearing Model Provisions and booked on (i) the account of the Clearing Member designated by Eurex Clearing AG for the Customer-Related Transactions of the Clearing Member (the “**Net Omnibus Customer Account**”), (ii) the sub-account for Net Omnibus Eligible Transactions of the relevant account of the Clearing Member for NCM-Related Transactions pursuant to Chapter I Part 1 Number 4.2.1 Paragraph (2) (such sub-accounts with respect to a particular Net Omnibus Non-Clearing Member collectively a “**Net Omnibus NCM Account**”) or (iii) the sub-account for Net Omnibus Eligible Transactions of the relevant account of the Clearing Member for RC-Related Transactions pursuant to Chapter I Part 1 Number 4.2.1 Paragraph (3) (such sub-accounts with respect to a particular Net Omnibus Registered Customer collectively a “**Net Omnibus RC Account**”), shall be a “**Net Omnibus Transaction**”. The Clearing Member shall procure that each Transaction designated as a Net Omnibus Transaction is booked in the Net Omnibus Customer Account, the Net Omnibus NCM Account or the Net Omnibus RC Account, as applicable, without undue

delay. Only the booking into the relevant account shall qualify such Transaction as a Net Omnibus Transaction.

2 Content of the Net Omnibus Clearing Agreement and the Standard Agreement

2.1 Construction

- 2.1.1 The Net Omnibus Clearing Agreement entered into between Eurex Clearing AG and the Clearing Member will provide for the terms and conditions applying between Eurex Clearing AG and the Clearing Member with respect to all Net Omnibus Transactions executed under the Net Omnibus Clearing Agreement between such parties.
- 2.1.2 All rights and obligations between Eurex Clearing AG and the Clearing Member with respect to the Net Omnibus Transactions entered into under any Net Omnibus Clearing Agreement between Eurex Clearing AG and the Clearing Member shall, for the purposes of these Clearing Conditions, constitute a separate arrangement (the “**Standard Agreement**”). References to “**Net Omnibus Transactions**” in this Part 4 shall be to all Net Omnibus Transactions entered into between Eurex Clearing AG and the Clearing Member under the Standard Agreement and booked to either the Net Omnibus Customer Account, a Net Omnibus NCM Account or a Net Omnibus RC Account of the Clearing Member. The Standard Agreement forms a single agreement between the parties and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between them which (subject to provisions in this Chapter I on the termination of individual Net Omnibus Transactions) can be terminated only in its entirety.
- 2.1.3 References in these Net Omnibus Clearing Model Provisions to the Standard Agreement shall be to the Standard Agreement as defined in Number 2.1.2, which excludes any Standard Agreement pursuant to the Elementary Clearing Model Provisions or the Individual Clearing Model Provisions.
- 2.1.4 If a Clearing Member and the same entity acting as both Net Omnibus Non-Clearing Member and Net Omnibus Registered Customer have entered into a Clearing Agreement in the form appended to the Clearing Conditions as Appendix 8, all rights and obligations between the relevant Clearing Member and the relevant entity acting as Net Omnibus Non-Clearing Member and Net Omnibus Registered Customer with respect to Transactions under such Clearing Agreement corresponding to Net Omnibus Transactions of the Clearing Member relating to such entity shall, unless otherwise agreed between the Clearing Member and such entity acting as Net Omnibus Non-Clearing Member and Net Omnibus Registered Customer, be subject to one and the same Standard Agreement.

2.2 General Principles applicable to the Settlement of Net Omnibus Transactions and any Delivery and Redelivery of Net Omnibus Margin or Net Omnibus Variation Margin

- 2.2.1 Eurex Clearing AG and the Clearing Member shall be obliged to fulfil (i) any payment or delivery obligations or (ii) obligations to deliver or redeliver cover in respect of either Net Omnibus Margin (as defined in Number 6.1) in the form of cash or Net Omnibus Variation

Margin (as defined in Number 7.1) by transferring all rights, title and interest in and to the Eligible Margin Assets in the form of cash free and clear from any and all rights and claims of the transferring party and of any third person, including, without limitation, pursuant to applicable regulation or under any statutory or other trust. The value of such assets shall, as at the date on which the transfer is effected, be at least equal to the value at that date of the relevant payment or delivery obligation.

2.2.2 The actual payment or delivery of Eligible Margin Assets in the form of cash in respect of Net Omnibus Margin or Net Omnibus Variation Margin gives rise to a corresponding contractual claim of the margin provider against the margin taker for the repayment of assets equivalent to the Eligible Margin Assets actually delivered or increases an already existing repayment claim (each such claim, which is calculated by Eurex Clearing AG in respect of all Net Omnibus Transactions under the Standard Agreement, is a “**Redelivery Claim**”). For the avoidance of doubt, in the case of Net Omnibus Margin, only the Clearing Member may be the creditor of the relevant Redelivery Claim and, in the case of Net Omnibus Variation Margin, Eurex Clearing AG or the Clearing Member may be the creditor of the relevant Redelivery Claim.

For the purposes of the Redelivery Claim, the term “**equivalent**” means an amount in the same currency and amount as such Eligible Margin Assets actually delivered in respect of Net Omnibus Margin (in the form of cash) or Net Omnibus Variation Margin.

References in these Net Omnibus Clearing Model Provisions to a Redelivery Claim shall be only to a Redelivery Claim determined in accordance with this Number 2.2.2 in respect of all Net Omnibus Transactions under the Standard Agreement, which excludes any Redelivery Claim arising pursuant to the Elementary Clearing Model Provisions or the Individual Clearing Model Provisions.

2.2.3 A Redelivery Claim will become due with respect to Net Omnibus Margin in accordance with Number 6.7.1 and with respect to Net Omnibus Variation Margin in accordance with Number 7, provided that in each case no Termination Date (as defined in Number 7.2 of the General Clearing Provisions) has occurred.

Subject to Number 3.2.2 Paragraph (2) and (3) of the General Clearing Provisions, the terms “**actual payment**” and “**actual delivery**” when used in these Net Omnibus Clearing Model Provisions are construed to occur when (i) an Eligible Margin Asset in the form of cash has been credited to the relevant Eurex Clearing AG cash account, or (ii) an Eligible Margin Asset in the form of Securities has been credited to the Net Omnibus Pledged Securities Account (as defined in Number 2.1.2 Paragraph (4) (a) (cc) of the General Clearing Provisions) provided that the pledge pursuant to Number 6.6 has been granted and has not been released (in whole or in part), or (iii) in the case of a delivery of an Eligible Margin Asset in the form of Securities pursuant to Number 6.6.3, the Securities become subject to an effective pledge in Xemac (as defined in Number 6.6.3), or (iv) in the event of a set-off pursuant to Number 1.4 of the General Clearing Provisions, such set-off becomes legally effective. The terms “**actually delivered**”, “**actually paid**” and similar expressions shall be interpreted accordingly.

2.2.4 Where reference is made in these Net Omnibus Clearing Model Provisions to the “**aggregate value**” of Eligible Margin Assets in connection with determining compliance with the Net Omnibus Margin Requirement or an obligation to deliver or redeliver cover in respect of Net Omnibus Margin or Net Omnibus Variation Margin, the aggregate value will be determined by Eurex Clearing AG with respect to all Net Omnibus Transactions under the Standard Agreement between Eurex Clearing AG and the Clearing Member in accordance with Number 3.2.2 of the General Clearing Provisions.

3 **Conclusion of Transactions**

Transactions between the parties to the Standard Agreement shall be concluded in accordance with Number 1.2.2 of the General Clearing Provisions.

4 **Internal Accounts**

In addition to the internal accounts set out in Number 4 of the General Clearing Provisions, Eurex Clearing AG shall establish and maintain for the Clearing Member certain internal accounts with respect to the Net Omnibus Transactions under the Standard Agreement in accordance with this Number 4.

4.1 **Customer Account and Internal Net Omnibus Cash Accounts**

4.1.1 Eurex Clearing AG shall establish and maintain a transaction account (A9) for Customer-Related Transactions of the Clearing Member which are Net Omnibus Transactions (a “**Customer Account**”).

4.1.2 Eurex Clearing AG shall establish and maintain with respect to each currency accepted by it under the Standard Agreement, (i) one internal net omnibus cash account on which all daily settlement payments, option premiums and other cash payment obligations relating to the settlement of claims (other than Settlement Claims) under the Net Omnibus Transactions shall be recorded and (ii) one internal net omnibus cash sub-account on which all amounts in respect of Settlement Claims relating to the Standard Agreement shall be recorded (each account under (i) and (ii) an “**Internal Net Omnibus Cash Account**”).

4.1.3 Subject to Number 4.1.4, an amount in respect of the daily balance of each Internal Net Omnibus Cash Account (determined after first applying set-offs as permitted pursuant to Number 1.3.1 Paragraph (1) of the General Clearing Provisions) shall be debited or credited, as the case may be, to the Clearing Member Cash Account relating to the Standard Agreement.

4.1.4 To the extent that the determination under Number 4.1.3 above results in a credit balance on an Internal Net Omnibus Cash Account, Eurex Clearing AG may apply all or part of such credit balance to satisfy the Net Omnibus Margin or Net Omnibus Variation Margin requirements under the Standard Agreement. Any amount not so applied will be credited to the Clearing Member Cash Account referred to in Number 4.1.3.

4.2 Internal Net Omnibus Margin Account

Eurex Clearing AG shall establish and maintain an internal net omnibus margin account (the “**Internal Net Omnibus Margin Account**”) on which (i) all credits and debits of Securities to the Net Omnibus Pledged Securities Account (as defined in Part 1 Number 2.1.2 Paragraph (4) (a) (cc)) and all pledged or released Securities using Xemac pursuant to Number 6.6.3, and (ii) all daily cash margin credits or debits to the Clearing Member Cash Account or a foreign currency account of the Clearing Member, in each case made in relation to the Net Omnibus Transactions under the Standard Agreement, will be recorded.

4.3 Internal Records of the Clearing Member

The Clearing Member shall establish and maintain records detailing (i) all payments and deliveries actually made to Eurex Clearing AG, (ii) all Net Omnibus Margin and Net Omnibus Variation Margin actually delivered to Eurex Clearing AG and (iii) all Redelivery Claims which it has against Eurex Clearing AG, in each case in respect of the Net Omnibus Transactions under the Standard Agreement.

5 Set-off

Any claims of Eurex Clearing AG and the Clearing Member under the Standard Agreement in respect of Net Omnibus Transactions, including claims to provide cover in respect of Net Omnibus Margin or Net Omnibus Variation Margin pursuant to Numbers 6 and 7, may be set off against claims arising from Net Omnibus Transactions or claims to provide cover in respect of Net Omnibus Margin or the Net Omnibus Variation Margin pursuant to Numbers 6 and 7 of the respective other party. Number 1.3.1 Paragraph (1) and (2) of the General Clearing Provisions shall apply *mutatis mutandis*.

Any other set-off of claims between Eurex Clearing AG and the Clearing Member under the Standard Agreement as well as any set-off of the Difference Claim (as defined in Number 8.3.2) shall be prohibited; the rights of Eurex Clearing AG under Number 8.6 shall remain unaffected.

6 Margin

The Net Omnibus Margin Requirement (as defined in Number 6.2 below) for the Clearing Member pursuant to this Number 6 shall be in addition to the Margin Requirement and/or Segregated Margin Requirement of the Clearing Member calculated in respect of a Standard Agreement pursuant to the Elementary Clearing Model Provisions and/or the Individual Clearing Model Provisions.

6.1 General Obligation to Provide Net Omnibus Margin

The Clearing Member is required to provide margin for the Net Omnibus Transactions (and for the purposes of the inclusion in the Clearing of the Original OTC Transaction as a Net Omnibus Transaction, in accordance with Chapter VIII Part 3) under the Standard Agreement in such amounts, in such forms and at such times as are required pursuant to

this Number 6 and the Special Clearing Provisions (such margin is the “**Net Omnibus Margin**”).

6.2 The Net Omnibus Margin Requirement

The amount of Eligible Margin Assets required to be delivered as Net Omnibus Margin shall be determined in accordance with Number 3.1 of the General Clearing Provisions and this Number 6.2 (the “**Net Omnibus Margin Requirement**”).

In order to determine the Net Omnibus Margin Requirement of the Clearing Member, Eurex Clearing AG will determine separate margin requirements for all Net Omnibus Transactions of (i) the Net Omnibus Customers of the Clearing Member on a net basis, (ii) each Net Omnibus Non-Clearing Member referring to own transactions of the relevant Net Omnibus Non-Clearing Member, (iii) each Net Omnibus Non-Clearing Member referring to customer related transactions of the relevant Net Omnibus Non-Clearing Member, (iv) each Net Omnibus Registered Customer referring to own transactions of the relevant Net Omnibus Registered Customer, and (v) each Net Omnibus Registered Customer referring to customer related transactions of the relevant Net Omnibus Registered Customer, provided that, in each case, credit balances on internal transaction accounts shall not be taken into account, and then calculate the sum of such separate margin requirements. The applicable Net Omnibus Margin Requirement will be notified by Eurex Clearing AG to the Clearing Member.

6.3 Margin Call

6.3.1 Margin Calls and direct debit prior to the end of a Business Day

- (1) If Eurex Clearing AG at any time prior to the end of a Business Day determines that the aggregate value of the Net Omnibus Margin actually delivered is less than the Net Omnibus Margin Requirement, Eurex Clearing AG will require the Clearing Member to provide (additional) Eligible Margin Assets in an amount sufficient to satisfy the Net Omnibus Margin Requirement by the time specified by Eurex Clearing AG.
- (2) Eurex Clearing AG may directly debit the Clearing Member Cash Account in an amount equal to the requested amount of Eligible Margin Assets in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions. Any such direct debit shall not discharge the relevant Margin Call relating to the Net Omnibus Clearing Model Provisions (and consequentially such direct debit will not increase the respective Redelivery Claim) but shall constitute cover in respect of the Margin delivered by the Clearing Member pursuant to the Elementary Clearing Model Provisions.
- (3) The Clearing Member is entitled at any time by giving notice to Eurex Clearing AG specifying the relevant Standard Agreements pursuant to the Elementary Clearing Model Provisions to designate any amount of Eligible Margin Assets in the form of cash delivered by (and not returned to) the Clearing Member to Eurex Clearing AG as Margin pursuant to the Elementary Clearing Model Provisions as part of the Net

Omnibus Margin in order to (partially) satisfy the applicable Net Omnibus Margin Requirement. The aggregate value of the Net Omnibus Margin actually delivered and the Redelivery Claim shall be increased, and the aggregate value of Margin actually delivered and the redelivery claim pursuant to the Elementary Clearing Model Provisions shall be reduced accordingly upon Eurex Clearing AG having made the corresponding records in the Internal Net Omnibus Margin Account pursuant to Number 4.2 of these Net Omnibus Clearing Model Provisions and the applicable internal margin account pursuant to Number 4.2 of the Elementary Clearing Model Provisions.

6.3.2 Margin Calls and direct debit at the end of a Business Day

- (1) If Eurex Clearing AG at the end of a Business Day determines that the aggregate value of the Net Omnibus Margin actually delivered is less than the Net Omnibus Margin Requirement, Eurex Clearing AG will require the Clearing Member to provide (additional) Eligible Margin Assets in the form of cash in the Clearing Currency in an amount sufficient to satisfy the Net Omnibus Margin Requirement by the time specified by Eurex Clearing AG.
- (2) Eurex Clearing will directly debit the Clearing Member Cash Account in an amount determined pursuant to Number 6.3.2.1 in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions
- (3) If, the Clearing Member has elected in the Net Omnibus Clearing Agreement appended to the Clearing Conditions as Appendix 1 that actually delivered Eligible Margin Assets pursuant to the Elementary Clearing Model Provisions shall not cover any Net Omnibus Margin shortfall, the determined and paid cash amount pursuant to Number 6.3.2.1 shall constitute cover in respect of the Net Omnibus Margin.
- (4) If the Clearing Member has refrained from electing in the Net Omnibus Clearing Agreement appended to the Clearing Conditions as Appendix 1 that actually delivered Eligible Margin Assets pursuant to the Elementary Clearing Model Provisions shall not cover any Net Omnibus Margin shortfall, Number 6.3.1.2. will apply.

6.4 Obligation of the Clearing Members to request margin

Where the Clearing Member enters into Net Omnibus Transactions which are NCM-Related Transactions or RC-Related Transactions, the Clearing Member is required to demand margin from the relevant Net Omnibus Non-Clearing Member or Net Omnibus Registered Customer in an amount at least equal to the margin requirement for such Net Omnibus Transactions, as calculated in accordance with the second paragraph of Number 6.2.

Where the Clearing Member enters into Net Omnibus Transactions which are Customer-Related Transactions, the Clearing Member is required to demand margin from each relevant **Net Omnibus Customer** in an amount at least equal to the margin requirement

for the Net Omnibus Transactions that are attributable to such Net Omnibus Customer, as calculated in accordance with the second paragraph of Number 6.2.

6.5 Delivery of Eligible Margin Assets in the form of Cash

Eligible Margin Assets in the form of cash shall be provided in accordance with the cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions. The purpose of Net Omnibus Margin actually delivered in the form of cash is to collateralise all claims which Eurex Clearing AG has against the Clearing Member arising under all Net Omnibus Transactions under the Standard Agreement.

6.6 Delivery of Eligible Margin Assets in the form of Securities

6.6.1 In order to provide Eligible Margin Assets in the form of Securities as cover in respect of the Net Omnibus Margin Requirement in respect of the Net Omnibus Transactions under the Standard Agreement, the Clearing Member shall transfer Eligible Margin Assets in the form of Securities to its Net Omnibus Pledged Securities Account unless otherwise provided in this Number 6.6.

- (1) The Clearing Member shall instruct Clearstream Banking AG, Clearstream Banking S.A. or SIX SIS AG, as applicable, to inform Eurex Clearing AG, in a timely manner, of each transfer of Securities to its Net Omnibus Pledged Securities Account.
- (2) In relation to Securities credited to the Net Omnibus Pledged Securities Account that confer voting rights or other optional rights on the Clearing Member (including, but not limited to, warrants, options, conversion and subscription rights, rights in connection with takeovers, other forms of offers or capital reorganisations, redemption rights, tenders, options to tender or non-mandatory puts or calls) or that provide for discretionary action or alternative courses of action by the Clearing Member, Eurex Clearing AG shall not be responsible for exercising such voting or optional rights or for taking up such discretionary actions or alternative courses of action; the Clearing Member shall remain responsible in this respect.
- (3) In the Net Omnibus Clearing Agreement, the Clearing Member will grant a pledge to Eurex Clearing AG over all Securities which are at present or will in the future be credited to its Net Omnibus Pledged Securities Account.

6.6.2 The security purpose (*Sicherungszweck*) of the pledges granted to Eurex Clearing AG pursuant to this Number 6.6 is to secure all present and future claims of Eurex Clearing AG against the Clearing Member arising under all Net Omnibus Transactions under the Standard Agreement.

6.6.3 Notwithstanding Number 6.6.1, the Clearing Member may also provide Securities by pledge by using the Collateral Management System Xemac ("**Xemac**") of Clearstream Banking AG on the basis of the applicable provisions of the Special Conditions for Collateral Management.

6.7 Redelivery or Release of Eligible Margin Assets

6.7.1 A Redelivery Claim (pursuant to Number 2.2.3) for the transfer of assets equivalent to Eligible Margin Assets in the form of cash actually delivered will become due with respect to Net Omnibus Margin if and to the extent that the aggregate value of all Eligible Margin Assets actually delivered as Net Omnibus Margin in respect of the Net Omnibus Transactions under the Standard Agreement exceeds the Net Omnibus Margin Requirement relating to such Net Omnibus Transactions.

6.7.2 Subject to the occurrence of a Termination Date and Number 6.7.3 below, the release of Eligible Margin Assets in the form of Securities provided in respect of the Net Omnibus Transactions under the Standard Agreement shall be effected if a Clearing Member, prior to the then applicable cut-off time specified by Eurex Clearing AG with respect to each of Clearstream Banking AG, Clearstream Banking S.A. and SIX SIS AG, as applicable, with respect to any Business Day, requests a release of pledged Securities by Eurex Clearing AG in respect of the Net Omnibus Transactions under the Standard Agreement and to the extent the aggregate value of all Eligible Margin Assets actually delivered as Net Omnibus Margin exceeds the Net Omnibus Margin Requirement. Such request shall be processed by Eurex Clearing AG during that same Business Day; the relevant Eligible Margin Assets to be returned shall be selected by the Clearing Member. In the case of a pledge pursuant to Number 6.6.3, the relevant Securities shall be released in Xemac accordingly.

6.7.3 If fulfilment of the request referred to in Number 6.7.2 above would render the remaining aggregate value of the Eligible Margin Assets actually delivered inadequate to meet the Net Omnibus Margin Requirement on the next Business Day of a Market (as determined by Eurex Clearing AG), Eurex Clearing AG shall notify Clearstream Banking AG or SIX SIS AG, as applicable, that it approves such release only if the amount of Eligible Margin Assets required to cover such shortfall has been provided by the time specified by Eurex Clearing AG.

7 Net Omnibus Variation Margin

7.1 General Obligation to provide Net Omnibus Variation Margin

Each of Eurex Clearing AG and the Clearing Member shall be required to transfer (additional) cover in respect of daily profits or losses calculated on a net basis in respect of all Net Omnibus Transactions under the Standard Agreement to which Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII Part 2 Number 2.1.2 Paragraph (1) and (2) or Chapter VIII Part 3 Number 3.1.6, as the case may be, apply in such amounts and at such times as are required pursuant to this Number 7 (such cover is the “**Net Omnibus Variation Margin**”).

The Clearing Member is also required to separately demand from, or provide (additional) cover in respect of daily profits or losses arising in respect of the corresponding Transactions with the Net Omnibus Non-Clearing Members, Net Omnibus Registered Customers and Net Omnibus Customers to the relevant Net Omnibus Non-Clearing

Members and Net Omnibus Customers in an amount not less than the Net Omnibus Variation Margin Requirement (as defined in Number 7.2) applicable between the Clearing Member and Eurex Clearing AG.

7.2 Net Omnibus Variation Margin Requirement

Only Eligible Margin Assets in the form of cash shall be delivered as cover in respect of Net Omnibus Variation Margin. The party to the Standard Agreement obliged to provide Net Omnibus Variation Margin (the “**Net Omnibus Variation Margin Provider**”) to the other party to the Standard Agreement (the “**Net Omnibus Variation Margin Taker**”) and the amount of Eligible Margin Assets in the form of cash to be delivered as cover in respect of Net Omnibus Variation Margin (the “**Net Omnibus Variation Margin Requirement**”) shall be determined for all Net Omnibus Transactions under the Standard Agreement in accordance with Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII Part 2 Number 2.1.2 Paragraph (1) and (2) or Chapter VIII Part 3 Number 3.1.6, as applicable.

7.3 Delivery of Net Omnibus Variation Margin and Redelivery Claim

- 7.3.1 Net Omnibus Variation Margin shall be delivered and/or returned on each Business Day in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 and Number 1.3.1 Paragraph (1) of the General Clearing Provisions.
- 7.3.2 Eligible Margin Assets actually delivered in the form of cash in respect of Net Omnibus Variation Margin by the Net Omnibus Variation Margin Provider will give rise to or increase a Redelivery Claim of such party against the Net Omnibus Variation Margin Taker in accordance with Number 2.2.3. Subject to the following provisions, any such Redelivery Claim shall become due if, and to the extent that, on any subsequent Business Day, a profit amount has been determined for the benefit of such Net Omnibus Variation Margin Provider in respect of the Net Omnibus Transactions under the Standard Agreement in accordance with Chapter II Part 2 Number 2.1.2 Paragraph (1) and (2), Chapter II Part 3 Number 3.2.3 Paragraph (1), Number 3.3.3 Paragraph (1), Chapter VII Part 2 Number 2.1.2 Paragraph (1) and (2) or Chapter VIII Part 3 Number 3.1.6, as applicable. In such cases, the applicable amount of the Redelivery Claim then due is the value of the amount of profit so calculated (the “**Redelivery Amount**”). However, if equivalent Eligible Margin Assets in the form of cash have been actually delivered to the Net Omnibus Variation Margin Provider by the Net Omnibus Variation Margin Taker, the value of such Eligible Margin Assets will be applied to reduce (subject to a minimum of zero) the Redelivery Amount (and the value of the Redelivery Claim) then due. If the profit amount determined for the benefit of the Net Omnibus Variation Margin Provider is higher than its Redelivery Claim as of such time, the payment of the excess amount by the other party itself constitutes a delivery of Net Omnibus Variation Margin and in this case the Net Omnibus Variation Margin Provider shall become the Net Omnibus Variation Margin Taker and vice versa.
- 7.3.3 For the purpose of the Clearing Conditions, an actual delivery in respect of Net Omnibus Variation Margin resulting in a corresponding Redelivery Claim shall take place if, upon

conclusion of a Net Omnibus Transaction, the terms and conditions of such Net Omnibus Transaction provide that due to a netting with an applicable initial consideration no actual payment in respect of the Net Omnibus Variation Margin will occur.

8 Consequences of a Termination Event and Termination Date

8.1 Termination

Upon the occurrence of a Termination Event or Insolvency Termination Event and a Termination Date (each as defined in Number 7.2 of the General Clearing Provisions) with respect to the Clearing Member, the Clearing of new Net Omnibus Transactions may be suspended (the “**Suspension**”) and/or all Net Omnibus Transactions terminated (the “**Termination**”) and, in the case of a Termination a termination payment shall fall due (the “**Termination Payment**”) as further set out in this Number 8.

8.2 Limitation or Suspension of Clearing

If a Termination Event or any of the following events occurs with respect to the Clearing Member:

- (i) the existence of an unremedied breach by the Clearing Member of its Clearing Agreement with Eurex Clearing AG, except where such breach is minor, technical or administrative in nature in the reasonable opinion of Eurex Clearing AG;
- (ii) a determination is made by Eurex Clearing AG that limitation or suspension of Clearing is necessary for it to contain its exposure to the Clearing Member;
- (iii) the suspension or termination (other than a voluntary termination) of the Clearing Member's membership of another clearing house provided that the circumstances relating to that suspension or termination are, in Eurex Clearing AG 's reasonable opinion, material to the management of its risk by Eurex Clearing AG, and that Eurex Clearing AG first consults or attempts to consult with the Clearing Member and the competent regulatory authorities;
- (iv) the commencement of the Disciplinary Process as defined in Number 7.2.1(b) (aa) of the General Clearing Provisions against a Clearing Member; or
- (v) any other event in respect of the Clearing Member that could materially impact the ability of that Clearing Member to perform its obligations under the Clearing Conditions and the relevant Clearing Agreement,

then Eurex Clearing AG may (taking into account the interests of such Clearing Member and its clients and provided that such action constitutes a proportionate and reasonable action) one or more times suspend or limit the Clearing of new Net Omnibus Transactions under the Standard Agreement between Eurex Clearing AG and such Clearing Member pursuant to the Net Omnibus Clearing Model Provisions and shall notify the affected Clearing Member as well as all Net Omnibus Non-Clearing Members and Net Omnibus Registered Customers of such Clearing Member of the decision to suspend or limit such

Clearing. Eurex Clearing AG shall specify, in the notification, a reasonable period of time during which such Suspension or limitation shall apply.

Furthermore, if Eurex Clearing AG so demands, the Clearing Member shall, at the Clearing Member's own expense, provide such information and evidence as Eurex Clearing AG, in its reasonable opinion may deem necessary, to conduct an appropriate investigation of the facts and circumstances relating to a Termination Event or any of the events listed above.

Upon the occurrence of a Termination Event or any of the events listed above and unless such Termination Events or other events have been remedied, the Clearing Member is – subject to any other limitations or restrictions of the Clearing pursuant to the Clearing Conditions – only entitled to enter any order or quotes into the systems of the Markets if sufficient Net Omnibus Margin and Net Omnibus Variation Margin has been actually delivered to Eurex Clearing AG in advance.

Before limiting or suspending the Clearing of new Net Omnibus Transactions under this Number 8.2, and without limiting its rights under Number 7.2.1 of the General Clearing Provisions Eurex Clearing AG shall, where reasonable in the circumstances, attempt to consult with the relevant Clearing Member, further to which Eurex Clearing AG may in its absolute discretion agree a grace period within which the Clearing Member may remedy the event in question. For the avoidance of doubt, in case the relevant event constitutes an Alleged Breach (as defined in the Disciplinary Procedures Rules) Eurex Clearing AG may commence Disciplinary Procedures in respect of the Clearing Member subject to and in accordance with the Disciplinary Procedures Rules.

8.3 Consequences of a Termination

If a Termination Date has occurred with respect to the Clearing Member, the following provisions shall apply.

8.3.1 Termination of Transactions and Redelivery Claims

All current and future primary obligations (including payment and delivery obligations) arising in respect of all Net Omnibus Transactions and all Redelivery Claims under the Standard Agreement between Eurex Clearing AG and the Affected Clearing Member (as defined in Number 6.2. of the General Clearing Provisions) shall expire (*auflösende Bedingung*) as of the Termination Time (as defined in Number 7.2 of the General Clearing Provisions) and shall no longer be required to be performed by the relevant obligor. Furthermore, all due but unsatisfied obligations in respect of the Net Omnibus Margin or Net Omnibus Variation Margin in respect of such **Net Omnibus Transactions** shall expire (*auflösende Bedingung*) as of the Termination Time. The expiration of all obligations referred to above applies to all claims arising under the Net Omnibus Transactions independently of the time they came into existence or would otherwise have come into existence. The expired primary obligations and delivery obligations are

reflected by the Difference Claim (as defined in Number 8.3.2 below), subject to and in accordance with Number 7.3 of the General Clearing Provisions.

8.3.2 Difference Claim

The difference claim, which was created at the time of entering into the Net Omnibus Clearing Agreement, of either Eurex Clearing AG or the Affected Clearing Member, as the case may be, under the Standard Agreement between Eurex Clearing AG and the Affected Clearing Member, shall become unconditional and immediately due in the Termination Currency (as defined in Number 7.3.2 of the General Clearing Provisions) against the respective other party as of the end of the Valuation Date (as defined in Number 7.3.2 of the General Clearing Provisions) and shall be determined in accordance with Number 7.3 of the General Clearing Provisions (and the difference claim so determined in respect of the Net Omnibus Transactions under the Standard Agreement is a “**Difference Claim**”).

8.4 Notification

Eurex Clearing AG shall notify the Affected Clearing Member of the value of the Difference Claim as determined by it as soon as reasonably practicable after its determination, together with reasonable detail regarding the data and information forming the basis of the determination.

8.5 Payment of Difference Claim

8.5.1 The debtor of the Difference Claim shall pay the amount of the Difference Claim to the other party as soon as reasonable practicable following the notification by Eurex Clearing AG of the payable amount pursuant to Number 8.4.

8.5.2 The debtor of the Difference Claim shall not be obliged to pay any interest on the amount of the Difference Claim unless it is in default (*Verzug*) following the receipt of a payment reminder (*Mahnung*) by the other party. Default interest shall be paid on the basis of the effective overnight interest rate applicable to the currency of the Difference Claim.

8.6 Realisation of Net Omnibus Margin

Where Eurex Clearing AG is the creditor of the Difference Claim against the Affected Clearing Member, Eurex Clearing AG shall be entitled to enforce and realise the pledges created by the Affected Clearing Member pursuant to Number 6.6.

9 Replacement of Clearing Member

Subject to the special provisions of the Net Omnibus Clearing Model Provisions, a Net Omnibus Non-Clearing Member may effect a replacement of its Clearing Member in accordance with this Number 9 with respect to all Net Omnibus Transactions related to it only (i) with the prior written consent of Eurex Clearing AG, the Clearing Member and a replacement Clearing Member and (ii) subject to the prior conclusion of a Clearing Agreement between Eurex Clearing AG, the Net Omnibus Non-Clearing Member and the replacement Clearing Member. In order to effect such replacement of the Clearing

Member on a Business Day, the relevant Net Omnibus Transactions of the Clearing Member with Eurex Clearing AG and the relevant claims and obligations vis-à-vis Eurex Clearing AG with respect to the Redelivery Claims relating to the Net Omnibus Variation Margin with respect to such Net Omnibus Transactions shall be transferred to the replacement Clearing Member only by way of a transfer by novation (Novation) by the Clearing Member to the replacement Clearing Member. The Net Omnibus Non-Clearing Member, the transferor Clearing Member and the replacement Clearing Member shall further separately agree on a transfer by way of novation from the transferor Clearing Member to the replacement Clearing Member of the related transactions between the transferor Clearing Member and the Net Omnibus Non-Clearing Member as well as the relevant claims and obligations with respect to the redelivery claims in respect of variation margin and any other collateral delivered as cover for such transactions between the transferor Clearing Member and the Net Omnibus Non-Clearing Member.

Such transfer shall become effective only upon Eurex Clearing AG having received all of the documents set out below in form and substance satisfactory to it (provided that, where Eurex Clearing AG itself would be required to become a party to any such document for it to become effective, nothing herein shall prejudice Eurex Clearing AG's decision whether or not to do so). Eurex Clearing AG shall notify the relevant parties in writing promptly upon being so satisfied and specify a transfer date binding on all relevant parties in such notice.

Original copies of the following documents shall be provided to Eurex Clearing AG:

- (i) a transfer agreement in the form published by Eurex Clearing AG on the Eurex Clearing AG website (www.eurexclearing.com);
- (ii) a Clearing Agreement with the replacement Clearing Member; and
- (iii) any other document which Eurex Clearing AG considers to be necessary or useful (if it has notified the relevant parties accordingly) in connection with such transfer,

duly executed, in each case, by or on behalf of all parties required to execute it.

The provisions of this Number 9 shall apply *mutatis mutandis* to Net Omnibus Transactions with respect to a Net Omnibus Registered Customer and the corresponding transactions between the Clearing Member and such Net Omnibus Registered Customer. For this purpose, any reference to a Net Omnibus Non-Clearing Member shall be construed as to refer to the relevant Net Omnibus Registered Customer.

Part 1 General Provisions

- (1) Eurex Clearing AG shall carry out the settlement respectively and clearing of transactions concluded at the Eurex Exchanges (“**derivatives transactions**”), provided that the futures and Options contracts underlying the respective derivatives transaction or the securities to be delivered as a result of the execution of these derivatives transactions can be settled by Eurex Clearing AG and by the respective Settlement Location and provided that the prerequisites set out in Paragraph 2 below are fulfilled.
- (2) In consultation with the Eurex Exchanges, Eurex Clearing AG shall determine which derivatives transactions shall be included in the clearing and shall publish them exclusively via electronic publication on the internet available on the website of Eurex Clearing AG (www.eurexclearing.com).
- (3) Provided that transactions concluded on the Eurex Exchanges are included in the Clearing by Eurex Clearing AG, the provisions of Chapter I shall also apply to the clearing of derivatives transactions, unless provided otherwise hereinafter.

1.1 Clearing Licenses

1.1.1 Granting of Clearing Licenses

A Clearing License is required in order to participate in the Clearing of derivatives transactions at the Eurex Exchanges; Eurex Clearing AG shall grant such Clearing License upon written application.

1.1.2 Prerequisites for Clearing Licenses

- (1) With regard to the prerequisites to be fulfilled within the scope of the granting of the Clearing License, Chapter I Part 1 Numbers 2.1.1 to 2.1.3 apply.
- (2) The applicant shall meet the following additional requirements:
 - (a) Evidence of the following accounts:
 - (aa) for cash payments in Euro:
 - RTGS Account, or
 - SECB Account and euroSIC Account,
 - (bb) for cash payments in Swiss Francs:
 - SNB Account and SIC Account.

- (b) Evidence of foreign currency accounts with one of the banks recognised by Eurex Clearing AG required for purposes of settlement of the foreign products tradeable at the Eurex Exchanges.
 - (c) Evidence of a securities account with Euroclear UK & Ireland together with a cash clearing account with a bank recognised by Eurex Clearing AG.
 - (d) Evidence of a technical and functional connection to the Gross Delivery Management (Chapter I Part 1 Number 1.4.2 Paragraph (2) and Number 1.3.1 Paragraph (1) (b) – (e)).
 - (e) The use of at least one sufficiently qualified staff member for purposes of an orderly implementation of the clearing obligations in the back-office. A sufficient qualification can be assumed if the screening test for back-office staff offered by Eurex Clearing AG (clearer test) has been passed successfully and the staff member is available via telephone and fax until 19:00 hours (Frankfurt am Main time) during the Business Days valid for the Eurex Exchanges. From 19:00 hours (Frankfurt am Main time) and until the end of the Business Day valid for the Eurex Exchanges, the applicant has to ensure that a sufficiently qualified staff member is available via telephone. Chapter I Part 1 Number 1.2.6 shall remain unaffected.
 - (f) Evidence of direct or indirect access to a derivatives exchange or a clearing house, each determined by Eurex Clearing AG, for purposes of fulfilling transactions in products of the Eurex Exchanges, which have been included in the clearing by Eurex Clearing AG and whose fulfilment requires the opening of a position in a specific derivatives contract at the designated exchange or clearing house, respectively, in favour of the counterparty of these transactions. If such evidence is not provided, Eurex Clearing AG will not carry out the clearing of transactions of the respective Clearing Member and its respective Non-Clearing Members or Registered Customers in products according to Sentence 1. In this case, Chapter I Number 1.2.2 does not apply, and the Eurex Exchanges shall exclude the concerned Clearing Member and its Non-Clearing Members from the trading of such products.
- (3) Upon written application and submission of relevant evidence by the applicant or a Clearing Member, Eurex Clearing AG may allow the prerequisites for granting a Clearing License pursuant to Paragraph (2) (b) and (c) to be fulfilled and proved in whole or in part by several settlement institutions on behalf of and for the applicant or the Clearing Member. Chapter I Part 1 Number 2.1.2 Paragraph (7) and (8) apply *mutatis mutandis*.
- (4) If the applicant does not provide evidence according to Paragraph (2) (c), Eurex Clearing AG shall conduct the Clearing of Transactions only to such extent as the settlement of the Transactions via the custody accounts and cash accounts which evidence has been provided for, is ensured.

1.2 Margin Requirement

- (1) With regard to the obligation to provide Margin, Chapter I Part 1 Number 3 together with Part 2 Number 6, Part 3 Number 5 or Part 4 Number 6, respectively, applies in addition to the following provisions.
- (2) The basis for the determination of the margin requirements are the net positions per account in all option- and futures contracts. The net position in each option and in each futures contract shall be determined by setting off a long position (including Transactions not yet fully performed) against a short position (including Transactions not yet fully performed, but excluding Transactions with matching cover). In deviation to Sentence 1, a net position shall be determined for the Own Account and the Market Maker Accounts (as defined in Number 1.3.4 below) pursuant to Sentence 2. Sentence 3 applies to NCM-Related Transactions and RC-Related Transactions accordingly.

In accordance with the Risk Based Margining methodology, option and futures contracts may be combined into a single margin class, including, for example, when the underlying security or other value is the same. Eurex Clearing AG may form margin groups out of several margin classes, including classes with differing underlyings, if their respective prices develop favourably in the same direction. If Eurex Clearing AG forms margin classes or margin groups, the following rules shall apply *mutatis mutandis*, in that the relevant margin requirement shall be determined for the margin class or margin group, including by netting.

In accordance with the Eurex Clearing Prisma methodology, option and futures contracts may be grouped into one or more Liquidation Group(s), as defined in Chapter I Part 1 Number 7.5.1 (1). If Eurex Clearing AG forms Liquidation Groups, the following rules shall apply *mutatis mutandis*, in that the relevant margin requirement shall be determined for the Liquidation Group with respect to the applicable Transaction Account, including by netting.

- (3) With respect to options transactions with immediate premium payment obligations, the applicable Margin Type shall be the Premium Margin.
- (4) With respect to options transactions without immediate premium payment obligations, Variation Margin in respect of the daily profits and losses as further set out in this Chapter II shall be provided by either party to the options transaction.
- (5) In accordance with the Risk Based Margining methodology, with respect to futures contracts, the applicable Margin Type shall be Spread Margin.
- (6) In addition, under the Risk Based Margining methodology the Additional Margin shall apply and under the Eurex Clearing Prisma methodology the Initial Margin shall apply to all Transactions concluded under this Chapter II.
- (7) The margin requirement determined for the aggregate of the Own Account and Market Maker Accounts shall be added to the margin requirement determined for the relevant Customer Account, in each case of Own Transactions and Customer-

Related Transactions of a Clearing Member; credit balances on any such internal transaction account shall not be taken into account. Sentence 1 shall apply accordingly to the calculation of the margin requirement for the respective accounts for NCM-Related Transactions and RC-Related Transactions. The total margin requirement applicable to a Clearing Member shall be determined as the sum of the aggregate margin requirements for Own and Customer-Related Transactions of a Clearing Member determined pursuant to Sentence 1 and the margin requirements for NCM-Related Transactions and RC-Related Transactions of such Clearing Member pursuant to Sentence 2; credit balances on any such internal transaction account shall not be taken into account. This Paragraph (7) shall not apply to the Clearing pursuant to the Individual Clearing Model Provisions or the Net Omnibus Clearing Model Provisions and Chapter I Subpart A Part 3 Number 5.2.2 and Chapter I Part 4 Number 6.2, respectively, shall remain unaffected.

- (8) Clearing Members may specify shares or assigned book-entry securities deposited in their Securities Margin Account, the Pledged Securities Account or Net Omnibus Pledged Securities Account as special margin for Transactions which are subject to the same margin class, provided that the shares or assigned book-entry securities correspond to the underlying of the margin class. The shares or book-entry securities assigned for security purposes shall be evaluated under consideration of the most disadvantageous price development until the next determination of margin determined by Eurex Clearing AG and shall be taken into account on the transactions of the margin class. Any excess amounts of such special margin shall not be taken into account on other margin classes. Eurex Clearing AG will use such margin as general margin to collateralise any remaining obligations of the Clearing Member provided that if such margin has been provided under a Standard Agreement pursuant to the Individual Clearing Model Provisions or the Net Omnibus Clearing Model Provisions only the remaining obligations of the Clearing Member under such Standard Agreement shall be collateralised.

1.3 Internal Accounts

1.3.1 Types of Transaction Accounts

- (1) With regard to the accounts of the Clearing Member, Chapter I Part 1 Number 4 together with Part 2 Number 4, Part 3 Subpart A Number 4 or Part 4 Number 4 apply in addition to the following provisions.
- (2) In deviation to Chapter I Part 1 Number 4 together with Part 2 Number 4, Part 3 Subpart A Number 4 or Part 4 Number 4, Eurex Clearing AG opens and maintains with respect to each Clearing Member the following transaction accounts in which the Transactions of the Clearing Member to be cleared have to be booked:
- (a) with respect to Own Transactions and Customer-Related Transactions: two Own Accounts, further Customer Accounts upon request, and two market maker accounts (each a "**Market Maker Account**"); and

- (b) with respect to NCM-Related Transactions: two Own Accounts, further Customer Accounts, upon request, and two market-maker accounts (each a **"Market Maker Account"**) and
 - (c) with respect to RC-Related Transactions: two Own Accounts, further Customer Accounts, upon request, and two market-maker accounts (each a **"Market Maker Account"**).
- (3) For options Transactions, a corresponding internal premium account shall be kept for each account of each Clearing Member; the premiums for all options Transactions which need to be cleared for this Clearing Member shall be recorded in the premium account for each account. Premium accounts shall be settled daily. Eurex Clearing AG shall make the balance of any premium account available in the system for the Non-Clearing Member or Registered Customer, respectively, and the Clearing Member responsible for the clearing of such account.

1.3.2 Own Accounts

- (1) Opening or closing trade adjustments for Transactions recorded in an Own Account and position adjustments performed to close two opposing Transactions or positions may be made in accordance with the provisions of Number 1.3.5 Paragraph (5).
- (2) If a Transaction or position is specified as a closing Transaction (closing trade), without there being sufficient open Transactions or positions in the Own Account, a new Transaction will automatically be opened in the Own Account equivalent to the number of contracts that could not be closed.
- (3) Concluded Transactions may be divided into several Transactions in the respective Own Account (trade separation).

1.3.3 Customer Accounts

1.8 Multiple Clearing Relationships

1.8.1 General rules

A Non-Clearing Member may assign the clearing of Eurex Transactions to several but not more than three Clearing Members by entering into a separate Clearing Agreement with each such Clearing Member. 1.8.2 MCR-Product Groups

- (1) The types of Eurex Transactions eligible to be cleared under a particular Clearing Agreement are determined on the basis of specific product groups as defined by Eurex Clearing AG and published from time to time in accordance with Chapter I Part 1 Number 16.1 (each a “**MCR-Product Group**”).
- (2) If a Non-Clearing Member decides to assign the clearing of Eurex Transactions to more than one Clearing Member, the Non-Clearing Member must select the MCR-Product Groups to be cleared in each Clearing Agreement. One particular MCR-Product Group can only be assigned to one Clearing Member exclusively. The clearing of Eurex Transactions of the same MCR-Product Group via different Clearing Members is not permitted. A Non-Clearing Member and a Clearing Member may also agree to enter into a Clearing Agreement without specifying an MCR-Product Group to be cleared.

1.8.3 Re-assignment of MCR-Product Groups

- (1) Other than in the case of a Clearing Member default, the re-assignment of an MCR-Product Group from one Clearing Member to another is only permissible upon three months prior notice by the Non-Clearing Member to Eurex Clearing AG. The reassignment becomes effective upon (i) the re-allocation of the respective MCR-Product Group in the Clearing Agreements between the Non-Clearing Member and the affected Clearing Members by way of a change of contract and (ii) the transfer of any existing Transactions belonging to the relevant MCR-Product Group to the new Clearing Member on the basis of a Transfer Agreement as published by Eurex Clearing AG on the Eurex Clearing AG website (www.eurexclearing.com). The termination right pursuant to Chapter I Part 1 Numbers 13.2 and 13.3 remains unaffected.
- (2) In the case of a default of a Clearing Member, the re-assignment of an MCR-Product Group from the defaulting Clearing Member to another Clearing Member does not require three months prior notice by the Non-Clearing Member to Eurex Clearing AG. A Clearing Member is not obliged to assume the clearing of MCR-Product Groups or to take over Eurex Transactions from a defaulting Clearing Member.

1.8.4 Information provided by Eurex Clearing AG

- (1) Notwithstanding Chapter I Part 1 Number 15.1, Eurex Clearing AG will inform a Clearing Member if one of its Non-Clearing Members assigns the clearing of Eurex Transactions to a second or third Clearing Member. The name of the relevant Clearing Member or any further related information will not be disclosed.
- (2) In the case that (i) a Clearing Member declares by way of a Stop Button entry that it is no longer willing to conduct the Clearing of Eurex Transactions of a Non-Clearing Member or (ii) Eurex Clearing AG becomes aware that a Non-Clearing Member is in default, Eurex Clearing AG will inform the other Clearing Members who have entered

Eurex Clearing AG will not disclose the reason for the use of the Stop Button or any further information relating to the Non-Clearing Member's default to the other Clearing Members and will not verify any such information in the interest of a timely notification. It is within the own responsibility of each Clearing Member to contact the affected Non-Clearing Member directly for clarification.

- (3) If the Stop Button entry is withdrawn or if Eurex Clearing AG becomes aware that the Non-Clearing Member is no longer in default, Eurex Clearing AG will inform the other Clearing Members of the Non-Clearing Member about such fact accordingly. In this case, Paragraph (2) Sentences 2 and 3 shall apply accordingly.

1.8.5 Clearing Members acting as Non-Clearing Members

2.2.2 Final Settlement Price

- (1) With respect to Three Month EURIBOR Futures contracts, the final settlement price will be determined by Eurex Clearing AG (pursuant to Number 1.1.4 Paragraph 1 of the Contract Specifications for Futures Contracts and Options Contracts at the Eurex Deutschland and Eurex Zürich) on the basis of the reference interest rate EURIBOR calculated by the European Banking Federation (FBE) and Financial Market Association (ACI) at that day for Three-Month cash deposit in Euro at the final payment day of a contract at 11 a.m. CET.
- (2) With respect to One Month EONIA Futures contracts, the final settlement price will be determined by Eurex Clearing AG (pursuant to Number 1.1.4 Paragraph 2 of the Contract Specifications for Futures Contracts and Options Contracts at the Eurex Deutschland and Eurex Zürich) in Euro (EONIA) at the final payment day of a contract at 7 p.m. CET on the basis of the monthly average of the effective interest rates for overnight deposits calculated by the European Central Bank.

The monthly average will be calculated in consideration of the compound interest effect. All EONIA reference interest rates which were calculated by the European Central Bank from the first calendar day up to and including the last calendar day of the respective month of the Futures Contract shall contribute to the calculation of the monthly average. For Saturdays, Sundays and holidays for which the European Central Bank does not calculate a EONIA interest rate, the EONIA interest rate calculated by the European Central Bank for the previous day, will form the basis of the calculation.

- (3) The final settlement price will be determined by rounding the EONIA average interest rate as well as the reference interest rate EURIBOR calculated for Three Month cash deposits to three decimal places and by subtracting the amount from 100. When rounding to the third decimal place, the following procedure shall be used. If the value of the fourth decimal place lies between 1 and 5, the third decimal place shall be rounded down; if the value of the fourth decimal place lies between 6 and 9, the third decimal place shall be rounded up. (Example: If a EURIBOR interest rate is determined at 1.2235, it shall be rounded down to 1.223 and this amount be subtracted from 100).

2.2.3 Fulfilment, Delivery

Open positions from the last trading day of a contract shall be balanced on the final settlement day by means of a net payment credited to or debited from the internal cash account of the Clearing Member pursuant to Chapter I Part 1 Number 4.3. - (1) For the Euro Inflation Futures Contracts, the final settlement price shall be determined by Eurex Clearing AG on the final settlement day (Number 1.8.4 Paragraph 1 of the Contract Specifications for Futures Contracts and Options Contracts at Eurex Deutschland and Eurex Zürich) of a contract on the basis of the unrevised harmonised index of consumer prices of the Euro zone excluding tobacco (HICP) published by Eurostat on this day. - (2) The final settlement price of a Euro Inflation Futures Contract shall be calculated in percent with four decimal places on the basis 100 minus the yearly inflation rate of the 12-month period preceding the contract month (calculation period) of the unrevised harmonised index of consumer prices of the Eurozone excluding tobacco (also rounded to four decimal places). The formula to calculate the Final Settlement Price of the maturing contract month is as follows:

$$FSP_t = 100 - (100 * (HICP_{t-1}/HICP_{t-13} - 1))$$

FSP_t Final Settlement Price for the current contract month t

$HICP_{t-1}$ unrevised harmonised index of consumer prices of the Eurozone excluding tobacco for the calendar month t-1

$HICP_{t-13}$ unrevised harmonised index of consumer prices of the Eurozone excluding tobacco for the calendar month t-13

- (3) In case a publication of the unrevised harmonised index of consumer prices of the Eurozone excluding tobacco by Eurostat does not take place on the provided final settlement day or later than one calendar month after the relevant reporting period, the final settlement price (rounded to two decimal places) shall be calculated by means of the flash estimate of the inflation rate of the Eurozone including tobacco published by Eurostat (Monetary Union Index of Consumer Prices – MUICPY/Y) as follows:

$$FSP_t = 100 - [HICP_{Y/Y,t-2} + (MUICP_{Y/Y,t-1} - MUICP_{Y/Y,t-2})]$$

FSP_t Final Settlement Price for the current contract month t

$HICPY/Y_{t-2}$ Inflation rate of the harmonised consumer price index of the Eurozone excluding tobacco for the calendar month t-2

$MUICP_{Y/Y,t-1}$ Estimated inflationrate of the Eurozone for the calendar month t-1

$MUICP_{Y/Y,t-2}$ Inflation rate of the Eurozone for the calendar month t-2

The flash estimate shall be published by Eurostat as of the end of the relevant calendar month respectively at the beginning of the following calendar month. In this case, there shall be no adjustment of the final settlement price when publishing the value of the unrevised harmonised index of consumer prices of the Eurozone excluding tobacco even in case of a deviation.

The final settlement price shall be determined by Eurex Clearing AG on the last trading day of a contract according to the value of the underlying securities on such day as follows:

The final settlement price of ETC Futures contracts, the underlying securities of which are traded in the electronic trading system of the London Stock Exchange, shall be the price of the respective underlying security effected on the closing auction in the electronic trading system of the London Stock Exchange.

If no price in the underlying security is effected on the closing auction, the volume-weighted average of the last three "paid" prices (Bezahl-Preise) of the respective underlying security effected in the electronic trading system of the respective Stock Exchange shall be authoritative.

If three prices in the underlying security are not effected in the electronic trading system of the respective reference market or if the price does not reflect the true market conditions, Eurex Clearing AG shall determine the reference price.

2.18.3 Fulfilment, Delivery

Chapter II Number 3.12 applies *mutatis mutandis*.

2.19 Clearing of FX Futures Contracts

The following provisions shall apply to the Clearing of FX Futures contracts specified in Number 1.18 of the Eurex Contract Specifications.

2.19.1 Payment Procedures

- (1) All payments for the fulfilment of FX Futures contracts shall be settled directly between each Clearing Member and Eurex Clearing AG on the settlement day (Number 1.18.6 Paragraph (1) of the Eurex Contract Specifications) via the Continuous Linked Settlement system (“**CLS**”) operated by CLS Bank International (“**CLS Bank**”).
- (2) Each Clearing Member must maintain an account connection with CLS Bank directly as a CLS settlement member or indirectly via a CLS settlement member (each a “**CLS Account**”). Each Clearing Member is obliged to:
 - (a) ensure its ability to effect payments in the respective currencies via its CLS Account;
 - (b) comply with the deadlines and compensation conventions established by its CLS settlement member (if applicable), Eurex Clearing AG and CLS Bank;
 - (c) enter, or arrange with its CLS settlement member to enter, the relevant instructions into the CLS system no later than 23:00 CET on the Business Day preceding the settlement day.
- (3) If CLS is not available for settlement for whatever reason, Eurex Clearing AG will instruct the settlement of the affected Transactions outside CLS (either on a gross or net basis) via the foreign currency accounts of the Clearing Member pursuant to Part 1 Number 1.1.2 (2) with a bank recognised by Eurex Clearing AG (“**Payment Bank**”) or via the central bank accounts of the relevant Clearing Members on the settlement day. In this case Number 2.19.4 Paragraphs (1)(b) and (2)(b) shall apply accordingly.

2.19.2 Final Settlement Price

The final settlement price is determined by Eurex Clearing AG on the final settlement date (Number 1.18.4 of the Eurex Contract Specifications) at 16:00 CET. The final settlement price corresponds to the volume-weighted average of the prices of all Transactions executed during the final trading minute, provided that in such period of time more than 5 transactions have been executed. In all other cases, the final settlement price shall be determined on the basis of the average mid-price of the last displayed bid ask spot prices over a one minute interval ending at 16.00 CET as published by the data service provider designated by Eurex Clearing AG. If a determination of the final

settlement price pursuant to the aforementioned rules is not possible or if the calculated price does not reflect the real market situation, Eurex Clearing AG will determine the final settlement price.

2.19.3 Fulfilment, Delivery

The fulfilment of FX Futures contracts occurs by way of physical delivery of the relevant currency amounts via CLS as described in Number 2.19.1.

2.19.4 Failure to Pay

(1) Procedures in respect of defaulting Clearing Member

Unless otherwise stated below, the procedure set out in this Number 2.19.4 only applies in the case that a Clearing Member's failure to settle a Transaction cannot be attributed to a Termination Event in respect of this Clearing Member. If Eurex Clearing AG determines (initially or at any time during the procedure set out herein) that a Termination Event in respect of the defaulting Clearing Member has occurred, Eurex Clearing AG will instead take measures against the defaulting Clearing Member in accordance with the Termination provisions set out in Chapter I.

If a Transaction cannot be settled within CLS due to the fact that a Clearing Member (i) does not provide sufficient funding on its CLS Account to cover the currency amount payable by it in respect of a Transaction on the settlement day (as per Number 2.19.1) or (ii) fails to match a corresponding settlement instruction in accordance with the CLS procedures by 23.00 CET on the Business Day immediately prior to the settlement day (for the purposes of this Number 2.19.4 a "defaulting Clearing Member"), Eurex Clearing AG shall be entitled to take the following measures:

- (a) Eurex Clearing AG will instruct the settlement of the Transaction outside CLS by debiting the outstanding currency amount from the relevant Payment Bank or central bank account of the defaulting Clearing Member on the settlement day. Any currency amounts payable to the defaulting Clearing Member in respect of the Transaction will be credited subsequently to its relevant Payment Bank or central bank account on the settlement day.
- (b) If the Transaction cannot be settled outside CLS pursuant to Paragraph (a) due to insufficient funding on the relevant Payment Bank or central bank accounts of the defaulting Clearing Member and if Eurex Clearing AG determines that the inability of the defaulting Clearing Member to settle does not amount to a Termination Event (e.g. in the case of technical errors or a temporary general unavailability of the relevant currency), Eurex Clearing AG will perform a cash settlement of the Transaction with the defaulting Clearing Member in the quotation currency on the settlement day. The cash settlement price will be determined by (i) the exchange rate price of the failed delivery instruction (i.e. the final settlement price of the Transaction) or (ii) the execution price of the Buy-In (as defined in Paragraph (c) below).

	Eurex04
Clearing Conditions for Eurex Clearing AG	As of 18.11.2013
	Page 243
Chapter II, Part 2	

< Table of contents

Appendices >

- (c) In the case that a cash settlement or a Termination Event occurs with respect to the defaulting Clearing Member but the corresponding Transaction(s) with the non-defaulting Clearing Member(s) have been physically settled in accordance with Paragraph (2)(a) or (b), Eurex Clearing AG may, on the settlement day or the next following Business Day, enter into one or more replacement transactions on the spot market in order to obtain the currency amount that would have been payable by the defaulting Clearing Member if the Transaction had not been settled in cash or if no Termination Event had occurred (a "Buy-In"). If Eurex Clearing AG incurs a loss due to the fact that the Buy-In can be executed only at a different price than the original exchange rate price of the failed delivery instruction (i.e. the final settlement price), the execution price of the Buy-In will be used as the cash settlement price. If the Buy-In comprises several replacement transactions, the execution price is calculated based on volume weighted average price of these transactions. The maximum price for the Buy-In shall be the final settlement price plus 100% premium.
- (d) If a Transaction has been settled outside CLS pursuant to Paragraph (a), the defaulting Clearing Member shall pay a contractual penalty to Eurex Clearing AG calculated in accordance with Chapter I Part 1 Number 14.2.2. If a cash settlement pursuant to Paragraph (b) has taken place, the defaulting Clearing Member shall pay a contractual penalty with respect to each failed delivery instruction of EUR 50,000 per Business Day or the corresponding equivalent in CHF from the settlement day (inclusive) until the day on which the Buy-In has been completed. In each case, the right of Eurex Clearing AG to claim further damages in accordance with Paragraph (3) shall remain unaffected.

(2) Procedures in respect of non-defaulting Clearing Member

If Eurex Clearing AG takes measures in respect of a Transaction of a defaulting Clearing Member in accordance with Paragraph (1), Eurex Clearing AG may perform the following steps in respect of any corresponding Transaction with a non-defaulting Clearing Member:

- (a) Eurex Clearing AG will instruct in CLS the same day settlement of the corresponding Transaction with the non-defaulting Clearing Member to whom payment of the outstanding currency amount is due.
- (b) If the same day settlement of the corresponding Transaction in CLS is not possible due to the defaulting Clearing Member's inability to settle as described in Paragraph (1), Eurex Clearing AG may instruct the payment of any currency amounts payable by or to the non-defaulting Clearing Member in respect of the corresponding Transaction outside CLS via the relevant Payment Bank or central bank accounts of the non-defaulting Clearing Member on the settlement day.
- (c) If the settlement outside CLS fails due to insufficient funding on the relevant Payment Bank or central bank accounts of the non-defaulting Clearing Member, Eurex Clearing AG will perform a cash settlement with the non-defaulting

Clearing Member in respect of the corresponding Transaction. The cash settlement price will be determined by the exchange rate price of the failed delivery instruction (i.e. the final settlement price of the Transaction).

- (3) The defaulting Clearing Member shall bear all costs and damages incurred by Eurex Clearing AG as a consequence of the measures taken pursuant to this Number 2.19.4.

2.19.5 Specific Provisions for Interim Participation

In the case that a Non-Clearing Member has been admitted by Eurex Clearing AG as an Interim Participant pursuant to Chapter I Part 3 Subpart B Number 5 in respect of FX Futures contracts that are Covered Transactions, the following applies:

- (1) If the settlement date of the Transaction occurs prior to the re-establishment with a new Clearing Member pursuant to Chapter I Part 3 Subpart B Number 5, the Interim Participant may step into delivery by providing its CLS Account details to Eurex Clearing AG at the latest until the Business Day prior to the settlement date and by giving corresponding settlement instructions in accordance with the CLS procedures.
- (2) If the Interim Participant does not have a CLS Account, the Interim Participant may choose to credit the relevant Payment Bank or central bank account(s) of Eurex Clearing AG with the currency amount(s) to be delivered by it in respect of the Transaction at the latest by 9.00 CET on the settlement date. In this case, Eurex Clearing AG will instruct the payment of any currency amounts payable to the Interim Participant via the relevant Payment Bank or central bank accounts of the Interim Participant.
- (3) If the Interim Participant is not able to step into delivery pursuant to Paragraphs (1) or (2), Eurex Clearing AG will perform a cash settlement of the Transaction with the Interim Participant on the settlement date in accordance with Number 2.19.4(1)(d).

3.6.4 Margin Requirements

- (1) The basic provisions for margin requirements are set forth in Chapter I Part 1 Number 3 together with Part 2 Number 6, Part 3 Subpart A Number 5, Subpart C Number 4 or Part 4 Number 6. In addition thereto, the following conditions shall apply:

3.6.6 Failure to Deliver

In the event that a Clearing Member fails to deliver the underlying security on the delivery day (as per Number 3.6.1) according to the instructions of Eurex Clearing AG, Eurex Clearing AG shall take measures in accordance with Chapter V Number 2.2; the contractual penalty regulations shall also apply accordingly. For a non-delivery of shares not covered by Article 15 of Regulation (EU) No. 236/2012 as well as for subscription rights from Transactions with options contracts with the assigned group IDs GB11 and IE11, Number 3.6.7 shall apply.

3.6.7 Failure to Deliver Options Contracts of Group ID GB11 and IE11

- (1) In the event a Clearing Member fails to transfer shares not covered by Article 15 of Regulation (EU) No. 236/2012 or subscription rights from options contracts with the assigned group IDs GB11 and IE11 (hereinafter referred to as “shares” in Number 3.6.7 and Number 3.6.9), Eurex Clearing AG is entitled to repurchase shares of the same kind and number by means of an auction upon expiration of the 5th Business Day. If Eurex Clearing AG has opened an auction according to Sentence 1 by notification of the defaulting Clearing Member, the defaulting Clearing Member is not authorised to transfer the owed shares to Eurex Clearing AG on the day of auction as well as until a written notification of Eurex Clearing AG. Eurex Clearing AG is obliged to publish a maximum price for the auction up to which it is willing to accept bids. The maximum price for the auction results from the settlement price determined by Eurex Clearing AG for the share plus a surcharge of 100%. The obligation of the seller to assign the shares shall be accepted by Eurex Clearing AG instead of fulfilment for the obligation of the defaulting Clearing Member. Upon expiration of the tenth Business Day and the 20th Business Day, Sentence 1 and 2 shall apply accordingly, unless a surcharge has been given and the defaulting Clearing Member has assigned the owed shares until opening of a new auction. In case of a corporate action concerning the shares (“**corporate action**”), Eurex Clearing AG reserves the right to postpone the auction by one Business Day or – due to a justified reason – to determine another Business Day for implementation of the auction.
- (2) Upon beginning of the 21st Business Day after the Business Day agreed upon for assignment, the obligation of the defaulting Clearing Member to assign the owed shares shall expire. Instead of this obligation, a claim of Eurex Clearing AG vis-à-vis the defaulting Clearing Member for payment of a compensation amount (cash settlement) comes into existence. The amount of the compensation payment shall be calculated from the higher price of (i) the settlement price determined by Eurex Clearing AG for the share plus a surcharge of 100%, (ii) the highest purchase price to be paid by Eurex Clearing AG to the defaulting Clearing Member for owed shares or (iii) the highest purchase price to be paid by the non-defaulting Clearing Member to Eurex Clearing AG from the transaction being assigned to the transaction under (ii), respectively multiplied with the according lot size of the owed shares. Eurex Clearing AG shall settle the compensation amount to be paid with the purchase price to be paid for the non-assigned shares.

- (3) In the event a Clearing Member with respect to which Eurex Clearing AG owes the assignment of shares, fails to give the necessary instruction to Euroclear UK & Ireland Ltd, the obligation of Eurex Clearing AG for assignment of the owed shares shall expire on the 21st Business Day after the Business Day agreed upon for assignment. Instead of this obligation, an obligation of Eurex Clearing AG to pay a compensation amount to the defaulting Clearing Member comes into existence. Paragraph (2) Sentence 3 and 4 shall apply accordingly with the proviso that the selling price made on the London Stock Exchange or Irish Stock Exchange made during a sale of the shares by Eurex Clearing AG supersedes the settlement price within the meaning of Paragraph (1) Sentence 2 (i).
- (4) If the Clearing Member obliged to assign subscription rights or other rights (hereinafter referred to as “**rights**” in Number 3.6.8) does not assign them prior to expiration of the subscription period, the obligation to assign the rights shall expire. Instead of such obligation, a claim of Eurex Clearing AG for payment of a compensation amount against the defaulting Clearing Member comes into existence. Paragraph (2) Sentence 3 and 4 shall apply accordingly.
- (5) The claim for assignment of shares or rights of a non-defaulting Clearing Member against Eurex Clearing AG from a transaction which has been assigned to a transaction of a defaulting Clearing Member shall expire upon existence of the obligation of the defaulting Clearing Member to pay the compensation amount. Instead of this claim, a claim of the non-defaulting Clearing Member against Eurex Clearing AG for payment of the compensation amount comes into existence.
- (6) The defaulting Clearing Member is obliged to pay an allowance to Eurex Clearing AG for each auction executed according to Paragraph (1) in the amount of 10% of the purchase price of the shares owed at the time of auction, however, at a minimum amount of GBP 225.00 with regard to options contracts with the assigned group ID GB11 and of EUR 250.00 with regard to options contracts with the assigned group ID IE11, and at a maximum amount of GBP 4,500 with regard to options contracts with the assigned group ID GB11 and EUR 5,000.00 with regard to options contracts with the assigned group ID IE11. If a Clearing Member assigns shares to Eurex Clearing AG after exclusion of the performance obligation, the Clearing Member is obliged to pay an allowance for implementation of the reassignment in the amount of GBP 450.00 with regard to options contracts with the assigned group ID GB11 and of EUR 500.00 with regard to options contracts with the assigned group ID IE11 to Eurex Clearing AG. Sentence 2 applies accordingly for the non-defaulting Clearing Member according to Paragraph 2 if – upon existence of the claim for payment of a compensation amount – the Clearing Member has arranged for assignment of shares by Eurex Clearing AG by not deleting the instruction for assignment of shares given to Euroclear UK & Ireland Ltd.
- (7) The right of Eurex Clearing AG to claim further damages shall remain unaffected.

3.6.8 Corporate Actions

In case of corporate actions which form the basis of underlyings whose delivery has not yet been effected, the regulations pursuant to Chapter V Number 2.3 apply *mutatis mutandis*.

3.6.9 Corporate Actions with Options Contracts with Group ID GB11 and IE11

- (1) If transfer obligations which have not yet been fulfilled and are resulting from options contracts with the assigned group IDs GB11 and IE11, refer to shares with regard to which a corporate actions is made, Eurex Clearing AG shall – within the scope of clearing of such transactions in relation to its Clearing Members – generally settle such actions according to the rules which apply or are applied therefore with Euroclear UK & Ireland Ltd as relevant home market.
- (2) For lack of rules within the meaning of Paragraph (1), shares shall be transferred with the rights and obligations which have existed at the time of conclusion of the transaction.
- (3) If a corporate action results in a change of the type of custody to individual safekeeping, the following provisions shall apply between Eurex Clearing AG and the Clearing Members as contractual parties of the options contract:
 - (a) Eurex Clearing AG discloses its claim for transfer of the shares to be delivered by the Clearing Member obliged to deliver to the Clearing Member which, in turn, has not received delivery from Eurex Clearing AG, in order to enter into an assumption of contract (*befreiende Schuldübernahme* according to Section 414 German Civil Law) with the Clearing Member to whom delivery is to be made in favour of Eurex Clearing AG according to Paragraph (3) (b) to the extent the number of shares to be delivered by the defaulting Clearing Member to Eurex Clearing AG corresponds to the shares to be transferred by Eurex Clearing AG to the Clearing Member that has not received delivery in time.
 - (b) An effective assumption in favour of Eurex Clearing AG according to Paragraph (3) a) does only exist if the two respective Clearing Members have agreed upon a certain number of shares which shall be delivered by the defaulting Clearing Member instead of Eurex Clearing AG to the Clearing Member to whom delivery is to be made and if the standardised agreement for the assumption of the delivery obligation provided by Eurex Clearing AG for such purpose has been legally signed by both Clearing Members and has been submitted to Eurex Clearing AG in case of a change of the type of custody to individual safekeeping (in the following “**Obligation Assumption Agreement**”).
 - (c) As soon as the signed Obligation Assumption Agreement is submitted to Eurex Clearing AG, the obligation of Eurex Clearing AG vis-à-vis the Clearing Member it has to deliver the owed shares to and all secondary obligations being at present or in future in connection with this obligation expire with immediate

debt-discharging effect in the amount of the number of shares to be assigned agreed upon by both Clearing Members.

- (d) For conclusion of such Obligation Assumption Agreement, Eurex Clearing AG herewith authorises the Clearing Member to whom delivery is to be made vis-à-vis the defaulting Clearing Member in its name to waive the claim of Eurex Clearing AG for delivery of the shares in the amount of the number of shares to be delivered agreed upon by both Clearing Members as well as all current or future secondary rights related thereto with debt-discharging effect. Chapter V Number 2.2.1 Paragraph (7) and Chapter V Number 2.2.2 Paragraph (8) do not apply.
- (e) Eurex Clearing AG sets a deadline for both Clearing Members of at maximum ten Business Days within which the Obligation Assumption Agreement may be legally signed by them. In this case, both Clearing Members shall inform Eurex Clearing AG about the conclusion of an assumption until 10 a.m. CET of the Business Day following the last day of the deadline set by Eurex Clearing AG at the latest (foreclosure) by presenting the legally signed Obligation Assumption Agreement to Eurex Clearing AG.
- (f) In case a legally signed Obligation Assumption Agreement of the respective Clearing Members has not been presented to Eurex Clearing AG within the foreclosure according to Paragraph (3) e) Sentence 2, Eurex Clearing AG shall determine a cash settlement with regard to the shares not having been delivered in time by the defaulting Clearing Member with the legal consequence that the fulfilment obligation of the defaulting Clearing Member vis-à-vis Eurex Clearing AG from this non-fulfilled Eurex transaction expires with debt-discharging effect. Instead, the defaulting Clearing Member is obliged to pay the cash settlement determined by Eurex Clearing AG to Eurex Clearing AG.

The same applies in this case with regard to shares of the same kind owed by Eurex Clearing AG to one or several other Clearing Members to the extent corresponding to the lot size of the shares owed and not having been delivered in time by the defaulting Clearing Member to Eurex Clearing AG from the Eurex transaction. Chapter V Number 2.2.1 Paragraph (7) and Chapter V Number 2.2.2 Paragraph (8) do not apply.

- (g) The amount of the cash settlement to be paid by the defaulting Clearing Member to Eurex Clearing AG according to Paragraph (3) f) shall be determined by comparison between the settlement price of the cash settlement determined by Eurex Clearing AG for the respective shares plus a surcharge in the amount of 100% and the highest selling price and the highest purchase price in the relevant Eurex transactions respectively deliveries.

The price determined in this way shall be multiplied with the respective number of the shares not having been delivered in time to Eurex Clearing AG and results in the amount to be paid by the defaulting Clearing Member to Eurex Clearing AG in the course of the cash settlement.

Eurex Clearing AG shall pay out this amount upon receipt to the other Clearing Member/s who have concluded Eurex Transactions with Eurex Clearing AG according to Paragraph (3) f) Sentence 3.

- (4) In case of dividend payments with election right (“**scrip dividends**”), the Clearing Member is obliged to choose dividend payments. Eurex Clearing AG is not liable for damages having occurred to the respective Clearing Member or a third party in case of an exercise of the election right by Eurex Clearing AG.
- (5) Eurex Clearing AG shall implement corporate actions for its Clearing Members if the respective assignment obligation resulting from the corporate action cannot be fulfilled in the system of Euroclear UK & Ireland. In this case, Eurex Clearing AG shall inform the respective Clearing Members about the fact that the implementation and settlement of the respective corporate action is made by Eurex Clearing AG according to the instructions of Eurex Clearing AG. The respective Clearing Members are obliged to comply with the instructions of Eurex Clearing AG which the latter gives in the course of the implementation and settlement of the corporate action.
- (6) If a corporate action is implemented by Euroclear UK & Ireland or by Eurex Clearing AG – such corporate action not being regulated by aforementioned provisions – Clearing Members are obliged to assign the concerned shares to Eurex Clearing AG according to the latter’s instructions. Eurex Clearing AG shall assign these shares accordingly to the Clearing Members. Sentence 1 and 2 apply accordingly with regard to cash payments which have to be made by Clearing Members due to corporate actions not being regulated in aforementioned provisions.
- (7) If a Clearing Member does not fulfil an obligation incumbent upon it in the course of a corporate action, and if, as a consequence, the corporate action is not executed, Eurex Clearing AG is entitled to transfer its claims vis-à-vis the Clearing Members to the Clearing Members concerned by the non-execution with debt-discharging effect.

If the respectively determined minimum contract size per Eurex OTC Transaction is undergone, Eurex Clearing AG is not obliged to clear such a transaction pursuant to 0. Furthermore, these Clearing Members shall ensure their ability to deliver and pay by having adequate positions in the deposit account of the respective Settlement Location and adequate credit on the respective cash accounts. Sentence 1 and 2 shall apply accordingly to security transactions comprised by a Combination Transaction Optione-Share.

Furthermore, applications pursuant to the foregoing paragraph require that the Participant(s) of respective identical transactions in Flexible Contracts give its/their consent to the applied accounting change. Insofar, the approval of all Participants is necessary. Provided that a participant of the identical transactions participates in the Clearing procedure via a Clearing Member, exclusively the decision of this Participant is relevant.

1.2 Provision of Margin

- (1) In connection with GC Pooling Repo transactions, the determination of the margin requirement (including the Additional Margin), with regard to the securities assigned within the scope of the Front-Leg, also in case of cross-border collateral provision, shall be calculated directly by Xemac of CBF. During calculation, Xemac shall, according to the provisions of the Special Conditions for Collateral Management (“**SC Xemac**”), consider the respective currency in which the underlying transaction has been concluded. Also, the securities admissible as securities serving as collateral in connection with the delivery of GC Pooling Repo transactions shall be determined by Xemac on basis of the Special Conditions for “**SC Xemac**”. Other than described in Sentence 1, Eurex Clearing AG may demand that, in excess of the margin requirement calculated by Xemac, Additional Margin has to be provided in accordance with the calculation method published pursuant to Chapter I Part 1 Number 3.1.8. The possibility of requiring additional Margin pursuant to Chapter I Part 1 Number 3.3 together with Chapter I Part 2 Number 6.3 or Chapter I Part 3 Subpart A Number 5.3, in particular for collateralisation of exchange rate risks in case of foreign currency transactions, remains unaffected. This in particular applies for the collateralisation of exchange rate risks in case of foreign currency transactions and as well for the delivery of securities as collateral which qualify as own issues in the meaning of the Terms and Conditions for Participation and Trading on Eurex Repo GmbH (“**GTC’s Repo**”) in relation to the Clearing Member. With regard to securities which become own issues during the term of the Transaction, this provision applies also. The Clearing Members are obliged to refrain from provisioning of such own securities as collateral. For the provision respectively collection of Margin, the provisions of Chapter I Part 1 Number 3.2 together with Part 2 Number 6 or Part 3 Subpart A Number 5, Subpart C Number 4 apply.
- (2) With regard to GC Pooling Equity Repo transactions, Eurex Clearing AG shall – in deviation to Paragraph (1) Sentence 3 – define a list of equities included in the HDAX[®] which are eligible as securities serving as collateral (“**eligibility list**”) and shall review such list on a monthly basis. The equities are admitted to this list in accordance with a catalogue of criteria which takes into account the turnover volumes and risk aspects. Any changes resulting from the regular review shall be announced by Eurex Clearing AG by way of electronic circular no later than 5 Business Days prior to their effectiveness. As a rule, such changes shall take effect on the 15th day of a calendar month. If such day is not a Business Day, the changes shall take effect on the next Business Day. Irrespective of the regular review, Eurex Clearing AG shall – due to risk management reasons – be entitled at any time to exclude individual securities from the eligibility list with effect to the next Business Day. Such changes shall be announced to Clearing Members via the Eurex Clearing Newsboard at http://www.eurexchange.com/production_newsboards/eurex/newsboard_en.html. The eligibility list will be made available in Xemac on a daily basis.

Regarding the selection of securities serving as collateral to be transferred from the GC Pooling Equity Basket, concentration limits of Eurex Clearing AG shall apply.

To the extent a Clearing Member which has available an insufficient amount of eligible securities serving as collateral for the GC Pooling Equity Basket is instead allowed to transfer ownership of securities eligible for the GC Pooling ECB Basket, the rules for settlement of GC Pooling ECB Basket Repo transactions shall apply to such securities serving as collateral.

- (3) In addition to the provisions of Paragraph 1 and 2, the provisions of Chapter I Part 1 Number 3 together with Part 2 Number 6 or Part 3 Subpart A Number 5, Subpart C Number 4 shall apply with regard to the basic principles of the margin requirement and – unless aforementioned paragraphs state otherwise – the obligation to provide margin. The provisions of Paragraph (1) Sentence 4 – 10 apply to Special and GC Repo accordingly. In the case securities collateral are qualified as own issues after the settlement of the Front-Leg, Eurex Clearing may apply an adequate haircut to cover a higher liquidation risk for Eurex Clearing AG. No automatic substitution is processed.

1.3 Setoff Procedure

Regarding GC Pooling Repo transactions, the setoff of claims and liabilities is – in deviation to Chapter I Part 1 Number 1.3 and Part 2 Number 5 – subject to the provisions of the SB Xemac.

- (2) The daily settlement price shall be determined by Eurex Clearing AG after close of trading and notified to the Clearing Members.
- (3) For unfulfilled deliveries within the context of GC Pooling Repo transactions, an evaluation of the securities to be delivered, which are selected by Xemac pursuant to Paragraph (1) and (2), will be carried out pursuant to Number 2.2 Paragraph (2) d) in relation to the relevant claim in the underlying currency.

2.4 Performance

- (1) A delivery obligation arising out of a Eurex Repo Transaction can only be satisfied by the respective underlying securities which – in case of GC Pooling Repo transactions – are specifically defined by Xemac, claims from safekeeping abroad (WR-Credit) or security credits (insofar consistently described as “**securities margin**”) which are admissible for a transaction in this currency and basket.

Besides, Eurex Clearing AG shall arrange for the charge of an amount equal to the amount of interests or dividends to the Clearing Member which has purchased the respective securities. in Brussels or with Clearstream Banking S.A. In case of Euro GC Pooling Repo transactions, the compensation payment shall be initiated via Eurex Clearing AG through Xemac.

- (2) With regard to securities serving as collateral which are involved in GC Pooling Equity Basket Repo transactions, as a rule a substitution of such securities serving as collateral is arranged in Xemac – prior to corporate actions which do not represent a cash payment, provided that the issuer of the security has informed CBF of such corporate action on time. The timely re-transfer by substitution shall remain in the sole responsibility of the Clearing Member which has transferred the securities serving as collateral. Such Clearing Member must take the necessary measures to enable a timely re-transfer, thus enabling such Clearing Member to exercise or respectively perform its rights relating to the respective corporate action. Irrespective of such measures and based on the SB Xemac CBF may decide to exclude such securities temporary as being eligible securities serving as collateral with view to upcoming corporate actions following the requirements of Eurex Clearing AG.

2.6 Failure to Deliver

- (1) Any failure to make a payment or delivery when due shall be governed by the following procedure:

- (a) Failure to Deliver by the delivery day of the Front Leg:

In the event that a Clearing Member which is obliged to deliver fails to transfer the underlying securities on the delivery day of the Front Leg (as per Number 2.2.(2) a)) of the respective Eurex Repo Transaction and pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG shall be entitled and, on request of the Clearing Member which did not receive delivery in time, obliged to set the present Business Day, at the latest the delivery day of the Term Leg, as an advanced repurchase date of the Term Leg. As a consequence thereto, the mutual obligations arising out of the Eurex Repo Transaction which had originally been agreed upon, shall be offset against each other so that the parties, with the exception of the Repo interests agreed upon, do not owe each other any further payment or delivery. The payable Repo interests shall be calculated on the basis of the period of default, in each case for the period from the purchase date (inclusive) until the Business Day to which the Term Leg was advanced (exclusive).

At the same time, Eurex Clearing AG shall be entitled to set an earlier date as repurchase date for the Term Leg of the equivalent Eurex Repo Transaction concerned between Eurex Clearing AG and the Clearing Member which did not receive delivery from Eurex Clearing AG in time; the legal consequence thereof will be the same as described above. In connection with the delivery of GC Pooling Repo transactions the procedure pursuant to Sentence 1 to 4 shall apply, if the Clearing Member obliged to deliver shall not dispose of the necessary bulk of securities, which are admissible for the delivery in the

respective basket and the underlying currency, on delivery day in its collateral pool. Eurex Clearing AG shall be, if necessary, informed of this matter by CBF.

If, as opposed to the provisions in Chapter IV Number 2.2 Paragraph (2) d), a Clearing Member does not comply with its obligation to perform during SDS1, it may – irrespective of the above provision – be in intraday default. To the extent a Clearing Member is in intraday default, Eurex Clearing AG may charge an expense allowance of EUR 2,000.00 for each defaulting GC Pooling Repo Transaction to cover its operative additional expenditure. Furthermore, Eurex Clearing AG shall be entitled to invoice the Clearing Member – until such point in time on which the obligation to perform is fulfilled – for any interim financing costs incurred, up to the value of the GC Pooling Overnight Index (“**GCPION**”) published by Bloomberg or Reuters plus 50 basis points p.a., in relation to the value of the underlying GC Pooling Transaction or the due cash amount respectively.

(b) Failure to Deliver by the delivery day of the Term Leg

In the event that the Clearing Member obliged to deliver fails to deliver the underlying securities on the delivery day of the Term Leg (as per Number 2.2.(2) b)) of the respective Eurex Repo Transaction and pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG shall be entitled and, on request of the Clearing Member which did not receive delivery in time, obliged to make a replacement purchase with respect to the undelivered securities as from the 5th day following the delivery date of the Term Leg and to deliver these to the Clearing Member which did not receive delivery in time or, in the case of a wholly or partially unsuccessful replacement purchase, to perform a cash settlement. The replacement and the cash settlement are performed pursuant to Chapter V Number 2.2, the provisions on contractual penalties apply accordingly. Notwithstanding Chapter V Number 2.2.1 Paragraph (3)(b)(aa), the cash settlement amount is determined by the highest of (i) the settlement price of the respective class of securities as determined by Eurex Clearing AG, (ii) the selling price and (iii) the purchase price of the relevant Eurex Repo Transaction plus a premium of 300 basis points, accrued interest and the applicable repo rate. In connection with any default in effecting performance with regard to GC Pooling Repo Transactions, the provisions of Number 2.6 Paragraph (1) a) shall apply accordingly, taking into account that an executed Buy-In according to Number 2.6 Paragraph (1) b) Sentence 1 shall be considered equivalent to reaching the point in time on which performance is effected.

With regard to the Clearing of GC Pooling Repo Transactions involving holders of a Specific Repo License and corresponding GC Pooling Repo Transactions with Clearing Members, the provisions of Parts 1 and 2 shall apply unless hereinafter otherwise provided for. Eurex Clearing AG may grant the Specific Repo License upon written application subject to the condition that the applicant is not a Clearing Member and does not apply for becoming a Clearing Member pursuant to Chapter I Part 1 Number 2. 3.2 Conclusion of Transactions

GC Pooling Repo Transactions of Eurex Clearing AG concluded with the holder of a Specific Repo License as well as corresponding GC Pooling Repo Transactions of Eurex Clearing AG with the relevant Clearing Member, are each concluded by way of novation subject to, and in accordance with, the following provisions.

3.2.1 Novation

- (1) Whenever the relevant holder of a Specific Repo License and the Clearing Member or, as the case may be, the relevant Non-Clearing Member (acting in its own name and in the name of the Clearing Member) transmits via Eurex Repo GmbH a GC Pooling Repo Transaction pursuant to Number 3.2.2 Paragraph 1 to Eurex Clearing AG (“**Original GC Pooling Repo Transaction**”) and whenever Eurex Clearing AG accepts such Original GC Pooling Repo Transaction pursuant to Number 3.2 for inclusion in the Clearing, Eurex Clearing AG will interpose itself by way of novation as central counterparty and the Original GC Pooling Repo Transaction shall – pursuant to this Chapter IV – be cancelled and replaced by two related GC Pooling Repo Transactions
 - a) between Eurex Clearing AG and the relevant holder of a Specific Repo License and
 - b) between Eurex Clearing AG and the relevant Clearing Member.

To the extent that a Non-Clearing Member is a counterparty to the Original GC Pooling Repo Transaction, upon conclusion of the two GC Pooling Repo Transactions between Eurex Clearing AG as well as the holder of the Specific Repo License and the relevant Clearing Member, a corresponding GC Pooling Repo Transaction will, simultaneously, be concluded between the Non-Clearing Member and its Clearing Member. Number 3.6.1 Paragraph 2 shall remain unaffected.

Unless expressly set out otherwise herein, the parties to the Original GC Pooling Repo Transaction shall be released from their obligations to each other under such Original GC Pooling Repo Transaction on the Novation Time as defined in Paragraph (2).

The GC Pooling Repo Transactions resulting from the novation shall not be subject to the valid existence of the Original GC Pooling Repo Transactions (abstract novation).

Chapter I Part I Number 1.2.2 Paragraph (7) applies *mutatis mutandis*.

- (2) Following the conclusion of GC Pooling Repo Transactions by way of novation pursuant to Paragraph (1), Eurex Clearing AG will on the same Business Day send corresponding confirmations to the holders of a Specific Repo License and the Clearing Members and the Non-Clearing Members, if any. The actual time of conclusion of a GC Pooling Repo Transaction by way of novation is referred to in this Chapter IV as the “**Novation Time**”.

3.2.2 Novation Principles and Criteria

- (1) Original GC Pooling Repo Transactions have to be transmitted to Eurex Clearing AG in a standardised form via Eurex Repo GmbH.

Eurex Clearing AG makes no representation, whether expressed or implied, as to the complete and timely performance of the duties and obligations of Eurex Repo GmbH vis-à-vis the holders of a Specific Repo License, the Clearing Members or the Non-Clearing Members. Eurex Clearing AG assumes no liability to the holders of a Specific Repo License, the Clearing Members or the Non-Clearing Members for any act or failure to act by Eurex Repo GmbH vis-à-vis the holders of a Specific Repo License, the Clearing Members or the Non-Clearing Members in connection with any information or notices received by Eurex Clearing AG or given to the holders of a Specific Repo License or the Clearing Members via Eurex Repo GmbH, as the case may be.

- (2) Eurex Clearing AG shall validate any information regarding the Original GC Pooling Repo Transactions transmitted to it via Eurex Repo GmbH on or after the Start Date of the respective Repo Transactions.
- (3) With regard to GC Pooling Repo Transactions in which the holder of the Specific Repo License is the Cash Provider (“**Cash Provider Transaction**”), the inclusion of an Original GC Pooling Repo Transactions in the Clearing and the establishment of Transactions pursuant Number 3.2.1 Paragraph 1 require the holder of a Specific Repo License to have previously paid into the cash account pursuant to Number 3.1 Paragraph 4 Item f) managed by Clearstream Banking AG for the holder of the Specific Repo License the purchase price owed from the Front Leg and Clearstream Banking AG to have confirmed to Eurex Clearing AG receipt of such payment. If receipt of payment is confirmed until a certain point in time with regard to a Business Day as specified by Eurex Clearing AG, novation shall take place on the same Business Day provided that Eurex Clearing AG does not refuse the inclusion of the Original GC Pooling Transaction in the Clearing for other reasons. If receipt of payment and its confirmation occur on such Business Day, however, after such certain point in time specified by Eurex Clearing AG, novation shall not take place on such Business Day and Clearstream Banking AG shall, on such Business Day, return the payment received to the holder of the Specific Repo License. Novation of the Original GC Pooling Repo Transaction may be carried out in corresponding application of this Paragraph (3) on any following Business Day until and excluding the day which had been agreed on for fulfillment of the Term Leg (the “**End Date**”).

- (4) With regard to GC Pooling Repo Transactions in which the holder of the Specific Repo License is the Cash Taker (“**Cash Taker Transaction**”), the inclusion of an Original GC Pooling Repo Transaction in the Clearing and the establishment of Transactions pursuant to Number 3.2.1 Paragraph (1) is subject to satisfaction of the Novationcriteria for a Cash Taker Transaction.

The “**Novationcriteria for a Cash Taker Transaction**” shall be satisfied upon the determination by Eurex AG that

- a) the End Date of the relevant Cash Taker Transaction corresponds to the End Date of a Cash Provider Transaction of the relevant holder of a Specific Repo License, such Cash Provider Transaction having already been included in the Clearing,
- b) the Nominal Size (*Nominalwert*) of the relevant Cash Taker Transaction does not exceed the relevant Maximum Cash Taker Nominal Size and
- c) the Settlement Amount of the relevant Cash Taker Transaction does not exceed the relevant Maximum Cash Taker Settlement Amount.

In this regard, the following shall apply:

“**Maximum Cash Taker Nominal Size**” (“*Maximaler Cash Taker Nominalwert*”) specifies the – in view of an inclusion in the Clearing – maximum permissible Nominal Size of a Cash Taker Transaction, such amount being determined by Eurex Clearing AG in each individual case as:

- a) the sum of the Nominal Sizes of all Cash Provider Transactions – such Cash Provider Transactions having already been included in the Clearing – of the relevant holder of a Specific Repo License with the same End Date as the relevant Cash Taker Transaction, minus
- b) the sum of the Nominal Sizes of all Cash Taker Transactions – such Cash Taker Transactions having already been included in the Clearing – of the relevant holder of a Specific Repo License with the same End Date as the relevant Cash Taker Transaction.

“**Maximum Cash Taker Settlement Amount**” (“*Maximaler Cash Taker Settlement Betrag*”) specifies the – in view of an inclusion in the Clearing – maximum permissible Settlement Amount of a Cash Taker Transaction, such amount being determined by Eurex Clearing AG in each individual case as:

- a) the sum of the Settlement Amounts of all Cash Provider Transactions – such Cash Provider Transactions having already been included in the Clearing – of the relevant holder of a Specific Repo License with the same End Date as the relevant Cash Taker Transaction, minus
- b) the sum of the Settlement Amounts of all Cash Taker Transactions – such Cash Taker Transactions having already been included in the Clearing – of the

relevant holder of a Specific Repo License with the same End Date as the relevant Cash Taker Transaction.

“Settlement Amount”, in relation to a GC Pooling Repo Transaction, means an amount equal to the re-purchase price plus (to the extent not already comprised therein) the Repo interest with respect to relevant GC Pooling Repo Transaction.

If Eurex Clearing AG determines that the Novationcriteria for a Cash Taker Transaction have been satisfied on a Business Day until the point in time specified by Eurex Clearing AG, novation in the relevant Cash Taker Transaction shall be carried out on such Business Day provided that Eurex Clearing AG does not refuse inclusion in the Clearing for other reasons.

If Eurex Clearing AG determines that the Novationcriteria for a Cash Taker Transaction have not or not in due time been complied with on a Business Day until the point in time specified by Eurex Clearing AG, novation in the relevant Cash Taker Transaction shall not be carried out on such Business Day. Eurex Clearing AG will notify Eurex Repo GmbH accordingly by electronic means on such Business Day.

or to determine another Business Day for the execution of the auction for important reason.

Once the auction has been initiated, the Clearing Member having the delivery obligation is no longer entitled to deliver to Eurex Clearing AG on the day of such auction the Securities owed.

(b) Costs of the Auction

Eurex Clearing AG charges the defaulting Clearing Member with a fee for each auction carried out for the replacement in relation to a class of Securities in an amount of (i) 0.1% of the value of the fixed income Securities to be delivered under the relevant FWB Transaction, or (ii) in the case of Securities other than fixed income Securities, 10% of the value of the Securities to be delivered under the relevant FWB Transaction, however at least EUR 250 and at maximum EUR 5,000. For Transactions in fixed income Securities, the cash

settlement amount is determined without taking into account accrued interest and by adding a premium of 300 basis points.

(bb) The highest price so determined is multiplied by the number of non-delivered Securities owed under the non-performed FWB Transaction.

(c) Consequences of Cash Settlement

Upon determination of the cash settlement, the defaulting Clearing Member's delivery obligations under the non-performed FWB Transaction expire with debt-discharging effect. The defaulting Clearing Member is obliged to pay to Eurex Clearing AG the determined cash settlement amount.

In the case of Securities of the same class owed by Eurex Clearing AG to one or more other Clearing Member(s), which have not been delivered on the Determination Day at the latest, the provisions above shall apply accordingly to the extent equalling the number of Securities owed and not delivered in time by the defaulting Clearing Member to Eurex Clearing AG.

After receipt Eurex Clearing AG will forward the cash settlement amount to the Clearing Member to whom delivery has not been effected in due time.

(d) Specific Provisions for Other Securities

If the Other Securities cannot be acquired by way of the relevant replacement purchase, Eurex Clearing AG will determine a further cash settlement initially between the 40th and the 46th Business Day after the delivery day. The cash settlement amount is determined pursuant to Paragraph (3)(b). The defaulting Clearing Member shall be given time to deliver the Other Securities before the determination of the cash settlement. If proceedings pursuant to Chapter 11 of the US-American Bankruptcy Code are initiated against the issuer of the Other Securities to be delivered, Eurex Clearing AG may determine a cash settlement on the 6th Business Day following the delivery day already. The consequences of the determination of the cash settlement are determined pursuant to Paragraph (3)(c).

Eurex Clearing AG will charge a fee from the defaulting Clearing Member for every determined cash settlement in an amount of 0.0025% of the value of the Securities to be delivered under the relevant FWB Transaction, however at least EUR 250 and at maximum EUR 1,000. When converting fees into the settlement currency, Eurex Clearing AG will use a commercially reasonable exchange rate applicable at the relevant point in time.

(4) Disclosure of Delivery Claim

(a) Assertion of Temporary Rights

If the defaulting Clearing Member does not deliver Securities in time that provide for rights or are connected with rights that can be asserted within a specified period of time only, Eurex Clearing AG discloses its claim for delivery of these Securities to the Clearing Member to whom delivery has not been effected in due time in accordance with Number 2.2.2 Paragraph (1).

(b) Exchange Offers for Securities

If the defaulting Clearing Member does not deliver Securities in time that can be exchanged against other Securities or cash in the context of a corporate action or which are subject to an optional right in the context of a mandatory corporate action, and if the Clearing Member to whom delivery has not been effected in due time has suffered a damage as a result thereof and has evidenced such damage vis-a-vis Eurex Clearing AG within the statutory limitation period, Eurex Clearing AG may disclose its claim for delivery of these Securities to the Clearing Member to whom delivery has not been effected in due time in accordance with Number 2.2.2 Paragraph (1).

The disclosure may also be made if the claim has already been fulfilled.

(c) Cash Distributions on ETF shares

If the defaulting Clearing Member does not deliver ETF shares in time on which cash distributions are payable pursuant to Number 2.3 Paragraph (2)(a), and if the Clearing Member to whom delivery has not been effected in due time has suffered a damage as a result thereof and has evidenced such damage vis-a-vis Eurex Clearing AG within the statutory limitation period, Eurex Clearing AG may disclose its claim for delivery of these Securities to the Clearing Member to whom delivery has not been effected in due time in accordance with Number 2.2.2 Paragraph (1).

The disclosure may also be made if the claim has already been fulfilled.

such interest payments from the defaulting Clearing Member at the relevant due date and transfer such amount to the Clearing Member to whom delivery is due.

(6) Contractual Penalty

(a) Non-delivery of Shares

A Clearing Member is obliged to pay a contractual penalty to Eurex Clearing AG if it does not deliver Shares (i) for which the principal trading venue is in Germany at the latest on the delivery day within the 2nd SDS or (ii) for which the principal trading venue is in another member state of the European Union at the latest on the 1st Business Day after the delivery day within the 2nd SDS of the Settlement Location. This contractual penalty applies regardless of actual damages incurred by Eurex Clearing AG.

The amount of the daily contractual penalty is 0.2 basis points of the value of the non-delivered Shares. The defaulting Clearing Member is obliged to pay the contractual penalty for each day of non-delivery, regardless of whether the right to deliver is excluded pursuant to Paragraph (2)(a), up to and including the day on which the replacement pursuant to Paragraph (2) or the payment of the cash settlement amount as determined pursuant to Paragraph (3) occurs.

(b) Non-delivery of Other Securities

A Clearing Member is obliged to pay a contractual penalty to Eurex Clearing AG if it does not deliver Other Securities on which dividend or bonus payments are payable pursuant to Number 2.3 Paragraph (2)(a) or which provide for additional rights pursuant to Number 2.3 Paragraph (2)(b). This contractual penalty applies regardless of actual damages incurred by Eurex Clearing AG.

This Paragraph (6)(b) shall not apply to the delivery of Securities pursuant to Paragraph (4)(b) or the delivery of ETF shares pursuant to Paragraph (4)(c).

Eurex Clearing AG may waive the assertion of contractual penalties in the case of non-delivery of certain Securities. Eurex Clearing AG will inform the Clearing Members thereof by circular.

The amount of the contractual penalty is calculated using the following criteria:

- (aa) The number of Securities due on the delivery day is multiplied by the amount equal to 35.8% of the net dividend. The net dividend is calculated from the dividend due to the shareholder after deduction of payable taxes and duties.
- (bb) The calculation of the contractual penalty is made regardless of the delivery of the Securities by the defaulting Clearing Member or a replacement purchase by Eurex Clearing AG.
- (cc) The penalty is charged in the settlement currency of the Securities.

Eurex Clearing will only assert the contractual penalty if the calculation results in an amount in the relevant currency of at least EUR 5,000. When converting amounts into the settlement currency, Eurex Clearing AG will use a commercially reasonable exchange rate applicable at the relevant point in time.

(c) Consequence of Payment of the Penalty

As far as the Clearing Member obliged to deliver has paid to Eurex Clearing AG a contractual penalty, Eurex Clearing AG will not assert damages up to the amount of the penalty. The assertion of further damages by Eurex Clearing AG as well as the Clearing Member to whom delivery has not been effected in time remains unaffected.

2.2.2 Non-Delivery of Rights

If the Clearing Member does not deliver rights or rights resulting from Securities to be delivered, with the exception of partial rights pursuant to Number 2.2.3, in time on the delivery day, Eurex Clearing will, following the 2nd SDS or the corresponding settlement cycle of the Settlement Location on the last day of the subscription period, or, if this point in time occurs earlier, the 20th Business Day after the delivery day, take the following measures.

- (1) Eurex Clearing AG discloses its claim for transfer of the rights which have not been delivered in time by the defaulting Clearing Member to the Clearing Member to whom delivery is due to the extent that the number of rights to be delivered by the defaulting Clearing Member corresponds to the number of rights to be transferred by Eurex Clearing AG to the Clearing Member to whom delivery is due.
- (2) The disclosure pursuant to Paragraph (1) is made for the purpose to enable the defaulting Clearing Member to enter into an assumption of debt (section 414 of the German Civil Code) with the Clearing Member to whom delivery is due.

A valid assumption of debt in favour of Eurex Clearing AG presupposes that (i) both relevant Clearing Members agree on a certain number of rights that shall be delivered by the defaulting Clearing Member instead of Eurex Clearing AG to the Clearing Member to whom delivery is due and that (ii) the standardised agreement for the assumption of the delivery obligation ("Obligation Assumption Agreement") made available by Eurex Clearing AG has been signed by both Clearing Members and submitted to Eurex Clearing AG.

For the execution of such Obligation Assumption Agreement, Eurex Clearing AG authorises the Clearing Member to whom delivery is due to waive vis-à-vis the defaulting Clearing Member with debt-discharging effect its claim for the delivery of the rights in the number as agreed by both Clearing Members as well as all present and future secondary claims in connection therewith.

< Table of contents

Appendices >

- (3) Eurex Clearing AG will set a time period of 10 Business Days at maximum during which the Obligation Assumption Agreement must be signed. Both Clearing Members shall submit the signed Obligation Assumption Agreement to Eurex Clearing AG at the latest until 10 a.m. CET on the Business Day following the last day of such time period.
- (4) As soon as the signed Obligation Assumption Agreement has been received by Eurex Clearing AG, the obligation of Eurex Clearing AG to deliver the rights to the Clearing Member to whom delivery is due as well as all present or future secondary claims in connection therewith cease to exist with immediate debt-discharging effect in the number of rights to be transferred as agreed upon by both Clearing Members.
- (5) In the case that no Obligation Assumption Agreement between the respective Clearing Members has been submitted to Eurex Clearing AG within the time period pursuant to Paragraph (3), Eurex Clearing AG will determine a cash settlement with respect to the rights to be delivered by the defaulting Clearing Member in accordance with Number 2.2.1 Paragraph (3)(b) and (c) with the provision that the calculated value of the right at the time of the cash settlement shall replace the determined settlement price.

2.2.3 Non-Delivery of Partial Rights

If the Clearing Member does not deliver partial rights or partial rights resulting from Securities to be delivered in time on the delivery day, Eurex Clearing will, following the 2nd SDS or the corresponding settlement cycle of the Settlement Location on the last day of the subscription period, or, if this point in time occurs earlier, the 20th Business Day after the delivery day, determine a cash settlement in relation to the non-delivered partial rights.

The cash settlement amount is determined on the basis of the price set for the partial right by the Settlement Location on the day on which Eurex Clearing AG determines the cash settlement. Number 2.2.1 Paragraph (3)(b)(bb) and (cc) as well as Number 2.2.1 Paragraph (3)(c) apply accordingly.

2.2.4 Deviating Timing Provisions, Obligation to Tolerate, Costs

At the earliest from the 1st Business Day after the delivery date, Eurex Clearing AG may, its dutiful discretion and pursuant to Numbers 2.2.1 to 2.2.3, perform a replacement, a cash settlement or a disclosure if due to extraordinary risks Eurex Clearing AG believes that the collateral deposited with Eurex Clearing AG by the Clearing Member having the delivery obligation is no longer sufficient to secure its Transactions or if Eurex Clearing AG, due to other serious reasons, deems the performance of the aforementioned measures necessary.

Eurex Clearing AG may in addition deviate from the deadlines set forth in Number 2.2.1 to 2.2.3 if compliance with these deadlines would lead to the result that measures pursuant to Number 2.2.1 to 2.2.3 cannot be performed or if their performance would

cause disproportional effort or costs, or if such deviation is required by other deadlines or by obligations resulting from the Securities.

The measures pursuant to Number 2.2.1 to 2.2.4 shall be binding on the Clearing Member to whom delivery has not been made in due time.

The defaulting Clearing Member is obliged to bear the costs resulting from measures pursuant to Number 2.2.1 to 2.2.4.

2.3 Corporate Actions

(1) Where corporate actions pursuant to Paragraph (2) are carried out in respect of securities which relate to unperformed FWB Transactions, Eurex Clearing AG shall process these actions as follows on an individual basis when clearing such transactions with its Clearing Members: The value date of the requisite debits and credits on accounts of Clearing Members involved will be ascertained on the basis of the due days determined and announced by Clearstream Banking AG. In the absence of further agreements or rulings in particular in Paragraph (2), securities shall be transferred with the rights and duties which existed at the conclusion of the transaction.

(2) Type of corporate action:

(a) Dividend and bonus payments

If dividends, bonus payments or other cash distributions occur, Eurex Clearing AG shall collect them from the shares seller when they fall due and transfer them to the purchaser of the shares. These payments are posted to the RTGS Accounts or the euroSIC Accounts or the respective foreign currency accounts. All payments shall be rendered with due observance of the applicable tax legislation.

(b) Granting of additional rights

If subscription rights to shares or comparable rights are granted, the Clearing Member obliged to deliver on the grounds of as yet unperformed FWB Transactions shall be obliged to transfer these rights to Eurex Clearing AG subject to the cut-off date defined by Clearstream Banking AG. Eurex Clearing AG shall be entitled to arrange for the transfer of rights in the name of the Clearing Member concerned. Subsequently, Eurex Clearing AG shall credit on the above-mentioned cut-off date the Clearing Member, which has entitlement on the grounds of as yet unperformed FWB Transactions, with the rights transferred to it. This applies to fractional rights *mutatis mutandis*.

(c) Conversion offers

Shareholders may be made an offer to convert existing shares to new ones, shares of another stock corporation, other securities and/or cash settlement. If this is the case, Eurex Clearing AG shall, in regard of FWB Transactions which Clearing Members have not yet concluded with it, transfer the relevant existing shares to Clearing Members to receive deliveries. That transfer shall include the options still existing on the date of performance.

(d) Final maturity of fixed income securities

If, in case of yet unperformed FWB Transactions regarding fixed income securities, the final maturity of such securities is reached, Eurex Clearing AG will perform a cash settlement in lieu of the securities' delivery. The cash settlement is fixed by Eurex Clearing AG at the last settlement price determined for these securities plus the respective interest accrued.

(e) Other corporate actions

If a corporate action is carried out such as is not governed by the present provisions, Clearing Members obliged to deliver shall implement transfer of the securities or rights involved within the meaning of the instructions laid down by Eurex Clearing AG in line with the content of the said provisions. Eurex Clearing AG shall in turn transfer the securities and rights it is to deliver and which are affected by such a corporate action to the Clearing Members which are to receive delivery. Sentences 1 and 2 apply *mutatis mutandis* for cash payments which Clearing Members have to perform on the basis of corporate actions not governed by the above-mentioned provisions.

(3) Reversal of FWB Transactions

If an FWB Transaction is reversed after its conclusion pursuant to the Conditions for Transactions on FWB, the debits/credits, arising from corporate actions, to the accounts of Clearing Members concerned shall also be reversed with the value date of the FWB Transaction reversal.

(4) Corrections to corporate actions

Clearstream Banking AG may carry out corrections to corporate actions conducted by Eurex Clearing AG pursuant to Paragraph (2) or which should have been carried out, in regard of as yet unperformed or performed FWB Transactions (such corrections might be reversals, adjustments, etc.); in such cases of correction, Eurex Clearing AG shall be entitled to undertake corresponding corrections to corporate actions it has conducted pursuant to Paragraph (2) and to carry out any non-implemented corporate actions retroactively.

For the eventuality that corporate actions in regard of as yet unperformed or performed FWB Transactions were not carried out and afterwards corrected or implemented by the Clearstream Banking AG, Eurex Clearing AG shall reserve the right to waive the subsequent implementation of the corporate action in favour of assigning to the claimant Clearing Member its claims against other Clearing

If the netting procedure in delivery instructions of performed or yet unperformed FWB Transactions has resulted in the existence of nominal value fractions, Eurex Clearing AG shall be entitled to meet the corresponding claims of the Clearing Members eligible for benefit by means of cash settlement.

(5) Change of method of holding in custody

If, due to a corporate action on the part of an issuer, securities held in collective custody or ancillary rights need to be held on a trust-custody basis or in a different way (hereinafter referred to as “**change of method of holding in custody**”) Eurex Clearing AG is entitled according to its best judgement and by safeguarding of the interests of the respective Clearing Member to effectuate transactions to be performed by Eurex Clearing AG by using securities or ancillary rights subject to such a change of method of holding in custody.

For all deliveries not having been fulfilled yet, the amount of the securities to be deposited is determined by the difference between the price of the transaction and the daily settlement price of the Business Day.
- (2) The daily settlement price shall be determined by Eurex Clearing AG after close of trading and shall be communicated to the Clearing Members.

As soon as Eurex Clearing AG has informed the Clearing Member obliged to deliver about the intended implementation of an auction, the Clearing Member is no longer authorised to deliver the concerned securities to Eurex Clearing AG.
- (2) If the securities to be delivered are certified subscription rights, the procedure according to Paragraph (8) shall apply.
- (3) An auction within the meaning of Paragraph (1) shall take place on the 8th Business Day upon the defined delivery day. For each auction, Eurex Clearing AG shall publish a maximum price per security class up to which it is willing to accept offers. The maximum price results from the settlement price defined by Eurex Clearing AG for the respective security class plus a surcharge in the amount of 20%. Each company (“**seller**”) which has previously concluded a respective agreement with Eurex Clearing AG may participate in the auctions. If repurchase of the securities to be delivered was achieved through an auction, the delivery obligations of the Clearing Member obliged to deliver resulting from the original XIM Transaction shall expire with debt-discharging effect.
- (4) Eurex Clearing AG shall abstain from the measures according to Paragraph (1) and (3) if the concerned liability of the Clearing Member can be offset against an identical claim of this Clearing Member vis-à-vis Eurex Clearing AG. In this case, the Clearing Member obliged to deliver is still obliged to deliver the owed securities.
- (5) If an auction within the meaning of Paragraph (3) has been unsuccessful in whole or in part or has not been carried out due to Paragraph (4), Eurex Clearing AG may decide a cash settlement with regard to the securities owed from the non-fulfilled XIM Transaction from the 9th Business Day following the delivery day, so that the fulfilment obligations of the defaulting Clearing Member vis-à-vis Eurex Clearing AG from this non-fulfilled XIM Transaction expire with debt-discharging effect. Instead,

the defaulting Clearing Member is obliged to pay a cash settlement to Eurex Clearing AG.

The same shall apply in this case with regard to the securities of the same class owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members which have not been delivered by Eurex Clearing AG in due time, in an amount corresponding to the number of securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG which have not been delivered in time. In this case, the oldest delivery obligations by Eurex Clearing AG shall be considered first.

The amount of the cash settlement to be paid by the defaulting Clearing Member to Eurex Clearing AG shall be determined by way of comparison of the settlement price defined by Eurex Clearing AG for the respective security class as well as the highest sale price and the highest purchase price of the concerned XIM Transactions, plus a surcharge in the amount of 20%.

The highest price determined in this way shall be multiplied with the respective number of securities owed from the XIM Transaction and not delivered in due time. The resulting sum shall be netted with the respective final amounts of the concerned XIM Transactions and equals the amount to be paid by the defaulting Clearing Member to Eurex Clearing AG in the course of the cash settlement.

Eurex Clearing AG shall pay out this amount upon receipt to the other Clearing Member/s who have concluded transactions with Eurex Clearing AG according to Sentence 3 and 4.

If, after an auction within the meaning of Paragraph (3) has not been carried out due to Paragraph (4), a cash settlement is decided, Eurex Clearing AG shall arrange for deletion of the respective delivery instructions on the respective home market by determination of the cash settlement by Eurex Clearing AG. In turn, the Clearing Member obliged to deliver shall undertake to arrange for deletion of the respective delivery instructions on the respective home market. As soon as Eurex Clearing has informed the Clearing Member obliged to deliver about the intended determination of the cash settlement, the Clearing Member is no longer authorised to deliver the concerned securities to Eurex Clearing AG.

- (6) Eurex Clearing AG does not determine a cash settlement within the meaning of Paragraph (5) as long as the concerned liability of the Clearing Member can be offset against an identical claim of such Clearing Member vis-à-vis Eurex Clearing AG.
- (7) Eurex Clearing AG reserves the right to postpone the auction within the meaning of Paragraph (3) by one or more Business Days in case of a corporate action with regard to the concerned securities, or, in case of legitimate reason, to define another Business Day for implementation of an auction. In this case, the deadline applying to the cash settlement according to Paragraph (4) is postponed accordingly.

If further damage occurs to Eurex Clearing AG from the delivery, the Clearing Member is obliged to compensate such damage. Sentence 1 and 2 shall apply accordingly to the non-defaulting Clearing Member if, in the procedure according to Paragraph (5), the Clearing Member has arranged for transfer of securities after the claim for payment of a settlement amount has come into existence, by not arranging for deletion of the instruction given on the respective home market.

In accordance with ISE, Eurex Clearing AG determines and announces to the Clearing Members exclusively via electronic publication in the internet, available on the internet pages of Eurex Clearing AG (www.eurexclearing.com), which shares and rights shall be included in the Clearing pursuant to Sentence 1.

In accordance with ISE, Eurex Clearing AG determines which shares and rights shall no longer be included in the Clearing pursuant to Sentences 1 and 2 and announces the respective shares and rights and the respective point in time to the ISE in written form and to the Clearing Members exclusively via electronic publication in the internet, available on the internet pages of Eurex Clearing AG (www.eurexclearing.com). From this point in time, the provisions pursuant to Number 1.1.4 Paragraph (1) and (2) of this Chapter do no longer apply. ISE will either suspend the shares and rights determined in accordance with Eurex Clearing AG from trading as of the date announced by Eurex Clearing AG pursuant to Sentence 3 or notify its trading participants that the provisions pursuant to Number 1.1.4 Paragraph (1) and (2) for these shares and rights do no longer apply for the trading of shares and rights as of the point in time named by Eurex Clearing AG. From the point in time specified in Sentence 3, transactions at ISE in shares and rights pursuant to Sentence 3 only come into effect bilaterally between the trading participants of ISE.

- (2) If and to the extent that the Clearing of ISE Transactions has been agreed upon between Eurex Clearing AG and ISE, and to the extent that the following rules do not provide otherwise, the provisions set forth in Chapter I – with the exemption of Chapter I Part 1 Number 1.3.1 Paragraph (1) (c) (“**Net Processing**”) – shall also apply to the Clearing of ISE Transactions.
- (3) ISE Transactions and the rights and obligations resulting therefrom in the form of deliveries and payments with respect to the fulfilment of such ISE Transactions are subject to Irish law. The rights and obligations resulting from the clearing of ISE Transactions by Eurex Clearing AG or in connection with the clearing of ISE Transactions, in particular due to default or in connection with the settlement netting regulated in the Clearing-Conditions or with the provision of collateral, are subject to the law of the Republic of Germany. 1.1 Clearing Licenses

1.1.1 Granting of Clearing Licenses

A Clearing License is required in order to participate in the Clearing of ISE Transactions, and Eurex Clearing AG shall grant such Clearing License upon written application.

1.1.2 Prerequisites for Clearing Licenses

- (1) With regard to the prerequisites to be fulfilled within the scope of granting the Clearing License, Chapter I Part 1 Numbers 2.1.1 to 2.1.3 apply.
- (2) A Clearing License requires liable equity of the applying institute in an amount to be determined by Eurex Clearing AG. For institutions not subject to the scope of application of the German Banking Act, own funds must be equivalent to the liable equity capital.
- (3) The applicant shall meet the following additional requirements:
 - (a) The use of appropriate technical equipment (back-office facilities) to ensure the orderly recording, booking and supervision of all transactions, as well as the provision of margin and the calculation of margin requirement with respect to the customers pursuant to the minimum requirements of Eurex Clearing AG (clearing obligations). For this purpose, it is necessary that the applicant has access to both the EDP systems of CRESTCo Ltd ("**CREST**") and the systems of Eurex Clearing AG. The technical access to the system of Eurex Clearing AG is carried out under inclusion of the respectively valid version of the General Terms of Use for the network of Eurex Clearing AG or the Connection Agreement.
 - (b) Evidence of status as "**Clearing Member Undertaking**" admitted at CREST or status as "**Sponsored Clearing Member Undertaking**" pursuant to the respective contractual provisions of CREST valid at that time.
 - (c) Evidence of status as CREST settlement member admitted at CREST (including securities account and respective cash account at CREST) or evidence that a third company already admitted at CREST as CREST settlement member (including securities account and respective cash account at CREST) acts as CREST settlement agent on behalf of the applicant pursuant to the provisions of the current regulations of CREST. In the latter case, the applicant has to name in written form to Eurex Clearing AG such third company acting on behalf of the applicant as its CREST settlement agent.
 - (d) Evidence of status as an ISE member firm as defined in the ISE rules (at least Clearing Only Member Firm) or of status as member firm shall be provided.

- (f) Chapter I Part 1 Number 1.4.2 Paragraph (2) and Number 1.3.1 Paragraph (1) (b) – (e) (Gross Delivery Management) shall not apply to ISE Transactions.

1.1.3 Termination of the Clearing License

1.1.4 Conclusion of Transactions

- (1) At the Irish Stock Exchange, the only parties to ISE Transactions are Eurex Clearing AG and a Clearing Member. Eurex Clearing AG makes an open offer to Clearing Members and shall enter into a central counterparty contract when two orders in securities subject to Clearing under this Chapter VI are matched electronically on the ISE trading system. Such matching constitutes the acceptance of the open offer by each of the trading participants at the Irish Stock Exchange which have entered the orders that have been matched and a central counterparty contract shall immediately arise between Eurex Clearing AG and the Clearing Member in question. Where an order which has been matched electronically on the ISE trading system has been entered by a Non-Clearing Member, the open offer shall be accepted by that Non-Clearing Member as agent for the General Clearing Member which provides clearing services for that Non-Clearing Member. The General Clearing Member shall be bound by the terms of such a transaction, irrespective of anything contained in any agreement or arrangement between the General Clearing Member and the Non-Clearing Member. All transactions for the sale and purchase of securities between Eurex Clearing AG and Clearing Members and all matters concerning the formation and validity of such transactions shall be governed by and construed in accordance with the law of the Republic of Ireland.

- (2) With matching of orders resulting in the conclusion of an ISE Transaction, a transaction shall be effected between Eurex Clearing AG and a trading participant at the Irish Stock Exchange pursuant to the law of the Republic of Ireland to the extent that such trading participant is authorised to engage in clearing activities (“**Clearing Member**”), and an equivalent transaction shall be effected pursuant to the law of the Republic of Ireland between Eurex Clearing AG and another Clearing Member. No ISE Transaction shall be capable of being entered into between two or more Clearing Members. Each transaction with Eurex Clearing AG is a separate transaction the performance of which is not contingent on the obligations of the parties under any connected transaction becoming discharged.

If, in case of Sentence 1, a trading participant at the Irish Stock Exchange is not authorised to engage in clearing activities (Non-Clearing Member) itself, transactions at the ISE can only be effected via the Clearing Member through which the Non-Clearing Member settles its ISE Transactions. If an order entered into the ISE system by a Non-Clearing Member is matched with another order, a transaction between the Non-Clearing Member and the Clearing Member and an equivalent transaction between the Clearing Member and Eurex Clearing AG pursuant to the law of the Republic of Ireland shall simultaneously take place.

- (3) If an ISE Transaction is deleted or cancelled by the ISE according to the trading conditions of ISE, the cancellation of such ISE Transaction is carried out by ISE by entering a contra-trade in the amount of the price of the respective ISE Transaction into the electronic system of ISE. Following any such contra-trade the obligations as between any Clearing Member to which the contra-trade relates and Eurex Clearing AG shall be automatically amended to reflect the contra-trade. Each Clearing Member entitles Eurex Clearing AG to authorise CREST on its behalf and on behalf of the entitled Clearing Members with the settlement of contra-trades. The Clearing Members are obliged to confirm the contra-trades authorised by Eurex Clearing AG in the system of CREST pursuant to Sentence 2 at the same day (Matching). Eurex Clearing AG and the relevant Clearing Members are obliged to immediately delete the ISE Transactions to be cancelled pursuant to Sentence 1 in the system of CREST. Any debits booked on the accounts of Eurex Clearing AG or the relevant Clearing Members shall immediately be cancelled in the system of CREST. Any debits or credits booked on the accounts of Eurex Clearing AG or the relevant Clearing Members shall be cancelled accordingly. In this case, the relevant Clearing Members are obliged, after respective notification, to confirm respectively to enter or to delete the orders entered or cancelled in the system of CREST by Eurex Clearing AG.
- (4) Eurex Clearing AG may at any time void any Transaction concluded with a Clearing Member (in this Paragraph (4), the “**Affected Clearing Member**”), send instructions to CREST voiding any transaction with the Affected Clearing Member or take measures in the Republic of Ireland if:

- (a) the transfer contemplated by the transaction is prohibited by an Order of the High Court of Ireland or by or under any law having effect in the Republic of Ireland; or
- (b) the relevant issuer has actual notice that the transfer contemplated by the transaction is avoided by or under any law having effect in Ireland; or
- (c) the relevant transfer contemplated by the transaction has as the transferee a deceased person; or
- (d) the equivalent transaction under Paragraph (2) is subject to any of Paragraph (4) a) to c) above.

In case Eurex Clearing AG voids an ISE Transaction pursuant to this Paragraph 4, Eurex Clearing AG shall close all positions (*Glattstellung*) in respect of any Clearing Member, whose ISE Transactions are affected by such voidness. The Affected Clearing Member shall bear all costs of such closing of transactions.

- (5) Neither Clearing Members nor Non-Clearing Members nor any third person may procure any other person acting on such person's behalf (i.e. any agent, affiliate, contractor, liquidator, administrator, administrative receiver or trustee in bankruptcy of any such person but excluding CREST and Eurex Clearing AG) to seek a Court Order to take any other step in respect of the register of securities by an issuer or registrar, whether to prevent the registration of any transferee of securities or otherwise.

Eurex Clearing AG is liable pursuant to the provisions of Chapter I Part 1 Number 14.1.2 Furthermore, the Clearing Member has to release and indemnify Eurex Clearing AG from all requirements and claims of third parties – in particular of ISE, CREST or the Settlement Bank – to the extent such requirements and claims are directly or indirectly opposed to Eurex Clearing AG in its capacity as CREST Central Sponsor or as CCP Participant and to the extent they affect an obligation of the Clearing Member having been culpably violated by it and if no Eurex Clearing AG has not acted in an culpable way. Eurex Clearing AG shall immediately notify the Clearing Member of such imminent requirement respectively such claim and will provide the Clearing Member with all information it needs in order to take over the legal defense, if it intends to do so. A dispute of the settlement, provided it is not based on a judgment, needs consent of Eurex Clearing AG.

1.3.2 Rights and Obligations of the Clearing Member of Eurex Clearing AG

- (1) Clearing Members are obliged to conclude a Clearing Agreement with Non-Clearing Members who meet the other prerequisites for admission to trading at ISE.
- (2) Each Clearing Member is obliged to effect any payment and delivery arising out of all Transactions entered into according to the Clearing Agreement by any of the Non-Clearing Members who make their settlements through the Clearing Member.
- (3) If a Non-Clearing Member fails to effect security or daily settlement payment determined by its Clearing Member pursuant to Number 2.1.3, ISE may, upon written request of the Clearing Member vis-à-vis ISE, exclude the Non-Clearing Member from trading at ISE or restrict such Non-Clearing Member to the trading of such securities and rights the clearing of which is not executed by Eurex Clearing AG for the period of the default. Eurex Clearing AG has to be notified by both the Clearing Member and the ISE as soon as such request has been made.

Upon a decision of ISE pursuant to Sentence 1 or in case a Non-Clearing Member ignores a decision of ISE with regard to Sentence 1 and still trades the securities cleared by Eurex Clearing AG and which it has been excluded from, the provisions pursuant to Number 1.1.4 Paragraph (1) and (2) and Chapter I Part 1 Number 1.2.2 Paragraph (1) regarding order and quotes entered into the ISE system by Non-Clearing Members do no longer apply.

- (4) If a Clearing Member fails to effect any payments or deliveries due to Eurex Clearing AG, ISE may, upon application by Eurex Clearing AG, exclude the Clearing Members in its capacity as trading participant admitted at ISE (Clearing Only Member Firm or Member Firm) and its affiliated Non-Clearing Members from trading at ISE or restrict them to the trading of such securities and rights the clearing of which is not executed by Eurex Clearing AG.

Upon a decision of ISE pursuant to Sentence 1, the provisions pursuant to Number 1.1.4 Paragraph (1) and (2) and Chapter I Part 1 Number 1.2.2 Paragraph (1) regarding order and quotes entered into the ISE system by Non-Clearing Members and its affiliated Non-Clearing Members do no longer apply.

Eurex Clearing AG is not liable for any loss resulting for a Non-Clearing Member in case of an exclusion of trading of its Clearing Member at ISE or restriction to trading of its Clearing Member in such securities and rights the clearing of which is not executed by Eurex Clearing AG or for making or failing to make any notification made to the ISE in accordance with this Paragraph (4).

- (5) Provided it is informed, Eurex Clearing AG notifies the Clearing Member about measures vis-à-vis one of its Non-Clearing Members, provided that such measures may affect the risk assessment of the Non-Clearing Member.

encumbrance or proprietary interest of any kind. With respect to Non-Clearing Members vis-à-vis its respective Clearing Members Sentence 1 applies *mutatis mutandis*.

- (7) Each Clearing Member and Non-Clearing Member acknowledges and agrees that settlement of Transactions shall take place in accordance with and subject to provisions of the Crest Rules, the Crest Manual and the terms and conditions applying to Crest Members.
- (8) Each Clearing Member and Non-Clearing Member recognises and agrees that the services provided by Eurex Clearing AG under this Chapter VI is a 'system' as designated pursuant to the Settlement Finality Directive (Directive 98/26/EC) as implemented in Germany (the "SFD") and is a system governed by German law, notwithstanding that the contracts between the General Clearing Member and Eurex Clearing AG concluded pursuant to Number 1.1.4 Paragraph (1) and (2) are governed by the law of the Republic of Ireland. A 'transfer order' within the meaning of the SFD shall be deemed to enter into the system and made irrevocable from the moment when the orders in respect of securities subject to clearing under this Chapter VI are matched and a resultant electronic instruction issued from the trading platform of the Irish Stock Exchange is received by the system.

1.3.3 Termination of Clearing Agreement

- (1) Eurex Clearing AG may terminate any Clearing Agreement in accordance with Chapter I Part 1 Number 13.

If Eurex Clearing AG has terminated a Clearing Agreement, the Non-Clearing Member concerned may not enter new orders or quotes, must cancel all outstanding orders and quotes and must close all existing ISE Transactions or transfer such ISE Transactions to another Clearing Member. The Clearing Member has to fulfil the obligations under any remaining ISE Transactions of such Non-Clearing Member.

- (2) A Clearing Member may terminate a Clearing Agreement at any time by not giving less than 30 calendar days' prior notice. Upon expiration of such notice period, the Non-Clearing Member has to delete all existing orders and settle or transfer to another Clearing Member all existing ISE Transactions; such Non-Clearing Member may thereafter enter no new orders or quotes that would be cleared through the terminating Clearing Member. Paragraph 1 Sentence 2 shall apply *mutatis mutandis*.
- (3) A Non-Clearing Member may terminate a Clearing Agreement at any time by not giving less than 30 calendar days' prior notice, provided that it has closed or transferred all open ISE positions, cancelled all orders and quotes and fulfilled all obligations to the Clearing Member concerned and Eurex Clearing AG.

Part 2 Clearing of transactions concluded at the Irish Stock Exchange (ISE)

2.1 Settlement of ISE Transactions

2.1.1 General Provisions

- (1) Eurex Clearing AG shall be a contracting party for all deliveries and payments at the performance of ISE Transactions.
- (2) Clearing Members must fulfil their delivery and payment obligations in accordance with the instructions of Eurex Clearing AG.
- (3) The following shall apply to the procedures for delivery and payment pursuant to Paragraph 1:

All physical deliveries and payments shall be concurrently performed between the Clearing Members and Eurex Clearing AG and, accordingly, between Eurex Clearing AG and the Clearing Members which are to receive delivery, on the settlement day (delivery versus payment). Physical deliveries of securities are to be made through the securities account at CREST of Eurex Clearing AG, and the payment is to occur via the respective cash settlement account.

- (4) Transfer of ownership of the securities to be delivered to the Clearing Members and Eurex Clearing AG shall be effected in accordance with the requirement of CREST and the Irish regulations. Under the Irish regulations upon generation of the **Register Update Request** as prescribed by the CREST manual, a transferee acquires an equitable interest in the appropriate Number of the securities underlying the relevant ISE Transaction. This equitable interest is superseded by the superior title obtained upon registration by the issuer (or his registrar). The issuer may in certain limited circumstances refuse to register a transfer of title in which case the rules of CREST relating to bad deliveries defined in the CREST manual shall apply.
- (5) If a transfer of ownership of securities to the transferee in the Share Register in order to fulfil ISE Transactions within the meaning of Paragraph 4 cannot be carried out due to acts or omissions of the Clearing Member or the issuer of the securities to be transferred, and if the bad delivery-Rules pursuant to the CREST Manual apply, Eurex Clearing AG may close all positions with regard to Clearing Members who have not fulfilled their ISE Transactions.
- (6) All Clearing Members shall ensure their ability to pay and deliver by holding adequate stock in the securities account at CREST and credit at the respective cash accounts.
- (7) References in this Chapter VI to the Irish Regulations means the Companies Act, 1990 (Uncertified Securities) Regulations 1996, as amended, supplemented or substituted from time to time.

2.1.2 Settlement Netting

With respect to ISE Transactions to be settled Eurex Clearing AG facilitates settlement netting, as provided by the CRESTCo Ltd. ("CREST") facilities and described in the CREST Manual.

Crest provides on behalf of Eurex Clearing AG netting procedures in order to enable or facilitate, at the election of a Clearing Member of Eurex Clearing AG (and the sanction of such an election) made in accordance with such procedures, the termination of certain gross ISE Transactions attributable to that Clearing Member and their replacement upon taking a settlement netting account by a single net transaction. Where the CREST Manual refers to the "netting rules" it should be read in conjunction with the Clearing Conditions.

2.1.3 Daily Assessment

- (1) For each delivery of securities and rights not yet performed, profits and losses will be determined on the Business Day concerned and compared with the Margin actually delivered. For all as yet unperformed deliveries, the amount of collateral to be deposited shall be calculated as the difference between the price of the concluded transaction and the daily settlement price for such Business Day.
- (2) The daily settlement price shall be determined by Eurex Clearing AG at its sole discretion.

2.1.4 Margin Requirements

The basic provisions for margin requirements for ISE Transactions are set forth in Chapter I Part 1 Number 3 together with Part 2 Number 6 or Part 3 Number 5.

2.1.5 Failure to Deliver

In case of a failure to deliver at delivery date securities owed from an ISE Transaction, the provisions set forth in Number 2.1.5.1 shall apply to shares covered by Article 15 of Regulation (EU) No. 236/2012 as well as to Exchange Traded Funds (ETFs); for other securities, the provisions set forth in Number 2.1.5.2 shall apply.

2.1.5.1 Failure to Deliver Shares pursuant to Article 15 of Regulation (EU) No. 236/2012 and ETFs

- (1) In case of a failure to deliver shares owed from ISE Transactions covered by Article 15 of Regulation (EU) No. 236/2012 as well as ETFs, the provisions set forth in Chapter V Number 2.2 shall apply.
- (2) All Clearing Members affected by a cash settlement pursuant to Chapter V Number 2.2.1 Paragraph (3) are obligated to cancel in the electronic system CREST the instructions corresponding to their respective transfer and acceptance obligations.

- (3) If the shares to be delivered are replaced or a cash settlement is determined, the defaulting Clearing Member has to cancel in the electronic system CREST the delivery instruction which the original ISE Transaction was based upon.

2.1.5.2 Failure to Deliver other Securities except Shares pursuant to Article 15 of Regulation (EU) No 236/2012 and ETFs

- (1) If the Clearing Member fails to deliver the owed securities or part thereof to Eurex Clearing AG, Eurex Clearing AG shall have the rights pursuant to Paragraph (1) to (7):
- (a) Eurex Clearing AG shall be authorised, for account of the Clearing Member, to carry out a replacement purchase with securities of the same class on the 15th, 18th, 20th and 37th Business Day after the default and in further periods of respectively ten Business Days.

The replacement purchase shall be carried out by means of an auction whose place and implementation may be determined by Eurex Clearing AG under consideration of the interests of the Clearing Member.

For each auction, Eurex Clearing AG shall publish a maximum price for each class of securities, which shall constitute the ceiling for bids. The maximum price for such auction shall be the settlement price determined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% of such settlement price.

Any company ("**Vendor**") who has concluded a contract with Eurex Clearing AG beforehand may take part in the auctions.

- (b) If a replacement purchase with the owed securities during an auction is only partly possible or not possible at all, Eurex Clearing AG shall
- for shares with a GB ISIN on the 21st Business Days upon occurrence of default
 - for shares with an IE ISIN between the 30th and 37th, the 40th and 47th and the 50th and 57th Business Days upon occurrence of the default as well as within other time

be authorised to determine that the obligation pursuant to Paragraph (1) Sentence 1 is replaced by an obligation to pay a claim for compensation to Eurex Clearing AG through novation (cash settlement).

The same applies accordingly with regard to securities of the same nature owed by Eurex Clearing AG vis-à-vis one or several other Clearing Members – such securities not having been delivered in time – to the extent corresponding the lot size of the securities owed by the defaulting Clearing Member vis-à-vis Eurex Clearing AG and not having been delivered in time. If Eurex Clearing AG is in default with more than one delivery obligation, Eurex Clearing AG shall choose

	Eurex04

Chapter VI, Part 2	

the delivery obligation longest due at first. If there is more than one delivery obligation longest due, Eurex Clearing AG shall implement the securities transfer upon its own dutiful discretion.

The level of the cash settlement shall be determined by a comparison between the settlement price as defined by Eurex Clearing AG for the corresponding class of securities plus an additional charge of 100% and the highest selling price as well as the highest purchase price of the relevant ISE Transactions. The highest price determined in this way shall be multiplied with the respective number of the owed securities. The resultant sum shall be settled against the respective final amounts of the relevant ISE Transactions. The determination of a cash settlement shall be carried out by declaration vis-à-vis the Clearing Member.

Eurex Clearing AG shall pay out this amount to one or the other Clearing Member(s) who have made ISE Transactions with Eurex Clearing AG according to Sentence 3.

- (c) An implementation of a cash settlement pursuant to Paragraph (1)(b) requires that three repurchase attempts through one auction respectively have been made pursuant to Paragraph (1)(a) in the respective type of securities by Eurex Clearing AG.

Paragraph (1) b) shall apply accordingly if Eurex Clearing AG abstains from a replacement purchase for due reason, in particular in case of a claim of the Clearing Member on assignment of securities of the same class.

- (d) All Clearing Members concerned by a cash settlement shall be obliged to delete the instructions corresponding to the respective assignment and receipt obligations in the electronic system of CREST.
- (e) Eurex Clearing AG shall at any time be authorised to postpone an auction by one or more Business Days, in particular in case of a corporate action concerning the owed securities.

- (2) If the Clearing Member fails to deliver in due time the rights (e.g. subscription rights) owed as a result of an ISE Transaction (e.g. subscription rights) owed on the delivery day in line with the instructions of Eurex Clearing AG (the “**unperformed ISE Transaction**”), Eurex Clearing AG will carry out the following measures on the last day of the subscription period of the respective right in the system of CREST:

- (a) Determination of a cash settlement (Cash Settlement) regarding the rights which have not been delivered in due time by the defaulting Clearing Members with the legal result that the fulfilment obligation of the defaulting Clearing Member and Eurex Clearing AG from this transaction expires with discharging effect. Instead, the defaulting Clearing Member is obliged to pay a cash settlement determined by Eurex Clearing AG to Eurex Clearing AG.

	Eurex04

Chapter VI, Part 2	

< Table of contents

Appendices >

The same applies with regard to similar rights owed by Eurex Clearing AG vis-à-vis the defaulting Clearing Member or vis-à-vis one or more other Clearing Members to the extent corresponding to the number of securities owed from the unperformed ISE Transaction which have not been delivered to Eurex Clearing AG by the defaulting Clearing Member. In this case, both the defaulting Clearing Member and the Clearing Member(s) specified in Sentence 3 are obliged to cancel the instructions underlying the respective delivery and subscription obligations in the system of CREST. Number 2.1.5 Paragraph (8) does not apply.

- (b) The amount of the cash compensation to be paid by the defaulting Clearing Member to Eurex Clearing AG shall be determined by comparison between the calculated value of the right to be delivered at the point in time of the cash settlement plus an additional charge in the amount of 100% and the highest sale price and purchase price in the relevant ISE Transactions or deliveries.

The price calculated in this way is multiplied with the respective lot size of the Rights which have not been delivered in due time to Eurex Clearing AG; the resulting sum adds up to the amount to be paid by the defaulting Clearing Member in the course of the cash compensation.

Upon receipt, Eurex Clearing AG will distribute this amount to one or the Clearing Member(s) who have entered into ISE Transactions with Eurex Clearing AG pursuant to Paragraph (2) (a) Sentence 3.

- (3) Eurex Clearing AG may at the earliest on the first Business Day after the delivery day at its own dutiful discretion or pursuant to Paragraph (1) carry out a cash settlement for securities which have not been delivered in due time and, at its own dutiful discretion or pursuant to Paragraph 2, for rights which have not been delivered in due time, if, in its judgement, the securities deposited at Eurex Clearing AG by the Clearing Member obliged to deliver for its transactions do not suffice for the collateralisation of such transactions or if, due to other severe reasons, it regards necessary a replacement with the securities which have not been delivered respectively with the rights not having been delivered and being connected with or resulting from these or other securities.
- (4) Measures set forth in Paragraph (1), (2) and (3) shall be binding on and accepted by the Clearing Member which did not receive delivery in time.

Where Eurex Clearing AG has commenced a replacement purchase of the owed securities pursuant to Paragraph (1) or (3) by means of an auction, the Clearing member obliged to deliver shall not be authorised to deliver the securities it owes to Eurex Clearing AG on the day of the auction. If the securities to be delivered have been replaced at an auction, the delivery obligations of the Clearing Member in default deriving from the original ISE Transaction shall expire with discharging effect.

To the extent Eurex Clearing AG has made a cash settlement of Rights which have not been delivered in due time by the defaulting Clearing Member pursuant to

< Table of contents

Appendices >

Paragraph (2) or (3), the Clearing Member obliged to deliver is not entitled to deliver the owed Rights to Eurex Clearing AG as of the day on which the cash settlement was carried out. In such case, the defaulting Clearing Member is also obliged to delete the delivery instructions underlying the unperformed ISE Transaction in the electronic system of CREST.

- (5) Eurex Clearing AG may deviate from the deadlines defined in Paragraph (1) and (2) if adherence to those deadlines would lead to the measures described in Paragraph (1) or (2) not replacing the securities or rights in question, or replacing them only with a disproportionate expense of time or money, or if other deadlines or obligations resulting from the securities or rights would justify such deviation.
- (6) The defaulting Clearing Member shall bear the costs arising from measures within the meaning of Paragraph (1) to (3). Eurex Clearing AG shall levy upon each defaulting Clearing Member a fee of EUR 250 for each auction held pursuant to Paragraph (1) in one security class and a fee pursuant to Chapter V Number 2.2.1 Paragraph (3)(e) for each cash settlement carried out pursuant to Paragraph (1)(b) or Paragraph (2)(a).

2.1.6 Corporate Actions

- (1) Where corporate actions arise in respect of securities which relate to unsettled ISE Transactions, Clearing members (or their settlement agents) will exercise and settle corporate actions in CREST, provided that the corporate action is capable of exercise and settlement through CREST and unless otherwise stated below or notified from time to time.
- (2) Any claim for a distribution in respect of an unsettled ISE Transaction may only be made and settled in accordance with the relevant CREST facilities.
- (3) Notwithstanding Paragraph (1),
 - (a) a corporate action is to be exercised and settled by a Clearing Member (or his CREST settlement agent) in accordance with the election rights pertaining to such corporate action. Eurex Clearing AG will accept instructions from buying Clearing Members – provided in electronic form by means of the CREST Manual and which are made before the buyer instruction deadline set by the CREST Manual for the acceptance of such instructions within the CREST system. The election right is only to be exercised in electronic form through CREST. The exercise of an election right which does not comply with the aforementioned provisions is null and void;
 - (b) If a Clearing Member does not provide instructions in relation to a elective corporate action through CREST, as set out in Paragraph (3) (a) above, then Eurex Clearing AG shall be entitled to allow the corporate action to default to the “default option” as input by CREST. Eurex Clearing AG shall have no liability of any kind to the Clearing Member or any third party in respect thereto;

- (c) for dividend payments with an election right (**scrip dividends**), the election right is excluded;
 - (d) instructions of buying Clearing Members are allocated to selling Clearing Members' ISE Transactions automatically by the CREST system (**automatic allocation engine**). The selling Clearing Members are bound to accept such instructions once allocated by CREST (and as though they were received from Eurex Clearing AG) and neither party has the right to veto such instructions;
 - (e) ISE Transactions may be divided into several single transactions in certain cases and a selling Clearing Member should note that it may receive one instruction and option for each split settlement;
 - (f) Clearing Members (or their CREST Settlement Agents) are not permitted to opt out of a transformation (skip the transformation) in relation to any ISE Transactions in CREST. All original securities that were subject of an ISE Transaction shall, on a transformation arising out of a corporate action, be replaced by the **new securities** as they exist after transformation. Following an election being made in an elective corporate action, the selling Clearing Member may only deliver the original securities providing that the delivery is carried out prior to the last time for delivery in the CREST system pursuant to the provisions of the CREST manual; thereafter the selling Clearing Member must deliver the new securities;
 - (g) In the event that an ISE Transaction involving securities on which a transformation is taking place, remains unmatched in CREST for ten Business Days after the expiry date for those securities, it will be deleted in the CREST system. Eurex Clearing AG will manually re-enter the particulars of the unmatched ISE Transaction to include particulars of the new securities in which case the Clearing Members must immediately input matching instructions to match with those new particulars.
- (4) Eurex Clearing AG facilitates the exercise and settlement of corporate actions for its Clearing Members if a delivery obligation arising out of a corporate action cannot be settled in the CREST system. In such case, Eurex Clearing AG shall notify the respective Clearing Members that the settlement of the relevant corporate action will be effected through Eurex Clearing AG in accordance with such instructions as it shall give from time to time. The respective Clearing Members are obliged to follow the instructions of Eurex Clearing AG given for the settlement of the corporate action.
- (5) If a corporate action which is exercised and settled by CREST or settled through Eurex Clearing AG is not regulated by the aforementioned provisions, the Clearing Members obliged to deliver have to transfer the relevant securities pursuant to the instructions contained in the provisions set forth by Eurex Clearing AG. Eurex Clearing AG will transfer the securities to be delivered by it which are affected by the corporate action to the Clearing Members to whom delivery is to be made accordingly. Sentence 1 and 2 apply *mutatis mutandis* regarding cash payments

which are to be made by Clearing Members because of corporate actions not being regulated in the aforementioned provisions.

- (6) For the eventuality that an obligation arising out of a corporate action in regard of as yet settled or non settled ISE Transactions was not fulfilled by the responsible Clearing Member and the relevant corporate action was not carried out, Eurex Clearing AG shall reserve the right to waive the subsequent implementation of the corporate action by assigning its claim against the Clearing Member in favour to the other arising out of corresponding identical ISE Transactions entitled Clearing Members with debt-discharging effect.

2.1.7 Partial Delivery, Fulfillment of ISE Transactions

- (1) Clearing Members who are obliged vis-à-vis Eurex Clearing AG from several ISE Transactions to similar payments, are not entitled to name a specific ISE Transaction which has to be fulfilled with the respective correspondent payment of the Clearing Member in case the payment by Eurex Clearing AG does not suffice for fulfillment of all owed payments of Eurex Clearing AG.
- (2) In case a Clearing Member is obliged to effect similar payments from several ISE Transactions vis-à-vis Eurex Clearing AG and if the respective correspondent payments are only effected in part by such Clearing Member, due to a partly delivery of Eurex Clearing AG to the Clearing Member pursuant to Paragraph 1, the identical ISE Transactions to be fulfilled will be fulfilled on a pro-rata basis by the Clearing Member's partial payments. In case of a partial delivery of securities by a Clearing Member resulting from identical ISE Transactions, the following applies with respect to the determination of the ISE Transactions partly fulfilled by the delivery:
 - (a) Each buy- and purchase transaction is fulfilled by the Clearing Member on a pro-rata basis according to the ratio of partly delivered securities to the securities originally to be delivered in net; within the scope of assignment, the ratio is always rounded down to the next smaller whole number per Security Delivery.
 - (b) The Security Deliveries remaining after the rounding pursuant to Paragraph (2) (a) will afterwards be assigned – in chronological order of their conclusion – to the Security Deliveries remaining after the assignment pursuant to Paragraph (2) (a); Security Deliveries which have not been assigned in this way, have not been fulfilled by the Clearing Member yet.
- (3) ISE Transactions are fulfilled according the outcome pursuant to Paragraph (2) in whole or in part by the Clearing Member.

Part 1 General Provisions

- (1) Eurex Clearing AG shall carry out the settlement and clearing of transactions concluded at EEX and of OTC Transactions entered into the system of EEX (together "**EEX Transactions**"). Clearing services for transactions concluded at EEX shall be carried out in cooperation with the European Commodity Clearing AG ("**ECC**") as Link Clearing House on the basis of a separate Clearing Link Agreement.

In consultation with EEX and ECC, Eurex Clearing AG shall determine which EEX Transactions will be included in the clearing and shall publish them exclusively via electronic publication in the internet, available on the internet pages of Eurex Clearing AG (www.eurexclearing.com).

- (2) Provided that transactions concluded at EEX are included in the clearing by Eurex Clearing AG, the provisions of Chapter I shall also apply to the clearing of EEX Transactions, unless provided otherwise.
- (3) Time specifications in this Chapter VII refer to the time zone valid for the offices of ECC.

1.1 Clearing Licenses

1.1.1 Granting of Clearing Licenses

A Clearing License is required in order to participate in the Clearing of EEX Transactions ("**EEX Clearing License**"); Eurex Clearing AG shall grant such Clearing License upon written application.

1.1.2 Prerequisites for Clearing Licenses

- (1) With regard to the prerequisites to be fulfilled within the scope of the granting of an EEX Clearing License, Chapter I Part 1 Numbers 2.1.1 to 2.1.3 apply. The prerequisites pursuant to Chapter I Part 1 Number 2.1.2 Paragraph (4) (a) (aa), Paragraph (5) (c), (e) and (f) whose fulfilment cannot be proven, shall be exempted.
- (2) The applicant shall meet the following additional requirements:
 - (a) Evidence of a RTGS account and, upon participation in the Clearing of futures contracts on coal pursuant to Part 2 Number 2.10, evidence for an account to perform cash payments in US Dollars shall be provided.
 - (b) Provision of at least one sufficiently qualified staff member for orderly conduct of the clearing obligations in the back office. At least one sufficiently qualified staff member shall be available via telephone, e-mail and telefax at any time during the Business Day.

Appendices >

- (3) Upon written application and submission of relevant evidence, Eurex Clearing AG may allow the applicant or a Clearing Member the prerequisites for granting a Clearing License pursuant to Paragraph (2) (a) and (b) to be fulfilled and proved by one or several correspondent banks recognised by Eurex Clearing AG on behalf of and for the applicant or the Clearing Member. Chapter I Part 1 Number 2.1.2 Paragraph (7) and (8) apply *mutatis mutandis*.

1.2 Margin Requirement

- (1) With regard to the obligation to provide Margin, the following provisions apply in deviation from Chapter I Part 1 Number 3 together with Part 2 Number 6, Part 3 Subpart A Number 5, Subpart C Number 4 or Part 4 Number 6:
- (2) The basis for the determination of the margin requirements are the net positions per account in all option- and futures contracts or transfer obligations resulting from options and futures contracts. The net position in each option and in each futures contract shall be determined by setting off a long position (including Transactions not yet fully performed) against a short position (including Transactions not yet fully performed, but excluding Transactions with matching cover). In deviation to Sentence 1, a net position shall be determined for Own Account and the Market Maker Accounts (as defined in Number 1.3.4 below) pursuant to Sentence 2. Sentence 3 applies to NCM-Related Transactions and RC-Related Transactions accordingly. Option and futures contracts may be combined into a single margin class, including, for example, when the underlying security or other value is the same. Eurex Clearing AG may form margin groups out of several margin classes, including classes with differing underlyings, if their respective prices develop favourably in the same direction. If Eurex Clearing AG forms margin classes or margin groups, the following rules shall apply *mutatis mutandis*, in that the relevant margin requirement shall be determined for the margin class or margin group, including by netting.
- (3) With respect to options transactions with immediate premium payment obligation the applicable Margin Type shall be the Premium Margin.
- (4) With respect to options transactions without immediate premium payment obligation, Variation Margin in respect of the daily profit and loss settlement amount as further set out in this Chapter VII shall be provided by either party to the options transaction.
- (5) With respect to futures contracts, the applicable Margin Type shall be the Spread Margin.
- (6) In addition, the Additional Margin shall apply to all Transactions concluded under this Chapter VII.
- (7) The margin requirement determined for the aggregate of the Own Accounts and Market Maker Accounts shall be added to the margin requirement determined for the relevant Customer Account, in each case of Own Transactions and Customer-Related Transactions of a Clearing Member; credit balances on any such internal

transaction account shall not be considered. Sentence 1 shall apply accordingly to the calculation of the margin requirement for the respective accounts for NCM-Related Transactions and RC-Related Transactions. The total margin requirement applicable to a Clearing Member shall be determined as the sum of the aggregate margin requirements for Own and Customer-Related Transactions of a Clearing Member determined pursuant to Sentence 1 and the margin requirements for NCM-Related Transactions and RC-Related Transactions of such Clearing Member pursuant to Sentence 2; credit balances on any such internal transaction account shall not be considered. This Paragraph (7) shall not apply to the Clearing pursuant to the Individual Clearing Model Provisions and the Net Omnibus Clearing Model Provisions; Chapter I Part 3 Subpart A Number 5.2.2 remains unaffected.

- (8) For possible claims of Eurex Clearing AG due to a late delivery of EU emission rights or Certified Emission Reductions on the account of the ECC at the national register office, Eurex Clearing AG may levy additional margin (Delivery Margin). The amount of such Delivery Margin shall be calculated and published in due time before a delivery date.

1.3 Internal Accounts

1.3.1 Types of Transaction Accounts

- (1) With regard to the accounts of the Clearing Member, Chapter I Part 1 Number 4 together with Part 2 Number 4, Part 3 Subpart A Number 4 or Part 4 Number 4 apply in addition to the following provisions.
- (2) In deviation to Chapter I Part 1 Number 4 together with Part 2 Number 4, Part 3 Subpart A Number 4 or Part 4 Number 4, Eurex Clearing AG opens and maintains with respect to each Clearing Member the following transaction accounts in which the Transactions of the Clearing Member to be cleared have to be booked:
 - (a) with respect to Own Transactions and Customer-Related Transactions: two Own Accounts, further Customer Accounts, upon request, and two market maker accounts (each a "**Market Maker Account**");
 - (b) with respect to NCM-Related Transactions: two Own Accounts, further Customer Accounts, upon request, and two market-maker accounts (each a "**Market Maker Account**"); and
 - (c) with respect to RC-Related Transactions: two Own Accounts, further Customer Accounts, upon request, and two market-maker accounts (each a "**Market Maker Account**").
- (3) For options Transactions, a corresponding internal premium account shall be kept for each account of a Clearing Member; the premiums for all options Transactions which need to be cleared for this Clearing Member shall be recorded in the premium account for the respective account. Premium accounts shall be settled daily. Eurex Clearing AG shall make the balance of any premium account available in the system

for the Non-Clearing Member or Registered Customer, respectively, and the Clearing Member responsible for the clearing of such account.

1.3.2 Own Accounts

- (1) Opening or closing trade adjustments for Transactions recorded in an Own Account and position adjustments performed to close two opposing Transactions or positions may be made in accordance with the provisions of Number 1.3.5 Paragraph (5).
- (2) If a Transaction is specified as a closing Transaction (closing trade), without there being sufficient open Transactions or positions in the Own Account, a new Transaction will automatically be opened in the Own Account equivalent to the number of contracts that could not be closed.
- (3) Concluded Transactions may be divided into several Transactions in the respective Own Account (trade separation).

1.3.3 Customer Accounts

- (1) Adjustments to Transactions (trade adjustments) made to re-allocate Transactions from Customer Accounts to Own Accounts or vice versa or to re-allocate Transactions to a specific Customer Account (trade transfer), as well as the corresponding transfers of positions (position transfer), are permitted only for the purpose of ensuring that Transactions are correctly recorded in the relevant Customer Account in accordance with Number 1.3.5 Paragraph (5). For the avoidance of doubt, any such transfer or adjustment relating to NCM-Related Transactions or RC-Related Transactions, respectively, shall only occur between the applicable Own Accounts and Customer Accounts for NCM-Related Transactions pursuant to Number 1.3.1 Paragraph (2) (b) or for RC-Related Transactions pursuant to Number 1.3.1 Paragraph (2) (c).
- (2) A short position of a customer must be recorded in the relevant Customer Account separately from a long position of another customer in the same option series or in the same futures contract. A customer position may not be closed with another customer position. Adjustments to opening and closing Transactions in a Customer Account are permitted only to the extent required for the proper maintenance of the account or pursuant to instructions of the customer in accordance with the provisions of Number 1.3.5 Paragraph (5).
- (3) Closing position adjustments in the relevant Customer Account shall only be permitted for the purpose of closing two opposing positions held by the same customer in accordance with the provisions of Number 1.3.5 Paragraph (5).
- (4) If a Transaction is specified as a closing Transaction (Closing Trade), without sufficient open positions existing in the relevant Customer Account, a new Transaction will automatically be opened in such Customer Account, corresponding to the number of contracts which could not be closed.

- (5) Concluded Transactions may be divided into several transactions in the relevant Customer Account (trade separation).

1.3.4 Market Maker Accounts

Adjustments to Transactions (trade adjustments) that change the allocation of a Transaction from a Market Maker Account to an Own Account or Customer Account (trade transfer), as well as transfers of positions between accounts (position transfer), are permitted only for purposes of correct recording of Transactions in Market Maker Accounts in accordance with Number 1.3.5 Paragraph (5). For the avoidance of doubt, any such transfer or adjustment relating to NCM-Related Transactions or RC-Related Transactions, respectively, shall only occur between the applicable Own Accounts, Customer Accounts or Market Maker Accounts for NCM-Related Transactions pursuant to Number 1.3.1 Paragraph (2) (b) or for RC-Related Transactions pursuant to Number 1.3.1 Paragraph (2) (c), respectively.

1.3.5 Account Management

- (1) Positions in the relevant Customer Account and in the Own Accounts shall be gross positions, i.e. positions may be open on both the long and the short sides. Positions in Market Maker Accounts shall be net positions, i.e., each position may only be either long or short.
- (2) Eurex Clearing AG shall make the balance and transaction details for all accounts available in its system to the Clearing Members.
- (3) All open positions in option series shall automatically be cancelled in the accounts of the Clearing Member after the Post-Trading Period on the last trading day for the options contract concerned. All assigned short positions and all exercised long positions shall be cancelled in the account of a Clearing Member after the delivery or payment has been effected in respect of such exercise or assignment, or after the cash settlement has been made in connection with such positions.
- (4) Positions in futures contracts shall be cancelled in the accounts of the Clearing Members after the delivery or payment or the cash settlement in connection with such positions has been effected.
- (5) Trade adjustments can be entered before, during or after the trading period of each trading day, depending on the functions of the Eurex trading platform used. They are permitted with respect to transactions executed on the respective trading day and the both preceding trading days.

Closing position adjustments can be entered before, during or after the trading period of each trading day, depending on the functions of the Eurex trading platform used. Position transfers between accounts of the same Non-Clearing Member, Registered Customer or Clearing Member may be entered during the Pre-Trading Period, the Pre-Opening Period, the Trading Period and the Post-Trading Full Period of any Business Day.

- (6) Position transfers between different Non-Clearing Members, Registered Customers or Clearing Members from or onto Market Maker accounts are not permitted. Position transfers without cash transfer or position transfers with cash transfer between different Clearing Members (member position transfer) may only be made upon confirmation of the entry of the transfer as binding by all Non-Clearing Members, Registered Customers and Clearing Members involved. Position transfers from or onto a Customer Account may only be made at the request of the customer concerned. The function "Position transfer with cash transfer" may only be selected if – by way of a reference which must be entered into the system of the Eurex trading platform – the amount to be transferred is clearly attributable to one or more transactions entered in an account of the Clearing Member.

The system of Eurex Clearing AG will transfer the relevant positions after the Post-Trading Full Period. Any cash payments or credit entries to be made in relation to the function "Position transfer with cash transfer" shall always be effected on the Business Day following the day on which the function was used. However, with regard to this particular function, the respective amount is only transferred to the Clearing Member entitled to receive payment when the Clearing Member liable to pay the amount has actually effected payment. In respect of such cash transfer, Eurex Clearing AG and the trading platform involved shall not have any performance obligation towards the Exchange Participant entitled to receive payment.

- (7) With regard to transfers of transactions (Give-up Trades), the provisions regarding Eurex transactions (Chapter II Part 1 Number 1.3.5 Paragraphs (7) and (9)) shall apply accordingly.
- (8) Position or trade transfers between Clearing Members of Eurex Clearing AG or their Non-Clearing Members or Registered Customers and Clearing Members of a Link Clearing House included in the clearing besides Eurex Clearing AG or their Non-Clearing Members shall be carried out upon fulfilment of the prerequisites in Paragraphs (6) or (7).

1.4 Business and contractual obligations

- (1) Clearing Members are obliged to settle all obligations arising from matching of orders or EEX Transactions concluded off-exchange which have been entered into the system of EEX (together "**EEX Transactions**") by them or by their Non-Clearing Members.
- (2) In case physical settlement of a future is owed in accordance with the trading conditions of EEX, only the EEX trading participant shall be obliged to fulfil the obligations to deliver and/ or the purchase obligations and the payment obligations.

The legal relationships described in Chapter I Part 1 Number 1.2.2 Paragraph (3) (b) from EEX Transactions shall change as follows at the close of the last EEX trading day before the delivery date of the respective EEX Transaction with regard to the futures contracts underlying these EEX Transactions:

- (a) Eurex Clearing AG shall assign the delivery claims or the purchase and payment claims arising from each EEX Transaction existing vis-à-vis ECC ("**Link Clearing House**") to the respective Clearing Member of Eurex Clearing AG ("**CM ECAG**"). The CM ECAG shall, at the same time, take over the corresponding delivery obligations or the purchase and payment claims of Eurex Clearing AG vis-à-vis ECC and takes over these obligations. At the same time, the delivery claims or the purchase and payment claims between Eurex Clearing AG and CM ECAG shall expire.
- (b) Provided that Non-Clearing Members of a CM ECAG ("**NCM ECAG**") have concluded such futures contracts with their CM ECAG, each CM ECAG shall – at the time of the modified legal relationships pursuant to Paragraph (2) (a) arising from EEX Transactions – assign the delivery claims or purchase and payment claims existing vis-à-vis ECC to its NCM ECAGs. The respective NCM ECAG shall at the same time take over the corresponding delivery obligations or the purchase and payment obligations of its CM ECAG vis-à-vis ECC and takes over these obligations. At the same time, the delivery obligations or purchase and payment obligations between CM ECAG and its NCM ECAG shall expire. As a result, the NCM ECAG shall be obliged directly vis-à-vis ECC to deliver or purchase the emission rights underlying the respective futures contract and to effect the respective payments.
- (c) CMs ECAG shall be liable in cash vis-à-vis Eurex Clearing AG, after effected takeover of existing delivery-, purchase- and payment obligations from EEX Transactions by their NCMs ECAG as guarantor pursuant to Paragraph (2) b), and irrespective of the original provisions regarding delivery or purchase, only to the extent Eurex Clearing AG may require cash from Clearing Members instead of the delivery or purchase and payment, in particular if delivery has failed.
- After takeover of existing delivery-, purchase- and payment obligations by Eurex Clearing AG from EEX Transactions by its CM ECAG pursuant to Paragraph (2) a), Eurex Clearing AG shall be liable as guarantor vis-à-vis ECC only in cash in according application of Sentence 1.
- (d) After execution of the deliveries to ECC, the financial regulation shall be effected via the CM ECAG and Eurex Clearing AG as paying agent via which the NCM ECAG conducts its transactions.
- (3) Regardless of the regulations contained in Paragraphs (1) and (2), a Clearing Member shall, moreover, also be obliged to fulfil all obligations resulting from the transactions which have been transferred to the Clearing Member in the framework of a trade or position transfer from another trading participant for the further settlement in his agent and Own Accounts.
- (4) The transaction fees of the Non-Clearing Member shall be exempt from the obligations referred to in above paragraphs.

1.5 Daily Setoff of Cash Claims

Eurex Clearing AG may set off all cash claims of the Transactions under this Chapter vis-à-vis the Clearing Members in accordance with Chapter I Part 1 Number 1.3.

1.6 Direct Netting

An order or a Transaction already concluded may be indicated as “Close”. The claims resulting from the indicated offer or Transaction shall directly be netted with the claims from the Transactions or orders which are indicated as “Open”. The provisions of Number 1.3 shall thereby apply.

Part 2 Clearing of Futures Contracts

The following provisions apply to the Clearing of Transactions in futures contracts which are listed in the Contract Specifications of the European Energy Exchange and have been included in the Clearing by Eurex Clearing AG.

2.1 General Provisions

The “General Provisions” pursuant to this Number 2 shall apply for all futures contracts unless special provisions or provisions deviating from the “General Provisions” apply to individual futures contracts in the following in this Chapter VII.

2.1.1 General Obligations

- (1) Derivatives transactions, in particular in form of futures contracts, are traded on EEX, which refer, amongst others, to emission rights, power, gas or coal. The fulfilment of such futures contracts shall be effected in accordance with the provisions made in these Clearing Conditions regardless of the maturity of the contract.
- (2) Clearing Members must fulfil their payment obligations in accordance with the instructions of Eurex Clearing AG.
- (3) All payments in Euro or US Dollars shall be effected on the Business Day following the respective settlement day, unless the Contract Specifications of EEX for the respective EEX products provide otherwise. All Clearing Members shall ensure their solvency on the respective Business Day by means of corresponding deposits on the RTGS Account and, upon participation in the Clearing of futures contracts on coal pursuant to Number 2.10, on the account for cash payments in US Dollars.

2.1.2 Daily Settlement Price

- (1) For each futures contract, the change in the value of the positions is established on every Business Day during batch processing. The change in the value shall be calculated on the basis of the difference in the daily settlement prices of the Business Day and of the previous Business Day. With regard to positions which have only been opened or closed in the course of the current Business Day, the change in the value shall be calculated on the basis of the difference between the price at which the corresponding Transaction was concluded and the daily settlement price of the Business Day concerned.

The determined profit or loss amount on any Business Day shall be the Variation Margin Requirement and/or any Redelivery Amount, as the case may be (as defined in Chapter I Part 2 Number 7, Chapter I Part 3 Subpart A Number 6, Subpart C Number 5 or Part 4 Number 7, as applicable).

- (2) The daily settlement price up to and including the last trading day of a futures contract shall be established by EEX in accordance with its Trading Conditions and determined by Eurex Clearing AG. Eurex Clearing AG shall be entitled to determine

Appendices >

the daily settlement price in deviation to this. The daily settlement price on the last trading day is at the same time the final settlement price ("**Final Settlement Price**").

- (3) The aforementioned paragraphs shall apply *mutatis mutandis* to the legal relationship between Clearing Members and their relevant Non-Clearing Members or Registered Customers, respectively.

2.1.3 Failure to Deliver

- (1) In the event a trading participant fails to deliver the emission allowances or Certified Emission Reductions to be delivered to the DEHSt account of ECC in accordance with the instructions by ECC on the delivery day at the latest, ECC shall be entitled to take the following measures:
 - (a) ECC may carry out stocking up for the emission rights or Certified Emission Reductions which have not been delivered, either in Exchange trading or in any other suitable manner from the first Business Day after the delivery day at the earliest, in case it is convinced on account of extraordinary risks that the margins which have been deposited are not sufficient for securing these transactions any more or in case it deems a replacement of the emission rights or Certified Emission Reductions which have not been delivered on EEX or off-exchange required because of other serious reasons ("**stocking up**").
 - (b) In case the emission allowances or Certified Emission Reductions to be delivered by the EEX trading participant obliged to deliver are not delivered to ECC on the 5th Business Day after the delivery day at the latest, ECC shall – on account of the EEX trading participant obliged to deliver – stock up the emission rights or Certified Emission Reductions which have not been delivered within a period of time established by it, which usually amounts to 5 Business Days. The right to deliver on the part of the defaulting EEX trading participant shall be precluded for this period of time. Stocking up in Exchange trading can be carried out in accordance with an auction pursuant to Paragraph (1) c) or by other appropriate means.
 - (c) With regard to stocking up by means of an auction, the following shall apply:

ECC or EEX, which it has been commissioned by it, shall publish a maximum price for each emission allowance or Certified Emission Reduction for the respective auction up to which it is prepared to accept bids. The maximum price for this auction is calculated on the basis of the value established by ECC for the corresponding emission rights or Certified Emission Reductions with a surcharge of 100 per cent. Every EEX trading participant who has been licensed to that end by ECC or EEX, can participate in these auctions.
 - (d) In case the measures provided for in Paragraph (1) a) and b) are not successful within the period of time established in accordance with Paragraph (1) b), ECC shall be entitled to establish a cash settlement with regard to a transaction or the part of a transaction which has not been fulfilled so that the obligations to

perform arising from this transaction on the part of the defaulting EEX trading participant and of ECC cease to apply. The defaulting EEX trading participant shall be obliged to pay a cash settlement to ECC instead. In this case, the same shall apply with regard to trades with the same contents concluded between ECC and one or several other EEX trading participants to be supplied. The execution of a cash settlement shall be based on the precondition that two attempts at stocking up by means of one auction each according to Paragraph (1) c) have been executed by ECC or by EEX, which it has commissioned, prior thereto.

The amount of the cash settlement to be paid by the defaulting EEX trading participant shall be established on the basis of the total of the following positions:

1. The amount of the cash settlement to be paid is established by means of a comparison between the value established by ECC for the emission allowances or Certified Emission Reductions concerned plus a surcharge to the amount of 100 per cent, the highest sales price of the trades concerned as well as of the highest purchase price of the trades concerned.
 2. The highest price established in the context of this comparison is then multiplied by the respective number of trades concerned. The sum resulting from this is set off with the respective final amounts of the trades concerned and hence yields the amount to be paid to ECC in the course of cash settlement.
 3. After receipt thereof, ECC shall pay out this amount to the other trading participants to be supplied.
- (2) The EEX trading participant which was not been supplied in due time must accept the measures according to Paragraph (1). In as far as ECC has initiated stocking up by means of an auction or in accordance with measures as per Paragraph (1) a), the EEX trading participant obliged to deliver shall not be entitled to deliver the emission allowances or Certified Emission Reductions which it owes to ECC on the day of the respective auction or of the measures according to Paragraph (1) a). In case stocking up of the emission rights or Certified Emission Reductions to be delivered has been achieved by means of an auction or in any other way, the obligations to deliver arising from the original trade shall expire on account of this.
- (3) The costs incurred on account of measures as per Paragraph 1 shall be borne by the defaulting EEX trading participant. Amongst other aspects, ECC shall charge a fee for each auction which has been carried out to the amount of EUR 250 for each defaulting delivery of emission allowances or Certified Emission Reductions.
- (4) ECC can have recourse to the EEX trading participant or to Eurex Clearing AG pursuant to Number 1.4 Paragraph (2) c) in case of default which ECC or other EEX trading participants have suffered on account of a default caused by the EEX trading

participant. Regardless of the occurrence of a case of damage, ECC shall be entitled to demand interest as well as liquidated damages from a defaulting trading participant or Eurex Clearing AG. The liquidated damages shall be calculated as follows:

Until the delivery of the outstanding emission allowances or Certified Emission Reductions by the defaulting EEX trading participant, until stocking up or until settlement of the trades for which no delivery has taken place by means of cash settlement ECC shall be entitled to the payment of liquidated damages and of interest in accordance with the provisions in Chapter I Number 3.9.1 Paragraph (3). The period of time which is relevant for the calculation of the liquidated damages including the interest shall be extended up to and including the Business Day on which the emission allowances or Certified Emission Reductions delivered or acquired by means of stocking up are transferred to the other EEX trading participants to be supplied by means of a credit entry on the respective internal position accounts. This shall apply accordingly in as far as claims to the delivery or claims to damages have been assigned to ECC or in as far as a cash settlement is executed by it.

ECC shall, provided that it resorts upon Eurex Clearing AG as guarantor pursuant to Number 1.4 Paragraph (2) c) in case of damages caused by default of the EEX trading participant, assign the indemnity claims against the defaulting EEX trading participant to Eurex Clearing AG if Eurex Clearing AG has fulfilled the asserted payment claim.

- (5) Provided ECC claims indemnity according to Paragraph (4) from Eurex Clearing AG in its position as guarantor pursuant to Number 1.4 Paragraph (2) c), Eurex Clearing AG may resort to the Clearing Member being guarantor for the respective obligations of the defaulting EEX trading participant pursuant to Number 1.4 Paragraph (2) c), in the amount paid to ECC plus another damage caused by default of the EEX trading participant. This applies accordingly provided that ECC resorts to Eurex Clearing AG due to interest claims or claims to contractual penalty fines pursuant to Paragraph (4).

In this case, Eurex Clearing AG shall, in according application of Paragraph (4), assign its indemnity claims against the defaulting EEX trading participant to its Clearing Member if this Clearing Member has fulfilled the payment claim asserted by Eurex Clearing AG.

The net amount shall be calculated on the basis of the difference between the final settlement price and the daily settlement price of the previous day. For positions having been opened on the current trading day only, the net amount shall be calculated on the basis of the difference between the final settlement price and the price of the transaction.

- (2) The final settlement price for Phelix Base Day Futures shall correspond to the mean value of all auction prices of the hourly contracts traded on the EPEX Spot Market for the hours between 00:00 a.m. and 00:00 a.m. – 24 hours later – in relation to the respective delivery days on the Spot Market. calculated on basis of the difference between the final settlement price and the price of the transaction.

2.10 Clearing of NCG and GPL-Natural-Gas Futures Contracts

The following provisions apply to the Clearing of Transactions in Futures Contracts on gas in the delivery areas NCG (Net Connect Germany) and GPL (Gaspool) whose contract specifications are determined by EEX.

2.10.1 Cascading of Natural-Gas Futures Contracts

- (1) Cascading of NCG- and GPL-Natural-Gas Futures Contracts shall be carried out irrespective of their term and consistently according to the regulations set forth in the Clearing Conditions. In general, cascading means that any futures contracts concerned – provided they arrange for longer delivery terms – shall be substituted on the last trading day before the beginning of the respective delivery term with futures contracts of the same kind but with shorter delivery terms. The details shall be regulated by the following provisions.
- (2) Each open position in an NCG- or GPL-Natural-Gas Year-Future will be substituted on the third EEX exchange day before the beginning of the delivery term with the same positions of the three NCG- or GPL-Natural-Gas Month-Futures for the delivery months January to March and three NCG- or GPL-Natural-Gas Quarter-Futures for the second to the fourth delivery quarter, the delivery terms of which taken together correspond to the delivery year.
- (3) Each open position in an NCG- or GPL-Natural-Gas Season-Future will be substituted on the third EEX exchange day before the beginning of the delivery term with the same positions of the three NCG- or GPL-Natural-Gas Month-Futures for the delivery months October to December (winter season) or April to June (summer season) and the respective subsequent NCG- or GPL-Natural-Gas Quarter-Futures.
- (4) Each open position in an NCG- or GPL-Natural-Gas Quarter-Future will be substituted on the third EEX exchange day before the beginning of the delivery term with the same positions of the three NCG-Natural-Gas Month-Futures, the delivery months of which taken together correspond to the delivery quarter.

2.10.2 Final Settlement Price

- (1) The Final Settlement Price shall be the settlement price for year futures, season futures and quarter futures on the last trading day (i.e., on maturity of the futures). Such Final Settlement Price defines the value of the position to be cascaded.
- (2) With regard to Baseload-Month Futures, the final settlement price will be determined two EEX exchange days before the first delivery day (BoM settlement). The calculation of the final settlement price shall be made according to the EEX provisions.

2.10.3 Fulfilment of NCG- and GPL-Natural-Gas Year-Futures, Season-Futures and Quarter-Futures

- (1) NCG- and GPL-Natural Gas Year-Futures, Season-Futures and Quarter-Futures shall be fulfilled by cascading pursuant to Number 2.10.1.
- (2) Each cascading process shall be carried out by way of a closing out of the position to be cascaded in year futures, season futures or quarter futures and simultaneous opening of several equivalent positions in futures with shorter delivery terms. The positions shall be closed at the final settlement price of the year futures or quarter futures, and the equivalent new positions in futures with shorter delivery terms shall be opened with the final settlement price of the cascaded future.
- (3) On the cascading day, Variation Margins shall apply to the closed positions and, additionally, to any positions newly opened.

2.10.4 Fulfilment of NCG- or GPL-Natural-Gas-Month-Futures

- (1) In accordance with the rules and regulations of and the determinations by EEX, a physical fulfilment of NCG- and GPL-Natural-Gas Month-Futures will not occur; instead, positions in NCG- and GPL-Natural-Gas-Futures shall be closed not later than on the fifth Business Day before the first delivery day of an NCG- or GPL-Natural-Gas-Future, and no positions in NCG- or GPL-Natural-Gas-Futures may be opened with a remaining term of five or less Business Days until the beginning of the delivery term.
- (2) Accordingly, the Clearing Members are obliged to close positions in NCG- and GPL-Natural-Gas-Futures not later than on the fifth Business Day before the first delivery day of an NCG- or GPL-Natural-Gas-Future. In case a Clearing Member does not meet this obligation, Eurex Clearing AG may close the respective positions in the name of the Clearing Member or have them closed by the ECC. If a closing of the positions by Eurex Clearing AG or the ECC is not possible, Eurex Clearing AG may take other appropriate measures to avoid or reduce risks of non-delivery or have them taken by the ECC. The costs of the closing of positions or of measures according to Sentence 3 shall be borne by the Clearing Member.

2.11 Clearing of Futures Contracts on Coal

The following provisions shall apply to the Clearing of Transactions in Futures Contracts on Coal, in particular on ARA Futures (Amsterdam-Rotterdam-Antwerp) and on RB (Richards Bay) Futures with financial fulfilment, the contract specifications of which are determined by EEX (the “**Coal Futures**”).

2.11.1 Settlement and Collateralisation of Coal Futures

- (1) The daily settlement of Coal Futures contracts pursuant to Number 2.11.2 and the final settlement of Coal Futures contracts pursuant to Number 2.11.3.4 shall occur in US Dollars.

Appendices >

- (2) The calculation of the margin requirements pursuant to Part 1 Number 1.2 shall occur in US Dollars.

2.11.2 Daily Settlement

- (1) With regard to Coal Futures contracts, the change in value of the positions on every Business Day is established during batch processing and is credited to or debited from the US Dollars cash clearing account of the Clearing Member. The change in value shall be calculated on the basis of the difference between the settlement price on the respective Business Day and the settlement price on the previous Business Day. With regard to positions which have only been opened or closed in the course of the Business Day on which the change in value is to be calculated, the change in value shall be calculated on the basis of the difference between the price at which the corresponding Transaction was concluded and the settlement price determined on the Business Day concerned.
- (2) The daily settlement price for Coal Futures shall be determined by Eurex Clearing AG in accordance with the settlement price established by EEX according to its Trading Conditions up to and including the last trading day. Eurex Clearing AG shall be entitled to determine the daily settlement price in deviation to Sentence 1 at its equitable discretion.

2.11.3 Cascading and Fulfilment of Coal Futures Contracts

Coal Futures contracts shall be cascaded according to the following provisions and shall be fulfilled by way of final settlement.

2.11.3.1 Principles

- (1) Cascading and fulfilment of Coal Futures contracts shall be carried out consistently, irrespective of their term and pursuant to the regulations set forth in these Clearing Conditions.
- (2) Cascading means that Coal Futures contracts – provided they arrange for longer delivery terms – shall, on the last trading day before the beginning of the respective delivery term, be substituted by Coal Futures contracts of the same kind with shorter delivery terms. Coal-Year Futures contracts and Coal-Quarter Futures contracts shall be cascaded for such a period of time as is necessary to have them thus replaced by Coal-Month Futures contracts.
- (3) Coal-Month Futures contracts shall be fulfilled by final settlement on the last trading day of the respective current delivery month.

2.11.3.2 Cascading of Coal-Year Futures

After execution of the daily settlement on the last trading day, the holders of Coal-Year Futures contracts shall, on the same Business Day, instead of such futures contracts and at the same daily settlement price, be assigned the three correspondent Coal-Month Futures contracts for the following calendar months January to March as well as the three

correspondent Coal-Quarter Futures contracts for the second to fourth calendar quarter which, taken together, correspond to the delivery period of such Coal-Year Futures contract.

2.11.3.3 Cascading of Coal-Quarter Futures

After execution of the daily settlement on the last trading day, the holders of Coal-Quarter Futures contracts shall, on the same Business Day, instead of such futures contracts and at the same daily settlement price, be assigned the three correspondent Coal-Month Futures contracts which, taken together, correspond to the delivery period of such Coal-Quarter Futures contract.

2.11.3.4 Fulfilment of Coal-Month Futures

- (1) On the last trading day of a Coal-Month Futures contract, positions shall be balanced by a net amount which is credited to or debited from the USD cash account of the Clearing Member. Such net amount shall be calculated on the basis of the difference between the final settlement price and the settlement price of the previous Business Day. With regard to positions which have only been opened on the current trading day, the net amount shall be calculated on the basis of the difference between the final settlement price and the price at which the respective transaction was concluded.
- (2) The final settlement price for Coal-ARA-Month Futures contracts shall correspond to the API 2* (cif ARA) Monthly Index as published regularly on the last Friday of every calendar month in the Argus/McCloskey's Coal Price Index Report.
- (3) The final settlement price for Coal-RB-Month Futures contracts shall correspond to the API 4* (fob Richards Bay) Month Index as published regularly on the last Friday of every calendar month in the Argus/McCloskey's Coal Price Index Report.
- (4) If a final settlement price cannot be determined pursuant to Paragraph 2 or Paragraph 3 or if the index relevant for such price is not available or if such index does not reflect the actual market conditions, the final settlement price shall be determined by Eurex Clearing AG in accordance with the final settlement price established by EEX according to its Trading Conditions. Eurex Clearing AG shall be entitled to determine the final settlement price in deviation to Sentence 1 at its equitable discretion.

Part 1 General Provisions

- (1) Eurex Clearing AG offers the Clearing and settlement of derivatives traded over-the-counter ("**OTC Derivative Transactions**"), provided that such OTC Derivative Transactions meet the applicable novation criteria set out in this Chapter VIII.
- (2) In addition to this Chapter VIII, the provisions of Chapter I, including in particular the Elementary Clearing Model Provisions, the Individual Clearing Model Provisions and the Net Omnibus Clearing Model Provisions, shall apply to the Clearing of OTC Derivative Transactions, unless otherwise provided hereinafter.
- (3) This Chapter VIII does not apply to the Clearing of Eurex OTC Transactions as specified in Chapter II Part 4 and the OTC Transactions specified in Chapter V Part 1 Number 1.3.

1.1 Clearing License

1.1.1 Granting of the Clearing License

In order to participate in the Clearing of OTC Derivative Transactions, a clearing license for the relevant Transaction Types is required (each an "**OTC Clearing License**"). The OTC Clearing License may be granted by Eurex Clearing AG upon written application. Each OTC Clearing License may be granted for the Clearing of some or all of the Transaction Types provided for in the following Parts of this Chapter VIII and may be restricted to certain product groups within the scope of a Transaction Type if this is provided for in respect of such OTC Clearing License. Notwithstanding Chapter I Part 1 Number 2.1.1 Paragraph (4), an OTC Clearing License will be exclusively issued as a General Clearing License which entitles its holder to clear Own Transactions, Customer-Related Transactions and RC-Related Transactions (all as defined in Chapter I Part 1 Number 1.2.3).

1.1.2 Prerequisites of the Clearing License

The prerequisites to be fulfilled for the granting of an OTC Clearing License are set out in Part 2 and 3 of this Chapter VIII for each relevant Transaction Type (as defined in Chapter I Part 1 Number 1.1.2).

1.2 Conclusion of Transactions

OTC Derivative Transactions pursuant to this Chapter VIII are concluded by way of novation in accordance with the following provisions:

1.2.1 Novation

- (1) For the purposes of including OTC Derivative Transactions into the Clearing by Eurex Clearing AG, the trade record of the relevant Original OTC Transaction has to be transmitted to Eurex Clearing AG via an Approved Trade Source System or an

Approved Trade Information Warehouse (each an “**Approved Trade Information Provider**”).

- (2) Whenever:
- (i) the trade record of an Original OTC Transaction is transmitted to Eurex Clearing AG via an Approved Trade Information Provider; and
 - (ii) (A) the parties to the Original OTC Transaction are Clearing Members holding the relevant OTC Clearing License; or

(B) where any party to the Original OTC Transaction is not a Clearing Member holding the relevant OTC Clearing License, the Clearing Member holding the relevant OTC Clearing License that, based on the trade record transmitted to Eurex Clearing AG via an Approved Trade Information Provider, has been designated as a Clearing Member for such party with respect to the relevant Original OTC Transaction has accepted in the system of Eurex Clearing AG the Original OTC Transaction for Clearing; and
 - (iii) Eurex Clearing AG accepts such Original OTC Transaction for inclusion in the Clearing Procedures by making an OTC Novation Report available to the Clearing Members electronically via its system,

OTC Derivative Transactions will be concluded by way of novation in accordance with Chapter I Part 1 Number 1.2.2 Paragraph (2) within a daily or weekly novation process as provided for with respect to each relevant Transaction Type in Part 2 or 3, as applicable.

- (3) Any acceptance of the Original OTC Transaction by Eurex Clearing AG for inclusion in the Clearing and the related novation pursuant to Chapter I Part 1 Number 1.2.2 Paragraph (2) will be subject to the novation criteria pursuant to Number 1.2.3 and will be based on the trade record provided by the Approved Trade Information Provider on behalf of the parties to the Original OTC Transaction. Eurex Clearing AG relies on the accuracy of the data set out in the trade record transmitted and is neither able nor obliged to verify whether the trade record received properly reflects the terms of the Original OTC Transaction entered into by the relevant parties.
- (4) Under the CCP Transactions created upon novation, the relevant Clearing Member has, in economic terms, the same economic role (e.g. as floating rate payer or as fixed rate payer, respectively) as such Clearing Member (in case of Own Transactions) or its Registered Customer (in case of RC-Related Transactions) or other customer (in case of Customer-Related Transactions) had under the Original OTC Transaction. The same principle applies to CM-RC Transactions *mutatis mutandis*.
- (5) It is the responsibility of the parties to the Original OTC Transaction to agree on a bilateral basis that the Original OTC Transaction shall be cancelled upon novation.

- (6) If a CM-RC Transaction, a Client Clearing CM-RC Transaction or a CM-Customer Transaction, or any provision thereof, is not valid or not enforceable vis-à-vis the respective Registered Customer or other customer, this shall not affect the validity and enforceability of the CCP Transaction between Eurex Clearing AG and the relevant Clearing Member.
- (7) For the purposes of this Chapter VIII,
- (a) **“Approved Trade Information Warehouse”** means a trade information warehouse to be appointed by each of the parties to an Original OTC Transaction, and recognised by Eurex Clearing AG, for the purpose of transmitting trade records of OTC Credit Derivative Transactions for Clearing with Eurex Clearing AG, as published on the website of Eurex Clearing AG (www.eurexclearing.com).

Eurex Clearing AG reserves the right, after consultation with the CDS DMC, to restrict the number of participants to the auction process.

- (a) The daily evaluation prices will be determined on the basis of the midpoint of bid-ask spreads determined according to the market conditions of the respective CCP Transaction and under consideration of the risk assessment of Eurex Clearing AG.
- (b) Each Clearing Member holding a CD Clearing License is obliged to provide to Eurex Clearing AG on each Business Day not later than 5.p.m CET for each CCP Transaction in which it holds a position bid-ask spreads which will be taken into account, amongst other data sources, by Eurex Clearing AG to determine the daily evaluation price. With respect to the fulfillment of this obligation, incentives and penalties will apply in accordance with a separate standard document to be executed by each Clearing Member (the “**Daily Evaluation Price Document**”).
- (c) In case no daily evaluation price can be determined pursuant to Item a, the daily evaluation price shall be determined on the basis of a theoretical price model.
- (d) If it is not possible to determine a daily evaluation price pursuant to Item a and Item c or if the daily evaluation price so determined would not reflect the market conditions, Eurex Clearing AG shall determine the daily evaluation price at its reasonable discretion after consultation with the CDS Market Committee (Number 2.1.2.2) provided that, in case of urgent matters, Eurex Clearing AG may make such determination without consultation.

2.1.12 Margin Requirements

- (2) For the avoidance of doubt, the Margin Types defined in Chapter I Part 1 Number 3.1.3 to 3.1.6 shall not apply to CCP Transactions that are OTC Credit Derivative Transactions.
- (3) Eurex Clearing AG will calculate the difference between the present values of the price agreed between the buyer and the seller and the daily evaluation price, whereby future cash flow of premiums (Fixed Amounts) will be discounted (“**Mark-to-Market Margin**”). For this purpose Eurex Clearing AG will use a formula in accordance with market standards.
- (4) In addition to the margin required under Paragraph (3), a further margin requirement (“**Next Day Margin**”) shall be calculated which is equal to the amount sufficient to cover any change to the cost of closing all CCP Transactions not yet performed

assuming the least favourable price developments, as determined by Eurex Clearing AG.

- (5) Eurex Clearing AG will determine daily the margin to cover the upcoming fixed premium payment (Fixed Payment) for every CCP Transaction that is an OTC Credit Derivative Transaction (“**Accrued Premium Margin**”). Eurex Clearing AG will request the Accrued Premium Margin from the buyer of a CCP Transaction on each Business Day. The Accrued Premium Margin is set to zero as soon as the respective fixed premium payment (Fixed Payment) has been performed vis-à-vis Eurex Clearing AG.
- (6) Eurex Clearing AG will determine margin to cover risks resulting from a potential or actual Credit Event^{CDD} (“**Credit Event Margin**”). The Credit Event Margin will be calculated on an account level and considers the credit events for the Reference Entities with the highest default risk. Eurex Clearing AG will request the Credit Event Margin from the seller of a CCP Transaction on each Business Day.
- (7) Eurex Clearing AG will determine a liquidation factor considering the estimated period of time to close-out CCP Transactions. The liquidation factors determined will be included into the calculation of the Next Day Margin as well as in the calculation of the Accrued Premium Margin.
- (8) For the avoidance of doubt, regarding the determination of margin the provisions of Chapter I Part 1 Numbers 3.2, 3.3 and 3.4 as well as Chapter I Part 2 Number 6, Part 3 Subpart A Number 5 and Part 4 Number 6, as applicable, shall apply *mutatis mutandis*.

- (6) Section 3.9 of the Credit Derivatives Definitions shall apply provided that (i) any reference to a “Notifying Party” shall be a reference to the relevant Clearing Member that delivers the CD Exercise Notice, and (ii) any reference to a “consultation with the parties” shall be replaced by “consultation with the Clearing Members holding a CD Clearing License”. For the avoidance of doubt, any reference to a Floating Rate Payer Calculation Amount in Paragraph (11) below, shall include any Exercise Amount^{CDD}.

The Credit Event Backstop Date^{CDD} shall not be subject to adjustment in accordance with any Business Day Convention.

- (12) If the Credit Derivatives Determinations Committee^{CDD} has not Resolved^{CDD} that a Credit Event^{CDD} has occurred, Eurex Clearing AG will not determine a Credit Event^{CDD} either nor shall any Clearing Member or Registered Customer be entitled to determine the occurrence of a Credit Event^{CDD} or to issue a credit event notice (other than the CD Exercise Notice) unless the responsible Credit Derivatives Determination Committee^{CDD} has decided not to deliberate a potential occurrence of a Credit Event^{CDD}, in which case, if a Eurex Credit Event Resolution Request has been made, a Eurex Determinations Committee may determine the occurrence of a Credit Event^{CDD} (a “**Eurex Committee Resolution**”). For the avoidance of doubt, any Credit Event Notice^{CDD} that a party to the Original OTC Transaction may have delivered to the other party prior to the novation date shall be deemed to be not delivered.
- (13) Section 2.21 of the Credit Derivative Definitions (Interpretation of Provisions) shall apply to the extent that the relevant Obligation Category^{CDD} or Obligation Characteristics^{CDD} respectively, or the relevant Deliverable Obligation Category^{CDD} or Deliverable Obligation Characteristics^{CDD} are specified in the following provisions of this Part 2 or in the relevant OTC Trade Event Report and/or, with respect to Section 2.21 (d) of the Credit Derivative Definitions, if an Obligation^{CDD} or a Deliverable Obligation^{CDD} is a Qualifying Guarantee^{CDD}.
- (14) In case of a Restructuring^{CDD} Credit Event^{CDD}, Eurex Clearing AG will assign and match the relevant CD Exercise Notices on each business day as follows:
- (a) If on a relevant Business Day in the CD Seller Exercise Period CD Exercise Notices are exclusively delivered by Clearing Members acting as Buyers, Eurex Clearing AG will assign such CD Exercise Notices to Clearing Members acting as Sellers whose CCP Transactions are affected by the Restructuring^{CDD} Credit Event^{CDD}, on a pro rata basis. The relevant CCP Transactions between the Clearing Members acting as Buyer and Eurex Clearing AG and between Eurex Clearing AG and the Clearing Members acting as Seller qualify as “**Buyer-triggered Trades**”.
- (b) If on a relevant Business Day in the CD Seller Exercise Period CD Exercise Notices are exclusively delivered by Clearing Members acting as Sellers, Eurex Clearing AG will assign such CD Exercise Notices to Clearing Members acting as Buyers whose CCP Transactions are affected by the Restructuring^{CDD} Credit Event^{CDD}, on a pro rata basis. - (c) If on a relevant Business Day in the CD Seller Exercise Period CD Exercise Notices are delivered by both Clearing Members acting as Sellers and Clearing Members acting as Buyers, Eurex Clearing AG will match the CD Exercise Notices issued by Clearing Members acting as Buyers with the CD Exercise Notices issued by Seller as far as the Floating Rate Payer Calculation Amounts of the relevant CCP Transactions are equal on a pro rata basis and to the extent so matched the relevant CCP Transactions shall be deemed to be Seller-triggered Trades.
- (d) If in the case of item c) the aggregate Floating Rate Payer Calculation Amount of CD Exercise Notices issued by Clearing Members acting as Buyer exceeds the aggregate Floating Rate Payer Calculation Amount of CD Exercise Notices issued by Clearing Members acting as Seller, or vice versa, any such exceeding Floating Rate Payer Calculation Amounts (“**Exceeding Buyer Notional**” or “**Exceeding Seller Notional**”, as the case may be) will be assigned by Eurex Clearing AG to the Clearing Members acting as Buyers or Sellers, as the case may be, whose CCP Transactions are affected by the Restructuring^{CDD} Credit Event^{CDD}, on a pro rata basis. The relevant CCP Transactions shall be deemed to be Buyer-triggered Trades (in case of an Exceeding Buyer Notional) or Seller-triggered Trades (in case of an Exceeding Seller Notional).
- (e) On a relevant Business Day in the period from (and excluding) the Exercise Cut-off Date^{CDD} applicable to the Seller to (and including) the Exercise Cut-off Date^{CDD} applicable to the Buyer, any CD Exercise Notice issued by Clearing Members acting as Buyer will be assigned by Eurex Clearing AG to the Clearing Members acting as Sellers whose CCP Transactions are affected by the Restructuring^{CDD} Credit Event^{CDD}, on a pro rata basis. The relevant CCP Transactions are Buyer-triggered Trades.
- (f) For the purposes items a) to e), “**on a pro rata basis**” means (a) in case of a matching, that the pro rata calculation is made in accordance with the relevant Floating Rate Payer Calculation Amounts for which CD Exercise Notices were issued by the respective Seller and Buyers (b) in case of an assignment, that the relevant pro rata calculation is made in accordance with the amount of open positions held by the relevant Clearing Member as Seller or Buyer, as applicable, and which, in case of item c), have not been matched.
- (g) In the case of items a) or d) any Clearing Member acting as Seller to whom CD Exercise Notices issued by Clearing Members acting as Buyers were assigned may deliver a CD Exercise Notice to Eurex Clearing AG within the CD Seller Exercise Period in which case Eurex Clearing AG will update the original assignment by re-qualifying the original Buyer-triggered Trades as Seller-triggered Trades on a pro rata basis (calculated in accordance with the Floating Rate Payer Calculation Amounts of the CD Exercise Notices delivered by the Clearing Members acting as Sellers, in each case in proportion to the aggregate Floating Rate Payer Calculation Amount of CD Exercise Notices originally issued by Clearing Members acting as Buyers minus, in case of item d) the

- (h) In the case of items b) or d) any Clearing Member acting as Buyer to whom CD Exercise Notices issued by Clearing Members acting as Sellers were assigned may deliver a CD Exercise Notice to Eurex Clearing AG in the period from (and excluding) the Exercise Cut-off Date^{CDD} applicable to the Seller to (and including) the Exercise Cut-off Date^{CDD} applicable to the Buyer. In this case, Eurex Clearing AG will update the original assignment by re-qualifying the original Seller-triggered Trades as Buyer-triggered Trades on a pro rata basis (calculated in accordance with the Floating Rate Payer Calculation Amounts of the CD Exercise Notices delivered by the Clearing Members acting as Buyers, in each case in proportion to the aggregate Floating Rate Payer Calculation Amount of CD Exercise Notices originally issued by Clearing Members acting as Sellers minus, in case of item d), the aggregate Floating Rate Payer Calculation Amount of the CD Exercise Notices that have been matched pursuant to item c)).

- (15) Eurex Clearing AG will notify the Clearing Members acting as Buyers or Sellers, as the case may be, by making available a report on the same day until 5 p.m. CET. Eurex Clearing AG will not deliver any CD Exercise Notice to a Clearing Member acting as Buyer or Seller in addition to such report.

2.1.18.1 Standard Credit Event Settlement Terms (Auction Settlement Method)

- (1) If Eurex Clearing AG determines that the Conditions to Settlement are satisfied and an Event Determination Date occurs, the Seller under a CCP Transaction, which may be either the relevant Clearing Member or Eurex Clearing AG, as applicable, shall pay to the Buyer under a corresponding CCP Transaction, which may be a Clearing Member (if Eurex Clearing AG is the Seller) or Eurex Clearing AG (if the relevant Clearing Member is the Seller), as applicable, the Auction Settlement Amount on the Auction Settlement Date ("**Auction Settlement Method**"), unless settlement occurs pursuant to Number 2.1.18.2.
- (2) Subject to any calculation methods set forth in the following provisions of this Part 2 with respect to a relevant Product Type of CCP Transactions, the "Auction Settlement Amount" will be calculated in accordance with the following formula:

Floating Rate Payer Calculation Amount x (Reference Price - Auction Final Price)

provided that the Auction Settlement Amount shall not be less than zero.

whereas:

"**Auction Final Price**^{CDD}" has the meaning set forth in the relevant Credit Derivatives Auction Settlement Terms^{CDD} subject to this Paragraph (2) and Paragraph (3) below.

"**Floating Rate Payer Calculation Amount**" means the amount defined as such in any provision of this Part 2 of Chapter VIII with respect to a Product Type of CCP

Transactions or, if not so defined, the amount shown as such in the relevant OTC Trade Event Report.

“Reference Price” means the percentage shown as such in the OTC Trade Event Report, or, if a percentage is not so specified, 100 per cent.

- (3) In case of a Restructuring^{CDD} Credit Event^{CDD} where “Modified Restructuring Maturity Limitation^{CDD} and Conditionally Transferable Obligation^{CDD}” applies pursuant to this Part 2 of Chapter VIII, there will be a separate Auction Final Price^{CDD}, to the extent an Auction^{CDD} is conducted, for each Maturity Bucket. A CCP Transaction qualifies for a relevant Maturity Bucket based on whether the Buyer (the “Buyer Maturity Bucket”) or the Seller (the “Seller Maturity Bucket”, the Buyer Maturity Bucket and the Seller Maturity Bucket together a “Maturity Bucket”) has issued the relevant (prevailing) CD Exercise Notice, as described in the relevant Credit Derivatives Auction Settlement Terms^{CDD} and subject to an exercise of the Movement Option^{CDD}. For the purposes of the Credit Derivatives Definitions, Buyer-triggered Trades shall be deemed to be CCP Transactions for which the Buyer has delivered a Credit Event Notice and Seller-triggered Trades shall be deemed to be CCP Transactions for which the Seller has delivered a Credit Event Notice. The applicable Buyer Maturity Bucket is determined on the basis of the Scheduled Termination Date of the relevant CCP Transaction, as described in the relevant Credit Derivatives Auction Settlement Terms^{CDD}.
- (4) If, in case of a Restructuring^{CDD} Credit Event^{CDD} where “Modified Restructuring Maturity Limitation^{CDD} and Conditionally Transferable Obligation^{CDD}” applies, Section 12.17 (Movement Option) shall apply provided that (i) in Paragraph (a) of Section 12.17 the words “which Notifying Party delivered the Credit Event Notice” shall be replaced with the words “whether the CCP Transaction is a Buyer-triggered Trade or a Seller-triggered Trade”, and (ii) in Paragraph (b) of Section 12.17, the words “Buyer delivered the Credit Event Notice” shall be replaced with the words “the CCP Transaction is a Buyer-triggered Trade”.
- (5) If a Clearing Member acting as Buyer or Seller exercises the Movement Option, Eurex Clearing AG will update the original qualification as Buyer-triggered Trades and Seller-triggered Trades, respectively, by re-qualifying such CCP Transactions in accordance with Paragraph (4) which shall be binding on all relevant Clearing Members acting as Buyers or Sellers, respectively, whose CCP Transactions are affected by the delivery of CD Exercise Notices upon the occurrence of the relevant Restructuring^{CDD} Credit Event^{CDD} and the assignment and matching pursuant to Number 2.1.18 Paragraph (11).
- (6) A Clearing Member may exercise the Movement Option^{CDD} by marking in the report made available by Eurex Clearing AG the relevant CCP Transactions affected by the Restructuring^{CDD} Credit Event^{CDD} for which it exercises the Movement Option^{CDD}, and by transmitting such report via e-mail to Eurex Clearing AG to the e-mail address eurexcreditclear@eurexclearing.com (the “Notice to Exercise Movement Option”).

Eurex Clearing AG will notify the Clearing Members acting as Buyers or Sellers, as the case may be, of the updated qualification of CCP Transactions as Buyer-triggered Trades and Seller-triggered Trades (Paragraph (5)) by making a report available in its system on each business day until 5 p.m. CET in the period from (and excluding) the Exercise Cut-off Date^{CDD} applicable to Buyer to (and including) the Movement Option Cut-off Date^{CDD}. Eurex Clearing AG will not deliver any Notice to Exercise Movement Option to a Clearing Member acting as Buyer or Seller in addition to such report.

- (7) The parties to CCP Transactions affected by a Credit Event^{CDD} cannot request physical settlement or cash settlement in accordance with the Cash Settlement^{CDD} method, with the exception that physical settlement may occur if the Fallback Settlement Method applies pursuant to Number 2.1.18.2.
- (8) If an Auction^{CDD} takes place, each Clearing Member shall ensure that physical settlement requests of its customers (together with the Clearing Member's own physical settlement requests, as the case may be) will be submitted to a Participating Bidder^{CDD} as "Customer Physical Settlement Request" and shall make any necessary arrangements with one or more appropriate Participating Bidders^{CDD} that such Customer Physical Settlement Requests are accepted by the relevant Participating Bidder^{CDD} in accordance with, and subject to, the applicable Credit Derivatives Auction Settlement Terms^{CDD}.

2.1.18.2 Fallback Settlement Method (no applicable Auction Final Price determined)

If (a) an Auction Cancellation Date^{CDD} has occurred, or (b) a No Auction Announcement Date^{CDD} has occurred (and, in circumstances where such No Auction Announcement Date occurs pursuant to Section 12.12 (b) (i) of the Credit Derivatives Definitions, neither a Clearing Member acting as Buyer nor a Clearing Member acting as Seller has exercised the Movement Option), or (c) if the Eurex Determinations Committee has determined that a Credit Event^{CDD} has occurred, then physical settlement shall take place on a bilateral basis in accordance with Numbers 2.1.18.3 and Number 2.1.18.4 ("Fallback Settlement Method").

2.1.18.3 Notification and Allocation Procedure for Physical Settlement

- (1) In case the Fallback Settlement Method is applicable pursuant to Number 2.1.18.2, Clearing Members acting as Buyers of CCP Transactions shall notify Eurex Clearing AG of the following ("Notice of Physical Settlement"): (a) one or more Deliverable Obligation(s)^{CDD}, which such Clearing Member will Deliver^{CDD}, as well as (b) the outstanding principal balance or, in case of Deliverable Obligations^{CDD} that are not Borrowed Money^{CDD}, the Due and Payable Amount^{CDD} (in each case the "Outstanding Amount") of each such Deliverable Obligation^{CDD}.
- (2) The Notice of Physical Settlement shall be made by the relevant Clearing Member for each CCP Transaction by transmitting the relevant report via e-mail to Eurex Clearing AG to the e-mail address eurexcreditclear@eurexclearing.com until 3 p.m. CET. The report must provide the description and information required pursuant to

Section 3.4 of the Credit Derivatives Definitions (including the ISIN if available and if applicable).

- (3) If an effective Notice of Physical Settlement is not delivered by the Clearing Member acting as Buyer on or before the thirtieth calendar date after the Event Determination Date (subject to adjustment in accordance with any specified Business Day Convention), such thirtieth calendar day shall be the Termination Date for any such CCP Transaction and the CCP Transaction between Eurex Clearing AG and the Clearing Members acting as Seller to whom no Notices of Physical Settlement were allocated by Eurex Clearing AG.
- (4) With respect to the CCP Transactions of the same Product Type which are identical in all material aspects other than the notional amount, Eurex Clearing AG shall allocate to one or more Clearing Members acting as Sellers of such CCP Transactions the Notices of Physical Settlement received from Clearing Members acting as Buyers in a timely manner using a selection procedure that ensures the neutrality of the allocation process. If a Clearing Member acts as both Buyer and Seller in respect of the relevant settlement process, the assignment of such deliveries will be performed with the highest priority. The Clearing Members acting as Sellers of CCP Transactions will be informed about the Notices of Physical Settlement received pursuant to Paragraph (2) and the respective Clearing Member acting as Buyer before 5 p.m. on the relevant Business Day. The Clearing Members acting as Buyers will be notified of the identity of the respective Clearing Members acting as Seller. Each Clearing Member acting as Buyer and each Clearing Member acting as Seller allocated to it shall be an "Allocated Pair".
- (5) Paragraphs (1) to (4) above shall apply to the legal relationship between Clearing Members and their Registered Customers *mutatis mutandis*.

2.1.18.4 Effect of the Notification and Allocation Procedure

Upon the allocation by Eurex Clearing AG of the Notices of Physical Settlement pursuant to Number 2.1.18.3 to Clearing Members acting as Sellers, the following shall apply:

1. The Clearing Member acting as Buyer and the relevant Clearing Member acting as Seller who constitute an Allocated Pair shall be deemed to have entered (with each other in an OTC Credit Derivative Transactions without Eurex Clearing AG being interposed) under the standard form of the ISDA 2002 Master Agreement governed by English law (the "**Bilateral Credit Derivative Transaction**").
2. The relevant CCP Transactions will cease to exist and Eurex Clearing AG shall cease to have any rights or obligations as a party to the relevant CCP Transactions with the Clearing Members that are part of an Allocated Pair.
3. The OTC Credit Derivative Transactions entered into pursuant to Item 1 shall have the same contractual credit derivative terms as the portion of the CCP Transactions which was subject to the allocation of the relevant Notice of Physical Settlement, such terms being set out in Number 2.1.3 (which for purposes of Bilateral Credit

Clearing(provided that all other applicable novation criteria are met) irrespective of whether the terms of such Index CDS as agreed among the parties otherwise differ from the terms set out in these Clearing Conditions.

2.2.2 Clearing of iTraxx[®] Index Credit Default Swap Transactions

- (1) The following sections shall rule the clearing of the types of Index CDS set out in Number 2.2.1.2 above.
- (2) “**iTraxx[®] Europe Indices**” means each of the series and versions of indices set out in Number 2.2.2.1 to Number 2.2.2.3 below. Information about these indices and their publication, composition, weighting and calculation is available on the website of the Index Publisher (www.markit.com).
- (3) “**iTraxx[®] Index Sponsor**” means International Index Company Ltd., or any successor thereto, and “**iTraxx[®] Index Publisher**” means Mark-it Partners Ltd., or any replacement therefore appointed by the Index Sponsor for purposes of officially publishing the relevant iTraxx[®] Index.
- (4) Following the publication of a new series for any of the iTraxx[®] Europe Indices, all existing CCP Transactions that are linked to a previous series of the relevant index shall not be affected by the publication of such new index series. Any OTC Credit Derivative Transactions that will be included in the clearing by way of novation after the publication of a new index series for any of the iTraxx[®] Europe Indices may either be linked to a previous series of the relevant index or to the relevant new series of the iTraxx[®] Europe Indices.
- (5) Following the occurrence of a Credit Event^{CDD} and the satisfaction of the Conditions to Settlement, the affected Reference Entity will be an “**Excluded Reference Entity**” as from the relevant Event Determination Date. Any CCP Transactions linked to the same series of one of the Traxx[®] Europe Indices that is affected by such Credit Event^{CDD} shall have the same terms (except for the Original Trade Date and the Effective Date) irrespective of whether the Credit Event^{CDD} has occurred before or after the relevant Original Trade Date and irrespective of whether a new version of the relevant series has been published by the Index Publisher if the publication of such new version is exclusively due to the occurrence of the respective Credit Event^{CDD}. This shall apply *mutatis mutandis* if a Reference Obligation^{CDD} has been substituted or if a Succession Event^{CDD} has occurred with respect to a Reference Entity comprised in one of the iTraxx[®] Europe Indices, i.e. the relevant Successor^{CDD} shall in any event be the Reference Entity irrespective of whether a new version reflecting such Succession Event^{CDD} has been published or not. If as a result of such events a new version has been published and if the index in its new version is the same as the previous version of the index after adjustment due to the relevant Credit Event^{CDD} or Succession Event^{CDD} or after substitution of Reference Obligation^{CDD}, Eurex Clearing AG will adjust all affected CCP Transactions to reflect the new version of the Index.

- (6) In case of a Restructuring Credit Event^{CDD}, the affected Reference Entity will be excluded from the relevant iTraxx[®] Europe Index and the portion of the CCP Transaction linked to the relevant iTraxx[®] Europe Index which relates to the affected Reference Entity will be split-off into a Single-Name CDS in accordance with Chapter VIII Part 2 Number 2.2.2.1 Paragraph (19) below.
- (7) Each CCP Transaction that according to the relevant OTC Trade Event Report is an iTraxx[®] Europe OTC Credit Derivative Transaction (the “**iTraxx[®] Master Transaction**”) shall be deemed to consist of individual component transactions (each a “Component Transaction”) in respect of each Reference Entity listed in the Relevant Annex provided that, if, in respect of a Reference Entity, a Succession Event^{CDD} occurs or has occurred on or following the earlier of the Effective Date and the Original Trade Date, the provisions of Section 2.2 of the Credit Derivatives Definitions and Chapter VIII Part 2 Number 2.1.15 will apply in respect of such Reference Entity *mutatis mutandis*. Without prejudice to the fact that a Component Transaction is only a part of one single CCP Transaction, such CCP Transaction being the iTraxx[®] Master Transaction, each Component Transaction shall be deemed to be a Credit Derivative Transaction for purposes of the definitions and provisions of the Credit Derivatives Definitions, having the terms applicable to iTraxx[®] Europe transactions as set out herein.

The OTC Interest Rate Derivative Transactions must be (i) an interest rate swap (including "basis" swaps and zero coupon swaps) ("**IRS**"), (ii) an overnight index swap ("**OIS**"), or (iii) a forward rate agreement ("**FRA**") and, in each case, a Product Type recognised by Eurex Clearing AG;

(2) Currencies

The currency must be (i) EUR, USD, GBP, CHF or JPY for IRS and FRA or (ii) EUR, USD, GBP or CHF for OIS and the relevant currency must be covered by the Interest Rate Derivatives Clearing License of the relevant Clearing Member(s);

The payments of both parties must be made in the same currency and the floating amounts must be denominated in the same currency as the notional amount;

(3) Payment types

The payments by the parties must be of either of the following types:

- (a) fixed rate or fixed amount (in each case including zero coupon payments) versus floating rate (including zero coupon payments); or
- (b) (in case of IRS only) floating rate versus floating rate (in each case including zero coupon payments).

Payments of any amounts due under IRS or OIS must be in arrears (and not prior to or at the beginning of a calculation period).

(4) Maximum remaining term

The remaining term of the OTC Interest Rate Derivative Transaction from the date of novation to the termination date must be (i) in case of IRS, no more than 50 years for Original OTC Transactions in EUR, USD and GBP and no more than 30 years for Original OTC Transactions in CHF and JPY; (ii) in case of OIS, no more than 3 years; and (iii) in case of FRA, no more than 2 years;

- (a) a short or long first calculation period ("**Front Stub Period**") and a short or long last calculation period ("**Back Stub Period**") may be specified for IRS and OIS, provided that:
 - (aa) IRS and OIS with both a Front Stub Period and a Back Stub Period are not eligible; and
 - (bb) Stub Periods must not be specified for OTC Interest Rate Derivative Transactions with (i) payments of floating amounts which are calculated on a compounding basis (except OIS) as set out in Paragraph 16 below, or (ii) zero coupon payments
- (b) The minimum period length of short Stub Periods is one day. The maximum period length for long Stub Periods is one year and one month for (i) fixed rate payments under IRS in any eligible currency, (ii) floating rate payments under IRS in EUR or GBP and (iii) OIS. For floating rate payments under IRS in CHF, USD and JPY, the maximum length for long Stub Periods is seven months.
- (c) For IRS floating payments, the floating rates for Stub Periods must be specified in the trade record submitted via the Approved Trade Source System as follows:
 - (aa) in case of a Front Stub Period, the applicable first fixed floating rate for the Stub Period is specified as such; or
 - (bb) a floating rate index tenor is specified, which is used for the fixing in respect of the Stub Period. The following tenors (W = week(s), M = month(s), Y = year) are eligible: in case the currency is EUR: 1W, 2W, 1M, 2M, 3M, 6M, 9M, 1Y; in case the currency is GBP: 1W, 1M, 2M, 3M, 6M, 1Y; in case the currency is USD, CHF or JPY: 1W, 1M, 2M, 3M, 6M. Only neighboring tenors of the stub period length are allowed (e.g. 2M or 3M for stub period length 2M+1W); or
 - (cc) linear interpolation is specified, i.e. the floating rate for the relevant Stub Period is to be interpolated linearly between two specified rate index tenors. The interpolation tenors must be the two neighbours of the stub period length (e.g. 2M and 3M for stub period length 2M+1W). The eligible tenors are the same as for method (bb).

(dd) a floating rate index tenor is specified, which is used for the fixing in respect of the Stub Period. The following tenors (W = week(s), M = month(s), Y = year) are eligible: in case the currency is EUR 3W, 4M, 5M, 7M, 8M, 10M, 11M; in case the currency is GBP: 2W, 4M, 5M, 7M, 8M, 9M, 10M, 11M; in case the currency is USD, CHF or JPY: 2W, 4M, 5M, 7M. In this case, a linear interpolation as laid out in (cc) will be applicable.

(7) Floating rate indices

The floating rate index (Floating Rate Option or base rate) must be one of the following:

- (a) EUR-EURIBOR-REUTERS (with payment on the period end date and fixing two business days prior to the period start date);

(9) Fixed rate and floating rate spread schedules

IRS (but not OIS or FRA) may have a fixed rate and a floating rate spread schedule, i.e. a fixed rate or floating rate spread may vary across the calculation periods relative to their value in the relevant preceding calculation period provided that any such change to the fixed rate or the floating rate spread may only occur at the start of the relevant calculation period and must be pre-determined and specified in the

trade record submitted via the Approved Trade Source System. Fixed rate or floating rate spread schedules are not eligible for zero coupon payments or payments made on a compounding basis;

(10) Calculation periods

The calculation period(s) for payment(s) of floating amounts under the relevant OTC Interest Rate Derivative Transaction (other than OIS or an OTC Interest Rate Derivative Transaction in CHF, USD or JPY) must be one month, three months, six months or twelve months and the calculation period(s) for payment(s) of floating amounts under an OTC Interest Rate Derivative Transaction in CHF, USD or JPY must be one month, three months or six months (in all cases except for Stub Periods, zero coupon payments and payments on a **compounding** basis). Where the relevant OTC Interest Rate Derivative Transaction is an OIS, floating amounts must be payable monthly, quarterly, semi-annually, annually or at maturity (except for Stub Periods).

If a payment date for a fixed or floating rate payment is adjusted in accordance with any applicable business day convention, the Numbers of days in the relevant calculation period may either be adjusted to the new payment date or remain unadjusted, which is to be specified in the trade record submitted via the Approved Trade Source System;

(11) Notional amount

The minimum notional amount must be (i) 0.01 for EUR, USD, GBP, or CHF or (ii) 1.00 for JPY.

The notional amounts can be different for each swap leg and may vary across the calculation periods relative to their value in the relevant preceding calculation period. The changes in notional can only take place at the start of the calculation periods and must be pre-determined and specified in the trade record submitted via the Approved Trade Source System. Changes in the notional amount across calculation periods may not be specified for OIS nor for IRS with swap legs under which amounts are payable on a **compounding** basis or in the form of a zero coupon payment:

The terms of the OTC Interest Rate Derivative Transaction must not provide for an exchange of notional amounts.

(12) Day count conventions

The day count convention(s) applicable to the OTC Interest Rate Derivative Transaction must be one of the following (based on the 2006 ISDA Definitions or the 2000 ISDA Definitions, as specified in the trade record transmitted via the Approved Trade Source System): 30/360, 30E/360, 30E/360 (ISDA), Act/360, Act/Act (ISDA), Act/365 (ISDA), Act/Act (ICMA), Act/Act (ISMA) or Act/365 (Fixed);

For purposes of defining the applicable Business Day, details of the relevant financial/business centre(s) or terms, which must be TARGET (EUTA), New York (USNY), London (GBLO), Frankfurt (DEFR), Paris (FRPA), Madrid (ESMA), Brussels (BEBR), Milan (ITMI), Tokyo (JPTO) or Zurich (CHZU), must be provided;

(16) Compounding

The floating leg (incl. spread) of an IRS can be subject to **Compounding** (also referred to as “**straight compounding**” if **Flat Compounding** is not specified as applicable) or **Flat Compounding**, each as defined in Number 3.2.4 below. Only standard monthly, quarterly, semi-annual and, in case of EUR and GBP only, annual floating rate indices can be referenced for payments made on a “straight” Compounding or Flat Compounding basis, i.e. no Stub Periods may be specified for such OTC Interest Derivative Transactions;

For the fixed leg, neither “**straight**” Compounding nor Flat Compounding may be selected in the Approved Trade Source System. However, a fixed rate can be specified under the zero coupon option which would result in one fixed payment at swap maturity for the fixed leg only applying the provided fixed rate subject to the applicable terms of calculation such as business day conventions and day count fractions. Alternatively, a lump sum can be entered manually that would be paid unadjusted on the last payment date of the relevant zero coupon swap.

For zero coupon swaps the first Reset Date of the floating leg(s) should not be prior to 01.January 2005.

- (1) if in the OTC Trade Novation Report an amount is specified as the Fixed Amount payable by that party for that Payment Date or for the related Calculation Period, such amount; or
- (2) if an amount is not specified in the OTC Trade Novation Report as the Fixed Amount and if such amount is not otherwise determined as provided in the OTC Trade Event Report, an amount calculated on the basis of the following formula for that Payment Date or for the related Calculation Period:

Fixed Amount = Notional Amount x Fixed Rate X Fixed Rate Day Count Fraction.

3.2.4 Calculation of Floating Amount

- (1) Eurex Clearing AG will calculate the floating amount payable by a party on a Payment Date (the “**Floating Amount**”) as follows:
 - (a) if neither Compounding nor Flat Compounding is applicable, an amount calculated for that Payment Date or the related Calculation Period on the basis of the following formula:

Floating Amount = Notional Amount x Floating Rate (+/- Spread) X Floating Rate Day Count Fraction.
 - (b) if “**Compounding**” is specified as applicable and “Flat Compounding” is not specified as applicable, an amount equal to the sum of the Compounding Period Amounts for each of the Compounding Periods in the related Calculation Period;
 - (c) if “**Flat Compounding**” is specified as applicable, an amount equal to the sum of the Basic Compounding Period Amounts for each of the Compounding Periods in the related Calculation Period plus the sum of the Additional Compounding Period Amounts for each such Compounding Period.

The terms “**Compounding Period**”, “**Compounding Date**”, “**Compounding Period Amount**”, “**Adjusted Calculation Amount**”, “**Basic Compounding Period Amount**”, “**Additional Compounding Period Amount**” and “**Flat Compounding Amount**” shall have the meaning given to them in Section 6.3 of the 2006 ISDA Definitions (which section shall also apply to DRV Interest Rate Derivative Transactions).
- (2) If the Floating Amount payable by a party on a Payment Date is a negative number (either due to a quoted negative Floating Rate or by operation of a negative Spread that is added to the Floating Rate) and if “**Compounding**” or “**Flat Compounding**” is not specified for that OTC Interest Rate Derivative Transaction, then the Floating Amount payable by that party on that Payment Date will be deemed to be zero and the other party will pay to that party the absolute value of the negative Floating Amount as calculated, in addition to any amounts otherwise payable by the other party for the related Calculation Period.

- (3) If either “**Compounding**” or “**Flat Compounding**” is specified in the OTC Trade Event Report to be applicable to that OTC Interest Rate Derivative Transaction and the Compounding Period Amount, the Basic Compounding Period Amount or the Additional Compounding Period Amount is a negative number (either due to a quoted negative Floating Rate or by operation of a negative Spread that is added to the Floating Rate), then the Floating Amount for the Calculation Period in which that Compounding Period or those Compounding Periods occur will be either the sum of all Compounding Period Amounts or the sum of all the Basic Compounding Period Amounts and all the Additional Compounding Period Amounts in that Calculation Period (whether positive or negative).

If such sum is positive, then the Floating Rate Payer with respect to the Floating Amount so calculated (the “**scheduled payer**”) will pay that Floating Amount to the other party (the “**scheduled payee**”). If such sum is negative, the Floating Amount payable by the scheduled payer will be deemed to be zero, and the scheduled payee will, in turn, pay to the scheduled payer the absolute value of the negative Floating Amount as calculated.

- (1) The applicable Relevant Rate (in case of ISDA Interest Rate Derivative Transactions) or Base Rate (in case of DRV Interest Rate Derivative Transactions) applied by Eurex Clearing AG in calculating Floating Amounts will be set out in the OTC Trade Novation Report on the basis of the floating rate index specified in the trade record transmitted to Eurex Clearing AG via the Approved Trade Source System whereby:

- (8) Where the relevant rate is not available on the relevant screen page pursuant to Paragraph (1) (a) to (e) above, Eurex Clearing AG determines the applicable rate in its reasonable discretion on the basis of the arithmetic mean of the rates at which deposits (in the relevant contractual currency, with an equivalent maturity and in the same, or approximately the same, notional amount) are offered by at least four major banks to prime banks in the relevant interbank market at approximately the time at which the relevant rate should have been available on the applicable screen.

The terms of the Securities Lending Transactions may either provide (i) for a redemption upon request of the Borrower or the Lender at any time prior to a final maturity date or, in the absence of any such request of the Borrower or the Lender, on such final maturity date (an "**Open Term Loan**") or (ii) for a redemption on a specifically agreed maturity date, subject (x) to the entitlement of the Borrower Clearing Member and the Lender Clearing Member (as defined below under Paragraph (5)) to agree in accordance with Number 1.2.2 Paragraph (3) on a redemption prior to such specifically agreed maturity date and (y) to the right of Eurex Clearing AG to request an early redemption pursuant to Number 2.7 (a "**Fixed Term Loan**").
- (4) The Clearing Conditions provide that the Borrower to each Securities Lending Transaction is required to provide and maintain principal collateral in form of cash or financial instruments (the "**Principal Collateral**") to the Lender with a simultaneous agreement by the Lender to transfer to the Borrower assets equivalent to the Principal Collateral actually delivered (the "**Equivalent Principal Collateral**") upon redemption of the relevant Securities Lending Transaction. Unless otherwise provided for in this Chapter IX, Clearing Members will in addition be subject to margin requirements determined by Eurex Clearing AG for their Securities Lending Transactions.
- (5) Eurex Clearing AG will act as Borrower with respect to each Clearing Member which is the Lender under a Securities Lending Transaction (the "**Lender Clearing Member**") and Eurex Clearing AG will act as Lender with respect to each Clearing Member which is the Borrower under a Securities Lending Transaction (the "**Borrower Clearing Member**").

 - (i) is transmitted to Eurex Clearing AG by Clearing Members via the Third Party Flow Provider in accordance with Number 1.2.2 Paragraph (1) and
 - (ii) Eurex Clearing AG accepts such Original Securities Lending Transaction for inclusion in the Clearing in accordance with Number 1.2.2 Paragraph (2),

Eurex Clearing AG will interpose itself by way of novation as central counterparty and the Original Securities Lending Transaction shall – pursuant to this Chapter IX – be cancelled and replaced by two related Securities Lending Transactions (1) between Eurex Clearing AG as the Borrower and the relevant Clearing Member as the Lender and (2) between Eurex Clearing AG as the Lender and the relevant Clearing Member as the Borrower, each in accordance with the Loan Information (as defined under Number 1.2.2 Paragraph (3)).

Eurex Clearing AG makes no representation, whether expressed or implied, as to the complete and timely performance of the Third-Party Flow Provider’s duties and obligations vis-à-vis the Clearing Members. Eurex Clearing AG assumes no liability to the Clearing Members for any act or failure to act by the Third-Party Flow Provider vis-à-vis the Clearing Members in connection with any information or notices received by Eurex Clearing AG or given to the Clearing Members via the Third-Party Flow Provider, as the case may be.

To the extent the rules of the Third Party Flow Provider contain such provisions, the relevant Clearing Members may, during the term of Securities Lending Transactions, at any time agree on an amendment of the Loan Information (including the reduction but excluding the extension of the term of a Fixed Term Loan). The relevant Securities Lending Transactions shall be amended accordingly, if Eurex Clearing AG validates any such amendment of the Loan Information received via the Third Party Flow Provider. Eurex Clearing AG is entitled to reject such amendment.

1.2.3 Cancellation of Securities Lending Transactions

- (1) Each of the Borrower Clearing Member and the Lender Clearing Member are entitled to agree with Eurex Clearing AG on a cancellation of any related Securities Lending Transactions until the end of the Business Day preceding the Value Date (as defined in Number 2.2.1 Paragraph (1)), provided that Eurex Clearing AG shall only agree to such cancellation if and when Eurex Clearing AG has received cancellations by both Clearing Members with respect to such related Securities Lending Transactions.
- (2) Transaction cancellations shall be transmitted via the Third-Party Flow Provider.
- (3) Eurex Clearing AG reserves the right to cancel any related Securities Lending Transactions for whatever reason prior to the Value Date (taking into account any postponement pursuant to Number 2.6.1 or 2.6.2).
- (4) Eurex Clearing AG will inform the Clearing Members of any cancellation of such Securities Lending Transaction via the Third-Party Flow Provider.

2.1 General Provisions of Securities Lending Transactions

2.1.1 Eligible Loan Securities

Eurex Clearing AG will determine from time to time which kind of Eligible Loan Securities shall be included in the Clearing and will publish the relevant applicable list of Eligible Loan Securities in accordance with Chapter I Part 1 Number 16.2.

2.1.2 Eligible Principal Collateral Assets and Redelivery Claim

- (1) In order to provide Principal Collateral to the Lender, the Borrower may deliver such Eligible Principal Collateral Assets in the form of financial instruments (the “**Non-Cash Principal Collateral**”) or in the form of cash in a specific currency (the “**Cash Principal Collateral**”), as accepted by Eurex Clearing AG. The currency of the relevant Principal Collateral is herein referred to as the “Principal Collateral Currency”).
- (2) Eurex Clearing AG will determine the acceptable Eligible Principal Collateral Assets from time to time in its own discretion. The Eligible Principal Collateral Assets in form of Non-Cash Principal Collateral will be specifically agreed with the relevant Clearing Members in the collateral annexes to the specific tripartite documentation with the Tri-Party Collateral Agent. Eurex Clearing AG has the right to subsequently and unilaterally include and exclude certain specified Non-Cash Principal Collateral.
- (3) Unless Number 2.1.5 Paragraph (2) applies, the purpose of the delivery of Principal Collateral is to secure the claim for delivery of Equivalent Loaned Securities on the Maturity Date.
- (4) Unless Number 2.1.5 Paragraph (2) applies, the actual delivery of Eligible Principal Collateral Assets in respect of the Principal Collateral by the Borrower to the Lender in accordance with Number 2.1.5 Paragraph (1) shall give rise to or increases a Redelivery Claim of the Borrower against the Lender; Chapter I Part 2 Number 2.2.2, first sentence, shall apply *mutatis mutandis* with respect to a Redelivery Claim arising from the delivery of Eligible Principal Collateral Assets in respect of the Principal Collateral (in the form of Non-Cash Principal Collateral or Cash Principal Collateral). The relevant Redelivery Claim becomes due in accordance with Number 2.3.3.

2.1.3 Equivalent Loaned Securities and Equivalent Principal Collateral

When used in this Chapter IX, “**Equivalent**” or “**equivalent to**” in relation to any Loaned Securities or Principal Collateral (whether Cash Principal Collateral or Non-Cash Principal Collateral) actually delivered means cash or securities, of an identical type, nominal

value, description, currency and amount, as applicable, to the particular Loaned Securities or Principal Collateral (as the case may be) actually delivered.

2.1.4 Delivery of Loaned Securities and Equivalent Loaned Securities

Loaned Securities and Equivalent Loaned Securities shall be delivered free of payment (FoP), and Chapter I Part 1 Numbers 1.2.5, 1.4.2 (except for Paragraph (2)) and 1.4.3 shall insofar apply *mutatis mutandis* to the delivery of Loaned Securities and Equivalent Loaned Securities.

2.1.5 Provision of Principal Collateral and Equivalent Principal Collateral

- (1) Unless Paragraph (2) applies, Principal Collateral and Equivalent Principal Collateral shall pass from the Borrower to the Lender or *vice versa* by transferring to the transferee all right, title and interest in and to the concerned asset free and clear from any and all rights and claims of the transferring party and any third person, including without limitation, pursuant to the applicable regulation or under any statutory or other trust. The value of such assets shall, as of the date the transfer is effected, be at least equal to the value at that date of the concerned payment or delivery obligation.
- (2) Non-Cash Principal Collateral shall be provided from Eurex Clearing AG to the holder of a Specific Lender License only by way of creation of a pledge by Eurex Clearing AG for the benefit of such Lender over the concerned Eligible Principal Collateral Asset selected.

Further, Lender Clearing Members shall also have the right to request by a respective election in the Loan Information that Non-Cash Principal Collateral to be provided from Eurex Clearing AG to the Lender Clearing Member under a specific Securities Lending Transaction shall be delivered by way of creation of a pledge by Eurex Clearing AG for the benefit of such Lender Clearing Member over the concerned Eligible Principal Collateral Asset.

The purpose of such pledge is to secure the Borrower's obligation to (i) deliver the Equivalent Loaned Securities on the Maturity Date or (ii) to pay the applicable cash amount in the event of a cash settlement pursuant to Number 2.4.1, Paragraph (2) (c) and (d), Number 2.4.2 Paragraph (1) (a), Number 2.4.4, Number 2.6.4 Paragraph (8), (9) and (10) and Number 2.7.2 Paragraph (2) below, in each case with regard to the specific Securities Lending Transaction only.

For the avoidance of doubt, (i) the transfer of title of the Loaned Securities will be effected concurrently (*Zug um Zug*) against the creation of the pledge over the concerned Eligible Principal Collateral Assets, and (ii) the pledge will not secure a Difference Claim of a Clearing Member against Eurex Clearing AG upon the occurrence of a Termination with respect to the Clearing Member or a difference claim of the Clearing Member against Eurex Clearing AG in the event of a close-out with respect to Eurex Clearing AG pursuant to Chapter I Part 1 Number 9.

(1) Mandatory Reorganisations

"Mandatory Reorganisations" are corporate actions where the participation of the concerned owner of the relevant Underlying Securities in the corporate action is mandatory and not based on an individual decision or election of such concerned owner of the relevant Underlying Securities. Mandatory Reorganisations may be based on a decision of the competent corporate bodies of the respective company, e.g. the shareholders' meeting, or be triggered by third parties, e.g. in case of a squeeze out following a takeover offer.

Mandatory Reorganisations which occur on or after the Novation Time and on or prior to the Maturity Date (taking into account any postponement pursuant to Number 2.6.4 or 2.6.5) shall be processed in accordance with the following provisions:

- (a) where any liquidation (in whole or in part) or squeeze-out occurs with respect to the Underlying Securities, the relevant Securities Lending Transaction shall be (i) redeemed on the date on which such liquidation or squeeze-out proceeds, if any, would be received by the Lender in respect of the Loaned Securities assuming such Loaned Securities were not loaned to the Borrower and were retained by Lender on such date, and the Borrower shall on such date, pay to the Lender, a sum of money equivalent to (and in the same currency as) such

- (b) where any other Mandatory Reorganisations occur with respect to the Underlying Securities, the relevant Securities Lending Transactions shall on the execution date of such other Mandatory Reorganisation by the issuer, be adjusted accordingly by the equivalent of the securities that would be received by the Lender in respect of the Loaned Securities assuming such Loaned Securities were not loaned to the Borrower and were retained by Lender on the execution date of such other Mandatory Reorganisation by the issuer. References in this Chapter IX to Loaned Securities shall then refer to the Loaned Securities as adjusted by this Paragraph (1) (b).

(2) Voluntary Reorganisations

“Voluntary Reorganisations” are certain corporate actions that are in respect of the concerned owner of the relevant Underlying Securities not mandatory but require a decision/election of the owner of the Underlying Securities to participate in the corporate action (including exchange offers, repurchase offers, optional parts of rights, tender, acquisition, takeover or purchase offers and the execution of subscription rights pursuant to Number 2.4.1 Paragraph (2) (d)).

If the Lender Clearing Member wishes to receive Distributions or to execute any rights with regard to Voluntary Reorganisations, it may proceed in accordance with the following provisions if provided for by the rules of the relevant Third-Party Flow Provider:

The instruction must be made (and notice thereof must be received by Eurex Clearing AG) at the latest by the Buyer Protection Deadline (as defined below).  - (iii) The Borrower Clearing Member is obliged to comply with the instructions of the Lender Clearing Member pursuant to this Paragraph (b). Any compensation of financial resources that are required to exercise the right in connection with the Voluntary Reorganisation (if any) shall be agreed and executed on a bilateral basis between the Lender Clearing Member and the Borrower Clearing Member according to information provided by the issuer.
- (c) In the case of a Voluntary Reorganisation offering an exchange of the Underlying Securities against cash, the Lender Clearing Member may instruct the Borrower Clearing Member (and shall give notice of such instruction to Eurex Clearing AG) to agree on a Recall in respect of the related Securities Lending Transaction without redelivery of the Equivalent Loaned Securities against payment of a cash compensation. Any such cash compensation payment shall be agreed and executed on a bilateral basis between the Lender Clearing Member and the Borrower Clearing Member. The instruction must be made (and notice thereof must be received by Eurex Clearing AG) at the latest

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Settled Transaction on such Business Day.

- (2) Eurex Clearing AG reserves the right at any time prior to a complete settlement of Non-Settled Transactions to cancel such Non-Settled Transactions by sending cancellation confirmations to the Clearing Members.
- (3) Eurex Clearing AG will charge the Lender Clearing Member a contractual penalty, if the Lender Clearing Member fails to actually deliver the Loaned Securities in full on the second Business Day immediately following the Value Date and if the Securities Lending Transaction has been cancelled, irrespective of whether Eurex Clearing AG has suffered a loss. The applicable contractual penalty shall be 0.02 per cent. per day of the Required Collateral Value (calculated in the Transaction Currency) with a minimum of EUR 200 or USD 300 and a maximum of EUR 1,000 or USD 1,500.
- (4) Measures set forth in Paragraphs (1) through (3) shall be binding on the Clearing Member which did not receive delivery in time.

2.6.2 Failure to Deliver by the Borrower on the Value Date

2.6.3 Failure to Deliver Principal Collateral or Return Equivalent Principal Collateral during the term of a Securities Lending Transaction

- (1) If a Lender fails to actually deliver Equivalent Principal Collateral to the Borrower pursuant to Number 2.3.2 Paragraph (2) on the relevant Business Day or a Borrower fails to actually deliver Principal Collateral to the Lender pursuant to Number 2.3.2 Paragraph (3), the due date for the return of such Equivalent Principal Collateral or the delivery of such Principal Collateral shall be postponed until but no later than the third Business Day thereafter.
- (2) Irrespective of the postponement of the due date pursuant to Paragraph (1), the failure by the respective Clearing Member to comply with its obligation pursuant to Number 2.3.2 Paragraphs (2) and (3), respectively, constitutes a Termination Event pursuant to Chapter I Part 1 Number 7.2.1 Paragraph (1). Eurex Clearing AG is entitled at any time to increase its margin requirement accordingly if a Clearing Member fails to return Equivalent Principal Collateral or to deliver Principal Collateral pursuant to Number 2.3.2 Paragraphs (2) and (3), as the case may be.

2.6.4 Failure to Deliver by the Borrower on the Maturity Date

- (1) If the Borrower fails to actually deliver the relevant Equivalent Loaned Securities which are due to be returned to the Lender in full on the Maturity Date or any Business Day thereafter with respect to a specific Securities Lending Transaction (the "**Non-Performed Transaction**") and provided that the related Return or Recall request, if any, has not been withdrawn in accordance with Number 2.2.2 Paragraph (7) or cancelled, the redemption of such Non-Performed Transaction shall be postponed to the next following Business Day.

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Performed Transaction on such Business Day.

- (2) If a Record Date for a Cash Distribution or for a Securities Distribution in the form of subscription rights pursuant to Number 2.4.1 or the last trade day for the term of acceptance for a Voluntary Reorganisation pursuant to Number 2.4.2 occurs with respect to a Non-Performed Transaction between Eurex Clearing AG and the Borrower Clearing Member, the Borrower Clearing Member shall be obliged to pay a contractual penalty to Eurex Clearing AG irrespective of whether Eurex Clearing AG has suffered a loss.

Such contractual penalty shall be determined as follows:

- (a) with respect to Cash Distributions pursuant to Number 2.4.1 Paragraph (1), the contractual penalty shall be 35.8 % of the net Cash Distribution, multiplied by the number of Equivalent Loaned Securities owed by the Borrower to the Lender on the Maturity Date. The contractual penalty shall be payable in the currency of the Equivalent Loaned Securities and only be charged by Eurex Clearing AG if the calculation in the applicable currency results in a value of at least EUR 5,000, CHF 7,000 or USD 7,000;

- (b) with respect to Securities Distributions in the form of subscription rights pursuant to Number 2.4.1 Paragraph (2) (d), the contractual penalty shall be (i) the Rights Cash Settlement Price or (ii) if no such Rights Cash Settlement Price is available, such other amount as determined by Eurex Clearing AG in its reasonable discretion; in each case of (i) or (ii) above, multiplied by two;
- (c) with respect to Voluntary Reorganisations pursuant to Number 2.4.2 Paragraph (2), the contractual penalty shall be calculated on the basis of the offer as follows:

- Conversion offer in cash

In a conversion offer in cash, the amount of the contractual penalty shall be calculated on the basis of the offered cash amount for one Underlying Security according to the conversion offer less the settlement price, multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation and by the Acquisition Ratio determined at the end of the acceptance period. If necessary, the offered cash amount shall be converted into the currency of the Equivalent Loaned Security on the basis of the exchange rates published by Eurex Clearing AG on the last trade day for the term of acceptance for the Voluntary Reorganisation.

- Conversion offer in securities or cash

For a conversion offer in securities (bidder's securities) or cash, the amount of the contractual penalty is calculated per Equivalent Loaned Security owed on the last trade day for the term of acceptance for the Voluntary Reorganisation in accordance with the following formula; this is then multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation:

Contractual penalty per Equivalent Loaned Security =

$$\text{Maximum} \left(0 \left(\left(\sum_{1-n} (\text{Number}_{\text{Bidder's Securities}} * \text{Price}_{\text{Bidder's Securities}}) + \text{offered cash amount} \right) - \text{Settlement Price}_{\text{Security}} \right) * \text{Acquisition Ratio} \right)$$

- Different conversion offers in securities or cash

If, in the event of a voluntary corporate action, there is a right to choose between different conversion offers, the contractual penalty is calculated on the basis of the highest value of the conversion offers and the settlement price of the Underlying Security, multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation and the Acquisition Ratio determined at the end of the acceptance period. To this end, the different conversion offers will be calculated using the formula described above and will be compared with one another. The highest contractual penalty per Equivalent Loaned Security shall then apply; this

will be multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation.

- Different conversion offers in the event of mandatory corporate actions

If, concerning a mandatory corporate action, a selection right exists giving a choice between different conversion offers, the contractual penalty per Equivalent Loaned Security is to be calculated on the basis of the difference between the highest and lowest value of conversion offers, the result being multiplied by the number of Equivalent Loaned Securities owed on the last trade day for the term of acceptance for the Voluntary Reorganisation.

The following formula shall be used to calculate the value of the conversion offer:

Value of conversion offer per Underlying Security =

$$\sum_{1-n} (\text{Number}_{\text{Bidder's Securities}} * \text{Price}_{\text{Bidder's Securities}}) + \text{offered cash amount}$$

Number bidder's securities: Number of bidder's securities offered by the bidder for one Underlying Security of the target company.

Price bidder's security: Price for a bidder's security, which is determined as follows: (i) If new issues or new securities are offered, the issue price of the newly issued security offered for subscription will be used as the basis, (ii) if existing securities are offered and Eurex Clearing AG has a determined Settlement Price for the corresponding security, such fixed Settlement Price shall be used as the basis, (iii) otherwise, the closing price on the stock exchange with the largest turnover in the corresponding security shall be used as the basis. The price of the bidder's securities shall, if necessary, be converted into the currency of the Underlying Security on the basis of the exchange rates published by Eurex Clearing AG on the last trade day for the term of acceptance for the Voluntary Reorganisation.

n: Number of the possibly different securities offered by the bidder.

Acquisition Ratio: Total number of Underlying Securities that the bidder plans to acquire, divided by the total number of Underlying Securities offered to the bidder.

Settlement Price security: The daily settlement price determined by Eurex Clearing AG on the last trade day for the term of acceptance for the Voluntary Reorganisation for the Equivalent Loaned Security owed on the last trade day for the term of acceptance for the Voluntary Reorganisation.

The contractual penalty shall be payable in the currency of the Equivalent Loaned Securities and only be charged by Eurex Clearing AG if the calculation in the applicable currency results in a value of at least EUR 5,000, CHF 7,000 or USD 7,000.

Should the terms of the conversion offer on which the calculation of the contractual penalty is based, change after the last trade day for the term of acceptance for the Voluntary Reorganisation and the calculation of the contractual penalty have a different result in due consideration of the changed conditions, Eurex Clearing AG reserves the right to re-calculate the contractual penalty on the basis of the modified conditions.

The right of Eurex Clearing AG to claim damages shall remain unaffected.

- (3) With respect to any Non-Performed Transaction between Eurex Clearing AG and the Borrower Clearing Member, Eurex Clearing AG is entitled vis-à-vis the Borrower Clearing Member to commence a buy-in and to purchase Underlying Securities equivalent to the Equivalent Loaned Securities in accordance with the terms and conditions of Paragraphs (6) through (9) below (a **"Buy-In"**) if the conditions for a Buy-In pursuant to Paragraph (4) or (5) below are satisfied.
- (4) A Buy-In in accordance with Paragraphs (6) through (9) below shall take place upon receipt by Eurex Clearing AG of a Buy-In request of the Lender Clearing Member (a **"Buy-In Request"**). A Buy-In Request may only be given by the Lender Clearing Member if and to the extent a Recall request pursuant to Number 2.2.2 Paragraph (3) has been given by the Lender Clearing Member before the Buy-In Request and has not been withdrawn. In the case of Securities Lending Transactions in which fixed income securities are to be delivered as Equivalent Loaned Securities, a Buy-In Request may be placed no later than the tenth Business Day preceding the maturity of the fixed income securities.

If provided for by the rules of the relevant Third-Party Flow Provider, the Lender Clearing Member is entitled to withdraw a Buy-In Request provided that a Buy-In Request can not be withdrawn after the end of trading on the Business Day preceding the Buy-In Date (as defined in Paragraph (6) below).

If no Buy-In Request has been received by Eurex Clearing AG within ten Business Days following the date set as Maturity Date in the relevant Recall request or if the Buy-In Request has been withdrawn, Eurex Clearing is entitled to cancel the Recall request. Eurex Clearing AG is entitled to cancel the Recall request with regard to Securities Lending Transactions in which fixed income securities are to be delivered as Equivalent Loaned Securities, if a Buy-In Request has not been received until the tenth Business Day preceding the maturity of the fixed income securities.

Eurex Clearing AG shall be entitled to commence a Buy-In in its reasonable discretion with respect to a Non-Performed Transaction with the Borrower Clearing Member if no Buy-In Request has been received or if a Buy-In Request has been withdrawn.

- (5) A Buy-In in accordance with Paragraphs (6) through (9) below shall also take place if the Non-Performed Transaction has not been redeemed by the third Business Day following the Maturity Date pursuant to Paragraph (i) (b) or (ii) of the definition of Maturity Date in Number 2.2.2 Paragraph (8), provided that, on the last Business

Day preceding the Buy-In Day as defined in Paragraph (6) (b), no failure to deliver Equivalent Principal Collateral by the Lender pursuant to Number 2.6.5 occurs at the same time.

- (6) The Buy-In shall take place on the Buy-In Date if and to the extent the obligations under the Non-Performed Transaction have not been satisfied in full by the end of trading on the Business Day preceding the Buy-In Date.

The “**Buy-In Date**” shall

- (a) in the case of Paragraph (4) above, be the latest of
- (i) the second Business Day after the date set as Maturity Date in the Recall, and
 - (ii) if the respective Securities Lending Transaction is already a Non-Performed Transaction, the Business Day following the receipt of a Buy-In Request by the Lender Clearing Member in accordance with Paragraph (4) above, and
 - (iii) if the respective Securities Lending Transaction has not been subject to a prior settlement, the second Business Day following the receipt of a Buy-In Request by the Lender Clearing Member in accordance with Paragraph (4) above, or
- (b) in the case of Paragraph (5) above, the third Business Day after the Maturity Date,

in each case subject to changes by Eurex Clearing AG which reserves the right to defer the Buy-In Date by one or more Business Days or, upon good cause shown, to determine another Business Day for the Buy-In Date.

Eurex Clearing AG will inform the involved Clearing Members about the Buy-In and the results of a Buy-In per fax or telephone.

- (7) In the event a Buy-In pursuant to Paragraph (6) is successful and the Underlying Securities purchased during the Buy-In (the “**Purchased Securities**”) have been delivered to Eurex Clearing AG by no later than 10:00 a.m. (Frankfurt am Main time) on the Business Day after the Buy-In Date, the purchase price for the Purchased Securities shall be born by the Borrower Clearing Member and shall be paid on the Business Day after the Buy-In Date in accordance with the daily cash clearing procedure pursuant to Chapter I Part 1 Number 1.4.1.

For the avoidance of doubt, if the Lender does not return the Equivalent Principal Collateral on the applicable payment date, then Number 2.6.5 Paragraph (2) (h) applies.

- (8) In the event a Buy-In pursuant to Paragraph (6) is not successful or only partially successful on the Buy-In Date or the Purchase Securities have not been delivered to

Eurex Clearing AG by 10:00 a.m. (Frankfurt am Main time) on the Business Day after the Buy-In Date, a cash settlement shall take place on the Business Day following the Buy-In Date with respect to the Non-Performed Transaction.

Eurex Clearing AG will inform the involved Clearing Members about the cash settlement pursuant to this Paragraph (8).

The cash amount to be paid by the Borrower vis-à-vis the Lender shall be denominated in the currency of the Underlying Security and be determined by Eurex Clearing AG as follows:

- in case the Underlying Securities are equity securities, the Settlement Price of the Underlying Securities determined by Eurex Clearing AG multiplied by 2 and multiplied by the number of Equivalent Loaned Securities; and
- in case the Underlying Securities are fixed income securities, the Settlement Price of the Underlying Securities as determined by Eurex Clearing AG, plus 300 bp and with such sum to be multiplied by the number of Loaned Securities.

Number 2.2.2 Paragraph (1) and Number 2.3.3 Paragraph (1) apply *mutatis mutandis*.

- (9) If the Underlying Securities of a Non-Performed Transaction are subscription rights, no Buy-In shall take place following a Buy-In Request. Instead, a cash settlement shall occur on the earlier of the Buy-In Date or the Business Day following the end of the subscription period for that subscription right at a price determined by Eurex Clearing AG in accordance with Number 2.4.1 Paragraph (2) (d) (bb) multiplied by two and multiplied by the number of Equivalent Loaned Securities.
- (10) In the event that an Non-Performed Transaction in which fixed income securities are to be delivered as Equivalent Loaned Securities, is not fulfilled until the sixth Business Day preceeding the maturity of the fixed income securities, and in particular no successful Buy-In has been performed, a cash settlement relating to the Non-Performed Transaction shall be performed on the fifth Business Day preceeding the maturity of the fixed income securities. In such case, Paragraph 8 Clause 2 to 5 shall apply *mutatis mutandis*.
- (11) Measures set forth in Paragraphs (1) through (10) shall be binding on the Clearing Member which did not receive delivery in time.
- (12) Eurex Clearing AG will charge a buy-in fee from the Borrower Clearing Member if a Buy-In has taken place (independent whether it has been successful or not) (the "**Buy-In Fee**"). The Buy-In Fee shall be denominated in the Transaction Currency and amount to 10% of the market value of the Equivalent Loaned Securities bought or to be bought in the Buy-In, with a minimum of EUR 250 or CHF 375 and a maximum of EUR 5,000 or CHF 7,000.

- (13) For the avoidance of doubt, if the Lender does not return the Equivalent Principal Collateral on the applicable payment date for the relevant cash amount pursuant to Paragraph (7), (8), (9) and (10), then Number 2.6.5 applies *mutatis mutandis*.

2.6.5 Failure to Deliver by the Lender on the Maturity Date

- (1) If the Lender fails to actually deliver the relevant Eligible Principal Collateral Assets which are due to be returned in respect of Equivalent Principal Collateral in the form of Cash Principal Collateral to the Borrower in full on the Maturity Date with respect to a specific Securities Lending Transaction (for the purpose of this Paragraph (1), the “**Non-Returned Transaction**”), the redemption and return of the Equivalent Principal Collateral of such Non-Returned Transaction shall be postponed to the next following Business Day.

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Returned Transaction on such Business Day.

If the Lender fails to actually deliver the Equivalent Principal Collateral in the form of Cash Principal Collateral to Eurex Clearing AG in full until 9:30 a.m. (Frankfurt am Main time) on the Business Day following the Maturity Date with respect to the Non-Returned Transaction, a Termination Event pursuant to Chapter I Part 1 Number 7.2.1 Paragraph (1) shall have occurred with respect to the Lender Clearing Member (irrespective of the fact whether a failure to deliver the Equivalent Loaned Securities by the Borrower pursuant to Number 2.6.4 Paragraph (1) occurs at the same time).

The related Securities Lending Transaction with the Borrower Clearing Member shall be regularly redeemed in accordance with Number 2.2.2 on such Business Day.

- (2) (a) If the Lender fails to actually deliver the Equivalent Principal Collateral in the form of Non-Cash Principal Collateral to the Borrower in full on the Maturity Date or on any Business Day thereafter with respect to a specific Securities Lending Transaction (for the purpose of this Paragraph (2), the “**Non-Returned Transaction**”), the redemption of such Non-Returned Transaction and return of the Equivalent Principal Collateral shall be postponed to the next following Business Day.

Eurex Clearing AG shall return any assets transferred to it in relation to a Non-Returned Transaction on such Business Day.

- (b) If no redemption of the relevant Non-Returned Transaction and return of the Equivalent Principal Collateral occurs in full on the third Business Day immediately following the date set as Maturity Date in the applicable Return request, the Borrower may request that the Lender’s obligation under the Non-Returned Transaction to return the Equivalent Principal Collateral shall be replaced by an obligation of the Lender to pay a cash amount in the Transaction Currency determined by Eurex Clearing AG, in accordance with Paragraph (c).

- (d) If no cash settlement request has been received by the Borrower pursuant to Paragraph (b) until the tenth Business Day immediately following the date set as Maturity Date and the Borrower has not withdrawn its Return request, Eurex Clearing AG is entitled to determine that the Lender's obligation under the Non-Returned Transaction to return the Equivalent Principal Collateral shall be replaced by an obligation of the Lender to pay to the Borrower a cash amount in the Transaction Currency determined by Eurex Clearing AG, in accordance with Paragraph (c).
- (e) The right of the Borrower to withdraw its Return request prior to the relevant payment date of the relevant cash amount pursuant to Paragraph (b) or (d) shall remain unaffected.

- (g) For the avoidance of doubt, if the Borrower does not return the Equivalent Loaned Securities on the relevant payment date, Number 2.6.4 applies *mutatis mutandis*.
- (h) If after a successful Buy-In pursuant to Number 2.6.4 Paragraph (7) or in the event of a cash settlement after an unsuccessful or only partially successful Buy-In pursuant to 2.6.4 Paragraph (8) with respect to a specific Securities Lending Transaction, the Lender fails to actually deliver the Equivalent Principal Collateral in the form of Non-Cash Principal Collateral to the Borrower in full until 2pm (Frankfurt time) for Principal Collateral held on accounts with Clearstream Banking S.A. and until 3pm (Frankfurt time) for Principal Collateral held on accounts with Euroclear Bank S.A./N.V., Brussels, on the Business Day after the Buy-In Date, Eurex Clearing AG shall be entitled to determine that the Lender's obligation to return the Equivalent Principal Collateral shall be

- (3) Measures set forth in Paragraph (1) through (2) shall be binding on the Clearing Member which did not receive delivery in time.

2.6.6 Further rights

2.7 Specific Provisions relating to Termination Events and Default Management Process

2.7.1 Limitation or Suspension of Clearing

Notwithstanding Chapter I Part 2 Number 1, if Eurex Clearing AG becomes aware of a Termination Event with respect to a Clearing Member, Eurex Clearing AG may suspend or restrict the Clearing of Securities Lending Transactions with such Clearing Member, in particular Eurex Clearing AG (i) may one or more times suspend or restrict novations of new Securities Lending Transactions pursuant to Number 1.2.1 under the relevant Standard Agreement between Eurex Clearing AG and such Clearing Member and Re-Rates pursuant to Number 2.5 Paragraph (5), (ii) shall be entitled to cancel all novated Securities Lending Transactions prior to the Value Date (taking into account any postponement pursuant to Number 2.6.1 or 2.6.2), and (iii) may suspend the obligation to deliver Principal Collateral or return Equivalent Principal Collateral to such Clearing Member pursuant to Number 2.3.2. Eurex Clearing AG will notify the Third-Party-Flow Provider and the Clearing Member of the decision to suspend or restrict the Clearing. Eurex Clearing AG shall specify, in the notification, a reasonable period of time during which such suspension or restriction shall apply.

2.7.2 Cash Settlement and Marking to Market upon Termination
