**RE: CFTC Regulation 39.5(b). Extension of Clearing of OTC Interest Rate Swaps Denominated in MXN to 21 Years.
CME Submission No. 14-215**

Dear Ms. Jurgens:

Chicago Mercantile Exchange Inc. ("CME") pursuant to Commodity Futures Trading Commission ("CFTC" or "Commission") Regulation 39.5(b) hereby notifies the Commission of an extension of the maximum maturity of fixed-floating interest rate swaps ("IRS") denominated in Mexican Pesos ("MXN") for clearing from 11 years to 21 years beginning June 2, 2014.

Pursuant to Regulation 39.5(b)(3)(i), CME states that it is eligible to accept the above interest rate swaps for clearing. Should the Commission determine that such swaps are required to be cleared, CME will be able to maintain compliance with the DCO core principles set forth in Section 5b(c)(2) of the Commodity Exchange Act and the regulations promulgated thereunder.

This filing supplements our previous submission to the Commission, dated December 6, 2013 (CME Submission No. 13-523) which included information relating to the acceptance of MXN denominated swaps with a maximum maturity of 11 years and incorporates the content of Submissions No. 13-523 herein.

Pursuant to Regulation 39.5(b)(3)(iii), the product specifications for MXN denominated IRS referenced above are attached hereto as Exhibit 1.

Notice of this submission has been concurrently posted on CME Group's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please contact me at 212-299-2228 or Jason.Silverstein@cmegroup.com. Please reference our CME Submission No. 14-215 in any related correspondence.

Sincerely,

/s/ Jason Silverstein
Executive Director & Associate General Counsel
